### Chapter 306 The Unknown Men

The unknown men, Su Nan, have fallen steadily into Fu Yechuan's arms, and have not been affected at all.

It was just the warning and disdain that crossed Fu Yechuan's dark and deep eyes, which made Xiao Ran suddenly feel a chill down his spine.

He didn't give them any time to react at all, so he hugged Su Nan and turned to leave.

Xiao Ran's face was pale and stiff, his whole body was tense, and the defeat was ugly.

Seeing this, Yu Fei sighed. Although he is young, he has been out for a long time.

Some things, maybe he sees more clearly.

In front of Fu Yechuan, almost no one has a chance of winning.

"Xiao Ran, please tell Sister Zhi."

Fu Yechuan carried Su Nan to the seat in the back of the car, smelled the strong smell of wine on her body, and frowned unconsciously.

But he still carefully brushed the broken hair in front of her forehead for her, sitting next to her, looking at the yellow street lights in the rich night, as if he was lonely and continuous like him.

He only dared to hold her hand when she was drunk, so that he would not be freed.

Su Nan's breathing was steady, and no one could bear to disturb him.

He Mougua swept in front of the clubhouse desolate, eyes across a touch of chill, he has qualified to compete with him?

Overconfident!

Less than twenty minutes later, someone knocked on the window.

When Fu Yechuan raised his eyes, Su Nan was also awakened instantly.

She looked around in confusion, as if thinking about why she was here?

When she saw Fu Yechuan, she was stunned for a moment.

Then he frowned tightly.

“Why are you here?”

Fu Yechuan’s tone was calm, “I’m passing by on business.”

Only then did Su Nan remember that he was drinking here, why did he arrive in Fu Yechuan’s car?

She doesn’t seem to remember.

Fu Yechuan looked at her bewildered look, and made up a reason for not blushing and not beating.

“As soon as I got out of the car, you had to get into my car, and you couldn’t stop me.”

“Nonsense!”

Su Nan reacted violently when he heard it.

Fu Yechuan stared at her silently.

“There is a surveillance camera in the car, do you want to see it?”

Su Nan was silent for dozens of seconds. Fu Yechuan’s righteous appearance made her feel guilty.

Is it true?

She drank so much that she was indistinguishable from me?

Her aura suddenly weakened.

“Don’t be so troublesome, maybe I want to vomit in your car when I’m drunk...”

Fu Yechuan twitched the corners of his mouth, his chest sank, and he didn’t know what to say.

But Su Nan also added a sentence.

“My drunk soul hates you, you will walk around me in the future.” Before

Fu Yechuan could say anything, the people outside the car knocked on the window again impatiently.

Su Nan looked sideways, got out of the car without saying a word, turned around and got into Su Qi's car.

Su Qi's handsome and incomparable face was a little indifferent and disdainful at this time.

"President Fu is so free? Our little four came out for a drink, and you are still haunted?"

Fu Yechuan glanced at Su Nan's figure and slowly retracted his gaze.

His voice was a little cold.

"She drinks with more than a dozen men, so don't you worry?"

Su Qi sneered.

"What are you worried about? My sister can drink with as many people as she likes. Behind a successful woman, why are there less than a dozen unknown men?"

Fu Yechuan's face was gloomy and gloomy, and the anger in his eyes could hardly be restrained. , but must be patient.

Who made him the third brother of Su Nan?

No more beatings can't be beaten!

Su Qi saw this and smiled recklessly.

"President Fu also wants to have a bar with her, but unfortunately, my sister's taste is much better!"

...

Chapter 307 You have to have an opinion

Chapter 307 You have to be assertive

. After Su Qi finished speaking, he slowly turned around and got into the car, ignoring Fu Yechuan again. The housekeeper started the car and drove away immediately.

After Su Nan went back, she had a good dream.

The light outside sprinkled brightly on the ground through the curtains. It turned out that Su Xiaohu changed the sleep mode in the house to the active mode.

It was lying on the balcony lazily swinging on the swing, and the four little tiger claws were tremblingly huddled together, scared and happy.

Awakened by Ning Zhi's phone call in the morning, she reluctantly picked it up.

"Have you and Qin Yu discussed that you won't let me get a good night's sleep every day?"

Ning Zhi was calm with a trace of anxiety.

"Yesterday you were taken away by Fu Yechuan, did he do anything to you?"

Su Nan's drowsiness completely disappeared.

"He took me away?"

Didn't she get into his car herself?

"Yeah, Xiao Ran, this unpromising person, doesn't dare to contend with Fu Yechuan's power, but I told Su Qi later that in the middle of the time... nothing happened, right?"

Su Nan's eyebrows jumped, hehe, Fu Yechuan Dog man, dare to lie to her?

"No, my third brother came quickly."

"That's good."

Ning Zhi chatted a few more words, and then hung up the phone.

But Su Nan was so angry that she gritted her teeth, dare she be fooled?

Knowing that she was awake, the servants brought sober soup early in the morning, Su Nan had a comfortable breakfast, and carried Su Xiaohu to the Juli Group.

Su Xiaohu's program was changed by Su Ming, but there must be a way for Silent.

She can't allow Su Xiaohu to like the person she hates.

The lady at the front desk saw Su Nan coming, and immediately stepped forward respectfully and politely.

"Miss Su welcomes you, Mr. Lin didn't know you would come over today, I'll contact you right away..."

Su Nan raised her hand, "No, I'm here to find Silent, is she there?" The

lady at the front desk paused. After a while, "Of course, please go to the reception room and wait for a while."

Su Nan raised her eyebrows and breathed a sigh of relief.

Very good, you can solve your big trouble right away.

In the reception room, Su Nan touched Su Xiaohu's soft fur.

"In the future, you will have your own opinion. You can't modify your program. You agree. You have to learn to reject him..."

Su Xiaohu squatted in her palm aggrieved.

"Baba was originally the most handsome person in the world. Mama, you have to recognize the truth..."

Su Nan wanted to pick it up and teach her a lesson. At this moment, the door of the reception room suddenly opened.

"Susu, you're here..."

Silently put on a ball head, and came in wearing a white coat.

Su Nan raised his head happily, and before he could say the words of greetings, looking at the two people who came in later, the smile instantly froze on his face.

"President Lin, President Fu?"

Ringo and Fu Yechuan walked in one after the other, one with a smile, the other with a blank expression.

Su Nan took a deep breath, really haunted.

President Lin helped his gold-rimmed glasses, "Long time no see President Su, congratulations on the rest of your life."

Su Nan smiled, "Thank you."

President Lin looked at her and didn't mean to say hello to Fu Yechuan at all. To ease the embarrassment.

He coughed.

“Well, it just so happens that President Fu is also having a meeting here. We thought you wanted to understand the progress of the artificial intelligence project, so let’s come over and discuss it together. After all, you have always been in charge of this project.”

Ringo felt that the reason he had found was perfect.

Su Nan tried his best to calm down, “I changed hands on this project before my accident. It’s been a long time.”

Ringo: “Oh...”

Just when everyone thought the atmosphere was starting to be awkward, Fu Yechuan suddenly He spoke, his voice soft and calm.

“Drinking so much alcohol last night, are you feeling better?”

...

Chapter 308 I miss you too

Chapter 308 I Miss You

Too Much After Fu Yechuan finished speaking, there was a strange, unspeakable silence in the air.

Su Nan’s face froze, and his expression was extremely unnatural for a moment.

Soon, there was a faint coldness on the corner of her mouth.

“It’s much better, even my memory has recovered very well. Mr. Fu, you lied, I still remember it clearly...”

She didn’t bother to hide anything, she really wanted to tear off Fu Yechuan’s disguised mask. !

But Fu Yechuan’s reaction was unexpected. He was not at all disturbed and embarrassed, and he was not nervous or ashamed after being exposed.

His magnanimous appearance, like Su Nan’s unilateral and unreasonable trouble.

With a gentle and indifferent smile on the corner of his mouth, he seemed to be sneering at her, very tolerant and doting.

“That’s good.”

Su Nan rolled his eyes, closed his eyes and took a deep breath.

Silently coughed, breaking the unspeakable embarrassment.

“Su Su, what are you doing here with me?”

Before Su Nan spoke, Su Xiaohu’s eyes lit up when he saw Fu Yechuan, and he couldn’t help jumping out of Su Nan’s arms.

When he reached Fu Yechuan’s feet, two claws pulled his feet.

“Baba, people really miss you...”

Fu Yechuan, who originally wanted to kick it away: “...”

He bent down, held it by the neck, looked at it and smiled. Laugh, unexpectedly gentle.

“I miss you too.”

The three people present were shocked and speechless.

Especially Ringo, where has he seen such a scene?

Before the program was revised, Su Xiaohu had been kneeling and licking Fu Yechuan unilaterally.

But Fu Yechuan had no feelings or response to this fake tiger.

But today it is rare to say “I miss you too”?

Is this still him?

But looking at Su Nan’s shocked and disgusted eyes, he instantly understood.

His sentence “I miss you too” probably wasn’t for Su Xiaohu!

Su Xiaohu kicked his limbs in the air, the cute tiger’s head swayed, and his shocked tongue stuck out and almost bit it off.

“Baba, you are really the most handsome man in the world, Mama is the most beautiful girl...”

Before Su Xiaohu finished speaking, Su Nan pulled him over.

Really can’t stand this wave of embarrassing rainbow farts!

She covered its mouth and stared at the little tiger with warning eyes.

“Shut up!”

She glanced at Fu Yechuan coldly, and then threw Su Xiaohu to Silent.

“The procedure that my second brother changed, help me change it back. The Su Xiaohu I raised must follow my ideas.”

Everyone immediately understood what she wanted to do.

Ringo gave Fu Yechuan a look at the show.

Fu Yechuan’s face gradually cooled, his eyes gradually dimmed, and the corner of his jaw tightened.

Su Xiaohu resisted in a low voice unwillingly.

“You just let people have their own opinions...”

Su Nan flew over with a warning look, and Su Xiaohu’s artificial intelligence system quickly analyzed it. This look is not easy to mess with!

It shrank weakly and silently agreed.

“No problem.”

Silently took out his laptop in front of everyone’s eyes.

Ringo and Fu Yechuan didn’t leave either, sitting opposite them.

Su Xiaohu was lying on the table, looking at Su Nan in a dazed and pitiful manner, as if he didn’t want to hate Fu Yechuan!

Su Nan pursed her lips, waited for ten minutes, and looked at Si Mo.

still ok?

Remember the last time it was less than two minutes away?

Silently frowned, typing hard on the keyboard, and after another ten minutes, cold sweat broke out.

“No, God Su Ming has installed a modified firewall in the body of this little traitor, and I can’t crack it at all.”

Su Nan twitched the corners of his mouth. Before he had time to lose his shock, he heard Fu Yechuan snort lightly. .

...

Chapter 309 Miss Su's Money

Chapter 309 Miss Su Qian,

everyone's attention shifted to Fu Yechuan, and his laughter obviously caught everyone's attention.

What is he proud of?

What is there to be happy about?

Fu Yechuan's expression was obviously relaxed, and the corners of his very happy lips seemed to have a slight arc.

"Forget about the limited ability!"

Silently gave up helplessly. God Su Ming took action, and no one could break through his line of defense.

Su Nan gritted her teeth and fought for a long time. The biggest opponent turned out to be her elusive second brother?

Su Xiaohu jumped into Fu Yechuan's arms in high spirits.

"Baba, you are amazing, you are so handsome, Baba, I love you..."

She stared at Su Xiaohu in Fu Yechuan's arms, her eyes twitched and her tone was cold.

"Su Xiaohu, get back for me."

This tiger, who has no stance, really humiliated her!

Fu Yechuan touched the tiger's head, his voice was gentle and clear.

"Go to your mother's place..."

Why is he so obedient?

He actually walked back obediently, and turned back three times in one step to stage a breakup?

Su Nan really wanted to spit out a mouthful of old blood!

She immediately stuffed Su Xiaohu into her bag, looked at Ringo and smiled.

“Farewell.”

After that, he left without waiting for Ringo to respond.

Silent hurriedly followed.

“Susu...”

“Is there anything else in silence?”

He smiled silently, a little hesitant.

“I sent a WeChat message to God Su Ming in the past few days, but he didn’t reply to me. Isn’t he busy?”

Su Nan nodded, “He is participating in a secret research project and should not be able to communicate with the outside world.”

Silently He nodded clearly, as if he was relieved, but also seemed to be a little lost.

Su Nan turned his head and smiled, “Silent, my father’s birthday is in a few days, he will definitely come, then I will invite you.”

Silent did not hesitate or hesitate, and pulled out a big smile.

“Okay!”

Su Nan waved goodbye to her, planning to send Su Xiaohu to Su Yifeng, or he would be mad at him sooner or later!

Fu Yechuan seemed calm, but as soon as Su Nan left, he said goodbye to Ringo.

Ringo realized something, made fun of him meaningfully, and deliberately pretended to be difficult.

“Mr. Fu, there will be a meeting in a while...”

Fu Yechuan gave him a cold sidelong glance.

“Let’s talk later.”

“Even if you go out now, it’s too late. Boss Su said something just now, why did you lie to her?”

Ringo wentssips rarely.

There must be something wrong with these two!

Fu Yechuan's voice was indifferent, "What does it have to do with you, mind your own business!"

After speaking, he raised his legs and walked out.

There was less than a minute gap between the front and back, Fu Yechuan just went out and watched Su Nan's car drive away from him.

Ringo chuckled in the back, "What did I say?" It's

too late!

It's too late to go out now!

Fu Yechuan's face became even colder, he glanced at him indifferently, raised his feet and left.

Before leaving, he indifferently dropped a sentence, "Why can't I spit ivory out of my mouth?"

Is he calling him a dog?

Ringo stood there stiffly, feeling extremely depressed.

Fu Yechuan's good show really can't be seen cheaply!

Fu Group.

Fu Yechuan watched Fu Yanni on the computer announcing the official transformation of the studio and was preparing to prepare an adventure program. It was a variety show-style adventure documentary jointly launched by a team of explorers.

Fu Yanni is in front of the camera, wearing a handsome adventure suit, with deep facial features and handsome, handsome, he can win a large number of fans just by his looks, and he introduces himself freely and freely.

With just this small clip, the number of clicks has already risen, occupying the first place in the hot search.

Fu Yechuan's face was gloomy and he looked at Chen Mian who was standing beside him.

...

Chapter 310 I'm so embarrassed

Chapter 310 I'm so embarrassed, my

voice is cold and low, with a hint of suppressed anger.

"What's going on?"

Chen Mian was trembling, and the smile on his face was barely able to hold up.

"It's... the money that Miss Su gave."

There was silence in Fu Yechuan's office, the silence was depressing, and the surrounding air was filled with a strong chill.

No one dared to take a breath.

Chen Mian was no stranger to this kind of atmosphere, but every time he experienced it, he felt shivering all over his body.

Under Fu Yechuan's eyes that could freeze people to death, he bit his head and clenched his teeth.

"Although the source of funds for Shao Fu's cooperation has been cut off, the money that Shao Fu took was given by Miss Su, and many partners were interested in resuming the cooperation. Can't close."

Fu Yechuan was silent for a few seconds, then sneered.

"He's really embarrassed to take the woman's money?"

Chen Mian lowered his head, of course he was embarrassed, after all, it was 100 million.

If Fu Yechuan knew that the real source of the 100 million was him, I'm afraid he could kill someone on the spot!

Fu Yechuan casually picked up the document on the desktop and glanced at Chen Mian inadvertently.

"I don't want to see such news in the future."

Chen Mian responded immediately, "Yes, I will arrange it."

...

A few days later, Du Yan from Huaying Entertainment called.

“Mr. Su, Yu Fei has a drama coming up soon. I need some heat. Can I rub against you?”

Du Yan said it directly enough. When it comes to the major CPs in the entertainment industry, although Yu Fei has cooperated with many objects, in order to maintain his image and personality, there has never been any scandal.

Except for Su Nan.

The popularity that was hyped by the fans before, they occupied the hot search list for a while, and attracted a lot of fans. In addition, Yu Fei originally endorsed a high-end luxury necklace of the Su Group. Speaking of which, Yu Fei If this drama can become popular, it will be a sure win for the Su Group and Huaying Entertainment.

Su Nan is naturally not hypocritical to the point of ignoring money.

She agreed immediately, “Of course, he can rub my heat at will.”

Anyway, Yu Fei’s little fresh meat is well-behaved and motivated, so it’s hard for people not to like it.

So at an awards party two days later, Su Nan was “arranged” to attend without any accident.

Because it is an activity in the entertainment industry, Su Nan is not interested in competing with a group of female stars.

She’s just going to be a tool person.

So she rejected the latest haute coutures sent by the major brands who heard the news, and chose Ulyana Sergeenl’s most simple and elegant black dress of the season. The design is noble and elegant, with small pearls embellished around her waist. The most lively.

Su Nan’s makeup is very light, but the requirements are very delicate, bright and generous with a little charm and liveliness, plus her own aura, that kind of beauty that can’t be ignored is really the focus of attention.

Sitting in the middle of the scene, before the people around her came together, she was really bored, so she lowered her head and played with her mobile phone. Others couldn’t see who she was from behind.

The few female stars who didn't need to be the finale saw a strange woman sitting in such an important position, whispering.

"Who is that woman, how can she sit in the C seat? Is it crazy to want to be on the hot search?"

"Yeah, how did the staff arrange it, the position is so important, how can anyone sit casually?"

They I don't know if it was intentional or not, but Su Nan heard it clearly.

Really annoying.
