

## Read Divorce Billionaire Heiress Chinese Language Chapter 311-315

Chapter 311 I am

the staff member on the sponsor side desperately winking, but unfortunately the two 18th-tier female stars are immersed in their own world.

Su Nan has never been in the habit of swallowing her voice.

She put down her phone, stood up and turned around, looking at them with a clear and cold gaze.

There was a hint of indifference in his lazy voice.

“I’m the sponsor of this event. If you have any questions about the seats, you can complain to me...”

Anyway, she finally complained to Du Yan, she was very curious, these two little stars can still Can’t hang around here?

The two 18th-tier stars saw Su Nan’s face clearly, and their faces stiffened when they heard her words.

Under the light, their powdered faces turned even paler,

they stood up in a panic, and they were at a loss for words across several floors of seats: “No...it was Miss Su, we didn’t recognize you. ...”

Su Nan rolled his eyes in his heart, turned and sat down.

Originally, she wanted to change this central position to someone else, but now that she thinks about it, a broken C position can blow up so many people with inferior character, she still doesn’t want to leave!

The two 18th-tier starlets planned to go over to apologize to her in person, but they were stopped before they got there.

“Please go back to your original positions, or I’ll ask you to go out.”

Chen Mian stopped them, trying to restrain her manners and self-cultivation.

From the corner of Su Nan’s vision, he suddenly caught a glimpse of the light on the right hand side, and someone sat down with a faint, chilling fragrance.

She raised her head subconsciously, and frowned immediately when she saw Fu Yechuan.

“Why are you here?”

There was a lot of disgust in his voice.

Fu Yechuan’s chest sank, but his face remained calm.

“I’m also one of the sponsors.”

His voice was indifferent and gentle, and he wished people could indulge in his moving voice.

But what he said can make people angry.

Hehe...

Su Nan is sullen, don’t ignore him, just treat him as a transparent person.

Yu Fei sat down beside her from the other side. This was a position that had been arranged a long time ago. With Yu Fei’s enthusiasm, it was not abrupt to sit here.

With a smile on his clean and handsome face, he walked over from countless spotlights, without any timidity, his eyes were pure and gentle, not tainted by vulgarity.

“President Su, President Fu.”

Fu Yechuan ignored him at all, but Su Nan smiled and greeted him.

“Come and sit, the temperature is a little lower today, it’s cold to walk on the red carpet?”

Yu Fei smiled and sat next to her, “It’s okay.”

Su Nan leaned over and took the brush she just brushed. Yu Fei’s stills discuss how the plot developed.

Completely ignoring the gloomy man on her right.

Without noticing, the surrounding air pressure suddenly dropped a lot.

It was clearly warmer just now...

There are more and more people, and the awards will start soon.

“Su Nan...”

The man next to him suddenly said, reaching out and knocking on the armrest beside him.

Su Nan turned around and looked at him.

Fu Yechuan’s dark and deep eyes fixedly looked at her, and the emotions inside were complicated and forbearing in a flash.

When she wanted to see clearly, Fu Yechuan’s eyes were only dark and gentle like thick ink.

His thin lips parted lightly.

“You are very beautiful today.”

The chatter around the discussion fell silent for a moment.

This sentence is a very ordinary greeting, but when Fu Yechuan used it on Su Nan, the atmosphere was a little weird.

Everyone stared at Su Nan’s reaction.

She lightly parted her red lips.

“It turns out that President Fu’s aesthetics still have some patterns.”

...

Chapter three hundred and twelve shameless

Chapter Three Hundred and Twelfth Smelly Shame

Surrounded by deathly silence.

Su Nan didn’t care whether Fu Yechuan’s praise was sincere.

She’s pretty, what’s he to say?

It was just Fu Yechuan’s words that made Su Nan’s heart tremble for a moment.

Her concentration was still unstable, she was stunned for a moment, and almost indulged in Fu Yechuan’s sugar-coated cannonballs.

Fortunately, she responded in time, Fu Yechuan, a dog man, don’t try to seduce her!

When countless celebrities heard Su Nan's answer, they couldn't help but give their thumbs up secretly.

Mr. Su is Mr. Su.

A standard answer of "thank you" can be answered, and her answer is close to full marks.

The next moment, the music starts, and the awards ceremony begins.

Su Nan had long been arranged to give Yu Fei an award, so as soon as the nomination for the Best Newcomer Award came out, Su Nan went out to prepare.

The best newcomer award winner is usually two places, one of which is Yu Fei, he deserves it.

But all this, Yu Fei did not know.

The host introduced the nominees passionately on the stage, the music was loud and passionate, countless flashes focused on the expressions of the celebrities, and desperately captured their micro-expressions, pushing the atmosphere to the highest point.

"The winners of the Best Newcomer Award – Yu Fei, Fang Mengqi!" The applause sounded instantly and enthusiastically.

Yu Fei stood up excitedly, the camera swept over, and the two positions next to him were empty.

Su Nan tidied up her skirt in the background, and was about to go up to award the prize when someone behind her suddenly grabbed her hand and asked her to hold her arm and lead her up.

Turning her head to one side, her face was stiff.

Fu Yechuan!

Really haunted!

Another award-giving guest is clearly the director of the TV station, how could he make a temporary change?

She glanced back, the director smiled respectfully, stood on one side and stretched out his hand in a "please" gesture.

Fu Yechuan clearly had a temporary intention to replace the director of the awards with himself, which is really shameless!

Su Nan wanted to pull out her hand, but she didn't want to be so close to him at all. The faint scent of his body made her feel uncomfortable all over!

However, Fu Yechuan lowered his arm to prevent her hand from being drawn out.

"Don't make trouble."

He said in a low, magnetic voice.

As if to tolerate her unreasonable trouble.

What a hell!

Su Nan was stunned for a moment, gritted his teeth, and it was too late to refuse, they had already walked to the stage.

Under the spotlight, countless pairs of eyes stared at them, as well as countless media and reporters.

At this time, she was like a man on her back.

The appearance of Fu Yechuan and Su Nan in the same frame is far more topical than the two people in the Best Newcomer Award. They have their own aura, standing there at this time, as if they are the protagonists on the stage.

Especially Fang Mengqi and the hostess, who were wearing gorgeous dresses, were eclipsed.

The host on the stage responded very quickly, "It's an honor to invite President Fu and President Su to present the Best Newcomer Award to the two of them. What do you have to say to the two actors?"

Su Nan finally had a chance to let go and went to He took two steps forward, keeping a distance from Fu Yechuan.

She smiled brightly and was amazing.

I can't wait to praise Yu Fei as a flower!

"Yu Fei's hard work and talent are obvious to all. I admire his performance very much among the newcomers. I think he deserves this award..."

It was Fu Yechuan's turn. On Su Nan, until he spoke, everyone was so quiet.

Fang Mengqi, who was beside her, blushed nervously and her heart was beating, and the star eyes she was looking forward to were always on him.

He picked up the microphone, as if he had forgotten the name of the woman who won the prize, he just smiled faintly.

“What Miss Su said is exactly what I wanted to say.”

Su Nan: Shameless!

...

Chapter three hundred and thirteenth not on the way

Chapter 313

Fu Yechuan's speechless award speech, but everyone gave him a warm applause.

Su Nan rolled his eyes in his heart, but still had a generous and decent smile on his face.

When the awards were presented, Fu Yechuan took the Miss Manners trophy and certificate and handed them to Fang Mengqi.

Fang Mengqi was very nervous. The person in front of her who gave her the award was Fu Yechuan!

How could she not be moved?

A person in the mall who can shake her feet with stomping, if she follows him, she doesn't need to worry about any dinner parties and entertainment...

She carefully took the certificate and trophy handed to her by Fu Yechuan, bulging full of excitement Courage, with a timid and blushing face, but there is some cramped and anticipation in his eyes.

“Thank you, Mr. Fu, I've heard your name for a long time, and I hope to have the opportunity to work together...”

Fu Yechuan glanced at her coldly and remained silent.

When the group photo was taken, Fu Yechuan should have been on the left of Fang Mengqi, separated from Su Nan.

But he just stood on the right of Fang Mengqi, squeezed the female star out, and stood between the two winners with Su Nan.

Confused about this position?

Celebrities in the audience: "..."

Su Nan stood there, trying to maintain a smile. In front of so many media reporters, he really didn't want to make things worse.

But what I thought in my heart was: It's over, Yu Fei can't keep up with her popularity!

As soon as the award ceremony was over, Su Nan couldn't bear it any longer. He didn't even attend the celebration reception and left quickly. Fortunately, no one came after him.

Fu Yechuan was surrounded by people and chatted with each other, and watched Su Nan get into the car and leave.

"Mr. Fu..."

A sweet and gentle voice sounded from behind, it was Fang Mengqi.

She was standing there wearing a thin dress at this time, the spring light on her chest and back was infinite, but when the cold wind blew, she trembled all over. It was a bit pitiful like that.

Hearing this, Fu Yechuan looked at her deeply and indifferently, as if thinking about who this woman was.

When the people around Fu Yechuan saw it, they knew what the woman was up to.

But everyone is single, and with Fu Yechuan's status, many women must be thinking about him.

It was the first time that Fu Yechuan presented an award to a female star, and it was hard to say that nothing would happen to Fang Mengqi in front of him. Everyone smiled meaningfully and said goodbye to Fu Yechuan with great interest.

Soon, only Fu Yechuan and Fang Mengqi were left here.

Fang Mengqi walked forward softly and weakly, bit her lower lip, looking like she was hesitant to speak.

"Mr. Fu, my agent was called away by the company. He took my clothes. Could you drop me a line?"

She touched her bare arms and shoulders, looking pitifully weak. .

Fu Yechuan's eyes were indifferent and gloomy. He called Chen Mian with his mobile phone.

"Drive the car here."

Before Fang Mengqi's happy expression appeared on her face, Fu Yechuan's magnetic voice was indifferent.

"No, it's not on the way."

After speaking, he raised his legs and walked out.

Fang Mengqi's face was stiff and her lips were pale as she watched Fu Yechuan get into the car and leave.

inside the car.

Fu Yechuan's face showed no warmth, "Where's the photo?"

Chen Mian clicked his phone a few times and sent Fu Yechuan a picture.

It was when Fu Yechuan and Su Nan came to power, a group photo of the four of them.

However, after cutting, there are only two people left, Su Nan and Fu Yechuan.

Fu Yechuan's lips softened slightly, and he was very satisfied with this photo.

But soon, his eyes darkened.

His chest seemed to be wrapped in thin threads, and even his breathing began to become heavy.

After three years of marriage, he and Su Nan have never had a photo in the same frame?

How many important meanings in life has he missed?

...

Chapter 314 Isn't it a nightmare?

Chapter 314 Isn't it a nightmare?

Su Nan originally planned to go skiing with Qin Yu and Ning Zhi, but Fu Yanni blocked the door several times and insisted that she go to some adventure variety show that he produced and participated in.

She is not interested in 10,000 people, and she doesn't enjoy a good life, why should she ask for trouble?

Su Nan has never been a person who is willing to challenge difficulties!

But Fu Yanni came to the door again and again to chase after him. He wished he could live in Su's house, which annoyed Su Yifeng and Su Qi. The two of them went over to persuade her to join in quickly...

Su Qi lent his work team to him. Su Nan, assistants, makeup artists, and drivers are all ready-made, so Su Nan doesn't have to worry about it.

At this time, she was lying in the rocking chair, the sun umbrella was blocking the scorching sun, she squinted her eyes slightly, the breeze was coming, and the warm wind was wanton.

Demi, the makeup artist and assistant on the side, brought her afternoon tea prepared by her uncle butler, as well as various pastries that were carefully baked.

Su Nan squeezed a piece with great enjoyment and chewed it in small mouthfuls.

Fu Yanni, who came in a hurry, almost vomited blood when he saw this scene.

He walked over silently, "Susu, we are here for an adventure, not a vacation!" Su

Nan opened his eyes, and his voice was lazy, "I know, isn't it filming yet?"

Depressed.

"Other guests will be here soon, Su Su, if this episode of my show is dead, I really have to go home and go to work..."

Su Nan watched him gradually become serious.

"You don't have to be so pessimistic, right?"

Fu Yanni sat next to him and ate those delicate pastries, Su Nan hesitated.

He looked up at her with a serious look.

"Susu, if I hadn't pulled you over, my second uncle wouldn't have given me a chance at all. If this issue can't catch fans, then there will be no next issue..."

Su Nan thought: That would be great!

Of course she didn't say it, because Yu Fei and Fang Mengqi were already here...

“Are they the guests you invited?” Su Nan asked.

Although Yu Fei’s popularity is good, but in terms of coffee position, he is not the top coffee.

Fu Yanni lowered his voice, “The funds are limited, this is the best choice within my ability.”

Su Nan looked at him with a half-smile.

“Did you take a fancy to the popularity of me and Yu Fei?”

Otherwise, there are so many choices, but choose a little fresh meat who has had an affair with her?

Fu Yanni blinked at her, “Don’t worry, I will never recruit you.”

After speaking, Yu Fei and Fang Mengqi were already in front of them.

Fang Mengqi was not originally invited, but she and Yu Fei won the Best Newcomer Award a few days ago, which is considered a small celebrity.

Although she has debuted for a long time, it has only been the last two years that she has really gained popularity.

This show only had Su Nan as a female guest and it was not suitable, so Fang Mengqi was chosen.

Yu Fei came over and hugged Fu Yanni, and shook hands with Su Nan.

Few people are familiar, Fang Mengqi also greeted politely.

After the greeting, everyone did their own preparations.

When Su Nan turned around, he always felt that a bad look was staring at him, but when he looked back, Yu Fei and Fang Mengqi were joking.

Is she over-hearted?

In addition to them, there is another professional explorer Qin Ming, like Fu Yanni, who is a handsome mixed-race guy.

The requirement for filming is that no one can get the script, because this expedition is two unexpected paths.

They are divided into two teams to explore, but there is only one destination, and there is no fixed leader in the two teams.

Everyone has a map in their hands, but each card point is a dangerous situation, and every time they pass through a dangerous situation, they can choose to exchange a teammate at will.

first round.

Su Nan never dreamed that she and Fang Mengqi got the same map.

What a hell!

...

Chapter 315 Are you unhappy?

Chapter 315 Are you unhappy

? Fang Mengqi seems to be a little surprised, but during the recording process, you can't stop it, and naturally you can't go back.

Plus it's live!

The three men were very pleased with the result.

Without the drag of women, they just win more beautifully.

Su Nan didn't say anything. Anyway, as long as you clear the customs, it doesn't matter whether you win or not.

It's a pity that during the shooting process, the assistant could not follow, and the director who followed the shooting would not provide any help.

Su Nan took the tools they had prepared, carried a backpack, took a map, and parted ways with Fu Yanni.

She lowered her head and focused on the research route, a mountain road, a waterway, what they got was a mountain road.

Fang Mengqi walked behind Su Nan, looking up at Su Nan's back, her eyes could not hide the envy and complexity.

After so many years of acting, she won a best newcomer award and had the opportunity to participate in this variety show, but it was all because the gold master behind her was

willing to contribute, otherwise she didn't know that she would be in the eighteenth line. How long will I stay...

But Su Nan, who has easily attracted everyone's attention, is obviously not from this circle, but is much more popular than all female stars...

She Immersed in my own world, out of the corner of my eye, I suddenly saw the shot of the director following him.

In an instant, her expression became nervous and expectant, and she quickly followed Su Nan's pace.

"Miss Su, do you understand this map?"

Su Nan turned back and smiled at her, "Just call me Su Nan, the map is not clearly marked, but the general direction should be correct, and this is the only one here. There's only one way, the show team won't let us have no way to go, right?"

Fang Mengqi's eyes moved, and she smiled casually.

"Then listen to you, Sister Su Nan. I usually like outdoor sports very much. I'm so happy to be able to participate in this show. It's like going home."

Su Nan was stunned . What to do if you can't.

But when she saw the shot of the director, she suddenly understood.

"Sister Su Nan, do you like this kind of adventure sports?" Fang Mengqi asked.

Su Nan was walking in front, a trace of irritability flashed across his eyes, did he come to chat or explore?

"It's okay."

She was perfunctory, looking down at the map from time to time, obviously not wanting to continue talking about irrelevant topics with her.

Fang Mengqi was completely unaware of Su Nan's impatience. If there were no hot spots in the show, what would attract people to watch it?

If she was mediocre, I'm afraid she wouldn't even have the camera.

So she racked her brains to think about some sensitive and hot topics.

"Sister Su Nan, are you participating in this show because of Master Fu? You escaped from the savage tribe together, so your relationship must be very deep, right?"

Su Nan's brows were slightly condensed, Fang Mengqi's words were obviously ambiguous, what is a deep relationship?

What kind of feeling?

If it weren't for the camera, Su Nan would really turn his face now.

Is this woman someone else's fool?

Su Nan obviously quickened her pace, thinking that she hadn't heard the past, but who knew Fang Mengqi was still following.

Seeing that she didn't speak, Fang Mengqi's eyes moved, as if she was a little cautious.

"Sister Su Nan, are you unhappy? I'm sorry, I don't know, you can't talk about it..."

Su Nan took a deep breath, this little green tea, the best newcomer award wronged her, she should have It's the Best Director Award!

Directing and acting by herself, she can act a play by herself!

**Most of the readers are now reading this novels:-**

## **Read Divorce Billionaire Heiress Chinese Language Chapter 316-320**

The 316th chapter is about the madness of the

grass and trees in the forest. The tall trees cover the sky, and occasionally some sunlight is poured in through the cracks of the trees, and it looks a little alive.

The road under Su Nan's feet is also bumpy and difficult to walk.

You must reach the predetermined level before dark, where there will be some supplies, otherwise you will have to rest on the rocks.

So she really didn't want to act with this Fang Mengqi at this time.

But she was still chattering to add drama to herself.

"Sister Su Nan, I just thought that you have experienced adversity together, and your relationship must be very good. There is no other meaning..."

She looked cautious and annoying.

Su Nan stopped more than ten meters away from the wound covered by the trees in front of him and looked back at her.

Fang Mengqi didn't expect her to stop suddenly, and subconsciously staggered back and stood firm.

Waiting for her response.

Su Nan's eyes looked directly at her, but his eyes were indifferent.

"Miss Fang, I'm two years younger than you, just call me Su Nan."

What are you talking about "Sister Su Nan"?

Fang Mengqi's face turned pale, seeing her unhappiness, she was subconsciously apprehensive.

"Su Nan...I'm sorry..."

"Also, we are on an adventure, not an emotional variety show, some boring and personal feelings, I don't need to share with you, right? Clearance is important, what do you think?" I

have to say, Su Nan's aura is different from that of ordinary female stars, she stands there with a cool smile, which makes people feel more stressed.

Her eyes were crystal clear, and she could see through her thoughts at a glance. The darkness in Fang Mengqi's heart was instantly invisible.

I was waiting to watch the lively barrage, but it seemed like it was swiped for a moment, and they all left messages:

"Su Nan is so good, Mr. Su is Mr. Su. It turns out that dissatisfaction can really be said directly, so happy!"

"Fang Mengqi is a bit too gossip, isn't she, asking such a private question if you don't know people well?"

"Su Nan's character is really not pretending, it can be seen that she has endured all the way, and finally can't stand it anymore, hahaha..."

Although I really want to know what Fang Mengqi asked, but Su Nan's words are too euphemistic!"

"Meng Qi didn't do it on purpose, they just wanted to have a good relationship, and Su Nan was too conscientious. ...."

“With all due respect, Fang Mengqi feels a little green tea in front of President Su...”

.....

They don't know what the barrage will say, but Su Nan If so, Fang Mengqi's face has been disgraced.

She transgressed out of proportion, and when she thought about it, she knew that she was in the wrong.

Fang Mengqi's complexion gradually faded, especially in front of the camera, she was so nervous that she couldn't get off the stage.

It turned out that she was not a rich and willful eldest lady, nor an approachable little sheep.

She can even think of how those fans who support Su Nan will expose her plans and scold her for being too far...

But Su Nan smiled lightly and looked at the follow-up director, with a flat voice. .

“Go back and pinch the irrelevant clips.”

It wasn't a negotiating tone or a tough order. She spoke directly and calmly without giving others a chance to refuse.

After speaking, she turned and left.

The camera that followed the director almost couldn't hold it.

He wanted to say that he could pinch, but he couldn't pinch in the live broadcast...

Fang Mengqi was quiet now, not daring to say anything, and immediately followed.

...

Chapter 317 She wants to change teammates

Chapter 317

The cave she wants to change teammates is not on the map she has seen. Since it doesn't, there must be a problem.

Su Nan used a stick to push away the weeds covering the cave door, and Fang Mengqi also stepped forward to help.

It was dark inside, and the ground was still glistening with water, gloomy and gloomy, and even the smell inside was indescribable.

Su Nan took a deep breath, raised the flashlight carefully, and walked in.

Fang Mengqi looked outside, pursed her lips, and said hesitantly.

“Su Nan, this cave has no shooting equipment. It should not be the place we are looking for. Let’s not waste our efforts.” The

shooting experience told her that a place without a director and a camera must not be important.

Su Nan walked in front, her voice flat.

“Then wait outside.”

She didn’t force it.

Su Nan’s follow-up director had already entered, leaving Fang Mengqi and her follow-up director outside.

Fang Mengqi frowned, although she was extremely reluctant, she still gritted her teeth and chose to follow in.

Otherwise, even Su Nan, a daughter of a daughter, can enter, she is timid, isn’t she looking for black?

Just as she was about to follow quickly...

“

Ah—” Fang Mengqi screamed, Su Nan looked back, she seemed to have a sprained foot, kneeling on the ground, dripping with cold sweat and tears coming out.. ....

Su Nan hurriedly turned around and went back, “What’s wrong with you?”

Fang Mengqi forced a smile, but the paleness on her face couldn’t hide her pain.

“I’m so sorry, I’ve dragged you down.”

Su Nan frowned, “Do I need to contact the staff and send you back to rest?”

“No... I won’t go back, I can persevere.”

Fang Mengqi gritted her teeth and said, although the pain was terrible, but if she just left, she would really become a transparent person.

Then, the chance she finally won, was gone in vain!

Before she came, she had thought that Su Nan's cool and cold personality would be fresh to the audience once or twice.

But what the audience really likes are people with high emotional intelligence. Only when she can gain a firm foothold here and become a resident guest will she improve her status and value.

She is not going!

Since it was her own choice, Su Nan would not make up her own mind for her.

Su Nan looked around and found a thicker branch from the cave door, "You can make do with it first."

Fang Mengqi took it, thanked her, and stood up.

Although the pain was not as painful as it was just now, walking was still affected.

Su Nan stood up beside her, Fang Mengqi grinned in pain as soon as she took a step, and as soon as her legs became weak, she was about to fall.

She grabbed Su Nan's arm subconsciously, and Su Nan also held her firmly, intending to let her go after she got used to it.

But Fang Mengqi misunderstood that Su Nan wanted to take care of her, so she never let go, dragging her and limping inside.

A disabled and determined look!

Su Nan pursed her lips speechlessly, but she couldn't push her away, so she could only let her pull.

No, she has to change teammates!

There were a lot of comments on the barrage, with mixed praise and criticism:

"Meng Qi is so dedicated, so pitiful, it's not fair to be popular!"

"So the two of them reconciled like this? President Su has a good temper, right?"

“Meng Qi doesn’t seem to be pretending. If you are really injured, the show team should take care of it, or your body is more important!”

“Unity is strength...”

...

The further you go, the more Dark, gloomy with a hint of horror and gloomy atmosphere.

Su Nan didn’t feel anything at first, but Fang Mengqi, who was beside her, huddled tightly beside Su Nan, wishing she could hang her whole body on her body, and exclaimed from time to time.

And the follow-up director next to him was extremely dedicated to capture every expression of them.

About fifty or sixty meters away, the eyes are completely dark, and there is no way to go...

...

Chapter 318 You are too unreliable

Chapter 318 You Are Too

Unreliable Su Nan’s expression was a little surprised, while Fang Mengqi was very disappointed, and wanted to speak out to blame Su Nan for choosing the wrong path, but because of Su Nan’s identity and the opinions of netizens, She chose to shut her mouth, and turned to comfort her:

“Since there is no way out, let’s go back, shall we?”

If it wasn’t for Su Nan’s insistence, they wouldn’t be here, and she wouldn’t have sprained her foot!

Su Nan frowned. He was studying the map. Something wasn’t right. There was only one road in this direction, and this road was only in the cave.

How can there be no way?

“If the map is correct, then the exit is in this cave.”

Su Nan said and walked to the blocked place. She looked around and planned to remove a stone.

She tried hard, but couldn’t move.

She frowned tightly, looking for clues everywhere, and suddenly raised her head, it was a dark and damp stone with a lot of moss growing on it.

The light of the flashlight swept over carefully, and Su Nan stared at every piece of moss above.

Suddenly stunned, she was stunned for a moment.

It's a palm print!

Seeing this, she was so excited that she almost jumped up!

Even though the program group is the most professional expedition team, the more they pursue real nature, the less man-made traces can be erased.

Su Nan stepped on the stone beside him, carefully looking at it with his feet raised, the wet and slippery stone, dirty and full of mud.

She couldn't care, because she saw the gap between the stones, the cold light was dim and not dazzling.

Her hand was gently close to the gap, and the wind outside was blowing gently, slightly cold.

About tens of centimeters in width and very long, it can only accommodate one person to crawl out at a time.

Su Nan breathed a sigh of relief, jumped down, and looked at Fang Mengqi.

"The exit is above, you go first, or me first?"

Fang Mengqi was stunned, looking at the narrow passage above, obviously a little unexpected.

"But... maybe it's wrong?"

Su Nan frowned, "How do you know if it's right if you don't try? Or do you have your own understanding of the route?"

Fang Mengqi didn't say anything along the way. What my own opinion, but also sprained my foot.

She bit her lower lip, "I've sprained my foot, do you go first?"

Su Nan nodded, as expected.

She took out the gloves in the backpack and stepped on the stones carefully, but the height was still not high enough.

Su Nan looked at his follow-up director, and he immediately raised his head to look elsewhere.

“You don’t help me now, I’ll run away by myself in a while, don’t expect me to wait for you...” The

filming director said weakly, “Don’t let me help...”

Su Nan picked Mei, just as she was about to try to jump again, someone grabbed her leg and pushed her up.

With the help below, it is much easier to climb up.

He smiled with the filming director, handed the machine up, stretched out his hand, “It’s my turn...”

Su Nan: “...”

Don’t you help?

The joy of laughing on the barrage:

“No one can ignore Mr. Su’s domineering!”

“Director: You dare to threaten me, well, I accept the threat!”

“The director who needs the help of the guests, it’s time to deduct the salary!”

.. ....

The two of them struggled to climb up, the gap was really small, and if they were a little fatter, they wouldn’t be able to get through.

Su Nan carefully slowed down his movements and moved out a little bit.

When she could see everything outside, she suddenly had a big head.

There is an open space outside, there are no tools to undertake them, and this height is higher than imagined.

Where is this adventure, it’s a life-threatening situation!

...

## Chapter 319 This Hanhan

### Chapter 319 This naive

but sharp-eyed saw two parachutes stacked next to her, Su Nan gritted her teeth, forget it, it was the last step.

She reached out and took it, carefully fastened the safety rope, and helped the director prepare things.

The sun is not dazzling outside, and the cold wind is blowing heavily. The wind direction is really just right.

Su Nan took a deep breath, clenched her teeth and jumped down, the cold wind hurt her face, she couldn't shout yet, otherwise her facial features would be distorted and it would look like an ugly person.

Really regret it!

The sound of the wind in her ears seemed to have been amplified by a dozen times, and the air pressure hit her eardrums. Su Nan tried her best to stabilize her speed and direction.

About ten minutes later, she felt her body being pulled down, and people around her surrounded her.

It actually landed.

"Susu, are you alright?"

Fu Yann's handsome and rude face appeared in front of him and waved his hand.

Su Nan's face turned pale, she finally regained her sanity and heartbeat, and rolled her eyes at him.

"I won't be here in the next issue!"

Fu Yann twitched the corners of his mouth and leaned forward.

"The next issue is about intellectual breakthrough, so you don't have to be so tired, but the second half is not over yet, Susu, you are the first to arrive here, you can choose to change teammates..." You

can see that Fang Mengqi came here by herself. Is a weak chicken!

Sure enough, he read it right, Susu is the best!

Su Nan closed his eyes, "Change!"

Fu Yanni nodded edly, he left Qin Ming and Yu Fei's team, and arrived here as quickly as possible, just to change teammates!

"Then who do you replace?"

Su Nan didn't even think about it, "Qin Ming."

As if struck by lightning, Fu Yan and Ni froze in place.

"He? Why?"

Su Nan rolled his eyes at him, "Yu Fei is inexperienced, and you can't be trusted!"

Fu Yanni opened his mouth, shocked, "I..."

Is he unreliable?

Su Nan didn't choose him because he was unreliable?

Fu Yanni felt that he had been hurt 10,000 points!

Seeing Fu Yanni's shocked look on the barrage, he couldn't help but rejoice:

"Fu Shao was abandoned, what about the promised life and death?"

"Fu Shao, who was lost by his teammates, is pitiful and cute..."

"Why do I think that Su Nan has worked so hard to break through the level, she is just for this part of changing teammates..."

"Poor Fang Mengqi doesn't know that she has been replaced..."

" ...

Su Nan was there waiting for Qin Ming, and could take a break during this time.

At the end of the first level, Fang Mengqi, with the help of the staff, came out of the cave and joined them.

Knowing that Su Nan had changed teammates, Fang Mengqi hesitated and was disappointed, so she was disliked, and her face could not be hung up!

"Su Nan, I..."

Su Nan glanced at her and spoke quickly.

“Fu Shao chose you just now, can you still persevere?”

Fang Mengqi looked at Fu Yanni excitedly.

Fu Yanni looked at Su Nan suspiciously.

Su Nan smiled and looked at the blue sky.

Netizens on the barrage: Did they miss the link?

If Fang Mengqi is not with Fu Yanni, then with Yu Fei, they have no chance of winning.

This arrangement is best.

Qin Ming showed up with Yu Fei, and the two got a lot closer, talking and laughing.

The staff informed Qin Ming and Su Nan that when Yu Fei and Fu Yanni were in the group with Fang Mengqi, Qin Ming raised his eyebrows and accepted it happily.

Su Nan followed Qin Ming to choose the water route.

There was no filming director on the waterway, only their own camera equipment and drones followed.

Qin Ming has a slender figure, deep facial features, and obvious mixed blood, especially those peach blossom eyes, a seductive smile that can make people lose their souls.

It's just that Qin Ming's temperament is different from that of Fu Yanni. Although he has a wild energy, he does not have the style of Fu Yanni's son.

Su Nan watched him get on a small yacht and reached out to her.

“Come.....”

...

Chapter 320 is so cool

Chapter 320 is so cool,

Su Nan looked around, secretly startled, this mountain road is next to the sea, and she didn't even mark it on her map.

It seems like two worlds completely.

The rolling waves on the seashore beat the shore, and Su Nan reached out and got on the boat. She still had a lingering fear of the sea.

I used to look at the sea every day on the island, as if I would never see hope. Those days were dark and dark, and I didn't want to recall them.

And almost died there.

Su Nan looked at the map with a bewildered expression. She saw the map in the sea in a fog.

Qin Ming smiled on the side, very hearty and evil.

"Miss Su Nan, don't look at it, laymen can't read it."

Su Nan put it away and looked up at him, "Then do you know the direction?"

Qin Ming raised his eyebrows, "Of course, but it's definitely not here, you sit Steady..."

As soon as the voice fell, the speedboat rushed out with a "whoosh" sound, Su Nan was almost thrown out, she clutched the railing next to her tightly, and the sea water almost poured into her mouth, choke her to death!

Su Nan coughed violently twice, Qin Ming slowed down, looked back at her, and touched his head, "You're not sitting still..."

She looked up at him strangely, his eyes were pure and a little impurity None, even looking at her was a little surprised and worried.

At first glance, it is not intentional.

Netizens on the barrage saw this scene and commented very actively:

"Qin Ming, a straight man, all the advantages are on his face, right?"

"It's over, I have encountered a tough stubble, Mr. Su, take care!"

"Qin Ming is a famous explorer at home and abroad, has he never participated in such a gentle variety show?"

...

Su Nan held back the words he wanted to swear just now.

Seeing this, Qin Ming slowed down the speed very wisely, but in less than ten minutes, the coast was no longer visible where the speedboat was.

“Miss Su Nan, Master Fu said that you are very powerful...”

Qin Ming looked at her with a smile and was a little puzzled. Why do you look so weak?

Su Nan smiled perfunctorily, “Mr. Qin Ming, he also said that you are very good...”

The smile on Qin Ming’s lips deepened, “Why do you like adventure?”

“I don’t like it very much. I was pulled by him to make up the number.”

Qin Ming raised his eyebrows and muttered softly, “He said you had to come.”

Su Nan twitched the corners of his mouth, “Mr. Qin Ming and Ni Ni have known each other for a long time?”

Qin Ming’s eyes were far into the distance, the vast sea was turbulent, the huge waves were rolling, and the cold wind mixed with the heat hit their cheeks.

“Yeah, it’s been a long time, since my girlfriend passed away, we have participated in various adventure activities together and gave our lives to the world.”

Su Nan was shocked, slightly startled, a little stiff.

What secret did you find out by accident?

She blinked and quickly changed the subject.

“Hey, where is our destination, is it in the sea?”

If so, then the team on the mountain road will never reach it.

Qin Ming stretched out his hand and pointed to the sky.

“There...”

Su Nan raised his head, there were few clouds in the blue sky, looking towards the shore, he could see a few looming peaks.

Su Nan looked at him suspiciously, Qin Ming pursed his lips very melancholy, “Some small sailboats around are marked separately. If you can look down on the panoramic view, you can know the name of the destination.”

She pursed her lips, Is it so straightforward and difficult?

Looking down?

They are in the sea...

Qin Ming also saw her doubts and pointed to the sea, "The sun altitude angle corresponding to this position and our geographic marker are exactly in line with the hints given on the map, we The tools you need are in the sea."

Su Nan suddenly felt suffocated.

For the sake of heaven, do you have to go to the sea first?
