Chapter 331 Just When I Beg You

Chapter

331 Just think I'm begging you, Su Nan is really going crazy, how can this Fu Yechuan be like a fly, unable to wave it away?

Su Nan couldn't help but want to scold him, what's the wind?

Fu Yechuan held her wrist tightly, the temperature was slightly cold, and he could not refuse.

"Whether you believe it or not, Su Nan, I really regret it. If... I can have another chance..."

She interrupted him with a cold tone, but the pain in her eyes was no longer there. Can't hold back.

"Fu Yechuan, I have always had nightmares all these years, dreaming about the things in the past. Since I met you, I have never been happy.

I don't regret saving you, but I beg you, can you let it go? In the past, don't mention the past again?"

He didn't regret it later, it was useless and even a little ridiculous for her pain in the past three years.

Fu Yechuan's body froze fiercely, and was shocked by Su Nan's broken tone, and he didn't even dare to look directly at the pain in her eyes.

All the pain was caused by him.

And he knew nothing!

Looking at the man in front of him, his profile was resolute, his lines were clear, his nose was straight, and his facial features were as exquisite as they were carved. Su Nan was once addicted to it and couldn't extricate himself.

But now, she just wants to stay away from him!

She quickly concealed the pain on her face, her expression was indifferent, her eyes shifted to the front, and she twitched the corners of her mouth.

“You don’t need to feel sorry for me, and you don’t need to regret it. It’s all over. It’s good for everyone to be at peace with each other.”

She thought that Fu Yechuan’s regret was because of the guilt he felt towards her after knowing that he couldn’t swim.

In fact, it’s not necessary, it was wishful thinking, not to mention that he jumped at her on the streets of Europe...

However, Su Nan didn’t plan to speak out about this matter...

She narrowed her eyes slightly, turned around and got into the Su family driver’s car.

Fu Yechuan wanted to catch up again, but he couldn’t move his legs. Thinking about the cold and unfamiliar eyes that Su Nan looked at him, what qualifications did he have?

He watched the car disappear in front of him before turning to leave.

“Hearing” the bar.

Fu Yechuan pushed open the door and went to the private room, which was very lively and many people were there.

Seeing his sudden appearance, Lu Qi stood up in surprise.

“Old Fu, didn’t you go to dinner with Su Nan’s family? Why did you come here all of a sudden?”

Originally, it was rare for the brothers to get together once, but Fu Yechuan would definitely attend if he had nothing to do.

This time, he didn’t come, and proudly said that he would carefully prepare this dinner.

Hearing the name “Su Nan”, Fu Yechuan’s expression darkened slightly, his chest felt as if he had been hit hard, and the pain continued.

He walked over and sat down directly, and the box became quiet.

Fu Yechuan picked up the bottle of vodka in front of him, raised his head and drank it, his whole body was cold and cold, with a cold aura.

This battle has terrified everyone.

“Mr. Fu, did you get hit by something? Did that woman in Su Nan show your face?” A young man

next to him who didn't know whether to live or die said. He just heard Lu Qi mention Su Nan, and he thought of Fu Yechuan in Su Nan. Nan hit a wall there.

Fu Yechuan's face darkened slightly, his eyes were gloomy and cold, and the wine bottle in his hand was also slightly startled.

Lu Qi frowned, and before he could stop the young man, he persuaded him in a self-righteous manner.

"This woman is really shameless, but it's a woman you didn't want before. It's still a second marriage when you go out. If you can go to her, it's a shame for her. How dare you look at your face?"

Lu Qi tutted. With a sound, he covered his head.

It's over, this person can't get along in the circle anymore, his mouth is really cheap!

In the dark light and shadow, Fu Yechuan suddenly raised his head, and his gloomy and cold eyes stared at the young master. There was a chill, and even a touch of scarlet anger.

Suddenly, he slammed the bottle in his hand on the table in front of him...

...

of her "bang—" loud noise.

The glass tabletop in front of him, the wine bottle and the wine glass, shattered into pieces in an instant, and the splashed glass slag also splashed on the face of the boy, and the blood beads slipped from the wound on his face.

There was silence in the box, and the chill froze.

Young Master Brother was so frightened by this scene that his face was pale, and he didn't even dare to say a word.

Because he already knew that he said the wrong thing and touched his inverse scale!

Fu Yechuan's eyes were scarlet, and he was surrounded by a cold chill. He stood up, his eyes were fierce, and he pointed at him condescendingly.

"What kind of thing are you, you deserve to mention her?"

His voice was cold and depressed.

Walking up one step, he kicked him without saying a word. The young man curled up in pain, motionless, but the cold sweat on his forehead was dripping.

The people around don't dare to say a word, they can get into this circle, who doesn't look at Fu Yechuan's face?

"Old Master..."

Lu Qi hurried over to stop him, "Calm down!"

As he said, he looked at the others, "Everyone, he drank too much, leave it to me here, you go first."

Of course everyone agreed, and immediately said goodbye and left, and carried away the half-dead son.

The box was messy, and only he and Lu Qi were left.

Fu Yechuan tried his best to restrain the urge to kill, the blue veins on his forehead bulged, and his whole body was tense and stiff!

Lu Qi patted him on the shoulder and pressed him on the seat.

Instead, people came over and simply cleaned up, and put all kinds of precious wines again.

"I know you're here for a drink, please..."

Lu Qi filled him and took a drink himself.

Fu Yechuan sat there, swallowed a glass of wine, the spicy liquid entered his throat, but his whole body gradually relaxed.

He buried his head in the crook of his legs, his shoulders trembled slightly.

"She almost died because of me, and I didn't even know..."

It turned out that there were so many things he didn't know, but he treated her so much, how desperate she must have been for those three years!

He kept forcing her to forgive herself, Su Nan should hate him, right?

Fu Yechuan's Adam's apple was rolling, his heart seemed to be kneaded heavily by a hand, and he clenched it fiercely, the pain was piercing.

He admits that when he knew she almost died in the pool because of him, he was completely broken inside!

He hates himself so much!

Why didn't he think about who he was when he told him to go to the swimming pool?

Why would he be late for nothing?

Why didn't he remember Su Nan's face?

Why did he get the chance to get married, but didn't cherish it?

...

but all this, there is no chance to start over!

Today's Su Nan will no longer be desperate for him...

Lu Qi heard what he said in the fog, although he didn't understand, but he thought about Su Nan.

He never dared to offend this ancestor, but now, seeing Fu Yechuan's dejected and regretful appearance, he clearly fell in love with her!

Fu Yechuan drank cup after cup, his eyes gradually becoming scarlet and confused.

It didn't take long for him to drink most of the wine on the table, and there were only two words in his mouth: "Su Nan...Su Nan..."

Lu Qi sighed, "You like it so much. Su Nan?"

Where is she?

Fu Yechuan had begun to lose consciousness, but when he heard the name of "Su Nan", he subconsciously reacted.

"I like it, I like it very much, I want to take my life to like her...but she is not rare!"

Fu Yechuan's voice was hoarse and choked.

He wants to like her seriously, just like Su Nan took his life to like himself!

Lu Qi stood up, "You drink too much, shall I take you back?"

"I want to see Su Nan..." he muttered.

“Okay.”

Lu Qi said, struggling to carry him and leave.

...

Chapter 333 is coming

Chapter 333 All came to the door of
Su’s house.

Lu Qi called Su Nan in the car.

Su Nan seemed to have rested and picked up impatiently.

“Who?”

Lu Qi pursed his lips, “It’s me, Lu Qi, that... The old man has been drinking too much. He’s just outside your house. Can you come out and leave after talking?”

” After a few seconds of silence, Su Nan seemed to wake up.

Her voice was calm and deep, “You take him out of the way!”

Lu Qi: “...”

He struggled, “come here... If you don’t come out, I’ll take him Put it at the door, he turns his head and freezes to death, you are responsible!”

He hung up the phone and patted his chest.

Now he speaks to Su Nan, it is to rely on courage!

Lu Qi dragged Fu Yechuan out of the car and let him sit in the middle of the door in a very conspicuous place.

He struggled, “Old Master, I’m here for your own good, you can’t take revenge on me when you look back!”

After all, this was what he asked for.

Having said that, Lu Qi drove away directly.

After Su Nan digested it for a while, she immediately ran to the balcony to see, and sure enough, a car drove away.

She secretly cursed several times, are both of them sick?

Su Yifeng and his brothers were all asleep, and Su Nan carefully went downstairs with his shoes on.

When he got outside, he saw that Fu Yechuan was really sitting there, his expression was decadent and low.

Su Nan quietly came to the front, his eyes were indifferent and his voice was cold.

“Fu Yechuan, are you addicted to acting?”

Fu Yechuan raised his eyes, his pupils were full of red blood, his eyes were red, and he smelled of alcohol.

Su Nan was a little surprised.

With red eyes, he said, “I’m sorry Su Nan, if you give me another chance, I will definitely remember you.”

Su Nan’s chest trembled slightly, as if he had been hit by something, but he instantly became cold.

Just as he was about to speak, he saw Fu Yechuan fall straight down, unable to wake up.

After Su Nan originally came back, he was in a bad mood.

The dusty old things of the past were brought up again, and those scars were vividly remembered, and every knife was given by Fu Yechuan.

How could she let it go so easily?

She had forgiven him countless times before, but she just forgave her wishful thinking.

She just didn’t want to repeatedly bring up the grievances and grievances in the past, and it was boring.

But she admitted that whenever it was quiet at night, she suddenly remembered scenes of the past, and she was still heartbroken.

Do you regret it?

She has long regretted it!

She would rather be scratched by a stray bullet on the streets of Europe than a soldier named Fu Yechuan would sacrifice his life to save her.

That way, you won't fall in love with him.

Su Nan took a deep breath, her eyes turned red involuntarily, the lights on the side of the road were dim and dim, and the shadows of the two people overlapped, which was particularly dazzling.

How could people on earth ever be so embarrassed?

If he was drunk three years ago for himself, she would probably wake up laughing in her dreams, right?

It's a pity...

She gently wiped the tears from the corners of her eyes and stepped forward with a cold and indifferent tone.

"Fu Yechuan, let's be even, let's just pretend we don't know each other..."

The people from Dixing didn't move at all.

Su Nan hesitated for a few seconds, but decided to ignore him.

Just two steps away, she gritted her teeth, turned back, and kicked him on the waist.

Then, without looking back, he walked in and closed the door.

With her back against the door, Su Nan took out her mobile phone and called Lu Qi.

This shit just shuts down!

She found Wei Cheng's phone number again, but he answered it very quickly.

"It's me, Su Nan, Fu Yechuan was drinking too much at my door. If you don't want him to freeze to death, take him away, or I'll call the police..."

After she finished speaking, she hung up the phone.

In less than 20 minutes, Su Nan was upstairs when he saw Wei Cheng's car coming and leaving again...

...

Chapter 334 She is going to disappear

Chapter 334 She is going to disappear. The

overseas subsidiary of the Su Group has an emergency and must be dealt with immediately.

Su Jin couldn't walk away in the Su Group for a while, and Su Nan just wanted to go out to relax, so he went directly for him.

The news of Su Nan's going abroad reached Fu Yechuan an hour later. At this time, he was drinking sober tea in the office.

"What?"

Fu Yechuan was shocked, and he immediately stood up, ignoring that the tea was sprinkled on important Wenjia.

I don't know why, but there is a slight pain in my waist.

"She went abroad?"

Chen Mian nodded, "Yes, I just sent a return gift to Su's house, which was received by Su Qi's film emperor. He personally said that Miss Su Nan is leaving the country and may not come back in the future... .."

Fu Yechuan's face changed dramatically, she was leaving?

"Where did she go? Which flight did she take?" The

man's heart was in a mess. He was afraid that she would hate him, but he was afraid that she would ignore him!

He wants to find her back, even if he hates him for the rest of his life, he can't bear it, she disappears into his life!

Chen Mian's lips trembled, "No... I didn't take any flight, it was the Su family's private jet."

Fu Yechuan's eyes narrowed, his face even more ugly.

In order not to let him know his whereabouts, choose a private jet?

It looks like she is really leaving!

There was a faint panic on his face, as if an important place in his heart suddenly collapsed!

He gritted his teeth, and his eyes were faintly cold.

No, he must find her!

“In an hour, I want to know where she went!”

Fu Yechuan raised his eyes and looked at Chen Mian, his voice condensed, “Otherwise, you will disappear with her.”

Chen Mian trembled and responded immediately.

“Yes.”

With that, he went out.

four hours later.

Subsidiary of the Su Group of Country F.

Fu Yechuan stood at the door, tall and slender, with deep and three-dimensional facial features, extraordinary capacity, and a calm and graceful gesture, which quickly attracted the attention of many people.

The lady at the front desk has asked more than once, what can I do to help?

Fu Yechuan just smiled and sat there, “I’ll wait for someone.”

There was a hint of panic under his calm and calm expression.

Even if he knew that she was here, he didn’t dare to go up to see her rashly.

She would hate him even more.

He wanted to wait here for her to come down, pretending to be a coincidence, maybe she didn’t believe it, but it didn’t matter.

Fu Yechuan laughed at himself, but he also became cautious?

Forget it, as long as he finds her.

After Su Nan dealt with urgent matters, the meeting was held until the afternoon.

The CEO of the subsidiary, Lin Yi, is an alumnus of Su Nan, and the two went downstairs chatting and laughing.

“Thanks to you for being here in time, otherwise it would be troublesome.” Lin Yi smiled as warm as jade.

Su Nan smiled, stepping on high heels, bright and confident, and his aura was not lost at all.

“Thanks to your cooperation...” The

two nodded to the first floor and heard what the lady in front was discussing:

“Who is that man waiting for? He looks so handsome?”

“Yeah, he’s the most handsome oriental man I’ve ever seen, but unfortunately I was rejected when I asked for contact information just now...”

.....

Su Nan subconsciously looked at Leisure when she heard their words. In the area, the man had already stood up and looked at her with deep eyes.

In the eyes, it is inexplicably complicated.

He raised his foot and walked over...

Su Nan gritted his teeth secretly, this person is really haunted!

She didn’t speak. Fu Yechuan came to him and glanced at Lin Yi who was standing beside her.

Dangerous eyes narrowed slightly, then calmly looked away, and looked at Su Nan gently.

“Why did you suddenly go abroad?”

Su Nan’s face was slightly stiff, and he raised his eyebrows, “Do I still need to report to you about my itinerary?”

...

. Su Nan’s indifferent attitude did not arouse Fu Yechuan’s dissatisfaction at all. His eyes could not wait for warm water to overflow.

“No, I’m just asking, you don’t have to say it.”

Anyway, he has a way to know.

Lin Yi coughed, “President Su, are you a friend?”

“No.” Su Nan immediately denied it.

“It’s settled, let’s play for a few days before leaving?” Lin Yi suggested.

Fu Yechuan’s eyes became a little colder, and he looked at Lin Yi’s eyes with an indescribable chill.

Su Nan frowned and shook his head.

“Next time, there are still some things in my country, so I need to deal with it in a hurry.”

“It’s a pity, the journey is smooth.”

Lin Yi stretched out his hand, Su Nan smiled, shook hands and left.

Fu Yechuan followed her with great strides.

Two people standing together, no matter from which point of view, they are perfect to the extreme, and they can become the focus wherever they go!

on the plane.

Fu Yechuan desperately wanted to follow him to board the plane, while Su Nan walked on his own, ignoring him at all.

Can he board the Su family’s private jet?

“I went to find you last night? Didn’t I scare you?”

Su Nan snorted coldly, “I’m sorry, I didn’t look at you.”

Fu Yechuan paused, his voice condensed slightly.

“Is there always no one by my side? But my waist hurts a bit, and there is a footprint on my clothes...”

Su Nan pursed her lips, and there was a trace of guilt in her eyes.

on the plane.

Fu Yechuan didn't even understand how she could talk so well?

He even felt a little flattered!

Su Nan couldn't stand his eyes staring at her, and couldn't help but speak.

"Mr. Fu, what are you doing here?"

she finally asked.

Fu Yechuan paused, but he didn't say any of the reasons he thought of.

His voice was soft and hoarse.

"I thought you didn't want to see me anymore, so I came to find you."

Su Nan paused and snorted, then turned away and planned to sleep for a while.

Fu Yechuan paused and looked at her with deep eyes, there were thousands of words in it that he couldn't utter.

"Su Nan, what do you want?"

He suddenly wanted to meet all her conditions, no matter how unreasonable, even if it was a star in the sky, he could find a ladder to try...

Su Nan He smiled, "I just want...you stay away from me."

Fu Yechuan tightened the corners of his lips, but was stunned for a moment before returning to his original state.

He lowered his eyes slightly, concealing the sadness and restraint in his eyes.

He smiled nonchalantly again, the corners of his lips curled into a slight arc, but a trace of gloom flashed across his face.

"You can't do this, so don't think about it, just pretend that I didn't ask."

After saying that, lie on the side and close your eyes.

Su Nan rolled her eyes, cut her eyes, and slept quietly with her eyes closed.

After she went back, she finally cleaned up for a few days, fishing and shopping, but Fu Yechuan finally didn't show up!

.....

The first episode of Fu Yanni's adventure variety show has won a lot of reputation and popularity, and Yu Fei also took the opportunity to get a lot of good resources.

Even Qin Ming has been asked to shoot commercials for him...

Only Fang Mengqi, the reputation has been stinky again and again, it is really not good, and those who are scolded are a little scared.

However, the heat is not bad, and it can be regarded as a blessing in disguise.

Countless people scolded her for quitting, but if she really quit, she would never be able to turn over again.

So she has to participate in the second phase no matter what...

After getting the invitation letter for the second phase, Su Nan went to the appointed place extremely reluctantly.

I heard that it is not as tired as the first period, but it is estimated that it will not be too easy.

When she arrived, everyone else had already arrived.

Fu Yan Ni happily went over and planned to hold her around in circles, but Su Nan kicked her on the calf, and she almost cried in pain!

"You...you are so cruel!"

"I'm sorry Ni Ni, I didn't see that it was you!" He

lied!

She pretended to exaggerate and smiled, and it was because the two were too familiar!

She kept a decent smile without caring, and walked over to say hello to others.

Su Nan in a simple and capable casual outfit, her makeup was light and simple, but she couldn't hide her beauty and charm. The whole person looked noble and full of aura.

Qin Ming waved his hand casually , Yu Fei politely hugged and shook hands.

Fang Mengqi was wearing a small dress, and she was quite astonished when she appeared on the stage. She was there to laugh with her carefully. The last time she had a long memory, it was always right to be cautious.

“Su Nan, long time no see...”

Su Nan smiled politely, neither warm nor cold, but it was a bit weird to see her dressed like this.

Adventure, do you need to dress like a red carpet?

Do you think the netizens who live stream are all fools?

But she didn't bother to say it, it's good that people are happy.

Anyway, everyone is just participating in the show, not to engage in interpersonal relationships.

Everyone has arrived, the director began to exchange a few words, and the live broadcast has already started.

It's just that everyone was still waiting there, and the director was talking without a word, and even Fu Yanni was a little impatient.

Finally, someone said a few words in the director's ear.

The director breathed a sigh of relief, and he coughed twice.

“Everyone, the title company of our show has been changed, and this time the big boss will also become the copyright owner of this show.”

Fu Yanni took a step forward in shock.

“What? Why don't I know?”

The investment that was finally pulled in has been replaced?

Even bought the copyright?

He's a producer, so he doesn't know anything about it?

The director smiled, “Young Master Fu will know in a while, the surprise will come soon!”

Everyone watched in silence and surprise, and the director clapped his hands.

“Let us welcome our mysterious guest with warm applause, who is also the only title holder of our program, Fu Yechuan, President Fu—”

Only one person in the venue gave a solitary applause.

Everyone silently looked at Fu Yechuan who came out from behind the director, and glanced at Fang Mengqi who was applauding dryly.

Everyone tacitly ignored Fang Mengqi and looked at Fu Yechuan.

Fu Yanni ran over excitedly, bewildered.

“How? Why is my second uncle here?”

Yu Fei and Qin Ming stood there politely, without any movement.

The two of them just didn’t want to be involved in the embarrassment.

And Su Nan almost rolled his eyes to the back of his head.

What a ghost Fu Yechuan!

When netizens on the live broadcast saw this scene, they instantly exploded:

“Hahaha, this is the most embarrassing and bleak welcome ceremony that Mr. Fu has ever encountered?”

“Fu always came to support his nephew’s career. Well, it really is a family that loves each other on a blind date.”

“Fang Lame, this little green tea, counts her the most dog-legged, and asks her if she is embarrassed?”

“It’s still Mr. Su who is the most calm, but I see Mr. Su’s expression, and I wish I could be one step earlier. Got a title business?”

“This issue is a bit exciting, no matter which two men and women are in the same frame, they are all rumored men and women, hahaha...”

“Goddess Su, hold on!”

...

Fu Yechuan came over and didn't mind the embarrassment and pretense of the scene. Although he had an air of unapproachable and unattainable attitude, his expression was already very gentle.

When Chen Mian was in the backstage, he took the risk and told him in advance: "Mr. Fu, you have to smile so you can get along with Miss Su, otherwise it will be easy to be isolated..."

Joke!

He is not afraid of being isolated, cattle and sheep are in groups, and tigers always walk alone!

What he wants, he must get along with Su Nan!

...

Chapter 337 Has your foot recovered?

Chapter 337 Have your feet recovered?

Everyone's eyes were focused on Fu Yechuan.

The director gave a grand introduction. The main purpose of Fu Yechuan's visit was to experience the innovativeness of this show.

Fu Yanni obviously didn't believe it, his second uncle was really pervasive.

His career finally came out of nowhere, and it turned out to be his Fu Yechuan's industry again?

Most importantly, he gritted his teeth and bit his head and had to thank the second uncle!

My heart feels like I've been blocked with a ball of cotton, and I can't breathe!

The director laughed like a flower and put an opaque box in the middle.

"This time, there are six guests in groups of two, and the people who have drawn the same color are in a group." Just as

everyone was about to start, the director made a gesture of pause. "President Fu has a selection card in his hand. Since he is a mysterious guest who is airborne

, he has the right to choose first.” Fang Mengqi, who was standing next to Su Nan, looked at Fu Yechuan excitedly, how much she wanted to be chosen by him... After all, there are too few women who can relate to the name Fu Yechuan. After Fu Yechuan gave her the Best Newcomer Award last time, many people came to inquire about her relationship with Fu Yechuan. There were also those who looked down on her before, and their attitude towards her changed. She has already tasted the sweetness. If she really became his woman, who would dare to give her a face? Fu Yechuan’s lips curled slightly, and he walked slowly towards them. Fang Mengqi was so excited that her heart was about to jump out! Is he coming for her?

But after a step away, he stopped and looked at Su Nan next to her with deep eyes.

Fang Mengqi’s eyes were full of undisguised longing. If he could look at him, he would find that all her eyes were on him.

But he didn’t.

In his eyes, only Su Nan.

Su Nan glanced at him indifferently and took a step back without hesitation, obviously resisting his choice.

Fang Mengqi’s heart ignited hope again!

But Fu Yechuan took a step forward with great patience and looked at her with a smile.

In an instant, the situation became clear.

Su Nan frowned, Fu Yechuan stepped up, put the card in her hand into her hand, and held her hand firmly.

“I choose Su Nan.”

His words were powerful!

Su Nan glared at him dissatisfied, the director had already started urging others to draw cards.

The final result:

a group of Yu Fei and Fu Yanni; a group of Qin Ming and Fang Mengqi; a group of Su Nan and Fu Yechuan.

Knowing the result, Fu Yanni jumped up in relief, hugging Yu Fei and not letting go.

“Brother, I finally waited for you!”

As long as it wasn't Fang Mengqi, he would be thankful!

Qin Ming's face changed a few times, but he still maintained his self-cultivation and quality, and accepted the result.

Fang Mengqi was not very satisfied. Fu Yechuan didn't have to think about it. Qin Ming was an amateur, and in terms of reputation and status, he was not as good as Fu Yanni. What kind of popularity did she have with Qin Ming?

But think about it, the group of Su Nan and Qin Ming in the last issue also won a lot of reputation.

Forget it, be patient!

She smiled and looked at Qin Ming, "Please take care of me..."

Qin Ming nodded with a smile, "Of course, your feet should recover, right?"

Fang Mengqi's face stiffened, she smiled and said nothing.

But the netizens on the barrage were about to burst into laughter:

"Qin Ming, this straight man, hahahaha, have your feet recovered? I want to laugh for no reason..."

"I thought Fu was always here for his nephew. Yes, I'm here for Mr. Su, so don't make it too obvious..."

"You can't be friends if you're divorced? It's all in the same circle, it's not too rigid? Just an ordinary friend..."

"Fu Shao's gloating is almost written on his face, he is really a source of happiness!"

"It would be great if you didn't get a divorce, you are my best choice. Don't be too beautiful! It's a pity

... President Su, don't be soft-hearted, without a Fu Yechuan, all men in the world are your harem!"

Chapter Three Hundred and Thirty

Eight Throwing Su Nan stood there, withdrew his hand and rolled his eyes at him.

“Oh, mysterious guest? If I knew that your Fu family was going to vote, I wouldn’t give Ni Ni the 100 million yuan.”

Wasteful.

Fu Yechuan raised his eyebrows, his voice deliberately lowered, as if he was whispering to her.

“Then I’ll let him return it to you.”

Who cares!

Fu Yechuan coughed when he saw that she was ignoring others.

“It’s all arranged by the show team. You won’t be unhappy in the show because of our relationship, right?”

Su Nan gave him a calm look.

Hooked lips smile.

“Sorry Mr. Fu, now you can’t influence me anymore, don’t be too self-righteous, don’t bother me to make money... keep little fresh meat!”

Fu Yechuan’s face stiffened slightly, he twitched the corners of his mouth, and never talked to him again. she speaks!

Even if she is about to be mad at her, you have to endure it!

Who let him bring it on himself?

Everyone is listening to the director explaining the rules of the game, which is indeed much safer than the first issue.

The first game is to find the treasure map.

The treasure map was hidden in an abandoned factory, and Su Nan felt that he chose this place to save rent.

Fu Yechuan was obviously dissatisfied, but this place had already been chosen and could not be changed.

Although the factory had been cleaned in advance, it was gloomy and terrifying.

The walls with white paint and gray background, some broken, scattered tables and chairs, and shabby curtains swaying in the wind, how can it look like a haunted house!

There are three floors up and down, teammates choose one floor respectively, and the two must stay on the same floor and leave together when changing floors.

Fu Yanni and Yu Fei chose the first floor.

Su Nan and Fu Yechuan chose the second floor.

Fang Mengqi and Qin Ming chose the third floor.

When going upstairs, Su Nan and Fu Yechuan walked behind Fang Mengqi and Qin Ming.

Perhaps the environment is too terrifying, some dark and humid places are not exposed to sunlight, and even the lights are blind spots.

Fang Mengqi followed behind tremblingly, with fear in her eyes, weak and pitiful.

“It’s really scary, Su Nan, aren’t you afraid?” It’s

all women, isn’t it too contrived for her to be afraid?

So she needs to find some sense of identity here with Su Nan.

Su Nan pursed her lips, “What’s there to be afraid of, the show team has cleaned up when I saw it, and there are cameras everywhere.”

Fang Mengqi paused, biting her lower lip unwillingly.

“I think it’s a bit like making a horror movie. I’ve been afraid of ghosts since I was a child. You are so calm, are you an atheist?”

Su Nan raised her eyebrows, her voice warm and cold.

“When I was young, my dad gave me enlightenment. When I was a doctoral student, I minored in Marxism. My belief is not whether I believe in ghosts or gods.” In

one sentence, the pattern between the two people was opened.

Fang Mengqi pursed her lips and didn’t say a word.

Talking to Su Nan is really looking for abuse!

Her weak fears were like a joke in front of Su Nan’s theory!

Qin Ming ignored her at all, and happily went to find the treasure map.

Fu Yechuan looked at Su Nan gently, and he was happy with what she said!

As soon as he reached the second floor, Su Nan jumped up a few steps. Fu Yechuan was about to follow when he suddenly saw the figure in front of him slanted and fell down at him.

Fang Mengqi's feet slipped, as if she had not stepped on it firmly, and fell straight on her back...

"Help..."

Fu Yechuan frowned, if he avoided, Fang Mengqi would roll down the steps—in an instant, without any hesitation, Fu Yechuan kicked her in the back and saved her life!

Fang Mengqi almost fell on her back and fell down the stairs to lying on the ground, howling in pain.

That miserable voice once again attracted everyone's attention.

I thought Fang Mengqi could increase the chance of contacting Fu Yechuan with a hero who broke the boat and saved the beauty.

As a result...

she just got kicked like that?

Don't think about it, her little dress is in a mess!

Su Nan and Qin Ming rushed over to hear the sound, Su Nan looked at it in shock, and hurried over to help her up.

"Are you all right?"

Fu Yanni was listening to Su Nan's answer to atheism, so he saw everything clearly downstairs, and couldn't help laughing at this moment.

"Miss Fang, if you don't go up such a wide staircase, you have to fall on my second uncle..."

...

Chapter 339 The Clown is her own

Fang Mengqi's face is extremely ugly, she was wronged to death, and Fu Yanni saw through it, and she was even more embarrassed and embarrassed.

"I...I stepped on my skirt accidentally, and I accidentally fell!"

Fu Yanni stretched his voice, "Oh..."

Ghosts believe!

Su Nan watched speechlessly, but in order to complete the task quickly, he didn't want to be stuck here.

She suggested, "Do you want to change clothes?"

Fang Mengqi nodded and stood up quickly.

Qin Ming said cautiously there: "I won't twist my feet, do you want me to carry you? My waist has twisted recently..."

Fang Mengqi's face instantly turned into a pig's liver color.

This is simply humiliating her pretense in the last issue!

Looking at Fu Yechuan again, his indifferent attitude didn't take her seriously at all, as if he also knew that she fell on purpose.

In particular, the look of disgust in her eyes made Fang Mengqi extremely embarrassed.

After all the hard work and scheming, the clown is actually herself?

Who would have thought that Fu Yechuan didn't choose to catch her from behind, but kicked her up instead?

She bit her lower lip tightly, her face flushed red, and she still forced a smile.

"I'm not injured, it's just that the skirt is dirty, so shall I go change clothes?"

After saying that, she gave the assistant in the distance a wink, and hurriedly carried the skirt downstairs.

The show has not yet started seriously, and the incident of #fangmengqifall# has become a hot topic among netizens without any accident!

"Fang Lamé is acting as a demon again!"

“Is this show slashing the white lotus in the waist? Hahahaha, Mr. Fu’s kick really kicked our hearts out, applauding you through the screen!”

“Fang Lame’s highlights stop at the Best Newcomer Award. Is there something wrong with the woman’s psychology?”

“Qin Ming, this straight man, hahaha, still has a backache?”

“Fu Shao is worthy of being a Fu Shao, anyone can be angry, why are the men in the Fu family so handsome?”

“Goddess Su’s The expression is: I see through everything, but I still have to act with you? It’s hard to say!”

...

The show could not be stopped in order to wait for Fang Mengqi, after all, it was a live broadcast, so once she left, the rest had to continue.

Fu Yechuan watched Su Nan turn around and went inside. There were rows of tables and chairs with rusty instruments on them. The three sides against the wall were cabinets, the most likely place to hide things.

Su Nan didn’t rush to find them one by one, but stood on a higher step and looked around.

A treasure map is not very large, and it may or may not be on this floor.

Fu Yechuan walked over and smiled, “Are there any clues?”

Su Nan obviously didn’t want to talk to him, let alone discuss it with him.

The relationship between the two of them is special, and the netizens on the Internet are more sensitive and suspicious. The last sentence they said, maybe their names were on the hot search, and there were even rumors of “combination”...

Isn’t it disturbing enough?

She rolled his eyes at him and said indifferently, “You’re looking for you, I’m looking for mine, and we don’t interfere with each other!”

After speaking, she went to the nearest cupboard, intending to take a look.

The filming director on the side had never seen such a scene.

The director urged Mr. Fu Yechuan to take good care of Mr. Fu, and that no black material should appear. The whole team was cautious, and countless public relations were waiting in front of the Internet, for fear of an accident.

But the two powerful presidents, neither of them had any scruples about face and camera, and even spoke so directly, compared to those pretending actors, it was a breath of fresh air.

Fu Yechuan's brows froze slightly, and he followed as if nothing had happened.

Su Nan was extremely impatient when she heard his footsteps.

"Don't you understand?"

Fu Yechuan and raised his eyebrows, "I'm looking for it here too."

He pretended to open a cabinet, Su Nan choked, ignored him, and continued to tug at the things in his hands.

Out of the corner of his eyes, he saw an inconspicuous little box on top of the cabinet.

Su Nan tilted her toes, just enough to reach.

Just before holding it firmly, the box fell off.

She didn't have time to dodge, she was about to hit her on the forehead, she closed her eyes fiercely, and her heart sank.

Intuitive 10,000 unlucky!

But the expected pain did not happen, a cool big hand with a faint scent of cologne covered her head and blocked her eyes.

She seemed to feel the dull pain of the box falling and hitting the back of his hand, but he didn't say a word.

At that moment, her heart seemed to be smashed by the box, and she trembled slightly.

Then, his hand was taken away, and his voice was magnetic and mellow.

“Fortunately it didn’t hit...”

He handed the box in his hand to her, “There’s no way to hide things in such an obvious place, do you see?”

Su Nan glanced at him and took it back lightly I looked up and opened the box, it was empty!

She wasn’t too disappointed, she threw the box on the table beside her, and continued to look for it.

She didn’t say thank you, the little episode just now seemed to not exist.

But when Fu Yechuan continued to follow her, she stopped sarcastically.

The layout on the second floor was a bit gloomy, but the light from the outside, through the dilapidated windows, just shrouded Su Nan’s body.

Her eyes are crystal clear, her profile is smooth, and her red lips are bright. Just a profile is enough to be bright and compelling. She is different from the deliberate disguise of ordinary people. She stands there, she is an existence that cannot be ignored.

That is the noble and cold beauty raised from the bones.

It really looks more beautiful.

Su Nan could notice the scorching gaze behind him from the front, and every time he turned to stare at him, he was just looking down for something.

That serious look is really surprising!

And when I follow the director, I stare at myself from time to time...

It’s really annoying!

She walked around this second floor and found nothing.

Fu Yan Ni Dian Dian, who was downstairs, ran up.

“Second uncle, Susu, let’s exchange, I didn’t find anything, only five or six empty boxes...”

Su Nan nodded, just as he was about to go downstairs, his eyes suddenly swept across the opposite wall , suddenly stopped.

Fu Yechuan also looked over and narrowed his eyes.

Indeed a map.

Su Nan's eyes lit up, and he ran over quickly and looked at the staff next to him, "Is that so?" The

excitement was beyond words!

The staff shook his head regretfully: No!

Her eyes dimmed slightly, and she knew it wasn't that simple! Just as she was about to go downstairs to look for it again, she suddenly heard Fang Mengqi

on the third floor suddenly shout, "I found it!" Fu Yan Ni snorted in disbelief, and they didn't pay attention until Qin Ming solemnly called "Director". The staff on the side told everyone to go to the third floor, it seems that they really found it.

Fang Mengqi has no brains in interpersonal communication, but she did not expect to be very hard at this time.

Su Nan followed them up.

Fang Mengqi held the treasure map excitedly, and Qin Ming stood aside with no expression on his face. Such a game is a waste of time!

The director has accepted it, and solemnly announced that it is a real treasure map!

Fang Mengqi almost jumped up with joy, and finally ushered in her highlight moment!

"Director, is it time to change teammates now?"

Fang Mengqi looked at Fu Yechuan with a burning gaze, her thoughts undisguised.

This is the case in the last issue. Whoever wins a game first can change teammates!

"Uh..." The

director frowned hesitantly.

Fu Yechuan, who was behind Su Nan, spoke suddenly, with a terribly cold tone.

"This session has been canceled, not in this issue!"
