Chapter 341 Fertilizer water does not flow to outsiders' fields

Chapter Three Hundred and Forty-One Outsider Tian

Fang Mengqi's face froze in place, extremely embarrassed.

Everyone can see her purpose, but this destination doesn't give her a chance!

The director immediately responded and rewarded Fang Mengqi for the dominance of the next round.

On the Internet, there were comments on the barrage:

"Fang Mengqi fell and seemed to be hanging, but President Fu took her hanging..."

"Fang Lam is inexplicably lame and mentally retarded... "..."

"Everyone is chatting and paddling. Only Goddess Su is seriously searching for treasure. She hasn't been found yet. I feel sorry for her for ten thousand seconds..."

"Only I think that President Fu is very fond of Goddess Su. Isn't the thief's heart not dead? Every time he looks at her, he is too gentle?"

...

Everyone went to the next destination according to the treasure map found by Fang Mengqi.

on the way.

Fu Yanni approached Fu Yechuan and smiled meanly.

"Second uncle, is your cheating too serious? You can change the flow of the show as soon as you say it?"

But the director couldn't say a word!

Fu Yechuan glanced at him sideways, with a cold tone.

"I can get you out too, can you believe it?"

Fu Yanni's throat choked, and he was speechless for a moment.

This is really what his second uncle can do!

“You like Susu, but others don’t like you either. You are wasting your efforts!”

Fu Yechuan paused, glanced at him coldly, opened his lips indifferently, and said,

“Oh, she doesn’t like you either. Fu Yanni, don’t worry about people you shouldn’t, this is the last warning to you.”

For his nephew’s sake, next time, it won’t be so gentle!

Fu Yanni was hit like an eggplant that had been smashed. He was speechless for a moment, his chest was stuffy, but he was not happy.

But looking up, Su Nan didn’t mind walking ahead, discussing the next game with Qin Ming.

She really didn’t like him, even if two people lived and died together for so many days, the friendship between life and death will always exist.

But her eyes never stopped on him.

If it was someone else, he might still be patient, but by Su Nan’s side is Fu Yechuan!

He really gave in!

Fu Yanni followed, “Second uncle, do you really like her that much?”

Fu Yechuan looked at him like an idiot, nonsense!

He took a deep breath, “Okay, I looked around her, and it seems that you are worthy of my Susu, since you’ve changed your mind, I’ll help you, and the fat will not flow to outsiders. Tian...”

Fu Yechuan was too lazy to listen to him muttering some nonsense, watching Qin Ming and Su Nan chatting more and more happily, he quickly followed and interrupted them.

“Su Nan...”

Su Nan turned his head slightly, looked at him, and smiled slightly.

“Is something wrong?”

Fu Yechuan smiled, “Well, I have something to do.”

Seeing this, Qin Ming left as if nothing had happened, and went to find Fu Yanni, who was left behind and filled with righteous indignation.

Su Nan took a deep breath, did he have something wrong?

It didn't take long for them to arrive at the next venue.

The final game of the ultimate adventure.

It is on a cliff 100 meters away from the bottom of the cliff. It is an extreme bungee jumping place that adventure sports lovers like.

Fang Mengqi laughed very happily here. The director asked the staff to prepare safety ropes for them, and they tied them without falling.

There is a hot air balloon not far away, and the director briefly introduced the rules:

"Everyone will go to the hot air balloon for a while and play a game of truth. Meng Qi will punish the team members according to their tacit understanding.

One of the punishments is Extreme bungee jumping, with a depth of 80 meters, the limit of bungee jumping in the world.

If you can't stand this bungee jumping, you can accept a punishment from Meng Qi, which she decides by herself."

This is the advantage of finding a treasure map!

No wonder Fang Mengqi is so happy!

...

Chapter 342 Who do you like

Chapter 342 Who do you like

Su Nan is not afraid of heights, but seeing such a deep cliff bottom, his heart still trembled uncontrollably.

When I stepped into the hot air balloon, I felt my legs were shaking.

Except for professional-level explorers like Fu Yanni and Qin Ming, most of the others are the same.

Fu Yechuan was calm and deep, and he couldn't see much emotion at all.

The distance below is bottomless, and the lush woods seem to be covered with abyss, but the feeling of being in the air is like stepping on the clouds, and it is extremely unsteady to sway.

Fortunately, the safety measures on them are already very strong, otherwise Su Nan would not take a step!

She swore that she would stay far away from Fu Yanni in the future!

The filming director didn't come up, only their own cameras and drones.

Fang Mengqi didn't know if she was really afraid or scared. She leaned against the railing and screamed with a pale face, calling out everyone's fear...

"Are you afraid?"

Fu Yechuan's magnetic and cold voice was behind him. sounded.

Su Nan paused for a while, and denied it, "I'm afraid of a ghost!"

Fu Yechuan sneered from behind. Su Nan heard it and wanted to scold her, but now she's not in the mood.

Fang Mengqi looked like she was about to cry, "Mr. Fu, I'm so scared..."

Fu Yechuan gave her a cold look without saying a word, his expression extremely indifferent.

Fu Yanni couldn't help but said, "Stop howling, I can't hear what we're talking about for a while, you will dub it yourself?"

Fang Mengqi's crying stopped abruptly.

The actors are okay, everyone else is a master who can't be hired even if they have money, she doesn't have the ability!

There were still two tears hanging in her eyes, and she was extremely aggrieved.

"I'm just too scared..."

"If you really can't help it, let the director take you back!"

Qin Ming suggested, he felt that he took good care of the female guests.

Fang Mengqi sobbed twice, "Forget it, I'll persevere."

Yu Fei didn't say anything and looked outside.

Until the director's voice came through the microphone.

"Meng Qi, you can start..."

Fang Mengqi took a deep breath, stood up, and took out the prepared process card.

She looked at Su Nan and Fu Yechuan.

"The first one is to ask Su Nan. If you don't want to answer, you can choose to bungee jump."

Obviously, he came prepared!

Su Nan raised her eyebrows, "Okay."

Fang Mengqi said, "If you want to choose one of the four men present to be your boyfriend, who would you choose?" The

atmosphere calmed down instantly, and the cold wind made people's faces hurt.

"This is all arranged by the director, but it's not what I want to ask..."

Fang Mengqi looked at Su Nan's face, a little ugly, and quickly distanced herself.

Su Nan smiled, as if nothing had happened.

"Of course I choose Yu Fei."

She said, looked at Yu Fei next to her, and raised her eyebrows.

He is full of youth, immature and simple, and he is simply the best candidate to be a boyfriend!

Fu Yechuan, who was standing beside him, his face darkened at a speed visible to the naked eye, and his eyes gradually became gloomy.

Fang Mengqi's eyes flashed a successful smile, and then she asked, "What about your second choice?"

"Choose Qin Ming."

Su Nan glanced at the dull Qin Ming and smiled.

He quickly explained, "It's nothing else, it's just

an assumption.” Qin Ming smiled perfunctorily,

and Fu Yechuan, who didn't take it seriously at all, had a colder look in his eyes, and the sternness in his eyes made him dare not look directly.

Fu Yanni twitched the corners of his mouth in disbelief.

“Old Qin is ahead of me?” Has

his status declined so fast?

Su Nan smiled at him, “If she continues to ask, you will be the next one.”

Fu Yanni looked at Fu Yechuan with inexhaustible words, his second uncle, I'm afraid he's out of play, right?

Fu Yechuan couldn't get the third one?

...

Chapter 343 punish you

Chapter

343 Punish you Fang Mengqi's face stiffened, because Su Nan had already given the third answer in advance.

She looked at Fu Yechuan's face, which was already ugly and gloomy to the extreme. The chill between her brows was threatening. She looked at Su Nan with deep eyes, as if she was trying hard to restrain her emotions.

Su Nan smiled, “I don't need to dance, right?”

Fang Mengqi immediately recovered her expression, “Of course, the next question is from President Fu.”

She looked at Fu Yechuan with excitement and excitement.

“If you were to choose one of the two ladies present to be your girlfriend...”

Her eyes seemed to be glittering with victory.

After experiencing such insults as Su Nan, how could Fu Yechuan, a normal man, not regain some face?

Among the women present, apart from Su Nan, Fang Mengqi was the only one left!

As long as Fang Mengqi's name and Fu Yechuan appear together, then her variety show is useless!

Fangmeng Qi would not finish, Ye Fu Chuan voice cold and restrained, gloomy indifference Kai lips:

"I chose Sunan."

Then, do not we react, he suddenly stepped forward, put his arms Sunan, In an instant, it fell backwards...

Everyone exclaimed!

"

Ah— " Su Nan couldn't help but shouted out, the wind whistled past her ears, her body weightless, could not help falling quickly, and

the man on her body tightly hugged her waist... ..

suddenly, her lips covered with a cool soft lips, a hint of mint wrapped her, as if to comfort all her

fears!

Her shouting also came to an abrupt end, and all the fear and panic scattered in the wind...

The man's icy domineering and greed for invasion were undisguised, and invaded every corner of her lips!

Su Nan tugged at his clothes tightly. She forgot that she had strong safety measures on her body, but she still felt that the person in front of her was a life-saving straw, and she must not let go.

She closed her eyes tightly, and didn't react at all at first. Later, the man bit her lower lip punitively, and the tingling sensation woke her up.

She opened her eyes suddenly, and everything around her fell quickly, only the rope around her waist and the man's arm restrained her, and her whole body seemed to be on the verge of death.

The man's face is like an outline drawn by a brush, deep and delicate, like a sculpture.

At this moment, she looked at Fu Yechuan's dark eyes, and her heart skipped a few beats.

The wind blew by around him, and his body almost reached the bottom of the cliff. In an instant, his waist was tightened, and the moment he jumped up, the rope hurt as if it could break a person.

But the figure on his body didn't seem to feel anything. The depths of his eyes were dark and black, and it loomed into a surly sea surface. On the surface, the wind was calm, but a casual breeze could set off huge waves.

She bit her lower lip with a pale face, panic in her eyes.

She is not afraid of heights, but it does not mean that falling off a cliff of 100 meters is an easy and interesting thing.

Every second she fell was like a test on the edge of death, and every nerve of hers was tense!

Fu Yechuan, how dare he?

But after rising less than ten meters, the rubber rope on their bodies was pulled away, and they began to fall again!

Seeing the fear in her eyes, Fu Yechuan seemed to gently and unbearably buried her head in his chest.

He was close to her ear, the wind around him was silent, and his voice was gentle after the coldness was removed.

"You will always be my first choice."

...

Chapter 344, Susu, who do you choose?

Chapter 344 Su Su who did you choose

Fu Yechuan said, I don't know if Su Nan heard it or not, she didn't respond.

The rope bounced back and forth, fell, bounced again, fell...

Her body gradually adapted, and her panic gradually faded.

When he opened his eyes to look at him again, there was only anger and coldness in his eyes!

After going up, Fu Yanni and the others hurriedly got together and were very concerned.

“Susu, are you okay?”

“How is it, are you dizzy?”

Fu Yechuan, who was left aside, was isolated.

Everyone can see that this is the result of his anger, and it was all caused by him. Do you still expect others to comfort him?

Su Nan is so wronged!

Even Fang Mengqi stood there, looking at the two people silently.

Not sure what just happened.

Su Nan shook her head with a pale face, unable to say a word, feeling a little nauseated in her stomach.

She frowned, “Can it be over?”

Fu Yanni paused and looked at Fu Yechuan, who was standing beside him with an expressionless face. Except for his pale face, he basically didn’t react.

This exercise is a piece of cake for this second uncle who has received special training, right?

Fu Yanni patted Su Nan’s back, “Wait a minute, I just discussed with the director and came up with a new way to play...”

His eyes flashed, and he swept across Fang Mengqi’s face superior.

“Let’s vote, let’s vote for the person who should play this bungee jumping game with real names, let’s skip the truth, just jump down and finish!”

Fang Mengqi’s face turned pale, just as she was about to say something, Qin Ming, who was beside her, agreed.

“I think this method is very good. The real-name system is much more attractive than anonymity... I vote for Miss Fang Mengqi.”

He spoke directly, even avoiding the scene.

straightforward!

Fu Yanni replied: “Heroes see the same thing, I also vote for Miss Fang Mengqi.” There

are six people in total, and two votes have been cast.

Fang Mengqi looked at Yu Fei anxiously. They were both winners of the Best Newcomer Award. The two of them should be together.

Yu Fei did not hesitate, his eyes swept across Su Nan's face.

"I also voted for Fang Mengqi." Heck

!

Fang Mengqi's heart sank, three votes to two votes, she lost!

No matter who Su Nan or Fu Yechuan chooses, she is finished!

However, Fu Yanni still handed the topic to Su Nan, "Su Su, who do you choose?"

Su Nan didn't look very good, lowered his eyes silently, and looked slightly cold when he looked up.

"I vote for Fu Yechuan."

Her voice was loud, but unexpected.

It was clear that there was no winning situation, and Su Nan was the only one who dared to vote for Fu Yechuan. She just wanted to express her dissatisfaction!

Fu Yechuan's eyebrows jumped slightly, and his eyes dimmed for a moment.

Then he raised his eyebrows and looked at her tenderly, without the slightest sense of guilt?

Fu Yanni didn't want to make the situation too stiff to end, so he took advantage of the situation and asked Fu Yechuan.

"Second uncle, who do you want to vote for?"

If he is smart enough, he should follow Su Nan's words and vote for himself, maybe it will calm Su Nan...

But he doesn't!

Under the eyes of everyone, Fu Yechuan raised his chin, which was Fang Mengqi's direction.

"She."

He didn't want to say another word.

Fang Mengqi's face was so ugly that she was so caring and caring to Fu Yechuan just now, but she also followed others to bully her?

On the contrary, it was Su Nan, whom she had been targeting, who did not choose to let her dance?

She stood there wanting to cry without tears, and the aggrieved one became a white lotus again.

"I'd like to admit defeat, but I've been afraid of heights since I was a child..."

Wouldn't a group of big men force a girl to jump off her?

Fu Yanni smiled, the smile on the corner of his mouth was a bit wicked, he stepped forward and lowered his voice.

"Fear of heights? Are you coming to this show? It seems that I have to ask your agent what's going on. If you violate the contract and don't cooperate with the rules and procedures of the show team, you will have to pay liquidated damages..."

...

Chapter 345, please get away

Chapter 345 Please get away.

Fang Mengqi looked up at him in shock. Fu Yanni was not joking. He took a step back and made way for her.

He was certain that she would not dare to resist.

Who can deceive those pretentious acting skills?

She deliberately guides the direction of the show here, deliberately targeting Su Nan, who can't see it?

Fang Mengqi clenched her lower lip, and now this situation is stuck in a stalemate, with no room left at all.

She glanced at the icy Fu Yechuan, but his eyes didn't stop at her at all.

Fang Mengqi walked to the side step by step, staring at the back, even if there was one person to keep it.

His eyes finally fell on Su Nan, and he could only pin his hopes on her.

As long as she speaks, they shouldn't target her, right?

But Su Nan held the railing on the side with a pale face, looked impatient, closed her eyes and covered her chest, and didn't care if it was her who jumped down.

Fang Mengqi pursed her lips, hesitated, and finally jumped down.

It was just that scream that pierced the silence of the mountains, and it didn't stop for a long time...

This scene fell in the eyes of netizens, and everyone instantly applauded:

"It's time for President Fu to kick again, taste it. Taste that sour..."

"Mr. Fu is angry, he is angry, and the fourth choice is going to be angry! Hahaha..."

"Fang Mengqi also said in the first issue that she likes outdoor sports. I'm afraid of heights? She's really full of lies!"

"I feel so sorry for Mr. Su. To be honest, he was dragged down. Isn't Mr. Fu angry?"

"President Fu just regrets the divorce, right? Look at that look. , I haven't moved away from my goddess, hehe..."

...

Fu Yechuan looked at Su Nan with a bad face, so he directly asked someone to go over and take Su Nan away. He followed behind, watching her footsteps falter, and a trace of remorse flashed in his eyes.

Just as he was about to go forward and hug her, Su Nan had already noticed that his footsteps were getting tighter and he ducked to the side.

His hands were empty.

Su Nan stared at him with cold, red eyes.

"Go away."

She never spoke so harshly. She always had a bottom line. It seemed that she was really angry this time!

Fu Yechuan took a deep look at her, and the feeling of regret gradually spread in his heart, but he couldn't apologize directly in person, because Su Nan would definitely sneer without hesitation.

Such an apology is of no value at all!

He tightened his lips and followed her footsteps.

“Angry?”

Nonsense!

“I was just a little angry at the time, so I wanted to jump down and calm down, but I won't let you have anything to do.”

This explanation is dry!

Su Nan sneered and suddenly stopped.

“Do you want me to jump down and calm down?”

Fu Yechuan, a dog man, was angry when he was angry, yet he dared to pull her together?

It was clearly intentional!

Fu Yechuan raised his eyebrows, naturally she couldn't see it.

He just wanted her eyes to stay on his body for two more seconds.

He was angry that he was not chosen, but even more angry that she was ignored.

“Of course not.”

Huh...

She only saw a ghost when she believed it!

Both of them kept silent about the kiss that appeared in the middle, and Su Nan was unwilling to face this problem.

Su Nan gritted her teeth angrily, and just took two steps forward, her footsteps were vain, her head was dizzy, and a white light flashed above her head...

She involuntarily fell down.

Fu Yechuan immediately stepped forward and picked her up, frowning slightly, panicking.

He quickly picked her up and ran out. The ambulance was outside, and Su Nan's assistant Demi and the driver were also waiting there. Seeing this scene, their faces turned pale with fright.

Most of the readers are now reading this novels:-

Read Divorce Billionaire Heiress Chinese Language Chapter 346-350

Chapter 346 is my bad

Chapter 346 is

when Su Nan woke up again, surrounded by the smell of disinfectant.

It was in the hospital.

She breathed a sigh of relief.

In the dream, as if she was still in the process of bungee jumping, she fell, was bounced up, and fell again...

The repeated weightlessness made her body tremble, tense, and panic.

A warm towel wiped her warm forehead, Su Nan turned her head and saw the person clearly, her face turned bad instantly.

"Why haven't you left yet?"

Fu Yechuan hummed softly, "It's my fault."

His voice was low and hoarse, filled with endless regret.

Even when she fainted, she was having nightmares, sweating constantly, muttering, "Don't push me..." It

was all his fault!

He didn't expect that Su Nan would be so afraid?

If he had known this earlier, even if he jumped a hundred times by himself, he would not have dragged her to jump with him!

Su Nan turned his head away and avoided his towel.

Just as he was trying to get him to leave quickly, Demi and the driver appeared in front of him.

“Miss Su, are you awake?”

Demi skillfully poured a bowl of soup with a thermos in her hand.

“It’s shocking, try it..”

Su Nan took it and smelled it, it would be a little fragrant. Right now, I was hungry, so I took a few sips and put it down.

Fu Yechuan took her bowl and wanted to clean it up for her.

How dare Demi use him?

He hurriedly grabbed it, “Mr. Fu, don’t be busy, just rest.”

Su Nan’s eyes were indifferent, “Aren’t you taking care of everything? Can you not stay here?”

Fu Yechuan tightened the corners of his lips, his eyes dimmed slightly.

“I won’t disturb you.”

“You’re disturbing me in this room.”

She saw off the guest unceremoniously.

Fu Yechuan was silent, then stood up and left.

Demi sighed when she saw her fierce look.

“Miss Su, don’t be angry, it was President Fu who carried you all the way to the hospital just now...”

“What?”

Demi explained: “The ambulance lacked the necessary equipment, and the tires were damaged when we left. The puncture was broken, and President Fu was in a hurry to run down the mountain with you in his arms...”

Su Nan’s eyes were stunned, and he looked in one direction in a trance.

It seems that even anger can't be justified!

"Also, when you fainted, you kept holding on to him and didn't let go. Didn't you realize that you were holding on to his sleeve just now? As soon as he pulled you

away, you cried, and then you didn't dare to leave, so you just stayed here all the time. Come on, this soup was prepared by Mr. Fu..."

Su Nan was a little depressed, was she so embarrassed when she fainted?

"Has the show finished recording?"

She quickly changed the subject, but fortunately she didn't forget her business.

Demi nodded, "It's over, everyone has gone back, and we'll leave when you recover."

Su Nan nodded, that's fine, she didn't feel guilty.

Demi saw that her face was not very good and let her rest for a while.

Su Nan planned to be fine in a while, but the drowsiness hit, she couldn't help it, and fell asleep directly.

When I opened my eyes again, it was night.

Perhaps because she was worried about her sleep, the lights in the ward were not turned on and the door was closed, but the night outside the window was unobstructed.

The night was as cool as water, and the lights were just coming on. There might be a loud noise outside, but you could hear the quiet drop of a needle in the ward.

One is noisy and one is quiet, like two worlds.

She took a deep breath, feeling that the atmosphere was so good, she got out of bed quietly and was about to open the door and go out.

Suddenly, a lowered voice was heard from outside the door.

"Mr. Fu, you've been sitting outside the door all day and haven't eaten, why don't you go in and rest for a while?"

It was Demi's voice.

"No."

Fu Yechuan's voice was very recognizable. When talking to outsiders, it was clear and cold, with no warmth at all.

Su Nan put his hand on the doorknob, hesitated a little, but opened the door and walked out.

...

Chapter 347 She's about to start a career

Chapter 347 She's about to start a career

"Get ready, I'm going home to rest."

Demi was stunned for a moment, then immediately responded, "Okay, the driver is waiting outside."

Fu Yechuan stood up and looked Looking at Su Nan, he was silent for a while.

"Are you feeling better?"

Su Nan hesitated for a moment, "It's almost there."

Hearing that her voice was not stiff, Fu Yechuan's expression softened, and his eyes softened instantly.

He would be inexplicably afraid before, afraid that she would have some sequelae because of it.

But he forgot that Su Nan was not a fragile porcelain doll.

This will make all kinds of people lose their temper. Except for Su Nan, there is absolutely no second.

Fu Yechuan wanted to send her back together, but before he went out, he received an emergency call from the company. Chen Mian's voice over there was very anxious. Fu Yechuan paused, then said to Su Nan and left.

Su Nan was sober on the way back, and messages of condolences and caring were bombarded on his mobile phone.

Fu Yanni is even more exaggerated, with 99 unread messages...

She doesn't even want to open it up and take a look!

She simply took a photo of the night scene and took it casually, without focusing, but instead had a hazy feeling of a busy city.

He changed his hands and posted a message in the circle of friends, and posted a photo.

Postscript: "The night is beautiful, don't read it."

Soon, in just a few seconds, the likes and comments had almost overwhelmed her.

Fu Yanni: "You don't reply to my messages in your Moments???"

Qin Ming: "0 points for filming skills."

Yu Fei: "Sister get well soon!"

Cheng Yi: "Send me the address!"

...

Su Nan picked out a few replies, and just as he was about to close the page, he glanced at it and someone added a comment.

Chen Mian: "Report: It's really beautiful, and the professional level is really different."

Su Nan gritted his teeth. You don't need to think about who this Chen Mian conveyed.

Are you complimenting her, or mocking her?

Fu Yechuan is simply sick!

When she returned to Su's house, she had a good rest for a few days. Qin Yu took her to go shopping, eat and play games, and then she recovered her vitality.

In a blink of an eye, the recorded variety show was launched.

She is not interested in watching the live broadcast, but the edited variety show always has a feeling of excitement!

She watched the fifteen-minute video with great interest.

At the beginning, it focused on Fu Yechuan's appearance, but did not bring in the fact that Fang Mengqi was a demon, and the overall look was harmonious and enthusiastic.

The editor is amazing!

The discussion about Su Nan in the comments was even more lively.

Everyone agreed that Fu Yechuan was on this show because of Su Nan.

Otherwise, the invitations to so many financial programs in the past have not been successful, but an adventure program has been successful?

It's not just a matter of investing in title providers.

"Mr. Fu is just in love with our Goddess Su, right?"

"Oh, the reality version of the series of chasing his wife crematorium..."

"Young Master Fu is out of play..."

"Goddess Su, don't waver, we Yu Fei brother is very good!"

...

What kind of messy comments, and someone sent her a private message, let her hold on, don't be shaken in President Fu's honeypot!

Is she stupid?

Some people also asked her to forgive Fu Yechuan, and the prodigal son will return for nothing!

Simply sick!

Su Nan threw the phone away, not wanting to read it.

A few days later, Fu Yanni proposed the third phase of the plan, but Su Nan decisively refused!

She didn't want to participate anymore, especially after the show's title dealer had a relationship with Fu Yechuan.

After learning of her firm determination, Fu Yanni could only accept it reluctantly.

One after another, the voice of Su Nan's withdrawal from the show spread, and everyone responded too much.

"Without Su Nan, it's like without a soul. I relied on the goddess' face and Fang Mengqi's pig brain to find fun..."

“Goddess think twice, you should go out, you are more interesting than people in the entertainment industry. There are too many!”

“Is it because Mr. Fu is not here anymore?”

...

Because of the huge public opinion, everyone guessed how far the relationship between her and Fu Yechuan has progressed?

Su Nan’s account is bombed every day.

No way, the Su Group came forward and announced an appointment notice in the name of the company:

“From now on, Su Nan will resume all his positions in the Su Group.”

Su Nan also forwarded the notice, with a postscript: “And again It’s business!”

...

Chapter 348 There is always someone thinking about

Chapter

348 The news that there is always someone thinking about Su Nan temporarily quelled everyone’s desire for her to return to the big screen.

After all, it’s President Su, and he doesn’t rely on the entertainment industry to eat. Of course, people have their own right to choose.

The heat soon subsided.

Su Nan thought it was just talking, but early the next morning, before she woke up, Su Xiaohu automatically

adjusted to the daytime mode.

As soon as she opened her eyes, a large piece of sunlight came into view, and climbed lazily onto her face.

Su Nan stretched and poked Su Xiaohu.

“You made a mistake, I won’t get up...”

Su Xiaohu rubbed her forehead cutely.

“Someone’s waiting for you, they won’t let you stay in bed!”

Su Nan had no choice but to get up slowly.

It was already twenty minutes later when I was ready.

She chose a high-end luxury eliesaab’s new casual dress of the season. The light beige is extremely gentle, neither too long nor too short, just at the knees. The whole person is full of youth and bright.

The people outside began to wait impatiently, and Su Jin looked at his watch countless times.

As soon as she went out, Su Jin pulled her away.

“I’m going to the company today, everyone is waiting for you.”

Su Nan stared at him in surprise, today?

When was it decided?

Knowing that she was confused, Su Jin explained:

“It happens to be the shareholders meeting. Some people have been thinking about your position for a long time. You go to show your face and make them give up.”

Su Nan immediately understood that it was the case.

Su Group.

In the conference room on the top floor, everyone sat upright and the atmosphere was solemn and solemn.

Su Nan has experienced such occasions more than once, so she is used to it.

When she followed Su Jin in, many people looked at her with complicated meanings. Some people were happy and relieved, and some people had nothing to do with them.

But the moment she walked in, the conference room burst into applause one after another.

This is the first time she has attended the company’s meeting since she escaped danger. Some faces are still familiar and some are unfamiliar.

“Welcome Mr. Su back...”

Su Nan smiled, greeted everyone, and sat next to Su Jin.

At the beginning of the meeting, Su Jin was very similar to Fu Yechuan in some respects. He handled business affairs and treated strangers without a smile.

He sat there and listened to the reports of the people below, arguing or sneering, and his face was calmly shrouded in a chill.

Su Nan basically understood that the business tycoon of Wall Street in country M has a big project involving artificial intelligence at home and abroad.

This Wall Street business tycoon is named Shang Qian in Chinese. His name has never entered the Forbes list. He is mysterious and no one knows how much wealth he has, but his name has always been popular in the business world.

At present, in terms of artificial intelligence, countries are blooming and competing secretly, but they have not systematically achieved a network-like combination.

All aspects of scattered artificial intelligence, whether in scientific research, medicine or home life, have their own advantages, but no company can cover all fields of design and lead the way.

Shang Qian, on the other hand, wants to break this barrier, so countless group companies involved in this industry all want to be the object of its cooperation and become the industry leader across the century.

Some small companies do not have any competitive advantages at all, and the real partners are still at the top of the pyramid with powerful resources.

The Su Group valued this cooperation very much, and took the lead in handing out a lot of good news, but Shang Qian did not reply.

Su's shareholder Jiang Cheng wanted to push his son out so that he could gain a firm foothold in the Su's Group.

Therefore, I wanted to hand over this cooperation to my son, which aroused opposition from many people...

Everyone, you said every word and I did not give in to each other.

"How can you train your son for such an important matter? Jiang is always confused, right?"

"Even if it is negotiated, it is because Shang Qian values the Su Group, not your son. Isn't it too active to take credit for this ?" Is it?"

“Elder Jiang’s son is a department manager in our company, and he still has some business skills...”

...

...

Chapter 349 Let my son go

Chapter

349 The atmosphere in the conference room made my son tense, agree, disagree, watch the fun...

Su Nan looked at Su Jin, his eyes narrowed slightly, and the expression on his face His expression was cold and indifferent, as if he didn’t care about their disputes at all.

Seeing this, Yu Lou coughed heavily, and everyone calmed down instantly, looking at Su Jin’s attitude.

Su Jin’s eyes swept toward Jiang Cheng coldly, and his voice had a gloomy chill.

“Elder Jiang so wants to give his son a chance?”

Jiang Cheng is cowardly but mustered up his courage. If his son does not make any achievements, he will have to be abandoned by the Su Group.

“Mr. Su, Jiang Xuan’s achievements in the business department are obvious to all. I believe he can win this project.

“

“Then what if I can’t win it?” The atmosphere stagnated for a while.

Quietly disturbing.

Jiang Cheng’s face froze instantly, and his eyes changed slightly.

“Can’t take it down...”

Su Jin raised his head, his voice cold.

“This project is the most valued project by the Su Group. It can be said that it has all the assets of the Su Group. If it can’t be won, the Su Group will lose more than just its reputation.

Mr. Jiang wants your son to take on the big responsibility. Do you have the ability to say otherwise, if the rival company of the Su Group gets the project, who will take the responsibility?”

Could it be easily overturned?

The meeting room was silent for a moment, and even breathing became cautious.

If the Su Group does not win, but a rival company wins, it will not only damage the reputation of the Su Group and shake its position, but also affect a series of subsequent cooperation, and even the entire group will begin to decline.

Can he take this responsibility?

Jiang Cheng’s face changed suddenly. He thought that it would be easy for Su Jin to let go after taking care of himself for so many years for the Su Group.

But he actually mentioned the consequences?

Everyone in the conference room began to look at Jiang Cheng.

Give up or hold on?

A minute has passed...

Su Nan was a little impatient, she looked at her watch, and wanted to go shopping for a while...

“I’m coming!”

Jiang Cheng gritted his teeth, and his voice was firm.

“I believe Jiang Xuan, he will definitely be able to take down this project. If he can’t take it down, I will take all the responsibilities, and I can voluntarily give up all my shares...”
There was

an uproar in an instant!

Jiang Cheng’s status is second only to Su Yifeng, and he has a very high reputation among shareholders.

He actually wants to catch everything, just for this opportunity?

Su Nan couldn't help but look at him, Jiang Cheng's weathered face was firm, where did he get so much confidence?

Su Jin hooked his lips.

"More than that, your son will no longer be allowed to work in any subsidiary of the Su Group,"

Jiang Cheng's eyes changed a bit, and he said decisively.

"Okay."

Su Jin glanced at Su Nan, "I hope you can't rely on one person, you have to do it both ways, little four, you can follow this project too, just take it as a relaxation."

Su Nan paused and looked up in surprise.

Why bother with her again?

Jiang Cheng glanced at Su Nan with an ugly face, "What counts as two people win or lose?"

"Whoever wins is who, and whoever loses is who."

Jiang Cheng pointed at Su Nan, and asked aggressively in his tone.

"President Su means that if she loses, she will leave the Su Group?"

Su Jin swept across Jiang Cheng with stern eyes.

Before he could speak, Su Nan took the lead.

"Yes, we each work hard."

...

Chapter 350 Not worthy of this girl

Chapter 350 I'm not worthy of this girl

Jiang Cheng smiled, his eyes frivolous, "Okay, then it's a deal!" The meeting ended.

Su Nan and Su Jin were still sitting there, and Su Jin helplessly supported his forehead.

“I didn’t want you to gamble with him!”

Su Nan raised his eyebrows, “That’s all I’ve said, it’s impossible not to gamble, and didn’t you bring me in?”

“Because his son is a waste, of course not. Because a gamble is counting on him, I asked you to really promote this project.”

Su Nan smiled, with a taste of gossip.

“Why do you hate that Jiang Cheng’s son so much?”

Su Jin snorted coldly, “He seduced female subordinates and made a scandal. Our company almost got on the hot search because of him. How much did I spend to settle it, and he didn’t know whether to live or die? He started to think again, trying to arrange that woman into the finances?”

Jiang Cheng helped to hide it over and over again, which made him feel like a mess, I wanted him to get out of the way a long time ago!”

Su Nan’s smile subsided, it turned out to be a scumbag male!

“That really deserves it!”

Su Nan pursed his lips and looked at Yu Lou, “Do you have any information about that project and the Wall Street tycoon?”

Yu Lou nodded and handed over a document.

Su Nan smiled and opened it, her face instantly stiffened.

It turned out to be blank!

Su Jin coughed and stood up, walking out without stopping.

“I didn’t find anything, maybe even the name is fake, you have to work harder...”

Su Nan: “...”

Did she get a big trouble?

Yu Lou couldn’t help but smile.

“Mr. Su, do you need any help from me?”

Su Nan looked at him and asked the doubts in his heart.

“Do you know why Jiang Cheng is so confident that he can win this project?”

Jiang Cheng’s appearance, he bet everything on himself and his son, he can’t be blindly confident if he can survive today, right?

Yu Lou looked a little dejected and shook his head, he didn’t know.

“I’ll go check it right away.”

Su Nan: “...”

Such a mysterious person, she is really getting more and more curious!

When the phone rang, it was Fu Yanni.

She picks up.

“Ni Ni, what’s the matter?”

“Susu, let’s hold a celebration party at the ‘Green’ club tonight, shall we come together?”

Su Nan was about to agree when he suddenly thought that Fu Yechuan would also attend the celebration party, right?

Fu Yanni noticed her hesitation and spoke immediately.

“Don’t worry, my second uncle won’t come, he has a party at night, that Wei Cheng is about to get married, I heard that the girl’s belly is getting bigger, I can’t hide it, tonight is a bachelor party, hahahaha... .”

Su Nan couldn’t help laughing, “Okay, okay, I’ll definitely go!”

She hung up the phone and immediately called Qin Yu.

“Did your affair with Wei Cheng go to waste? Does your mother still match you up?”

Qin Yu cut.

“He’s not worthy of this girl! Ever since you took a group photo for me last time, my mother has been hesitating, but as soon as she hesitated, something went wrong with the Wei family, hahaha...”

I heard that he liked it A woman from a poor family who had a falling out with her family, who knows what’s going on now?”

Su Nan smiled and couldn't help telling her what she had just heard.

Qin Yu let out a sigh of relief, "It's just like the sky has eyes, no wonder their family is covering up, now I can be completely relieved! By the way, I just met someone recently... Now, let's talk about it later, my mother is here to check the post!"

She hurriedly hung up the phone, Su Nan smiled, and went to prepare the clothes to wear to the celebration party at night.

Anyway, the company's project problems can be put aside for a while, and then Yu Lou finds out about Jiang Xuan's self-confidence.
