## Chapter 351-355

Chapter 351 No need to swear

Chapter 351 No need to

Green Club.

Su Nan happily went, dressed in a more casual style, with a plaid shirt and a short skirt, the advantages of being tall and slender were immediately highlighted, especially those long legs, which made people unable to take their eyes off.

As soon as he arrived at the reserved box, Fu Yanni took a bottle of wine and sprayed it everywhere, chasing after Qin Ming, making the atmosphere too hot.

Yu Fei was sitting not far away and talking to the director. He looked very relaxed. When he saw Su Nan coming in, his eyes lit up and he stood up with a smile to say hello.

“Miss Su is here...” The

director and others also greeted each other, and many of them were probably colleagues from Yu Fei’s expedition team.

And in the corner sat the lonely Fang Mengqi.

She was dressed very grandly, and at first glance, she was well-dressed, comparable to walking on the red carpet!

But sitting there at this time, no one cares.

The last bungee jump, everyone voted with real names. After casting her, they realized that they were not welcome.

She also regretted that she was too determined to win or lose in the show, and the purpose of targeting Su Nan was too obvious. After she finished bungee jumping, no one cared about her physical condition and directly announced that it was over.

Originally, she didn’t want to participate in this celebration, but in order to continue signing the next issue, she had to come.

Although it has a bad reputation recently, most of the resources in hand are gone.

But the popularity is still there. If she loses this show, she will lose even the popularity, and the situation will only be more miserable!

Seeing that Su Nan is so popular, Fang Mengqi couldn't help but feel a little jealous!

Isn't it just rich?

Qin Ming answered the phone on the side, Fu Yanni went up and pulled Su Nan to sit down.

"Qin Ming's next issue isn't coming. He plans to go to the tropical rainforest in Africa to see elephants..."

Su Nan looked at Qin Ming who was sitting there seriously and gave a thumbs up.

Sure enough, wherever there is danger, they go wherever!

Qin understood them at a glance, raised his feet and walked out.

"What to drink?" Fu Yanni asked.

Su Nan thought for a while, "Let's get a bottle of gold..."

She hadn't tasted this for a long time, and she missed it a little.

Fu Yanni's expression changed slightly, and he whispered, "Do you want me to go bankrupt?"

Su Nan paused, "I'm sorry, I forgot that you have no money, so let me invite you, you can order whatever you want."

Fu Yanni took a deep breath . . . Fortunately, he gave up early.

Otherwise he will be ashamed to death.

If Fu Yechuan was replaced, what would he say?

He would only laugh and say, "Is one bottle enough?"

He got angry when he thought about it. The gap with Fu Yechuan was not even a tiny bit worse in this respect!

Everyone was talking and laughing, and the atmosphere was always good.

Qin Ming suddenly pushed the door and came in, pulled Su Nan with a serious face and went out.

“Jianghu emergency!”

Su Nan followed in surprise.

“What’s the matter with you?”

Qin Ming gritted his teeth and pulled her to the side of the window in the corridor, his face was ugly, and he hesitated.

Su Nan frowned, she had never seen Qin Ming speak and hesitated?

“Don’t tell me I’m going back?”

“Can you be my girlfriend?”

Su Nan was shocked, Qin Ming quickly added, “Pretend!”

Su Nan’s eyes were full of doubts, wouldn’t he be malicious?

Qin Ming hesitated, but there were no distractions in his eyes.

“You don’t have to make me swear, right?”

Her eyes softened slightly, “Why pretend to be a girlfriend?”

Qin Ming took a deep breath, his face strangely ugly.

“I just saw my dead ex-girlfriend!”

“The one who cheated on him?”

Qin Ming’s face was ashen, and his eyes narrowed instantly.

“It was Fu Yanni’s dog who told you?”

“Otherwise?”

Su Nan had no guilt to betray his companions.

He was not in the mood to settle accounts with Fu Yanni, it was important to take revenge first!

“She’s here for her pre-wedding bachelorette party, and I have to congratulate her!”

he said through gritted teeth.

“Is it necessary?”

Su Nan said helplessly.

It doesn't seem like it's as simple as congratulations...

“When she cheated on me, she cheated on me to buy gifts for that man. After I broke her down, she took all my money away!”

...

Chapter 352 stay and sit

Chapter 352 Stay and sit

. Qin Ming gets angry when he talks about it, and the top of his head is smoking!

Is this too bloody?

Su Nan pursed her lips and looked at him sympathetically, “Then it's necessary.”

Anyway, it's nothing more than a favor.

“But is it suitable for me?”

Qin Ming looked her up and down.

“You have money.”

Just this advantage can make that woman mad.

Su Nan twitched the corners of his mouth, Oh, what a good reason!

Without waiting to prepare anything, Qin Ming had already dragged her through the corridor to a box not far away.

Standing at the door, the door was not completely closed, and the lively jokes and music could be heard through the half-person wide gap.

“Minghui, you are the first among us to get married. Wei Chengfei, if you don't marry, how can you take his heart to death?”

“You don't know, Minghui even has children. If you don't get married again, I can't wear a wedding dress anymore...”

“Really, congratulations, this is a double blessing...”

“In the future, you must firmly grasp the man’s wallet!”

...

Su Nan felt her eyelids twitch, she turned her head to look at Qin Ming next to her, her face was ugly as if she had eaten shit !

She pursed her lips, “Are you still going in?”

Qin Ming sneered coldly, “Of course!” After

he finished speaking, he raised his hand and pushed open the door heavily, his face instantly turned into a light and cynical smile, one hand was a gentleman, light Qing Xu put it on Su Nan’s shoulder.

It looks really intimate.

Su Nan exclaimed very cooperatively: “Hey, you

went to the wrong box...” Her voice was soft and sweet, without the slightest sternness, which easily attracted everyone’s attention.

Seeing everyone in the house, Qin Ming suddenly stopped.

“Indeed, sorry...”

His eyes swept across Xu Minghui, who was surrounded by the stars and the moon, his eyes fixed on her, as if surprised, and then changed to a playful look in an instant. Smile, eyes gloomy and deep.

“What a coincidence, isn’t this an old acquaintance?”

Qin Ming’s phrase “old acquaintance” was definitely gnashing his teeth.

Xu Minghui, with her radiant and delicate makeup, happily accepted everyone’s envy and blessings.

Young masters like Wei Cheng are surrounded by women everywhere, but very few can successfully ascend to the throne.

She is about to be one of them.

The feeling of flying on a branch and becoming a phoenix really held her up high in the sky, and her whole person was like falling into a cloud!

Seeing Qin Ming now, it was like seeing a ghost, and he was put in place.

The blood all over his body began to tumble, screaming with fear.

Wei Cheng doesn't know about her past, and everyone doesn't know.

Some of the little sisters around recognized Su Nan, and naturally they recognized Qin Ming, who was famous for variety shows.

"Hey, Miss Su, what a coincidence? Does Mr. Qin also know Minghui?"

Qin Ming's face had a

creepy smile, "Not only know, but also very familiar..." Xu Minghui's face stiffened, my heart flutters!

Su Nan smiled. The woman who was talking was a little familiar, but she didn't know her. She looked at the clothes and the price was high. I should have seen her at a party before, right?

"Yeah, why are you guys so lively?"

"Tonight is the bachelor party before Ming Hui and Wei Cheng get married. Everyone gets together. Now that you're here, why do n't you sit down together?"

Su Nan can be invited into their room. Gathering, that level has not only improved a little bit!

Su Nan looked at Xu Minghui, who was standing. She was ordinary and well-behaved, but her appearance was hard to remember.

She smiled, looked at Qin Ming, and tugged at Qin Ming's sleeve cordially, her voice soft and squeamish.

"Stay and sit, it's very lively?"

Qin Mingchao bowed his head and smiled dotingly, "You have the final say."

Everyone looked at this scene, and their expressions and eyes changed instantly, and they were a little surprised.

The situation between these two people is obviously not a simple friendship, right?

Someone subconsciously turned their eyes to the private room inside...

Someone couldn't help but asked, "Are you... together?"

...

Chapter 353 The rich woman on the side is her

Chapter 353 The rich woman next to her was her

Su Nan smiled, took Qin Ming's arm, and did not answer.

Isn't silence an admission?

Qin Ming's hand on her shoulder still can't explain everything?

But no man can casually put a hand on a woman's shoulder!

Quiet in the box!

Hearing this, Xu Minghui's face became even more ugly, she suddenly raised her hand and pointed at Su Nan next to Qin Ming.

The voice was sharp and sarcastic:

"The rich woman next to you, is she?" As

soon as such a nasty word came out, the excited women present were stunned for a moment, and it was too late to stop them.

Xu Minghui faintly felt that Qin Ming would not let her go easily. From the moment he saw her, the anger hidden in his eyes had not been extinguished.

Immediately, she decided to draw a line from him, starting with belittling his self-esteem.

"You're too shameless, are you so self-deprecating?"

Everyone saw Su Nan's face first.

Su Nan kept a quiet smile, she only needed to be a tool person, and let Qin Ming do the rest.

"Minghui, how can you say that about Miss Su's friend?"

A woman beside her was worried for her, carefully looking at Su Nan's face, pulling Xu Minghui's clothes to remind her.

It's up to the owner to beat the dog!

What's more, this master is Su Nan!

Su Minghui realized something and panicked for a moment. She just wanted to humiliate Qin Ming. She almost forgot who Su Nan was.

Just looking pale and trying to save it, Qin Ming sneered.

“I’m shameless? Am I stronger than you?”

The people around watched the atmosphere gradually stagnate, wondering why Qin Ming and Xu Minghui were so bitter and grieving?

Su Minghui opened her mouth and her scalp went numb for a moment.

Qin Ming and Su Nan are together, aren’t they afraid to let Su Nan know about their affairs?

Her eyes flickered slightly, just as she was about to say something, Qin Ming didn’t give her the chance.

“I just heard that you are pregnant and are getting married tomorrow? Congratulations...”

Qin Ming’s attitude was like boiling a frog in warm water, trying to torture Su Minghui to death.

“But before you get married, can you pay back what you owe me? After all, the money that my girlfriend doesn’t like is in someone else’s hands?”

Su Minghui’s face changed drastically, and the people around looked at them, already silent I don’t even want to get involved.

They are clearly not simple!

Su Nan smiled, glanced meaningfully at Su Minghui, and then asked him in surprise.

Like anger, like naivety.

“How come your money is in her hands?”

Qin Ming hooked his lips, and before he could speak, he suddenly heard a voice coming from the room inside the box, and someone came out.

Very cold voice.

“Su Nan, you brought someone here to make trouble?”

It was Wei Cheng.

At this time, his face was very dissatisfied, and he held back his anger.

If it wasn't for Fu Yechuan and the Su family behind her, he would have had her thrown out long ago!

Behind him are Lu Qi and... Fu Yechuan.

Su Nan didn't expect Fu Yechuan to be here, and was a little surprised.

At this time, his face was dark and cold, and even his eyes were like deep pools of nine cold days. All the emotions were shouting in his eyes, but he was desperately suppressing them.

So from the moment he entered the door, did he hear those words?

She froze in her heart, but she was lost for a moment, and then she turned her head away and looked at Wei Cheng as if nothing had happened.

"Why is this looking for trouble? Old friends are just reminiscing about the past..."

She didn't like Wei Cheng, even if it messed up his marriage, he deserved it!

As for Fu Yechuan, what are you afraid of?

Just ignore him.

Wei Cheng's sharp eyes swept across Qin Ming.

"Old friend, I don't think so?"

Xu Minghui trotted over as if grabbing a life-saving vine, and shouted aggrievedly:

"Acheng, it's good for Miss Su and Mr. Qin to be together, just now I'm speechless..."

...

Chapter 354 Take my money by your side

Chapter 354 Take my money by your side

Su Nan hooked the corner of his lips and glanced at Qin Ming.

"We have no intention of disturbing your bachelor party, but... just leave when he is ready to pay."

Qin Ming chuckled, and just as he was about to speak, Xu Minghui suppressed his anger and interrupted him.

“Mr. Qin, although we are a little unhappy, please take a look at what the occasion is?

My fiancé is the second young master of the Wei Group, with a net worth of hundreds of millions, and his friends are all powerful people. Our marriage, do you think you will get better?”

This is a clear threat!

This is to imply that Qin Ming, everyone present, he cannot afford to offend!

Su Nan raised her eyebrows, but she was a little surprised. Oh, this Xu Minghui just looks cute?

Lian Weicheng was a little shocked by Xu Minghui’s attitude.

She never dared to speak loudly... The surrounding voices were completely silent.

I don’t even know who turned off the music.

When Qin Ming heard Xu Minghui’s threat, he couldn’t help but have no fear, but hooked his lips sarcastically.

“Threat me? You always thought I was a poor explorer, so you took my money and ran away? Just to catch a rich second generation?”

“Shut up—”

“What?”

Xu Minghui and Wei Cheng said together.

One was terrified, the other was surprised.

Xu Minghui hurriedly grabbed Wei Cheng’s arm, “Acheng, don’t believe what he said, he’s a liar, I don’t know him at all, we have gone through so many hardships, and it’s hard to be together, the most important thing is to trust each other. ...”

Wei Cheng’s frown slightly eased, as if moved by Xu Minghui’s words.

But Qin Ming’s laughter was even more arrogant and angry.

“Mr. Wei, I advise you not to believe her. If you believe in her, she will be the same as me, and become a fool!”

Wei Cheng’s face was extremely ugly.

On the one hand is the well-behaved and quiet Xu Minghui, who has been chasing after him for a long time.

On one side is Wei Cheng brought by Su Nan.

He told himself rationally that he couldn’t trust the people Su Nan brought, but his intuition told him that there must be something wrong!

He patted Xu Minghui’s hand and looked at Qin Ming with dark eyes and a cold voice.

“You have to be responsible for what you say. If you dare to frame my fiancée, no matter who you are with, I will not let you go.”

When Wei Cheng said this, he glanced at Su who was standing beside him with cold eyes. Nan.

Qin Ming chuckled lightly, straight to the point.

“This woman took my money to buy you gifts before we broke up. A tie clip cost 60,000 yuan. Did she tell you that she earned it through work-study?”

Without any emotion, he I just want to state the facts and expose Xu Minghui’s true face!

Wei Cheng suddenly looked at him sharply, his face tense!

This is a fact!

Xu Minghui suddenly raised her head in astonishment:

“Shut up! Ah Cheng, don’t believe him, stop listening, shall we drive him out?”

Wei Cheng didn’t say anything, but he could tell he was very angry.

Su Nan couldn’t help but chuckled, her voice cold.

“Is this a guilty conscience? Don’t you dare to listen to it?”

Xu Minghui’s face was pale, and the moment she raised her head and looked at Su Nan, she seemed to see the sharp blade in her eyes, glowing with a cold light.

She hurriedly avoided.

Qin Ming said slowly: "Don't worry, if Mr. Wei doesn't believe it, you can check it out. It was my card that was swiped at that time!

In addition, she also bought you more than 50,000 gifts one after another, what scarves and water glasses? Clothes...all on record.

While I was out for work, she took all the cash from my card, which was 300,000.

She thought it was all my belongings . , after withdrawing the money, she told me to break up..."

...

Chapter 355 You are not a pauper

Chapter 355 You're not a pauper

Qin Ming stared at Xu Minghui stubbornly. At first he was playing with him in the palm of his hand. He thought he had done something wrong, and hurried back to apologize.

But... He only saw her flirting with Wei Cheng, going in and out of the hotel together to open a room, it was not the first time...

Later when he wanted to settle accounts with her, she was inexplicable. Transferred and disappeared?

Cool!

In Qin Ming's place, Xu Minghui is dead!

It's a shame of life!

Everyone's eyes were different, and they looked at Xu Minghui and Qin Ming in surprise. Who would have thought that they could know such a big melon the night before their wedding?

Just dying?

Wei Cheng's brows twitched, his eyes filled with coldness, and his whole body was tensed. He didn't know what he was thinking at this moment?

Xu Minghui grabbed Wei Cheng's arm anxiously, "No, I didn't lie to you, I really like you..."

Wei Cheng stood there, his expression cold and solemn, motionless.

She gritted her teeth and turned to look at Qin Ming.

“Isn’t it just a few hundred thousand? You are shameless, are you happy for ruining me? We broke up, why did you give me some mental damage fee?”

Oh... such a big face!

Everyone’s eyes became weird.

Xu Minghui was extremely angry, trembling with anger, pointed at Qin Ming and scolded:

“You still wanted to marry me? You didn’t have the money to get married? Who would be with you?”

She spoke recklessly and looked at Su Nan, With a sneer:

“Don’t you have a rich woman now? How much nobler are you than me?”

Su Nan curled the corners of his lips, his eyes sharp.

“So, because Mr. Wei is richer than Qin Ming, you cheated on Qin Ming and kicked Qin Ming?”

“It’s a personal choice!”

Xu Minghui blurted out, but in the next second, she regretted it and her face changed. Hard to look.

She turned her head stiffly to look at Wei Cheng. At this time, his face was cold and gloomy, and his eyes were full of anger.

He has never been a gentle person. It was Xu Minghui’s gentleness that made him gradually fall and learned to restrain his temper.

But now, she tore up this tenderness and told him that it was all an illusion?

The surrounding atmosphere felt turbulent, and everyone’s expressions couldn’t hold back. Xu Minghui, who was about to become Mrs. Wei the next day, turned out to be a cheating female liar?

Qin Ming took a deep breath and suddenly felt a lot better.

No matter how Xu Minghui pretends, there will always be times when he can't keep it up, but he didn't expect that this day would come so quickly?

Watching her expression gradually shatter, on the verge of collapse.

He smiled, his eyes flashing with relief.

"It's unlucky for me, and the hundreds of thousands are considered to be feeding the dog. By

the way, I heard that you are pregnant, congratulations...

This trick of getting pregnant before marriage is really powerful, no wonder it can compare those famous ladies and daughters. , people don't have you to go out..."

The purpose of her pregnancy was obvious.

Xu Minghui's eyes trembled, and the blood flowed backwards all over his body. Wei Cheng was obviously stunned by these words.

What he thought was a matter of course, what if he had ulterior motives?

He looked at her sideways, suppressed his anger, and looked up at Qin Ming, his voice cold and full of dissatisfaction.

"Are you finished?"

Qin Ming hooked his lips and patted Su Nan on the shoulder.

His gentleman nodded slightly, "Excuse me, I hope our arrival will not spoil your good mood, happy wedding!"

Hehe...

Everyone was shocked, are the newlyweds still happy?

What a loss!

Su Nan smiled and leaned against him, his eyes flashing slightly.

"By the way, let me introduce Mr. Qin Ming. He is not a pauper.

He is the only son of SW Group and the founding family of the famous adventure brand Sportivewive. The group's business is overseas, so Miss Xu may not have found it.

So, he is not a sidekick . Got on me."

She especially emphasized the word “Pong”.

Chapter 356 You come for real

Chapter 356 You really came

, as soon as she exited, it was like dropping a bomb.

SW Group, one of the largest in foreign countries, has more than ten times more business than Wei Cheng's family.

Xu Minghui's face was pale, and her eyes were full of disbelief!

I really picked up sesame seeds and lost the watermelon!

The others were also shocked and looked at each other in dismay.

How could a wealthy young man with a prominent family hide so deeply?

Su Nan didn't care about the rest, and followed Qin Ming out.

As soon as I went out, I heard a loud noise of breaking a wine bottle...

and Xu Minghui's explanation with crying...

Su Nan and Qin Ming came out of the corridor, and the two of them loosened up. Taking a breath, they let go of each other's hands and smiled at each other.

“How do you know my details?”

Qin Ming couldn't help asking. He was quite surprised at the time. How could Su Nan know?

Su Nan raised his eyebrows, “Ni Ni said.”

Qin Ming: “This is too unreliable!”

“Speaking out is to sprinkle salt on her wound, don't hide it!”

Qin Ming didn't care about this.

Before the two of them reached the door, a steady and dignified footstep followed, with an extremely indifferent voice, as if they had been thrown into the ice.

“Just like that?”

It was Fu Yechuan.

The two stopped for a while, and Su Nan turned around and raised an eyebrow.

“Mr. Fu won’t go to comfort your friend, do you have anything to do with us?”

Wei Cheng, who has always been defiant, also has a somersault one day, he really deserves it!

Fu Yechuan’s face was dark, his eyes were condensed, and his aura was pressing.

“Did you guys come here to mix things up on purpose?”

He glanced at Qin Ming with a chilling chill.

Qin Ming shrugged, neither admitting nor denying it.

“Mr. Fu wants to make trouble?”

Fu Yechuan snorted coldly, with disdain in his eyes and a cold voice.

“I’m not that busy, I just care, Su Nan... and you.”

He looked at Su Nan with dark inquiry and deep meaning.

His relationship with Wei Cheng wasn’t that good, and Lu Qi was dragging him to support the scene.

From the moment they entered the door, the intimate gestures and the cordial relationship revealed between their words made him feel dangerous and extremely uncomfortable!

Therefore, he must confirm clearly!

Su Nan took a deep breath.

“Mr. Fu cares too much, right?”

“I don’t think so.”

He said it for granted.

He never thought that there would be other men by Su Nan's side, because no one is more qualified to stand by her side than him.

But seeing Qin Ming standing there today, and being admitted by her, he felt like he was possessed by a demon. The vine that stopped jealousy grew wildly, tugging at his chest and tearing it apart.

He admitted that he panicked!

Fu Yechuan looked at Qin Ming, his whole body was covered with a strong chill, and his dangerous eyes were filled with sharpness and inquiry.

"Are you here for real?"

If so, he would kill him without hesitation.

Qin Ming lowered his eyes slightly, paused, and glanced at Su Nan.

"It's better for Su Nan to tell you this answer."

Before Su Nan opened his mouth, Fu Yechuan spoke in a cold voice.

"Mr. Qin, can you let me talk to her alone?"

Qin Ming froze for a moment, he could feel the strong chill and the huge suppressed anger on Fu Yechuan.

Dangerous and intimidating, like a leopard waiting for its prey, it can tear people to pieces!

But on the surface, he is gentle and gentle and very personable.

As if the momentary chill he felt was just an illusion!

Su Nan didn't want to drag Qin Ming between her and Fu Yechuan, and looked at Qin Ming with a smile, "Go back first."

Qin Ming raised his eyebrows, nodded and turned away.

He was not worried that Su Nan would be in danger if he stayed, because when Fu Yechuan looked at Su Nan, in his eyes, he really loved her!

The atmosphere was silent for a moment.

She could hear the cries and consolations coming from Wei Cheng's box, and people left one after another...

But no one noticed Su Nan and Fu Yechuan standing at the corner, the semi-enclosed space blocking their sight.

“Su Nan, do you want to leave me that much?”

He looked down at her, his eyes were dark and bottomless, and his voice was hoarse, like rough sand.

Su Nan’s chest seemed to be hit by something lightly, like an electric shock, and the pain was fine and delicate.

...

Chapter 357 is your good acting

Chapter

357 is the words of your good Fu Yechuan, which suddenly made her feel distressed...

How could she feel distressed about Fu Yechuan?

She pursed her lips, her eyes suddenly hard.

Soon, she tried her best to ignore this feeling, raised her head to meet his gaze, and curled her lips indifferently.

“It’s good to know.”

The corners of the man’s eyes turned red, and the corners of his lips were tightly stretched into a straight line.

He wanted to threaten, but she wasn’t afraid.

She wanted to show weakness, but she didn’t feel bad.

Facing Su Nan, he seemed to have nothing to do...

Lu Qi, who came out of the box, heard the movement and hurried over to ask him for help.

“Old Fu, hurry up! Wei Cheng is going to take Xu Minghui to the hospital... Hey, Su Nan, are you here?”

Su Nan lightly twitched the corners of his lips, as if it was a greeting, she didn’t say one more word, turn around and leave.

The back of her leaving, isolated and decisive, simply...

Fu Yechuan's mind is full of Su Nan's indifferent eyes, like an awl pierced into his heart!

He didn't roar and lose his temper, and all the emotions in his eyes were restrained, and he was very calm.

But the tightly clenched fist on the side, the blue veins bulging, betrayed the stormy waves he suppressed at this time!

Lu Qi called him, he didn't move, he immediately knew what was going on.

Just as he was about to say a few words of comfort, Fu Yechuan turned around, raised his legs and left.

Lu Qi called out a few times, but he shouldn't, but he saw the storm brewing in Fu Yechuan's eyes.

My heart is not good, I was about to catch up, but Wei Cheng screamed again...

He went back in a hurry...

Su Nan returned to the box, and Qin Ming knew that Fu Yechuan had returned after seeing her back.

In the face of love, whoever compromises first will have to compromise.

Fu Yanni really ordered a bottle of Dijin for her, but Su Nan was not in the mood to drink.

The corners of Fu Yechuan's eyes were all reddened in her mind, which made her mind unable to calm down.

Is she too much?

But he has to accept the reality, she will have a boyfriend, and he will have other wives.

Walking from the promenade, there are two or three boxes away from Wei Cheng's box, and the distance is not too close.

Therefore, no one noticed that the architectural layout of this room is actually a curly irregular S-shaped. If you stand on the balcony, it is just right next to the balcony of Wei Cheng's box.

Su Nan went to the balcony to get some air, and Lu Qi, who came out to breathe, saw her at a glance, and immediately hid behind the curtains.

Can't provoke this ancestor!

Qin Ming came over with a cup of dripping gold and handed it to her.

"Are you in a bad mood?"

Su Nan took it over, smiled, and looked at the busy traffic outside through the railing, a hazy drunkenness enveloped the entire city.

"I'm not in a good mood for you."

Qin Ming couldn't help but smile, "That's right, you acted well."

He held the cup and touched her hand lightly, the clear voice collided, and then raised the cup to drink And do.

Su Nan took a sip of the wine, the mouth was mellow and the thickness was moderate, and the alcohol danced on the tip of the tongue.

"You cooperated well, we look like real couples..."

It might be anger that inspired his desire to perform.

.....

Lu Qi was so frightened that his legs began to tremble, for fear of being discovered by Su Nan!

After finally the two people on the balcony left, he took out his mobile phone tremblingly and impatiently, and handed over the recorded audio to Fu Yechuan.

Now, he can sleep well.

Fu Yechuan heard the prompt tone of the mobile phone, picked it up and clicked it.

"That's right, you did a good job." Qin Ming's voice.

"You cooperated well, we look like a real couple..." Su Nan's voice.

The two touched the cups in tacit agreement...

Fu Yechuan stiffened for a moment, then listened to it again, the depression in his chest was suddenly swept away, and the loneliness and storm in his eyes disappeared lightly.

I hooked my lips, it turned out to be fake!

He breathed a sigh of relief, leaned on the car relaxedly, and closed his eyes.

Open your eyes and tell the driver.

“Let Chen Mian come back.”

Since their relationship was fake, he didn't have to take Qin Ming to heart.

The violent storm just brewed, and the sky was clear in an instant.

“Yes.” The driver did not dare to slack off.

...

Chapter 358 The bride has changed

Chapter 358 The bride changed someone

Su Nan played with them until after one o'clock in the middle of the night, playing mahjong all the way.

Although she could see that everyone was intentionally releasing water, she still couldn't help itching to play game after game.

In the end, even Fang Mengqi was afraid of losing. She was pitiful with dark circles under her eyes, so Su Nan called to stop.

The next day, Su Nan slept until the third day, and she wisely shut Su Xiaohu out of the door, and no one disturbed her.

Sunshine lazily climbed onto her face, Su Nan turned over and continued to sleep.

The phone rang suddenly.

Damn, she forgot to mute!

One after another, she picked it up irritably, and when she saw the call, she was speechless.

“Miss Qin Yu, when can I get a good night's sleep?”

Qin Yu was stunned for a few seconds, then laughed.

“Do you know what you missed because of sleeping?”

“What?”

“Wei Cheng’s wedding, the bride has changed!” It was as if the ground was struck by thunder, a little stunned.

She paused, “Huh?”

“I heard that at Wei Cheng’s bachelor party last night, that fiancée’s ex-boyfriend showed up. I don’t know what to say. Wei Cheng took his fiancée to the hospital, and she wasn’t pregnant at all!”

Qin Yu threw down one melon after another, and she couldn’t catch it.

“Wei Cheng changed people the next day. He was married to a wealthy daughter from a neighboring city. I heard that he has been chasing her for a long time. The background of the scholarly family is not as good as that of the Wei family, but it is much better than before... .”

Su Nan was completely drowsy, Qin Yu still didn’t know that the person who went with that ex-boyfriend last night was herself.

But she didn’t expect that so many melons could be blown up?

She thought that Wei Cheng would have a thorn in her heart when she found out about this matter. For the sake of the family’s face, she would continue to marry, and even more seriously, cancel the wedding directly.

But I never imagined that Xu Minghui turned out to be a fraudulent pregnancy?

And Wei Cheng got married so quickly!

It seems that Xu Minghui will not be left with any affection or future!

Su Nan pursed her lips, “That bride is also willing?”

Qin Yu said casually, “What’s not to like? I heard that she proposed it herself, and Wei Cheng agreed.

Besides, the Wei family is in our circle, I can’t find anyone who is in the right place, who doesn’t know that Wei Cheng’s mess, who can harm his own girl?”

Su Nan was silent for a while, it was true.

After chatting a few words with Qin Yu, she got up lazily.

It was almost noon. She wanted to have a meal near the company. By the way, she asked Yu Lou about the progress of Shang Qian’s investigation. She was only halfway

through when she received a call from Yu Lou, saying that Shang Qian had appeared at the A.

Without further ado, she quickly turned around and went to University A.

Such a big man must have been called forward and supported by him. When he asked casually, he heard that he was going to give a speech to the students.

She hurriedly went to the large classroom where she was, but as soon as she entered the door, she was immediately dumbfounded.

The people inside are already full of people, and they can't sit down, and some people are standing behind...

It seems that Shang Qian, a Wall Street tycoon, is too mysterious in everyone's heart, so they want to see the real face. .

Su Nan stood there in a daze, neither entering nor retreating. He was hesitating whether to squat at the door, when someone suddenly waved to her with a clear and mellow voice.

"Su Nan, come here..."

She looked at Fu Yechuan, who was sitting in the middle of the first row. She was wearing a precious custom suit and a watch worth several houses. She was full of extravagance and dignity, as if she was out of tune with this crowded classroom.

There was a vacant seat next to him, and no one dared to sit.

Anyone who dares to approach him seems to be blasphemy.

She was surprised for a moment, hesitated for two seconds, and walked over. Of course, making money was more important than hating him.

No matter what she does, she will never have trouble with Qian...

"Why are you here?"

Su Nan couldn't help but ask, her tone of course was not so kind and gentle.

Chapter 359 Why He's Not

Sad

Personal – Shang Qian.

Su Nan walked over and sat down, they were so close, it was easy to smell the cold mint smell on him.

The looks of the two people are extremely high, and naturally they have attracted the attention of many people. How to see how to get on the right!

“Mr. Fu is still here in person for this kind of thing?”

“Mr. Su also came in person?”

His voice was lowered, but it was very pleasant and intoxicating.

Su Nan glanced at him sideways. He was calm and indifferent as usual, but he always felt different.

The one with the reddish corners of his eyes from yesterday was simply two people.

Why isn't he sad?

Just as he was thinking about it, Fu Yechuan turned his head to the side, his eyes were facing each other, and his eyes were so gentle and terrifying.

He seemed to have only her in his eyes, and smiled, “Is it good-looking?”

Su Nan was startled, rolled his eyes, shameless!

Fu Yechuan's smile deepened, and in the eyes of others, it was like a miracle.

He was actually laughing!

“Look at it for a while if you like it, I don't laugh at you.” How

could he say such a thing?

Su Nan gritted his teeth and never looked at him!

“Fu Yechuan, you need a face!”

Fu Yechuan laughed from his chest, not angry, and because Su Nan said a few words to him, he was in a good mood.

The classmates around who could hear their conversation had their jaws dropped in shock.

The man who was as cold as an iceberg, whoever planned to sit beside him, was warned and rejected by his cold eyes.

Why did the attitude change 180 degrees in a blink of an eye?

Just because you're not a fairy?

A scolding cynic, a willing smile to accept.

How ambiguous this relationship is!

Su Nan waited uncomfortably for more than ten minutes, and his mouth became dry when a tutor walked in.

"Classmates, Mr. Shang has something to do temporarily. He has already left. Let's leave..."

"Ah..."

Everyone stood up regretfully and went out in dejection.

Su Nan also stood up and left in disappointment, but before she reached the door, she was bumped by a boy behind who was anxious to go out.

She staggered forward subconsciously, and a hand quickly wrapped around her waist before she stood firm.

When you see the watch on the hand on your waist, you don't have to think to know who it is.

As soon as she raised her head, she saw Fu Yechuan pulling her with one hand. He had already reached the door, and his tall and slender figure completely blocked the exit.

His eyes were as sharp as hawks, and he stared dangerously and forcefully at a boy next to him, not angry but majestic, and his aura was frightening.

The people around didn't dare to move, and the boy was even more trembling, standing there shrinking, scared to death by his eyes!

One second, two seconds... The boy suddenly came to his senses and looked at Su Nan.

His stumbling face flushed: "Yes... I'm sorry, I didn't mean to bump into you, sorry."

Su Nan smiled, "It's okay, let's go..."

She glanced at Fu Yechuan, his eyes restrained all the sharpness and indifference, and made way, but no one dared to pass.

Su Nan pursed her lips, and under everyone's attention, she walked out with a smile.

Fu Yechuan followed.

One after the other, neither fast nor slow.

All the way to the campus, Su Nan unconsciously quickened his pace.

Fu Yechuan couldn't help but stop her.

"Let's have a meal together?"

Su Nan: "I have no appetite for eating with you."

Fu Yechuan was silent, his voice slowly lowered, and the corners of his lips curled playfully, his smile was clear, and he said casually.

"Who do you want to eat with?"

Su Nan's eyelids jumped, deliberately angering him.

"It's my new boyfriend!"

I hope he gets out of the way!

360 Don't cry

But soon, everything was fleeting.

The corners of his mouth twitched slightly, his hand with clear phalanges was just raised, and he wanted to brush the wind-blown hair around her ear.

Su Nan tilted his head to hide, and he withdrew his hand.

His voice was hoarse and low, but his eyes were filled with tenderness.

“Really? That...it doesn't affect me inviting you to dinner.”

Su Nan took a deep breath. He was like a gummy candy, why was it still stuck?

Can't shake it off!

“But I don't want to eat with you, Mr. Fu, you should get to know each other.”

Fu Yechuan narrowed his eyes, his smile gradually spread, and his voice was gentle and mellow.

“I don't know each other.”

Su Nan was so angry that he blocked his chest, turned his head and left.

I don't want to tell him any more nonsense.

The gloom in Fu Yechuan's eyes disappeared, and he spoke helplessly.

“Let's have dinner together?”

“Go away!”

Fu Yechuan: “I know what is the relationship between Jiang Xuan and Shang Qian in your company!”

Su Nan paused and changed his face without changing his face.

“Okay.”

Fu Yechuan smiled slowly. Su Nan, who can afford to put it down, is really cute!

Su Nan thought it would be good to simply eat, but who knew that Fu Yechuan had traveled through most of the city and brought her to a famous private kitchen.

This kitchen is limited to 15 people per day and needs to be reserved half a month in advance, but the dining experience is perfect.

As soon as Fu Yechuan entered, he went to the VIP area inside and pulled out a chair for her.

Su Nan sat down calmly, and Fu Yechuan handed over the menu.

“What do you want to eat?”

Su Nan pushed back without

looking at it, "Order the most expensive one." Fu Yechuan nodded without changing his expression, looked at the waiter, and said a few dishes.

Su Nan looked at the small Japanese-style garden outside, the rockery and flowing water, the small red lanterns under the eaves swaying gently in the wind, and the bells of the wind were crisp and sweet. It was really exquisite everywhere.

"How do you know that I want to check the relationship between Jiang Xuan and Shang Qian?"

Fu Yechuan raised his head clearly with his knuckles and poured her a cup of tea slowly.

The tea is fragrant and the atmosphere is excellent.

"It's not a confidential document. After your meeting, someone started gossiping. It only took me a long time to hear it."

Su Nan choked, it was true.

"Fu's also planning to fight for Shang Qian?"

Fu Yechuan raised his eyebrows, otherwise?

"I'll tell you what I know, but I won't help you, Su Nan, if you lose, you will leave the Su Group, will you cry?"

Su Nan's face sank slightly and rolled his eyes at him. Is this Fu Yechuan so confident?

As if she was bound to lose?

"Will you cry if you lose?"

Fu Yechuan's eyes were gentle, "If I lose, it means you won, and I'm happy for you."

Ha...hypocrisy!

"Really, if you lose it, came Fu's group, my job here as you choose."

Poaching?

Su Nan raised his eyebrows, "What is a higher position than you?"

"Mrs. President."

Su Nan froze slightly and sneered.

“I’ve been married to you for three years, and the lady at the front desk won’t let me in. If you use your words to deceive teenage girls, there are still people who believe them.”

This did not sound touched at all, but found it extremely ridiculous. .

The most ridiculous thing is that they never knew Su Nan, but they remember to flatter Qiao Wanrou.

Qiao Wanrou has come to her countless times to show off her power, sprinkle salt on her wounds, and humiliate her.

Isn’t that Fu Yechuan’s connivance to Qiao Wanrou?

Because she Su Nan is not worth mentioning.

Countless trifles in the past were reminding her that staying away from Fu Yechuan was the only way to save her life!
