lights flicker.

Su Nan shook the wine glass gently and stood in front of the railing on the second floor, watching the hypocritical greetings from the people below.

Fu Yechuan, who came not far away, raised his head at that moment and suddenly met Su Nan's cold gaze.

Su Nan looked back lightly, ignoring the discomfort in his heart. The kiss on the dance floor just now made everyone gasp. No one cared who was walking in a mess, just waiting for the good show between the exes. Bar?

No matter what the reaction is, there will be endless speculation.

So, at the moment of the kiss, Su Nan turned her face to the side. Fortunately, the music ended, she pulled away in time, glanced at Fu Yechuan coldly, and then turned to leave without nostalgia...

Lu Qi was in Fu Yechuan. He was laughing with people around him, and finally sent them away. He looked at Fu Yechuan with a sigh of relief. He had a calm and noble temperament. He frowned, remembering the scene just now, and subconsciously blurted out: "When you were dancing, did you do

it on purpose?"

Maybe it's not obvious that Su Nan's dance beat is fine, the problem lies with Fu Yechuan.

Fu Yechuan received the elite education of the nobles since he was a child, how could he be slow to react when dancing?

Is it intentional?

Fu Yechuan's black eyes swept across Lu Qi, his face tense.

"No."

“That’s good, don’t have any thoughts about that woman. I’m really crazy to think so. It must be the woman’s intention. Hmph, she really has a deep mind!”

Of course, Lu Qi believed his brother’s words more. !

Any seeds of doubt have disappeared.

Ballroom on the second floor.

Su Jin was socializing elsewhere, Su Nan looked around boredly, and suddenly looked at the person who was beckoning to her at the door, a smile curved the corner of her mouth, she waved her hand in response, and Cheng Yi quickly arrived in front of her.

“You’re late, Cheng Er?”

Cheng Yi leaned on the railing indifferently, free and unrestrained, “Come if you want, if I hadn’t heard that you were here, I wouldn’t be too lazy to attend this kind of occasion.”

“Don’t talk about me . . . , it’s clear that your dad asked you to come.” Su Nan rolled his eyes at him.

Cheng Yi was not embarrassed at all, and grinned, “My purpose is you anyway.”

Su Nan was about to say something, but when he turned his head, he saw these people coming, his face sank unpleasantly.

“Su Nan, you have no shame. You have divorced my brother, and you are still trying to hook up with him? Do you still want to join our Fu family? Let me tell you, our family will not want a woman like you. Yes!”

Tonight I really bumped into a ghost, I can do whatever I hate. Fu Yingying brought her little sister and walked over aggressively to show her some color!

Su Nan has already been in the limelight today, especially the last kiss, everyone has begun to speculate about the “reunion of the century” between the wealthy couple!

Remarried?

She is dreaming!

Fu Yingying was more excited than anyone else. If she wasn’t worried about her status as the eldest Miss of the Fu family, she would have jumped up and yelled at her. Is this shameless and despicable woman like Su Nan worthy?

Her clothes are so uncomfortable!

It was originally a highlight moment that should belong to her Fu Yingying!

But they were all taken away by Su Nan!

Su Nan glanced at Fu Yingying, and the little sisters behind her. Except for Fu Yingying, the other people's faces didn't have such a heavy expression of hostility.

Oh, this set is really childish!

"Yo, who is this, with such a stinky mouth!" Cheng Yi looked at Fu Yingying with a sneer.

Whoever dares to bully Su Nan in front of him, regardless of whether it is a man or a woman, is a dead end!

Fu Yingying's face turned pale when she was robbed, and she glared at Cheng Yi fiercely, "What does it have to do with you? Are you in love with her?"

Cheng Yi was delighted, "Affectionate? I like this identity."

Su Nan had a headache from the quarrel . . . , glanced at Cheng Yi helplessly, with a warning, "Shut up."

She glanced at Fu Yingying indifferently, "Miss Fu, what do you want?" Fu

Yingying raised her chin arrogantly, "Don't think that I don't know what your idea is, you just kissed my brother on purpose to make my brother like you? Dreaming!"

...

Chapter 42 The past is ugly

Chapter 42 The ugly face in the past

Cheng Yi's face was startled, and he grasped the point, "Kiss your brother? Oh, stop daydreaming, why did she go to the scumbag if she wasn't crazy or stupid?"

"If you don't believe me, ask everyone, Everyone saw it with their own eyes!" Fu Yingying defended.

The crowd nodded hesitantly.

Cheng Yi dismissed, "Ask you who are complicit? Do you think I have no brains?"

Fu Yingying's face turned blue, "It's true anyway, Su Nan, don't you dare to admit it? My brother has only Qiao Wanrou in his heart, you It exists only to give her a blood

transfusion, don't dream of marrying into a wealthy family, our Fu family will not want you again."

She knew that Qiao Wanrou was a thorn in Su Nan's heart, and every time she mentioned this name, will make her feel desperate.

In front of her, Su Nan curled her lips indifferently, chuckled softly, and glanced coldly at the little sister behind her.

"The whole world knows about your brother's affair with Qiao Wanrou. Miss Fu's words confirm the fact that he cheated in marriage. You should have spoken earlier."

Fu Yingying's face turned pale, she pointed at Su Nan angrily, and sneered angrily. With a sound, he pointed at her indifferently:

"You don't know who she is, do you? She now sells herself for food and food, and sells herself to get it from men. You look at her dress and think who it is. A lady?" The

atmosphere was slightly cold, not only at the railing on the second floor, but Fu Yingying's movement even alarmed many people, who came to look one after another.

But Su Nan just frowned slightly, his face was slightly cold, and his expression did not fluctuate much.

As if watching a farce outside of it.

"Let me tell you, Su Nan is a poor man. She has no dowry for a penny. When she was in the Fu family, every time she spent money, she had to reach out to my brother to ask for money. In our family, she was a servant. Laundry, cooking, cleaning, and even the work of a gardener. As soon as she went to the old house, the servants went home to rest. Hahaha, my brother married a wife, just a nanny, she even A nanny is better!"

Fu Yingying laughed uncontrollably, trying to reveal Su Nan's most unknown and humble side, stripping off the splendor of her body, revealing her original miserable and bleak life.

"Fu Yingying!" A

cold and stern voice suddenly sounded behind her. Fu Yingying paused and looked back in shock.

"Brother?"

At some point, Fu Yechuan stood there, his face extremely dark and ugly, Fu Yingying took a step back subconsciously, her face pale.

In Fu's house, Qu Qing had been in charge, and the servants of Fu's family would never tell what life was like for Su Nan, and Fu Yechuan had no chance to know, because Su Nan himself would not tell.

Fu Yingying could not wait to bite off her tongue. She was really dizzy for a while, and she actually told everything about the Fu family. If her brother knew about it...

Forget it, if you know it, you will know it. Anyway, my brother doesn't like this. Woman, they are all divorced!

Fu Yingying took a deep breath, in front of many little sisters, the eldest Miss Fu's posture must not be lost.

"Brother, I'm just teaching her a lesson, this woman just wanted to seduce you..."

"Haha,

stop pretending ..." Cheng Yi couldn't help interrupting Fu Yingying's words with a sneer. Hearing those words, he trembled with anger, wishing to beat Fu Yechuan in front of him.

The people of the Fu family are the eldest Miss Su who takes care of them so carefully?

"Does Miss Fu still have the face to show off her disgust as a glorious deed? Su Nan really had eight lifetimes of bad luck before she was blind and married to your family!"

Cheng Yi's voice was cold, standing firmly in front of Su Nan, Her rejoicing, three years of unrelenting determination, should not be the subject of discussion and ridicule!

"You... what does it have to do with you? Let's be honest, have you had an affair with Su Nan long ago? Before Su Nan and my brother divorced..."

She didn't even Forget to pour dirty water on Su Nan!

"Fu Yingying, shut up!"

Fu Yechuan scolded her, he felt his blood flow backwards, and his heart was so suppressed that he was almost out of breath.

...

Chapter 43 You are really unusual

Chapter 43 You are really unusual

Fu Yechuan didn't look at Su Nan's expression, and walked straight to Fu Yingying with an inexplicable chill on his face.

"Every word you just said is true?"

he asked, gnashing his teeth.

Fu Yingying was a little flustered and bit her lower lip, not knowing how to respond.

She grew up beside her parents since she was a child, and she was not very close to Fu Yechuan, her brother who grew up abroad. After he returned to China, he became the leading business wizard in the business world, and expanded the wealth of Fu Group hundreds of times. This Miss Fu is even more powerful.

"Speak!" Fu Yechuan asked coldly, seeing her hesitation.

There was a crisp and cold snort from the rear left. Don't think about it, it was Su Nan who was laughing.

"Mr. Fu, it's true."

As soon as she admitted, the people around looked at these two people with complicated eyes, especially Su Nan. Behind the bright and beautiful appearance, the past was so miserable.

Especially after listening to Miss Fu herself say so, I am also saddened that the scandal after the divorce between the two was raging on the Internet. It does not seem to be groundless.

The life of a wealthy family is really difficult...

Fu Yechuan's body froze fiercely, and his heart seemed to be kneaded heavily. It turned out that not only the brothers around him looked down on her, but also the whole family. The Fu family is bullying her, and as Su Nan's husband, she doesn't even know anything!

After three years of marriage, he has returned to the new house only a few times. Every time he goes there, he talks to her about Qiao Wanrou's physical condition, so that she can donate blood willingly, and he also politely asks if the pocket money is enough. Then leave a card and leave...

I always thought that he had done his best to her, but it turned out that he was deceiving himself, and he owed her so much!

At this moment, he didn't even know how to face her?

His fists were clenched tightly, and his whole body was tense.

Su Nan chuckled softly, her voice soft and sweet, but with a biting chill.

“Mr. Fu goes home and asks a servant casually, and he knows it’s true, but it’s true, so what?” So

what?

Others looked at his face and acted, and none of the swords, spears, swords and halberds that stabbed at Su Nan were not handed over by Fu Yechuan by default!

So, what if he knows now?

He is the most innocent of them all!

Because he stabbed her with the deepest wound!

Under the comfortable and bright light, Su Nan’s face was filled with a gleaming smile, charming and dangerous, and her beautiful eyes were extremely indifferent.

She wouldn’t give in.

“Mr. Fu, what if it’s true? Let Miss Fu and Mrs. Fu kneel down and apologize to me? Let them wash and cook for me as servants?

Or do you want to use money to pay me even a penny ? What about the poor ex-wife who doesn’t have a dowry?”

Everyone’s eyes were all surprised, everyone thought that at this point, you cried and I apologized to each other, and everything would be fine after a step down, but Su Nan really dared to say it.. ....

With the Fu family’s family business, it doesn’t matter how rich Fu Yechuan’s wife is in dowry, but the comparisons between the wealthy and wealthy are everywhere, but no one gets it on the table.

This is going to be a completely unfinished drama!

“Apologize? You’re dreaming!”

Fu Yingying refused to admit defeat, so many people were watching, and wanted her, Fu Yingying, to apologize to Su Nan?

What a daydream!

She bit her head and stared at Su Nan, "I won't apologize to you even if I die, but still kneel down? Be a servant? Stop daydreaming!"

"Enough!"

Fu Yechuan dragged Fu Yingying back, but he didn't hold back his strength and bumped into the railing. He didn't know if it was intentional or not. Tears welled up in Fu Yingying's aching eyes.

He turned his head without caring, looked at Su Nan, his dark eyes were full of complexity, and he could not fulfill all of the conditions she said.

Except for the money!

But is Su Nan rare?

For the first time, he felt powerless frustration.

"Su Nan, I..."

"Mr. Fu can't do anything, so don't look guilty. An apology isn't worth anything. Do you still need to sell it? It's too cheap. ?"

...

Chapter 44 Blind

Chapter 44

Blind Su Nan sneered, looking at Fu Yingying coldly, her eyelids drooping slightly.

"Miss Fu took this scandal over and over and said, she wants to embarrass me? It

's not me, it's your Fu family, who treats your daughter-in-law as a servant, and who dares to care about your family?"

"Anyway, you You don't deserve it! Su Nan, it was clear that you wanted to seduce my brother just now, don't you admit it?"

That kiss must have been Su Nan deliberately seducing her brother, and she still had a shy face to ask her to apologize?

Fu Yingying refused to accept, why was Su Nan so arrogant?

Why don't you even look at your own brother?

“Ms. Fu thinks I’m deliberately seducing President Fu?”

Su Nan chuckled. She never said nonsense, and just pointed at the point.

seduce?

She doesn’t think she’s cheap enough yet!

The dancing kiss was unexpected and shocking, and it must have planted the seeds of suspicion in everyone’s heart. Yes, in everyone’s opinion, she and Fu Yechuan must be Su Nan who seduced Fu Yechuan...

Her eyes lighted Qingqing glanced in the direction of Fu Yechuan coldly, and a mocking smile appeared on the corner of his mouth.

“Three years ago, I was blind before I married President Fu, but three years later I will not be blind again. Even if I try to seduce men all over the world, I will never find Fu Yechuan again.”

Those are depressing and suffocating She doesn’t want to think about the past again.

Fu Yingying’s whole body trembled when she saw Su Nan’s cold eyes. She felt that Su Nan at the moment was very strange, and the Su Nan who was submissive and did not dare to resist in her impression must not be the person in front of her.

With a ding sound, the wine glass was placed on the crystal stone table next to it, making a crisp collision sound. Su Nan turned around and went downstairs under the gaze of everyone. Cheng Yi gave Fu Yechuan and Fu Yingying a cold look and hurriedly followed.

Everyone looked at Fu Yechuan, who was standing there with an ugly face. His eyes closely followed Su Nan who was leaving, and his expression was indistinguishable.

Lu Qi was secretly startled by the side, seeing Fu Yechuan’s attitude, after knowing the truth, he clearly felt sorry for that woman!

“Come on, Mr. Lin, in fact, I want to talk to you. Can your three-way cooperation be expanded into a four-way cooperation?” He giggled and pulled Ringo over and said with a smile, wanting everyone’s attention to be diverted to other places. .

After all, Fu Yechuan’s gossip can’t be read by everyone.

Everyone also acquainted with each other and continued to chat and drink in the banquet hall.

With a light smile, Ringo helped the gold-rimmed glasses, “No.”

Lu Qi: "Isn't it better to be euphemistic?"

Ringo hesitated for a while, and said again: "Sorry, no."

Lu Qi: "...". Forget it, he still went to Fu Yechuan.

When he turned around, the person who was standing suddenly disappeared?

"What about people?" Lu Qi said to himself.

Ringo glanced at a place downstairs lightly, then smiled and left.

At the same time, in a leisure area downstairs, there are not many people around, and it is very quiet.

Cheng Yi turned around Su Nan and asked what happened before he was late.

"Did Fu Yechuan bully you? What did Fu Yingying say you seduced him?"

Su Nan rolled his eyes at him bored, "No, it's just an accident."

This can only be an accident, otherwise there's no way to explain how the accident happened. Because no one would believe that Fu Yechuan did it on purpose.

"If he dares to bully you, I will never let him go." Cheng Yi waved his fist.

Su Nan glanced around, but didn't see Su Jin's shadow, "Where's my brother?"

"He just went to the VIP seat with Lin's chairman to discuss business, do you want to find him?" Cheng Yi asked.

Su Nan shook his head, "Forget it, don't bother him anymore." Turning his

head, he happened to see Fu Yechuan who was walking towards him.

What a coincidence, it was him all night, and the ghosts lingered!

Su Nan raised his eyebrows and grabbed Cheng Yi's arm, as if he didn't see Fu Yechuan, he raised his leg and planned to leave.

"Su Nan, let's talk." The man's dark eyes were dark.

"There's nothing to talk about." Su Nan didn't stop at all, her back was neat and tidy, and she didn't want to have anything to do with this man anymore.

Nothing but an apology, but an apology is the cheapest form of guilt.

She doesn't need it!

...

## Chapter 45

The forty-fifth chapter really wanted to care about

Cheng Yi and glanced at Fu Yechuan, smiling a little arrogantly, as if mocking his current situation.

Look at him Fu Yechuan also has today!

Lu Qi caught up and followed Fu Yechuan's gaze to look at Su Nan's back, tsk tsk tsk, "Old Fu, you have left, don't regret it, it's all that woman's trick."

Fu Yechuan glanced at him sideways, With dark eyes, "I need you to teach me to do things?"

Lu Qi's back was so cold that he didn't dare to speak for a while.

That woman told Fu Yechuan not to come to the stage in front of everyone today, and he was going to die of anger. Although it was indeed a bit too much to hear what Fu Yingying said, who made that woman who had been begging for nothing in the first place have to marry Fu Yechuan?

Isn't it her fault?

As soon as Su Nan entered the venue, perhaps it was because of the face of the Su Group or the limelight tonight, many people came to toast.

She was originally here to expand her social contacts and inquire about news. Of course, she was happy to chat and laugh with people, and she responded with a glass of wine, but no one really poured her into death.

After the whole place came down, Cheng Yi blocked a lot, but she was still a little dizzy, and slipped to the bathroom when she got a chance.

I washed my face with cold water, and the sullenness in my chest dissipated a lot. Just as I was about to pick up a tissue to wipe my face, I heard Fu Yingying's voice approaching outside.

"Su Nan, that bitch, I won't let her go. Today, I will let our Fu family lose face. There are so many men around her, it's really shameful!

" She has become a strong woman? Don't even look at what she is?"

Fu Yingying was talking and walked in with her little sister when she saw Su Nan leaning on the sink, clasping her hands and staring at her, with a sneer at the corner of her mouth.

She froze for a moment, then returned to her disgusting appearance in an instant, and snorted coldly, "It's really bad luck wherever you go."

"I feel the same way." Su Nan couldn't help laughing.

Fu Yingying raised her eyebrows, "What right do you have to say that? Others don't know your true face, do you think you can erase the past and start over? Sour."

Su Nan hooked her lips, and without turning her head, she turned on the faucet with her hands accurately, her movements were neat and swift, the water gurgled down, and no one knew the meaning of her actions.

Maybe it's because you're afraid of being overheard?

"Miss Fu, I don't take the initiative to care about you in the past. You should be thankful, don't take the initiative to come up and find you uncomfortable." Her voice was terribly cold, but the curvature of the corner of her mouth made her look at it again. Much gentler up.

"What did you say? You still dare to warn me? I'm the eldest lady of the Fu family, what are you? After leaving the Fu family, you are nothing!"

Fu Yingying glared at Su Nan with an ugly face. Without Fu Yechuan present, what would she do? Not afraid anymore.

Back then, the eldest young lady who made a fortune in Fu's family, she despised this "sister-in-law" from the bottom of her heart, and her high inferiority made her have a sense of superiority.

Is Su Nan, who was born in a small family, qualified to be equal to her in the Fu family, and even respected?

Can she help with her career? Or help in the family world?

In Fu's house for three years, Fu Yingying deliberately let Su Nan wash her clothes by hand, and she scolds her loudly when it is damaged. ...

Countless humiliations, Su Nan's patience and silence, gave Fu Yingying a taste of the sweetness. She took it for granted that Su Nan deserved to be humble and swallow her anger.

Even if it is divorced, Su Nan can't refute her, she will always be inferior!

“That is, you think the Fu family is amazing, I really don’t know where you got the sense of superiority?”

Su Nan snorted lightly, with a playful smile on his face.

“Heh, why didn’t you say that when you wanted to marry my brother? Su Nan, have you forgotten how shameless you were? Would you rather be a mobile blood bank for Qiao Wanrou than cry and marry my brother? These But it’s all your glorious history...” Fu Yingying couldn’t help but use her past to stimulate her.

Su Nan closed the smile, and his face was calm and a little cold.

“Miss Fu, I wasn’t shameless at the time, but I was blind! If you mention it again, then I’ll really start to care about it.”

Care?

What does she care about as a poor woman?

“I’m afraid of you? Su Nan, let the horse come over if you can! Ah—” Fu Yingying suddenly screamed.

...
