Chapter 431 Throwing you into the sea for

a while, the atmosphere seems to be reduced to zero.

Su Nan's silence made Xu Minghui happy.

Because she was unhappy, it meant that Xu Minghui's words had an effect.

Xu Minghui raised her eyebrows slightly and couldn't help but smile.

The lights reflected on the river surface jumped.

"Without Qin Ming, you still have many choices, but I only have Qin Ming..."

Xu Minghui said aggrievedly.

"Just take pity on me, Miss Su, will you return Qin Ming to me?"

Su Nan raised her eyes, glanced at her, and smiled involuntarily, with a little evil and contempt.

She tilted her head, her eyes flashed slightly, and she said deliberately,

"Miss Xu, although I do have many choices, Qin Ming is only one of my choices, but I am very curious, when you took away his money, Haven't you thought about the consequences?"

"I...I had no

choice but to!" Xu Minghui gritted her teeth.

Su Nan said slowly, "Oh, I have no

choice but to take my boyfriend's money and spend it on other men?" Xu Minghui felt embarrassed when she mentioned the past.

She just made a wrong choice, why should she be held on?

"Even if I did something wrong, I can make it clear to Qin Ming and ask him to forgive me, it's just you..."

"Forgive?"

Two people gradually descended from the spiral staircase.

Qin Ming and Fu Yanni.

Qin Ming's expression was extremely ugly, and it was terribly cold.

His eyes were cold and low, and he squinted at Xu Minghui.

"Miss Xu, I'm very polite for not calling the police. I owe me more than 300,000 yuan. You still have the nerve to forgive me?"

When Xu Minghui saw Qin Ming, her expression was obviously excited for a moment, and then she was pathetic and pitiful. looking at him.

"You...you are finally willing to see me!"

During this period of time, she tried every means, but failed to see Qin Ming.

If we don't meet, how can old love be rekindled?

Qin Ming was unmoved, and glanced at Xu Minghui with cold and stern eyes, with extreme disgust in his eyes.

"Looking at you one more time makes me feel sick!"

Xu Minghui's eyes instantly turned red.

"Qin Ming, how can you say that? Have you forgotten how happy we were when we were together? Even if I did something wrong, I can apologize to you, as long as you don't get mad at me again."

She I just want to unravel the wrongs of the past.

Su Nan couldn't help sneering aside, this Xu Minghui's brain might have been kicked by a donkey, right?

Why does she think that anything wrong can be brought to light by an apology?

When Xu Minghui heard her movement, she glanced at her aggrievedly. "Miss Su, what are you laughing at? I don't mean to provoke

your relationship. I just want to apologize to him. I hope you don't misunderstand and don't affect your feelings because of me." Master! Su Nan looked at Qin Ming, Qin Ming's gloomy eyes seemed to want to kill someone. She curled her lips into a smile, blinked at Qin Ming, looked at Xu Minghui and said:

“You can’t affect our relationship, but it will affect my mood. Miss Xu, today is a special day. If you have nothing to do today, I will warn you. If you say one more word, I will throw you into the river. .”

Her last sentence was casual, but her words were heavy.

Su Nan didn’t scare her, let alone joking.

She really does it.

There was a little bit of sparkle on the river, and the cold wind came with a gloomy chill.

Xu Minghui looked at her with trembling eyes. She raised her head to look at Qin Ming. He didn’t mean to help her at all. He looked condescending, but instead laughed at her.

Overcome!

Xu Minghui bit her lower lip, her eyes were a little bleak, and she looked at Qin Ming.

“I.....”

...

Qin Ming and walked down impatiently, looking at Su Nan with a trace of apology.

“Miss Su, leave it to me, you can go in, don’t let the guests see the joke.”

Su Nan raised her eyebrows, that’s just right, she would be dirty anyway!

She smiled lightly, “Alright, then I’ll leave it to you.”

Xu Minghui looked at the familiar and tacit understanding of the two of them, but didn’t pay attention to her at all, and immediately clenched her hands unconsciously.

Qin Ming strode over, arrogant, with a heavy chill, grabbed Xu Minghui’s arm and walked to the deck.

When they reached the railing, Xu Minghui’s waist stopped there, and when he lowered his head, he could see the deep and dark river.

There is no majestic waves of the sea, but the despair and threat that can swallow life, accompanied by darkness and river wind, come head on.

Xu Minghui was suddenly scared.

She gripped the railing tightly, her voice trembling.

“Qin Ming, you...what do you want to do?”

Qin Ming was surrounded by a chill, gloomy and gloomy.

He continued to exert force on his hand and sneered.

“Xu Minghui, I’ll give you two choices. First, disappear in front of my eyes forever, and second, throw you out of here.”

For the first time, there was such obvious hatred in his voice, without a trace of warmth.

.

That breath is cold from the bone marrow.

Xu Minghui suddenly felt a panic, and when she looked up, she was far, far away from the riverside. The people on the shore couldn’t see clearly, and behind it was Su Nan’s bodyguard.

Even if she was really thrown away, no one would save her, and no one would even know that she was buried in the belly of a fish.

She suddenly regretted it.

These rogue tricks are useless to Su Nan and Qin Ming!

Qin Ming kept working hard on his hands, picked it up and threw it down for no more than ten seconds.

He is waiting for her choice!

Does he dare?

Maybe she thought she would not dare before, but Qin Ming’s identity was exposed, the only son of SW Group, he is not an ordinary person, having been in Wei Cheng’s circle for so long, she knows very well that some things are nothing to them at all, It can’t be solved without money.

The cold wind hit her face like a knife, Xu Minghui’s heart jumped violently uncontrollably, the blood all over her body condensed in one place, panic and fear invaded her consciousness.

She is scared!

“Huh?” It sounded like a voice from hell.

This is not the Qin Ming she knew at all!

Xu Minghui’s eyes couldn’t help turning red, she clenched the railing tightly and gritted her teeth.

“I choose one, I’ll go, I’ll go right away!”

Because at that moment, she saw ruthlessness and killing intent in Qin Ming’s eyes.

That kind of invincible arrogance, the consequences are not something she can afford!

She was unwilling, bit her lower lip, and said tremblingly, “You really fell in love with Su Nan, you must have fallen in love with her!”

Qin Ming’s eyes were dark and he looked at her coldly.

Xu Minghui’s face was filled with despair and sternness in fear, and she suddenly smiled again, a little crazy.

“She just said that you are just one of her choices, and she doesn’t like you that much.”

Qin Ming let go, looked at her indifferently, and looked at the bodyguard beside him, “Is there a boat, send this woman to you? Go?” The

bodyguard hesitated for a few seconds before agreeing.

There is a speedboat to meet the guests, and the request of the guests should be done.

Fu Yanni looked at Qin Ming’s face and thought about what Xu Minghui said just now, but he still chose to hold it in his stomach if he wanted to ask.

This woman’s words cannot be trusted!

Qin Ming is not someone who pays attention to beauty!

Qin Ming and Fu Yanni returned to the banquet hall one after the other.

...

The housekeeper told Su Nan every move on the deck without omission. Su Nan nodded, indicating that he understood, and looked back at Su Yifeng and Shang Qian talking and laughing casually.

Turning his head, he looked at what Fu Yechuan and Lu Qi were talking about, and could vaguely hear Su Nan's name.

She frowned and walked over.

"My birthday, a week's party, the sunshine in Sanya is so comfortable, it's like a vacation..." Lu Qi said.

"No time." Fu Yechuan's voice was cold.

"How come you're not free? You can't talk about things like this now, you only have time left!" Lu Qi refused to accept it.

"Su Nan wouldn't want to go."

Fu Yechuan said seriously.

...

Chapter 433: Marry me

Chapter 433 Marry me

"What does it have to do with her!" Lu Qi couldn't help raising his voice.

After so many years of brothers, Fu Yechuan was still speculating on whether Su Nan wanted to go.

He didn't expect Miss Su Nan to admire her face at all, did he?

Su Nan heard it clearly, she paused, and was about to change direction when she suddenly saw a small figure running from the front with a very sad and regretful expression.

"Beautiful sister..."

Su Nan stopped and smiled, "Little Mike, what's wrong with you?"

Fu Yechuan and Lu Qi naturally noticed this.

When Lu Qi saw it, he passed by pushing his wheelchair.

"It's a coincidence, where did we just find Miss Su..." Lu Qi said with a smile.

Su Nan ignored him and touched Little Mike's curly hair, his lost little eyes full of sadness.

"I searched the whole cruise ship, but I couldn't find my sister's favorite chrysanthemum..." There was a

moment of silence.

Su Nan thought to himself, that would be great!

Lu Qi couldn't help but smiled, "If you can find chrysanthemums today, the entire crew on the cruise ship will lose their jobs!"

Little Mike looked at him suspiciously, "Why?"

Lu Qi touched his nose, he snorted coldly, not intending to answer.

Fu Yechuan rolled his eyes at him speechlessly and looked at Su Nan, "Su Nan, push me to the deck for a rest?"

Su Nan gritted his teeth, now he is getting more and more comfortable with her?

She smiled, "Okay."

She walked over, pushed his wheelchair and left.

Lu Qi shook his head, couldn't he see that the eldest lady was reluctant?

Does the old man want to pursue her, or does he want to torture her?

Just as little Mike was about to catch up, Lu Qi picked him up and stopped him.

"Why are you going, don't disturb the world of the two of you, please cultivate my relationship with me!"

Little Mike frowned, "What kind of relationship? Pretty sister doesn't have feelings for bad uncles, but she has feelings for me!"

He stood there with his waist pinched . , Angrily, those clear eyes were stained with resistance.

Bad uncle is not worthy of her!

Lu Qi snorted and looked down at him, "What do you know as a child? Emotions are to be cultivated, not to mention the beautiful sister and Uncle Fu, they are a natural match. Look at how well they match!"

Lu Qi Raising his eyebrows, he couldn't help but sighed that under the moonlight, on the deck, the good looks of the man and woman couldn't be more perfect. They had the

same aura and matched family background. If there were not too many twists and turns, they should be the most suitable pair. .

Little Mike snorted coldly and pushed Lu Qi forward.

“You bullshit, they don’t match up well, beautiful sister only likes little fresh meat, and she doesn’t like people like bad uncle. When I grow up, I will marry her!”

Lu Qi opened his mouth in surprise, hehe, this child , quite interesting!

He smiled meaningfully, “So you like pretty sister, it’s a pity...”

Lu Qi shook his head, expressing regret.

Little Mike was even more angry, “What a pity?”

Lu Qi rolled his eyes, smiled maliciously, and deliberately teased him and said,

“It’s a pity that someone from a family like Pretty Sister, even if it’s not with Uncle Fu, will have something else. Marriage partner, it will never be your turn, unless you are very rich, always rich...”

Little Mike’s eyes dimmed for a moment, then immediately lit up.

“I have money, my daddy is Shang Qian, he has money, and all his money is mine!”

“Then let your daddy marry! How long will it take you to inherit his inheritance?”

Little Mike was angry Hmm, absolutely impossible!

His beautiful sister, he wants to marry himself!

After thinking about it, little Mike gritted his teeth, made up his mind, clenched his little fist, and ran to Shang Qian angrily.

Shang Qian and Su Yifeng talked very happily, seeing little Mike coming over, Su Yifeng’s eyes softened, oh, if only he had a grandson!

Little Mike used to hold Shang Qian without letting go, and looked at him coquettishly, “Daddy...”

Shang Qian rolled his eyes at him with a warning.

“Don’t be petty, today is a good day.”

Little Mike pouted and looked at Su Yifeng with clear eyes, so cute.

“I know, today is the birthday of my beautiful sister, Daddy. Happy birthday to Uncle Su!”

Su Yifeng’s heart melted with joy, and he took out red envelopes in his pockets...

But little Mike’s voice changed. , looked at Shang Qian, and shook his arm coquettishly.

“Daddy, I want to inherit your inheritance!”

air of the egg that I gave birth froze instantly, and it was extremely quiet.

Su Yifeng’s action of taking out the red envelope also froze instantly.

Looking at Shang Qian’s face again, it was already dark to the end, and the light in his eyes was dim and dark, trying his best to suppress the chill in his eyes.

His eyelids twitched, and his face, which had been calm for a long time, was cracking inch by inch.

“Daddy, they want to inherit your inheritance right away...”

Little Mike twisted his little body coquettishly, so cute that he couldn’t bear to be beaten.

He has said it ten thousand times in his heart, this is his own child, bear with it!

Shang Qian’s eyes were fixed on Mike’s body, he took a deep breath, and his tone was as soft as possible.

“Right now?” he repeated in a low voice.

Little Mike nodded solemnly, “Only by inheriting your legacy can I be with my beautiful sister forever!”

So, he hopes, the sooner the better!

For the sake of his beautiful sister, he didn’t even want his own father!

Shang Qian looked at his pale and tender face with dark eyes, trying to maintain his calmness and demeanor.

“Then I will try to fulfill your wish as soon as possible.”

He gritted his teeth.

Little Mike smiled happily, "When is it?"

One second, two seconds... No, I can't bear it any longer!

Shang Qian's eyes narrowed suddenly.

He picked up the clothes by the back of his neck with ease, like that, he could throw him like a ball!

Su Yifeng said quickly, "Tong Yan Wuji..."

Shang Qian smiled lightly and controlled the expression management.

Nodding apologetically to him, "Su Dong, I'm sorry, I suddenly remembered that there is something urgent in the company, I have to deal with it immediately, and come to the door tomorrow to make amends." After

saying that, he simply carried little Mike and walked away, strutting his head high, effortlessly. .

"Ah, ah, I'm going to kiss my beautiful sister before leaving..."

...

On the deck, Su Nan watched Shang Qian carry Little Mike away, and wanted to go over and ask in surprise.

Before taking two steps, Fu Yechuan grabbed her wrist.

"Don't go, think about what I said, okay?"

His voice was deep, with a hint of caution.

Feeling a little humble.

He mentioned just now that Su Yifeng wouldn't leave his youngest daughter's life alone, and if they got married, consider him first.

After all, all the conditions and advantages are there.

Besides him, who else is worthy?

It's just that he saw Su Nan and Shang Qian chatting happily before, knowing that Shang Qian was impossible, he still felt uncomfortable.

So, just try carefully.

Su Nan looked at her, lowered her eyes, and looked at him.

A sudden smile.

“Mr. Fu, marriage, don’t worry too much about other things, it’s just right, but forget it, I won’t plant it on the same person twice, it’s not shameful enough.”

She curled her lips and spoke slowly.

“Besides, I have seen the world, and my eyesight has naturally improved, and I no longer look down on the people I liked in the past.”

She specially emphasized the words “liked in the past”.

“Su Nan!”

Fu Yechuan’s heart seemed to be pierced by a knife.

Su Nan smiled slightly and pushed his wheelchair, “Don’t worry, I will take care of you until you recover. I will not forget to thank you for your life-saving grace. It’s just a feeling, you can’t force it, right?”

So indifferent and noble ? At this moment, Fu Yechuan only felt his heart twisted like a knife.

No matter how hard he tried, he was all alone.

That kind of sourness and heartache, accompanied by anger, he was speechless.

What can he do?

Are you losing your temper?

He is not qualified.

A few seconds later, his hands were tightly gripping the wheelchair, the blue veins on his forehead were bulging, and the corners of his eyes were red.

...

, but in the dark night, no one noticed.

The moment she pushed him back into the banquet hall, his expression returned to normal, indifferent and noble, unattainable.

The whole body was chilled.

He turned his head and turned towards Su Nan, his voice was calm after being suppressed, with a domineering aura and gentle eyebrows.

“It doesn’t matter, I can continue to wait.”

Even if there is no hope, he will not give up.

Su Nan ignored his words, rolled his eyes at him, and continued to walk forward.

Everyone looked at the behavior and distance between the two of them, their talent and appearance, and they were evenly matched.

The two were clearly reconciled, and they seemed to have a good relationship. Everyone secretly speculated that they were about to remarry.

Fu and Su have joined forces, and it seems that their position in the market is unshakable!

The banquet came to an end.

Su Nan bid farewell to everyone behind Su Yifeng.

When he arrived at Fu Yechuan, he deliberately fell behind.

Su Yifeng looked at him and smiled, “Go back and have a good rest and pay attention to your body.”

There was a lot of concern in her words.

Su Nan glanced at his old father and always felt something was wrong.

Fu Yechuan nodded with a smile, “Then we’ll see you tomorrow.”

“Okay!”

After seeing Fu Yechuan away, Su Nan looked at Su Yifeng in surprise.

“See you tomorrow? Dad, why did you ask him out?”

Su Yifeng patted her hand with a look of anticipation.

“In order to celebrate my birthday, he specially arranged a trip around the world for me for 20 days.”

In 20 days, he can find time to go for a walk, which is what he has wanted to do for a long time.

Su Nan frowned.

“You go by yourself?”

“Of course not, and you!”

Su Yifeng looked at her with solemn eyes, “You don’t want to go, right?”

If she dared to refuse, he would dare to turn his face!

Do you think she is still the most noble baby of the Su family?

No, it is Su Xiaohu!

Su Nan smiled euphemistically, “Of course not, I just think, is it too sudden?”

Su Yifeng smiled, “Surprise has always come suddenly, in fact, I am very satisfied with Fu Yechuan’s gift this time, he can think of it. On this point, I think he has good intentions, so Dad agreed!”

How does Su Nan think that he has ulterior motives?

“But in my hands, the company’s affairs...” Su Nan hesitated.

“Give it to your eldest brother. If he can’t be busy, give it to your third brother and let him fill the hole!”

Su Yifeng said casually, no matter what it is, don’t try to ruin his plan!

Su Qi, who just came over from behind, paused in his footsteps and instantly widened his eyes.

What is the amount of compensation for him to fill the hole?

Isn’t he biological?

Su Nan was helpless and could only agree, let’s take it as a free tour!

Su Qi refused to accept it and followed, "Dad, I'm going too!"

Su Yifeng rolled his eyes at him, "Go away."

"Don't let Xiao Si go, I'm the best at eating, drinking and having fun!" Su Qi tried hard to prove Own.

How could such a thing leave him behind?

Is it bad to go out and play?

Why do you want to fill in the holes for Su Xiaosi while watching the company?

Su Yifeng's face turned pale, clutching his chest, "On this good day, don't force me to do it!"

Very deterrent!

Su Qi trembled, he didn't dare, he immediately fled...

back to Su's house.

Su Nan finally felt comfortable and at ease. After playing with Su Xiaohu for a while, he went to take a bath and put on the mask.

After grooming, she came out and looked at Su Xiaohu, who was lying on his back on the bed, playing with herself, happily kicking on her four calves, and smiled speechlessly.

She suddenly thought of the trip that Fu Yechuan had arranged, which was really unexpected. Since she had to go, it would be more lively.

Thinking about it, she picked up the phone and called.

"President Shang, is Mike here?"

...

Chapter 436 Are you going too?

Su Nan finished the phone call, opened his notebook and checked his emails.

There are so many documents to be processed every day, and Yu Lou screened out the important ones for her and left them in the mailbox, and everything else that could be handled was handled for her.

Su Nan told Yu Lou on WeChat that she was anxious recently, including the things about the Juli Group. She was anxious. Only Tang Kai was watching, and she was still not at ease.

While busy, Su Xiaohu jumped onto her lap, and the two little paws in front were holding his tiger's head, so cute.

"Mama, I really want Baba..."

Su Nan just wanted to pick it up and stopped in midair, looking at it speechlessly.

"You're thinking too much!"

Su Xiaohu touched his head, his beard shaking.

"The emotional interaction system that Silent sets up for others, you have to think about numbness ten times a day, and think about it ten times a day, in order to cultivate deep feelings..."

Su Nan chuckled, artificial intelligence, even feelings Can you control it?

She touched its little head, "Then do you need to think of others? For example, Su Qi, and my father?"

Su Xiaohu heard the words, shook the fur on his body, wagged his tail, and said proudly.

"Papa Su said, I'm the most obedient child of the Su family, much better than Su Qi's little bunny!"

Su Nan couldn't help laughing, Su Yifeng said so many bad things about Su Qi in front of Su Xiaohu!

After chatting with Su Xiaohu for a while, I was busy with things before I started to pack my things... The

light rain fell sparsely all night, and it cleared up early the next morning, and even the air smelled of sweetness and sunshine. Through the gauze curtain, revealing the golden light.

You don't have to go to work anyway, you can arrange your own time.

When Su Nan opened his eyes, it was past nine o'clock.

She slowly washed up, changed her clothes, and put on light makeup. There was no information on her phone. She suddenly remembered that she didn't make an appointment with Fu Yechuan and Su Yifeng yesterday.

So, she moved more slowly, sat on the balcony and practiced yoga for a while, and her whole body was relaxed.

It was eleven o'clock when she walked out of the room.

As soon as I got downstairs, I heard voices coming from downstairs.

Su Yifeng: "Our little four was busy last night until midnight, and got up early this morning to have a morning meeting. Hey, I really feel sorry for her..."

Su Nan's high heels paused, and only got up after three poles in the sun She was very guilty in an instant.

Su Qi snorted and didn't say a word.

Fu Yechuan's voice was calm, with enough patience and courtesy.

"Su Nan's excellence comes from talent and diligence, so she has achieved today's achievements, and it is a matter of course."

"Yes, yes..." Su Yifeng agreed.

Su Nan's head was so big that he couldn't listen anymore.

Is this an awards ceremony?

She hurried downstairs.

Su Qi sat on the sofa and smiled lazily.

"Yo, our eldest lady is willing to get up?"

Su Nan rolled his eyes at him, ignored him, looked down, and was slightly taken aback.

"It's all here, I just had a meeting on the Internet..."

She said without blushing and heartbeat, full of confidence.

Su Yifeng was very satisfied with her answer, and it was almost possible to confuse it with the truth.

“Miss Su, good morning...” Wu Tutu was actually there.

Su Nan nodded.

Mike sat honestly beside Shang Qian. Little Mike didn't know what was wrong, but he didn't look so excited, as if he had been educated!

The moment he saw Su Nan, his eyes lit up, he looked at Shang Qian again, and sat honestly.

“It's almost time, let's go.” Fu Yechuan looked at the Patek Philippe in his hand.

Little Mike stood up suddenly, “Let's go, let's go, I'm going on a trip with my beautiful sister!”

Fu Yechuan's face froze slightly, “Are you going too?”

“Yes!”

Fu Yechuan looked at Shang Qian's son inexplicably, “You can go alone, can Mr. Shang rest assured?”

Shang Qian frowned indifferently, “Yeah, I'm really worried about going alone, then I'll go too...”

...

Chapter four hundred and thirty seventh his reputation

Chapter 437 His reputation As soon

as Shang Qian's words fell, everyone's shocked eyes were focused on him.

Even Su Nan didn't expect that Shang Qian would also go?

She just invited little Mike last night!

Especially Fu Yechuan's complexion became colorful, and he looked at Shang Qian with complicated and deep eyes.

He has also been in the shopping mall with hundreds of battles, so he is so blind?

Fu Yechuan couldn't think about it too much.

Su Yifeng was stunned for a moment, and soon returned to his usual smile.

“Alright, there are so many people. President Shang is not worried that the child will go out at such a young age. It’s excusable, President Fu, then let’s go?”

Fu Yechuan curled his lips, “Okay.”

Wu Tutu stood sluggishly. On the side, his trip was specially planned for Su Nan and Fu Yechuan, and Su Yifeng can be called a family trip, and Shang Qian and little Mike, what is it?

Is that a corporate team building?

Fu Yechuan’s eyes moved to Su Nan’s body, his cold brows softened slightly, and the corners of his lips pulled out a soft arc.

“Let’s go and relax for a few days.”

Looking at each other, Su Nan smiled, “Thank you, Mr. Fu, for your hard work.” They are all people who are used to the scene, no matter how ugly what they said last night, No matter how tense the relationship is, if we meet again today, it will be as calm as nothing has happened.

Wu Tutu helped him push the wheelchair from behind, frowning that he could trap a fly, and things didn’t turn out the way he expected!

The helicopter stopped on the lawn not far away, Chang Li helped Su Yifeng up, Shang Qian strode up, no one cared, Little Mike climbed up, looking back to see if the pretty sister was following. ?

Su Nan was at the end and was sending a message to Yu Lou when he saw Wu Tutu helping Fu Yechuan up with difficulty.

She frowned, took a quick step, went over to help, and immediately put it into Fu Yechuan’s hand.

Fu Yechuan was also stunned for a moment, and then looked at her with joy.

Su Nan didn’t make a sound, and soon, everyone boarded the plane smoothly.

“Thank you.” Fu Yechuan said.

Su Nan raised his eyebrows, “Well, Mr. Fu is already like this, and he still wants to travel around the world. Haha, I’m really interested.”

Who knows what he wants to do?

Running around with a lame leg?

Before Fu Yechuan spoke, Wu Tutu hurriedly explained:

“President Fu has not slept well for several nights because of Su Dong’s birthday. Ordinary antique calligraphy and painting cannot represent President Fu

’s mind, and Su Dong has a lot of knowledge. I don’t necessarily like those.

Didn’t Su Dong always want to travel around the world before, but because various things failed to materialize, Mr. Fu deliberately pushed so many important work meetings to free up time and make Su Dong happy. It ’s touching...”

Su Nan twitched the corners of his mouth and glanced at Wu Tutu with a half smile.

“Mr. Fu didn’t sleep well, why is the eldest cousin so clear?”

Wu Tutu was stunned, eh?

Fu Yechuan’s face also became a little ugly, and he glanced at Wu Tutu with speechless and cold eyes.

What about his reputation?

Su Nan turned around and walked in to find Su Yifeng.

It was clear that there was no wind, but Wu Tutu felt a chill coming, and Wu Tutu shivered.

When the plane hit the air, it suddenly shook. Su Nan didn’t fasten her seat belt and was almost thrown out. Shang Qian next to her suddenly grabbed her hand tightly and sat firmly. She breathed a sigh of relief.

“Thank you, President Shang.”

Shang Qian let go of his hand and nodded lightly, “You’re welcome.”

After a few seconds, he suddenly reached out, crossed the direction in front of her, and touched her left waist at such a close distance. Somewhat suddenly, Su Nan froze for a moment and pulled back.

looked at him in surprise.

Shang Qian pursed his lips, “Seat belt.” The words were concise and comprehensive.

...

Chapter 438: Jin Gui's Hand

Chapter 438 Jin Gui's hand

Su Nan clearly followed his direction, fastened his seat belt, and smiled, "Mr. Shang, is it okay for you to follow me like this in the company?"

Shang Qian was indifferent. He sighed, "You have let go of the people who worked with me, should I stay there to talk to that Ringo and Tang Kai? I have announced that the project will be suspended for a period of time, and the core finished products will be researched first, and when we go back, I can just see the new stuff."

Su Nan heard this, blushing a little guilty, as if she was not doing her job properly.

Shang Qian paused, "Of course, little Mike wants to come too. I taught him a lesson last night, and he hasn't forgiven me yet, so I have to come along."

Referring to little Mike, Su Nan smiled, "It turned out to be. In this way, President Shang loves little Mike so much, he must love you very much."

What a tender father-son relationship!

Shang Qian smiled and remained silent.

A son who wants to inherit his estate anytime?

He has told little Mike's tutors to double the homework!

Even on the road, he didn't want to be happy!

Fu Yechuan watched Su Nan and Shang Qian chatting happily from the side, and his eyes narrowed unhappily.

The uncomfortable feeling in my heart is getting stronger and stronger, as if something was ignored before, and now there are vague signs.

Wu Tutu felt it on the side, thinking that he couldn't sit still like this.

He didn't like Shang Qian for a long time, even if he didn't show anything, but he was clearly different from others to Su Nan!

Judging from his rich experience, he probably has bad intentions towards Su Nan!

He thought for a while, then coughed, "Miss Su, let's change positions? The scenery here is so good..."

Su Nan frowned, but before he made a sound, the voice of little Mike next to him spoke crisply.

"Sister pretty is going to sleep, don't disturb her!"

Wu Tutu shut up embarrassedly.

Su Nan raised his eyebrows, save trouble, little Mike is really a clever little ghost.

Little Mike hummed proudly, if it wasn't for Su Yifeng who insisted on pulling him along, he would definitely be with the pretty sister!

Putting the beautiful sister next to the bad uncle, he is not at ease.

Let Daddy watch for him for a while!

Along the way, Su Nan didn't ask the location, but soon, he fell into a drowsy sleep.

Unconsciously, his head rested on the person next to him.

After a few hours, Su Nan was woken up by someone, and Mike's cute little face suddenly enlarged in front of his eyes.

He couldn't help being surprised, "Beautiful sister, look, it's a castle!" The sky dimmed slightly.

The plane was circling in mid-air, and Su Nan subconsciously looked to the side. On the lush mountain, a castle manor with flickering lights stood there. The lights were lit, but it had a faint sense of mystery. It was tall and majestic.

At first glance, Su Nan looked like a private manor.

The plane was parked on the tarmac of the manor.

After a few hours of flight, some people couldn't hide their excitement. Little Mike ran down excitedly, and Su Yifeng also followed. Shang Qian squinted and glanced at it, and then he reached out to Su Nan in a gentlemanly manner.

Before Su Nan's hand could be reached, Wu Tutu ran over quickly, "I'm here, I'm here to help Miss Su's precious hand..."

He stood in front of Shang Qian and supported Little things like the lady going down the stairs can't give him a chance!

Su Nan rolled his eyes at him and walked down. The air was not bad, the stars were shining, and a few housekeepers and servants not far away were rushing over.

It was just that Wu Tutu was stunned for a moment.

Because Fu Yechuan is still on it.

He stared at Fu Yechuan, pursed his lips, and looked at Su Nan with a smile.

“Miss Su, go up with me and help me push President Fu down?”

Chapter four hundred and thirty-ninth see the world

Chapter 439

Su Nan's expression froze when she saw the world, so is she lonely when she goes down?

She turned her head and saw that Fu Yechuan was planning to come down carefully. If he did, the car would overturn immediately, and then everyone would take him to the hospital together!

Oh, the journey is over!

She paused, “Wait, don't move...”

Fu Yechuan paused for a while, but he was obedient, and waited pitifully for Su Nan to help.

But before Su Nan stepped up a step, he saw Chang Li appear behind Fu Yechuan.

He's in the back with his luggage and hasn't gotten off the plane yet!

When Wu Tutu's expression changed, he watched Chang Li put down his luggage without saying a word, and pushed Fu Yechuan down decisively and calmly.

Fu Yechuan was startled, but he did not expect that someone would suddenly push him behind him.

The slope in front of him was gentle, and there was no accident with the wheelchair on it, especially when Chang Li put all his strength on his hands, and after a while, he landed safely on the ground.

However, Fu Yechuan's face was not good-looking, instead, there was some suppressed dissatisfaction, which he couldn't say or express.

Chang Li didn't say anything, turned around to take down the luggage, and looked at Su Nan.

"Miss, you can tell me at any time if you need it."

Su Nan nodded with a smile, "Okay, thanks to you."

Otherwise, she would have to go up and get Fu Yechuan down in person.

After she finished speaking, she glanced at Fu Yechuan and walked briskly to meet Su Yifeng.

Wu Tutu swallowed, "Thank you, Champion Chang."

After speaking, he ran to the side and pushed Fu Yechuan.

whispered softly in his ear.

"Don't be angry, don't be angry, we have a chance, he is Miss Su's person, if he pushes it, it means that Miss Su pushes!"

Fu Yechuan was silent, his face was tense, and his eyes were deep and cold.

Chang Litui and Su Nantui are still different!

Everyone was waiting in the castle, and the servants arranged the tea and snacks according to their preferences.

As soon as Fu Yechuan came in, the servants walked over in unison, bowed and bent over, "Hello, Mr. Fu."

With a deep "um", he entered without expression.

"Director Su, do you want to take a rest first, or go for a walk first?"

Su Yifeng was full of energy, "I'm not tired!"

Fu Yechuan nodded lightly, without asking other people's opinions, he looked at the housekeeper, "Go to Let's make arrangements."

“Yes.”

They quickly got into the car, and in less than ten minutes, they stopped at the Changjiang River.

The moonlight is bright and gentle, reflected in the river flowing slowly, like a delicate girl, gentle and humble.

Su Nan looked at the familiar scene and couldn't help being a little surprised.

“Seine River?”

She was a little excited. When she was studying here, she had walked here countless times, good and bad, and she had told this river.

There were not many people on the riverside, and most of them came for a walk. Su Yifeng followed Little Mike excitedly, while Shang Qian stood there, looking at the Gothic building opposite, expressionless.

Su Nan's eyes flickered, bearing thousands of stars, Fu Yechuan curled the corner of his lips, it seemed that Wu Tutu's first choice was the right one.

Just as he was about to push the wheelchair, Chang Li, who was not far away, quickly asked for help.

Wu Tutu hurried over and took his hand, crying more ugly than laughing, “Don't help him, Mr. Fu can do it by himself!”

Chang Li frowned, his voice rough.

“Dong Su told me to have some insight!”

Wu Tutu shook his head solemnly, “No, Mr. Fu doesn't need help, he also wants to save face!”

After speaking, he took Chang Li to the other direction.

“Let's go, I'll take you to go shopping there, there are delicious food and beauties... Don't you want to meet the world?”

Chang Li frowned, his fierce face full of expression. Resist and speechless.

He stood there unmoved.

“I do not deserve.”

Chapter four hundred and fortieth push you back

Chapter 440 Pushing you back

Fu Yechuan finally got his wish and let Su Nan push him around the Seine for a walk.

Su Nan was just admiring the beautiful scenery. Of course, he didn't really want to listen to Wu Tutu's speech. It was too annoying!

After getting rid of the others, Fu Yechuan's complexion was obviously much better.

In front of him was a sturdy, tattooed homeless man who was playing a violin. He was very intoxicated, and many people around him stopped to watch.

If the sound of the piano is graceful and graceful, accompanied by the gurgling sound of the Seine River, this scene is most touching.

But the sound of the violin, as soon as I heard it, I didn't get started, like an old woman wailing, it was unpleasantly sad and bleak.

Su Nan walked over and stopped unknowingly, and Fu Yechuan also listened for a while.

Listen blankly.

At the end of the song, everyone breathed a sigh of relief and finally dispersed one after another.

The tramp glanced at Fu Yechuan's legs, and then at the beautiful and bright Su Nan, looking at her with regret and sympathy in his eyes.

In that way, it seems that a beautiful girl has been blinded in vain.

Fu Yechuan frowned expressionlessly, as if thinking about something.

The homeless man couldn't help but say, "Do you understand my piano?" If you don't understand, leave quickly.

He looked at Fu Yechuan, except for his good looks, everything else was useless, especially his legs.

Therefore, there is a bit of disdain in the attitude.

Fu Yechuan raised his eyebrows and snorted softly, "It sounds ugly."

"What?" The homeless man's brows became cold, and he was about to come forward and reason.

Su Nan was surprised that the atmosphere was very romantic just now, but why did it suddenly become tense?

"Very ugly." He lifted his eyelids, his tone was calm and cold.

The tramp said nothing, rolled up his sleeves, covered in tattoos all over his body, very vicious.

Walk towards them.

"Sorry, this man has a problem with his brain and wants to fight to find him!"

Su Nan paused, pushed Fu Yechuan back a few steps, pointed at Chang Li behind him, and left quickly.

"Su Nan..."

Su Nan didn't care if the wheelchair was bumpy.

Fu Yechuan finally couldn't help calling her and looked at her with a smile.

run what?

This is not Su Nan's temper!

Su Nan: "It's good that I didn't leave you there, but the big butler Wu Tutu didn't find you a bodyguard."

Hearing the coldness of her voice, Fu Yechuan didn't say a word. After a few seconds of silence, he spoke in a low voice.

"It's really hard to hear."

He was just telling the truth. A dignified president of the Fu Group, should he lie to make a homeless man happy?

Do, no, come!

Su Nan looked at him indifferently, "Then I'll send you back, tell him."

Before he put his hand on his wheelchair, he tightly gripped the armrest beside him, "Don't... .."

He suddenly felt offended, but the person facing him was Su Nan, so forget it.

Offend is offended.

"I'll listen to you, we're not going back, look how beautiful this river is, doesn't it look like a diamond necklace?"

If it wasn't for his physical inconvenience, would he be afraid?

joke!

Su Nan sneered, hehe, coward!

The two walked leisurely to the small bridge in the middle, and the air was filled with a romantic and quiet atmosphere. That kind of intoxicating leisure can only be found in such time.

Fu Yechuan looked at Su Nan, who was leaning on the bridge with his elbows. The profile of his face was smooth and beautiful, his eyes were bright, and the corners of his mouth were curved, so radiant that he couldn't move his eyes.

He smiled, and he suddenly wanted to say something he hadn't said before:

"Compared to you, anyone who plays the violin is trash."
