Chapter 46 I Don't Want To Endure You

Chapter 46: I don't want to bear your

Fu Yingying's face froze, she exclaimed and saw that a glass of cold water had been splashed on her face and body.

Su Nan gently put down the decorative bottle on the sink, clapped her hands, and her eyes were calm, "This is what you asked for."

"Su Nan, how dare you..."

Fu Yingying's face was ashen with anger, and her body was covered in anger. Trembling, the dress on her is a high-end dress directly obtained from the DIOR brand. Although it is not as personal as Su Nan's, but the price is also starting from eight figures, so many star artists are not qualified to take a look at it. , now so ruined!

Su Nan hooked her lips, but the smile didn't reach her eyes, "Do you really think I will endure you as before? If you provoke me once in the future, I will teach you a lesson, and the old and new accounts will be settled together!"

Fu Yingying shuddered . , she saw the penetrating chill in Su Nan's eyes, and she couldn't help but feel a little scared.

But at this moment, she doesn't want to think so much anymore, the dignified Miss Fu family, where there are all the stars and the moon, she was bullied so much at this banquet?

How is she going to get out in a while?

The spare clothes are far less exquisite and precious than this one!

She glared at Su Nan with gnashing teeth, and was about to lose her mind, "Su Nan, I will never let you go!"

She said, took a step forward, and raised her hand high in Su Nan's direction.

We must let Su Nan see how powerful she is!

But before the slap fell, Su Nan seemed to be waiting for her to take the initiative. The corner of her mouth was slightly raised, her eyes flashed slightly, her body flexibly

turned to the other side, one hand accurately grasped Fu Yingying's arm, and the other She grabbed the wavy hair behind her with one hand, and pushed it forward...

The gurgling water flowed mechanically, and the water in the gold-copper-colored washbasin was about to overflow. Slammed into it, splashed a lot of water...

The little sister in the back exclaimed, her shocked face changed greatly.

Su Nan's eyes swept over coldly, and the little sister was silent for a moment, watching this scene in horror, not daring to go forward.

Fu Yingying struggled fiercely, but Su Nan did not forcefully refuse. She just wanted to teach a lesson. She released her hand and took a step back. She didn't even get a drop of water on her body, and she was still beautiful.

But Miss Fu was so embarrassed that she couldn't read her makeup and hair...

She leaned against the wall and gasped, her eyes flashing a hint of horror and strangeness.

In front of Su Nan, she doesn't seem to know it at all, or she has never seen through it!

The little sister immediately stepped forward to support Fu Yingying, "Yingying, you...are you okay?"

"Miss Fu, I just said that I can't bear you anymore, and if you provoke me again, you will have to pay the price!"

Su Nan raised his hand and brushed the broken hair from his ear, raised his eyelids unhurriedly, and his intimidating gaze fell on Fu Yingying, her face was pale and wet like a drowning dog, Su Nan smiled with satisfaction.

She glanced at her lips, as if mockingly, stepped on her high heels and left without haste...

Fu Yingying dared to scream loudly after she left!

Su Nan taught people who were not used to it for a long time, and was in a good mood, but who wanted to look up and see Fu Yechuan who had been standing there for a long time.

After a slight pause, she wanted to walk over as if nothing had happened, but she was stopped again.

"Su Nan."

Fu Yechuan stood there, watching her deliberately ignoring him, and he was obviously very uncomfortable, but he had to do it, he owed her.

So when he heard what happened in the women's bathroom, he also held back and didn't go in to stop it.

The Fu family owes her even more.

Su Nan paused, looked at him sideways, raised his eyebrows, "Is there something wrong with Mr. Fu?"

Before Fu Yechuan could answer, Su Nan curled his lips and showed a cold smile, "Oh, Miss Fu is inside. , but you are too late, it is not convenient for her to come out to meet people now."

...

Chapter 47 Humble

Chapter 47: Humble

After all, Fu Yingying is very embarrassed right now, and she won't be able to come out for a while.

Fu Yechuan looked at Su Nan with deep eyebrows, and his sharp facial features carried complex inquiry.

"Why didn't the Fu family say this to you?"

"What?" Su Nan raised her eyebrows, her brows indifferent, as if she didn't expect him to say that.

"Why never tell me?"

If she told him, he would definitely stop the family from doing this to her.

Will.

Fu Yechuan stared at her with terrifying eyes, not wanting to let go of every emotion on her face.

Su Nan smiled: "It's all gone, it's all gone, I don't want to mention it again."

What's the use of talking? They'll just go further and humiliate her.

“Let’s leave, so what if you talk about it? You have to let me know, why did you get divorced for no reason?” The man suppressed the violent beating of his chest and looked at her darkly.

“No reason?” Su Nan twitched the corners of his mouth and repeated these four words.

What a joke!

She put away the smile on her face and looked at him with a cold gaze, “Fu Yechuan, have we met in private in the past three years? Did you give me a chance?” Is

n’t it his acquiescence to others’ insults to her? ?

Every time they meet, they have a business-like attitude, except that Qiao Wanrou is Qiao Wanrou, she will be tortured crazy by this name.

She suddenly remembered the time when she was newly married. She didn’t understand Fu Yechuan’s deliberate neglect. She really began to learn to be a virtuous wife. She prepared meals every day and waited for him to come home. She didn’t even dare to call for fear of disturbing his work.

But he didn’t go back for a few days, she couldn’t help texting him, asking if she wanted to try the dishes she made, and the information was like nothing.

Countless temptations and gestures made her feel ashamed and exhausted.

Later, when it became a habit to be left out, she realized that her new house had no male owner.

This marriage has its own plans!

It’s finally free now!

Does he need an answer?

If he regards her as his wife, his family, his friends, would he dare to laugh at her wishful thinking so blatantly?

Among those who bullied her, wasn’t he Fu Yechuan at the head?

The needle-like words pierced into his heart, and the pain was so dense that Fu Yechuan frowned, “Actually, you have many opportunities to say...”

Do you blame her?

Su Nan sneered.

But she doesn't care anymore, she doesn't need others to give her a head start, she can bear it because she loves Fu Yechuan, but now she can't bear it because she doesn't love Fu Yechuan anymore!

"Mr. Fu, you only have Qiao Wanrou in your eyes, how can you tolerate other women? I admire you even for your own marriage. What's the use of talking about it now?"

"Actually, Qiao Wanrou... .." Fu Yechuan frowned, trying to explain Qiao Wanrou's affairs to her, but Su Nan interrupted her coldly.

"Okay, it's not disgusting enough to mention, Mr. Fu, let's pretend you don't know each other..."

After she finished speaking, she stepped on the high heels and walked away without looking back.

The good mood was ruined, Su Nan's face was slightly dark, and he happened to see that Su Jin had finished talking and was waiting for her.

Su Jin's face was not good-looking when she heard others talk about the quarrel with Fu Yingying, and she was relieved to see her come out.

Su Nan walked over with a smile and hung it on Su Jin's arm coquettishly, "Is it over, can I leave early? I'm so tired today..."

Su Jin pinched her nose dotingly, "Leave when you're tired, don't worry about others."

Su Nan narrowed his eyes and smiled, the world is still a good brother...

"Do you need to say hello? "

No, I've said it before." Su Jin touched her head, "Let's go, the driver is waiting outside."

She replied, holding Su Jin's arm and walking out, handsome and beautiful, very eye-catching .

As soon as he went out, Cheng Yi caught up behind him, "Mr. Su, do you mind going together?"

Su Nan looked at Su Jin, Su Jin's face was cold, and to outsiders, he was always silent and serious, "Mind, don't go along the way."

Cheng Yi : "..."

Su Nan smiled and waved his hand, "Cheng Er, goodbye..."

Cheng Yi didn't dare to provoke Su Jin, so naturally he didn't dare to go up to him, he could only look aggrieved, the two people got into the car. As soon as the side door was closed, Cheng Yi hurried forward and opened the door on Su Nan's side.

"What?" Su Nan was surprised.

Many people talking at the distance from the door also watched the movement here. As Su Jin, he was low-key, and he couldn't keep a low profile if he wanted to.

Cheng Yi squatted down half-kneeling, carefully picked up the skirt tucked outside the car door, put it in the car, looked up at Su Nan with a smile, "It's alright now, let's go."

It turned out to be Su Nan's skirt caught outside the car door, he deliberately went over and took it out. In the eyes of everyone, that attitude was really very humble.

Standing on the balcony of the banquet hall on the second floor, the scene just now came into his eyes, Lu Qi looked at all this, laughed, and turned his head to look at Fu Yechuan next to him, "Cheng Yi, this bastard, is really good at chasing women, dare to stand in front of him. Su Jin's face?"

He tacitly agreed that there might be an ambiguous relationship between Su Jin and Su Nan.

Fu Yechuan's eyes were light, "Let's go, call some brothers and have a drink..."

...

Chapter 48 Drunkenness

Chapter 48 In the drunken

car, only the sound of quiet music can be heard, like a gurgling water stream sloping down. It is Su Nan's favorite violin version of "Serenade".

Only at this moment did Su Nan really relax, pulling her skirt into a trance, wondering what she was thinking.

Su Jin glanced sideways at his sister, "Little Si, Cheng Er is chasing you?"

He immediately saw that Cheng Er had a problem.

Su Nan paused, waking up like a dream, "No, he's just kidding, it will be normal in two days."

Su Jin turned his head and smiled, "That's good."

“Big brother doesn’t like him?”

Strangely, the relationship between the Su family and the Cheng family has always been good, otherwise they would not acquiesce to her and Cheng Er getting closer.

“He’s had too many girlfriends and his private life is too messy for you, but if you’re happy...” Su Jin hesitated slightly.

Su Nan smiled, “What are you talking about? How can I attack my friends? Besides, I’m not interested in men now, I just want to concentrate on my career!”

Su Jin was obviously satisfied with this answer, “Yes, what is a man? , as much as you want, take your time!”

He must train his sister to become the richest woman in the world!

The driver in front slandered: won’t you teach the eldest lady this way?

“Hearing” the bar.

Fu Yechuan was drinking, and of course all the buddies in the vicinity could come.

In the box, before everyone could arrive, several bottles were already empty in front of Fu Yechuan.

Lu Qi couldn’t even persuade him, so he could only drink with him.

When Wei Cheng and the others came in later, they were all surprised. I hadn’t seen Fu Yechuan for so many years. The last time he was so drunk was when Cheng Heng died...

“What’s the matter?” The person behind came in and was shocked, “Why did you drink it first?”

A glass of cold whiskey slipped down his throat, Fu Yechuan stretched out his hand without changing his face, “Sit.”

Everyone sat down in surprise, Lu Qi was sober, poured them one by one, the blessings and the misfortunes are the same!

Wei Cheng gave Lu Qi a wink, “What’s the matter?”

Lu Qi pursed his lips, what else could he do? Of course it was because of that unlucky ex-wife...

but he didn’t dare say it.

Fu Yechuan's eyes were dark, like huge waves surging inside, he pulled the collar of his messy shirt, revealing his collarbone, "I've been married for three years, and I haven't introduced you to Su Nan. Do you know him?"

This name has become too popular recently. Don't you know?

"Just because of her? Old man, it's not right to be a householder. Divorce is a matter of time. You don't need to be so uncomfortable. Speaking of which, you should celebrate!"

Lu Qi winked desperately on the side, but to no avail.

"That's right, she's not the same as us and needs no introduction. You don't like her, and we don't recognize her as a 'sister-in-law'."

"Yeah, didn't she have a purpose in marrying you? This method We've seen a lot, so don't take it to heart."

...

Look, it was because of his acquiescence that Su Nan was allowed to be hurt, and his mood was indescribably complicated and irritable.

Do you have any ulterior motives?

He couldn't figure out, what was she thinking about?

She didn't spend a penny of every money that was given to her, and in the end, it was all sprinkled on the party that broke

her face with Qiao Wanrou... When she got divorced, she didn't want anything and went out of the house

the people of the Fu family bullied her so much, she didn't say a word, and she was whitewashing peace in front of him...

His friends ignored her to a certain extent, and she obediently shrank herself in the shell, without the slightest dissatisfaction...

What was she planning?

A glass of wine entered his throat hot, Lu Qi's big tongue couldn't wait to tell everyone what happened tonight, Wei Cheng and others didn't care about picking up the wine glass and bumping it.

"Old Master, you are soft-hearted, and it's not your fault. What are you blaming yourself for?"

"That's right, she asked for it all, and women just ask for troubles. Should there be any problems, they should be solved in time? Always keep it in your heart. Who is going to help her?"

"Whose family doesn't have any conflicts yet? If women can't handle the battlefield well, who can be blamed?"

"Don't worry about it, since she wants to break up, she breaks up cleanly, and they don't owe each other. , why are you torturing yourself like this? Asking for trouble."

"Lu Qi, you usually have a lot of tricks, you don't even think of a way, think about how to deal with that woman?"

Lu Qi drank in the fog, "I ...I don't dare, my nude photos are still in her hands..."

"Hahahahaha..."

Everyone was drinking happily, and Fu Yechuan was even more dazed. At that time, I remembered the disgusted look in Su Nan's eyes when she looked at him. Since she wanted to pretend she didn't know her, then she would be fulfilled?

Chapter 49 Throw it away directly

Chapter 49 Throw away the

alarm clock and wake up until dawn.

Su Nan strongly requested to go back to her apartment last night. When she woke up, she didn't need to see so many servants, but she felt much more at ease.

When I opened my phone, the photos from the banquet last night suddenly made Su Nan and Fu Yechuan popular.

"A wealthy couple is suspected of getting back together?" The

photo accompanying the photo is the kiss at the end of the dance between the two. The capture is really clever, and even the lighting background is handled very artistically.

Su Nan gave a cold snort and was too lazy to pay attention to it, so he closed the page and opened the mailbox.

Yu Lou sent today's key itinerary to her mobile phone early in the morning. After Su Nan cleaned up neatly, she began to listen to the news from the English Financial Channel.

The unhappiness last night seemed to be forgotten last night, and she would not let the name Fu Yechuan affect her at all.

Qin Yu's phone was bombed one after another, and she just saw it not long ago, and the picture didn't look like P's, so she wanted to confirm the authenticity of the matter.

Su Nan picked it up and explained helplessly, Qin Yu breathed a sigh of relief, and then spit out, "Hey, you see that the online trend has been withdrawn!"

Su Nan saw it, it really is!

She's not going to waste money on this, who is it?

Fu Yechuan?

Qin Yu laughed loudly on the other side of the phone, "Look in the group, it's the hot search where Cheng Yi spent money to withdraw!"

Su Nan clicked into the group, and the group was full of excitement.

Cheng Yi: "I really dare to ask for one million public relations expenses!"

Qin Yu: "Didn't Cheng Er Shao also participate? Why don't you even have a shot?"

Ning Zhijiao: "Who has his shot? Take the money to withdraw the hot search?"

Qin Yu: "Hahahaha..."

Cheng Yi: "Bad friends!"

Su Nan reluctantly added: "Next time, please transfer money directly to me, I will clarify."

Cheng Yi: "... .." Despair and vomiting blood!

After hanging up the phone, Su Nan was a lot happier.

After seven o'clock, Yu Lou drove over to pick her up and brought a breakfast, "I bought it on the road, I don't know if it suits my appetite."

She was not so picky, and took over to thank her, "Thank you, let's go."

"The meeting at eight o'clock. After the notification has been completed, Mr. Su said that the cooperation of the Juli Group is entirely up to you, and he will not interfere."

Su Jin is delegating power and let her experience, Su Nan understands and nodded, "Contact the Juli Group. Is it? Our inspection time should be earlier."

"I heard that the people from Fu's group will be in a week, so I will make an appointment tomorrow morning."

"Well done."

Su Nan looked down at the material, she didn't want to talk to Fu's Fu Yechuan may not personally participate in this project, but she does not want to take risks.

There were questions and answers along the way, Su Jin was really willing to give her such a capable person as Yu Lou, and Su Nan was relieved a lot.

As soon as she arrived at the company, the lady at the front desk came over with a bunch of flowers and smiled at her, "Vice President Su, someone gave you flowers."

Su Nan frowned slightly and glanced at the small card on it:

"Dear Su Nan, I have loved you for 10,000 years, Cheng Yi!!!"

She rolled her eyes in her heart, "Throw it for me, thank you."

Just two steps away, she stopped and looked back, "I will send flowers later. Yes, reject it directly."

She couldn't give Cheng Yi any hope, and completely strangled his seedlings to death.

"Yes." The front desk lady regretfully looked at what a delicate bouquet of flowers, about to fall into the arms of the trash can...

At eight o'clock, the meeting started on time.

When Su Nan went, everyone was already there. Su Nan sat on the main seat and looked at the people below, "The cooperation with Juli Group has started, and now we need to re-establish the project team to follow up on this task, Here's a list, I'll post it in a while."

Everyone knows that the cooperation of the Giant Group is a brand new field. Following this project, it is very likely to become famous in one battle, and everyone's heart starts to itch...

The meeting When it was over, Lin Shuang couldn't wait to find her.

"Vice President Su, why isn't me on the list?"

Such an important and core project is a good opportunity to make money. How could she miss it?

Su Nan sat in the chair and raised his head, raised his eyebrows, "If all the employees who are not on the list come to ask me this question, thousands of people will be stepping over my threshold. How do you think I should answer?"

...

Chapter 50 Backer

Chapter 50

Lin Shuang hates her in his heart, but he is worried that she has her handle in her hands, so he doesn't dare to tear his face too blatantly.

"I have no less experience in leading the team, and I have one of the best performances among senior managers. Vice President Su, you won't be angry because of what happened last time, right?"

Lin Shuang was obviously a little dissatisfied.

Su Nan lowered his eyes and smiled, "That's not true. I remember that Manager Lin looked down on the cooperation with Juli Group before. Your attitude will affect the direction of cooperation, so..."

"Of course I will follow the company's instructions. Decision." Lin Shuang expressed eagerly.

Su Nan smiled euphemistically, "The list has been reported to the board of directors, I'm afraid there is no way to do it, I'll talk about it next time I have a chance..."

She had already started to pack her things, and she thought it was obvious to see off.

Lin Shuang gritted her teeth, "There will be a solution, Vice President Su doesn't believe it, just wait and see."

She turned around and walked away with her high heels twisting her waist. Su Nan's eyes deepened slightly, and she raised her eyebrows. , the fish bit the hook.

Before the afternoon, Yu Lou's internal call came in, "Director Zhang Ming asked you to come to his office."

An old man who is about to retire?

Su Nan raised her eyebrows, "Okay."

In the company, apart from Su Jin and Yu Lou, no one else knew her identity, but she wanted to see, what did Zhang Ming talk about with her new high-ranking vice president?

Zhang Ming likes to speculate the most. He used a special method to become a member of the board of directors, and he never let go. Because he didn't hold a lot of shares, he didn't threaten the group, so he just let him go.

Knocking on the door, a tired voice came from inside, "Come in."

Su Nan went in with a smile, "Zhang Dong, do you have something to do with me?"

Zhang Ming saw her eyes light up, and suddenly thought of something, and the regret instantly dimmed. go down.

"Come on, sit down." He pointed to the seat in front of him.

Su Nan is also welcome.

Zhang Ming smiled and coughed, "Miss Su is so beautiful, no wonder Su Jin can push you to sit in this position."

Su Nan's smile deepened, it turned out that she was jealous of Su Jin behind her?

She didn't explain, just looked at him with a smile.

Zhang Ming saw that she was not picking up, and snorted coldly, "Your position was originally reserved for Lin Shuang, do you know?" To

frighten her?

Su Nan paused, "Manager Lin is excellent, but I'm more suitable."

Zhang Ming's face sank instantly, "Young people are arrogant and arrogant in the workplace, so they will suffer." He threaten.

Su Nan smiled and stood up, "Then I can only prove myself with my ability. If there is nothing else, Director Zhang, I will leave."

"Su Nan," Zhang Ming was a little anxious, with a dissatisfied expression on his face. , ordered her directly, "Add Lin Shuang's name to the project team of the Juli Group."

Su Nan's smile widened, it really was him, Lin Shuang's backer, is such a bad old man?

Thought she would be frightened by a bad old man?

It's too funny.

Zhang Ming saw her but smiled without saying a word, his face was ugly, "Did you hear?"

"I heard," Zhang Ming's face softened, Su Nan continued, "But I can't do this."

"What did you say?"

"It's unfair to others."

"Su Nan, do you think everything will be all right with Su Jin? Believe it or not..." Zhang Ming threatened eagerly.

"Fire me? I don't believe that the board of directors will fire me because of a Lin Shuang. I think when Manager Lin came to complain, he must not have told you what I had. Please tell Manager Lin, don't mess with me."

She He glanced coldly at the shocked Zhang Ming, then stood up and walked out without hesitation.

As soon as she left here, she called Su Jin's private number.

"What's the matter, Xiao Si?"

"This Zhang Ming has a problem. Lin Shuang belongs to him. It must have been Zhang Ming's attitude when he stopped cooperating with the Juli Group."

Su Jin smiled in admiration. Very fast."

"You already knew?"

"The directors of the company have different opinions, how could I not know?"

Su Nan breathed a sigh of relief, "Then I am relieved."

"That old fox is not easy, I will deal with it, you Concentrate on following up on Juli's cooperation, by the way, I heard that Fu Yechuan plans to take charge of this cooperation in person." Su Jin gave her a vaccination in advance.

...
