Chapter Four Hundred and Ninety-One The Fake Play Is Really Doing

Fu Yechuan's eyes flashed with joy for a moment.

Then, he sighed, "Forget it, how can I let you do it yourself?"

Wu Tutu said, taking retreat as advance!

He is so flexible and flexible!

Su Nan frowned and simply put the ice cube on his forehead.

"Such a simple matter, it's nothing, just bear with it and wait until the doctor arrives."

Fu Yechuan's face stiffened slightly.

"It's over?"

Su Nan nodded, "It's over, I didn't touch you."

He just said, he doesn't like others touching him!

Fu Yechuan slowly closed his eyes and was speechless.

The next second, Su Nan's phone suddenly rang.

Fu Yechuan glanced out of the corner of his eye and saw the name displayed above.

Shang Qian.

His heart skipped a beat.

"It's so late, what can he do to you?"

When he said this, his teeth were so sour that he could fall out. The vinegar smell was so strong that he couldn't hide it!

Jealous, angry, want to kill!

Su Nan casually pursed her lips, "Business."

She didn't intend to explain anything, it was unnecessary.

After speaking, she stood up and planned to go outside to answer the phone.

Fu Yechuan watched her stand up and leave.

The flames in his eyes were bright and dark.

He was mad with jealousy!

Subconsciously, he didn't make a sound and stood at the door eavesdropping!

Su Nan picked it up, it turned out to be a call from little Mike.

"Beautiful sister, I haven't seen you for a few hours, and people miss you. Do you miss me?"

"I do, I miss you very much..."

She lowered her voice gently, but let him The man behind the door looked even more grim and hurt.

...

hanging up the phone, she pushed open the door and went in, and saw Fu Yechuan standing there, the silk shirt was a little messy at this time, rich black, which made his complexion as fair as jade, but it was abnormal pale.

A strong chill and sadness shrouded the man's body. The two emotions were intertwined, and anger mixed with pain in his eyes.

Su Nan was stunned, frowning: "You..."

Fu Yechuan took the lead, looking at Su Nan tightly with Mo Se eyes, and asked her, "You and him are just for business, right?"

He The voice was extremely forbidding.

I was trying my best to control my emotions.

As soon as the words came out, the corners of his eyes turned red.

Expecting to hear her answer, but afraid to hear her answer.

Su Nan was silent for a few seconds, slowing down the suddenly accelerated heartbeat, but the next second, she suddenly realized something!

Fu Yechuan was actually standing here!

Didn't his leg recover?

Didn't he fall from the upstairs and his old illness relapsed?

Wasn't he in a coma because of a fever?

Erha, who ran to the balcony next to him, kept biting his crutches and playing, unaware of the abnormality between the two.

The trace of unbearableness in Su Nan's heart disappeared, but he felt ridiculous and angry.

Fu Yechuan lied again and again!

She raised her eyes and looked at him lightly.

There was a casual indifference in her tone: "Who said it was a show, we are planning to do a fake show for real!"

She looked at the man's pupils shrank suddenly, and her eyes suddenly turned red.

She was indifferent.

Glancing at his intact legs, the anger in my heart was really uncontrollable.

"Okay, don't disturb my appointment, I'm leaving."

Su Nan gritted his teeth, turned around coldly, and was about to leave.

Staying for one more second, she was afraid that she would be unable to control herself, and she really crippled him.

But before he walked out of the door, Fu Yechuan stepped forward in two steps, stopped her, held her shoulders, and leaned her against the wall.

The curvature of the corners of his lips bent down unconsciously. He was obviously anxious and sad, but he gently stroked Su Nan's hair like he was comforting an anxious kitten.

"Don't go, Su Nan, I was wrong, I still have a fever, I'm still sick, you can't leave me alone."

His gentle tone could drown people, even with some coaxing, but the red corners of his eyes were red. The bloodshot, and the slight trembling in his hands, betrayed his restless heart.

...

Chapter Four Hundred and Ninety-Two To Help Her Fun

Fu Yechuan was terrified!

He was afraid of losing her forever!

He told himself not to be angry, even if Su Nan really chose Shang Qian, it didn't matter.

He has 10,000 ways to imprison her in his own life forever.

Su Nan silently pushed him away. She was much stronger than Fu Yechuan, who pretended to be sick, and sneered, "Then you can rest easy, the doctor will be here soon." After

she finished speaking, she turned around.

When I went downstairs, I happened to meet Wu Tutu and the doctor. They didn't seem to be in high spirits and were not in a hurry.

If Su Nan didn't notice that Fu Yechuan was feigning illness, she might not understand.

Chang Li followed behind with a serious expression.

Seeing Su Nan coming downstairs, Wu Tutu hurried up to meet him.

"Miss Su, what do you want, I'll get it for you, why don't you come down in person?"

It would be great to accompany Fu Yechuan more!

Su Nan rolled his eyes at him, his eyes were cold, without a trace of warmth.

She didn't answer, looked at Chang Li, "Let's go."

"Yes."

Wu Tutu was stunned for a second, and the next second, he saw Fu Yechuan hurriedly chasing after him. I didn't even take the crutches, I understood in an instant!

Mr. Fu's hiding is really deep enough!

Even he didn't know, when did President Fu's leg recover?

But Fu Yechuan hadn't noticed his abnormality yet.

Su Nan and the others took a quick step and left Jingyuan.

Fu Yechuan stood there lost, facing Wu Tutu and the doctor, and when he raised his eyes again, his eyes were calm.

"She's not happy."

No wonder she was happy! Wu Tutu thought.

The doctor stood there in confusion, "Mr. Fu, do I still want to..."

Fu Yechuan glanced at him, "No." After the doctor heard it, he went back the same way.

Wu Tutu stood there, feeling the chill left by the atmosphere, and did not dare to act rashly.

No way, both of them are too strong.

"Mr. Fu, why don't you go up and have a rest?"

He tricked Su Nan, but Fu Yechuan screwed it up himself, so I can't blame him.

Su Nan was unhappy, could it be that she wanted to kill herself to help her?

As far as he knew, Fu Yechuan was able to do this!

There was movement from Erha upstairs, it bit the cane mischievously, trying to drag it to its own nest, and moved from the upstairs to the next step.

When Fu Yechuan heard the movement, his eyes swept over with gloomy eyes.

Looking at the crutch, his eyes froze for a moment, and then sank.

He suddenly understood why Su Nan's attitude changed so quickly.

Looking at his legs again, he hid it for so long, just to make Su Nan feel guilty all the time, but it was exposed when he was unconscious?

The chest is really depressed!

He cursed secretly, and then hated himself for not being able to live up to his expectations, why did the leg recover so quickly?

Now that he is catching up, Su Nan is definitely still angry and will never forgive him.

Although she was angry that she might have gone to meet with Shang Qian, but it was him who was at fault and could not act rashly.

I can only slowly look for opportunities in the future to make this matter come round!

...a

few days later.

Su Nan and Su Yifeng are fishing at home.

Qin Yu happily ran over to say hello, "Hello Uncle Su, Su Nan, in order to celebrate my release, I decided to invite everyone to have a drunken break!"

Su Nan rolled her eyes at her and glanced at Su Yifeng.

That means let her put it away!

Su Yifeng looked at Qin Yu with a smile, "Little Qin, you have celebrated three or four times this month, each time with a different person, amazing girl!"

...

Chapter 493 His stand-in

Qin Yu knew he was making fun of her and was not angry, and happily pulled Su Nan: "I am creating opportunities for Su Nan to let her see more outsiders. If there are people, they will not be easily coaxed away!"

Su Yifeng felt that it was very reasonable.

Su Nan reluctantly went to see Qin Yu.

"I have an appointment with a partner for dinner in the evening, so you can celebrate by yourself!"

Su Nan was really overwhelmed when faced with such a celebration, and it was nothing more than all kinds of eating, drinking, and having fun, which she had become accustomed to.

Might as well go talk to a partner about business.

Qin Yu simply walked to her side and sat down, and said in a low voice, "This time is different, we have prepared a surprise event for you, and famous male models at home and abroad are here, all of which are styles you like, so it doesn't matter. I have to take a look!"

Su Nan glanced at her speechlessly, a famous male model at home and abroad?

Qin Yu is not sad about her own business, but is extremely happy about this kind of thing. I really don't know what to say?

Su Yifeng on the side stared at the water, like focusing on the fish in the water.

"Little Si, what's the point of going to eat with them? Just let your brother go. Go and play with Xiao Qin, play for a while, don't rush back!"

Su Nan: "..."

She doubted, Su Yifeng overheard Qin Yu's words!

Qin Yu pulled Su Nan excitedly and left, "Don't worry, Uncle Su, we must be back early."

Su Yifeng waved behind him, "No, no."

The housekeeper and servant on the side: "..."

"Heard" bar.

Inside the box.

Su Nan and Qin Yu went in one after the other, Ning Zhiliao and Cheng Yi sat on both sides of the sofa, holding mobile phones and keeping the water from the well.

There were many male models standing in front of him. Su Nan saw that some of them were still popular models, and they were very famous at home and abroad. They all sat there obediently and had a leisurely conversation.

Su Nan felt countless fiery gazes, and really regretted it.

But Qin Yu didn't give her a chance to escape, and pushed her in directly.

Su Nan was wearing a black slim-fit long skirt, which perfectly outlined the slender bumps of the whole body. The makeup was also exquisite. In this case, it was not abrupt, but it was completely different from the usual cold feeling.

Ningzhi waved to her happily, looking blurred and a little drunk.

Su Nan walked over and sat down, "Are you drinking too much?"

She smiled lazily, "Where is this?"

Ningzhi approached mysteriously, "I prepared a gift for you, it's your favorite style! "

Speaking, she beckoned to the person in the corner, the tall figure of the man was sitting there, the silhouette of the whole person was cold and lonely.

Su Nan was shocked for a moment when he saw it, "Fu..."

Fu Yechuan?

But that person turned around, his eyebrows and eyes were much gentler than Fu Yechuan's, and there was no cold calculation of Fu Yechuan in his eyes.

But his facial features are seven points similar to Fu Yechuan.

It seemed that he was more like a relative of Fu Yechuan than his own nephew, Fu Yanni.

Seeing Su Nan's surprised look, Qin Yu and Ning Zhi couldn't wait to call the man over.

"He has nothing to do with Fu Yechuan. His name is Xu Teng, a model who debuted abroad. I met him when I was holding a show abroad. When I saw that you would like it, I brought him back!"

Ning Zhi looked at his gift with a smile.

This gift of myself is really thoughtful!

When the man approached, his whole body was clean, and his facial features also had innate advantages, but he did not have the dignity and power of Fu Yechuan.

He glanced at Su Nan cautiously.

"Miss Su, I'm Xu Teng."

Su Nan twitched the corners of his mouth, smiled copingly, and looked at Ning Zhi sideways.

"Don't you know that I hate that person? How dare you send someone who looks like this?"

...

Chapter 494 The Rich Woman's Secret

Qin Yu patted her on the shoulder.

"If you hate it, you will torture Xu Teng, and you will die.

If you like it, you will be obsessed with Xu Teng, and you will be mad at the Lord. No matter what you look at, you will not suffer!"

Su Nan smiled calmly, "You can Really my good sister!"

"Of course!" The two of them said in unison.

Cheng Yi, who was beside him, snorted coldly, "Don't do a proper job!"

Su Nan's eyes lit up, and she happily leaned forward.

"Cheng Ershao, what are your thoughts?"

For example, talk about business?

Cheng Yi smiled lazily and swiped with his phone.

"I still have 800 kilograms of potatoes that haven't been sold, do you want to help?"

Su Nan: "..."

Ning Zhi snorted coldly, "Cheng Ershao just wanted me to Do you think it's appropriate to help him sell agricultural products to customers in foreign fashion shows?"

Cheng Yi glared at her dissatisfiedly, "What's inappropriate, people in the fashion industry don't eat, drink and lasa..."

Su Nan sighed and sat there alone, she had nothing to say to these wonderful friends.

She couldn't ignore the person who looked exactly like Fu Yechuan sitting beside him. Although it wasn't him, the aura was suppressing her, and even her breathing became tense.

Maybe a sequelae.

After sitting for a while, Su Nan decided to go out to take a breath.

Who would have thought that there were so many reporters with camera equipment blocked at the door!

Su Nan's face changed slightly, and the people inside also observed it. Ning Zhi was completely drunk and stood in front of Su Nan.

"What are you doing?"

"Mr. Ning, we are reporters. We got news that famous models at home and abroad are planning to come to Z country for development. You are here to talk. We want to ask how the talks are going?"

"Yes, who is there? Agree to come to Z country for development?"

"Do you want to sign all these?"

"Su Nansu is not always there, will she also participate in this matter?"

"Miss Su come out and say a few words?"

"Is it just a simple meal?"

...

a reporter's voice was particularly obvious.

Then there was silence.

The faces of the people in the house were different, and they had different thoughts.

Su Nan thought about it lightly, and knew that today's meal might have been calculated by someone.

Su Nan, Ning Zhi, Cheng Yi and Qin Yu, no matter who brings it up, they are always the subject of eloquence in the eyes of others.

If there is a model here who wants to be popular too much and betrays the party, then the hot topic will come out. In the online world, everyone is in danger.

Maybe it's the confusing life of the rich second generation, or maybe it's the unknown secret of the rich women...

No matter which one, it will have a big impact on the family's business!

Speechless.

Su Nan glanced at the male models sitting inside. They had different expressions and couldn't tell who did it.

Qin Yu was obviously a little flustered and hid beside Cheng Yi.

Cheng Yi was even more flustered. He couldn't help his family, and he kept asking for trouble again and again. He just wanted to be a simple and conscientious rich second generation!

But the reporters at the door have no tendency to give up at all.

They were so curious about this kind of party.

Is it the career of idols, or the carnival of rich women?

Tomorrow's title depends on their response.

Ning Zhiliu stood at the door with no tendency to give way, and his face was already ugly.

"This is a commercial secret and will not be disclosed to the public. You can look forward to the official press conference!"

Ning Zhi took out his mobile phone and planned to call the person in charge of the bar and ask him to bring a bodyguard to solve it.

I don't know where these reporters came from.

"Then we want to interview the people inside, let everyone come out and meet..."

"Yeah, please come out..."

...

...

Chapter 495 Entering the Su family

Chapter 495 The

reporters who joined the Su family didn't want to return without success.

Su Nan took a deep breath, opened the door, and smiled politely and politely.

“Everyone, in fact, this matter is only a preliminary contact. We plan to do a talent show. The invited guests are famous models at home and abroad, but it is still in the stage of confidentiality. Please forgive us for not revealing too many details.”

Ning Zhi A definite sigh of relief.

Su Nan has been in the shopping mall for so many years, and he has the ability to convince people with one mouth. It is not as simple as just two sentences.

When the reporters saw Su Nan speak, they swarmed up.

“Ms. Su, which of the models here is your favorite?”

Su Nan paused and smiled lightly, “Everyone.”

Everyone laughed, knowing that Su Nan couldn’t afford to offend him, and if they continued to pester him, maybe They will all lose their jobs.

Everyone was not too embarrassed, “Then we can look forward to the new show!” They dispersed one

after another, and both Ning Zhiliao and Su Nan breathed a sigh of relief.

Then in the next second, Su Nan’s face sank, and Ning Zhi looked at each other, and Ning Zhi nodded.

She knew what to do next.

...

the end.

Cheng Yi and Qin Yu relaxed without risk.

They are different from Su Nan and Ning Zhi, they don’t have the confidence to be independent from the background.

Everyone left, Qin Yu hugged her arm in a daze, “Next time, change the venue, these reporters are too annoying!”

Su Nan twitched the corners of his mouth, “You really don’t have a long memory!”

Qin Yu was cold With a snort, he didn’t take this little episode to heart at all.

Ning Zhi found someone to send Qin Yu and Cheng Yi back, then called the models’ agents one by one and told them to keep their mouths shut.

She will find out the person who wants to be popular today.

When the cold wind hit, Su Nan wrapped her clothes tightly as soon as she went out.

Su Nan was the last to leave in a low-key manner. Before getting into the car, she suddenly heard someone calling her.

“Miss Su...”

Su Nan turned back subconsciously, suddenly shocked, and then calmed down.

“Xu Teng?”

Looking at that face, she really couldn't be indifferent.

It was no different from looking at Fu Yechuan.

Xu Teng stepped forward, opened the door for her caringly, blocked the roof of the car, and smiled, “Nice to meet you, and the journey is smooth.”

Su Nan smiled, “Thank you.”

After that, she got into the car and said a word. Not much to say.

No one noticed that in the dark room upstairs opposite, the flash suddenly flashed.

...

in the meantime.

Fu Yechuan was having a party with a few brothers. He was so sad that everyone couldn't stand it anymore.

“Old Master, Su Nan's temper, or you can give up!” One of the young masters suggested.

Fu Yechuan's face was cold and he glanced at him.

“Impossible.”

Lu Qi walked over with a glass of wine, “No, why did our Erha offend you? Why did I look at it limping?”

Fu Yechuan drank his glass indifferently. , oh, he didn't want to mention that stupid dog!

If it weren't for it biting its crutches to play, it wouldn't have forgotten that I still have crutches!

Bad thing for him!

If he took another look, he was afraid that he couldn't help but kill it!

Another gentleman with a lot of love history couldn't help but suggest:

"Old Master, I think you might as well be cruel, let it dry, and women will cherish it.

If you rush like this, people will only think you are cheap!"

Lu Qi Nodding in agreement.

"Yes, just keep your aloof temperament. Do you know what the circles have said about you recently? You can't wait to join their Su family!"

This is really insulting!

Fu Yechuan narrowed his eyes, narrowed his eyes, and squeezed the wine glass tightly.

Oh, dare to arrange him behind his back?

How bold!

Lu Qi patted him on the shoulder: "Don't worry, we will help you with Shang Qian."

Fu Yechuan snorted coldly and didn't care.

In Shang Qian's position, Lu Qi and the others are too tender.

Chapter 496 Who has a problem

What an ordinary and progressive day!

Before Su Nan opened her eyes, she received a urging call from Qin Yu.

Don't think about it, she is the only one who called her at this time!

Then, her voice was hoarse and lazy.

“Hello?”

Qin Yu hurriedly said, “Su Nan, something happened, and you’re on the hot search again!”

Su Nan opened her eyes and instantly woke up.

“Last night I thought everyone was gone, why didn’t Xu Teng leave? He still said goodbye to you?”

Everyone thought it was of Fu Yechuan in that photo and thought you two got back together, but Fu Yechuan’s friend sent a photo to deny it. Later, Xu Teng was picked up.”

Su Nan’s heart sank slightly.

She knew very well what Xu Teng meant to the public.

It means that her past emotional experience has been put in front of everyone once again, and it has once again become the talk of everyone after dinner!

And Xu Teng’s face will become everyone’s target, a substitute? Or a new favorite?

She could have imagined the next intense popularity.

“I suspect that Xu Teng found someone to do this. What should I do? Su Nan, if I had known, I wouldn’t have brought him back to China!”

Qin Yu said in remorse, with some remorse and guilt in her tone.

“Forget it, I know you are kind, and now I’ll contact Du Yan to find a way to suppress it. Don’t think too much, but you should tell Zhili that the other people who went up last night must be steady. I really want to get a talent show out.”

Even if he died prematurely, it didn’t matter.

There must be at least a trace.

“Okay, I’ll go right now.”

Qin Yu understood what she meant and hurriedly hung up the phone.

Su Nan glanced at the Internet, and roughly understood what stage it has developed.

“It’s really similar

to Fu Yechuan , Su Nan found a substitute, it’s really pitiful!” “However, Fu Yechuan was so humble to ask for a reconciliation before . Su Nan would rather have a substitute than him. Who is the problem?”

“After all She is the eldest lady of the Su Group, and whoever you want

is a matter of words, your idols must work hard!” “Su Nan’s private life is also very problematic, maybe it’s the superiority of a rich woman, I feel sorry for Fu Yechuan for a minute...”

“Always support Su Nan, if you have the skills, you can find a substitute!”

“Come on Yu Fei!”

“Come on Qin Ming!”

“Come on Fu Yanni!”

....

Su Nan silent off the network, to Du Yan phone.

This Du Yan is probably as thrilling as she is.

After answering the phone, Du Yan said, “Mr. Su, the withdrawal has already started, don’t worry, but you have to be prepared, our withdrawal is too obvious, netizens will be very sensitive to the privilege of capital, this time may not be It will be as simple as before.

If there is no movement from Fu Yechuan at the beginning, it will be fine, and it will be over in two days. Who knows that his friend sent a photo to refute, are you two breaking up?”

Su Nan was silent for a while. Seconds, after passing the question behind him, he commanded in a calm tone:

“Don’t withdraw, let someone sign that Xu Teng, my popularity is not something that everyone can rub, he dares to rub, doesn’t he just want to be popular? Instead of letting others To make money, it’s better to make money yourself!”

Du Yan clicked, he had long wanted to do this, but he didn’t dare to mention it!

Now that Su Nan proposed it himself, of course he couldn’t ask for it.

“Okay, I’ll contact his agent now.”

“Mr. Du, you’re welcome, take the stage for filming and singing training, arrange for him, and let him enjoy it while he’s hot.”

Du Yan understood in an instant . Su Nan’s meaning.

It’s just the heat at this moment. After that, Xu Teng will be abandoned and refrigerated.

Oh, sure enough, not everyone can rub Su Nan’s popularity.

“Don’t worry, I will squeeze the last drop of oil out of him!”

Du Yan said rudely.

...

Chapter 497: Betray Su Nan

Chapter 497 Betrayed Su Nan

and hung up the phone, Su Nan went to work in the company as usual.

Jingyuan.

As soon as Wu Tutu saw the hot search, he was so frightened that he couldn’t sleep anymore.

Especially when I saw Fu Yechuan’s friend’s rebuttal, I felt very finished.

This is not a friend, it is a bad friend!

What a great opportunity to protect Miss Su, I can’t wait for it normally!

However, if the person who sent Miss Su to the car, if he didn’t look carefully, he really thought that Fu Yechuan was himself...

He didn’t dare to delay any longer, and went upstairs to knock on the door tremblingly.

Fu Yechuan wanted to drink alcohol to relieve his worries. He opened the door full of anger and stared at Wu Tutu with dark and cold eyes: “Speak!”

Wu Tutu took out his mobile phone, “Mr. Fu, can you see for yourself?”

One minute. ....Two minutes...Five minutes passed, Fu Yechuan’s face became more and more ugly!

He himself, the main lord, has not yet been in the position, and the substitute has already taken the lead?

All the voices on the Internet are sympathizing with him!

Where is sympathy, this is watching his good show!

Heart sour and angry.

The next second, the phone fell to the ground and was torn apart.

Wu Tutu looked at the wreckage of the mobile phone with distress, it was quite expensive!

But he didn't dare to say anything, "Mr. Fu, do we want to do something?"

Fu Yechuan's eyes were red with anger, "Go, remove the hot search, I don't want to see a single one."

Wu Tutu With a bang, he went downstairs and called Chen Mian immediately. He was more experienced in doing such a thing.

Fu Yechuan went back to his room, holding his cell phone, when Lu Qi happened to be calling.

"Old Fu, I'm telling you something, don't be angry!"

"Who is that person who is meddling on the Internet?" Fu Yechuan asked.

"You know?" Lu Qi screamed badly.

He knew too much about Fu Yechuan's feelings for Su Nan.

That friend "kindly" cleaned up Fu Yechuan's behalf, but in doing so, he pushed Su Nan into an embarrassing situation. It looked like Fu Yechuan wanted to protect himself and betrayed Su Nan.

How could Fu Yechuan endure such a thing?

So as soon as he saw this, he came to talk for him.

Who knows, it's still a step too late!

"Speak!"

His voice was cold, without a trace of warmth, with a threatening chill.

Lu Qi pursed his lips, "It's Zhang Yu from the Zhang family."

Even if he didn't say it, Fu Yechuan would find out.

Fu Yechuan hung up the phone and called Chen Mian directly, with a clear mind in his mind, "The cooperation of the Zhang family has been cut off, and the decision will be announced now."

Chen Mian was stunned for a moment, "Yes, Mr. Fu."

Such a big thing, It was so sudden.

Mostly, it has something to do with what happened last night.

Fu Yechuan calmly rubbed the corners of his mouth, his eyes were filled with common but hidden sternness.

soon.

The situation on the Internet has changed dramatically.

Du Yan made a statement on the official account:

Xu Teng is a newly signed artist from Huaying Entertainment and is going to debut in a talent show in China. Su Nan is one of the investors. It was a complete accident that he met with Su Nan yesterday.

In just a few words, Su Nan was clear.

And there were a lot of people present at the time, no need to explain.

Gradually, the popularity changed, and everyone became less obsessed with the stand-in issue. There was no response from the Fu Group, and the discussion was not so strong.

It's just that everyone's attitude towards Xu Teng's debut was a little weird, and they began to curse the popularity of the entertainment company.

It's all about the money!

Everyone doesn't know that Huaying Entertainment is Su's company, so they point the finger at the unscrupulous media.

Du Yan was sitting in the office with a toothache so annoying, just scold him, anyway, he has earned the money!

Su Nan never responded formally from the beginning to the end, as if he didn't take this trivial matter to heart at all.

The discussion that had been gradually annihilated was suddenly quarreled again before get off work.

The reason is that Fu Yechuan actually swallowed Zhang Yujia's company!

...

Chapter four hundred and ninety-eight dating alone

Chapter 498

What happened on the same day as a date alone, it's hard not to connect the two things.

After further investigation, everyone found that Zhang Yu's trumpet was the one who released the photos to whitewash Fu Yechuan.

But it is useless for everyone to guess. The Fu Group annexed a small business, and the various procedures and procedures were formal and comprehensive, and there were no omissions.

It's just that many people in the circle feel that Fu Yechuan's methods are too cruel and heartless.

There are many complaints about his style.

People just posted a photo, and he pushed people to a dead end in order to vent his anger?

But no way, who can resist Fu Yechuan's fury?

This stick is a lesson!

Things finally passed gradually, and the name Xu Teng also entered the public's field of vision. Although the first impression he left on everyone was not very good, there were also many people cheering for his domineering president's face.

Du Yan also brought his value into full play, one event after another, and live streaming in his spare time...

Juli Group.

Regular meetings of the project are important and require the presence of all parties.

When Su Nan arrived, Ringo, Fu Yechuan and Shang Qian were already there in the conference room.

Seeing her coming, everyone's eyes were calm, as if they didn't know that she was a frequent visitor during this time.

Not only intentionally or unintentionally, Fu Yechuan and Shang Qian sat opposite each other, with a seat beside each.

Su Nan glanced at it, without expression or thought, and sat directly next to Shang Qian.

Ringo glanced meaningfully at Fu Yechuan.

Shang Qian gently held the meeting materials for her, "Miss Su, we should congratulate, Mr. Fu's legs have recovered."

In a word, Fu Yechuan's mood just as he was about to muster up the courage to speak, completely sank, and he looked at Shang Qian indifferently.

Did he do it on purpose?

Ringo: "Yes, yes..."

Fu Yechuan: "..."

Su Nan quietly hooked his lips, his eyes full of indifference and sarcasm.

"Then congratulations to President Fu."

This dead liar!

When the expression on Fu Yechuan's face was about to stop, he could only nod his head lightly, "Thank you."

Shang Qian: "Actually, I recently received news that many foreign people interested in artificial intelligence want to invest in this project. It involves everyone's interests, but the conditions are different."

Ringo: "If a large amount of funds are injected, the scale of the entire project will inevitably be pushed to an impressive level, but if the progress is not smooth, the outcome will be devastating. , it will be more difficult to start over.

For the consideration of protecting core technology, I don't agree."

Fu Yechuan hooked his lips, "Isn't it because the stall is so big that people are jealous, and others want to squeeze us out of the game? Even if we want to. Injecting capital requires consideration of all aspects, not to mention, we have not yet reached this stage."

Shang Qian nodded, agreeing with his words.

Su Nan raised her eyebrows, even more so.

During the entire meeting, Su Nan and Shang Qian had been interacting a lot, and they were very tacit, and they could understand what the other party wanted to say with just one look.

Fu Yechuan was left out in the cold, and his heart was sour.

As soon as the meeting ended, Shang Qian leaned over, looked at Su Nan in a gentle tone and said,

"Mr. Su, let's have dinner together, is there anything you want to eat?"

Before Su Nan could speak, Ringo took the lead: "Me too. go with."

Fu Yechuan: "I'll go too."

Su Nan: "Oh, then you go, I have something else to do."

There was a momentary solidification in the air.

Su Nan took the things slowly and left.

Ringo noticed something was wrong with the atmosphere and looked at Shang Qian.

"Mr. Shang, you could invite us just now, but only Miss Su. What a misunderstanding. Those who didn't know thought you wanted to date her alone..."

Shang Qian smiled lightly, staring at Fu Yechuan .

"I do think so."

Chapter 499 Knowing nothing

Ringo can't laugh anymore.

He fully understood where the faint smell of gunpowder in this atmosphere came from.

Fu Yechuan's eyes met Shang Qian's gaze coldly, arrogant and deep, without flinching.

"It seems that some people don't have self-knowledge."

"Not even President Fu, should I have one?"

This was a formal confrontation.

Shang Qian smiled, then turned and left.

Fu Yechuan sneered, his smile was arrogant and a little cruel, but with a hint of powerlessness.

It's really cold in the air.

Downstairs of the Giant Group.

Su Nan stood in front of the huge floor-to-ceiling window with his mobile phone on the phone, looking relaxed, holding his jacket in one hand, looking out the window, with a faint smile on the corner of his mouth, as if he was a little proud.

Seeing Shang Qian approaching, Su Nan hung up the phone, "Mr. Shang, is there anything else?"

Shang Qian put his hands in his pockets and looked at her with a smile: "The most important thing now is to invite Miss Su to dinner.

" times.

Not good to refuse.

Su Nan paused and smiled, "Okay, I should invite you."

She refused just now because she didn't want to be at the same table with Fu Yechuan, but now she doesn't have him, so of course she has no concerns.

The two got into the same car and were clearly seen by Fu Yechuan upstairs.

The chill that enveloped him grew stronger.

The unhappiness in Fu Yechuan's heart was expressed on his face, and his chest was even more blocked!

Ringo coughed, "Don't be sad, walking together doesn't mean anything."

He could only persuade him dryly.

If I knew today, why was it in the first place?

The private restaurant is not open to the public, and only regular customers go there.

The location is a villa in the suburbs, the environment and taste are all good.

Su Nan also followed Qin Yu and the others several times and needed to make an appointment in advance.

Maybe it was because the business was too good. When they came, they also met a lot of acquaintances.

Lu Qi and Wei Cheng are actually there?

She had nothing to do with them, so she didn't need to greet them, she went directly to a quiet place and sat down.

Shang Qian handed her a tissue to wipe her hands with a gentle smile, "I always feel that Miss Su is uncomfortable because of what I said last time?"

"Well, a little bit."

Su Nan is very direct and does not need to hide.

It would be strange to be indifferent.

Shang Qian smiled, "It's my fault, the method is too abrupt, but it's very effective."

Su Nan: "I don't want to waste time on emotional matters. I appreciate your kindness, Mr. Shang."

"Miss Su, Can I ask, why do you reject me so outright, do you have any dissatisfaction with me?"

Shang Qian's smile is easy to relax, sincere and sincere.

Su Nan frowned, "No, but President Shang, if it's a marriage, it's really appropriate, but...the value that marriage can create, I can do it myself."

Shang Qian instantly understood Su Nan's intentions. It means that if they marry for profit, there is no temptation for her.

She is not someone who betrays herself for profit.

If it wasn't for profit, there seemed to be no feelings between them.

There was silence in the air for a moment, Shang Qian's eyes were gentle, he rubbed his temples, and his tone was apologetic.

His voice was low.

"It's me who didn't think carefully, but I didn't find Miss Su for marriage.

What if I said it for selfishness?

I've admired you for a long time."

Su Nan poured tea with her eyes lowered, and when she heard the last sentence, The wrist trembled slightly.

The fragrance of the tea overflowed, and a few drops splashed out, reflecting the bright color of the soup, as if the scorching sun was coming towards her alone.

The throbbing of her heart at that moment made her shudder slightly.

But soon, she regained her composure, and her voice was a little colder than before.

"Except for official business, we don't know each other well. It should be said that we don't know anything. How long has it been for President Shang?"

Chapter 500 You are not welcome

to lie about nonsense, Su Nan is not a person who can be coaxed into confusion with a few words.

Shang Qian met her gaze openly: "It's been less than a year, but every day after I know you, I'm secretly glad that you're alone. Su Nan, let me introduce myself, my name is Shang Qian, who was widowed three years ago. , and a son."

He lowered his eyes and smiled, with a little self-deprecation in his eyes, "It sounds like the conditions are very poor, but I have a lot of money, I don't know the specific amount, if you need to know, I will let someone Statistics, but it may take a little longer, after all, some industries I can't remember very well, and..."

He paused, his face became serious, and there was a light in his warm eyes.

“Mike is the son of my deceased brother. Due to religious beliefs and traditions, I can only marry his mother so that the other’s family agrees with her to give birth to Mike.”

Su Nan froze, she suddenly didn’t know what to say.

Just now, his self-deprecation made her a little helpless.

But this secret made her feel extremely heavy.

This secret, maybe no one knows, was he said frankly?

She felt sorry for Mike, and her mood was extraordinarily complicated.

Shang Qian: “I’m telling you this, because it’s my biggest secret. Don’t be burdened. I planned to tell Mike when he became sensible.”

Su Nan pursed her lips. She seemed to have touched Shang Qian’s sadness. .

“Sorry, I didn’t want to explore your secrets.”

She knew, but couldn’t be happy.

Shang Qian seems to be revealing everything about himself, with full sincerity.

But what about her?

She doesn’t seem to have the enthusiasm to start a relationship at all...

Shang Qian’s smile was gentle and humble, “Well, I want you to know me a little more, and I don’t want you to think that I am a

person who is jealous.”

Su Nan’s state gradually relaxed.

After a while, Su Nan went to the bathroom.

Not far away, Lu Qi and Wei Cheng have been staring at their movements. The atmosphere of the two is harmonious, handsome and beautiful, and they seem

to be a perfect match.

Lu Qi looked at the phone, there was no information prompt, and he was dying of anxiety.

The news was sent to Fu Yechuan, why didn’t he respond at all?

Is it on the way to kill with a knife now?

Without waiting so much, Lu Qi and Wei Cheng walked over to Shang Qian before Su Nan returned.

“President Shang?”

Shang Qian raised his eyebrows, looked at the two strangers in front of him, and nodded calmly.

“President Shang, I’m Lu Qi from the Lu Group. This is Wei Cheng from the Wei Group. It’s a pleasure to meet you.”

Lu Qi always felt that although Shang Qian maintained a modest and decent smile, there was something in him. It feels too similar to Fu Yechuan

.

It’s just that Fu Yechuan is more intense and obvious, and this feeling in Shang Qian seems to be deliberately hidden.

Lu Qi was subconsciously alert, but thinking about Fu Yechuan’s feelings, he was going crazy. As a brother, how could he help out!

“Hello.”

Lu Qi sat beside him rudely, pretending to be puzzled: “If I read it right, it was Su Nan, Miss Su who was sitting here just now?”

Shang Qian smiled deeply and nodded. .

Lu Qi couldn’t wait to speak: “Does Miss Su have a good relationship with you? Yes, Miss Su has a good relationship with everyone, such as Qin Ming, Yu Fei, and some fresh meat from the entertainment industry... ..”

Wei Cheng nodded in agreement, “Yes, she and that Qin Ming are definitely not easy.”

Shang Qian’s eyes flashed, and the smile on the corner of his mouth deepened.

“What are President Lu and President Wei trying to say?”

Lu Qi sighed, “You just returned to China, don’t think that Su Nan is nice to you because we like you, we are afraid of your emotional injury, so we remind you, Su Nan really The person they like is actually Fu Yechuan.

When they were not divorced, Su Nan liked how humble and enthusiastic it was. This is true love. The two are now at odds, but there will always be a day for reconciliation. Look at her recently I found Xu Teng, isn't that the substitute that Su Nan was looking for?"
