Chapter 501 They are so good

Shang Qian's smile froze slightly, his eyes dimmed for a moment, but in just one second, he returned to nature.

"It was President Fu who asked you to be a lobbyist?"

Lu Qi was taken aback, and immediately denied: "Of course not, we are reminding you that women are everywhere, there is no need to desperately find someone who has been divorced and has a domineering and strong personality. A woman, right?"

After Lu Qi finished speaking, he felt a cool breeze blowing across his back.

Before Wei Cheng reminded him, Su Nanbing's cold tone gradually approached from behind: "Lu

Qi, do you want to hide when no one tells you to speak ill of others?"

A frightened look flashed, and the hairs all over his body trembled.

He turned his head stiffly, his expression a bit indescribable, "Su...Su Nan."

Suddenly, his mind went blank, what did he just say?

Divorced?

Domineering and strong personality?

No, that must be all fake.

Su Nan's face was cold, and he walked over without any turbulence, and curled the corners of his lips, "The two of you know my affairs so well, don't tell one person, wouldn't it be more enjoyable to go to the media?"

Lu Qi froze for a while, no, he did not dare even ten courage!

Wei Cheng stood aside knowingly and didn't speak, but it was not as exaggerated as Lu Qi's reaction.

He had no control over Su Nan, at most he almost married the woman Xu Minghui, which was a stain.

Lu Qi was different, he was naked. The photo of Ben is still in Su Nan's hands. If this ancestor was exposed in a fit of rage, he would be embarrassed!

Now he stood up trembling all over, with a flattering and humble smile on his face, "It's just a joke, why would I spread rumors? I'm just saying hello to President Shang..."

Su Nan's eyes He swept over him coldly, and passed him to the seat opposite.

"Lu Qi, if I were on the hot search, I would definitely put you at the top."

Lu Qi was shocked, his face changed slightly, and he instantly understood the warning in Su Nan's words.

It's hard, being Fu Yechuan's brother is really hard!

"I, I, I... I was wrong!"

He didn't have the face to look up at Shang Qian's face. His old face was completely lost.

Su Nan's voice was calm and cold.

"Fu Yechuan asked you to do it?"

Lu Qi hesitated for a few seconds, "Of course..."

Of course... not!

It's just that he didn't say the last two words, he looked into Su Nan's eyes, she absolutely didn't believe it.

Why!

"Of course... yes!"

Lu Qi bit his tongue, sorry brother!

Su Nan had no expression, his eyes crossed him to the direction of the door, hooked his lips, with a coolness and sarcasm.

"Mr. Fu, did you hear? No one has wronged you. Your good brother admitted it himself."

Lu Qi was shocked, his face stiffened and he slowly turned back.

He saw Fu Yechuan standing there with a dark complexion, a gloomy chill condensed around him.

Lu Qi was like a lightning strike, but he still slashed him twice, which was extremely terrifying.

He really wanted to find a crack in the ground to get in.

Why so coincidental?

Why is remote coming at this time!

Su Nan sneered, looking at Shang Qian's gentle curved mouth, "I'm not in the mood to eat, let's go back?"

Shang Qian raised his eyebrows, "Okay." The

two went out one after the other, passing by Fu Yechuan's. At that time, Fu Yechuan's face was extremely ugly, his thin lips were tightly pursed, and his eyes were fixed on Su Nan, but unfortunately Su Nan had no expression at all.

He opened his mouth and tried to explain, but he looked pale and powerless, his fists clenched on both sides and his body tensed.

After Su Nan left.

Lu Qi bit his head and walked over, "That...Old Fu, they might be so good!"

Fu Yechuan raised his eyes and swept over coldly...

Chapter Five Hundred and Two Street Interviews

Chapter 502 The street interview with

Lu Qi knew that he was wrong, and he didn't dare to provoke him with anger, adding fuel to the fire, and he was the first to be wiped out.

Zhang Yu's lesson was right in front of him, he was really scared to death!

After all, Fu Yechuan is someone who loves women but not brothers!

He trembled as he watched Fu Yechuan leave angrily, and he didn't dare to chase after him. He was really aggrieved!

Wei Cheng coughed and patted his shoulder, "I wish us luck." I

can only beg God!

Su Nan and Shang Qian left, and the two went to a quiet restaurant nearby for a quick meal, and then they were ready to go back.

The driver had already left early, and they could only talk while walking.

One man and one woman looked extremely seductive, with equal auras, and many people looked sideways, envy to death.

When passing by A University, the youthful atmosphere inevitably infected many people.

A group of men and women not far away seemed to be shooting short videos of street interviews, and many students were looking forward to being interviewed.

Su Nan and Shang Qian didn't intend to break into their camera, but they were captured by the interviewer very keenly. The appearance of this pair is simply amazing!

"Wait, classmate..."

Su Nan and Shang Qian didn't realize until the two female classmates who were interviewing stood in front of them. Did the phrase "classmate" call them both?

Su Nan couldn't help being elated, and looked at them with crooked eyes, very gentle.

"What's the matter?"

"Well, we have a question here and want to interview passers-by right away. Can you take a minute to interview us?"

The female classmate looked at Shang Qian with sparkling eyes, peach blossoms in her eyes, her excitement was beyond words, but Shang Qian's indifference made them realize that they were not polite.

When they looked at Su Nan, they were even more excited. She looked about the same age as them, but she was well-dressed and had a gentle temperament. The point was, she was too beautiful!

This girl looks so familiar, which star does she look like?

But they couldn't remember for a while...

But the eyes that looked at them were serious and sincere. The smile and tenderness in their eyes were like murmur of gentle water, without the slightest hostility and dissatisfaction.

In an instant, everyone's attention shifted from Shang Qian to Su Nan.

“Is it okay?”

the female classmate asked her expectantly, blushing, “Although we don’t have many fans, we won’t edit it for you, and won’t make you black..”

Su Nan heard this, He smiled and said, “Okay, one minute..”

It’s good that there are not many fans. There are many short video bloggers on the Internet. Dozens of bloggers with hundreds of fans are nothing... ..

She was also convinced that they did not recognize that she was Su Nan.

The female classmate nodded excitedly, looked at Shang Qian, and had some scruples: “Your boyfriend can avoid it.”

Shang Qian immediately replied: “No need to avoid it, I don’t mind.”

Su Nan raised her eyebrows, not wanting to explain more.

Female classmate: “Then may I ask, in your previous relationship, what made you decide to give up?”

Su Nan’s eyes narrowed for a moment, and then smiled, no wonder the people around her avoided it?

Kind of embarrassing indeed.

But it’s not embarrassing to her, after all, she and Shang Qian are not real boyfriend and girlfriend.

Su Nan thought for a while, and casually brushed the broken hair beside his ears, the diamond earrings sparkling dazzlingly.

When she raised her hand, she also revealed her watch and diamond bracelet worth tens of millions.

“I’m so rich, why do I find a scumbag?”

She casually said nonsense in an understatement.

The real situation, the disappointment again and again, she no longer needs to vent.

Female classmate: “...”

Yes, everyone can see that she is rich!

...

Chapter 503 Do I Have to Pity You?

Chapter 503 Do I Have to Pity You?

Su Nan and Shang Qian left with a smile in the eyes of everyone's envy and hatred.

It seems that the sentence just now was just a casual remark, but it clearly fits their identities and dresses.

Stood interviewed female students showing envious eyes, can look to the camera:

"! You fans and friends, the little sister's reply was remodeling Three Views, I hope you have waved goodbye to the former emboldened"

successful Finish.

Su Nan received a call to go back to the company, and Shang Qian sent it to the door of the company.

"See you next time."

Su Nan nodded, thinking of something, hesitating slightly.

"Mr. Shang, what Lu Qi said was not a lie."

She seemed to want to take this opportunity to make him retreat.

Shang Qian smiled calmly, "Those who only stare at the past are the saddest. Miss Su doesn't seem to trust me, so I'm a little sad."

Su Nan raised her eyebrows, and the phone rang again to urge her. Shang Qian said hello and went in.

"What's the matter?"

Yu Lou's voice came over the phone.

"Mr. Su, Hong Jingyan from the Hong Group has brought Hong Yihuan here."

Su Nan robbed them of a list in order to teach the Hong Group a lesson. In addition, she had close contacts with the Hong Group's nemesis, the Shen Group. Naturally, the Group will not sit idly by.

They will definitely come to her, but I didn't expect to be so restless.

Meeting room.

When Su Nan arrived, Hong Jingyan and Hong Yihuan had been waiting for nearly two hours.

Hong Yihuan has been sitting tremblingly on the side, not daring to speak more, looking a little cramped.

But Hong Jingyan was a famous lady who had seen the big scene after all, sitting there staring fiercely at Hong Yihuan.

“You’re a troublemaker, you don’t have the ability to seduce men, and you shouldn’t have provoked people. You’ve cost us tens of millions, and you have to let me wipe your ass. I’ll tell you, if you want this list If you can’t win it back for me, get out of the Hong family...”

After speaking, Hong Jingyan squeezed Hong Yihuan’s arm fiercely, gnashing his teeth, the more he looked at it, the more disgusting he became.

Her birth was destined to be unpopular.

Hong Yihuan’s mother who was the third child wanted to be in the position, and wanted to use the child in her womb to drive out Hong Ye’s original wife.

In the end, I didn’t expect that Hong was just playing around with Xiao San, causing a lot of farce, making the original partner angry, losing his job and losing face, and returning to his hometown to have a child. In the end, he was still a girl, and Hong was even more indifferent.

The first wife is the daughter of the right family, and the mistress is the female secretary who sleeps in the upper position. As a businessman, you can still tell which one is more important.

Hong Yihuan didn’t dare to speak any more, her face turned red, tears welling in her eyes, she bowed her head and endured Hong Jingyan’s insults and torture.

If Su Nan hadn’t snatched that big order, perhaps Hong Ye and Hong Jingyan wouldn’t be so angry...

Su Nan at the door raised his eyebrows when he heard these words, while Yu Lou shrugged and said: I’ve gotten used to it for two hours.

He pushed open the door for Su Nan, and Su Nan walked in with great strides.

Yu Lou reminded intimately, “Miss Hong, it’s been a long wait...” Both

Hong Jingyan and Hong Yihuan were stunned.

Hong Jingyan immediately changed his face, put on a pleasing smile, stood up and shook hands with Su Nan.

“Mr. Su, I’ve admired it for a long time, you are as beautiful as the legend...”

Su Nan smiled, “Thank you, Miss Hong, what’s the matter here?”

She was not in the mood to greet them.

Hong Jingyan froze for a moment, then turned to smile kindly and naturally.

She pulled Hong Yihuan abruptly, “We told her to work hard and learn from President Su, but this woman still caused you a lot of trouble when she was working in the Su family. My father found out about it and was furious. They’re all hospitalized.

He asked me to bring her to apologize to you.”

Hong Yihuan looked timid, and couldn’t shed tears. The poor man seemed to be greatly wronged.

“I’m sorry, Mr. Su, it’s all my fault.” It

seems that you have to pity her, otherwise it will be the viciousness of the whole world...

...

Chapter five hundred and four kneel down and apologize

Chapter 504 Kneeling down to apologize

Su Nan glanced at her, curled the corners of her lips, and smiled with indifference.

“I believe you all know what she did, so my counterattack is justified, and there is no need to apologize, you should understand?”

Hong Yihuan raised his head suddenly, with incredible shock and coldness in his eyes.

She didn’t expect Su Nan’s reaction to be so indifferent.

Hong Jingyan choked, turned around in front of Su Nan, and slapped Hong Yihuan, hot, as if to vent his anger on Su Nan.

“Look at what you’ve done, Miss Su is so angry that you want to expose it with an apology?”

An obvious slap print appeared on Hong Yihuan’s face. She bit her lip forbearance, lowered her eyes, and dared not fight back.

Su Nan frowned, she didn’t expect that Hong Jingyan would dare to do it in front of her?

Hong Jingyan couldn’t help but twisted Hong Yihuan’s arm fiercely and kicked her calf, “Kneel down and apologize to Miss Su!”

Wen Yan said.

Su Nan was taken aback.

Even Hong Yihuan froze for a moment.

“Come on, what are you hesitating about? You did something wrong, why do you feel wronged?”

Hong Jingyan urged unrelentingly.

Anyway, as long as the goal can be achieved, it’s no big deal if Hong Yihuan suffers a little insult to make Su Nan vent his anger.

Hong Yihuan hesitated for a few seconds, and really planned to bend his knees, but the next second, Su Nan stood up impatiently and planned to leave here.

“Miss Hong wants to teach her sister a lesson. The Su Group is not a good place. Since there is nothing to do, please do it...”

Hong Jingyan froze and hurried over to stop it.

“Mr. Su, wait a minute, I just want you to let out your breath, nothing else...”

She was secretly shocked, she used to beat and scold her useless sister in her sister group, everyone Applaud and watch the show.

Why does Su Nan look dissatisfied at all?

“Actually, I came this time with my father’s request to talk to you about cooperation.”

Hong Jingyan said sternly.

Su Nan paused, his face calm: “Then let’s make a long story short.”

Hong Jingyan breathed a sigh of relief, returned to his position, brushed his hair, and smiled dignifiedly.

“My father said that the first time I saw Mr. Su at the wine bureau in Sanya, I wanted to cooperate with you. Unfortunately, I didn’t have much contact with you at the time, so I couldn’t settle down immediately, and I felt very sorry.”

Su Nan grinned . The smile didn’t reach the bottom of his eyes, “It’s a pity.”

Hong Yihuan on the side was left out in the cold, and he didn’t know whether to stand or sit, but no one cared.

“So, I came here this time to initially determine the cooperation goals with you. Our Hong Group also has a certain scale in the west. The cooperation between the two of us is really good.”

Hong Jingyan heard Hong also talk about it for a long time. , Su Nan wants to cooperate.

She thought that she would throw an olive branch, and Su Nan would catch it very wisely, but she said that until now, Su Nan has no extra expression.

“So, I think Su Group’s artificial intelligence series products and jewelry can make our Hong Group exclusive in the west. I think this is more guaranteed than retail profits.”

Su Nan smiled lightly, “Indeed, but The Shen Group in the west also proposed to me the intention of cooperation. The same exclusive guarantee, his plan is very mature. When the board of directors passes next week, I think it can be basically confirmed. Then cooperate with your Hong Group. I can only express regret.”

Hong Jingyan’s expression changed slightly.

She was clearly panicked.

It turned out that it was not a rumor. The Shen Group, the sworn enemy of the Hong Group, had already taken advantage of it!

“No—”

Hong Yihuan, who was beside him, said suddenly in shock.

...

Chapter 505 is your fault

Chapter 505 is your fault

Su Nan looked sideways.

Hong Yihuan knew that he had lost his way, and quickly looked at Hong Jingyan.

Hong Jingyan didn't have time to take care of her:

“How can the scale and financial resources of the Shen Corporation be compared with our Hong Corporation? Mr. Su, you can't be fooled...”

Hong Jingyan is very clear that the reason why the Hong Corporation can occupy a stable position On the one hand, it is because of the support of the Fu Group.

Therefore, even if the Shen Group has made rapid progress in recent years, they are still in a stable position.

The partner selected by the Fu Group will not be allowed to be subservient.

If they cooperate with the Su Group, they will go even higher and completely leave the Shen Group behind!

However, if Su Nan cooperates with the Shen Group, then Shen's nemesis will soon be on an equal footing with them, and even threaten their power.

Harm and no benefit!

Su Nan smiled indifferently: “We can see the sincerity of Shen's family. As for whether to cooperate or not, we need further discussion. If Miss Hong is interested, she can come up with a plan to compete with the Shen's Group. “

Although he politely placed them in the same position, Su Nan's words were all in favor of the Shen Group.

But in Hong Jingyan's view, this is the chance Su Nan left behind.

She couldn't think about it too much, she just wanted to tell Hong Ye the bad news.

After finding an excuse, Hong Jingyan left, Hong Yihuan hesitated for a few seconds and followed.

Su Nan was about to leave when he saw Hong Yihuan returning.

She raised her eyebrows, and Hong Yihuan said hesitantly and humbly:

“President Su, I really know I'm wrong, can I ask you to raise your hand and let go of the list that was snatched from the Hong Group?”

She thought that if this list could not be recovered, she would either be tortured to death by Hong Jingyan, or she would return to that bleak life. She did not want to be one of the ordinary working girls.

Su Nan's eyes were dark, and his smile was clear and cold.

"Miss Hong, I thought you knew that your apology is worthless at all. I don't need to accept it, and I don't care at all.

The so-called cooperation is the maximization of interests and interests. I don't need to grab it at all..."

Too much wants to cooperate with Su, but suffers from people who don't have the opportunity and channel...

Hong Yihuan bowed his head in embarrassment, looking like he said something wrong and cautiously .

Very pitiful.

"I'm sorry, but as you can see, I have no status at all in the Hong family. I lost such a big list because of my reasons. They will kick me out. Hong Jingyan won't let me go... ."

She looked at Su Nan, bit her lower lip, and summoned up her courage:

"You wanted to give me a chance to get close to President Fu. You sympathized with me, didn't you?"

She looked at Su Nan with tears in her eyes. .

Su Nan was indifferent and unmoved, she would not be moved by her poor life experience, especially after she had harmed herself, that little sympathy disappeared!

How big of a mind she is, does everyone who has had a worse life than her have to ask her to help?

Extremely impatient.

Su Nan raised her eyebrows coldly, and a coldness appeared in those beautiful eyes.

"Well, it's okay if you want me to break the contract..."

Hong Yihuan looked at her excitedly, with uncontrollable excitement on his face.

Su Nan: "Three times the breach of contract and all the losses of the Su Group are all from the Hong Group. I can immediately give up this order, how about it?" For a

moment, Hong Yihuan was stunned as if struck by lightning.

She opened her mouth, as if there was no sound.

Su Nan continued: "The amount of cooperation is 300 million. I will never give you this money because of ridiculous sympathy, right?"

You can tell Chairman Hong or Miss Hong Jingyan, I will be waiting for you at any time.

"She is leaving.

Hong Yihuan cried in despair, "This money is nothing to you, why do you have to pay for it? It's clearly you who grabbed the order first, it's your fault..."

voice of Hong Yihuan's voice fell before and after the attack.

Su Nan stopped, his face was surprisingly calm, but with indifference and nobility that rejected people thousands of miles away.

She turned her head and looked at Hong Yihuan's eyes, as if she was watching a neuropathy.

Even if this person has no quality, he has no brains?

Yu Lou heard the movement and was worried about what the woman would do to Su Nan, so he opened the door first.

Su Nan's tone was extremely cold, with contempt in her smile:

"My fault?"

Hong Yihuan timidly sobbed and looked at her.

Su Nan was very disgusted with her sloppy attitude.

"Miss Hong, if being rich is also a mistake, then it would be great for me to sin. If I don't get out, I will let the Hong family lose a few more partners, do you believe it?"

Her voice was very nice, but what she said , but it was cold without a trace of temperature.

A trace of panic and fear finally flashed across Hong Yihuan's eyes. Even Hong Ye and Hong Jingyan couldn't handle her tricks. How could she fool Su Nan?

Yu Lou took a step forward, "Mr. Su, the executive president of the European region has temporarily requested to have a video conference with you, do you agree?"

Su Nan responded and immediately turned and left.

Yu Lou glanced at Hong Yihuan, and tacitly approached the security guard and invited Hong Yihuan out.

Su Nan's threat was still in his ears, Hong Yihuan didn't dare to stay any longer, and left the Su Group in despair.

For a few days, the Hong Group began to contact the Su Group closely, and Su Nan dealt with it in a calm manner, and did not give a too enthusiastic response.

Qin Ming's birthday is here.

Fu Yanni planned to hold a birthday party for him and invited several friends, including Su Nan.

When we arrived at the club we had made an appointment with, many people were already singing and dancing lively.

Su Nan greeted the people who came. Everyone was in the same circle. Even if they were familiar or unfamiliar, they would not be cold.

Qin Ming came over and was obviously very happy to see Su Nan.

The people around blew a whistle and boomed.

Su Nan silently turned the car key in his hand, then threw it to Qin Ming, "birthday gift."

Qin Ming raised his eyebrows, took a look, raised his eyebrows and smiled.

"Wouldn't it be better to just give me 10 million?" On

his birthday, she gave a luxury car, and the generosity completely matched her character.

Don't be too stingy with men!

“It’s not sincere to send money!”

Qin Ming was about to say something when he saw Su Nan glanced at him, and his face froze when he arrived in one direction.

“Heh, why do you invite everyone?”

She actually saw Fu Yechuan at Qin Ming’s birthday party?

Qin Ming helped his forehead helplessly, “Fu Yan invited Mr. Ni...”

He was still speechless!

It was because of this that he came to remind her that Fu Yechuan was also here.

Su Nan snorted coldly, knowing this, she would have asked Yu Lou to deliver the gift...
She

was disgusted with this, she saw that Fu Yechuan also saw her, and walked towards her without hesitation. come over.

Su Nan subconsciously took Qin Ming’s arm and asked him to block her.

As a result, when his hand was empty, Fu Yanni came out and dragged Qin Ming away.

“Xiao Mingming, a few friends over there came to sing you a birthday song on purpose. Let’s walk around and save face...”

Qin Ming was pulled hard, and Fu Yanni gave Su Nan a wink, “Su Su , take care of yourself...”

Su Nan glared at him angrily, this bastard Fu Yanni is simply a scourge!

She turned around angrily, can’t she walk by herself?

As a result, “Fu Yechuan” came towards her...

She was shocked for a moment, and then realized that it was Xu Teng!

Secretly relieved.

Xu Teng wore a suit and leather shoes, and at that moment, he really looked like Fu Yechuan.

It’s a pity that his temperament is feminine and silent, and Fu Yechuan’s gestures are all his dignity and sharpness.

That kind of awe-inspiring aura can't be imitated...

...

Chapter 507: I'm on her side

Chapter 507 Approached her

Su Nan was stunned for a moment, Xu Teng had stepped forward quickly, as if he had come for her specially.

His smile was deliberately trained, and that angle was especially similar.

Every time I look at him, Su Nan has a very strange feeling.

Fu Yechuan would never be able to laugh so hypocritically and politely.

"Miss Xu, it's nice to meet you..."

Su Nan nodded with a calm expression.

With so many people, she doesn't want to be the queen of topics.

Xu Teng hesitated for a second and said, "I want to apologize to you for the hot search last time. In fact, that photo... was taken by a reporter friend I asked."

Su Nan raised an eyebrow, She already knew this.

What did he say this for?

Seeing that she was not surprised, Xu Teng's heart sank slightly, so he could only bite the bullet and continue: "I'm sorry for causing you trouble."

Su Nan hooked his lips: "Mr. Xu has tens of thousands of fans. You can't just say something, let's not set it as an example."

She was also worried that Xu Teng would be gone so quickly, wouldn't it be a waste of the company's publicity and planning costs?

No, absolutely not, it must be done within three months!

Xu Teng didn't expect Su Nan's reaction to be this, he couldn't hold back any longer, and carefully explored Su Nan's face.

"Aren't you... angry?"

Su Nan smiled “kindly”, “It’s understandable and understandable.”

Anyway, the more popular he is, the more money he makes.

Xu Teng’s calm heart instantly relaxed.

Originally, he was worried that Su Nan would be angry when he found out about this, but he thought it would be better for him to tell her than to find out.

It’s completely different from the inhuman and cold Su Nan in the legend!

He thought, maybe it’s his face that looks too much like that person.

Therefore, he has special privileges.

Xu Teng took a step forward with a smile. Maybe he has met a lot of people in the entertainment industry these days. Even his smile is not so cold and arrogant.

He heard rumors that since Yu Fei got on the line of Su Nan, the journey has been smooth and smooth. It is a matter of words to ask for any resources. Who doesn’t envy in the circle?

“Miss Su, I’ve just entered this circle, and I’m not familiar with my life. I still need your guidance in the future.” The

implication was that he wanted to find Su Nan as a backer.

Even if it is directed at his face, he is willing to be a substitute!

“That’s natural.”

Su Nan resolutely interrupted.

Xu Teng’s smile deepened, Su Nan agreed to take care of him?

So many people’s faces, naturally let everyone know.

He tentatively reached for her hand, but Su Nan immediately took a step back before he touched her, his eyes cold and alert.

“Stay away from me.”

Xu Teng froze.

Su Nan turned around and walked away, but before two steps, she turned around and walked towards him.

Oh, there is the main lord behind her, Fu Yechuan!

For a moment, Xu Teng froze in place, stiffly not knowing how to react.

Su Nan took his arm expressionlessly, but his voice was extremely gentle.

“Mr. Xu, follow me, of course I won’t treat you badly!”

At this moment, she suddenly felt like a scumbag!

Xu Teng was excited and scared.

The whole person stood there struggling, unable to move his legs.

He could feel the powerful aura of the man behind him, and it was simply not something that could be replaced by a face.

It seems to be a chill on the verge of death, which is breathtaking!

“Release!” The

man behind him had a very cold tone, a bit colder than the abyss that counted nine cold days. The threat and the chill invaded his heart together.

Xu Teng clearly knew that listening to Su Nan was the best choice at this time.

But his body didn’t obey at all.

The moment he heard those two words, he pulled out and took a few steps back.

Run away from the incident.

That speed, that reaction...

Even Su Nan couldn’t help but be surprised.

...

Chapter Five Hundred and Eighth I Compensate You

Chapter Five Hundred and Eighth I Compensate You

Immediately after, Fu Yechuan’s footsteps approached.

“Go away—”

A light and fluttering word, like a mountain invisibly, pressed on top of his head, without any resistance.

Xu Teng was very sensible and did not continue to resist, his face was pale, and he ran away with a wobbly footstep... The

rich woman can turn back and coax, but President Fu can't offend for a moment!

Su Nan didn't care about Xu Teng's departure, and didn't expect a woman to have any backbone, but he didn't expect him to run so fast?

She casually brushed her hair, turned her head, and looked at Fu Yechuan expressionlessly.

"Scared my people away, Mr. Fu, are you really good at it?"

Fu Yechuan's eyes were deep and dark, and there were some emotions hidden in his pupils.

She couldn't see clearly and didn't want to explore.

It's just that she looked at the corners of his eyes, and the corners of his eyes were red, only the corners of his lips were white and morbidly pale, showing that his temperament was not that tough.

"I'll pay you."

His voice was low and hoarse.

"What?"

She didn't understand.

Fu Yechuan stepped forward and stood in front of her condescendingly.

She could clearly see the red blood at the corners of his eyes, and there was a strong heaviness and sadness brewing in it.

"I can pay you, I can pay you."

She was willing to accept a substitute who looked like him.

Why just refuse to accept him?

Seeing the lowly ingratiating and calculating of the substitute, he was so disgusting that he even wanted to kick it open.

But he couldn't help wanting to see if she would be so tolerant of a stand-in who was so similar to him?

Sure enough, she will.

She can tolerate someone who looks a lot like him around, taunting or joking, as long as it's not him.

At that moment, he suddenly felt sad and pitiful!

The despair of the sky swept over him, as if in a dark place without light, he looked at her with dazzling light, but he could never touch her.

Until that damn double dared to approach her, the greed and desire in his eyes stared at her and blasphemed her...

He couldn't bear it!

Su Nan sneered softly, icy and cold, and raised his eyes, "I can't afford you."

That voice was pleasant without a trace of warmth.

Fu Yechuan's face was tense, and he tried his best to control his emotions.

But he couldn't help revealing the broken mood in his eyes.

Su Nan continued to stab him in the heart: "Liar, doesn't it feel good that Mr. Fu is playing around with others?"

She pressed step by step.

Fu Yechuan frowned, his dark eyes seemed to have finally compromised.

"I'm sorry."

Su Nan gave him a silent look.

Fu Yechuan raised his eyes, the guilt in his eyes was mixed with countless selfish thoughts, he told her all:

"When I came back from Sanya, my legs had already recovered, I didn't tell you because I didn't want to lose the chance to get close to you

. I wish my legs would never get better, so that I can see you all the time."

Su Nan frowned: Heh...

Fu Ye Chuanmo for a while: "Also, I did not instruct the supplier Qian Qi Lu to speak out of turn before, his own self-assertion, also betrayed me, and I will not let him."

His voice was terribly cold, bring this One thing, just get angry.

He keeps saying that he is his good brother, but pulls him back anytime and anywhere?

Can't stand it!

Su Nan hooked the corner of his lips and sneered.

Since that incident, Lu Qi has sent her some small composition messages from time to time, just to "clean up" Fu Yechuan!

She never replied.

Do you want to take back the spilled water?

Thought she would believe it?

"Mr. Fu, what's the use of talking about this now?"

Su Nan was speechless. If she hadn't discovered that his legs had returned to normal, how long would he have to pretend?

Chapter five hundred and ninth let him take the blame

Chapter 509 Let him take the blame and

Fu Yechuan looked at her darkly, with a guilty conscience and guilt.

He has regretted it.

But how to make up for it?

Su Nan didn't want to see him again, so he walked directly past him. Anyway, he didn't have to hide. Let's play for a while before leaving.

Fu Yechuan watched her leave like a stranger, and their relationship seemed to return to when they had just divorced.

That icy cold feeling can make people's hearts freeze hard.

But he finally managed to gradually restore the normal relationship, how can he watch the regression?

Fu Yechuan took a few steps forward, trying to catch up, but a man ran behind him, with a panicked expression on his face.

“Old Fu, listen to my explanation, why don’t you answer my call?”

It was Lu Qi.

Since the last incident, Fu Yechuan didn’t say a word and directly blocked this person.

Get ready to die!

It’s not so easy for Lu Qi to wait to die obediently. He didn’t wait for Fu Yechuan to acquire his own company, which shows that he still leaves room for himself.

This brother is really worthless, he is different from that Zhang Yu!

They are good brothers!

No matter what is going on in the circle, Lu Qi joins in the fun. He is worried that Fu Yechuan has blocked him. He has no chance to meet. As soon as he hears that Fu Yechuan is coming to Qin Ming’s birthday party, he immediately runs over.

I didn’t care so much about chasing women back then!

For a moment when Fu Yechuan lost his mind, Su Nan disappeared.

He gambled in his heart, and glanced coldly at Lu Qi, who was chasing after him.

It’s really not pleasing to the eye!

You are too kind to him!

Lu Qi was dressed in a suave and suave style, dressed like a son and brother, and was casual, completely different from Fu Yechuan’s style.

He leaned forward with a smile, “Old Fu, did you block me because of your slippery hand?” What

a perfect excuse he made!

Fu Yechuan: “Go away...”

Lu Qi paused, gritted his teeth, and continued to insist: "I have explained to Su Nan, I really didn't mean it, when she asked that, I was really worried. Afraid, you know, she has a photo of my streaking in her hand!" In the

last sentence, he secretly lowered his voice.

Fu Yechuan frowned, his eyes were irritable and cold, "So, what you did, let me take the blame?"

Lu Qi pursed his lips and was silent for a few seconds, "I also went to divide the relationship between Shang Qian and her for you, although it didn't work. , and dragged you into the water, but..."

His voice was getting lower and lower.

I really can't think of anything to do with it?

Fu Yechuan simply didn't want to listen to him anymore, it was really annoying!

Standing on the balcony, Su Nan was blowing the air. At a glance, she saw the various conditions inside. She swayed the wine glass with her slender and beautiful fingers. The extremely beautiful movement made the people next to her slightly startled.

Qin Ming then smiled and followed her gaze.

"I'm so sorry, but I didn't expect Fu Yanni to invite friends who you don't want to see."

Su Nan raised his eyebrows indifferently, "On your birthday, just be happy."

What's more, even without Fu Yanni, with Fu Yechuan's ability , where he goes is unimpeded.

After talking to Qin Ming for a while, suddenly a waiter came over to Su Nan with a large bouquet of delicate roses.

Like being seen on purpose.

It really caught the attention of a lot of people.

Su Nan's mouth froze, standing there silently.

The waiter struggled to reveal a face from a large bouquet of roses, and handed her a card from the flower.

"Miss Su, someone asked me to hand it over to you."

Su Nan took the card without embarrassing him.

glanced.

It reads: "Dear Miss Su, can I invite you to dinner? I'll wait for you downstairs. Xu Teng."

Su Nan took a look at the signature, yes, it was Xu Teng who just fled.

...

Chapter 510: The respected rich woman

Xu Teng dares to kill him?

Haha...

Su Nan thought for a while and directly sent Du Yan a WeChat message: "Xu Teng has no work arrangements tonight?"

After a few seconds, Du Yan replied directly: "He played a supporting role in Director Zhang's film, today Shooting all night."

Su Nan knew.

Let someone dispose of the flowers, then say hello to Qin Ming and leave.

Fu Yanni saw that the thread that he had worked so hard to pull for Fu Yechuan was gone, and hurried over.

"Susu, you've been drinking. How dangerous is it to go back? Can I have someone take you off?" Su Nan

refused while walking: "No need.

"

He glanced at him, "Ni Ni, your show is not very popular recently, and you don't see that you are short of money, why is the Fu family suddenly being generous to you?"

Fu Yanni's face changed slightly, he knew in an instant that Su Nan saw him Reconciled with Fu Yechuan!

too difficult!

Being despised by the woman he once liked was also extremely disappointing.

But...money is more important!

“My second uncle isn’t too bad, he’s still kind-hearted, as long as you get in touch with it...”

Su Nan paused and looked sideways at him.

“Sorry, I don’t want this opportunity.”

Fu Yanni: “...”

Su Nan pressed the elevator directly and went downstairs.

A low-key used nanny van sits quietly by the side of the road.

As soon as she appeared, the nanny car opened immediately, and Xu Teng went downstairs and waved at her excitedly.

“Miss Su...”

...

Upstairs.

Fu Yechuan stood at the balcony connection of the elevator and saw Su Nan getting into the car through the window.

I also saw that man, that damn Xu Teng.

His face became even more ugly.

Lu Qi comforted him by the side: “Old Fu, this person is incomparable to you at all, don’t be angry, it must be Su Nan who was angry with you on purpose.”

Fu Yechuan’s voice was cold, with a condensing chill.

“Where did this person come from, go back to where he came from, or he will completely disappear in front of my eyes!”

Lu Qi paused.

“Not good, I heard that this person signed Du Yan’s Huaying Entertainment. Thanks to your popularity, he has recently received a lot of fans. That’s... Su Qi’s company.” The

implication , Su Qi's company, Su Nan also has a share!

Fu Yechuan's eyes sank, and his chest became even more uncomfortable.

Can't move, still have to endure?

He fucked softly.

Too tormented!

Su Nan got into the car. There was a shrewd driver and a thin assistant in the car. Seeing Su Nan, he was very respectful.

Xu Teng smiled very happily, as if Su Nan could come, it really meant that he was very important.

"Miss Su, what would you like to eat?"

Su Nan raised his eyebrows, "Don't you have any work arrangements tonight ?" Before

Xu Teng spoke, Su Nan continued: "Let's go and see where you were filming, I haven't yet. Going to the filming location..."

For a moment, Xu Teng jumped up in his heart, but he didn't show it too clearly on his face.

"Okay..."

If the director and the producer see Su Nan walking with him, is there any need to explain who he is?

In the future, it's not about what he wants. Even the supporting roles he shoots may be directly cut into the protagonists.

The small students in the circle will become popular step by step only when there are several rich women and big men in the circle, and he only needs to please Su Nan alone, it is simply a pie in the sky!

"As long as Miss Su likes it, we can go anywhere!"

Xu Teng's face, which resembled Fu Yechuan, couldn't help but look ingratiating and flirting...

disgusting!

Su Nan was stunned for a while, thinking that if Fu Yechuan saw this scene, he would like to punch him to death.

That's how wonderful it is.

She turned her head away speechlessly, not wanting to look anymore.

Xu Teng didn't notice Su Nan's mood at all, and happily immersed himself in his dream of becoming popular overnight...
