Chapter Five Hundred and Fifty One You Can Get

Out Su Nan was surprised for a moment when he saw him standing at the door.

There was an extra navy blue gift box in his hand, and an extra stain.

In his slender and clean hands, it seemed a little out of place.

His eyes were scarlet.

Hand over the box and humbly.

“I picked it up, don't reject me, okay?”

His voice was hoarse and sweet in his throat.

I feel like I'm going crazy, and for her, he can even give up his own face.

Turning things out of the trash can?

But if he just walked away, he believed that he and Su Nan would not even hope to meet in the future.

Su Nan was silent for a few seconds without moving.

He remained in that position, not moving.

After a long time, Su Nan smiled and took the things from his hand.

Take the s out and put them on the table beside them, and throw the box on the ground.

She glanced at him and said, “You can get out.”

Fu Yechuan looked at her and took a step forward: “I'm sorry.”

He was too impulsive, so he lost control.

They are not married yet, even if they are, he will take her back!

The emotions in his brows and eyes were complicated, and the arrogance of facing outsiders disappeared in front of her.

Su Nan squinted and raised his eyebrows, "Is there anything else I want to say?"

"Change that condition, let's remarry!"

His eyes were still scarlet, and he didn't need to think about anything else. His only purpose was: Marry, with her!

After a few seconds, she smiled.

What's the difference?

From wanting to sleep with her, to wanting to sleep with her aboveboard?

Su Nan looked at him lightly, "Do you think there is a drama?"

His fingers trembled slightly.

Does he think there is a play?

"Not so much now..."

His face was ugly, and Su Nan sneered, "Just know."

"There must be in the future!" His jaw tightened.

Su Nan glanced at him and said nothing.

Yes or no, it's not up to him.

The first time he was so humbled and embarrassed, it was all because of her.

Su Nan turned around and entered the door, closing the door.

But the door was not closed, and a hand was stuck in the crack of the door.

Fu Yechuan had a dazzling mark on his arm, and he withdrew his hand.

"Su Nan, my leg hurts..."

His voice was hoarse, with a faint prayer.

There is a trembling, uncertain humbleness in prayer.

The domineering arrogance just now seemed to be fake.

Su Nan felt like he was crushed by a blunt weapon, and felt as if he was strangled.

She was not afraid that Fu Yechuan would force her way, and she was not afraid that he would ignore, ridicule, or even belittle him.

But he would make her feel soft.

She is clear.

Eating soft and not hard is one of her weaknesses.

How his leg was injured, she knew in her heart, she couldn't ignore it.

Glancing at him, he took the phone, "I'll call Chen Mian and ask him to pick you up."

Fu Yechuan stopped her, "Chen Mian's father is hospitalized..."

He didn't lie.

Su Nan paused and gave up.

He turned to his side and let the door open, "Come in first."

Fu Yechuan limped in, and after only a few steps, cold sweat was already oozing out of his forehead.

He stood there, and Su Nan took a pair of men's slippers and threw them on the ground.

"Change shoes."

She walked in directly and looked at the notebook on the sofa. She took out the USB flash drive and waited to turn it on.

Fu Yechuan's eyes shrank for a moment, and his heart jumped.

Shit, he's guilty.

Looking at the men's slippers on the ground, he couldn't calm down.

Besides him, who else has been here?

Why are there always men's slippers here?

Does that Shang Qian come often?

He wanted to ask clearly, but when he saw Su Nan, his voice was like a sharp blade, he opened his mouth, but couldn't make a sound.

Was the lesson just now not profound enough?

It's hard to relax, and if you ask another question, you should be kicked out to sleep on the street!

After thinking about it, he took a breath.

It's all Shang Qian's fault!

The computer was turned on, the USB flash drive was inserted, and Su Nan looked at the folder.

"Classic old songs", "Lyrical old songs", "Old songs that Mr. Fu loves to listen to"...

...

Chapter 552 Living together for one night

old song?

How old is she...

She frowned, it was full of "old songs", and it was also related to Fu Yechuan.

This is not her USB drive at all.

Su Nan's face sank slightly, and his eyes glanced at Fu Yechuan behind him.

"Is this the USB flash drive I dropped?"

Fu Yechuan walked over, pretended he didn't know anything, and looked at the folder.

Especially when he saw "President Fu's favorite old song", his eyes narrowed slightly. This driver must be too careful!

"Perhaps, I was wrong."

Fu Yechuan touched his nose and said calmly.

Su Nan threw the computer aside and went to the bedroom to clean up, "You sleep on the sofa, otherwise you will sleep in the car."

"I like to sleep on the sofa."

He said quickly.

His eyes swept over the flower on the table at the door, his face sank, and he took advantage of this spare time to reply to the company's email as if nothing had happened.

Su Nan's house is a two-bedroom, but since Su Qi left, the second bedroom has been converted into a study, and only one room can sleep.

Glancing over the photo of Su Nan on the wall, his eyes flashed slightly.

I walked over, adjusted the angle and filter, took a picture, and sent it to the circle of friends.

Postscript: "Beautiful night."

Words and pictures, nothing to say, but it seems to say everything.

He also specially blocked Su Nan.

In just a few minutes, his circle of friends exploded.

Lu Qi: "Damn it, old Fu, you are progressing too fast, isn't this Su Nan's house? You two have already lived together? As for Su Nan, why didn't the real person leave the country?"

Fu Yechuan replied to his question alone: "

I

'm going to take a shower." Fu Yanni: "Hehe, there is a large group of brokenhearted people tonight..." Others: "Congratulations to Mr. Fu and Miss Su for being a match made in heaven..."

"Wow, congratulations!"

"It's a perfect match!"

...

Fu Yechuan sighed with satisfaction and leaned on the sofa.

So what if he met his parents, he was still living at Su Nan's house...

Twenty minutes later, Su Nan came out of the shower, and the large bathrobe blocked her from the air.

Fu Yechuan lowered his head and played with his mobile phone, with an inexplicable smile on the corner of his mouth.

I don't know what are you doing silly?

She took the computer and documents on the table and went back to the bedroom without saying a word.

The phone fell on the table and suddenly rang.

Fu Yechuan glanced at it, his eyelids jumped.

It was Su Yifeng who called.

Su Nan came out to get the phone again, and while answering the phone, the phone was amplified.

"You haven't slept yet, Dad?"

Fu Yechuan followed her gaze.

Su Yifeng: "Are you alone?"

"Yeah..."

Su Yifeng persuaded her earnestly: "Go drink, dance, dance, and dance at night when you have nothing to do, don't stay alone..."

Fu Yechuan pricked up his ears in surprise: "..."

This father-in-law is different from others!

"Dad has thought about it for you, Shang Qian is good, Fu Yechuan is also good, but marriage is risky, you have to think about it, you can play, don't give up the whole forest because of one tree!"

Fu Yechuan felt that he was beaten in the head, his father-in-law. Too sincere, right?

Isn't that the self-comforting mentality that only scumbags have?

How did he teach his daughter that?

Su Nan smiled, "I know, I still have to check the email, good night dad."

"Well, good night."

Su Nan closed the door, Fu Yechuan thought about it, and couldn't sit still.

He walked to the door and was about to open it.

As a result...

the door is locked.

Fu Yechuan couldn't help sneering, is this to prevent him?

553 Fu Yechuan silently returned to the sofa.

This night, I was anxious, hated and helpless, and I couldn't sleep at all.

Just before dawn, he fell asleep.

Su Nan woke up, and Qin Yu's phone woke her up.

"Does Fu Yechuan live in your house?" The moment

he came up, he asked so hilariously. Su Nan frowned

, her mind couldn't keep up with the reaction, "Yeah..."

"I'll go, you guys are really reconciled? Are you living together? Are you serious or just for fun?"

Wake up and get to the point.

"How did you know?"

"Fu Yechuan posted on the Moments, and now everyone in the circle knows that you were together last night!"

After Qin Yu finished speaking, Su Nan hung up, found Fu Yechuan's WeChat, clicked on it, and a piece of blank.

She took a deep breath and called Qin Yu back.

"Send me a screenshot of his Moments."

“No way, he blocked you? Hahaha, Mr. Fu’s behavior is too funny...”

Posting on Moments was sneaky.

Soon, Qin Yu sent it over.

After reading it, Su Nan almost fainted.

The photo in the living room is of her, the specious language, and his reply to Lu Qi, it’s hard not to make people think.

Fu Yechuan, this dog man, did it on purpose!

There are countless likes in the comments below, and none of the screenshots have been liked. Now everyone knows it.

Son of a bitch!

Su Nan ran out angrily, but the living room was empty, and there were traces of someone lying on the sofa, but no one was there.

Oh, it runs pretty fast!

She packed up and went to work.

Fortunately, Fu Yechuan’s friends are not many, not everyone in the circle has his WeChat, there are only a few, so no one bothers her.

.....

Technology companies in M country have recently become a hot topic of discussion. Their arrogant attitude towards consumers and their rude demands have aroused dissatisfaction. This matter cannot prevail in international public opinion.

A series of demonstrations by consumers forced the country to order the technology company to suspend the production of parts for the braking system and launch a series of investigations.

At the same time, sales of luxury cars using the brake system had to be suspended, but there were no plans to recall them.

Just on the cusp of this storm, the accident of the artificial intelligence car of Juli Group was also exposed in an instant, and all the spearheads pointed to the braking system produced by the technology company of M country.

Artificial intelligence is the future. In the future, human beings will need to be extremely careful when they deliver their lives to cold machines.

The lesson will be painful and unrelenting if taken lightly and perfunctory in matters of life.

The investigation process of this matter is no longer kept secret, but is unconditionally announced to the public.

Soon, an international professional department issued an investigation and research report on the artificial intelligence system, claiming that the system worked well in this accident without any failures and accidents.

Then there is no doubt that the problem lies elsewhere.

In less than a month, the technology company of M country has gone from being a sought after core technology to a liar that everyone shouts and beats.

Even though the capital of the countries behind it is strong, no one dares to stand up to defend this company in the face of the accusations of the international public.

Soon, Europe and Z country M country jointly established an investigation team, and with the full cooperation of Juli Group, the matter was finally found out.

There is indeed a small defect in the braking system of country M, but the occurrence of this defect is probable, and not every component will have problems.

This is also the reason why some car owners say there is no problem.

As soon as this incident came out, it was an uproar internationally.

Soon, the company announced the suspension of production.

The whole thing was a near miss, and there was a wave of advertisements for artificial intelligence.

When Ringo got this result, he was very satisfied. He returned to China excitedly and asked Su Nan and Fu Yechuan to make an appointment...

...

Chapter five hundred and fifty-four he was scared

Chapter 554 He was actually afraid that when

Su Nan arrived at the agreed box, Ringo had already arrived.

There are also a few familiar people, who are all heroes.

She smiled and went up to hug: "It's hard work, Mr. Lin."

Ringo smiled, Sven Junxiu's face was a little haggard, but even more excited.

"Yes, but luckily we didn't lose face to the artificial intelligence of country Z."

He is quite big, Su Nan thought.

Everyone chatted for a while, then laughed lightly.

"Let's order."

Su Nan reminded, "I'll ask today, you're welcome."

Ringo hesitated for a moment, "I should ask, I have to apologize to President Fu."

Su Nan was surprised, "What apology?"

Ringo thought about their relationship, maybe Su Nan could make peace for himself, so he told her what happened that day.

When Su Nan heard Fu Yechuan's reply, he could think of that mood.

He used to be a soldier, and even if he became a businessman, the blood in his bones is unquestionable.

No wonder Ringo cared so much.

"Mr. Su, you have to say a few words for me in a while..."

Su Nan smiled, "Of course." As

he was talking, the door of the box opened again, and Fu Yechuan followed, with no one else behind him. .

He glanced at the people in the box, paused at Su Nan's place, smiled, and patted Ringo's shoulder.

"It's been hard work all the way."

Ringo was relieved to see Fu Yechuan's attitude, "It's not hard work, Mr. Fu has arranged everything, we're just running errands."

If it wasn't for Fu Yechuan playing a big game and taking every step, how could they have won so beautifully?

At that time, if you directly pointed the finger at the technology company of M country, I am afraid that the capital behind him could wipe out the giant group.

Fu Yechuan changed his usual cold attitude and responded to everyone's greetings one by one, with the patience of a superior.

Everyone took their seats, not knowing whether it was intentional or unintentional, but only vacated the seat next to Su Nan.

Fu Yechuan sat there naturally.

A hand casually placed on the chair behind Su Nan.

Seeing this, everyone's eyes changed slightly.

Su Nan pretended not to know, flipped through the menu, and approached Ringo intimately.

"Mr. Lin, you are the hardest. Order first, right?" Ringo

: "It's not good, I should let President Fu order first."

Get a smile.

"Mr. Lin, you're welcome, you can order whatever you want."

He calmly watched Su Nan smile at Ringo, his eyes a little colder.

With Fu Yechuan's words, everyone is welcome.

Ringo ordered a few dishes and handed them to Su Nan, and Su Nan handed them directly to the others.

If the three of them ordered first, then no one else dared to exceed this highest standard, so the meal would not be interesting.

While speaking, Fu Yechuan's hand on her back suddenly touched her hair. Not only did he not move it away, but he picked up a strand and played with it.

Su Nan lifted his eyes to look at him, his expression light and expressionless.

Fu Yechuan was stared at by her, his fingertips trembled, and he subconsciously retracted his hand.

Damn, he was so scared!

The food is on, the wine is on.

Su Nan was drinking juice, and so were the other girls present.

Ringo calmly and politely said two scenes, mainly to respect Fu Ye Chuan and Su Nan.

The two of them had a nice drink.

The atmosphere finally became lively. Fu Yechuan asked the driver to prepare the car, and turned around to send people home one by one, so there was no need to worry about it.

After three rounds of drinking, Ringo took the opportunity to come to him with a glass of wine, and winked at Su Nan next to him.

Seeing this, Fu Yechuan's face became even colder...

...

Chapter 555: Is he shameless?

Chapter 555 He is shameless.

Ringo: "Mr. Fu, we have known each other for so long. I apologize for the slip of the tongue."

Fu Yechuan was silent for a few seconds, then he picked up the glass and drank it all.

Ringo smiled and winked at Su Nan.

Su Nan took advantage of the situation and coughed twice, "President Fu is not a stingy person, what does Mr. Lin care about?" During

the whole dinner, she mentioned Fu Yechuan for the first time.

Fu Yechuan answered, "Yes, it's all over."

Su Nan thought for a while, "But it also shows that Lin is always a daring person who values love and righteousness."

"Really?" Fu Yechuan's tone was cold.

Ringo was taken aback by Su Nan, and returned to his seat after saying a few words.

Fu Yechuan didn't talk to him, he was thinking about Su Nan's praise to Ringo repeatedly, and he could see the small movements between them clearly.

When did the two of them get to know each other so well?

...

Su Nan didn't look at him after a meal, but stared at Ringo.

Fu Yechuan was irritable and couldn't help drinking a few more glasses.

A young couple on the same table is still in love, and their little gestures are intimate, attracting the envy of all single dogs.

Fu Yechuan glanced at Su Nan, and watched her stare at a dish on the table, searing the prawns, without moving.

He suddenly reached out, picked up one of the chopsticks, and placed it in front of him, regardless of whether his hands would be soiled, he peeled the shrimp fluently and carefully, and carefully picked the shrimp line.

Everyone can see that it turns out that President Fu likes to eat shrimp...

But the next second, Fu Yechuan handed the peeled shrimp to Su Nan's mouth.

Everyone was stunned when they saw this scene.

Oh, it turns out that President Su likes to eat shrimp...

Su Nan looked down, stunned for a moment, then glanced at him calmly, didn't answer, let alone bite.

She smiled and leaned back in the chair, away from his hands, and the shrimp.

Ringo watched this scene, thinking about the circle of friends that Fu Yechuan had posted before, and then he understood everything.

There is no other woman in the world who can make Fu Yechuan peel shrimp!

Ringo: "So, you really got back together?"

Fu Yechuan paused.

Everyone silently waited for the answer.

Official announcement!

This is more reliable than any media source.

Su Nan smiled lightly, without a trace of warmth in his smile.

“No.”

Ringo’s congratulations reached his lips and swallowed again.

Looking at Fu Yechuan’s gloomy face, he instantly regretted why he tore this window paper.

In this situation, it is obvious that the Lang has affection and the concubine has no intention.

The most shameless is Fu Yechuan!

The others in the room wanted to pick their feet in embarrassment.

Fu Yechuan smiled suddenly, withdrew the shrimp in his hand, looked at Su Nan with dark eyes, and knocked on the chair:

“I’m working hard.” It

‘s too humble!

Everyone immediately understood the progress.

“Come on, Mr. Fu!”

“Yes, we support you!”

...

Fu Yechuan twitched the corners of his mouth and put the alcohol on his head. Looking at Su Nan’s calm appearance, he couldn’t help but feel a little pantothenic acid.

He suddenly approached her, his voice mixed with alcohol, and he whispered coaxingly.

“We can be considered to be living together for one night, are you so heartless?”
Although the

voice was small, the people next to him could still hear it clearly if he wanted to.

It’s okay if he doesn’t talk about it, but when he talks about it, Su Nan becomes angry.

How much trouble has been brought to her after that day, Fu Yechuan is simply sick!

She should have crippled his leg and thrown him on the street!

Su Nanqing tilted her head coldly, her eyes wandered. She didn't drink, but he thought she was drunk.

She gave a small chuckle, attracting attention.

"Isn't it just one night, it's just for fun, you won't be able to afford it, right?"

Chapter 556 He had to humiliate himself

Su Nan shook his cup, his fingers were slender and slender, as beautiful as the artwork on display, flawless.

Don't say that nothing happened between them, even if it did happen, she is the answer.

Didn't he want to be misunderstood?

This is how she deals with misunderstandings!

If you don't get it, you will make a lot of fanfare. How can Fu Yechuan not let go?

In the eyes of outsiders, these two are more free and easy than Su Nan.

Fu Yechuan's advantage is worthless.

When the people around heard it, they wished they hadn't heard it.

This amount of information is a bit too large.

Who dares to watch Fu Yechuan's jokes?

Ringo froze for a moment.

He was wrong, he shouldn't have asked Su Nan to make peace, he was too difficult!

These two are simply on the same page!

The food I ate at the end of this meal was not good, but fortunately, it was not cold, and the person was sent back successfully.

Ringo followed Fu Yechuan's people to make arrangements. Except for Su Nan and Fu Yechuan, everyone else in the box left.

Su Nan picked up the bag and wanted to leave.

Fu Yechuan stopped her, looked at her slender and beautiful back, restrained the restlessness in his heart, and said,

"Do you know the difference between me and Ringo?"

Su Nan: "..."

He stood up and walked over .

"He and his wife were classmates for eight years, and now he's about to have a second child."

His voice was low and hoarse, and he looked at her deeply.

Su Nan didn't understand, why should she know this?

Fu Yechuan: "I'm single, you should pay more attention to me."

There was sourness in his words, as if he had knocked over a vinegar bottle.

Su Nan pursed his lips, glanced at Fu Yechuan wordlessly, and walked away with his high heels raised.

This Fu Yechuan is really annoying and plain.

It was windy and drizzle outside.

As soon as Su Nan went out, the driver came to pick her up with an umbrella.

But in the liquor bureau, even if she doesn't drink, she will never drive.

As soon as Su Nan left, Ringo sent him back and saw Fu Yechuan still sitting there, motionless, with an extra cigarette in his hand.

He walked over and patted his shoulder.

"Mr. Fu, there is a long way to go..." After a meal, their relationship returned to normal, and they were no longer children. Who would hold grudges for a lifetime

because of a trivial matter ? Fu Yechuan took a puff of cigarette, arrogant and cold, and regained his noble and indifferent temperament. "Look at me joking?" "Don't dare." Ringo denied. "Ask you something." Ringo: "You ask." Fu Yechuan looked at his expression seriously: "Do you usually contact her privately?" Ringo's face turned pale, and he understood what Fu Yechuan meant. . Is he eating his own vinegar tonight? Ringo adjusted his glasses, "Mr. Fu, not much, you are there every time we meet." He must make it clear that Fu Yechuan can't rely on him if he can't catch up with women! Fu Yechuan was a shrewd person, and he knew at a glance that Ringo didn't lie.

Oh, then she was all to anger him this night?

Then in the second half, he has to humiliate himself!

The cigarette in his hand was snuffed out, and his fingertips turned white.

He raised his eyebrows and looked at Ringo, "Shang Qian's cooperation case, the longer it drags on, the less valuable it is, right?"

Ringo nodded, "I will urge them to speed up the progress."

Fu Yechuan stood up and patted him on the shoulder.

"No hurry, I just finished a major matter, let the scientists take a vacation and go home to relax."

Ringo: "... " The

next day, Su's house.

Su Nan lived in the apartment for two days. It was easy, but it was inconvenient. I had to find an aunt to stay there.

She ran home for dinner and hadn't seen each other for two days. Su Yifeng felt like she hadn't seen each other for a month. She kept adding vegetables to her bowl, all of which she liked.

Su Qi shook his head sourly, with Su Xiaohu lying on his lap, he touched its tiger fur with his left hand, and held a spoon with his right.

"Dad, Xiao Si is not an only daughter!"

he reminded through gritted teeth.

Su Yifeng put a piece of mango in the mango stew for him perfunctorily: "

Eat it..." Su Qi swallowed, "I'm allergic to mango..."

Su Yifeng looked at it in surprise. He, "When did you become allergic to mango?"

Su Qi: "..."

, Su Nan, smiled and changed the subject, "Third brother, aren't you going to film? Are you leaving today?"

"Bring a newcomer, this newcomer can't be brought,"

Su Nan: "I heard that your new girlfriend is also new?" The

media took a photo of him and a newcomer appearing on the screen, and it was rumored that it was his girlfriend.

Su Qi paused and glanced at Su Yifeng next to him.

He coughed, "It's broken."

Su Qi was just a tool for hype, few of those girlfriends were real, they were all to increase their popularity.

Su Nan smiled embarrassingly, "It's a good score."

Su Yifeng sneered and slapped the table heavily, "What a tough boss, a smooth girlfriend, do you think your style is a serious person?"

Su Qi didn't swallow the soup and almost choked to death.

Why doesn't he look like a decent person?

"Dad, don't you always tell Xiao Si that you can't give up the entire forest for one tree?"

Su Yi was in a hurry and wanted to slap him.

"Are you talking about people? Can you compare with your sister? If someone wants you, it's not bad, but the whole forest? Bah!"

...

Su Xiaohu wagged his tail and jumped off his legs, In order to prevent himself from being affected, he chose Su Nan's legs.

Su Qi's heart was broken.

After being scolded, he left in despair.

Su Nan was waiting for him in the car, "I'll take you to the company."

Su Qi frowned, "Aren't you going to work?"

"Big brother, give me a holiday!" As soon as

Su Qi went out, he was full of energy, and he regained the coldness of the actor like a dog.

At the door, a sweet-looking, thin female artist waved to him, very enthusiastic.

Su Qi smiled and waved.

Su Nan was surprised, "Who is she?"

Su Qi glanced at her, "My new girlfriend."

Su Nan: "..."

So, he seamlessly connected?

Du Yan didn't expect the two brothers and sisters to come together, and Su Qi sat on the sofa sloppily, watching the script lazily.

He is a drama a year, the lukewarm popularity is just right, and he can maintain a proper sense of mystery, and his position is stable.

Su Nan just wanted to follow along to watch the excitement, but when someone heard the news of her coming, she couldn't wait.

After joking for a while, Du Yan's assistant knocked on the door.

"Mr. Du, Xu Teng said that there is something important to discuss with him."

Su Nan was slightly taken aback when he heard Xu Teng's name.

I've been so busy lately that I almost forgot about him.

At the beginning, he played tricks with inquiries, but she never replied to his messages, and then gradually stopped sending them.

Thinking of Fu Yechuan's face, coupled with Xu Teng's naughty temperament, she felt hot eyes.

Just about to avoid it, but Du Yan has already nodded, and people have come in.

Well, it's too late to hide.

She rolled her eyes at Du Yan, and Du Yan felt wronged. Isn't Xu Teng's gold owner Su Nan?

Su Qi was watching a good show by the side, without saying a word, being a transparent person.

"Mr. Du, Miss Su, so you're here too?"

Xu Teng spoke in a surprised tone. Is Su Nan surprised that his acting skills have improved so quickly?

Really close to professional level!

It seems that the crew life is not in vain!

Su Nan smiled, "Xu Teng, have you received a lot of advertising endorsements recently?"

Xu Teng nodded happily, but he didn't say any embarrassing words, but his happiness overcame his sadness.

He walked over and hooked his fingers on Su Nan's sleeve.

"Yes, thanks to Miss Su's help, people miss you so much."

Although those advertising endorsements were all small commodities, they couldn't make much money, and he was half exhausted.

But it's better than nothing.

...

Chapter 558: The Gold Master's Dad Comes to the Station

Chapter 558 The father of the gold master came to the station and

Du Yan smiled and said nothing, and twitched the corners of his mouth.

Those endorsements were packaged by others who chose the rest, and the price was one price, and the profit was not much.

More importantly, Xu Teng shot such a low-cost advertisement, and if he wants to switch to higher-end ones in the future, I am afraid there will be no market.

But no one will tell him this.

Su Nan smiled, "You're welcome, you should thank Mr. Du, Mr. Du takes care of you!"

Xu Teng: "Miss Su

, why don't I invite you to dinner?"

opportunity!

Su Nan shook his head and refused, "I'm going to send Emperor Su to the crew in a while. I'm in a hurry. Next time .

"

For a role, that level has been raised all of a sudden.

Su Nan looked at Su Qi, "Yeah, it's still in the confidential stage."

Xu Teng's happy face was indescribable, "Can you arrange a role for me?"

Su Nan is his sponsor and Su Qi is Su Nan's brother.

It's all a family, so what is a role?

He didn't think his demands were excessive.

Su Qi was silent and said nothing.

Du Yan was silent, not daring to make a sound.

Su Nan: "Okay, let's come together then."

Isn't that what she said?

Xu Teng was so excited that he almost went up to hug her, but Su Nan's cold and cold expression made him not dare to move easily.

Su Qi didn't respond, and Du Yan didn't respond either.

Because everyone knows that an insignificant character is lucky if it can be integrated, and if not, it can only be cut off.

And Xu Teng's face was destined for him to be unable to play the role of anyone except Fu Yechuan.

When the time was almost up, they went to the set.

In order to get this role, Xu Teng simply used all his strength.

While helping Su Nan with fruits and hot water, he usually went to ask her if she was tired from walking.

Su Qi and Du Yan had a car that had already arrived.

Xu Teng was so excited behind her that he even walked out of the aura that he didn't recognize his six relatives.

His gold master father came to stand up for him in person. Is he still far from a first-line actor?

Du Yan didn't know what to say to the director, and soon someone came over and called Xu Teng over to arrange the role.

Su Nan didn't leave in a hurry, and sat in the pavilion beside him to watch the excitement.

Suddenly, his eyes flashed and he saw a familiar person.

She waved her hand excitedly, "Understood?"

Ning Zhi turned around, looked at her for a moment, and then walked over happily.

"President Su, aren't you busy?"

Su Nan listened to her sarcasm, but did not have any dissatisfaction.

"I'll send my brother here, and I'll be gone in a while, why are you here?"

Ning Zhiliu touched his hair and raised his chin in the direction of the actor.

"Our company is here alone as the art director, and Xiao Ran is here to play the third male lead."

Su Nan understood, Ning knew that the company had always been involved in a wide range, and she didn't think much about it.

Suddenly, Ning Zhi's smile faltered slightly.

"Who is the woman next to your third brother?"

The woman was coquettish in Su Qi's arms, Su Qi took a step back dotingly and touched her head.

Su Nan took a look and said, "Oh, his new girlfriend seems to be the second female."

Ning Zhiliu's face changed a few times before he regained his composure.

"I've changed girlfriends again? Our actor Su is really romantic!"

"He's just acting on the scene, and it's all fake." Su Nan explained.

Ningzhi twitched the corners of his mouth, are they all fake?

Still fake.

It's not her turn to care.

Just as she was talking, the female No. 2 trotted all the way.

A small fan on the table is the iconic prop of the heroine.

She whipped it casually, but didn't notice that there was a car key next to the small fan, and there was a jade ring in the shape of a water drop hanging on the car key.

In an instant, it fell to the ground with a crisp sound.

Yuhuan was torn apart.

Ning Zhiliu and Su Nan's expressions changed drastically.

"stop....."

Chapter five hundred and fifty-ninth female second off the assembly line

Chapter 559

Ning Zhi, the second female off the assembly line, picked up the key and Yuhuan in distress, her hands trembling.

Su Nan frowned, that was the most precious thing that Ning knew.

“What are you doing?” The

second female was stunned for a moment, looking at the things on the ground, irritable and disdainful.

“I didn’t mean to...”

After saying that, he turned to leave.

“It wasn’t intentional, so I’m justified?” Ning Zhi blushed, “It wasn’t intentional, so I deserve it?” The

second female looked at her speechlessly, “How much, I’ll ask my boyfriend to pay you back. !”

Su Nan frowned, “Can’t you even say an apology?”

Female No. 2 knew Su Nan and did not dare to refute her words directly.

She paused, bit her lower lip, and it wasn’t difficult to apologize, but that woman was so aggressive and disgusting.

“Little Si, it’s not that you don’t know me. Your brother will help me solve it, so don’t worry about it.”

Su Nan’s brows sank, and his voice suddenly became colder.

“What did you call me?” For

a moment, her eyes were cold and indifferent.

Little four?

This is the name only her relatives and friends have.

A young actor who is on the scene, dare to use a title to get close?

Seeing Su Nan’s ugly face, the second girl didn’t know how a title would offend this eldest lady.

But she can’t be bothered.

“Little Si, I heard your brother called you that.”

She looked at Su Nan carefully.

Su Nan's eyes were extremely pale, "My brother is my brother, you are you."

In a word, she stepped on her pride under her feet.

The second girl's eyes were red.

At this moment, Su Qi came from outside.

"What's wrong?" The

second female threw herself into his arms and complained aggrieved.

"I didn't do it on purpose. I accidentally threw her things on the ground. She is little... your sister's friend."

Su Qi frowned, seeing Ning Zhi, who was squatting on the ground, and holding hands with her. The things inside, the complexion changed a few times.

Anyone who knew it knew that it was the only thing Ning Zhilio's grandmother left to her before she died.

Significance.

"You can compensate her for me, but it's just a piece of jade, I don't know if it's true or not..."

"Shut up!" Su Qi scolded with an ugly face.

He walked over and looked at Su Nan, Su Nan was speechless and didn't start, not intending to speak for him.

Su Qi was silent for a moment, then walked over and squatted beside Ning Zhiliao.

He raised his hand and placed it on Ning Zhi's hair.

Ningzhi's shoulders trembled slightly, she was crying.

He was stunned for a while, not knowing what to say, Ning Zhi, who has always been stronger, was her only weakness.

"Understood..."

Ning Zhi didn't look up, took a deep breath, and stood up suddenly, his eyes were clear.

"I still have something to do, I'll go first."

After that, she turned around and left with the pieces in her hands.

Just as Su Qi was about to step forward, Su Nan stopped him.

“Third brother, if you are looking for a girlfriend now, it’s fine if you don’t look at your looks, don’t you even look at your character? You don’t even apologize for breaking other people’s things, do you think you’re amazing?”

The second female shivered, did not expect Su Nan to be so straightforward?

Su Qi’s face was ugly, and she stared at the second girl with a cold gaze.

“...”

She wanted to explain something.

Su Qi’s face was expressionless, “I’ll have someone send you back. In this drama, An Yi will come instead.”

An Yi is her opponent, which is tantamount to breaking her way.

Su Qi went out directly, and the second female followed anxiously to explain, please, and apologize.

Su Nan rolled his eyes, he deserved it!

She called Ning Zhi, and Ning Zhi answered.

“Su Nan, don’t worry, I’m fine, my company is up, we’ll meet again next time.”

Su Nan told Ning Zhi what Su Qi did, and wanted her to be relieved. Ning Zhi’s breathing was still heavy, but her tone was relaxed. a lot.

“I know that your brother is not blind, so I can rest assured.”

After hanging up the phone, Ning Zhi received a message from Su Qi:

“Understood, brother will give you an identical one by hand.”

She didn’t reply.

Chapter five hundred and sixty conscientious little wolfdog

Chapter 560

The conscientious little wolf dog Su Nan sat there irritably answering emails, Su Qi was not filming today, she had to take him back.

I didn't pay much attention, there was another person next to her, holding a small fan and gently fanning her.

She raised her eyebrows, "Xu Teng, what are you doing?" In

the cold weather, give her a fan?

Xu Teng showed a hint of embarrassment and squatted beside her chair.

"I'm afraid you're hot, and I'm afraid you're cold."

Su Nan's teeth were a little sore.

He held a plate of fruit, "I just cut it, Miss Su, can you try it?"

Su Nan pushed, "I won't eat it, thank you."

Xu Teng didn't mind, looking at her with a smile.

"I really didn't expect that Film Emperor Su would assign me such an important role, the second male lead!"

Su Nan raised his eyebrows, showing a hint of surprise.

Male number two?

"I know, it's all about your face, Miss Su, I really don't know how to thank you?"

Xu Teng's face that resembled Fu Yechuan showed a feminine smile, like a god being dragged into a cesspool, what do you think? How uncomfortable.

Su Nan retracted his gaze and smiled, "Maybe it's because you value your acting skills!"

"I will never embarrass you."

Xu Teng folded his hands together, and graciously picked up a small piece of fruit with his fork. "Ah..."

Su Nan: "...?"

She didn't open her mouth and he didn't give up, it was really difficult to continue the stalemate.

She could only bow her head and take a bite, and then she would not eat anything else.

Xu Teng was very happy by the side. Without a chair, he squatted next to Su Nan, like an obedient little wolf dog, telling him jokes and gossip he saw in the circle.

Su Nan smiled perfunctorily, thinking about the piece of jade that Ning Zhi had broken.

The jade ring designed by Ning Zhiliao's grandmother herself is also the only souvenir left to Ningzhi. It's gone, how sad she is!

At this moment, someone suddenly heard a name shouting respectfully not far away:

"Mr. Fu, come here in person, our show will definitely be watched by Changhong!"

Su Nan frowned, and turned his head to face that Double gloomy eyes.

He stood under the opposite roof, not knowing how long he watched her.

Xu Teng's hand holding the fruit shook slightly and fell to the ground.

I don't know why, but when he heard Fu Yechuan's name, his face turned pale with fright.

Yes, they are now rivals.

Although Fu Yechuan has money and status, Miss Su still prefers herself.

Otherwise, I wouldn't hold myself to this day!

Thinking of this, Xu Teng seemed to have the confidence to fork another piece of fruit and feed it to Su Nan's mouth.

"Ah..."

Anyway, no matter what happens, his father, Miss Su, will definitely protect him!

The fruit was handed to his mouth, but Su Nan didn't pay attention and opened his mouth subconsciously.

After reacting, it was too late.

As soon as he turned his eyes, the man under the eaves on the opposite side was gone.

That's good.

She breathed a sigh of relief.

It's okay to see it, so I should give up, right?

But she was suddenly very irritable, she stood up from the chair and glanced at Xu Teng.

"Go to film, the director is calling you."

Xu Teng looked over there, and the director was waving at him.

He held back his excitement, his trembling hands, and looked at Su Nan happily, which was meaningful.

"Miss Su, I'll finish filming in a while, and I'll take you back to the hotel to rest in person."

After that, he ran away without waiting for Su Nan to respond.

Su Nan looked at him in surprise, why did he want to stay in a hotel to rest?

Suddenly, she realized that in his eyes, she was the gold master, so it was his duty to serve her.

She sneered, her brows were cold and delicate, and there was a trace of disgust in her beautiful eyes.

Then she turned around and saw the man who was under the eaves just now, standing behind her.

He looked at her gloomily, and there was a trace of unnoticeable injury.

Damn, she was startled.
