Chapter 56 Can't Afford

Chapter 56

The staff on the side who can't afford it politely put the thing in front of Su Nan. Su Nan raised it and looked at it. There is a small red spot on the bottom of the pipe. It's not bad, it's true.

"Thank you." Su Nan said to the staff.

She ignored the two people beside her at all. Qu Qing couldn't help it anymore and snorted coldly, "Su Nan, your eyes are growing under your feet? You don't even know

how to be polite when you see the elders?" Her, I didn't take her as a serious junior, what kind of elders are you putting on now?

Su Nan's eyes flashed and

she raised her eyebrows, "Oh, Mrs. Fu is also here, it's a coincidence." What she said can make people angry.

Qu Qing's face turned pale, "You're really the opposite. You think you have a backer, so you dare not to take me seriously? Don't forget, I'm your mother-in-law!"

When she was not divorced, Qu Qing But she didn't think of herself as her mother-in-law. She always regarded herself as the master, and looked at Su Nan like a servant.

Every time she went back to the old house, she would always openly and secretly ridicule Su Nan's despicableness and please, let her go to work and do housework, scold her and kneel at every turn, and walk around in front of her with many famous ladies, and give Fu Yechuan's phone number to her. They, so that Su Nan can retreat.

At that time, Su Nan was a thorn in Qu Qing's eyes, a thorn in the flesh!

Su Nan couldn't help but chuckled, "Are you getting old and have a bad memory? I divorced your son a long time ago, you can be someone else's mother-in-law..."

"Su Nan, You are so rude, how can you talk to the elders like that?" Fu Yingying couldn't help but speak, she was stricken by Su Nan's counterattack before, but now she is starting to feel frightened when she sees her.

Fortunately, Qu Qing was here, so she had the confidence.

The atmosphere sank for a moment, Su Nan restrained her smile, and her eyes swept over Fu Yingying coldly, "Want to teach me a lesson?"

Fu Yingying shrank, did not dare to make a sound, and looked at her mother.

These two people originally wanted to give Su Nan a slap in the face, and then coaxed her to take away the pipe, but Su Nan didn't play cards according to the routine at all.

If it weren't for the fact that there were still staff in the room, Qu Qing would have been straight to the point, and would he still have the patience to entangle with her here?

Qu Qing was a little nervous: "Su Nan, I'll give you 30 million, and I want to take the things!"

She had just contacted Fu Yechuan, and the paper couldn't contain the fire. If Su Nan really took it, let alone Mr. Fu, it was My husband will never let me go!

Su Nan's hand paused and smiled, "If you have 30 million, you can put it up when you just bid for the auction. Fair competition, it's too late now."

"I've already contacted Ye Chuan, he will be there soon."

Qu Qing knew how obsessed Su Nan was with her son, and when Fu Yechuan came, she would also compromise in order to see him.

"If he doesn't come, everything belongs to me."

Su Nan smiled, did he really think of himself as a stupid woman from three years ago?

Do you think that when you hear the words of Fu Yechuan, you can ignore everything?

"Su Nan, 30 million is not a small amount, can you really afford it?"

She didn't believe that Su Nan, who was poor and poor, could easily spend 30 million.

Back then, she didn't enter Fu's house for a penny, and she was often looked down upon. She, Qu Qing, had such a daughter-in-law, and she lost all face.

Now, although Fu Yingying said that there are many men around her, but they are not taking advantage of them, is it stupid to spend money on such a divorced woman?

Su Nan hooked his lips, took out the black card from the bag, and handed it to the staff next to him, "Swipe the card."

Without hesitation.

“Okay, Miss Su.” The staff took it with both hands.

Qu Qing and Fu Yingying stared at her with pale faces. Fu Yingying was anxious like an ant on a hot pan, and kept dialing the phone from behind.

to whom?

Fu Yechuan?

Su Nan smiled, no one came!

Thirty million is a waste of one second, but there is no hesitation or hesitation on Su Nan’s face.

She can even afford more than thirty million, as long as she is happy!

“It’s useless for you to ask for this pipe. What are you spending so much money on for it?” Qu Qing softened her attitude and planned to use a roundabout way.

“Originally, I brought it to everyone. You also know that this is the life of the old man. If you don’t have a pipe, you will die. Do you have the heart to watch him at his age and not live well in his old age?”

Qu Qing said As he spoke, he started to cry.

Who are you playing with?

Su Nan looked at it coldly and wanted to laugh.

“Since it’s the old man’s life, don’t you just want his life when you take it out? It’s because of you that he didn’t live well in his later years. What should I worry about?

I bought things back with real money through legitimate channels. Everyone can testify, the old man has been in the shopping mall all his life, and I believe he will understand the word ‘honesty’.”

“Okay, Miss Su.” The staff carefully handed her the card.

Su Nan took it over and signed his name on the relevant documents, and the pipe officially belonged to her, Su Nan.

The door was suddenly pushed open...

Chapter 57 How Much Does It Cost

Chapter 57 How much does it cost

? Seeing the person coming, Qu Qing immediately blushed and walked over excitedly, “Ye Chuan...”

“Brother, it was Su Nan who stole the pipe, that was grandpa. It’s my favorite object, if you can’t see it, it will be a big deal!” Fu Yingying said in a panic.

Fu Yechuan stood at the door, there were many lights and shadows, the whole person was tall and handsome, and he looked at the people in the room with deep and cold eyes.

“Shut up! How dare you to steal the old man’s things?”

He scolded Fu Yingying in a sharp tone. Fu Yingying was so frightened that she was close behind Qu Qing and did not dare to raise her head.

The person in charge of the event followed behind him. He stood there tremblingly and glanced at the staff beside him. “All the procedures are done?”

“Yes, everything is done.” The staff replied cautiously.

Everything has been settled, Su Nan is not afraid of anything, anyway, things are in her hands, and the initiative is also in her hands.

Su Nan looked at Xiao Ran next to her, “Let’s go, we won’t disturb the family reunion.”

She didn’t even mean to say hello, she was about to leave in high heels.

“Su Nan, you can’t take things with you.”

Fu Yechuan said with a cold tone.

Qu Qing said quickly, “Yes, she can’t take it away!” Her

son is here, she is not afraid of anything, and she doesn’t need to act in front of Su Nan.

Su Nan raised his eyebrows, sneered, and raised the document in his hand: “Look, it’s not you who have the final say here, it’s mine now.”

Su Nan glanced at Fu Yechuan’s ugly face, feeling inexplicably good!

“Mrs. Fu is in the mood, let’s think about how to explain it to the old man? What will happen to him if his treasure is at the charity auction and he finds out that it no longer belongs to him?”

Qu Qing's face turned pale, she did such a thing without telling the old man, she really regretted it, and she was afraid and hated, she could think of the old man's thunderous anger, maybe... and she would be kicked out of the Fu family. !

"Ye Chuan..." Qu Qing looked at her son pleadingly, this was all her hope was.

Fu Yechuan's eyes were deep, and the air pressure around him was very low, "Su Nan, how much do you want to keep things?"

Su Nan chuckled, money?

Does she look short of money?

Her eyes slanted lightly to the man's stern face, she raised the jade pipe in her hand, "Leave it? Dream!"

After she finished speaking, she snorted softly, stepped on high heels and walked away, Xiao Ran beside her. Follow quickly.

Qu Qing tugged at Fu Yechuan's arm anxiously: "How can I let her go? The things must be left behind..."

"Yes, brother, otherwise the old man will kill us!" Fu Yingying watched nervously follow him.

The man raised his eyes and glanced at the back of the woman leaving, frowning slightly, and looked at the two women in front of him indifferently, his voice was cold.

"I will find a way to get it back, but you should think about how to explain it to the old man."

He tidied up the cuffs of his suit and turned to leave.

Maybe the old man already knew it, so he didn't plan to hide it for them, and he had to take care of it himself.

"Ah?" Qu Qing's eyes went blank, and she was about to faint when she saw it. Fu Yingying, who was behind, hurried over to support her and called out several times. Fu Yechuan didn't want to return, only the staff on the side stepped forward to ask if she needed help.

For such a valuable item, the partner politely asked if it needed to be sent by security, but Su Nan politely refused. She just wanted to find it hard for Qu Qing and Fu Yingying, and didn't care about the pipe itself.

Seeing that the elevator was slowly opening, Su Nan lifted his legs and walked in. Xiao Ran reminded him, "Mr. Fu?"

He was coming in this direction.

Still not giving up?

Su Nan did not intend to take the elevator with him, and immediately pressed the close button decisively.

...

Chapter 58 Only Spend So Much Money

Chapter 58

The person in front of him finally disappeared in front of him after spending so much money. Su Nan glanced at the man outside the elevator indifferently, as if looking at a stranger.

Sitting on Xiao Ran's windy sports car, he finally asked the puzzle in his heart: "Is this thing very valuable? Why do the Fu family have to get it?"

Su Nan smiled and looked at the box in his hand, "Forget it. It should be a thousand-year-old item. I heard that it came out of the palace. It is almost eight hundred years in the hands of the Fu family. Do you think it is valuable?"

Xiao Ran's driving speed slowed down significantly, his heart was dumbfounded, and he was shocked. , this is a priceless treasure!

Such a valuable thing, they put it up for auction?

No wonder Fu Yechuan dared to ask Su Nan to bid directly. I am afraid that even if it is nine digits, he will not hesitate at all!

When the phone rang, Su Nan saw that it was Su Jin, and happily picked it up, "Brother, I bought a gadget..."

Su Jin paused on the other side of the phone, and sneered, "I heard that the people in the Fu family are going to die of madness after spending so much money?"

Su Nan couldn't help laughing, thinking that Qu Qing and Fu Yingying might not have a good time tonight, "Anyway, things are going to be bad. It's mine, and I won't let it go easily."

Su Jin knew his sister's mood, and must have been disappointed with the Fu family.

Forget it, as long as she is happy, nothing else matters.

The next morning, the sun was full of vigor. As soon as Su Nan went to the company, he started to handle the company's affairs. Lin Shuang looked at her recently and wanted to eat her, but he was worried about the handle in Su Nan's hand and did not dare to act rashly.

Yu Lou knocked on the door and came in to deliver the materials, "Vice President Su, the company has begun to investigate Lin Shuang's kickback in the project."

Hearing Yu Lou's words, Su Nan looked up at him, "Big brother ready to start?"

"Yes, Zhang Ming behind her has already begun to move, and President Su said she can't bear it anymore."

If Zhang Ming was to be moved, Lin Shuang must be the first to be investigated. She should have known by now that she could not protect herself. Li Group project team.

Su Nan brushed the broken hair in his ear, "Then hand over the things you prepared earlier and add a fire."

That's what Lin Shuang said at the dinner between Zhang Feng and Su Nan.

"Yes." Yu Lou stood there and paused, "One more thing, Mr. Fu of the Fu Group, his secretary called. Mr. Fu wants to make an appointment with you for dinner."

Su Nan sneered and hugged him. He leaned his hands against the back of the chair, his eyes cold.

"Say I don't have time, push it away. In the future, don't ask me about his dinner, just push it away."

"Okay, Vice President Su."

At noon, Su Nan was about to go out to eat when there was a knock at the door. Yu Lou stood at the door holding a bunch of flowers, "Vice President Su..."

Su Nan raised his head and frowned, "Didn't I say just throw it away?"

"Su Xiaosi, you really make me sad. Now, the flowers I carefully selected for you, not only are you not surprised, but you also throw them away without looking at them?"

Cheng Yi, who stood up from the back of the building, walked in angrily and asked.

Su Nan paused and glanced at Yu Lou, who bowed his head apologetically and was silent.

Forget it, it must be Cheng Yi's idea, and it was originally his own fault, so he can't blame Cheng Yi.

"You go out first." She said to Lou.

Yu Lou nodded and left with a sigh of relief.

Su Nan reached out and rubbed his brows and looked at him with a smile, "Cheng Ershao, why are you here today?"

"I'm here to invite you to dinner, I didn't expect you to give me such a big surprise!" Cheng Yi said gritting his teeth stared at her.

Su Nan smiled apologetically, "I'm so public in the company, I'm going to be gossiped!"

"I gave you flowers just to let everyone know that you have a boyfriend!"

Those who have ideas, don't worry about it!

Cheng Yi said it unabashedly, but Su Nan felt a little helpless, "Cheng Yi, don't waste your time on me."

"I'm happy, it's up to me to waste it or not."

Cheng Yi didn't intend to get really angry, and rushed with her sinister smile, "You're right, you have to invite me to dinner."

Su Nan raised her eyebrows, took her bag and left, "Okay, the place is up to you."
When they

got to the restaurant, whoever wanted to see it and didn't want to see it. people.

Lu Qi snorted softly, "Su Nan, didn't you say there is a major project to discuss? I pushed the old man's appointment, just to have a date with Cheng Ershao? Su Jin, Xiao Ran, Cheng Yi...the people around you. Men change one a day, looks really busy?"

...

Chapter 59 The Meaning of Rejection

Chapter 59 The meaning of rejection

Fu Yechuan was silent, with a chill in his eyes.

Su Nan chuckled lightly, took Cheng Yi's arm, and raised his eyebrows, "How many men have I changed and how many people have I dated? Does it have anything to do with you? Does Young Master Lu also want to date?"

"Why are you being bullied by Su Nan every time?"

"You? Just like you, I don't even look at it!"

"To be honest, I saw it last time, Lu Shao's figure is really not very good, you should go to those women who have no taste, I There are very strict requirements for men's body standards."

How dare you say that he is not in good shape?

Lu Qi's face was blue and white, and he was shaking with anger, but he didn't dare to say a word. She held his nude photo in her hand, so he had to retreat!

He could tell that Su Nan was threatening him?

Cheng Yi laughed aside, "She has always had high eyesight, if Lu Shao goes on, it will affect our Su Nan's mood to eat!"

As soon as she saw Fu Yechuan, it had already affected her mood!

Su Nan glanced at Lu Qi coldly, ignoring the man beside him, and walked in directly.

Lu Qi jumped angrily behind him, "This woman is too much, she dares to insult my bad figure? Is my figure bad?"

Fu Yechuan's face was surprisingly cold, and he snorted, "Do you think it's good? ?"

He was irritable, Su Nan couldn't make an appointment, and the matter of the Cuiyu pipe had not been resolved, and when he remembered the scene where Su Nan had seen Lu Qi running naked, the gloomy feeling lingered in his heart, which was inexplicably annoying!

Lu Qi was deflated. I don't know why Fu Yechuan was angry with him, but it must be because of Su Nan!

He went to Fu's Group to find Fu Yechuan, and happened to meet Fu Yechuan and asked his secretary Chen Mian to contact Su Nan, but he didn't expect to be rejected!

When the two went out to eat, and saw Su Nan and Cheng Ershao dating together, could Fu Yechuan feel better?

Suddenly remembering something, he hurriedly asked, "I heard that your family's treasured heirloom Cuiyu pipe was sold by your mother and your sister?"

Upon hearing this, Fu Yechuan's face became even colder and he did not speak.

"Who bought it, why don't you pay more to buy it back?"

Fu Yechuan glanced at Lu Qi coldly, "Su Nan bought it."

Lu Qi: "...Oh."

Then no so easy.

Maybe he met someone he didn't want to meet. The meal was boring, and Su Nan didn't have any appetite.

After drinking some wine, I plan to go back to have a rest in the afternoon. I don't know what wine Cheng Yi recommended. It is sweet in the mouth, spicy in the throat, and full of stamina.

If it wasn't for Cheng Yi being more vain than her, she would suspect that Cheng Yi had put medicine in the wine!

Su Nan propped his forehead up, called Yu Lou and asked him to find someone to pick him up, and then planned to go to the bathroom to wash his face and wake up.

She didn't walk very steadily, but it went smoothly. She washed her face and became more awake, so she shouldn't have come out with Cheng Yi.

When he went back, Su Nan remembered the route, and he bumped into someone without thinking about turning.

"I'm sorry..."

As soon as she looked up, she saw Fu Yechuan's stern face, her brows furrowed, she suddenly woke up, took a step back immediately, and kept her distance.

"President Fu?"

Fu Yechuan noticed her actions, his eyes sank slightly, "It's a coincidence, Su Nan."

Su Nan raised an eyebrow, "Unfortunately, I was about to leave."

She was stopped before she passed him. down.

"let's talk."

“What are you talking about?” She looked at him puzzled.

“Ask knowingly.” Fu Yechuan said, his black eyes staring at her.

Su Nan smiled, completely intoxicated, “I don’t think there is anything to talk about between us. Please contact my assistant for work matters.”

Su Nan’s phone rang, it should be the driver who arrived and was about to pick it up. Leaving his feet, Fu Yechuan said, “If you want to open it, I must take the pipe.”

It turned out to be for the Cuiyu pipe. It must have been a night, and Mr. Fu already knew about it. The night between Qu Qing and Fu Yingying must have been particularly special. Sorry...

“Mr. Fu doesn’t understand? Since yesterday, no matter what the conditions, I ignored you, which means I refused.” Su Nan smiled.

...

Chapter 60 She’s Going Home

Chapter 60 She is going back to China.

After Su Nan finished speaking, she returned to the box and called Shang Chengyi to leave.

Before I got in the car, I suddenly thought that my bag had fallen into the box.

She wanted to go back to get it, but Cheng Yi stopped her, “I’ll get it, you wait in the car.”

After he finished speaking, he left. Su Nan thought about it and followed up, but he didn’t expect to run into Fu Yechuan and Lu Qi who came out together.

In order to avoid more troubles, Su Nan did not catch up and waited on the other side of the fountain at the entrance.

Lu Qi clicked his tongue, “I heard that Qiao Wanrou is going back to China?”

Fu Yechuan gave a deep “um”.

Lu Qi smiled, “I haven’t seen her for so long, I really miss her a bit. Although she did something wrong, your punishment is too severe. It’s all my own, so please forgive her...” The

two of them Talking while walking, getting in the car, leaving...

The afternoon was overcast, and the air was cold.

Su Nan retracted his gaze and stared at the direction in front of him, his chest aching.

Qiao Wanrou is their own person, and no matter how hard Su Nan works, to Fu Yechuan, he is just an outsider...

Those memories flooded in like a flood, and the name Qiao Wanrou has been haunting her for three years like a curse, She thought she was relieved, but she didn't expect to hear this name again, it was still suffocating.

It's really worthless!

She knew that Qiao Wanrou went abroad after that banquet, and since she disappeared in front of her eyes, she didn't want to pursue it.

For them, letting Qiao Wanrou go abroad is a kind of punishment?

And her return to China was just a matter of forgiveness from Fu Yechuan?

She suddenly felt very ridiculous, what was the blood of her three years?

Others can forgive, but she can't!

Isn't Qiao Wanrou coming back?

If she welcomes her, she will also prepare a big gift for her.

Behind him, Cheng Yi walked over with her bag and looked at her pale and ugly face, "What's wrong? Are you feeling unwell?"

Hearing his words, Su Nan came back to his senses and smiled, "No, I Back, the driver has arrived."

"I'll see you off." Cheng Yi pushed her into the car and sat beside him.

Su Nan responded, smiled, and didn't care.

Cheng Yi seemed to want to say something, took a deep look at Su Nan, but held back.

When they got downstairs, Su Nan asked the driver to send Cheng Yi back, and went upstairs directly.

In less than ten minutes, the doorbell rang, and Su Nan could only go over to open the door.

Opening the door, a bouquet of red roses appeared in front of her eyes. With the seductive face of Cheng Yi behind her, she looked at him helplessly, “Cheng Ershao, I’m very tired today.

” The meaning couldn’t be more obvious.

Cheng Yi raised his eyebrows, “I know, this flower is not for my future girlfriend, but for Su Xiaosi, who is unhappy today.”

Su Nan paused, looked up at him, Cheng Yi lost a little bit Casually, “I’ve come here, why don’t you invite me in to sit?”

She still believed in Cheng Yi’s character, got out of the way, and Cheng Yi walked in.

“Su Nan, without one Fu Yechuan, there are many people around you, don’t because he is unhappy, he doesn’t deserve it.”

Yes, in the eyes of others, Fu Yechuan doesn’t deserve it.

But in Fu Yechuan’s eyes, she was Su Nan unworthy.

Su Nan poured a glass of water for Cheng Yi and leaned lazily on the sofa, “Let you see it? It’s very useless, right?”

Because Qiao Wanrou was about to come back, she easily made her angry, and those so-called indifference suddenly became Not frank.

“It’s really a bit.” Cheng Yi smiled, his eyes were particularly charming.

“Fuck off!” Su Nan sneered, feeling much better inexplicably.

Cheng Yi smiled, suddenly stood up and walked over, holding her in his arms without refusing to refuse, but when she was about to struggle, she suddenly let go.

With a serious smile in his eyes, he leaned over and looked down at her, “But he is not qualified to make you angry, Su Xiaosi, you are my Queen...”

Su Nan suddenly got up close . For a moment, a faint scent of agarwood entered my nose, and my heart jumped...
