Chapter 581

Fu Yechuan's eyes were a little cold, "Why don't you change it?"

Lu Qi smiled, "I am so coaxing, I will come back if I give you some favors, your Miss Su. It's different, if you give her the entire Fu Group, she won't necessarily look at you."

Fu Yechuan was silent: "..."

Even if he gave it, she wouldn't necessarily want it...

Lu Qi pointed to the inside of the banquet hall: "Look, how beautiful she is, she has such a sole request, she will arrange the remarriage wedding scene for my wife herself, she likes everything everywhere, she is happy, girl, Gifts should also be sent to ideas."

Where is Su Nan's idea?

Fu Yechuan didn't know, his face became even worse.

Lu Qi patted him on the shoulder, "Father, my wife seems to have arranged an event for a while, I'll find a chance for you..."

They're all brothers, he's remarried, he can't just watch it Fu Yechuan was still suffering.

Fu Yechuan didn't say anything and walked in directly.

Don't want to listen to him anymore, is this showing off?

Little Mike followed Su Nan in, and no one went to stop a well-dressed child, so he was very free.

Su Nan and Su Qi were joking with others, so he obediently found a table for dessert.

The surrounding decorations are white and dreamy, and this wedding scene is obviously thoughtful.

Su Qi, who was on the side, dragged Su Nan to the side, "I know it's there..."

Su Nan: "..."

Ning Zhi said a few words to the woman on the side, and then began to command What are the people on the side doing.

The woman next to her is the bride Leng Lin.

“Understood...”

Su Qi waved.

Ning Zhi heard the sound and turned his head, stunned for a moment, then smiled and walked over.

“Little Fourth, Third Brother, are you here too?”

Su Nan nodded with a smile, “It looks like you did the wedding planning?”

Ning Zhi nodded and smiled.

“I’m just an assistant, it’s all the bride’s own idea.”

Su Nan raised her eyebrows, “The arrangement is quite good.”

It just feels like something is missing...

Su Qi on the side took it out of his pocket and long ago Ready box, hand it over.

“I wanted to give it to you for a long time, but I never found a chance.”

Ning Zhi was taken aback, took it, opened it, and smiled lightly.

“Thank you, just find someone to send it over, where do you need to find a special opportunity?”

Su Qi and Su Nan were shocked by Ning Zhi’s reaction.

Ning Zhi was very concerned about this thing.

But she held it in her hand and didn’t look at it.

Su Qi’s expression was clearly a little lost, but he didn’t say much.

Su Nan thought for a while, then took her arm and said, “It took my third brother several nights to fix it, but I seem to have some flaws, but it’s much better than before, I know, you Take a closer look, are you still satisfied?”

Ning Zhi was a little surprised when he heard that Lu Qi repaired it himself.

Just as she was about to take it out and take a closer look, she suddenly heard the bride call her name from behind, and she put it away without thinking.

“The third brother’s heart has arrived. I’m satisfied no matter what, but I still have to help. You guys can play first and talk about it later.”

Su Nan nodded and let go of his hand quickly, so as not to delay the business.

Turning back, she patted Su Qi on the shoulder.

“Third brother, I always think that it is unlikely that you and her will reunite.”

Su Qi stared at her speechlessly, “You are talking nonsense...”

What nonsense?

Is it a reunion?

Or is it unlikely?

Before Su Nan could explore, the wedding photo on the big electronic screen in the center suddenly went out.

Everyone’s attention was drawn for a moment.

Then, the screen lights up again.

Countless people present took a deep breath.

Photos scrolling on the screen are pictures of Lu Qi and different women.

What is staggering is that Lu Qi and these women are very close, and he is not worried about being photographed. Some of them are pictures of him shopping with female models, some of them drinking tea with little stars, and some of him and a few small internet celebrities. Photos of vacation by the sea...

Chapter five hundred and eighty second the most scumbag ex-husband

Chapter 582

The scene of the worst ex-husband is like dropping a bomb!

Imaginative!

In an instant, the lively atmosphere that was originally staggered was instantly quiet, silent and cold.

In the huge banquet hall, no one spoke.

The music played in the banquet hall was brisk and soothing, but also seemed extremely strange.

The next second, Lu Qi noticed that his face changed drastically, and his pupils shrank fiercely.

He ran in frantically and shouted loudly, "Stop, whoever posted the photo, replace it for me!"

If you listen carefully, there is an indescribable panic in his voice.

No one responded.

The photos are still rolling, like exposing the bones of his happy life, deceiving himself.

The fig leaf of this wedding was pulled forcibly, and everyone had to appreciate this ugly appearance.

Their original intention was to attend Lu Qi's remarriage banquet, but it turned out to be the exact opposite. The blessings from everyone's mouth became a joke.

Lu Qi desperately wanted to run to the backstage, he didn't care about the others, he only worried about one thing, and hoped that Leng Lin wouldn't see it, don't see this scene!

But before he got to the backstage, he heard everyone exclaiming again.

Looking back, on the red carpet in front of the electronic screen, a lot of women suddenly appeared one after another, wearing different styles of expensive wedding dresses...

They were all dressed up beautifully, like walking on the runway. Carrying the wedding dress to show yourself one after another.

And shockingly, they were the women on the big electronic screen.

Anyone who saw it thought this scene was incredible.

When Lu Qi saw those women, his face instantly turned pale, extremely ugly.

His fear and panic penetrated into every pore, and a bad intuition was entangled in his heart all the time, like a knife hanging above his head.

Seeing that scene, the knife fell.

He wished that Qiqiao would bleed to death, but he could only widen his eyes, his body trembling in shock.

Countless strange eyes looked at him, the groom today.

How high-spirited he was just now, how embarrassed and gloomy he is now.

In just a few seconds, he ran over like crazy, grabbed one of the women fiercely, and his tone was cold and sharp.

“Who asked you to come, and who ordered you to come?”

The woman panicked for a moment, unable to break free, so she didn't say anything.

Lu Qiqi's face was ashen, and he didn't care about any gentlemanly manners. He slapped him and roared:

“Get out, get out of here!”

Several women didn't mean to leave, and walked up and down the red carpet as usual.

Lu Qi's emotions were on the verge of collapse, and he was about to lose control. He grabbed another one and gritted his teeth and asked,

“You said, who asked you to come...”

The atmosphere was terribly cold.

Also hot hustle.

A person slowly walked out from the backstage, her voice was gentle and calm: “It's me.”

The bride who changed her wedding dress was wearing a simple navy blue dress, the old style was out of place here.

She stood there and looked at Lu Qi with a smile, but there was no warmth in her eyes.

Lu Qi's face changed fiercely, and there was a trace of panic and shock in his eyes.

It was as if the whole body had been drained of strength.

He seemed to recognize that Leng Lin was wearing this old navy blue dress on the day she was sent to the Lu family.

At that time, he laughed at her as a country bumpkin, a sparrow who wanted to climb high, and a sophisticated and vulgar woman.

Those pasts were presented one by one, he had to listen to the old man's words and marry her, but he was extremely humiliating and demeaning to her, and he did not treat her as an equal at all.

He believed that during that time, he was the worst ex-husband.

In order to retaliate for her coming, he even secretly used his power to suppress her family to bankruptcy...

Finally, she agreed to divorce.

...

Chapter Five Hundred and Eighty-Three His ex-girlfriends

just one month, Lu Qi doesn't seem to be used to life without her, let alone watching his wife who has been spoiled in the Lu family for a few years, goes out to work for others, and makes a humiliating smile .

He went to make peace, and in less than three times, she agreed.

You see, she still likes him.

He decided to treat her well.

But...

at this time, Leng Lin's eyes seemed to be quenched with ice, counting the coldness of nine cold days.

Lu Qi stood there, opened his mouth, but couldn't make a sound.

Leng Lin approached step by step, and stopped two meters away.

There was an inhuman smile on her sweet face.

"Young Master Lu, they're all your old lovers, how could you not invite them when you get married?"

Lu Qi felt the sweetness in his throat, he walked over a few steps, only her eyes were in his eyes, and his voice begged.

“I was wrong, wife, I was really wrong. I was not a thing in the past, but I will definitely treat you well in the future, only for you!”

He is willing to move out all his sworn promises and regard them as a standard for life, and hope that the present Women don't look at him with such cold eyes.

He panicked.

Everyone's eyes are staring at all this, and things that they dare not even dream of have happened?

Lu Shao, who is romantic and affectionate, also has today?

But Leng Lin was unmoved at all, she was as hard-hearted as she was, and smiled.

Afterwards, she looked at those women, with gentle voices and dignified temperament.

“Sisters, you've worked hard, and I'll have someone send you back safely.”

Those women in wedding dresses finally stopped continuing, but simply ran out of the banquet hall and left.

The entire hilarious banquet hall was dead silent at this time.

But there is a little bit of gossip in the atmosphere.

Leng Lin took a few steps forward and passed Lu Qi directly.

She smiled and looked at the guests, “Everyone, it was a good show just now. I know why you came here, but Young Master Lu and I will not remarry.”

Lu Qi's eyes were blood red, and his fists were clenched tightly. up, looking at her.

dare not say a word.

“My relationship with Shao Lu had broken down during the marriage. I knew that I wasn't worthy of Mrs. Lu's position, and I won't even dare to think about it in the future.”

She is using the most decisive way to cut off everything between her and Lu Qi. connect.

It's already in this disgusting situation. If Lu Qi still doesn't give up on her in the future, then he deserves to be a jerk himself.

No man will cling to him.

“Wife!”

Lu Qi roared in a low voice, he was panicked and scared, even more than when he was divorced.

In just a few words, she emptied his heart, like ripping out his marrow.

Leng Lin paused, smiled, and looked back at him.

“You’re free, Young Master Lu.”

This was the freedom he had longed for, the freedom he had earned by doing many things that hurt her.

as he wished.

Leng Lin took a step back, and Lu Qi immediately grabbed her hand.

“Where are you going, this is our wedding, you can’t leave!”

Even now, he is still looking forward to the normal wedding?

Even Su Nan, who was watching the excitement from the audience, couldn’t help but sneer.

For a time, Su Nan’s reaction was particularly prominent among the many guests.

What stood out more was Fu Yechuan who was standing beside him, with a worried but gloomy look on his face.

The haze on his face can even be compared to the actor Lu Qi on stage.

He brought Su Nan to do the psychological construction of remarriage, not to let her watch this failed farce!

This Lu Qi is really more than successful!

Deserved!

scene to freeze for a while.

Leng Lin shook off Lu Qi's hand, her tone revealing alienation:

"Take this opportunity, I decided to announce something."

Everyone looked at her.

Leng Lin: "I'm going to set up a law firm, which specializes in handling divorce cases involving mistresses. I will do my best to ensure the best interests of all innocent victims.

In the case of my failed marriage, I Being humiliated, ignored, abused, and slapped in the face, I can't bear it anymore.

Ladies here, we can only protect our eternal interests, so if you need it, you can come to me at any time."

After speaking, in the banquet hall It was so quiet that even the music stopped.

There was not even a trace of blood on Lu Qi's face, and he looked at her in shock, as if he had never known the woman in front of him.

At this point, there was a lone applause from the crowd.

Everyone looks for the sound.

Su Nan acted as if no one was around, and calmly clapped and clapped.

Immediately afterwards, Ning Zhi was the second.

Later, the third, the fourth...

The applause of the crowd became denser, louder, and more concentrated.

None of the women present had the courage to expose the most shameful aspect of marriage.

Even in the case of divorce, it is mostly the man who dominates the division of property.

This also means that once divorced, their living standards will plummet, so many people choose to turn a blind eye to the betrayal of men in their marriages.

After all, no one has Su Nan's background and confidence.

Fu Yechuan rubbed his eyebrows, his face even more ugly.

He walked beside her and his tone was low.

“Don’t meddle, things are bad enough.”

Su Nan heard the words and glanced at him coldly.

At this glance, Fu Yechuan’s chest suffocated when he saw it.

Su Nan: “Mr. Fu, this kind of bad situation should be caused by Young Master Lu, right?”

Before Fu Yechuan could speak, Su Nan snorted lightly,

“I don’t have the courage of Miss Leng, such a heartwarming revenge. Why didn’t I think of it before?”

In a word, Fu Yechuan’s face turned cold and pale.

His heart seemed to be tightened by a thin thread, and blood slowly oozes out.

Did he forget?

What is the difference between Fu Yechuan’s treatment of Su Nan and Lu Qi’s treatment of Leng Lin now?

At least, the Lu family still has an old man who loves Leng Lin.

But what about the Fu family?

The whole family sees Su Nan as a thorn in their eyes!

Thinking of this, he felt a suffocating pain in his heart.

His hand grabbed her wrist tightly, not letting go.

Su Nan earned for a moment, but it was useless, so he gave up the struggle.

“Su Nan, you have to believe that I have really changed.”

Fu Yechuan’s voice was low and hoarse.

Leng Lin on stage: “Don’t believe what a man says will change, because dogs can’t change shit.”

Su Nan couldn’t help but smile.

Fu Yechuan’s face was dark and ugly, he raised his eyes and glanced at the stage, gritted his teeth.

“I love you more than my life.”

He said decisively.

Leng Lin on the stage: “Don’t believe that I love you when a man easily says. A belated affection is cheaper than grass and worthless.”

Su Nan really laughed out loud this time.

Fu Yechuan took a deep breath and looked at the people on the stage with a heavy gaze.

He regretted coming.

If Lu Qi and that woman delayed his reconciliation with Su Nan, he would never let them go.

Fu Yechuan approached Su Nan’s ear, smelled the sweet scent of her body, endured the throbbing in his heart, and said hoarsely:

“Su Nan, don’t be influenced by her, I am sincere, if you don’t believe me, I will give you a kowtow. One?”

of Fu Yechuan’s voice is dry and hoarse, with helplessness in his eyes, he really can’t think of any way to save himself.

Seeing that this unfortunate remarriage has plunged him into injustice, he was furious.

But he panicked even more.

Since he was an adult, he has never been knocked by anyone, but if kneeling can prove his sincerity, he is willing to kneel under her pomegranate skirt.

Under the light, Su Nan’s eyes glinted at the stage, and he was not moved at all by Fu Yechuan’s words.

She curled the corners of her lips slightly, slightly disdainful.

“Don’t, Zheshou.” Are you

expecting a kneeling to relieve a thousand sorrows?

dream!

Leng Lin's words undoubtedly pushed the atmosphere of remarriage in the opposite direction.

Lu Qi stood aside, in the eyes of outsiders, like a scumbag who should be cut with a thousand cuts, but the sadness in his eyes was so deep and rich.

Everyone can't figure out, is he real, or is he pretending?

He thought that he would start a happy life again, but he didn't expect to come to a dead end like this!

That little bastard who used to be arrogant even when he spoke and did not dare to express his opinion, dared to stand up and make such a drama of revenge on him.

Well, that's great!

But at this moment, he actually realized that he didn't know her at all.

Didn't know she was actually a lawyer?

The people from the Lu family had already begun to direct the evacuation of the guests, and everyone was too embarrassed to stay and watch the fun, so they left one after another.

Unexpectedly, a little Zhengtai jumped to the stage, and Mengmeng's appearance was innocent and harmless.

He walked to Leng Lin's side, pulled her hand, and comforted her extremely intimately:

"Sister, you have to be brave, you are so beautiful, you will definitely find a better man, and I can introduce my daddy to you!"

As soon as the words came out, some people became interested and continued to watch.

Leng Lin was also stunned, the little Zhengtai who appeared out of nowhere.

Lu Qi choked, and the already ugly face on the side was even more ugly.

Worse yet!

Little Mike thinks this is a good opportunity to introduce this sister to Daddy, and he can monopolize the beautiful sister!

What a beautiful arrangement!

Thinking about it, he continued: "My mommy passed away, I'm very good, my daddy is rich, he will take care of you, you can be my mommy!"

Leng Lin frowned, looking at him softly. Soft curly hair, could not help but reach out and touch.

Little Mike thought that this action represented his agreement, he was even more delighted and expressed his position loudly:

"When I grow up, I will definitely take good care of my wife, I can't learn from Uncle Lu and Uncle Fu Yechuan, they are scumbags, I Daddy said, "Dog men who hurt girls will be punished by everyone!"

Everyone couldn't help laughing at him, and the atmosphere was much more relaxed.

But in the next second, what will they realize?

Uncle Fu Yechuan?

He actually dragged Fu Yechuan into it?

Isn't that slapping him in the face in public?

Everyone couldn't help but look in Fu Yechuan's direction.

He was trapped in darkness, his eyes were dark and deep, and he tried to control his emotions.

I told myself countless times not to be angry, not to be angry with a child!

But the chill that enveloped him had betrayed his emotions at this time.

It is impossible not to be angry!

Upon seeing this, the Lu family accelerated the process of evacuating the guests.

Su Nan's family walked to Leng Lin's side and reached out to the person beside her: "Come here."

Little Mike happily threw himself into Su Nan's arms, "Beautiful sister, does what they say make sense?"

Innocent Su Nan touched his fluffy curly hair and smiled, "Well, little Mike is awesome."

Leng Lin next to him came over, "This child used to know Miss Su. ?"

Su Nan smiled, "Yes, a child of a friend's house, childlike, don't mind Miss Leng."

"How could it be?"

Lu Qi stepped forward, his expression obviously decadent, and he still refused to give up.

"Wife..."

"Young Master Lu, please call me Miss Leng in the future, I think what I just said is clear enough."

Lu Qi's eyes darkened, his jaw tightened, and he hurriedly wanted to remedy:

"You I can give you anything you want, and if you are angry that I have bankrupted my father-in-law's company, I can help him rebuild..."

"Enough..."

Leng Lin was a little impatient, Even the apparent harmony is too lazy to pretend.

"Young Master Lu, I used all the money you spent to pursue me to buy off your ex-girlfriends. They are really cheap."

She sneered, not knowing who she was laughing at, and then looked at Su Nan politely.  
:

"Miss Su, see you laughing, goodbye."

Su Nan raised her eyebrows, "Okay, goodbye."

This Leng Lin is different from what she imagined, she is very appetizing!

Lu Qi still wanted to chase him out, but the Lu family stopped him:

“Okay, today’s farce has been thrown into the ancestral grave, what else do you want to do?”

Lu Qi struggled hard, the whole The person seems to be paranoid and has to chase it out.

Fu Yechuan walked in front of him and stared at him coldly, he was useless!

But he was even more angry that he shouldn’t have come. He was the most innocent person in the whole scene. It was all Lu Qi’s fault, and he had to bring himself when he was scolded?

But, Su Nan was here, and he couldn’t make things worse.

“Let’s go, I’ll take you back.”

Fu Yechuan held her wrist and dragged her away without refusing to refuse. Su Nan looked back, looking for his most reliable third brother.

The results of it?

Su Qizheng blocked Ning Zhi in the corner, not knowing what to say?

Su Nan scolded secretly, and sure enough, men are unreliable!

Little Mike followed with his two short legs, for fear of being alone.

Fu Yechuan really wanted to pick him up and throw him away, but he couldn’t, it was illegal!

Seeing him leaning tightly beside Su Nan, his blue eyes rolled, cunning and clever.

I don’t know what’s wrong with holding back!

Fortunately, the driver took little Mike and sat in the co-pilot quickly, leaving ample and private space for the two people behind.

The driver raised the small partition, blocking the intention of little Mike in front of him to make trouble.

Fu Yechuan glanced at it with satisfaction, the driver is good, and the salary has increased!

Su Nan sat there expressionlessly, replying to Yu Lou’s message.

Fu Yechuan was worried all over, for fear that Su Nan would throw him into hell with a single word.

He sat beside her, looking at her delicate and beautiful profile, his eyes deepened.

The feeling of unease was even stronger.

“Eat together at night?”

He wanted to find a chance to tell her to stay away from that Lu Qi’s ex-wife!

Su Nan didn’t lift his head, “Don’t eat, my dad is waiting for me at home.”

Fu Yechuan was silent, took a deep breath, and wanted to sweep away the haze of tonight.

“Dear, then next time.”

Su Nan’s hand paused slightly and squinted at him.

“Are you ill again?”

Fu Yechuan: “Lovesickness?”

Su Nan: “Go away!”

Fu Yechuan smiled and was scolded by her, but instead he felt a lot more comfortable.

Sure enough, he was still a bit mean in his bones.

at the gate of Su’s house.

Unexpectedly, Su Yifeng just returned from fishing.

That’s how the two cars met.

Fu Yechuan was still a little nervous. After all, since the last time we met, his identity has already improved.

But Su Nan was extraordinarily quiet. She got out of the car and brought Little Mike down. The housekeeper's uncle immediately took Little Mike and brought him in.

Su Nan just wanted Fu Yechuan to immediately get out of the car.

While wearing the buttons of his suit, the whole person is noble and pure, and the indifferent and noble temperament fits him in an instant.

Su Nan scolded secretly, he had already walked towards Su Yifeng's car neatly dressed.

He didn't want to miss this opportunity, and would rather risk Su Nan's anger to see his parents!

Su Yifeng didn't get out of the car, he lowered the window and squinted.

"Mr. Fu?"

Fu Yechuan nodded slightly, extremely polite, as if seeing a kind elder.

"Chairman Su, good evening."

Su Yifeng smiled, his eyes turned to his daughter, she seemed a little impatient.

"The fourth child went out with the third child, and even bothered Mr. Fu to bring him back. Thank you."

"It should be." Su Yifeng: "Mr. Fu, why do

n't you go in and have a cup of tea?" Fu Yechuan: "Okay, thank you Chairman Su." Su Yifeng: "...". Su Nan: "...".

As soon as several people entered the door, Su Xiaohu keenly analyzed the difference between humans, and it ran over excitedly.

"Baba, people love you..."

Its four little paws clasped at Fu Yechuan's shoes, trying to climb up, but couldn't, and looked at Fu Yechuan pitifully.

Su Nan rolled his eyes at it, artificial intelligence is heartless, and it is also an unfamiliar white-eyed wolf!

Fu Yechuan curled the corners of his lips, picked up Su Xiaohu with one hand and put it on the other.

His gentle response: "Baba loves you too..."

Su Yifeng, who was walking in front of him with anger, suddenly stomped his feet and almost fell.

Su Nan was extremely speechless, this dog man, he's a bitch again!

Everyone sat down, and the butler immediately served a cup of coffee and two cups of milk.

The milk was given to Su Nan and Su Yifeng.

Su Yifeng smiled apologetically, "Mr. Fu, the reception is not good. I'm getting old and I can't sleep with coffee, so I won't accompany me. Xiao Si is used to sleeping and can't drink coffee."

Fu Yechuan looked at the cup The rich hand-ground black coffee forced a smile on the stiff face.

"I like drinking coffee at night."

"That's good."

Su Nan raised his eyebrows, "Mr. Fu, since you like it so much, then try our black coffee."

Fu Yechuan's eyes swept darkly. glanced at her.

"Okay."

She said, but he wouldn't refuse.

He picked up the cup, took a decent sip, and then drank it all.

Even Su Yifeng saw that something was wrong.

He coughed, "How are your family members?"

Fu Yechuan nodded, "It's all good."

"Hey, I heard that you were going to marry that girl from the Hong family. Why did she suddenly become a murderer? It's a pity, your family must be very sad, right?"

Su Yifeng was inexplicable . When I remembered this, I just mentioned it casually.

Fu Yechuan smiled, "It's all rumors, Su Dong misunderstood, we never meant to marry their family, and we're not sad about what happened to her."

"We've all lived in your house, don't you mean it? "

Su Nan sat lazily on the sofa. If Fu Yechuan hadn't been here, she would be more comfortable than now with her legs crossed.

Fu Yechuan looked at her as if to explain the matter for her:

"Never, there is only one person I want to marry."

It's you.

Su Nan yawned, not wanting to continue listening.

"Send off."

...

Chapter five hundred and eighty eighth

Chapter Five Hundred and Eighty-Eight It's just for fun

Fu Yechuan's eyes froze for a moment, then he got up and said goodbye.

Su Yifeng saw the battle between the two people clearly.

He knew very well that Fu Yechuan didn't give up on Su Nan, but was a little paranoid, but it was good.

How he tortured Su Nan to death, he can taste it now.

After a few polite greetings, he asked the housekeeper to see off the guests.

Fu Yechuan was about to leave when Su Xiaohu, who was lying on the sofa, reluctantly ran into his arms.

"Baba, people will miss you, people will always love you..."

Su Nan paused and looked at the unconscionable Su Xiaohu.

Jealousy overwhelmed her.

"Since you miss him so much, let's go."

Su Xiaohu was slightly taken aback.

The artificial intelligence brain can't tell whether Su Nan's words are true or false.

Doesn't she like herself the most?

Su Xiaohu wagged his tail, reluctant to walk over, and ripped off Su Nan's shoes.

"Mama, people love you more..."

Fu Yechuan: "..."

Forget it, what is a duplicitous tiger?

The housekeeper sent him out, and Su Nan stretched lazily, planning to go upstairs to rest.

Su Yifeng stopped her and tapped lightly with his fingers: "What is your relationship with this Fu Yechuan now?"

Anyone could see that something was wrong!

It's not like falling in love, and it's not like a couple who broke up.

Su Nan pursed her lips, and her brows were a little loose.

"That's it, it's just for fun." It's

just that she played with him.

Su Yifeng knew very well that Su Nan was still very rational at critical times, especially her series of attitudes towards Fu Yechuan after the divorce.

She didn't want to continue that relationship.

So, what she said about playing is probably just playing.

Su Yifeng smiled, a little tired in his eyes.

"Just play and play, it's not that our family can't afford it, but be careful, don't let yourself burn yourself with fire."

He reminded kindly.

Su Nan raised his eyebrows, "No."

“It’s Shang Qian. Actually, I think it’s not bad, at least better than Fu Yechuan. Right now he’s putting the child in our house. If nothing else, this child is likable. The key is that To please you, if you choose him, your father will also support you.”

Su Yifeng thought about it carefully, in such a large circle, there are actually not many people who are right in the same household.

But compared with Fu Yechuan, they were inferior.

But if it is Shang Qian, his influence is abroad and will not be affected by Fu Yechuan, but he can give it a try.

Su Nan was halfway up the stairs. Hearing this, he couldn’t help but turn around and frowned.

“Dad, marriage is a tomb, how could I go in again after I just came out?”

Su Yifeng couldn’t help but be overjoyed after hearing this.

“Yes!”

It started to rain in the middle of the night, and the raindrops hit the window, pattering, making it a little noisy.

Su Nan fell into a deep sleep, turned over, and the mode in Su Xiaohu’s quiet room in the corner was changed to silent mode, and he immediately became quiet.

I don’t know if Su Qihui didn’t come back. When Su Nan went to work early in the morning, he didn’t see his car.

to the company.

Yu Lou is also rare to gossip.

“Mr. Su, I heard that last night’s banquet was very exciting. Master Lu’s remarriage banquet will go down in history?”

It’s not unusual for him to hear it.

Su Nan smiled, “Yeah, it’s wonderful!”

As he was talking, before he got to the office, a woman stood at the front desk, talking to the secretary.

Su Nan squinted, isn’t this the heroine from last night?

The secretary didn't know her, and she didn't make an appointment, so she didn't let her in and wait.

"Miss Leng?"

Leng Lin looked back and looked at Su Nan. It was different from last night's dress, a bit more stern and resolute, but the cold and bright body on her body still made people feel Unforgettable at first sight.

"Mr. Su, I take the liberty to interrupt, do you have time?"

Su Nan lowered her eyes and thought, she had nothing to do with Leng Lin, but she also felt sorry for what she went through, so similar to herself.

"Please come in."

Yu Lou took the lead and pushed open the door of the office. Su Nan and Leng Lin walked in one after the other.

"What would you like to drink?"

"Coffee, thank you."

Su Nan just sat down and glanced at the computer subconsciously. The stock market opening situation was very clear on the trend chart.

The most conspicuous is that the Lu family's stock has been plummeting. In just a few minutes, hundreds of millions have evaporated.

Leng Lin dresses very smartly today, and the dress of a professional woman in the workplace is in line with her status as a lawyer.

"Miss Leng, what's the matter with me today?"

Leng Lin smiled and hesitated for a few seconds.

"There is indeed something that I would like to ask President Su for help."

Su Nan raised his eyebrows, "Please say."

“President Su also knows that what happened last night is well known to everyone. Although my law firm was established, everyone is obstructing it. In the face of the Lu family, there are no customers coming, and within a month, I will be closed.”

Leng Lin laughed at herself, “I know that President Su has also endured an unhappy marriage, and speaking of it, we too We are sympathetic to each other, but unfortunately I don’t have the confidence of President Su. My family was bankrupt by Lu Shaoyuan, and I have no power to fight back.

The farce last night was my last counterattack.”

Su Nan’s heart trembled, but still Laughed.

“The Lu family has evaporated several hundred million at the opening of the market today, and now it will be one billion. Miss Leng, don’t underestimate your own ability.

” If you invest in my firm, no one will care about the influence of the Lu family.” To

completely eliminate the influence of the Lu family, you can only find someone who is stronger than the Lu family and doesn’t care about the Lu family.

Su Nan is the best choice.

Silence for a few seconds.

Su Nan immediately understood her intention.

Although the Lu family’s face was ruined at the wedding banquet, this circle is forgetful and xenophobic. Soon, the unknown Miss Leng will be a thing of the past, and the Lu family is just an extra layer of scandal.

But the wealthy, how many have no scandals?

If Leng Lin wants to truly live out her own value, she must have her own career.

Su Nan felt that there was no problem, but it was just a little effort.

“Okay, no problem.”

Leng Lin was a little surprised, “Just... so happy?”

Su Nan smiled, “You dare to take this step, you are much braver than me, but I I also have to worry about the bad face of the two families, but you have done what I have always wanted to do, and of course I will support you a hundred.”

Leng Lin was no longer restrained, and smiled and sighed with relief.

“Thank you.”

Su Nan pondered for a few seconds: “But I think that since the business has been opened in a high-profile manner, we can’t close the door in a low-key manner. It is better to find a way to push the law firm out.

Not only those ladies and ladies, but others who need it. You can also get in touch to expand the audience, so that you don’t have to be restricted by customer restrictions, and you don’t have to worry about running out of customers.”

Leng Lin looked at her in shock, she said such a professional plan casually, and she admired it even more.

Su Nan thought, leaned on the chair, and drew a circle in the air with a pen at random.

“Advertising costs money, but judging from the current market situation, the most cost-effective way is to be an image spokesperson. With the current trend, if it can be liked by netizens, that would be great.”

Her thinking was fast . Suddenly, his eyes flashed, and he smiled:

“Why don’t I make a variety show, and divorce and single women’s career development will definitely resonate well, what do you think?”

Leng Lin also has bright eyes, she nodded, and then embarrassed: “But will the investment be very big?”

Su Nan waved, “Don’t worry, I will leave it to a professional to do it. , you are responsible for participating.”

Leng Lin nodded solemnly.

On what Su Nan suggested, everyone hit it off.

Su Nan immediately asked Du Yan to find someone to make a plan.

Not long after Leng Lin returned, she also made a clear distinction of 50% of Su Nan’s rights and interests.

Su Nan squinted, changed it to ten percent, and sent it to Leng Lin.

Her energy is not on this, so naturally she can't take advantage of her, and after this, the law firm still wants Leng Lin to manage it herself.

Du Yan has no doubts about the freshness of this variety show. Everyone sees a lot of love for the show. This kind of self-improvement and inspirational career after divorce will definitely open up a new path.

After all, Su Nan was vigorous at the time of her divorce, and everyone was trembling at her career. Unfortunately, Su Nan is not an actor and can't perform for everyone.

As soon as this variety show comes out, it will definitely attract a lot of attention, and you don't have to worry about the popularity.

Immediately, Du Yan immediately held a secret discussion, and the plan was immediately settled.

The protagonist to participate is not only Leng Lin, but also several well-known divorced female stars in the entertainment industry. These people are the guarantee of early ratings.

And Du Yan was very determined to invite Su Nan to participate, because everyone was more interested in her identity.

Su Nan did not agree immediately, but also agreed to participate in the first phase to increase the popularity.

When this variety show started looking for investment, Su Nan did not agree to the Su Group's investment, but instead faced the public.

Fu Group.

Chen Mian hurriedly put the investment invitation proposal on Fu Yechuan's desk.

Fu Yechuan raised his eyebrows, "What show?"

"I heard that it was a divorce variety show that was produced to support Young Master Lu's ex-wife, Miss Leng."

Fu Yechuan frowned, "Lu Qi won it?"

He scoffed.

Chen Mian looked at his face, "Miss Su took it."

Fu Yechuan's face was ugly, the one who said Leng Lin was not a good thing, don't teach Su Nan badly.

“Yellow it.”

He immediately decided, his eyes were extremely cold.

Chen Mian: “Miss Su will also participate.”

There was silence in the office.

After a while, Fu Yechuan suppressed the throbbing in his heart and clenched his teeth sharply.

“No matter how much money is paid, our Fu family must exclusively sponsor this variety show.”

Of course, he must fully support his women’s show, and he will not give others the opportunity to be courteous!

Chen Mian frowned and continued to explain the and nature of the variety show, hesitantly said:

“Mr. Fu, the direction of this variety show market is unclear, and the number of guests invited is not large, and it is mainly for divorce... .”

“Okay, don’t say it anymore, I’ve decided to do it.”

He immediately ordered.

Chen Mian paused and could only obey his orders.

“Yes.”

Within a few days, the script for this variety show was delivered to Fu Yechuan’s table.

The name of this document is extremely loud.

“Love in the whole city!”

Fu Yechuan read these four words for a long time, his eyebrows were tightly knitted, his eyes were cold, and he didn’t look very happy.

Chen Mian paused, “Mr. Fu, I have already told you that we will not have too much participation in the recording of the program, and the funds have been allocated at one time. The divorced female stars invited are all well-known, and they will not be right. What influence do we have?”

Fu Yechuan’s slender and clean phalanx rubbed the four words, his eyes were heavy.

Dare Su Nan to participate in this variety show of happy life after divorce?

His jaw tightened: "Is it too late to withdraw funds now?"
