Chapter Five Hundred and Ninety-One We earned it.

Fu Yechuan felt that he seemed to have dug a hole for himself, and he had to jump if he didn't want to.

If he had known, he should have been agitated at all costs!

Chen Mian did not speak, and looked at him silently.

Impulsivity is the devil!

Fu Yechuan irritably picked up a cigarette. In the smoke, he knocked on the table, "Forget it, just throw it away."

Chen Mian didn't know what to say, so he could only comfort him:

"President Fu, Hua Ying. President Du of Entertainment is very optimistic, and the ratings are not expected to be low, and our investment will not be thrown in vain, maybe we will make a profit."

Fu Yechuan glanced at him coldly.

"This money is for you, do you want it?"

Earned it?

He would like to pay to die!

Chen Mian stood there dumbfounded, not daring to say a word.

At this time, Wu Tutu was still useful, but unfortunately he was not there.

But then, he got first-hand information here.

This show needs a male guest to be the host.

Fu Yechuan immediately decided to participate in person himself!

It is necessary to correct the three views of these women. Why can't people who have done something wrong go back?

The prodigal son does not change the money when he turns his head, and if he knows his mistakes, he will correct them. He is still a good young man!

He asked Chen Mian to inform the program team that he would appear as a mysterious guest and give Su Nan a big surprise!

When the news reached Su Nan, Su Nan also recommended a male guest and asked Du Yan to communicate with the program team.

Du Yan looked at these two people, his worried hair turned white, he rubbed his face by mistake, and looked at Su Qi who was happy and comfortable on the sofa:

“Mr. Su, this is your company. Tell me, who does this male guest choose?”

Su Qi clicked his tongue and smiled lazily: “Whoever is popular, choose whoever.”

Du Yan: “...”

After half a month, everyone was ready.

Su Nan handed over the company's affairs to Su Jin, and then went to record the show without any burden.

At the show, in addition to Leng Lin, whom she had known for a long time, there were also three divorced female stars.

Sang Yi, Yang Qian and Liu Chengcheng.

Sang Yi is sophisticated, Yang Qian is beautiful, and Liu Chengcheng is timid and follows Yang Qian.

The three of them are very popular in the entertainment industry. When they got married, they also attracted a lot of attention, but the longest marriage lasted only two years before it was announced.

Now, divorce not only did not bring an end to their careers, but released the limitations of their careers, and now their careers are booming.

Leng Lin is a very gentle character in it. She doesn't fight, she doesn't have any hot speech. When Su Nan went, the three female stars were chatting hotly, ignoring Leng Lin who was sitting in the corner.

As soon as Su Nan entered, they all stood up and hugged and greeted each other, as if they had known each other for a long time.

The atmosphere was harmonious for a while.

If there is no harmony, who would dare to compete with Su Nan among female stars in the entertainment industry?

Their origin is their end, and the career they have been fighting for for half a lifetime can end bleakly at the touch of a finger.

Everyone gave up the C position to Su Nan, but Su Nan happened to sit next to Leng Lin. Everyone watched this scene and couldn't figure out who this Leng Lin was.

Su Nan smiled lightly, "Let President Du Yan introduce you?"

If Du Yan can introduce himself, Su Nan will not be spat on.

Du Yan was already mentally prepared. On an oval table, he stood at the C position, but Leng Lin was the first to be introduced.

"Everyone, let me introduce one of the participating guests. This Miss Leng is the producer of our show "Love in the City", and she is also a lawyer who specializes in divorce cases. The CCCC will help us provide professional legal guidance." The

expressions of the three women changed slightly, and the most inconspicuous woman who was ignored just now turned out to be a producer?

Leng Lin smiled and nodded gently.

Afterwards, Du Yan introduced Su Nan, and he just said "special guests", and then he started to introduce the three female stars.

"There is also a male guest who will lead us as the captain. Who is it?"

Du Yan smiled mysteriously.

...

Chapter 592 Isn't he the only one?

Chapter 592 Isn't he the only one?

There are two doors in the north and south of the room. I don't know if the program team deliberately arranged it.

As soon as Du Yan finished speaking, he clapped his hands, and the two doors were opened at the same time.

Everyone was stunned for a while, but the male guest who appeared in the south turned out to be Xu Teng!

Xu Teng was white and clean, standing there in a gentle manner with a gentle smile.

And shockingly, the male guest who appeared in the north turned out to be Fu Yechuan!

It's just a thunderstorm!

Fu Yechuan actually came to the show?

That Fu Yechuan, who turned his hands for the clouds and covered his hands for the rain, actually participated in such an inconspicuous little show?

Everyone didn't know in advance that the three female stars were shocked, nervous and joyful, and they all began to care about whether their makeup was exquisite enough to attract men's attention.

It seems that I forgot what my original intention of coming to this show was.

And Fu Yechuan stood there, and at first he suppressed his excitement when he was about to see Su Nan, but after seeing Su Nan, especially after seeing the man across from him, he wanted to smash the s inside. !

Oh shit!

How did that fake come about?

Is he still a mysterious guest like him?

At this time, Xu Teng was standing inside, his smile was slightly stiff, and he looked at Fu Yechuan's eyes a little, and quickly came to Su Nan's side.

It wasn't that he wanted to come. Du Yan said that it was Su Nan who asked him to come by name.

After his debut, he has filmed so many scenes, all of them are insignificant supporting roles. Even in the last entertainment news, it must be said that he is Fu Yechuan's stand-in. For him, this variety show is the only male guest, a once-in-a-lifetime opportunity!

So, he came without hesitation.

But who would have thought that the righteous master would come!

He could feel Fu Yechuan's cold chill and murderous aura from far away!

flustered.

Fu Yechuan didn't go in. There was light on his back, and a halo shrouded him, but there was no warmth at all.

He stood there, his perfect facial features seemed to have been carefully carved, his temperament was noble and cold, aloof, cold and deep, and difficult to approach.

Everyone's original cheers stopped abruptly, because they found Fu Yechuan's face, which was terribly ugly.

Suddenly, at a loss.

Su Nan stood there, looking at Fu Yechuan who appeared unexpectedly, frowning and squinting at him.

What a surprise.

She looked at Du Yan.

Fu Yechuan fixed his eyes on Xu Teng, then looked at Su Nan, and finally put his eyes on Du Yan.

Du Yan felt that all eyes were on him, and he felt uncomfortable all over, but he had to persevere.

There's no way, as Su Qi said, whoever is more popular will use whoever, but if two people get together, isn't it more popular?

As a senior media person, I know how to use the maximum value of everyone and use it to the extreme. Right now, this is the case.

He had to bite the bullet and coughed, walked over with a smile, and greeted Fu Yechuan in person.

"Mr. Fu, you are very welcome to come here as a male guest. Our program is very honored to invite you to participate." Fu Yechuan's

eyes were sharp, and the corners of his lips were hooked: "Oh?"

, explained by the way:

"Fu is always our surprise guest, and we also invited Mr. Xu Teng Xu. As the assistant of our goddesses, he also assists Mr. Fu's work. If Mr. Fu needs anything, he can ask Mr. Xu."

In just a few words, the priority was set.

Xu Teng's existence is only to serve Fu Yechuan. The status is different and the division of labor is also different.

The coldness in Fu Yechuan's eyes did not fade away, Du Yan felt that he could not hold back, so he looked at Su Nan as if asking for help.

If I had known earlier, he would not have played this clever trick.

...

Chapter 593: Domineering President Be Careful

Chapter Five Hundred and Ninety-Three Domineering President

Su Nan rolled his eyes, and immediately understood that Du Yan was greedy and was doing things in the middle.

Xu Teng was the person she recommended, so Fu Yechuan should be his own channel.

She took a deep breath, so many people didn't want to make trouble, and it was to cheer Leng Lin, so she could only settle accounts in the autumn.

She stretched out her hand silently and began to applaud.

welcome.

Immediately afterwards, everyone started to applaud with a wink, and it became more and more enthusiastic.

The applause belongs only to our President Fu!

Fu Yechuan looked at Su Nan who was the first to applaud, his eyes narrowed slightly, and the chill on his face subsided.

Finally, he condescended to walk in.

Du Yan breathed a sigh of relief.

Finally passed the first hurdle.

Fu Yechuan walked to Su Nan's side, and the person beside him consciously gave up his seat.

At first glance, Fu Yechuan stood in the C position of everyone.

Weird, but not inconsistent at all.

Su Nan stood there, smiling blankly, not at all distracted.

Xu Teng, who was behind her, winked to the most corner.

He didn't dare to provoke Fu Yechuan.

The beating that day was enough to keep him vigilant for the rest of his life.

After the general rules were introduced, everyone went outdoors and played a few small games at the beginning to enhance their feelings.

Su Nan walked lazily behind, Leng Lin followed her.

The other three female stars could not wait to get close to Fu Yechuan and attract attention.

Yang Qian: "President Fu, the first time I saw you, you are more handsome than in magazines and TV..."

Sang Yi: "Yes, Mr. Fu, why did you suddenly come to the show? Really? so unexpected, the director did not tell us that this is too big a surprise "

Liu Cheng Cheng: "Yes, with the total Fu, our ratings will hit a new high. "

... ..

Leng Lin couldn't help but smile and glanced at Su Nan, "Fu is always here for you, right?"

Su Nan glanced at his back, with broad shoulders and narrow waist, tall and straight, standing there Just outstanding.

"It's for the money..."

She said casually, and the person in front froze slightly.

Suddenly stopped, turned around, with a trace of grievance in his eyes: "I'm really here for you!"

Su Nan was speechless and looked at the follow-up director, "Cut this part out."

"Hey!"

Fu Yechuan's expression darkened After hesitating, he deliberately walked to Su Nan's side and whispered,

"You haven't contacted me recently."

Su Nan raised an eyebrow.

Fu Yechuan: "You don't answer the messages I send, and you don't answer the calls."

Su Nan was silent.

Fu Yechuan: "Did you forget that I am yours!"

Su Nan couldn't bear it anymore and gave him a cold look.

"Shut up."

Fu Yechuan's body froze, and the arrogant president who was always aloof at the top actually shut up obediently.

The filming director on the side: "..."

What did he film?

No, he didn't dare to photograph anything.

Leng Lin glanced at Fu Yechuan unexpectedly, but then there was a trace of disdain in her eyes, and she didn't look down on him at all.

The three female stars in front couldn't find the opportunity to please Fu Yechuan at all.

The first game, swim the lake.

Orange Orange is afraid of water and is on the shore.

The others, in groups of three, rowed a small boat to see who got to the opposite shore first.

The rules are simple and crude.

But the difference is that there is no pulp, and it is stroked by hand.

Du Yan began to announce the results of the group draw, and everyone was looking forward to it.

I don't know if Du Yan made a move in the draw.

Du Yan: "The first group: Su Nan, Fu Yechuan... and... Xu Teng."

...

Chapter five hundred and ninety fourth he will drive a yacht

Chapter 594

Fu Yechuan was quite satisfied that he would drive a yacht, but when he heard Xu Teng's name, his face instantly turned gloomy.

This fake, it's everywhere, it's really hard to clean up!

It's a pity that he can't be seen, the cautious side of his domineering president.

Su Nan recommended Xu Teng entirely because he was willing to give him a chance except for some careful thoughts that should not have been moved at the beginning, and then nothing went too far.

Who knew that Fu Yechuan would steal the limelight.

Undoubtedly, no matter how Fu Yechuan performs in this variety show, he will definitely become the focus of the audience.

They were given two small wooden boats. Yang Qian, Sangyi and Leng Lin were in a group. They got on the boat and were very interested in studying the strategy.

Fu Yechuan got on the boat, turned his head and handed it to Su Nan, Su Nan glanced at it, didn't answer, and jumped in by himself.

The remaining one, Xu Teng, glanced at Fu Yechuan tremblingly, then lowered his head quickly, jumped over by himself, and sat farther away from Su Nan.

Fu Yechuan stroked his lips and his face darkened.

Damn, looking at this fake is heartbroken.

He sat between the two of them.

Su Nan glanced at him and said nothing.

Du Yan was on the shore: "Okay, everyone is ready,

let's start—" Another boat started rowing happily.

But here.

Fu Yechuan didn't move.

Su Nan didn't move.

Those two were both presidents, and only Xu Teng contributed.

There is one Xu Teng left, holding the pulp and plucking it twice, oh, it can't move.

Du Yan watched with the binoculars on the shore, and wiped the sweat for Xu Teng.

Director: "According to this arrangement, the gimmick is there, but how embarrassing..."

Du Yan: "You don't understand."

Director: "..."

Still waiting for him to go further Explanation, but Du Yan did not speak again.

on board.

Fu Yechuan smelled the sweet fragrance of Su Nan's body, and his mood opened up for a while, surrounded by beautiful scenery in the distance, and the lake was very beautiful.

He suddenly remembered something, and his voice was warm: "Have you ever thought about where to go for your honeymoon?"

Xu Teng tried his best to look into the distance, rowing vigorously, as if he didn't hear anything.

Shrinking in the corner with the filming director: "..."

This is a divorce variety show, will it not develop into a remarriage variety show?

Su Nan's brows twitched, and his face couldn't help but turn cold.

"As long as there isn't a place for you, it's fine."

Fu Yechuan's eyes sank, did he not want to spend time with him?

He pursed his thin lips tightly, looked at Xu Teng beside him, and was angry.

Su Nan couldn't help being irritable, picked up the oars on the side, "Xu Teng, I'll help you row."

Xu Teng: "Hey!"

Fu Yechuan's face darkened a bit.

He grabbed the oar from Su Nan's hand suddenly, and said in a deep voice, "I'm coming."

How could Su Nan be allowed to do this kind of foul language?

As he spoke, he sat across from him and propped up his idle oars.

"Would you?"

Su Nan questioned.

Fu Yechuan sneered, "I can even drive a yacht. I might not be able to do such a primitive action?"

After speaking, he put the oars in the water in front of the hull and was about to push back, but suddenly there was something in front of him. Don't stop...

Fu Yechuan frowned, and when he tried hard, he heard Xu Teng screaming suddenly, and the next second, he fell into the water!

Su Nan was shocked: "..."

Xu Teng fluttered twice, "Help—"

Su Nan couldn't help but be anxious, but don't cause any fatalities!

She looked at Fu Yechuan and motioned him to think of a solution quickly.

Fu Yechuan's face was ugly, and he scolded Xu Teng ten thousand times in his heart. This fake is not only fake, but also fake!

He looked coldly at Xu Teng splashing water in the water, indifferent, and finally couldn't help sneering:

"I don't want to die, but you stand up!"

In a word, Xu Teng suddenly stiffened and stopped fluttering.

Under everyone's attention, he slowly got up.

The water just covered his waist.

embarrassment!

silence!

In an instant, the laughter and hurried screams in the whole lake stopped abruptly.

Su Nan pursed his lips and breathed a sigh of relief, sitting quietly on the boat, looking at Xu Teng in the water with complicated eyes.

He looked at him a few times with the eyes of a fool, and then chuckled softly and made a round.

"The water is really shallow, do you want to go back and change clothes?"

Xu Teng knew that he was right, but he was just too scared...

Who knew that the water was so shallow, it was really shameful.

Especially in front of the rich woman Su Nan.

"No... No need."

Fu Yechuan sneered coldly.

"Since we don't need it, let's just push the boat for us in the water. If we make a fuss, our team will lose." The

two men's team lost to the team without men.

Who is ashamed?

Su Nan felt inappropriate, just wanted to say something, but suddenly his mind flashed and he remembered something.

"Just now, did your pulp stick to Xu Teng's pulp?"

Fu Yechuan's face froze fiercely, and his long and narrow eyes jumped.

Su Nan couldn't help but question again, "You don't really know how to row, do you?"

Therefore, that unprofessional method pinned Xu Teng's oar, and then pinned Xu Teng into the water.

Fu Yechuan's lips tightened for a moment.

His dangerous and sharp eyes glanced at Xu Teng, who was pushing the boat obediently in the water.

Take it back.

He coughed: "Of course I can, I can even drive a yacht."

Su Nan gave him a blank look, a dog man just can't row a boat, and he is stubborn!

On the side, Xu Teng pushed the boat desperately, and with the filming director, the three people on board weighed nearly 300 pounds!

He was aggrieved and worked very hard.

No way, if you don't work hard you will be beaten.

Fu Yechuan's methods were arrogant and ruthless, but he was not someone to talk to.

He can taste it.

to the shore.

The other three women were celebrating winning first place.

Leng Lin has gotten along with them very casually, and she looks pretty good.

As soon as Fu Yechuan came ashore, someone handed over water, he took it, and turned to give it to Su Nan.

But Su Nan stretched out his hand to help Xu Teng come up on the shore, looking very concerned.

For a moment, his eyes were as cold as frost.

"Are you alright, go take a shower and change your clothes and come back again, don't catch a cold..."

Approaching, I heard her and the fake.

Xu Teng's face paled and he smiled, "It's okay, I'm not tired, it's fine if you don't wet your clothes."

Fu Yechuan walked over with cold eyes, Xu Teng immediately retracted his hand, and took a step back.

The look of fear should not be too obvious.

Su Nan looked indifferent, "Go, you can't be in the mirror with wet clothes."

"Hey..."

Xu Teng responded and turned around to return by boat.

Fu Yechuan was suddenly behind and said in a cool tone, "It's wet, so why don't you just walk back in the water and give the boat to the ladies."

Su Nan clicked his tongue, trying to exhaust him?

Xu Teng couldn't help it. He was so exhausted that he couldn't even lift his legs to walk. He even let him walk back from the water?

In front of Su Nan, in front of countless cameras at that time, his eyes were red, and he had to create a topic for himself.

He suddenly looked at him aggrievedly.

With just one glance, when he met Fu Yechuan's cold and penetrating gaze, he suddenly trembled and shivered.

The sequelae of the fear of being beaten.

He pursed his lips and backed away.

just for a moment, Xu Teng thought about it.

He turned to a bright smile:

"Yes, Mr. Fu is thoughtful. I also want to go back, so I will give myself a little challenge."

After speaking, he turned around and went into the water again.

Wade back in the water.

Without turning his head, his back was bleak and firm.

Su Nan hesitated, but the boat was really not enough. If he contacted the other side to deliver the boat, it would probably take more time.

No delay.

After thinking about it, she turned and left.

Fu Yechuan followed a few steps, took her hand, and rubbed the fingers that Xu Teng had touched fiercely.

She even rubbed her hands red, which was particularly dazzling on her white and tender hands.

Su Nan pulled back his hand coldly, his eyes extremely pale.

“Are you ill?”

Fu Yechuan’s eyes turned crimson at some point, and his low hoarse voice restrained his emotions:

“Yes, so you are not allowed to talk to him.”

Su Nan was speechless and smiled coldly, “You said it doesn’t matter.”

His heart trembled, and his eyes were cold.

Yes, what is he?

“Su Nan, did you ask Xu Teng to participate in the show?”

No one has this interest except her.

Su Nan smiled lightly, “Yeah...”

Are you angry?

Embarrassed?

Then log out automatically!

Fu Yechuan’s eyes narrowed slightly, he stepped forward, approached, and gently stroked the broken hair in front of her forehead with his hands.

The voice was extremely cold:

“I’m not enough, do you still need fakes?”

Su Nan raised her eyes, her eyes met, needle-pointed wheat awns, and they refused to give in to each other. She hooked her lips and reached out to touch the collar of the man’s shirt.

His voice was clear: “Men, one is not too much. There is no permanent boyfriend, but I have enough!”

Fu Yechuan choked his breath, gloomy and gloomy, he gritted his teeth and roared in a low voice, “Su Nan— A gentle voice appeared from behind, “

Su Nan, come and drink some hot water?”

It was Leng Lin.

Su Nan immediately turned around and walked over.

Leng Lin stood with the two female stars. They were holding hot water that had been prepared for a long time. Leng Lin handed Su Nan a cup.

Su Nan smiled, “Thank you.”

“I saw that you were not going well just now. Is there anything wrong with Mr. Fu?”

Leng Lin was worried that Fu Yechuan would do something and it would not end well.

Su Nan said indifferently, “No.”

Yang Qian couldn’t help but looked at Fu Yechuan, and asked Su Nan again,

“Miss Su, Fu is not always chasing you, will you be reconciled?”

Su Nan casually raised it. Lifting his eyelids, he took a sip of hot water.

“No.” The

voice was cold, without a trace of warmth.

Fu Yechuan’s expression changed instantly, but he quickly returned to normal.

He will make Su Nan slap in the face!

Yang Qian’s face was obviously happy for a moment.

Sang Yi is the same.

Leng Lin was indifferent, without the slightest reaction.

It has nothing to do with her, she doesn't care.

Leng Lin: "We all know he's a scumbag, and if he still eats grass, he deserves to be scumbag."

Fu Yechuan, who was walking over, froze for a moment, and his eyes gradually filled with anger. He looked up and saw Lu Qi's ex-wife. , really is not a good person!

Yang Qian couldn't help but refute: "Not necessarily. The reason for the two people's departure may be because of different lifestyles and problems during the break-in period. If the break-in period can be good, the marriage can still be expected."

Sang Yi also agreed: "Yes, scumbag. It can't be easily defined on a person, maybe what he does to a woman is inappropriate because he doesn't love, but if he loves another woman, he won't be a scumbag!"

Su Nan and Leng Lin couldn't help but look at each other.

Where did these two marriage experts come from?

Are you so professional yet divorced?

But Sang Yi's words do sound reasonable.

Leng Lin was silent for a moment, and then fluttered down a sentence:

"According to what you said, Miss Su and President Fu separated, is it Miss Su's fault?"

The face of the two people quickly changed when they were sick, and they panicked.

"No... that's not what we meant, we just said that the lifestyle is different, and we didn't mean to target Miss Su."

Su Nan smiled lightly, without the slightest coldness in his brows and eyes, but with a little tenderness .

“I know that everyone is not malicious, just talk about it casually. Miss Leng, don't scare them.”

Seeing that Su Nan really didn't look angry, everyone was relieved.

She is more approachable than she thought...

Yang Qian glanced at Fu Yechuan and coughed: “Miss Su is a good person, and she will definitely find someone who truly loves you in the future, and so will President Fu.”

Fu Yechuan's eyes lighted Sweeping coldly, a group of women whose marriages failed, are still qualified to teach Su Nan how?

Sang Yi suddenly took out his mobile phone, “By the way, let's add a WeChat account to facilitate contact, and we will be a team in the future.”

Yang Qian also took out her mobile phone excitedly, ready to scan the code.

Seeing this, Leng Lin also found the QR code.

So is Su Nan.

Yang Qian came to Fu Yechuan with her phone in her arms, shook it, and smiled:

“Mr. Fu, where's your WeChat?”

What an exciting moment!

There is no woman in the entertainment industry who can get this god, even in front of her eyes.

Having WeChat is the first step to success.

Fu Yechuan's eyes swept over her coldly, raised his chin, and motioned to Su Nan,

“Just add her.”

He insisted on making the relationship between the two inseparable.

Yang Qian: “Mr. Fu, you are both divorced, and you are so afraid of Miss Su being jealous. Does Miss Su mind?”

Su Nan raised her eyes, and the corner of her mouth was cold.

“Of course I don't mind.”

Fu Yechuan felt that he was also someone who had experienced strong winds and waves, and had never bowed his head in the face of life and death.

But one day, he will be pissed off by Su Nan.

How could she allow other women to have his contact information!

How can this be possible!

Fu Yechuan could not wait to grit his teeth and swallow. Yang Qian smiled even more happily, and threw a wink

in a charming manner:

“Mr. Fu, Miss Su said she doesn’t mind, let’s add one, it’s all for work!”

He reached out and stroked his forehead, smiling coldly.

“Sorry, I don’t have WeChat.”

Yang Qian’s smile froze on her face.

If she couldn’t hear such an obvious rejection, she would have wasted her experience of rolling among men.

Yang Qian: “Hahaha, Mr. Fu is really in a hurry. Maybe it’s for the sake of the company’s secrets.”

If she asked again, she didn’t get down the stairs.

Su Nan ignored her, bowed her head and said a few words to Leng Lin, and then contacted Du Yan to go back.

Leng Lin got on the boat, and Sang Yi followed.

Fu Yechuan was waiting for Su Nan on another boat, but Yang Qian sighed, “We’re missing one person...”

Everyone looked over, Xu Teng was missing, that’s all!

Yang Qian pursed her lips and looked at the director beside her coquettishly:

“Then it’s not fair. The three of us are not as good as one man, and we’re going to lose!”
The

director looked at her blankly and blankly, so what?

Call Xu Teng back?

Yang Qian started to hint secretly: "I think it's better to choose the heaviest one to go with the man. Three women can lighten some of the burden, or the two lightest women can go with the man.

"I know what Yang Qian means.

Isn't the heaviest woman the plumpest and most sexy Yang Qian?

The other three women are all thin types.

Sang Yi frowned, slightly dissatisfied.

"If you want to change the rules, you can change them..." "It's all for fairness..."

Fu Yechuan was irritated there. Several women were chatting, really annoying!

Especially when he heard that he was going to be separated from Su Nan, he looked at the fat woman of Yang Qian, and his eyes couldn't help but have a strong chill.

Just when he was about to speak to set things right, he suddenly saw Su Nan turn around.

Su Nan: "Then you and Mr. Fu are on the first team, and I'll go to the other team."

Yang Qian was overjoyed, but she didn't expect Su Nan to agree so quickly.

It can be seen that the reconciliation of these two people is really out of play.

Here's her chance!

Su Nan jumped onto another boat, Fu Yechuan looked at Yang Qian gloomily, she reached out to ask him to help him, Fu Yechuan glanced at her indifferently, turned around indifferently, and had a cold temperament.

He doesn't care about lens effects at all.

But Fu Yechuan, who would dare to provoke him?

nonexistent.

Yang Qian raised her eyebrows, not discouraged.

Domineering presidents are temperamental!

“Mr. Fu, don’t worry, I won’t hold you back.”

She straightened the plumpness of her chest, and no man was unmoved.

Fu Yechuan stood on the bow and looked at Su Nan on the other boat. She was very happy when she got to the other side.

Seeing this, he was even more heartbroken.

Yang Qian wanted to attract his attention, so she bent over deliberately and almost fell, “What’s wrong with this paste, Mr. Fu, do you want to take a look?”

Fu Yechuan didn’t even want to look back, his voice was extremely cold.

“If you don’t know how to row, go down and push.”

Anyway, he wouldn’t do it.

Asking him to serve a woman who is not Su Nan is simply a daydream!

Yang Qian choked, seeing that he was not joking, and paused.

He blinked his eyes aggrievedly. Although he was old, he still had the same charm:

“Mr. Fu, did someone do something to make you unhappy?”

Fu Yechuan’s eyes were dark and deep, and he ignored the presence of the filming director. With a cold and low threat in his tone, he spoke directly:

“Put away your thoughts, I’m here only because Su Nan is alone, if you can cooperate with me, you can get what you want, but you have to dare to do something small. Disgusting me, I will also make you pay the price.”

Fu Yechuan's dark eyes were turbulent, with a cold breath, and his condescending warning was the last of his patience.

If the woman still doesn't understand, then he won't waste time either.

Yang Qian was stiff and trembling slightly.

His face instantly became bloodless and tense, and his smile was extremely ugly.

The experience of fishing Kaizi told her that Fu Yechuan in front of her was something she couldn't imagine.

His warning now is very polite.

Otherwise, it can be said and done.

She knows the fate of offending people, and quitting the circle is a good thing.

Those who are disobedient will be sent to certain places, and if everyone has had enough fun, they will be shut down in a mental hospital and never see the light of day.

Thinking of this, her thoughts about hooking up with people instantly converged.

She smiled cautiously, "Mr. Fu, I understand, I will definitely cooperate with you to get back Miss Su, I will never dare."

Her plea for mercy did not return a trace of Fu Yechuan's response.

He looked indifferently into the distance, ignoring her.

There is also a follow-up director on the side. He thought about it, and this can't be cut in.

She gave Yang Qian a wink and signaled to catch up with the other boat quickly.

Yang Qian's face was pale, and she smiled hard. Yes, if she didn't have the material, she would be in vain for this issue.

"Mr. Fu, please rest, I'll row the boat!"

Look carefully, laughing is uglier than crying!

She really used all her strength to row the boat, and the big beads of sweat fell on her face, and she even spent makeup.

One person bears the weight of three people, and the arm that shakes the pulp is sore and trembling.

So tragic!

And the three people on the other boat, without much effort, even sang songs with laughter?

Don't make the comparison too obvious!

Suddenly, she was a little sad...

...

The five hundred and ninetieth chapters are sick and quickly treat

Chapter Five Hundred and Ninety-Nine I'm sick and quickly treat

Fu Yechuan looking at Su Nan so happy without him.

Especially when she was with Lu Qi's ex-wife, she was really heartbroken.

The singing is loud and clear, one side is rafting on the lake easily, while the other side is cloudy and gloomy.

After thinking about it, he couldn't sit still.

Immediately, he took out his mobile phone, found Su Nan's dialog box, and entered a few lines of words.

"Baby sings so well, it's really the best singing baby in the world!"

Su Nan heard the sound of the phone, thinking it was a work emergency, picked it up and took a look.

This ... I

can't wait to throw my phone in the water.

An angry face turned blue.

This dog man!

She replied directly: "If you are sick, get rid of it quickly."

Fu Yechuan was truly honored to see her reply in such a timely manner.

The expressions were tinged with joy.

It belongs to the moment when the WeChat prompt sounded.

In addition to Fu Yechuan, Yang Qian and the filming director on the boat couldn't help but be stunned.

He just said clearly that he doesn't have WeChat!

Fu Yechuan opened it as if nothing had happened, and amplified it.

Hearing her say: "If you are ill, treat him quickly." The woman scolded him so directly.

Fu Yechuan's brows were soaring, and he was beaming with joy.

She also clicked on the recording and recorded her singing.

Yang Qian opened her mouth aggrieved, wanted to say something, but held back.

Forget it, don't insult yourself.

The warning from this man just now is clear enough, she must be wise!

Su Nan turned off her phone, adjusted her mood, and continued rowing.

Soon their boat left the two behind, but no one cared.

Because the highlights of this game are enough.

Sang Yi, who hugged Yang Qian at the beginning, didn't think much of Yang Qian's obvious hugging her thigh, especially since she wanted to monopolize this thigh!

Out of the corner of his eye, he glanced at Yang Qian and Fu Yechuan, one bow and one stern, and Fu Yechuan had no intention of extending Jin Gui's hand to help.

Everyone is relieved.

...

Since it was the first recording session, Du Yan was present the whole time, for fear of something going wrong.

He could not help but breathe a sigh of relief when he saw Su Nan's little ancestor so happy.

In general, there are no major mistakes, and everything else can be edited later.

He happily walked over with a big coconut and handed it to her lovingly.

“Mr. Su, are you tired?”

“Tired and happy!” Su Nan replied.

Such a game consumes a lot of money, but it is a lot easier.

Du Yan smiled and handed Leng Lin and Sang Yi the big coconuts one by one.

Then let them rest first.

He used the binoculars to look at Fu Yechuan and Yang Qian who were still circling in the center of the lake, and couldn't help sighing.

This President Fu is really attractive to women.

It's a pity... This Yang Qian didn't have any self-knowledge, really thought that she could climb Fu Yechuan with her beauty and divorced status?

What a daydream!

Xu Teng changed into dry clothes. In order to brush up his presence, he had already prepared afternoon tea with the help of the staff.

When he saw Su Nan and the others coming in, his eyes lit up, and he hurriedly carried them over.

“Miss Su, Miss Leng, Miss Sang, come and have a taste...”

Xu Teng was still well versed in the rules under the camera, and he was diligent and polite, humble and gentle, and likable.

Su Nan is very satisfied, after all, if this Xu Teng is really popular, it is a bright cash cow!

Everyone sat together and chatted casually. After half an hour, Fu Yechuan walked in with a gloomy face, followed by cautious Yang Qian.

His slender body stood at the door, exuding a huge sense of oppression all over his body, and his eyes were cold and gloomy as he looked at Xu Teng who was sitting beside Su Nan and was joking.

And there were two empty seats for them in the distance.

Heh, a fake that doesn't know whether to live or die, dare to sit next to her?

Immediately, there was anger in his eyes.

Chapter 600: Make Some Trouble for Her

Chapter 600: Give Her Some Trouble

Yang Qian was already carefully observing her words and feelings. When she saw Fu Yechuan suddenly stop leaving, and then looked at Su Nan's direction, she suddenly understood something.

She hurriedly walked over with a smile, put one hand on the chair, and gave Xu Teng a wink.

"Oh, who prepared such an exquisite afternoon tea?"

Xu Teng, who was beside him, quickly stood up and showed a gentlemanly manner, and went over to open the chair for Yang Qian.

The two stared at each other tacitly.

Yang Qian: She's quite discerning.

Xu Teng: Oh, she is interested in me!

Just the next second, the tall and straight figure walked to the vacant position next to Su Nan. He raised his foot and kicked it violently, with a terrifyingly cold aura.

The loud voice suddenly silenced the room instantly, and the man's sense of oppression followed.

Su Nan, who was sitting next to him, was as calm as ever, and there was no trace of panic.

Immediately, everyone thought that Su Nan was amazing. If someone else was sitting there, his legs would have softened.

"Sorry, slippery feet."

His voice was clear and cold, without the slightest apology, let alone any extra explanation.

At first glance, it is an excuse, who believes it?

But when he said it, he had to believe it.

Su Nan looked up at him coldly, with a calm tone, "These chairs are a set, if any one is broken, you will have to replace it, and you will have to pay for it."

Fu Yechuan's movements froze just as he was about to sit down, and then he became unbelievable. look at her.

At this time, she is actually caring about these chairs?

The crowd was also stunned.

God, is this the confidence of the president to communicate with the president?

Sure enough!

Fu Yechuan smiled sullenly, glanced at Du Yan who was laughing at the back, then rolled his Adam's apple and looked at Su Nan:

"Okay, pay for it, choose a brand you like."

Su Nan ignored him , just glanced at Du Yan, and Du Yan immediately understood what she meant.

You're welcome, just kill it!

The first episode of the show wanted to bring out the hot spots, so Du Yan still decided to take the risk and hype the matter of Su Nan and Fu Yechuan.

Add in the other three divorced female stars, I can't believe it won't be an instant hit!

Therefore, during the afternoon tea time, Du Yan quietly handed the table to Leng Lin and asked her to host a symposium to share her experience after the divorce.

Leng Lin glanced at the script, her face changed subtly.

Looking at this scene, Su Nan guessed that Du Yan was holding back. She gave him a cold look, then smiled at Leng Lin:

"Let's start, we can't wait."

Leng Lin smiled deeply . Take a breath.

"Then let's share your thoughts after the divorce, such as do you have any regrets?"

She raised her eyes and looked at Su Nan.

No surprise, Su Nan scolded this damn Du Yan ten thousand times in his heart!

But he still kept a small smile on his face.

When Fu Yechuan heard the words, he took his mobile phone and sent a message to Lu Qi under the table:

“Your ex-wife has a big problem with her character. She doesn’t want to be nice to you. It’s your problem. Why should it spread to others?”

Lu Qi was very Quick reply: “Have you seen her? Where is it?”

Fu Yechuan thought about it and told him the program and address.

Since Lu Qi’s ex-wife won’t make him happy, he won’t make this woman happy either.

Just give her some trouble.

Anyway, as a special guest, is it not a matter of the investor to put a person in?
