Chapter 631 She likes me

Chapter

631 She likes me, so why did he just so stubbornly want to stuff the prize into the arms of Su Nan who refused it?

It's like walking down a dark road!

The general manager of the shopping mall licked his dry lips: "50 million is not a small number, I have to ask the leader for instructions..."

He said with a guilty conscience.

The voices became hoarse.

Su Nan blinked, "Aren't you the general manager? Didn't you say that? Otherwise, I'll call your leaders to ask..." After

she said that, she took out her mobile phone... ..

"Wait, of course I can call the shots, ma'am, leave your bank account number and name, and the 50 million will be credited later!"

The general manager of the mall promised through gritted teeth.

If this matter gets to Fu Yechuan, whether it's illegal lottery draws or defaulting on debts, if he can't explain either of them, he won't even think about living.

Su Nan smiled without changing her face, she took back her phone, and really left her contact information and account number, and handed it to him.

"Thank you, I like this award very much." After

Su Nan finished speaking, he left with Shang Qian.

The general manager of the shopping mall: "..."

If he does any lottery activities in the future, he will chop his head off!

Shang Qian turned his head and looked at her expression, the smile on the corner of his mouth did not diminish, and he seemed to be in a good mood.

“All the things I bought were sent back?”

He didn't expect her purchasing power to be so powerful!

Su Nan raised her eyebrows, “I've already arrived at the hotel.”

“President Fu knows, I don't know if he will feel distressed?”

Su Nan raised his eyebrows, “They asked for it themselves!” After a

pause, “But how can the Fu Group have such a mindless subordinate? So rushing to get scammed?”

Su Nan murmured a few words and chuckled lightly. , go back.

Shang Qian followed, “Why didn't you go home?”

“I don't want to go back.”

Su Nan said, looking at the time, it was seven fifty-eight.

Two minutes left.

She paused, next to the cafe, walked in and sat down.

Shang Qian was a little puzzled, but didn't ask.

It's exactly eight o'clock.

Yu Lou then sent her a photo of the various LED screens, which read according to Fu Yechuan's request:

“The best Fu Yechuan in the world, Su Nan, I thank you!” The

coffee came up with the aroma of steaming milk.

Su Nan thanked him and took a sip.

She felt a lot of relief in an instant.

This minute is a long minute, like a frozen minute.

In such a prominent position, people all over the city saw this scene.

Following the last time that the whole LED screen was covered with such arrogance, it was Su Nan's birthday and Su Yifeng's handwriting.

This time, the two people who were already in the public opinion were brought to the forefront again.

Fu Group.

Fu Yechuan looked down at the office comfortably.

From this angle and position, you can see the excellent view of half the city.

On the six big screens he saw, when he saw that sentence, he knew that Su Nan had not broken his promise.

Chen Mian breathed a sigh of relief, this minute, but Fu Yechuan was looking forward to one minute of the whole day!

Fu Yechuan curled his lips, and his indifferent and gloomy mood finally dissipated.

Looking sideways at Chen Mian, her tone was cold, but she was full of certainty:

“Look, she actually likes me in her heart.”

Chen Mian: “...”

Why did you say this?

Fu Yechuan’s tone was cold and his side face was immersed in shadows.

The glass of red wine in her hand flickered brightly:

“She never took my words to heart before, but now she’s obedient, which means... she’s showing her love to me.”

...

Chapter 632 What he said was right

Chapter 632

He twitched the corners of Chen Mian’s mouth and glanced at him.

He wanted to say, Mr. Fu, you think too much!

According to his understanding of Miss Su, Miss Su will definitely do anything that can be solved with money!

But when he opened his mouth, he swallowed the words.

Forget it, Mr. Fu is right!

When Chen Mian's cell phone rang, it was the general manager of a shopping mall in a neighboring city, his classmate and friend, who sent a message for help.

"Save me! What did I encounter? Look..."

Two photos, one video.

One was signed with Su Nan's name and bank account number, and the other was the back of her and a man.

The video is more than ten seconds of them playing the piano.

"She won't...she won't be Su Nan that President Fu can't get? She and another man won the couple's prize of 50 million, and my performance has skyrocketed..."

Chen Mian's heart sank, like a giant falling to the ground, and the man next to him was Shang Qian.

He raised his eyes and looked at Fu Yechuan who was standing there, feeling agitated and flustered for a while.

It's over...

Fu Yechuan's cell phone also rang.

Some people sent the photos to the circle of friends, and some people sent them directly to Fu Yechuan himself.

"What's the situation? Old Fu, you didn't do it under the banner of Su Nan, did you?"

Fu Yechuan: "Haha..."

"Congratulations, it's a natural couple!"

Fu Yechuan: "Thank you."

"We are not misunderstood, that sentence is not a threat, but gratitude?"

Fu Yechuan: "It means superficially."

He changed the indifference of the past, and replied patiently one by one. Lu Qi

's phone call came, his tone was low and desolate:

“Old Fu, how did you do it? Su Nan thanked you so flamboyantly? Are you two reconciled?”

Fu Yechuan was silent: “Come on.”

“How did you do it, teach me, my wife, no, my ex-wife has completely blocked me!”

Fu Yechuan sneered, “Great, you can change your wife.”

After speaking, he hung up the phone.

He didn’t forget that Lu Qi’s ex-wife also advised Su Nan not to turn back.

She is not a good person!

Chen Mian hesitated and said, “Mr. Fu...”

Although he didn’t want to pour cold water at this time, if he didn’t say it now, Fu Yechuan would look back and know that Chen Mian would be the first to die!

Fu Yechuan turned around and glanced at Chen Mian.

Chen Mian handed over the phone directly, the chat record above can explain everything.

Fu Yechuan spent three minutes reading it.

He took a sip of red wine, his eyes were gloomy and condensed, and he didn’t say a word.

Chen Mian was surprised by his calm reaction.

The more so, the more anxious.

Looking up, the emotions in Fu Yechuan’s eyes that he wanted to burst out were suppressed by life, but his eyebrows were stern and cold, which was frightening.

He was not angry with the fifty million.

It was Su Nan and Shang Qian who appeared in the mall as a couple, played together, and won the Couple Award.

The most unacceptable thing is that this award also comes from Fu Yechuan!

At this time, his whole person was immersed in darkness, the shadow was indifferent, and the aura around him was cold and gloomy, making people shudder.

...

neighboring city.

After a minute, the thing on the screen immediately went down, and every second was gold.

Su Nan breathed a sigh of relief.

The opposite Shang Qian naturally saw this scene in his circle of friends.

Squinting his eyes, he suddenly raised his head in surprise.

Su Nan smiled, "Now you know why I don't want to go back?"

"President Fu is really..."

Shang Qian laughed.

At first glance, it was Fu Yechuan's request.

He looked at her and calmed down: "I don't understand, did you like him just because he saved you? What if he wasn't the one who saved you?"

...

Chapter 633 Get Rich Together

Chapter 633

A word from Shang Qian made a fortune together to silence the surroundings.

Su Nan was stunned for a moment.

Before the divorce, it was not that she never thought that living alone in Jingyuan was like a cage in words, and she was imprisoned in it voluntarily.

She thought countless times, what would happen if another man rescued her?

Would she still pass by the underground black fist on that street corner, go in, and take Fu Yechuan away?

Maybe everything will be rewritten.

Su Nan lowered his eyes and rubbed his fingers on the pattern next to the cup.

“I never think about things that didn’t happen, and I never regret the decisions I made.”

It’s not her style to be sad for the spring and fall.

Even if you are wrong, even if you regret it, you can only grit your teeth and move on.

To deny that paragraph of her crush?

No, he did save her, many times.

No regrets.

Su Nan’s words made Shang Qian stunned. He wanted to hear the fact that Su Nan regretted, but he seemed a little surprised.

But this reaction doesn’t seem surprising.

“President Fu seems to have made up his mind to start over with you. Miss Su’s actions tonight seem to have given him great hope.”

Shang Qian was straightforward.

Su Nan raised her eyes, looked at him, raised her eyebrows calmly, “President Shang seems to mind.”

“As one of your suitors, of course I do.”

Su Nan paused and looked at his narrow and serious eyes , the bottom of my heart could not help but tremble slightly.

She twitched the corners of her mouth, “Mr. Shang, maybe I gave you the illusion before? I have no plans to start a relationship.”

So, why should Shang Qian be such a good person wasting time on her?

Shang Qian smiled and looked down at her, “That’s why you rejected me last time.”

Su Nan: “..”

Shang Qian: “I’m just a friend, so don’t be burdened, after all We have to work together.”

Su Nan breathed a sigh of relief and couldn’t help but smile.

“Yes, getting rich together is the most important thing.”

Compared with money, love is too unreliable.

Shang Qian: "Then you are also holding such a mentality now, are you in contact with President Fu?"

Now that this has been said, Su Nan has nothing to tuck in.

She lowered her head and smiled, "That's right, for the sake of common interests, what kind of grievances can't be put down? Mr. Fu likes to express his gratitude in such an exaggerated way, but it's just to spend a few more money. I've got all the benefits back..."

This was really a pleasant surprise.

If the general manager of the mall hadn't recognized her, she would suspect that this was deliberately arranged by Fu Yechuan.

Shang Qian was persuaded by her undisguised love for money and couldn't help laughing.

In terms of financial resources, almost no woman can compare to Su Nan.

But her emphasis on money is almost a hobby obsession.

Straightforward and unpretentious.

She seems kind of cute like this.

Because of this, Shang Qian secretly breathed a sigh of relief.

It can be seen that Fu Yechuan really has no hope.

The two chatted intermittently, and Su Nan replied to cell phone messages from time to time.

The mobile phone has been flooded with everyone's "care and greetings".

How can people in the same circle not see that rare "one minute" tonight?

In view of the relationship between the two people, everyone must have a lot of discussion.

Su Nan selected a few important friends to reply, and then focused on sending a message to Su Yifeng to explain the ins and outs.

Su Yifeng: "Oh, he will really add drama to himself!"

Su Nan: "The follow-up has been arranged, don't worry Dad!"

...

...

Chapter six hundred and thirty fourth self-intoxication

Chapter 634 Self-intoxication The

moonlight is beautiful, the two finished their coffee and walked back to the hotel along the path.

Su Nan thought that gentleman Shang Qian sent her here, but he didn't see any intention of leaving, and looked at him in surprise as he took out a room card from his pocket.

Oh, the opposite of her.

Su Nan raised her eyebrows. The same hotel is not uncommon. Well, it turned out to be dropping her off.

Shang Qian smiled and watched her open the door, "Good night."

Su Nan nodded, "Have a good dream."

She went in, breathed a sigh of relief, then sent a WeChat message to Yu Lou, and went to pack up and prepare to rest.

Shut down before going to bed.

No one can disturb her sleep.

The moonlight is gentle and hazy.

Early in the morning, her set alarm clock woke her up.

Su Nan freshened up and heard the doorbell ring.

It is Yulou.

He handed her the two prepared bags, "Mr. Su, the car is waiting outside."

Su Nan nodded and brought it in to change clothes.

A bag is a ready-made dress, which looks like a casual and delicate match. This one is from the Fu Group.

In the other bag are the new products of the Su Group for the season, the new products that have not yet been launched, the main model: the light luxury Lingyue jewelry series.

That minute yesterday was enough to cause a stir.

But the money was spent, so I couldn't not hear a single sound, and I mixed up a scandal for myself.

Therefore, she decided to turn passive into active.

After changing clothes and wearing jewelry, it looks really good together.

This clothing design of the Fu Group was not the main push, but the theme of the launch is also: make leisure more refined.

I chose this one because the simple white shirt design is just to highlight her delicate collarbone and the delicate jewelry on her collarbone.

Su Nan put on light makeup, her brows and eyes were cold, but her facial features were astonishingly delicate, especially in this outfit, which was elegant and playful, but she didn't deliberately highlight her temperament, but she was already high above. Miss.

Yu Lou took a look and was amazed.

"If Mr. Su is not in the business circle, but in the celebrity circle, I'm afraid those celebrities will live in jealousy every day!"

Hearing this, Su Nan raised her eyebrows, a rare self-intoxication, and made no secret of her admiration for her beautiful face. Proudly speaking.

"I thought they were living in jealousy now."

Yu Lou smiled and immediately followed.

When she went out, she subconsciously glanced at the opposite room.

I don't know why, but I think of Shang Qian.

House quickly in the opening. "I came, I saw the total business had gone back, as if what is urgent,"

Sunan Enliaoyisheng, "I did not ask."

In the House paused: "When I did not say."

Oh ...

they had planned their first appearance today.

Although the flow of discussions about led electronic screens is limited on media platforms, netizens who are keen on this matter will not give up easily.

Instead of letting everyone secretly speculate about the relationship and mess things up with dissatisfaction, it is better to follow the trend and take the opportunity to make a fortune!

Therefore, although they got the news that the reporters were coming to watch the interview, they did not let people drive them away.

Su Nan estimates that he saved the cost of hiring a spokesperson, which is really a lot of money!

The car arrived at the downstairs of the Su Group.

In the car, she saw a lot of people around, who looked like reporters.

Su Nan's bodyguards immediately surrounded the car.

Keep a watchful eye at all times.

Yu Lou glanced at her, "President Su?"

Su Nan nodded, "Go in."

Yu Lou understood, he opened the car door first, and then turned around to make room for Su Nan.

In an instant, countless flashes gathered on her body...

...

Chapter 635 When will you remarry

Chapter 635 When to remarry

Su Nan lightly got out of the car, the reaction to them was already expected, not in a hurry, and came prepared.

She got out of the car, smiled lightly, and followed the bodyguard to the door of the company.

The reporter didn't want to miss this opportunity:

"Mr. Su, was the LED screen in the city last night your confession to Mr. Fu? Are you two going to remarry?"

"Miss Su, may I ask you, 'the world's largest Great Fu Yechuan, I thank you Su Nan!' What does this mean?"

"Miss Su was with Mr. Fu last night?"

"Mr. Su, can you tell us the cost of it last night?"

.....

Su Nan kept smiling all the time, her hair was tied up casually, revealing small ears and delicate and low-key but expensive jewelry on them.

In every scene and action, Su Nan inadvertently displayed the jewelry he was wearing.

Just when everyone thought she would not answer any questions, she paused, turned around, and stood at the door of the company, looking at everyone.

The atmosphere was quiet for a while, and every now and then the light of the flash could be seen.

Facing the camera, Su Nan smiled lightly, raised her gestures in a grand manner, and held her breath.

"Everyone, no matter how the relationship between me and Mr. Fu changes, please believe that the cooperative relationship between the Su Group and the Fu Group has reached an unprecedented height.

We are committed to providing platforms and opportunities to help solve social employment and personnel entrepreneurship, Pay more attention to innovation and cooperation. In all aspects, we shoulder heavy responsibilities and set an example for us.

I hope we can jointly witness the steady and long-term progress of the two companies and make progress together."

In a few simple words, Su Nan completely abandoned the possibility of answering those scandals directly. Instead, he attracted the topic and attention to the cooperation

between the two companies. Then the scene last night was not a sudden release of private feelings, but Cooperation between the two groups possible?

After saying this, the reporters were stunned for a moment.

But after Su Nan had already bowed, he turned around and entered the company.

The bodyguards left behind were obviously meant to see off guests.

The video was synced online in less than a minute.

Soon, the beautiful and bright Su Nan appeared, and it was hard not to attract women's attention.

Her clothes were ripped off bit by bit.

The white shirt is a new product of the Fu Group. It is a simple style, but it sets off her whole body with bright sunshine and a clear whiteness.

The skirt outlines her figure just right, and it is casual and delicate. This versatile dress does not feel contrived at all on her body, but is natural and peaceful, full of affinity.

And the jewelry on her body was also recognized one by one.

The Su Group has already started publicity, but no one has ever seen the real thing, but Su Nan has used it in this outfit. Her appearance is of great significance.

So everyone's speculation is not just a scandal.

Isn't this outfit enough to explain the situation?

It is purely to promote the new products of the two groups!

This wave of marketing is really eye-catching.

"It turned out to be for the new product. Miss Su really ignored her past suspicions and shook hands and made peace!"

"Hey, let me just say, not everyone wants to eat grass, Mr. Fu is very good, but he is not worthy of us. President Su!"

"President Su is so beautiful, please make your debut, the jewelry has been pre-ordered, it's so beautiful!"

"Mr. Su's clothes are really amazing, and what I wear is a beauty that I can't wear for mortals!"

Chapter 636 Is it my brother?

Soon, the pre-orders for this season's jewelry from the Su Group have exceeded expectations, and it once climbed to a new height.

And this series of designs by Fu Group has also been sold out in major sales channels.

Internationally, the stock situation of the two groups also rose dazzlingly in one day.

It's a win-win!

This wave of Su Nan's victory is really beautiful.

She was sitting in the office, rocking her chair with ease, the phone vibrating constantly on the table.

It is estimated that everyone admires her in five bodies!

Yu Lou knocked on the door and came in, "The reporters have all gone back, and the media platforms have already said hello."

Su Nan nodded, "Jewelry must be well prepared, especially the quality. If there is not enough quantity, the pre-production must be suspended. For sale."

Yu Lou nodded sternly, "Yes."

Su Nan let out a sigh of relief, resting his legs on the table, lazily, and knocked on the table, "What news is there from Mrs. Fu?"

Yu Lou : "Not yet..." As

he was talking, there was a knock at the door, and before he could speak, the door was pushed open.

Su Nan frowned, his eyes were slightly cold, who would dare to break in suddenly?

Su Jin glanced at her indifferently, frowned slightly when she saw her movement, and then coughed, "Someone is here."

Su Nan's legs on the table have not had time to retract.

A steady and indifferent footstep had already appeared in the office.

Fu Yechuan looked at her leisurely sitting on the chair, his eyes narrowed slightly, huh, is she quite leisurely?

But she wasn't alone in the office. There was another man, Yu Lou, opposite her, and she didn't care about her image.

Fu Yechuan glanced at Yu Lou coldly, Yu Lou shivered, not knowing where he had offended him.

If you want to offend, it is also Su Nan's fault!

At this time, Su Nan had quietly resumed his elegant sitting posture, looking at Su Jin and Fu Yechuan in front of him.

Some surprises.

"Mr. Fu? What is it? I don't know at all?"

Su Nan smiled and looked at Su Jin.

Su Jin was helpless and pulled on his tie, "I came back from a meeting outside, and I happened to meet Boss Fu, so we came up together."

Su Nan raised his eyebrows, "President Fu didn't say hello in advance, and I was too far away to greet me."

Fu Yechuan He glanced at her darkly and coldly, his jaw clenched.

The voice was low and hoarse and sneered:

"I'm afraid that if I say hello in advance, I won't be able to come in..."

Su Nan was stunned for a few seconds, hehe, really!

"How could it be?"

"Yes, President Su just said that the cooperation between the two of us has reached an unprecedented level, right?" Fu Yechuan almost gritted his teeth.

Su Nan was silent.

Su Jin pursed his lips and coughed, "Let's have dinner together?"

Su Nan rolled his eyes at him, is he his brother?

Can't you see that the relationship has become so tense?

Fu Yechuan: "Okay!"

There is no way to hide.

But she didn't do anything wrong!

She also drove the stock and sales of Fu Group to rise, how kind-hearted she is!

Since the two of them have already occupied the headlines, everyone tacitly did not choose to go out to eat, but ate in the group's canteen.

The huge canteen has everything. They dine in a special VIP reception room. Su Nan asked Yu Lou to order food, and the remaining three people waited inside.

The atmosphere was a little quiet for a while.

Fu Yechuan's eyes were fixed on Su Nan's face, and there was some anger in his calm eyes.

Su Nan felt inexplicable.

She coughed and decided to break the awkward atmosphere.

"Mr. Fu, I have fulfilled all your requirements, and there are still unexpected gains. Are you satisfied?"

...

Chapter 637 Chicken Soup for the Soul

Chapter 637 Chicken Soup for the Soul

Fu Yechuan's eyes deepened, and the gloomy look on his face was ugly.

"Satisfied?"

His intention was simply to complicate their relationship.

It's better not to be able to tell.

But she actually made it clear?

He was really stuck in a panic!

Thinking about how she played the piano with Shang Qian last night, and won the couple's grand prize, he paid!

He could hardly control his madness!

He has always been good at calculating, what did he get?

Su Nan smiled, with shallow dimples and a bit of pride:

"At this moment, I haven't forgotten the principle of 'everyone makes money together', I have seen it all, your Fu Group's stock has gone up. A lot, and the sales volume of the current season has been driven up, Mr. Fu, don't call me stingy, my thank you gift is so good!"

Su Jin listened and almost laughed out loud.

Haha, what a real sister!

If he was Fu Yechuan, he would be dizzy on the spot!

Fu Yechuan and Su Nan glanced at Su Jin unconsciously, a little dissatisfied with his reaction.

Su Jin raised his eyebrows and looked at the phone seriously, "Oh, chicken soup for the soul, it's ridiculous..."

The other two looked like they were deceiving ghosts: "..."

Fu Yechuan turned his eyes back, His eyes were dark and deep, and his voice was playful:

"According to you, I have to thank you?"

Su Nan raised his eyebrows and waved his hands, "No need to thank you."

Fu Yechuan's face was blue with anger, and his eyes were a little cold, "This The method was given to you by Shang Qian?"

Su Nan restrained his smile, facing his gaze, his voice was cold:

“Don’t talk to others, just thank me.”

“Protect him?”

” cold.

Fu Yechuan’s eyes narrowed, it was obvious that Su Nan wanted to leave Shang Qian out of the relationship.

He took out his phone, found the video, and threw it on the table.

“You play the piano well, when will you play a song for me?”

Su Nan narrowed his eyes.

Suddenly I understood where Fu Yechuan’s anger came from.

Oh, is this jealous?

Simply inexplicable!

She smiled, and the smile made people trance for a moment.

“When President Fu gets married, as a guest, I am willing to sing a song.”

Angry at him!

Fu Yechuan stood up suddenly, his face changed drastically, the chill all over his body was awe-inspiring and his eyes were scarlet.

“Su Nan!”

The fire in his heart made his body hurt, but this woman likes to stick a knife in his wound!

Su Nan met his gaze and smiled lightly.

Su Jin coughed and glanced at Fu Yechuan with a warning.

“Mr. Fu, don’t be impulsive, say something if you have something to say.”

Dare to yell at his sister in front of him?

That can’t exist at all!

He saw the video, turned his head and asked Su Nan,

“Why do you suddenly want to play the piano?”

Su Nan raised his eyebrows, looking indifferent.

“I just played it a couple of times, and I happened to meet President Shang to cooperate with me, but the grand prize of President Fu is so generous that it's free?”

She smiled slyly.

Su Jin glanced at Fu Yechuan, “Free bill?”

Su Nan hooked his lips, “Of course you can't miss this free bill opportunity, right? Mr. Fu?”

Just happened to meet Shang Qian?

Didn't you make an appointment on purpose?

Fu Yechuan's voice was cold and he frowned, “You lied about being a couple in order to avoid bills?”

He grasped the point in an instant!

Su Jin also looked at her, Su Nan pursed his lips and smiled, “I spent more than 50 million...” After

hearing this, Su Jin was slightly startled.

No wonder!

He is well aware of his sister's petty temper.

She doesn't usually shop much, but once she's addicted, she can't wait to move the entire mall to her home.

She bought a small island before, and it's been deserted so far...

...

Chapter 638 She is your sister

Chapter 638 She is your sister

Su Jin knows that she must want to take this opportunity to make Fu Yechuan bleed.

He looked at Fu Yechuan with a low voice: "Mr. Fu, I will have someone make up for this money..."

Su Nan was startled.

Fu Yechuan's eyebrows tightened, "No need, since it's an event, it doesn't matter."

Su Jin frowned.

I wanted to say that she and Shang Qian are not a couple, and they are not qualified...

But Fu Yechuan lowered his eyes, said in a deep tone, and laughed softly:

"What's more, it should be free for her."

He could not ask for it.

Su Nan: "..."

Su Jin: "..."

Yu Lou ordered dishes and came in. A few simple Cantonese dishes and other dishes took care of the three people's tastes.

Halfway through, Su Nan received an emergency call and left first.

The rest of Fu Yechuan and Su Jin looked at each other, both of them had no appetite for each other, but out of politeness, neither of them proposed to end the dinner, they all insisted on eating until the end, and they were very easy-going and harmonious.

Su Jin: "President Fu seems to have any opinion on Mr. Shang?"

Fu Yechuan wiped his mouth slowly, with a very gentle gesture:

"There are always some malicious flies around Su Nan, I have to be on guard for her."

When necessary, kill him!

Su Jin couldn't help but smile, quite direct.

"Our little fourth is beautiful, rich, and has a good personality. Naturally, there are many people chasing her!"

He mentioned this with pride.

Fu Yechuan's eyes sank, and the corner of his mouth raised a cold arc.

“Yeah, I have to check for her.”

Su Jin’s smile froze, you check for her?

Kill everyone?

“Yes, after all, the two of us are now at an unprecedented level of cooperation. It should be, it should be.” It

’s embarrassing to eat a meal, but fortunately, both of them are people who have experienced wind and rain, and it is more difficult to swallow than this. have encountered.

If it wasn’t his brother-in-law sitting across from him, Fu Yechuan would have lost his patience and left.

Now that the two of them finished their meal, Su Jin personally sent him to the door politely, unable to pick out any faults.

“Mr. Fu, if you have time to play ball together...” Just being polite...

Fu Yechuan paused, “Okay, eldest brother.”

Su Jin’s face stiffened, and then he smiled, “If you call me big brother, Su Nan will be your sister from now on, if there is anything wrong, you have to bear with me.”

Fu Yechuan froze for a moment, and his smile was not so pleasant for a moment.

Su Jin waved his hand, “Goodbye.”

...

Fu Yechuan sat back in the car, the driver looked at his face carefully.

“Mr. Fu, are you going back to the company?”

Fu Yechuan closed his eyes and said “um”, but didn’t speak.

The phone rang inappropriately.

He picked it up without looking at it.

When Lu Qi’s voice with a hint of sympathy and fluke came to his ears, he felt that he was particularly unbeatable.

“Old Master, dare you not reconcile, an unprecedented cooperative relationship?”

Su Nan is really a business prodigy, I can think of it all, saving a lot of endorsement fees and marketing expenses, can you ask her to bring us the goods too...”

Fu Yechuan’s face instantly turned cold. He reached out and wiped his lower lip, “Want to die?”

Across the phone, Lu Qi could also imagine how ugly Fu Yechuan’s face was at this time.

He didn’t dare to go too far, he could only sigh:

“Women are too much. Leng Lin said before that she wanted to get the certificate with me, but now She even blocked my phone. How can you say she went back on her word? Fu

Yechuan was not in the mood to listen to his chatter, so he hung up the phone.

He thought about it, picked up his mobile phone, and made a call from abroad, his voice was gloomy:

“What are the projects Shang Qian is currently working on? I have a detail.”

...

Chapter 639 Help you chase women

Chapter 639 Help You Chase the Woman

Su Nan After finishing the matter, she went directly to the crew after receiving a call from Su Qi.

Su Qi has always been free to come and go, but when it’s time to take his part, he never takes it lightly. He is professional and strict and meticulous, and his professional ability is still highly respected.

When she received a call, Su Qi only said that she had urgent matters and asked her to come quickly.

She is coming.

Looking at the people talking and laughing around, Su Nan was a little stunned for a while.

Su Qi came out of the crowd, “Little Si, here...”

He waved at her excitedly.

Su Nan: "..."

Seeing that her face had a tendency to turn her face, Su Qi didn't dare to delay and ran over immediately.

"Little Si, didn't eat, I've reserved a lunch box for you..."

Su Nan's face became even more ugly, her chest heaving violently, she had realized that she had been deceived by this third brother!

"Bentou? I left the dinner with my eldest brother just to come and have a lunch with you?"

Su Nan gritted his teeth angrily, worried that the people inside would see something, and his expression became a little unbearable.

"I'm going to find Dad!"

Su Qi hurriedly grabbed her, "Little Si, why are you still complaining? Dad is so busy, last time he faltered for kicking me, and now he can't even go fishing... ."

Su Nan rolled his eyes at him and said nothing.

Oh, are you okay to say that?

Su Qi lowered her voice, "Come on now, you must leave her for a while, I will cook and cook for you!"

Su Nan raised her eyebrows, and her expression immediately became colorful.

"You asked me to help you chase women?"

In one sentence, Su Qi's purpose was exposed.

Oh, what else could it be?

Su Qi tutted, looking a little embarrassed, and insisted, "No, don't you like boxed lunches?"

Su Nan looked at him and breathed a sigh of relief.

"Third brother, I know that she is my best friend, and I don't want her to enter the tiger's mouth."

If Ning Zhi was hurt by Su Qi, he would definitely choose to stand on his best friend's side without hesitation.

Instead, it's better to find someone more reliable than Su Qi!

Su Qi looked at her dissatisfiedly, "Are you my sister?"

"Ask Dad!"

Before the two of them quarreled, Ning Zhi came out with a group of people from the other side of the room.

Seeing Su Nan, Ning Zhi was not surprised, "Little Si..."

Su Nan smiled, walked over and took her arm, "I see, why are you here?"

"I'm here. Work, I thought you should be busy now, but I didn't expect the third brother to lie, are you really here?"

Su Qi smiled, like the second generation ancestor:

"Let's go, I'll take you to see me Cooking skills."

Su Nan smiled, of course she was going to be too busy, she was pulled to make up for it!

But for Su Qi, of course she couldn't tell the truth.

Ning Zhiliu hesitated for a moment, then Su Nan took her arm, "Let's go together, I'm starving to death."

For Su Nan's sake, Ning Zhiliu did not refuse.

She looked back, "Bring Xiao Ran, don't you mind?"

Su Nan: "I don't mind!"

Su Qi: "..."

Su Qi is a meticulous and meticulous person in life, so he never stays in a hotel when he goes out to film.

He would rent an apartment nearby, and even if he lived there for a few days, a servant would come to clean it every day.

The four go in together.

Su Qi started to follow Xiao Ran to the car, and his face was not very good-looking, but fortunately, Su Nan and Ning Zhi had endless things to say, and the atmosphere was not cold at all.

Su Nan smiled and watched Su Qi busy in the kitchen, shook his head, and couldn't help but praise:

"My third brother looks really good in the kitchen, right?"

Chapter 640 He is my boyfriend

A gentle man, hard working, strong family background, even cooking becomes so pleasing to the eye.

As expected of a person trained by Su Yifeng.

Ning Zhi was stunned for a moment, then smiled, "The third brother has always been the most beautiful among men."

Su Nan could feel that Ning Zhi was a little sad, and this sadness came from Su Qi.

I don't know why, maybe two people really have a chance?

Xiao Ran has been sitting silently on the side as a background board. Although he is a little restrained, he does not express himself too much.

Su Nan paused, "By the way, how did you and Lu Qi's ex-wife know each other?"

Su Nan was a little curious from the unforgettable wedding banquet last time.

Ning Zhiliao: "Before, as Lu Qi's wife, she also participated in some activities, but it may be the reason why Lu Qi doesn't pay attention to it, and she is not well-liked by others. I think she is pitiful. I know."

Su Nan nodded, no wonder.

"It's very pitiful."

Ning Zhi learned: "I know you are helping her law firm. You are kind, but you have to be careful. In case of backlash, it will affect you."

Su Nan smiled. If it wasn't for a friend, she wouldn't be able to say that.

“Don’t worry, I’m ready.” As the

two of them were talking, Su Qi came out of the kitchen with the fried steak.

The white shirt made him handsome and warm, with beautiful facial features, smooth and tight arms, and distinct texture.

Su Nan couldn’t help but shook his head, “My third brother’s face is so charming, he is a womanizer! Why isn’t he a fat bald man with a weight of more than 200 pounds?”

Ning Zhi couldn’t help but smile.

Su Qibai glanced at her and threw down her apron, “I’ve grown up like this, are you really disappointed?”

Su Nan walked over with a smile and greeted Ning Zhi, “I see, my brother’s fried steak is really good!”

Ning Zhiliu walked over, and Su Qi quickly helped her open the chair.

Su Nan, who had already sat down by herself, said, “...”

Oh, this is the treatment for my own sister?

Xiao Ran sat next to Su Nan, Su Qi sat next to Ning Zhi, and gently helped her cut the steak.

Su Nan was stunned.

Xiao Ran coughed, thinking that he should also play a gentlemanly manner, “Miss Su, do you need me to cut it for you?”

Su Nan quickly refused: “Thank you, no, I’ll just do it myself.”

Su Qibai greeted her at a glance, but still skillfully cut his own share and exchanged it with her.

The four of them ate quite happily. Su Qi dog-leggedly helped Ning Zhi to pour wine and vegetables, and occasionally asked her if she was full.

Satisfied, Su Qi and Xiao Ran packed their things into the kitchen and waited for their aunt to clean them up.

Su Nan looked at it, lowered her voice and approached Ning Zhi.

“Understood, do you think my brother is chasing you?”

Ning Zhi's face changed slightly.

Su Nan: "He likes you, I know, do you still like him?"

Ning Zhi lowered his head silently, rubbing the repaired jade ring in his hand.

"Although my third brother looks unreliable, he is still very serious about his relationship. I have never added him to learn a craft in order to please a woman, and he is carefully entangled in what gift to give her. I like it, I don't hesitate to call my own sister as an excuse to invite her to dinner... I know, do you want to think about it?"

Su Nan thought, since Su Qi is his own brother, he will help him.

Ning Zhi was silent for a few seconds.

There seemed to be no movement in the entire living room.

Suddenly, Ning Zhi smiled, the corners of his eyes were slightly red, and he pinched Su Nan's face.

"Xiao Si, I haven't introduced you yet, Xiao Ran is my boyfriend now."

"Bang——"

It seems that something has been broken...
