Chapter 661 You bite me

Chapter 661 You bite me

, Su Nan rolled his eyes behind his back, but he didn't plan to bother with him here, and looked at Shang Qian.

"Wait a minute, I'll go over."

Shang Qian nodded, "I'll go drive."

Of course Su Nan agreed, handed the car keys to him, and went out.

As soon as Fu Yechuan walked to the side of the car, he turned to stare at her, his eyes dark and deep.

"What gift do you want?"

Su Nan's eyes narrowed, and his tone was indifferent: "Where's the document?"

"First tell me what you want?" "Liar

me!" Fu Yechuan pursed his lips, and the moment she left the next second, he suddenly reached out and grabbed her arm, pulled her back, and leaned against the car. He put one hand behind her and looked at her coldly, the cold breath surrounding her, and he felt a steady stream of chills. The driver in the car was shivering, do you want to pretend that you don't exist? Su Nan looked at him with a pale face and a cold tone: "Fu Yechuan, are you crazy?" Fu Yechuan's jaw tightened, and the suppressed emotions in his eyes poured out unconsciously. "I've already gone crazy, Su Nan, why are you so close to him again?" He looked at her and reached out to touch her face, but Su Nan turned his head and ducked. He lowered his eyes to hide his lost emotions, and then his hand touched her earlobe and pinched it gently. She chuckled softly in her ear, her voice was magnetic and mellow, seductive, but with bursts of chills.

"It's not just today's bidding documents. If he doesn't know how to stop his losses in time, sooner or later, I will make him lose all his power

abroad."

Su Nan suddenly raised his eyes and looked at him. Fu Yechuan looked cold and paranoid. Not kidding at all.

Fu Yechuan looked at her surprised look, very cute, and his heart moved slightly.

He bowed his head, wanting to kiss her.

Su Nan subconsciously turned her head away, but a big hand squeezed her chin tightly.

The next second, her warm lips covered her, with unquestionable ruthlessness, the light mint smell made her dazed for a moment, it belonged to Fu Yechuan's aggressive taste.

Su Nan suddenly felt cold all over and trembled slightly. She looked at him calmly, as if she was the one who stayed out of it.

Fu Yechuan stared at her with scarlet eyes, and the corners of his eyes were slightly red.

He was angry, even more sad.

It's just that he can't express his sadness, so he wants to punish her and prove his dissatisfaction and pity in this intimate way.

When he saw Su Nan's calm eyes, his heart shrank suddenly, she was neither angry nor sad.

Look at him like a stranger.

Suddenly, he bit hard on his mouth.

Su Nan frowned, she trembled in pain, and slapped her.

“Pa—“

The five distinct fingerprints on Fu Yechuan's face were extraordinarily wonderful.

The atmosphere was suffocated.

He clicked his tongue, his eyebrows sank fiercely, but he quickly evacuated and smiled.

When her big hand with clear phalanx touched the lip bitten by him, her light lipstick instantly turned bright red, which made her delicate skin even whiter.

Su Nan's icy temperament is always high, and she stares at him coldly.

It looks maddened!

Fu Yechuan was extremely happy, as if the gloomy mood at the auction just now had been swept away.

One kiss, one slap, fair!

He looked at the wound on her lips and began to feel distressed the next second.

“Does it hurt?” he asked in a hoarse voice.

Looking at him, Su Nan was angry for a while, sad for a while, and now he is starting to act sly!

Why didn't she find out before, there are so many scenes of this dog and man!

She laughed angrily, and was terribly cold.

“It doesn't hurt, bite yourself!”

Fu Yechuan was scolded, but even more happy.

He leaned closer to her, his voice low and cold, “Come and bite!”

...

Chapter 662 Afraid of being seen

Chapter 662 Afraid of seeing

Fu Yechuan's unfortunate appearance right in front of him, Su Nan looked at him coldly, not being polite.

Just the next second when Fu Yechuan got carried away, she raised her leg fiercely and kicked over.

Fu Yechuan's injured leg trembled suddenly, and then took two steps back. He looked at her in shock.

Her hands are really heavy!

Su Nan's eyes were cold, and he finally stayed away from her safe area, which made people feel at ease.

She reached out, slender fingers caressed her lips, and the blood was wiped dry at once, as if those traces never existed.

His eyes fell on him, and instead of feeling distressed and guilty, he sneered.

“Are you a dog?”

Fu Yechuan, next time, don't want that leg of yours."

Her tone was extremely cold, and it wasn't a joke.

Fu Yechuan's eyes narrowed.

This tone is clearly the tone he used to teach others.

But it was used by Su Nan to teach himself?

Su Nan was too lazy to take a second look, just lifted his feet and left, wiping his lips with disgust.

Fu Yechuan supported his injured leg and sneered gloomily.

"Afraid of being seen by Shang Qian?"

Su Nan's figure paused slightly, and left without any hesitation.

He narrowed his eyes, and his eyes suddenly raised a trace of anger.

The driver in the car finally stopped being hit and killed, and trembling down, he wanted to go over to help him.

What should be seen should not be seen, he just saw everything, Miss Su is really serious!

"Mr. Fu, are you all right? I'll contact the doctor now and wait at home..."

Fu Yechuan's brows narrowed, he waved his hand, and went straight to get into the car.

After coming to Japan for a long time, he did not believe that Shang Qian would be able to enter the house so soon.

"Go and contact Chen Mian and ask him to investigate, who bought the black pearl, and bought it." The

driver nodded: "Yes."

Fu Yechuan felt that such a beautiful black pearl should be worn on Su Nan.

Only for her!

...

Su Nan got into the car with a cold look, and Shang Qian, the driver, turned to look at her.

Suddenly I saw that her face was not good, her lips were a little more gorgeous than before, and they were a little swollen.

His face suffocated slightly, and his eyes instantly returned to gentleness and luster. He smiled nonchalantly and asked,

“Did you get the document back?”

Su Nan was stunned, her hands were empty, and there was a bullshit document!

If she believes him again, she will be killed!

“No.”

Shang Qian smiled and started the car, “It seems that Fu is always jealous.”

Su Nan raised his eyebrows and sneered, “He’s crazy!”

After a while, Su Nan asked him, “The bidding Isn’t the contract what you want?”

Shang Qian smiled, a gentle smile without any emotion.

She seemed to expect her to ask that.

“Yes, but it’s not absolutely necessary.”

Su Nan paused, thinking of Fu Yechuan’s warning.

“If you need it, I can help you get it back.”

Shang Qian’s smile deepened, and his voice subconsciously softened.

“No, even if I get that contract, I’m still powerless. After the new year, I have to go to Country M, and I’ll run into some trouble there.”

Su Nan’s chest sank slightly, and he subconsciously thought of Fu Yechuan.

“Is it a big trouble?”

“Small trouble, a few friends are making a fuss and want to break up the gang, so we have to sort out the property...”

Su Nan nodded and breathed a sigh of relief.

That's good.

Arrived at Su's house.

The housekeeper had already taken care of the inside and outside of Su's house happily, and Su Qi took little Mike on the swing in the yard.

Su Yifeng stood at the door and called with a loud voice, contacting relatives to come over for the New Year.

When the two got out of the car, little Mike's eyes lit up, and he left Su Qi and ran over.

"Daddy..."

Shang Qian felt warm in his heart, and immediately squatted down, planning to hold little Mike for a spin.

But his direction changed and he threw himself into Su Nan's arms.

"Beautiful sister, I miss you so much, I haven't seen you all night..."

The old father who hasn't seen each other for half a month: "..."

...

Chapter 663 What happened to your mouth

Chapter 663 What's wrong with your mouth?

Su Nan hugged him and turned around, but when she was really tired, she put it down and touched his soft curly hair.

"Little Mike, go say hello to Daddy."

Little Mike nodded obediently, walked to Shang Qian's side, hugged his face and gave him a heavy kiss.

"Daddy, I miss you so much..." In his

tone, it was a perfunctory!

Shang Qian's smile is very coping, there is always a feeling of raising a little white-eyed wolf.

"Although I don't quite believe it, but it's New Year's Eve today, I forgive you."

He reached out and squeezed Little Mike's face, hooking his lips and smiling.

Little Mike jumped around and turned to Su Nan's side, holding her soft and beautiful hand, squinting his eyes.

"Pretty sister, I've prepared a gift for you! I'll be there

later ..." Su Nan blinked, "Sister has also prepared for you..."

Su Yifeng hung up the phone, stood there and greeted them, "Come in quickly, don't freeze Mike!"

Su Nan, who was forgotten: "..."

Su Qi ran over triumphantly, "

Have you fallen out of favor!" Su Nan glanced at him, "The villain is successful!"

Su Qi was stunned, what should he do if he wanted to beat her?

A few people walked over, Shang Qian said hello in a proper manner, Su Yifeng nodded, and his eyes swept across Su Nan's face and stopped for a moment.

"Little Si, what's wrong with your mouth?" At first,

everyone didn't pay attention, but after Su Yifeng reminded him, everyone looked over.

Su Nan pursed his lips unnaturally, and looked coldly at Su Qi, who was sneering.

"Accidentally knocked."

Su Qi smiled maliciously, and glanced at Shang Qian who followed Su Nan.

"Is this excuse a bit far-fetched?"

Su Yifeng's face turned cold, and he kicked Su Qi on the body.

"How dare you talk to your sister like that?"

Su Qi raised his hand in surrender speechless, and smiled meanly:

"I was wrong dad!"

Su Nan snorted coldly and walked in directly.

I secretly scolded Fu Yechuan ten thousand times!

Su Yifeng looked at Shang Qian with complicated eyes, and his eyes were obviously not as kind as before.

Shang Qian lowered his head and said nothing.

Little Mike's angry face pouted, and he looked at Shang Qian with disgust:

"Daddy, if you bullied the pretty sister, I won't forgive you!"

Shang Qian looked at him speechlessly, "You still Do you know who your son is?"

Little Mike snorted arrogantly: "I will kill my relatives righteously!" The

housekeeper greeted everyone and went in. He carefully noticed that the corner of Su Nan's mouth was not right, but looking at Su Nan's face, he also Don't dare to ask more.

"What would you like to eat, Miss?"

Su Nan: "No need, let's have a cup of coffee."

"Okay." The

housekeeper asked Shang Qian decently, "What would Shang Qian want to drink?"

"Same, thank you."

Su Yifeng and Su Qi don't need to ask, they have stayed at home to eat and drink until now.

Su Yifeng coughed and glanced at Shang Qian.

"Shang always comes to pick Mike back?"

Shang Qian pursed his lips and nodded, "Yes, according to custom, today is New Year's Eve, so we can't disturb him any more."

Little Mike's nervous facial features were all wrinkled together.

He doesn't want to go!

He and his beautiful sister's first new year, of course, have to observe the new year together.

Su Yifeng was reluctant to look at Mike, but he really wanted Mike to stay.

But if the child stayed, Shang Qian had to stay too.

In a while, the relatives of the Su family will come over. Watching a man and child keep the year old here, there must be some gossip that will spread.

Not good for Su Nan!

...

Chapter 664 That big guy is you

Chapter 664 That boss is you

. Just when Su Yifeng was struggling, Shang Qian's phone rang. He looked at the number and his expression changed.

He then stood up, apologized and went out to answer the phone.

Su Yifeng looked at Su Nan in embarrassment.

Su Nan's expression was indifferent, she couldn't see anything at all, her mind was not here.

Su Qi didn't know where Su Yifeng was embarrassed at all?

In less than half a minute, Shang Qian walked in with a gentle face and waved to little Mike.

"Susan wants to talk to you abroad, come and take a call?"

Susan is little Mike's maid.

Little Mike frowned, why didn't Susan contact him directly?

He looked at his empty wrist, oh, his kid's watch just fell into the pool!

He followed Shang Qian out of the house.

He stretched out his hand, but Shang Qian didn't mean to give him the phone, but his smile was somewhat restrained.

"There was an account from abroad just now, 880 million, what did you buy?"

Little Mike narrowed his eyes lazily, "Daddy, you cheated me out just to say this?"

Shang Qian glared at him: "Isn't this money worth asking?"

Little Mike: "I just bought a New Year's gift."

Shang Qian doubted, "For me?"

Little Mike smiled slyly, "Daddy, what do you think?"

Obviously, no!

Shang Qian looked at his son speechlessly.

"Of course it's for the pretty sister!" When

Shang Qian heard that it was for Su Nan, his face became a lot milder.

"What did you buy?"

Little Mike rolled his eyes, "A black pearl necklace!"

Shang Qian's face froze fiercely.

"That's that mysterious boss?"

Eighty-eight million, black pearl necklace!

Everything is right, it's such a coincidence!

The black pearl necklace that won the attention of everyone at the auction was finally taken away by a mysterious foreign boss.

Even Fu Yechuan did not continue to compete for the price.

Unexpectedly, that mysterious boss turned out to be this little Mike!

Little Mike looked at him in confusion, "What mysterious boss? He just

bought a necklace, but he has become a boss?" Shang Qian's expression suddenly became complicated, and he didn't know what to say for a while.

Even his daddy lost all five!

Hehe...

Take his money to please girls, what a filial son!

But thinking about it, since it was given to Su Nan, there is nothing to say.

Originally, he also planned to give it to her.

It's just that he was robbed by his son!

He was speechless and choked...

After a while, he eased his mood.

Shang Qian: "Daddy can't accompany you for the Chinese New Year. I'm going to Country M in a while, will you come with me or stay?"

"Of course, stay!"

Little Mike said decisively.

Forget it, you should already know the answer, and you needlessly ask questions, isn't it self-humiliating?

Shang Qian pursed his lips and walked in again, cheekily begging the Su family to take in this unscrupulous little white-eyed wolf!

When Su Yifeng heard it, it was exactly what he wanted!

"No problem, you can rest assured and let him stay at our house, we will take good care of him!"

Su Yifeng almost raised his hand to swear!

Shang Qian smiled gently, "That's troublesome, Su Dong."

He looked at Su Nan, his eyes softened a little, "Then see you later."

Su Nan nodded, "See you later."

Originally she thought he might have encountered some trouble and had to leave at this time.

But looking at little Mike's curly hair and blue eyes, he suddenly realized that Shang Qian grew up in a foreign country, and naturally it does not have such profound significance for the Chinese New Year.

For him and little Mike, it might be just like a normal holiday.

Little Mike sat happily beside his beautiful sister and waved at Shang Qian.

"See you in the year, Daddy!"

Hehe...

Chapter 665 Beats me and scolds me

Shang Qian smiled and looked at Su Nan hesitantly, hesitating to say anything.

Su Nan understood, stood up, and casually pulled a shawl over his body.

“I’ll take you off.” When the

two reached the door, Su Nan handed him the car keys.

Shang Qian was stunned, shook his head, and smiled.

“The driver will pick me up right away, I just want to talk to you alone.”

Su Nan paused and looked up at him. When this man smiled softly, he was most contagious, as if the whole world could shine for it.

She pursed her lips, her tone was neither cold nor hot, very calm.

“What?”

Shang Qian smiled, “Su Nan, can I call your name?”

Su Nan frowned, she didn’t say no!

“Anything.” Just

a name.

She took off her coat and stood here with her shawl on, as if it were warm.

The warmth made her softer, and her brows and eyes were casually like a girl next door, not a strong woman in the mall.

This comparison seems unbearably distressing.

He lowered his head and smiled, “Always calling you Miss Su makes me feel like I’m making no progress and we’re never getting close.”

He unconsciously said what he said in his heart.

Su Nan frowned, "We weren't very close..."

She remembered that she had made her position clear, and she didn't give him any thoughts...

"We are already friends. Ah!" Shang Qian was dumbfounded.

Su Nan nodded, she misunderstood.

"Then call me by my name."

Shang Qian's lips curved into an arc, and he read her name playfully.

"Su Nan."

Su Nan looked up at him, always feeling that something was wrong with him today, but couldn't tell what was wrong?

His eyes were bright, gentle and modest, and Su Nan's shadow was reflected in them.

At this time, a strange emotion flashed across.

Just as Su Nan was about to explore, he saw him suddenly take a step forward and embrace her in his arms. His broad shoulders and warm embrace made people stunned for a moment.

Just when she reacted, frowned, and was about to reach out and push him away, Shang Qian had already let go.

Su Nan's eyes became colder, and Shang Qian's move had already surpassed.

"President Shang..."

Shang Qian hooked his lips, sour and bitter.

"I'm sorry, I'm really sad. I'm so sorry that Fu Yechuan treated you like that, but I don't have the right to intervene.

I admit that I was carried away by jealousy. You can beat me and scold me."

After crossing the line, he also had a gentlemanly demeanor. Admit your mistakes.

It was never something he could do by stealing and robbing.

Su Nan frowned, stunned for a moment, not knowing what to say for a while.

Fu Yechuan was hateful, but Su Nan didn't know how to respond to Shang Qian's appearance.

If you refuse to talk too much, it will hurt your feelings, especially in a cooperative relationship like theirs with inextricably intertwined interests.

Seeing her tangled appearance, Shang Qian couldn't help but smile, reached out and touched her hair with gentle movements.

"I'm just making an excuse for my offense, don't get too hung up on it."

Su Nan breathed a sigh of relief and looked up at him, "Mr. Shang, don't make such jokes in the future."

Such gentleness can easily make people addicted.

But she doesn't need tender care now.

Shang Qian raised his eyebrows, and did not agree to her words. Instead, the topic changed:

"If you don't beat or scold, I'll leave."

He turned his head, and the car that came to pick him up had already arrived at the door of Su's house.

Su Nan naturally saw it too.

"The journey is smooth."

She waved her hand without hesitation, with a perfunctory smile.

Shang Qian smiled. Like little Mike, do you want him to leave quickly?

Looking at her appearance, he was really itchy.

He stepped forward again, held her face, and dropped a light kiss on her bright white forehead...

Chapter 666 The man has no prospect

like a feather brushing over her heart, gentle and restrained, but with a surging strong love.

He was happy, but cautious.

Su Nan was shocked for a moment, she didn't seem to have expected Shang Qian to dare to make a comeback again, but his kiss had a faint scent of grass, which made people couldn't help falling into it.

In less than a second, Shang Qian took a step back, and the deep and strong love in his eyes was suppressed and restrained.

His eyes are shallow, his smile is faint, and his voice is warm and clear, like a spring breeze blowing through his heart.

"Su Nan, do you know how to completely forget someone?"

Su Nan was tensed, his face was slightly cold, and his obsidian-like eyes were dark.

She didn't want to indulge in the warm embrace of a man she didn't know very well.

So there was warning and alienation in her tone.

"Mr. Shang..."

Shang Qian interrupted her with heavy eyebrows, "It's just falling in love with another person."

He told her the answer bluntly.

Her heart trembled fiercely, as if her emotions that had been suppressed in her heart and could not be seen were crushed to ashes.

He could see it, and see it clearly.

Su Nan's feelings for Fu Yechuan were so complicated that she couldn't even explain herself.

She loved him so deeply, moths to the flames.

Even though his heart is ashes now, Fu Yechuan's words of remorse and love for her, saving her from fire and water again and again, also smashed into her heart one by one like a stone.

He broke into her world unquestionably again, wanting to save and apologize.

She heard it, but didn't dare and couldn't respond.

Su Nan struggled and hesitated, but hatred clearly prevailed.

How could she possibly allow herself to be a joke?

The harm Fu Yechuan caused her was enough to wake her up for the rest of her life.

Love is such a thing, it is lucky to meet it, and it is not unfortunate if it does not meet.

Therefore, she doesn't want to have any more expectations for anyone, including Shang Qian.

Now, Shang Qian sees her struggle in his eyes, and the more she tries to forget, the more powerful Fu Yechuan becomes.

With her heart beating violently, Su Nan's face changed a bit, and it was hard to see that she was a little sad.

"Falling in love with another person? Who, President Shang, are you?"

Shang Qian hesitated for half a second, "It's not impossible."

This was what he wanted.

He is everywhere like warm water, entering her life warmly, just wanting to have her.

Su Nan chuckled lightly, her eyes a little cold.

"I won't waste my time on men. It's like an investment with no prospects. If you are lucky, you can be listed on the market. If you are not lucky, you can only admit that you are unlucky.

" rational.

Mood is one thing, but it's obviously a little troublesome to actually do it.

So, just say no!

Shang Qian's eyes flashed and he took a step forward.

Su Nan frowned subconsciously and stepped back to avoid his surprise surprise attack again.

Shang Qian's brows and eyes were slightly lost, he curled his lips and his voice was hoarse:

"Su Nan, I have prospects, you will not lose money if you invest in me."

After all, she has no confidence in him because she has no sense of security.

Only the Su family is her biggest supporter.

Su Nan's eyebrows trembled suddenly, but he quickly regained his composure.

"Goodbye, President Shang."

She didn't want to continue the conversation.

Shang Qian raised his eyebrows and took a step back.

His eyes were full of tender doting, "Goodbye, Su Nan."

Goodbye, his Miss Su.

Since she rejected Fu Yechuan, Shang Qian was very confident that he would definitely get her...

...

Chapter six hundred and sixty seventh knife

Chapter 667

Shang Qian is pervasive in her life, permeating her life like warm water, gradually becoming an indispensable person, this is his best way.

He didn't know, how could he be so obsessed with a woman?

Probably because I really like it!

Therefore, no matter what happened to Fu Yechuan, he would not let go.

As soon as Shang Qian left, Su Nan stood for a moment in the cold wind and then went back.

Everyone has been thrown into the lively atmosphere again.

Su Yifeng even rolled up his sleeves and went into battle, preparing ingredients with little Mike, while the butler laughed and started.

As soon as Su Nan entered, Su Qi stuffed her an apron and winked at her.

Then she followed him into the kitchen.

Su Qi didn't really expect her to work, she was busy making desserts there, watching her standing there with her arms around her arms.

smiled.

"Little Si, what did Shang Qian tell you outside?"

Su Nan pursed his lips, remembering the hug and kiss just now, and his face was blushing unconsciously.

"What does it have to do with you?"

"I can warn you that although Dad likes little Mike, it doesn't mean he likes little Mike's daddy, the eldest lady of the Tangtang Su Group, married to an old man with a child, saying Where do we put our faces when we go out?"

Su Nan tutted and frowned, "Who am I marrying has much to do with your faces? You can't control who I want to marry."

"Yes, yes. , I'm superficial, true love is priceless..."

Su Qi looked like a gag.

Su Nan pursed her lips, "If you don't have anything, don't talk nonsense."

This is what clarified her and Shang Qian.

Su Qi paused in his hand, "It's New Year's Eve, don't you wish to say New Year's greetings to your friends?"

Su Nan laughed.

friends?

Ning know?

Dare to love this is Su Qi's real purpose?

"Third brother, if you want to know, just say it straight, it's nothing to say a new year..."

Su Qi frowned, put down the things in his hand, and solemnly condemned her:

“You took mine Money doesn’t work, you are too unscrupulous, she has no one in her family, how cold it is for a person to celebrate the New Year alone, as a friend, you should take the initiative to invite her to the home for the New Year!”

Su Nan was moved by what he said. , I’m afraid I haven’t been in touch these days, Su Qi seems to be fine, but he’s going crazy in his heart!

She took the black card and splurged, forgetting Su Qi’s dire mood.

Immediately, I felt a little guilty.

“Then...then what if she wants to celebrate the New Year with Xiao Ran?”

She had a boyfriend, and of course she wanted to celebrate the New Year with her boyfriend.

Su Qi glared at her fiercely, and had to stab him in the heart, what is the use of this sister?

He glared at her unsatisfactorily:

“I’ve checked it all, that Xiao Ran went to a show abroad, not in China, she’s the only one!”

She really didn’t take it to heart.

Su Nan smiled shyly, and quickly took out his mobile phone, “I’ll ask her now, don’t worry, I’ll definitely pick her up.” The

call was connected.

Su Nan went straight to the topic, “I know, come to my house for the New Year...”

Ning Zhi said: “No, I’m going to go abroad for vacation.”

Su Nan sighed:

“Don’t lie to me, the first day of every new year is the anniversary of my aunt’s death, so you won’t go abroad.

We have a lot of family, and a few uncles and sisters will be here soon, so you’re not bad. I’ll do it here. I’ll pick you

up.” Ning Zhi was silent, “Okay, I’ll go by myself, so don’t come here.”

Su Nan hung up the phone and took a deep breath.

In the past few years, Ning Zhili stayed with her grandmother to stay with her, and when her grandmother left, she was left alone.

In the past, Su Yifeng often asked Su Nan to call her over for the festival, but it seems that since she broke up with Su Qi, she has never agreed.

It seems that her relationship with Su Qi has always been a thorn in her heart.

Su Qidian ran over and looked at her with a smile, his mouth was so sweet.

“Sister, did she agree?”

...

Su Nan gave him a white look, “I’ll be there soon.”

Su Qi’s spirit was shocked, and he was even more excited to work in the kitchen.

Su Xiaohu was wearing an expensive silk scarf from Gucci, and on one leg he also wore a precious watch that Su Qi had eliminated, and he patrolled the entire Su Mansion carelessly.

Hearing Su Yifeng’s laughter outside, Su Nan was shocked for a moment and went out to see.

It turned out that the second brother Su Ming came back.

Not only him, but also silence.

The two came in hand in hand, and it was obvious that they were in a good relationship. Su Nan clicked his tongue twice.

“I always thought that the second brother, a single dog, would be single for the rest of his life. He is faster than us?”

Su Qi wiped his hands and came out. Seeing this scene, he was obviously hit a lot.

Su Yifeng greeted everyone to the door.

Su Nan and Su Qi looked at each other and hurriedly stood there neatly. Even Su Jin, who was working in the study, was pulled over.

Su Xiaohu stood at Su Nan's feet wagging his tail, looking up at Si Mo: "Bad Momo!"

Silent glared at him, then bowed with a very bright smile:

"Hello, uncle, eldest brother, third brother, Hello Susu!"

Does this count as an official meeting with the parents?

Su Ming's speed is really fast without any precautions...

Su Ming stood aside and helped her silk glasses, and her calm and gentle temperament seemed to soften a lot.

"Introduction, this is my girlfriend Silent. If you have no opinion, we plan to get married next year. It is useless to have an opinion."

Silent stood shyly, a little embarrassed by Su Ming's words.

Su Yifeng led Su Jin, Su Qi and Su Nan stood there, stunned for a while.

But soon, he reacted and greeted the person with a smile.

How could Su Yifeng, an old fox, not know the details of Silent?

Out of vigilance against Su Nan's last failed marriage, whoever gets close to his children, he will cheer up 120,000 points!

He is also relieved and recognized for the silent silence that appears most often beside Su Ming.

Although the family background cannot be compared with the Su family, he will not make any deal with his son's marriage.

Plain and simple is fine.

What's more, Silent is a well-known female scientist in the physics industry, a female scholar, and he has heard of it.

The joy of the old father came so suddenly.

"Mom, we will be a family from now on, you're welcome..."

Silent didn't expect that a wealthy family like the Su family would have a good temper.

Here, Su Nan is the one she knows best.

Su Nan smiled very happily, and asked the housekeeper to bring her coffee and snacks...

Everyone sat down, Su Jin was a little colder, not angry, and looked like a superior looking at his subordinates, no smile meaning.

This made Silent a little nervous and restrained.

Su Qi smirked like Su Nan, but there was a bit of envy and hatred in the smile.

“Silent, then we’ll visit your parents when we turn back and finalize the marriage as soon as possible.”

Su Yifeng sat lovingly at the head, watching her restrained, he pointed at Su Jin and comforted her:

“Don’t be afraid of him, he is just a few. It’s just stinky money...”

Su Jin was startled: “...”

No matter how good-looking people are outside, they have to be obedient when they get home.

Su Yifeng pointed at Su Qi: “He’s good-looking, but he’s not good at all.”

Su Qi was shocked and looked at his old father in confusion: “...”

You said that son ?

Then he pointed to Su Nan.

“My daughter is okay. She is beautiful and kind, and has no other hobbies than spending money.”

Chapter 669 Throw a check and get out

Su Nan’s face froze, right?

In order to support Su Ming, depreciate them all?

Su Yifeng sighed, “Su Ming is my pride. You can choose him among so many people. Silently, your vision and taste are really good.”

Everyone's smiles were indescribable.

The corner of Su Ming's mouth couldn't help but twitched, "Dad, I have already introduced this to Silent."

Su Yifeng couldn't help laughing, "That's good, don't let her see the outside, I will never let Silent suffer. Aggrieved, the wedding will be luxurious and grand after the new year!"

Silently pulled the corner of his mouth and looked at Su Yifeng blankly: "Also...it doesn't have to be so fast."

She didn't expect to enter the wealthy family The threshold is so low?

Why do you feel flustered?

Su Ming glanced at her and said with a smile, "We are all busy with work, of course the sooner

the better." Silent nodded blankly.

Su Yifeng watched with satisfaction. He thought that Su Ming would be single for a lifetime, but did not expect that such an excellent girl would be willing to marry him?

Of course, get married as soon as possible, the sooner the better!

Soon, one after another, other people from the side branch arrived.

Su Yinian, who was in the second room, has been unable to raise his head since he experienced the blow of Shen Jie and Shen Li's mother and daughter.

After all, Su Yifeng couldn't see it, his own brother couldn't sit back and watch, so he bought some stocks for him, and the money he earned allowed him to travel around the world to relax.

When he came back this time, his face had obviously regained some brilliance and a smile.

Su Yifeng stood up to greet the others, glanced at Su Nan and Su Ming, "Little Si, take care of Silent..."

He was more concerned about his daughter.

Otherwise, with Su Jin's aura, others would be afraid at first sight.

And Su Qi will harm the little girl.

The two sons are not very reliable!

Su Nan nodded heavily and sat beside Silent.

“Mom, why do you like my second brother?”

Silent lowered his head shyly, looking at Su Ming from time to time, the love in his eyes was about to show, and people were jealous.

“God is so good, it’s my luck to see me.”

Su Nan frowned in surprise.

Su Ming glanced at Su Nan and raised her eyebrows, “Little Si, you deserve credit for it.”

After all, he was very annoying and silent at first. In his opinion, all IQs inferior to his are hopeless. medicine.

After pointing and being silent a few times, she actually got enlightened. She is quite smart...

Su Yifeng greeted Su Ming, and Su Ming stood up and walked out.

Su Jin’s phone was never idle at home, so he picked it up and went to the study. Su Qi pulled Su Nan

in the past and expressed his dissatisfaction in a low voice:

“Second brother is about to get married. You took my black card and watched me be single for the rest of my life?”

He pulled out his arm and waved towards the door.

“Understood...”

Su Qi immediately let go of his hand and restored the image of a cold and arrogant male god.

Su Nan took the silence and ran away, escaping from Su Qi’s questioning.

Su Qi found that he was fooled and rolled his eyes speechlessly, this sister must not be his own!

Su Nan took her to play in the garden. Silent was very interested in everything. She was not so restrained when facing Su Nan, and was much more at ease.

“Susu, I thought that your family would not accept me so easily. After all, our family backgrounds are quite different, and the rich and powerful have many rules. Before I came, I thought your father would throw me a check and let me get out!”

Chapter 670 A Realistic Woman

Chapter

670 The realistic woman Su Nan couldn't help but smile.

“You think too much, everyone in our family likes you very much, especially my second brother!”

Referring to Su Ming, he sighed silently, and raised his head with folded hands.

“I never dreamed that I was going to marry my idol? I would wake up laughing if I dream...”

Her smile was full of joy.

The sun is shining brightly today, although the temperature is very cold, but it can't hide the dazzling light.

Su Nan curled the corners of his mouth, “My second brother is the most secluded person in our family, but he is very busy. If you are bored, you can come to me, and we can go shopping and play together.

”, but don't leave Su Ming because he is too busy!

Silent nodded heavily and rubbed his hands, “Well, does God Su Ming have money?”

Su Nan: “...”

After three seconds of silence, Su Nan nodded quickly.

“There are some, the dividends from the Su Group's shares, his bonus allowances, and his various financial investments, movable and real estates under his name, add up to a lot...”

Even for money, Gotta stay silent!

Silent kicked his legs, sat on the swing, smiled, and sighed, “Then I can rest assured...”

Su Nan smiled, silent for a while, not knowing what to say.

The footsteps came from behind, and Su Ming's voice followed, "What a realistic woman..." The

silence froze, and she quickly stood up, like a child who did something wrong.

"Great...God!"

Su Ming stared at her and squinted, "I have no money, do you still want to break up?"

"No, of course not!"

Silently denied it immediately, "If I have money, I won't break up!"

Su Ming sneered, but didn't mean to be angry.

He stretched out his hand, silently hurried over and took her hand.

Su Ming looked at Su Nan, "Little Si, I'll take her to meet other people, your friend is here, come over quickly."

Is Ning Zhi here?

Su Nan nodded and ran away with her skirt in hand.

Ningzhi still has a strong aura and is full of self-confidence.

However, she wore a limited-edition coat from Milan, which looked excellent, with a warm smile in her smile, and said hello to Su Yifeng.

Su Yifeng saw that they were all his own children, and let them go in and play at will.

Su Nan ran over and threw himself into Ning Zhiliao's arms.

"Understood, why did you come..."

Ning Zhi smiled helplessly, "I almost came by plane..."

Su Qi, who was behind Su Nan, coughed silently. With a sound, he pulled Su Nan away from her.

"Su Xiaosi, you don't know how much you weigh..."

In a word, Su Nan decided not to want this brother!

She turned around and asked Ning Zhi.

“When will your boyfriend come back...”

Heartbroken!

Su Qi’s expression changed.

Ning Zhi looked at the two brothers and sisters and smiled, “It will take two or three months. He has recently received a lot of invitations to the show, which is a great opportunity for his career.”

Su Nan frowned, although Xiao Ran used to be a little famous in the circle, but there is still a difference between him and everyone’s attention.

This time, it seems that all the firepower is on, and the price has skyrocketed. The major shows are constantly shuttled, and even the media have begun to notice Xiao Ran, a male model in the world.

And those shows are all Ning Zhiliao’s contacts, it seems that in order to support Xiao Ran, Ning Zhilai made a lot of effort!

“Stop talking, come in, I’ll make coffee for you.”

Su Qi gritted his teeth and looked at Su Nan.

What a rude sister!

Su Nan and Ning Zhi walked in together, went to the small balcony on the second floor, sat down, and watched Su Yifeng greet the guests with a smile on his face.

Su Qi was grinding coffee not far away, watching their movements from time to time.

Su Nan pursed her lips, “Is Xiao Ran reliable?”
