Chapter 671 It's a loss

. They don't need so much nonsense.

Ning Zhiliu raised his eyebrows, "Who knows?"

"Then you invest so much, are you not afraid of losing everything?"

Ning Zhiliu sneered at the corners of his mouth, "Hold him up and earn me far more than my investment. Numbers, and..."

She paused, her tone a little cold: "I can hold him high, and I can make him fall to the ground."

Su Nan heard this, and his heart was filled with number.

"No feelings?"

Ning Zhi smiled, "I still have feelings, but interests are more important."

"It makes sense." The

two of them looked at each other, and without further ado, they understood everything.

Su Qi's hope is still very high.

However, Su Nan also had some sympathy for Su Qi. According to this trend, even if Ning Zhi was with him, it was estimated that he was the one who was passively abused.

Just thinking about it, Su Qi came here with coffee and sat down among them.

The two women were stunned for a moment, and Su Qi smiled.

"I've just learned how to make coffee. You won't believe me if I don't let you see it with your own eyes."

Ning Zhi smiled, "Then we really have a good time, thank you third brother."

Su Nan smiled, Su Nan smiled. Qi this wants to be courteous and still carries his own money. He can't put down his shelf and still wants to catch up. He looks cheap.

However, receiving Su Qi's warning gaze, Su Nan did not dare to be too obvious.

With one hand on her chin, He Ningzhi watched Su Qi making coffee with great interest.

What a good sister you are...

Su Qi skillfully prepared coffee for them according to their preferences.

Su Nan has more milk and less sugar, so she would rather know less milk and less sugar.

I have to say that Su Qi's hands with distinct phalanges are really like works of art, and every move is very beautiful.

Full of viewing pleasure!

It's no wonder that he never used his hands in filming. His hands are enlarged at any time and can stand the test of details.

God really loves him!

Su Nan thought to himself, and looked at the cup that Ning Zhi had already prepared.

The taste of coffee is mellow and rich. The coffee beans brought back from New Zealand are priceless and smell like money!

Ning Zhi reached out.

Su Qi raised his eyes and smiled, looking at Ning Zhi.

"Wait a minute."

He picked up the cup with his left hand and the other cup with his right, and carefully drew a little chi on her cup of coffee!

Two wings come to life.

What a cute animal!

Su Nan watched in shock, and Ning Zhi was also slightly taken aback.

Su Qi smiled and pushed it over, "Try it, this milk is special, low-fat and sugar-free."

It's just to look good.

Ning Zhiliu twitched the corners of his mouth and took it over, "Third Brother's craftsmanship is really professional!"

She was just polite every day, but Su Qi's smile deepened because of this sentence.

"It's nothing, if you want to drink, you can come over at any time."

Su Nan coughed, Su Qi immediately responded, there is another!

Su Qi added another kind of fragrant milk to her, which is the brand she is used to drinking on weekdays.

Just when Su Nan was looking forward to what he would make for himself, Su Qi had already pushed the coffee over.

The coffee arrived in front of Su Nan so plainly, without the slightest surprise.

Is the difference so obvious?

Su Nan frowned and looked, hehe, my brother?

Su Qi casually urged her, "Drink it quickly, don't get cold, waste it!"

Su Nan twitched the corners of his mouth: "..."

The treatment of a real sister, that's all?

...

Ning knew that they couldn't help but laugh, seeing that Su Nan was about to lift the table, they hurriedly helped him out.

"Third brother, Xiao Si has waited so long for the latte on your coffee, how could you forget this step?"

Su Qi frowned, looking at this troublesome ghost sister.

Now that he has opened his mouth, he can't deal with it.

"Okay, I'll pull one for you!"

Su Nan pulled the corner of his mouth and snorted coldly, "Pull me an owl!"

Su Qi's hands stiffened, he wouldn't!

Ning knew that Lahua, he practiced dozens of times before he practiced it!

Su Qi's face changed and changed, almost, he was the one who lifted the table...

This Su Xiaosi, who was holding back, should not have high hopes for her.

If my happiness is pinned on her, I am afraid that I will be single for a lifetime!

The atmosphere has been somewhat quiet.

The laughter and laughter downstairs is in stark contrast to the awkward silence upstairs!

Ning Zhi took a sip of coffee before noticing the dark smoke of gunpowder flowing between the two brothers and sisters.

"Cough cough, that... If you don't, don't make it difficult for the third brother."

Su Qi smiled, staring at his own sister meaningfully.

"I will, but I think it's more suitable for you to get a black card for you, right?"

Remind her that she still dared to embarrass him after accepting his black card?

Su Xiaosi, don't worry about it!

Su Nan pursed his lips, and suddenly disappeared. That black card has no limit.

For the money's sake, forget it!

"Yes, yes, I know that my third brother can do everything, what does an owl count?"

Su Nan's attitude suddenly turned 180 degrees, and his smile was extremely bright.

Regarding coffee, I finally tacitly revealed the past.

"Little Four, Little Three, come down to pick up the guests!"

Su Yifeng shouted from downstairs, and Su Nan and Su Qi were shocked.

"Little San?"

Su Nan was okay, Su Qi's face became very exciting, like eating a fly, he didn't dare to spit it out.

Because this is what his father feeds.

Ning Zhi was out of breath when he laughed there.

Su Nan and Su Qi looked at each other, and the two sighed in their hearts, and instantly stood on the same front.

Here comes the group of relatives who meet once a year!

Ning Zhiliu held back his laughter and waved, "You guys go, don't worry about me, I'll just drink coffee here." The

brothers and sisters can't even pretend to be stupid.

Su Qi stood up calmly, with 10,000 grass and mud horses galloping past in his heart.

"I've said it many times, don't call me 'Little San'? Why doesn't he call the second brother 'Little Er'?"

Su Nan was speechless, "Why didn't he let the eldest brother come out to 'pick up guests'?"

Because Su Jincai He won't accompany the group of relatives to chat, laugh and greet, he will only pour cold water on them when they are joking!

Over time, Su Yifeng just ignored Su Jin, and when there are guests, he can't come out to see his mood!

very nice!

The two of them said this, and when they got downstairs, a bright smile appeared on their faces.

Official and perfunctory.

Su Yifeng brought more than a dozen people in, and the smile on his face could not be hidden.

"Little three, little four, it's called someone..."

Su Nan and Su Qi looked at each other, and the two instantly became nervous, and said in unison,

"Hello, second uncle."

Su Yinian nodded. Looking in good spirits.

He swaggered and sat in the living room.

What about the rest?

The two looked at each other awkwardly and didn't know each other!

Su Yifeng glared at them hatefully, and walked over with a smile, "This is the eldest uncle, this is the second uncle, this is the uncle, this is the cousin of your deceased uncle from the uncle's house..."

...

Chapter 673: Dip the pig cage

Chapter 673 Soak in a pig cage

For the first time, Su Nan and Su Qi felt that they were tool people.

Hehe, Su Nan has never laughed like this before in front of those business partners in the mall, she's going to cramp!

Su Qi is a dignified actor, aloof and dignified, and whoever looks at a big star who has to worship, has to suffer this crime?

After introducing all the relatives, Su Yifeng himself felt dry.

Fortunately, the butler handed a cup of tea in a very colorful manner:

"Su Dong, coffee and refreshments are ready..."

Su Yifeng hurriedly greeted him:

"Hurry up... Come in, you're welcome! After Su Yifeng finished speaking ,

he drank a big glass.

Then he led Su Nan and Su Qi in without changing his face and heart.

Su Yifeng hurriedly introduced his proudest daughter:

"This is Xiao Si, now she is in charge of the company, and the boss is just an assistant. Our Xiao Si's worth is famous in the world's Forbes list! "

Everyone looked at him with envy and hatred, and Su Yifeng became more and more proud.

He smiled, "Our second child doesn't like to meet people, he is a scientist, that is, he has won several world-class awards, participated in several national-level confidential scientific research projects, and won one of the few honorary titles in international history. There 's nothing else to say."

Knowing that Su Ming doesn't like this kind of situation, if you let him come out and say something earth-shattering, don't think about it this year!

So he took it over in one sentence, focusing on the two most noisy Su Nan and Su Qi.

Uncle and grandma went over and pinched Su Nan's face:

"Little Si, your last hot search every few days, who are you good with? That Yu Fei Xiao Xianrou is too young, is that Xu Teng really Fu Yechuan's stand-in?"

Everyone looked curiously. She, some jokes, some playful, are all good show...

My uncle asked everyone's thoughts.

For a moment, the atmosphere in the room was so quiet.

This time, Su Yifeng's expression finally became unbearable...

Just when he was about to restore the atmosphere, Su Nan brushed away his uncle's hand with a very disrespectful face, looked at her with a quiet smile, and asked her.

"Why are you worrying more than the reporters..."

With a smile and a cold tone!

She doesn't need to give any face to relatives who can't be beaten by eight poles.

It's just that Su Yifeng likes to be lively and has to let everyone gather together.

Su Qi secretly gave a thumbs up.

Su Nan is Su Nan, and she talks back so confidently!

Great!

If it were him, Su Yifeng would have slapped him with a whip...

Everyone could clearly see the rudeness in Su Nan's words.

It's just that Su Yifeng said just now that Su Nan has the final say in the Su family. Who would dare to object?

Besides, Su Yifeng, who was on the side, didn't have the slightest blame at all!

The excitement of watching the excitement dissipated.

Su Yifeng hurriedly rescued the scene: "How can you believe the rumors on the Internet? Our little four is just playing with them, not serious!"

Su Qi raised his eyebrows and looked at his old father in shock. Is this the rescue?

This is a mess!

Su Nan also felt speechless for a while, and the corners of her mouth twitched, but it was useless for her to explain.

Forget it...

Uncle and grandma sighed: "Although Xiao Si is divorced, it's not very pleasant to say it out, but we have money, it shouldn't be difficult to find someone who is divorced, the big deal is to relax the conditions. , you can bring a child..."

Su Nan: Hehe...

why don't you put her in a pig cage?

...

atmosphere has fallen into freezing point again.

Su Nan was too lazy to say anything, and left immediately, Su Qi followed closely.

They returned to Ningzhi's side again, and Su Qi saw her lonely profile.

"Let me play a tune..."

There is a piano on the second floor, which is usually not used. It was because of the empty space that Su Yifeng asked people to put there.

He walked uprightly and sat down, like a prince who came out of a fairy tale, his appearance and temperament had already killed everyone.

The next second, the graceful sound of the piano flowed out from between his fingers, graceful and graceful, with gentle and flexible movements, his hands touching the black and white keys, with distinct phalanges, extremely attractive.

On the balcony on the second floor.

Hearing the sound of the piano below, Su Nan sighed involuntarily.

What a poor third brother!

Ning Zhi frowned, "Is the third brother playing the piano?"

Su Nan raised his eyebrows and nodded.

Ning Zhi listened carefully for a while, with a complicated expression on her face.

"It's a good serenade, why is he playing a bit of unwillingness and resentment?" Can you

hear it?

Su Nan smiled involuntarily, Ning Zhi was indeed his confidant!

was talking.

Su Xiaohu didn't know what to do and climbed up, staring at Su Nan with big dripping eyes.

Very aggrieved.

"Mama, bad silently bullying others!"

Oh, it still knows to sue?

Su Nan picked it up with one hand and stroked his soft tiger fur.

"I won't drive her away for you, you have to be nice to Momo, and she will be a family with us from now on!"

Su Xiaohu blinked and shook his tiger's whiskers in grievance.

Oh no, it doesn't want to!

Ning Zhi took it over and stroked it for a while, "Like a real tiger, it's so warm..."

"Except that it can't eat food, it's the same as the real one!" Su Nan smiled dotingly. .

Su Xiaohu was immersed in his own sadness, even if someone praised him to the sky, he couldn't be happy.

It drooped its head and muttered:

“Break up, break up, let them break up!”

It doesn't want to be with the bad silently!

Su Nan and Ning Zhi smiled.

“Do you want to crash, little traitor!”

A silent gnashing voice came from the side.

Su Nan raised his eyebrows, watching her gradually approach, Su Xiaohu cowered in Ning Zhiliao's arms.

It's really scary!

Silent picked it up with one hand and looked at it with a warning, “Be careful I'll turn you into a mouse!”

“No no no, I don't want it, Mama save me!”

Su Xiaohu kicked in the air Four legs, scared to become a kitten, pitiful to death!

Su Nan suddenly softened his heart and took it back:

“Momo, don't scare it!”

Silent pursed his lips, “If you get used to it like this, it will imitate the characteristics of human beings, and the arrogance value will continue to increase.”

I see.

But even so, no one is willing to touch this little cutie!

Su Nan narrowed his eyes, “It's okay.”

Sitting silently opposite Ning Zhi, the two nodded, “My name is Silent.”

“My name is Ning Zhi.”

Su Nan looked at this scene, as if Something weird.

Not sure, will they both be her sister-in-law in the future?

It's so lucky!

Su Nan showed a meaningful smile.

He looked at Su Nan in silence.

"Susu, God has always handled interpersonal relationships poorly. I didn't say hello to the group of relatives below. They wouldn't have any opinions on me, would they?"

...

Su Nan paused, "Of course not, they are very open-minded, you don't have to worry about other people's thoughts, just follow my second brother's temper."

At Su's house, No one dared to look at Su Ming's face.

Silent breathed a sigh of relief and smiled.

"That's good, after all, it's my first time visiting the door. My mother told me to be sweet and diligent and do more work, and wait until the marriage is settled."

She sighed, "But she didn't give me a chance to express myself!"

Su Nan He Ning knew each other for a while.

Ning Zhiliu couldn't help but smile, "Second brother's girlfriend, is it so real?"

Su Nan smiled, she was more real in the garden just now, and she didn't hide her yearning for a wealthy family at all.

But this kind of reality makes people feel very comfortable, but it is much stronger than those pretentious ladies and gentlemen! "Mom is very cute. My second brother has never attracted girls to like him since he was a child. He likes Momo

so much, definitely because her personality charm has surpassed that of all human women!"

smiled.

"Susu, when you praise people, don't be so straightforward, I... I'll be embarrassed!"

Su Xiaohu, who was nestled in Su Nan's arms, couldn't help but pull out his little head and pierce her cutely. His true colors:

"Bad silent and deceitful..."

Silent gave it a blank look and warned the dead tiger.

Su Xiaohu was so frightened that he hid in Su Nan's arms again.

Afraid to die!

Everyone was chatting and laughing here, and without noticing, someone had already gone up to the second floor and followed their laughter.

"Cousin, so you are here..."

Su Nan raised her eyebrows. There was indeed a young girl in the group of relatives. She looked okay, but she didn't have any impression. I wonder which relative's child it was?

It's a big New Year's Eve, and it's a guest that Su Yifeng invited back, so of course it's not good to show people's faces.

Su Nan smiled, "Cousin?" The

girl came over and introduced herself very intimately, "Cousin, I went to study abroad a few days ago, so I didn't come back during the Chinese New Year, but before studying abroad, I would come every year. It's Lin Xuan, we grew up together..."

Su Nan's mind turned several times, but he still couldn't remember who this person was.

But she gave a face-saving smile, "I remember, Xuan Xuan..."

Lin Xuan nodded excitedly.

Just remember, then the next words will be easy to open...

But in an instant, Lin Xuan's eyes were attracted by Su Xiaohu in Su Nan's arms.

"Little tiger?"

God, she'd only heard of raising horses, raising birds, raising monkeys... Would the Su family even dare to raise tigers?

The hobbies of these rich people are really unimaginable by ordinary mortals!

Su Nan smiled, "This is a little tiger with artificial intelligence, it's not real."

As she said that, she patted Su Xiaohu, "Say hello, Xiaohu?" Su Xiaohu

stuck his head out lazily, cute. He glanced at her, "Hello, Auntie!" The

young Lin Xuan, before she could get excited, was nervous about the title: "Little tiger who can talk, just call her sister." After speaking

, she stretched out her hand and wanted to go . Hug Su Xiaohu.

But Su Xiaohu obviously didn't give face very much, shrinking in Su Nan's arms, pretending to be dead motionless.

Lin Xuan raised her hand in the air in embarrassment, then looked at Su Nan, "Cousin, let me give you a hug, okay?"

Su Nan paused, although she was not reluctant, but it was just a hug, it should be fine.

She handed it over, and Lin Xuan happily brought it over, stroking it in surprise, her eyes rolled, and she suddenly thought, just take it home.

"It's so soft, it's the same as the real thing, and it has temperature. If it doesn't speak, I really think it's a real tiger..."

Su Nan smiled and raised her eyebrows. After all, she felt that way back then.

"Where did you buy this robotic tiger?" Lin Xuan asked.

Su Nan frowned, "Someone gave it."

Lin Xuan asked excitedly, "Who gave it?"

For a while, no one in the room said anything.

Su Nan looked at her lightly and smiled.

Not speaking, already represented her dissatisfaction.

Are you asking too much?

Lin Xuan didn't realize the embarrassment at all, "Cousin, since it was given by someone else, why don't you give it to me? It's too cute. If I post it online, it will definitely shock the world!"

Su Nan sipped lightly Lips, voice lukewarm.

"Since it was given by someone else, you can't give it away casually."

Lin Xuan frowned, "Why? This is nothing to the Su family. Even if it's a real tiger, it's not impossible to keep it... .."

Why bother with her because of a robot tiger?

She really likes this little tiger!

Su Nan's smile was obviously colder.

"Want to raise it or not is the most important thing, give it to me..."

Su Nan stretched out her hand and already expressed her attitude.

Lin Xuan was very reluctant and took two steps back while holding Su Xiaohu, her eyes rolled.

"Cousin, Uncle Cousin has always been generous to us, why don't we ask Uncle Cousin?"

Lin Xuan thought of Su Yifeng, the person who took great care of them and even paid for her tuition fees for studying abroad. Su Yifeng would not disagree with such an ordinary fake tiger!

Su Nan's face has sank, and he doesn't even bother to do superficial work.

"Give me..."

Her hand stretched out in the air, her tone condensed, and the momentum around her suddenly cooled down.

Although Lin Xuan was a little afraid of Su Nan, she thought that as long as she could own this little tiger, she would definitely become a popular celebrity on the Internet.

She hugged Su Xiaohu tightly, not going to let go, she turned around and wanted to run downstairs.

Sitting there for a long time watching the silence finally couldn't help it, patted the table and stood up.

"Little traitor, you don't know how to resist when you get caught, are you a weak chicken?"

In an instant, Su Xiaohu suddenly woke up, jumped from Lin Xuan's claws, and threw himself into Su Nan's arms.

"People are ferocious tigers!"

Su Nan's arms were full, and he let out a sigh of relief, touched Su Xiaohu, and encouraged him to be brave just now.

Full of fighting power!

Lin Xuan's arms were empty, and her face turned pale. She looked at the scar on her arm, and her eyes suddenly turned red.

"You... you actually caught me?"

Lin Xuan hugged too tightly just now. When Su Xiaohu broke free from her arms just now, in order to let her go, he could only activate the attack and defense mode.

Su Xiaohu arched his head, and suddenly felt awe-inspiring.

"Attack level 1, combat power level 1, reaction speed level 1, they are a smart tiger, so they won't go with you!"

It hates this woman so much!

Silent on the side smiled with satisfaction, "The tigers I designed are not only coquettish and cute. If they don't have any fighting power, how can they be the king of the forest?"

Lin Xuan looked at Silent in surprise, "You designed it? She suddenly remembered that when she was downstairs, Su Yifeng introduced this woman, she is a world-class famous scientist..."

For a while, Lin Xuan felt a little depressed.

"Then... can you design another tiger that can't catch people?"

“Are you paying for it?” asked her silently and calmly.

“Ah... money?”

...

Chapter 677 Green tea is refined

Chapter 677 The green tea has become refined.

Lin Xuan was a little surprised.

Silently: “The cost of such a tiger is at least nine figures. If you don’t pay, do you expect me to give it to you?”

Lin Xuan’s face turned pale, and she was frightened by the number.

Looking down at the expensive tiger again, I didn’t dare to touch it in an instant.

“Everyone’s relatives, so... can’t it be cheaper?”

Lin Xuan muttered.

In a word, everyone’s eyes became shocked!

Is this what a human being can say?

Su Nan is even more speechless. Why do they have such relatives in the Su family?

Ning Zhiliao lowered his head and drank coffee without speaking.

Su Nan turned her head away and pretended not to know her.

Silently blinked her eyes: “Ah, I’m not a vegetable seller, you want to bargain with me?”

Lin Xuan lowered her head in disappointment, and it happened that Su Yifeng took little Mike’s hand upstairs.

“Little Four, little Mike was playing outside just now, go take him to wash his hands...”

Su Nan stood up in a timely manner.

“Okay...”

Lin Xuan did not miss this opportunity, she has no money, Su Yifeng is so rich, she can give it to her!

She hurried over and covered her wound, "Cousin..."

Only then did Su Yifeng notice that there was another one.

"Lin Xuan, you're here too, let's play..."

Su Yifeng turned around and left, not noticing that something was wrong with her.

"Cousin, my hand was scratched by this fake tiger..."

Lin Xuan stomped her feet, tears of grievance coming out.

The other three girls sat there, staring in astonishment.

Little Mike blinked ignorantly.

When Su Yifeng heard this, she glanced at her raised arm and squinted, "Where?"

Lin Xuan could not wait to put her arm in front of his eyes and pointed at the red mark.

"This, Uncle Cousin!"

"I'm blinded, I can't see clearly, don't worry, just put some medicine on it, this tiger in our family is fake, you don't even need to get rabies vaccine

!"

Su Yifeng smiled and moved towards Su Nan waved his hand:

"Little Si, let someone find some medicine for her..."

Before Su Nan could speak, Lin Xuan was about to be killed by him, "Uncle cousin, can you give it to her? Am I a

tiger?"

Direct enough!

Straightforward and irresistible!

Su Yifeng was stunned for a moment, before rejecting her earnestly:

"Of course not, this tiger has a tendency to be violent, this time it's just an arm, what if it scratches your face next time?"

Lin Xuan was speechless by this excuse, and for a moment It didn't even go on!

Several girls there could not wait to applaud Su Yifeng.

Sure enough, ginger is still old and spicy.

In the face of such a small green tea, Su Yifeng can be said to have dealt with it properly, and was not fooled at all!

After Su Yifeng left.

Su Nan looked at her and smiled, "Cousin, go downstairs to find the housekeeper to apply some medicine."

After all, she is a guest, so basic courtesy still needs to be maintained.

If the face is torn apart, Su Yifeng's face will not look good.

As soon as Lin Xuan left, everyone breathed a sigh of relief and smiled in unison.

What a wonderful scene!

Little Mike hugged Su Xiaohu happily, and gave him a heavy kiss, "Big Tiger, accompany me to wash your hands!"

Su Xiaohu was touted by Little Mike, and when he said "Big Tiger", he got carried away and intoxicated. The status of the king of beasts.

"Okay!"

Little Mike put it on the ground, he wagged his tail, and walked out of the steps that he did not recognize.

Everyone looked at this stupid tiger, but they couldn't control it for a while, and laughed out loud.

Everyone likes it very much, but the silence is very disgusting.

"This stupid tiger, as always, turns his face faster than a book!"

...

Chapter 678: It is impossible to go through the back door

Chapter 678 It's impossible to go through the back door

Su Nan smiled, "It's our family's treasure!"

Silently raised his eyebrows and sighed helplessly.

“It can be seen that the scarves you bring to it are tens of thousands, and the watch costs millions, right? Tsk tsk, a little traitor who dislikes the poor and loves the rich!” The girl’s friendship came suddenly, perhaps because of Lin Xuan’s After Xiaolucha made such a fuss, Ning Zhiliao and Shen Momo naturally became a lot closer.

The sky gradually dimmed, but the entire Su Mansion was brightly lit, and the layout was extraordinarily lively and beautiful.

Ning Zhi checked the time and planned to make a video call. Su Nan glanced subconsciously and saw Xiao Ran’s name.

But once again, no one answered.

Again, still no one answered.

Ning Zhi’s face changed slightly.

Su Nan pursed his lips, “Maybe he’s busy...”

Ning Zhi paused, smiling absentmindedly, “This time, not when he is playing, he should be in the hotel.”

Su Qi Peeling an apple on the other side, he snorted coldly.

“It’s not scary in the hotel, the most scary thing is being in the hotel with others.”

Su Nan and Ning Zhi stared at each other.

Su Qi raised his eyebrows and bowed his head. He was just telling the truth...

It was already midnight when he was talking, and the housekeeper and servants went back and forth to take care of the guests.

The buffet utensils are all placed in the restaurant, but some relatives who have many problems have to send them to the front.

The housekeeper was so tired that Su Qi couldn’t stand it anymore, so he stood up and delivered it for him a few times.

Those people naturally didn’t dare to bother the eldest young master, and gradually they started to do it themselves.

Su Nan Ning and cicadas positive whispering, I heard Su Qi standing in the doorway shouted out:

“! Primary Four, it was fireworks,”

Su Nan look at the past, Fangjiu Fang Bai, the housekeeper may be put.

She walked over in a hurry, but Su Qi hurriedly urged her:

“There is still your name on the fireworks, someone is confessing to you?”

Su Nan’s heart thumped, and he walked over a few steps.

The sky suddenly filled with fireworks, huge fireworks, specially customized shape features, showing a 3D three-dimensional effect, it

looks very visually stunning!

This firework completely broke everyone’s interest in chatting, and they all followed out to watch.

I saw a huge hydrangea firework burst in the air with a “bang”, as if it illuminated half of the city in an instant.

Then, the small fireworks in the middle of the fireworks gradually changed into the appearance of “Su Nan”, and the surrounding ones did not disappear, but transformed into the shape of a pedestal like a star, and under the pedestal, “Fu Yechuan” was written.

This time, everyone doesn’t have to wonder who prepared the unexpected “surprise”.

The answers are written in the sky!

Su Nan was shocked all the time, but when he saw Fu Yechuan’s name, he was stuck in his throat.

In the next second, the fireworks did not disappear, but turned into the appearance of Su Nan again. The head portrait that came out of a comic was vividly drawn, with a faint smile, but it was particularly obvious in the bright mid-air.

This firework show has many twists and turns. The most fashionable technology and the most shocking and beautiful pictures are probably all on this New Year’s Eve.

At this moment, a heavy goose feather snow suddenly fell from the sky, and it fell one after another.

Set off with unparalleled fireworks, it adds a bit of chill and beauty.

Her heart was not shocked by the beauty of the huge fireworks, but she was vomited blood by the name Fu Yechuan!

He always does the wrong thing at the wrong time.

I still think I'm pretty!

hehe.....

...

Chapter 679 Someone is confessing

Chapter 679 Someone is expressing

their shock and admiration, "Oh, Su Nan, you and Fu Yechuan are reconciled..."

"It's so beautiful, and President Fu is too romantic!"

"This fireworks show is not cheap. This is Mr. Fu's confession to you..."

"President Fu is really attentive!"

Several younger girls looked at them with envy and jealousy." I don't know if President Fu is here, cousin, please promise him, it's so romantic..."

Su

Qi looked at Su Nan's pale, cold face, pursed her lips, involuntarily Guarding Su Nan:

"What's wrong with coaxing? Su Nan doesn't know how much she has gone through this kind of confession. This little trick just wants to coax my sister away. Who hasn't seen the world?"

His disdain was like a pot. Cold water was poured on the heads of those who were booing.

For them, the scenes that were enough to move them to tears, in Su Nan's view, were just habitual.

Is the difference too obvious?

Ning Zhi smiled and said, "Yeah, didn't we also prepare fireworks? Uncle Steward, hurry up, the snow will be heavier in a while, and it will not look good!"

Now it seems that we can only use another fireworks to go. Cover the traces left by Fu Yechuan.

The housekeeper understood, responded, and immediately took the people out.

But I didn't expect that at the door, I saw an unexpected person...

After Su Nan scolded her secretly, she couldn't calm down, but she tried her best to suppress her emotions.

Ning Zhi glanced at the circle of friends. The circle was full of fireworks, and everyone who didn't know it already knew it.

"Little Si, Fu Yechuan did this on purpose?"

Su Nan glanced at it, pursed her lips, then picked up the phone, called Du Yan, and gave a calm order.

"Prepare the public relations, I don't want to make too much trouble tonight."

There is no doubt that Fu Yechuan's appearance is not only for her to see, but also to declare his sovereignty.

But Su Nan did not let him wish.

She had to suppress the heat!

Su Nan snorted coldly, hung up the phone, and then the phone rang again.

Seeing that name, Su Nan felt angry.

She answered the phone as she went upstairs.

"Fu Yechuan, has your brain been kicked by a donkey?"

She tried her best to lower her voice.

Fu Yechuan didn't expect to scold him as soon as he came, and felt a little aggrieved.

The voice is soft, mellow and magnetic, and tempting.

"Have you seen it? Are you beautiful?"

"I didn't see it, not beautiful!" Su Nan was angry.

Fu Yechuan was silent for a few seconds, "Then let me play it again!"

Su Nan's eyebrows jumped, "You dare?"

Isn't it enough to lose someone once?

Fu Yechuan laughed in a deep

voice, "Don't dare, you have the final say." This compromise can really smash people's hearts and shudder fiercely.

Su Nan's chest was slightly suffocated, and his tone was cold, "Your fireworks show will only bring overtime pay to the employees of We Media, Fu Yechuan, don't be smart."

The man on the other end of the phone was silent for more than ten seconds.

He sighed slowly.

"I didn't want to do anything, I just wanted to make you happy, Happy New Year, Su Nan!"

Su Nan paused, "Nothing else, I'm hanging up."

"I think back on those four years now, it seems that we didn't spend the New Year together, and I wasn't in the country during the New Year." Fu Yechuan's voice was low and hoarse, with With immense regret.

Su Nan sneered, "In order to avoid me, you either go abroad for business or go on vacation with friends, why are you in China?"

He would only leave her behind on important festivals and let her face it alone The Fu family who were not friendly to her.

Qu Qing would complain that because of her, her son didn't go home for the New Year...

and the other Fu family members would degrade her even more because of this!

Su Nan doesn't want to recall those forbearance and humbleness in this life.

It's really cheap!

other party fell into silence. Fu Yechuan tortured his heart every minute and second, listening to her casual condemnation.

It's been a long time, but every word of hers is like a knife, gouging out his heart.

At such a happy time for the family, he was looking for every pain.

As if doing so would ease my guilt.

Just when Su Nan was about to hang up impatiently, Fu Yechuan suddenly spoke again, his voice hoarse:

"Su Nan, I want to see you."

Su Nan was speechless, "But I don't want to..."

"I At your door, can you open the door?"

Fu Yechuan didn't give her a chance to refuse, he sat in the car and watched so many people in the yard, under the heavy snow, the fireworks rose into the air in clusters, so beautiful and gorgeous Extreme.

Those lively things don't belong to him.

Su Nan paused, what day is today?

Isn't the Fu family busy?

She pursed her lips, "Don't open the door, get out quickly."

Fu Yechuan chuckled lightly and started the car again.

"It's too late, someone has already opened..."

Su Nan froze, the phone was hung up, and she hurriedly walked down.

She didn't believe that the housekeeper would put people in without her permission? yard.

Su Qi played with little Mike on his shoulders, and everyone was talking and laughing not far away.

At the door, the butler looked at the Range Rover slowly driving in in embarrassment.

After a stalemate for so long, the door was opened by Lin Xuan who suddenly ran over.

How did he explain to Su Nan?

“No, I can’t open the door without Su Dong and Miss’s orders.”

Lin Xuan, who was running excitedly, looked indifferent.

“The housekeeper, he is Fu Yechuan. We can’t afford to offend him. Where does he want to go?”

“But Miss...” The housekeeper explained patiently.

She was interrupted impatiently by Lin Xuan.

“Okay, you’re just a housekeeper, don’t make your own decisions.

Mr. Fu may be here for a business, can you afford it? Besides, everyone is at the door, and my cousin won’t be so ignorant. Shut people out?”

After saying that, Lin Xuan ran over and looked at the man who had gotten out of the car. The man in black clothes and trousers melted into the dark night, as if he was a king who came out of the darkness, with a majestic aura. Full.

She held an umbrella in front of him, shielding him from the heavy snow.

His face turned red involuntarily.

“Mr. Fu, please come in...”

Fu Yechuan tidied up his collar, nodded slightly, looking at her a little strange, “You are...” The

new servant?

Lin Xuan quickly introduced herself: “I’m a relative of this family, and Su Nan is my cousin.”

Fu Yechuan nodded and smiled gently, “Hello cousin.”

Fortunately, he didn’t say the second half of the sentence.

Lin Xuan didn’t expect him to laugh at her. This was probably the last time she had been close to Fu Yechuan. This kind of looking up was really heartbreaking.

“The fireworks just now were so beautiful. We all saw it. Mr. Fu, you are really attentive.”

Fu Yechuan walked in with a smile on his lips. Although he was annoyed by this noisy cousin, he still maintained a lot of patience.

It all depends on Su Nan's face!

"Thank you."

Su Yifeng's group had already seen Fu Yechuan, and his eyebrows were slightly raised, slightly surprised.

"Why is Mr. Fu here?"

Su Yifeng looked at the housekeeper behind him. The housekeeper glanced at Lin Xuan in embarrassment. He couldn't complain in front of so many people, so he lowered his head and said nothing.

Fu Yechuan smiled lightly, dignified and clear, and his temperament was cold and severe. At this time, he watched Su Yifeng bow his head and bow to say hello.

"Director Su, Happy New Year, I'm here to give you New Year's greetings."
