Chapter 681 Who told you to open the door

Chapter 681

Su Yifeng, who told you to open the door, twitched the corners of his mouth. Before the big night has passed, he will start his New Year's greetings?

But he couldn't stand still and smiled, "Okay, you have your mind, Su Jin, take President Fu to sit inside..."

Su Jin glanced at him and stretched out his hand, "President Fu, please. ..."

Fu Yechuan nodded, "Brother, Happy New Year."

Su Jin's smile froze, then frowned, "Mr. Fu is really sincere..."

After he finished speaking, he directly went in by himself.

Su Nan went downstairs and naturally saw Fu Yechuan.

Immediately, his face turned a little unsightly.

A group of relatives looked at the visiting man in surprise, and the young girls were all excited and excited.

Fu Yechuan stood there, raised his eyes and saw Su Nan, his smile finally softened from his heart.

"Su Nan, Happy New Year..."

Su Nan pursed her lips and her eyes were light, "Mr. Fu is very polite, I'm here to pay New Year's greetings so early, sorry for the poor reception."

Fu Yechuan smiled and said that he could. It was very thoughtful to let him in.

How dare you ask for more?

"I knew I made you angry just now. I was very nervous. I was afraid that you would be even more angry, so I just came to apologize."

Fu Yechuan didn't want to come, but Wu Tutu followed him in the car to watch him set off fireworks, but after the fireworks were set off, He couldn't help but make a phone call.

Hearing her voice, I could no longer control my emotions.

In the end, he put Wu Tutu on the road and drove over by himself.

There was only one thought in his mind: he wanted to see her!

So, he came, and the moment he saw her, his heart suddenly calmed down.

Su Nan froze for a moment, what nonsense are you talking about, only ghosts believe it!

Su Jin coughed, "Mr. Fu, sit down in the side hall, it's quieter there."

"Okay, thank you eldest brother."

Su Jin felt his teeth were sore, and he called him a pain in the head.

When two people competed for interests in the shopping mall, they both competed with each other, and neither one's means were simple.

Fu Yechuan's well-dressed appearance, pretending to be a gentleman, is really uncomfortable.

Su Jin gave Su Nan a wink and told her to come down and send people away, otherwise they wouldn't want to sit here with Fu Yechuan all night!

Lin Xuan wanted to take the opportunity to enter, but was stopped by Su Qi.

Su Qi smiled meaningfully, "If you don't know each other well, don't go in and disturb their conversation."

Lin Xuan rolled her eyes and asked in a coquettish voice,

"Mr. Fu finally came here once, it's not too rude if we don't say hello. Is it?"

Although Su Qi's eyes were smiling, there was no warmth in his eyes.

"He came to visit the Su family, is your surname Su?"

Don't give some color and start a dyeing workshop.

The voice of these words was not high, and it was only the same person who heard this. Lin Xuan's face suddenly turned pale.

Su Qi chuckled softly, his voice calm and slow:

“Cousin, sit over there and chat with your uncle and grandma. When the day dawns, let the driver take you back to your home.”

Fu Yechuan also knew that he was not very popular . , I was satisfied just by looking at Su Nan.

After drinking a cup of tea, he didn't linger any longer and got up to leave.

After finally sending him away, Su Jin turned around and left.

Su Nan turned around and saw Lin Xuan standing at the door, reluctantly staring in the direction of the door, the expression on her face that she wanted but couldn't, don't be too obvious!

She walked over casually, passing Lin Xuan.

Lin Xuan couldn't help but stop her.

“Cousin, what is Mr. Fu doing here? Did he come to beg you to reconcile? Will you remarry him?”

Su Nan paused and tugged at the shawl on his body.

She raised her eyes and looked at Lin Xuan.

“Just now, who told you to open the door?”

...

Chapter 682 Let her come back to help you

Chapter 682 Ask her to come back to help

Lin Xuan's complexion change, “I...I just, he is already at the door, do you want to keep him out? Besides, the housekeeper

agreed. .”

Pull a pad on the back, maybe it will be better!

Su Nan's voice was cold, and no one would give face.

“Really, the housekeeper agrees? Do you want to call him to ask, does he agree?”

Lin Xuan trembled, her face finally showing a trace of unnaturalness.

“Who is Fu always? How can he stop him?”

“Who is he, I don’t need you to tell me. It’s not my business in the future, so don’t make opinions without authorization.”

After that, Su Nan didn’t even look at her , lift your feet and go.

Now that the words have come to this point, she doesn’t want to say anything more nasty.

Lin Xuan should be thankful that today is Chinese New Year, otherwise Su Nan will definitely throw this person out.

The heavy snow fell, Fu Yechuan smiled, and he was halfway there.

A man who was frozen to death finally saw the car.

Wu Tutu couldn’t wait to get in.

Very aggrieved.

“Fu...Mr. Fu, you can’t throw me away, it’s going to kill you!”

He was shivering from the cold. The heater in the car couldn’t instantly warm him up, but it was better than being outside. Standing in the cold is

too much .

Fu Yechuan gave a “hmm”, obviously in a good mood and didn’t care about him.

“Double the year-end bonus for you.”

Wu Tutu froze, and in an instant, he didn’t feel cold anymore...

Fu’s old house.

After Mr. Fu had dealt with the greeting calls, he sat in the living room. It was obviously such a lively day, but the Fu family was not at all happy.

Quiet and dull.

Fu Yechuan’s father, Fu Qingcheng, was originally a resident of a company abroad. He was used to his freedom, let alone Qu Qing’s management.

It was not easy for Qu Qing to be sent abroad, and since he was truly free, he would not take the initiative to send her to the door to be scolded.

Anyway, the old man has already decided that Fu Yechuan will take over the company. After all, he is his own son, and Fu Qingcheng has nothing to say.

He has only one task now, and that is to squander money and his own life!

As soon as Fu Yechuan arrived at the old house, he threw the key to Wu Tutu, "Go back." When

he walked in, the housekeeper was relieved.

"Young master is back..."

Fu Yechuan pursed his lips, walked in, and saw Mr. Fu sitting there with a livid face, as if waiting for him on purpose.

"Where are you going?"

Mr. Fu has been very angry recently. It's okay to be restricted and monitored. On this important festival, why is Fu Yechuan still obedient?

I really don't care about him at all!

Fu Yechuan said indifferently, "Go out for

a walk." Old Man Fu threw the iPad on the table angrily, "This is what you said about going out for a walk, go out for a walk or go to Su's house? You made the whole city aware of it, in order to please Su Nan, go set off fireworks?"

Fu Yechuan hooked his lips without changing his face, "Isn't this what you want to see?"

Approaching the Su family, reconciling with Su Nan, everything is Master Fu's will!

For a time, Mr. Fu became even more angry.

"I...I didn't let you even want a face!"

A dignified president of the Fu Group, doing these trivial things for a woman, the most important family, the Su family, dismissed it, and it was rumored that where did their Fu family's face go?

Fu Yechuan suddenly laughed, with a playful chill on the corner of his mouth.

Indifferent, gloomy.

“It’s shameless to use inferior means to deal with women.”

His words obviously stimulated a certain nerve of Mr. Fu.

Mr. Fu stood up with a livid face and pointed at him tremblingly, “You...”

...

Chapter six hundred and eighty third Licking the dog has nothing

Chapter 683 Licking the dog has nothing

Fu Yechuan’s words are clearly hitting him in the face!

How lawless!

Seeing this, the housekeeper on the side hurriedly stepped forward to dissuade him:

“Chairman, don’t be angry, the young master is not malicious, this is for the good of the Fu family.” The

housekeeper looked at Fu Yechuan and said, “Master, the chairman is not in good health, so don’t be irritating. He’s so old, and if he accidentally enters the ICU, he will be in trouble.”

Fu Yechuan hesitated, and his face became less tit-for-tat.

“I’m sorry, old man, go up and have a good rest...”

He could only compromise so much.

After all, it was a relative who watched him grow up. If he really entered the ICU, he really couldn’t make sense.

Mr. Fu’s face did not improve much, and he sat on the sofa to ease his emotions.

“You... Yechuan, I don’t care about Su Nan, you go and call your sister back.”

Fu Yechuan raised his eyes, his eyes were deep and dark.

Mr. Fu was trembling with anger:

“It’s New Year’s Eve, your sister is out alone. What if she encounters a bad person and something goes wrong? It’s been so long, and you’ve eaten all the hardships you deserve. You still want her to stay there. Are you going to stay outside for the rest of your life?”

Although Mr. Fu loved this granddaughter originally, but it involved the interests of the Fu family, and the love became less important.

She was always making trouble, and that time was really annoying, so Fu Yechuan had no problem with sending people away.

But recently, Fu Yechuan has become more and more rebellious, Qu Qing and Fu Qingcheng are not there, and there is not even an obedient person by his side.

At this time, I remembered that Fu Yingying was fine...

Fu Yechuan frowned slightly, guessing that the time was quite long. Recently, the people who watched her reported that Fu Yingying's performance was quite remarkable.

The performance wasn't great, but it wasn't too bad either.

"Okay, if you want to see her, I'll have someone bring her back."

Fu Yechuan took out his mobile phone and called the bodyguard directly.

Mr. Fu finally calmed down, and his face improved a little.

After Fu Yechuan finished the arrangement, he went straight upstairs, not wanting to stay with Mr. Fu, for fear of being mad at him!

Countless messages have poured in from the phone.

Lu Qi's 99+ is so obvious on his WeChat.

He didn't even bother to open it.

With a swipe of his hand, he accidentally clicked on his last voice:

"Old Fu, you have to provide entertainment materials for the new year. Last time, Su Nan packaged the whole city's LED electronic screens for you, and you put them on her. The fireworks show that can be seen all over the city, do you want to make it so romantic?"

Fu Yechuan gave a light snort.

What do these people know?

Lu Qi's next line popped up again.

"However, I advise you to put it away, lick the dog, lick the dog, until you have nothing!"

Fu Yechuan's face darkened again, he exited his chat page, and sneered coldly.

Lu Qi kept it, he could never get back that hapless ex-wife in his life!

Deserved!

He didn't want to read a word of the condolences from the rest.

After logging on to the media platform, I watched the fireworks show that people talked about less than two hours ago, but it disappeared from the top of the hot search, and there was no trace of the search.

Oh, sure enough, Su Nan's people always deal with these unexpected situations with ease.

Those people in the self-media are working overtime this night, it is estimated that they are not angry!

However, there are still a few people who left a message under Fu Yechuan's Weibo:

"The hot search has been deleted too quickly, we haven't finished eating the melons, the next time there is an official melon release, so the media will not block it!"

"Unfortunately, that game The fireworks are so beautiful!"

"President Fu, I support you! But I support Yu Fei's little fresh meat!"

"I feel sorry for you, I pity you, but I still think you are not suitable for our President Su!"

...

...

Chapter 684 Who is richer than me

Chapter 684 Who is Richer than Me? When

Fu Yechuan saw it, he sneered and his face turned pale.

Those private messages and comments keep growing.

The media's current limit allowed them to find a vent here in Fu Yechuan, anyway, they had to express something!

What the hell is Yu Fei?

Isn't he much stronger than the little fresh meat of those girls?

He even said that he and Su Nan are not suitable?

Are they blind?

With so many comments, there are only a handful of people who support him.

Fu Yechuan turned off the phone angrily and calmed down for a moment.

Not reconciled, really not reconciled!

He picked it up again, looking at the poignant comments like a masochist.

Then, he simply replied one by one under his Weibo:

"Why, I can't compare to those little fresh meat, I have money!"

"It's not suitable for you to say, Su Nan is me. People!"

"Besides me, who deserves it, who is richer than me?"

"Thank you for your support, but you don't need to be pitiful!"

... In an

instant.

The heat, which was about to disappear, boiled again like a frying pan.

Fu Yechuan replied to the netizen's move, and directly pushed himself on the hot search.

## **Fu Yechuan 5G Online**

He doesn't think he is wrong at all. Compared with others, his biggest advantage is that he has money, and there is no room for refutation.

New Year's Eve, New Year's Eve.

In addition to watching the gala, everyone watched Fu Yechuan reply to netizens.

Such a high-handed and domineering president actually end up replying in person?

This scene is really rare to see in a hundred years!

Originally, netizens were in awe of his mysterious sense.

In this way, although he replied very rudely, it made everyone find their own fun and became more tolerant towards him...

Just when Fu Yechuan was chatting with netizens, he tried to use His absolute advantage proves that he is more suitable for Su Nan than anyone else.

Su's house.

Su Nan didn't like to stay up late at first, so he used a cup of coffee to hold on till now. The people in the side hall were divided into several tables to play mahjong.

Ning Zhiliu hurried over with her mobile phone and pushed her, "Are you still in the mood to sleep?"

Su Nan frowned, "What's wrong?"

"Look!"

Ning Zhiliu handed the mobile phone to her, and Fu Yechuan's hot search Suddenly Su Nan woke up.

That's more refreshing than ten cups of coffee!

Su Nan's face turned white in shock, "He...is he crazy?"

Ning Zhi was speechless, "What do you think? At first, everyone was not optimistic about you, but Fu Yechuan's low-key attitude, but in the There was a wave of goodwill in front of everyone, and now they are all standing on him and your CP, and there are people who are helping him below!"

Su Nan pursed her lips, her eyes were cold, "A group of people have nothing to do, what are you doing for a capitalist? Heart?"

"What should I do to limit the flow of people?" Ning Zhi suggested.

Su Nan paused, "Who dares to limit Fu Yechuan's traffic? Forget it..."

"Don't care?"

Su Nan took out his mobile phone, "I'm asking, what new products are going to be launched, I can't let go of this popularity!"

Ning Zhi looked at her in surprise: "..."

For a while, she was speechless.

Su Nan, sure enough, I only want to make money!

After arranging the products for tomorrow's promotion, Su Nan felt more relieved.

No matter how hot the gossip is going tonight, when she shows up tomorrow, the topic will naturally change!

She stood up and stretched, and glanced at it, "Where's little Mike?"

...

Ningzhi frowned, "I was still here just now..."

Su Nan was stunned, then stood up quickly, "Look separately."

She went to Little Mike's most In the garden that I like to visit, the dim lights decorate the garden very beautifully. In order to take care of little Mike's preferences, it is decorated like a fairy tale world.

Su Nan walked over, vaguely looked at a few backs, and sat there chatting.

She was about to turn when she heard a mention of little Mike.

"This kid, isn't it the illegitimate child of Su Nan and a wild man?"

"I see it too. You see, the people of the Su family are obedient to him. "

How could Su Nan do such a scandal..."

"Maybe it was because of this incident that he was kicked out by the Fu family!"

"Then Fu Yechuan came to confess tonight? Like this?" Women too?"

"Hehe, the family is married, for the sake of profit, what filthy things can't be tolerated, anyway, after marriage, everyone has their own way, and it doesn't delay men raising mistresses outside, who makes Su Nan rich? "

I can't see that Su Nan is so serious on the surface, but he is really shameless in his bones. Su Yifeng is really unlucky to have such a daughter!"

“No, Lin Xuan is not as sensible as our family, Lin Xuan is so pure... ..”

...

Su Nan stood there, feeling cold all over, and wanted to laugh angrily.

Her whole body was immersed in darkness, and for the first time, she suddenly felt that she could endure so much!

These people are polite to them on the surface, but they can scold a person behind their backs!

hehe.....

With heavy snow falling on her body, she thinks that this year has been very interesting!

At this moment, little Mike upstairs in pajamas waved to her:

“Pretty sister, I’m here...”

Little Mike’s words completely awakened the two old ladies who were immersed in gossip.

They exclaimed in fright, and when they looked back, they saw Su Nan standing behind them, sneering.

In the darkness, their faces were extremely pale.

“Su...Su Nan, you...when were you here?”

Su Nan’s eyes were extremely cold, colder than Daxue, and her smile was extremely light.

“Has no one ever told you that it is a very immoral thing to be in someone else’s house, eat other people’s food, and speak ill of others?” After

that, she heard it!

The faces of the two were as pale as paper, and their eyes were full of panic.

“Su...Su Nan, misunderstanding, it’s all misunderstanding...”

“Yeah, the rumors we heard from don’t know where, they are not true!” The

two tried their best to defend. , Su Nan sneered, her tone cold.

“Rumour? The little Mike you saw here for the first time tonight, you don’t know the outside world, where did the rumor come from?”

Want to lie, but don’t make up a clever one?

The two middle-aged women panicked to death, their faces pale and their voices trembling:

“Su Nan, you didn’t hear anything, we didn’t say anything, you must have heard it wrong just now...”

“Yes, yes, let’s hurry in!” one of the women urged.

There is only Su Nan alone, and if they refuse to admit it, what can Su Nan do?

There is only one way now!

Su Nan’s face became colder and colder, and the chill in the bottom of his eyes was extremely cold and depressing, hehe...

The two ran in in a panic, watching Su Yifeng greet them to eat, it was lively and warm like spring.. ....

She smiled , and walked in without haste.

Su Yifeng looked at her reproachfully:

“How many times have I told you, it’s cold outside, you have to wear a dress when you go out...”

Su Nan smiled and said nothing.

Su Yifeng turned his head to look at Su Qi, who was courting Ning Zhilao, and was angry.

“What should you do if your sister is sick? Don’t you know how to watch?”

Su Qi, who was at a loss, said, “I... What did I do wrong?”

Ning Zhi couldn’t help but smile, Go and push Su Qi, “Go get a shawl for Xiao Si!”

Su Qi touched his head, obediently took her shawl over, and put it on her.

But Su Nan blocked, don’t let go of his hand.

Only then did Su Qi realize that she was cold all over her body, especially her lips were turning purple.

No wonder Su Yifeng was angry!

“Why did you run away without your clothes on? Do you want our beloved old father to kill the third brother who is the best to you on this national holiday?”

Su Nan pursed her lips, “Wait a minute.”

She left Go in, staring at the two women who were also frozen.

They shivered and did not dare to look up, and shrank beside the oldest uncle and grandma.

No matter how slow Su Qi was, he realized what had happened.

According to Su Nan’s character, he wouldn’t torture his body like that, unless...

Su Yifeng frowned, “What’s the matter, my precious daughter?”

As soon as Su Nan stretched out her hand, she heard little Mike calling her excitedly as he went downstairs:

“Beautiful sister, happy new year...”

She instantly retracted her hand.

These dirty words shouldn’t get a child’s ears dirty.

She smiled and turned around with a warm smile, very natural: “Happy New Year, little Mike!”

After coaxing Mike upstairs, I'll find the two old ladies to settle the bill!

Su Nan turned his head to look at Su Qi and smiled, "Brother 3, help me bring the gift for little Mike."

Su Qi gave him a white look and heaved a sigh of relief, "I know how to call your brother!"

Having said that, he still went upstairs obediently.

Little Mike moved a step faster and passed the things in his hand.

"Beautiful sister, this is for you."

Su Nan looked at this delicate box and seemed a little familiar.

Little Mike gave gifts. He was always super generous, even gold. She felt a little nervous for a moment.

Under the expectant gaze of little Mike, she took it and opened it.

For a moment, you could hear everyone taking a deep breath.

Su Nan was also slightly shocked.

The black pearls that I saw at the auction during the day were round and jade-like, and each one was invaluable.

It's actually here, in her hands?

She was really calm, so she could hold on to it properly.

The auction price of 880 million!

Fu Yechuan did not even continue to bid because he was afraid of the mysterious behind-the-scenes boss!

It was little Mike!

Su Nan's mood suddenly fluctuated like a roller coaster.

It's like holding a golden mountain in my hand, I just feel that I really have nothing but money!

"You...you took it?"

Little Mike smiled proudly, "I bought it with a foreign account at one price, and it's not too expensive, as long as the pretty sister likes it!"

Su Nan was shocked. He opened his mouth wide, "Your daddy...do you know?"

Little Mike pursed his lips, "He didn't know until noon, but...it was given by me and has nothing to do with my daddy! "

He said solemnly, and he had to distance himself from Shang Qian, after all, he chose the gifts carefully.

...

Chapter six hundred and eighty seventh is really six relatives do not recognize

Chapter 687 It's really that the six

relatives don't recognize Su Nan and I don't know what to say for a while, God, the gifts from little Mike are really more expensive every time!

Everyone looks at this chain, and it is not ordinary at first glance.

"Is this expensive?"

"Yeah, it's so beautiful, I don't think I've ever seen it in the market..."

...

Little Mike smiled, "It's not expensive, 808 million It's only ten million, anyway, I have money, I like to give it to my beautiful sister, because she is the most beautiful girl in the world!"

Su Yifeng laughed, "Oh, you little child, your eyes are not bad... .."

Su Yifeng was happy who praised his daughter!

Everyone looked at this little Mike instantly.

At first I thought it was just an ordinary child who was fostered here.

But whose ordinary child is a gift of 880 million?

Su Nan put away the pearl, and it was fate that it came to her again after going around.

But she couldn't accept such an expensive gift, so she could give the money to Shang Qian later.

Little Mike chased after Su Nan and asked, "Do you like the pretty sister?"

Su Nan smiled, "I like it, I like it very much."

Just as he was talking, Su Qi came down with a huge model, and Little Mike was shocked when he saw it.

Su Qi put it in front of him, "This is the cosmic LEGO that your sister specially contacted a foreign LEGO company to make for you, the only one in the world!"

Little Mike was about to jump up with joy, holding a huge LEGO The model is excited.

"Great, great!"

Su Nan felt relieved when he saw that he really liked it.

But compared to his black pearls, it looks a bit pediatric.

Su Yifeng walked over and sighed, then pointed at the model:

"Little Si, you should put diamonds on that model!"

Su Nan also regretted it, why didn't you put diamonds on it?

She handed the necklace to the housekeeper, "Put it in my safe." The housekeeper did not dare to delay, and immediately took it and left.

The envious and restrained eyes of the people on the side were really undisguised.

Looking back, Su Nan took little Mike's hand upstairs, "I'll play tomorrow, go up and rest first..."

Little Mike couldn't be more excited, but after all, he was too young to stay up late until now.

As soon as I lay down, I fell asleep as soon as I touched the pillow.

after awhile.

When Su Nan went down, everyone resumed the lively atmosphere just now.

She found the two old women with an extremely clear purpose, and they didn't even dare to look at her.

Su Yifeng walked over, "Little Si, if you really can't stand it, just go to sleep, just have your third brother here!"

Su Qi, who was about to be sleepy at the side, said, "..."

Su Nan smiled Laughing, "No, I still have something important to deal with."

Su Yifeng: "What's the matter?"

Su Nan paused, "Dad, if it disappoints you, don't blame me, I know today is a special day, but I really can't bear it!"

Su Yifeng didn't understand, "What do you mean?"

Su Nan walked into the side hall with a smile, and everyone played mahjong in a circle. Same.

Su Nan raised his chin, "Those two, oh, sorry, I forgot what to call them, it was really ugly for them to talk outside just now..."

Everyone heard Su Nan's words and put down their actions. .

The hall fell silent for a moment.

Su Yifeng frowned, "What did you say?"

"Why don't you ask them?"

The two women stood up, panicked.

"We didn't say anything, Su Nan, don't wrong us!"

...

Chapter 688: Sue you for slander

"Yes, yes, I know Su Nan, you don't look down on us poor relatives, but after all, we are all family, why are you so aggressive?"

" deny!"

Everyone looked at them, and then at Su Nan, who had a cold face.

The second uncle Su Yinian on the side coughed twice, "Su Nan, don't be self-willed, just get angry all night? Everyone is relatives!"

Su Nan pursed his lips and chuckled:

"I know, second uncle, It is because they are relatives, so my father and brothers are not sleeping now. They are staying with everyone, entertaining them with the best things, and preparing elaborate gifts.

But..."

She changed her voice and looked at to the two women.

"Sorry, if relatives can hurt each other, then I would rather not recognize six relatives."  
For

a moment, the voice in the room became even more silent.

Except for Su Nan and the two women, no one knows what happened.

"What happened?"

"Yeah, what happened? Su Nan had been fine all night, so why did he suddenly get angry?"

...

Su Nan looked at the two embarrassed and flustered women and squinted. Squinting, "Don't say it, do you?"

The two women: "What did we... say? We didn't do anything?"

Su Nan smiled, but the opportunity was given. Since he didn't want to admit it, then You are welcome.

She sneered and looked at Su Qi, "Third brother, I remember there is a surveillance camera in the back garden, let's call it up."

In a mansion like the Su family, there are no blind spots for surveillance in public places.

Therefore, she was not worried that the two would not admit it.

The two women froze fiercely, their faces instantly pale.

"Su Nan..."

But it was too late.

Su Nan turned around and left.

Su Qi looked for surveillance with a solemn expression.

Everyone is no longer in the mood to continue playing mahjong.

In a few minutes.

The conversation in the video is right in front of you.

Su Yifeng's face was extremely difficult to see with the naked eye.

In the living room, apart from the reverberation of the proud voices of the two women in the video, there was no extra noise at all.

The two women had a guilty conscience, but at this moment they fell to the ground.

“Su Nan, we are just talking, it's all speculation, not trying to hurt you...”

“Yeah, Su Nan, we have no malicious intentions, we are all relatives, and it's okay to say a few words?”

. . . . .

“Bang——” a loud noise.

Su Jin's face was condensed and cold, and he kicked the chair in front of him.

His patience all night had reached the limit at this moment!

The atmosphere in the living room was as cold as water.

Everyone was shocked, their faces were gray and white, and they were clearly ugly.

Although they have little contact with the Su family, they rely on the Su family to work and live. Whenever they have difficulties, Su Yifeng has always helped them righteously.

But everyone also knows that only Su Yifeng is willing to pay attention to them in the Su family.

Several of Su Yifeng's children have no feelings for them. After Su Yifeng abdicates, they will not care about the lives of others.

And every year at the party, Su Yifeng's purpose is to let them connect more emotionally with their children. This is an opportunity.

They didn't dare and could not lose the support of the Su family. They didn't expect that there would be two women with short eyes that would ruin the already meager relationship between them.

Really hate it.

The person on the side gave the eldest uncle a wink, and the uncle could only bite the bullet and walk over.

Holding Su Nan's hand, he sighed.

"Su Nan, they are all elders, they are open-mouthed, don't take it to heart..."

...

Chapter 689 Can you beat me up?

Chapter 689 Can I be beaten?

Su Nan coldly pulled it back from her hand, what kind of bullshit elder?

Don't try to kidnap her with morality, absolutely impossible!

"Sorry, I have already taken it to heart. For the sake of everyone being relatives, I will not call the police. Now, please leave my house immediately, or I will sue them for slander!

"After all, everyone is expecting Su Yifeng to come out and make a round.

But Su Yifeng was so angry that he didn't mean to speak at all.

The second uncle Su Yi Nian also shut up, he himself can't protect himself, so he doesn't mind his own business!

Uncle and grandma wanted to say something, but Su Qi couldn't help it, and her tone was terribly cold:

"I didn't hear what Xiao Si said, so I have to ask the driver to send it?"

"Second brother, did you say that? It's fine if you don't follow the advice, how can you add fuel to the fire?"

Everyone didn't dare to attack Su Nan, but Su Qi, who worked hard all night, could say a few words.

Su Qi sneered, "If anyone is unhappy, just follow along!"

He sat directly on the sofa, too lazy to bother with them.

Su Yifeng sighed, holding his forehead, his face extremely ugly.

"Little Si, I'm going to rest, you can do the rest."

His attitude has already shown everything.

As soon as Su Yifeng left, this group of people lost their backing, so Su Nan and Su Qi directly arranged for a car to pack the people away.

The sky brightened slightly.

Only the second uncle Su Yinian is left, and he is also a forehead lawsuit.

"My home is out of town..."

Su Qi smiled, "Second uncle is joking, this matter has nothing to do with you, I asked the housekeeper to arrange a room for you to rest..." It

finally became quiet.

The most indisputable ones are Su Ming and Shen Momo. The two of them have already slept, and they have no idea that so many things happened in one night.

The next day, except for Su Nan and Su Qi, everyone else got up early.

Early in the morning there is a New Year's Eve.

Su Qi has always been condescending and doesn't care about anything.

And what Su Nan pays most attention to is her beauty sleep, not less than eight hours and one minute!

Ning Zhiliao and Su Nan slept together, and the two of them slept groggy.

It was not until Su Xiaohu couldn't help but want to run out to join in the fun and jumped on them, Su Nan was reluctant.

Ning Zhi was also woken up, pinched Su Xiaohu, "Can this tiger be beaten?"

Su Xiaohu shook his beard, "I don't have pain nerves..."

Su Nan laughed. Laughing, the two got up to wash up, put on a mask and went downstairs.

I can't believe there are guests at home!

Su Nan was stunned for a while watching Fu Yechuan sitting hauntedly in his living room, with Mr. Fu and Fu Yingying on the other side.

Su Yifeng was drinking tea there. Seeing her lazy appearance, she almost choked to death, feeling rather helpless.

"You two are really not particular, there are guests at home!"

Su Nan and Ning Zhi turned around in an instant and went upstairs.

Fu Yechuan's eyes were filled with a smile, full of softness.

She went downstairs in her pajamas and looked lazy, but she really didn't look like the resolute strong woman Su Nan!

What a lovely little girl!

Old Master Fu smiled, "It doesn't matter, it's all my own, Su Nan can do whatever you want."

Su Yifeng didn't dare to take it lightly if there was something in his words.

"It's all spoiled by me, you don't mind if you don't mind."

After talking for a while, Su Nan and Ning Zhi slowly went downstairs.

Ning Zhi asked a good question, and was pulled over by Su Qi, who insisted on showing off the toast she made...

Su Nan was stared at and could not walk away, so she could only make a few symbolic polite words and recovered. The usual indifference and coldness.

The two New Year's greetings had long been expected, but I didn't expect that Fu Yingying would be brought here this time.

When Su Nan looked at Fu Yingying, Fu Yingying also stood up.

Chapter 690 Stop Dreaming

Fu Yingying's attitude changed from her arrogant and domineering attitude in the past, and instead walked over to apologize:

"Sister Su Nan, I used to be ignorant and did a lot of wrong things. Now that I think about it, I really regret it to death. I specially asked my grandfather to bring me, just to apologize to you in person, I was wrong in the past, can you forgive me?"

Fu Yingying stood there honestly, looking at Fu Yechuan's face from time to time.

If it wasn't for Fu Yechuan being fascinated by Su Nan, and she wanted to go back to Fu's house again, she wouldn't take the initiative to visit Su Nan to say New Year's greetings to Su Nan!

But in order to return to the Fu family, I can only bear it for a while!

She doesn't want to go back to those days when she gets a meager salary every month and depends on the person's face!

Su Nan sat there, smiled, with a very light expression:

"Miss Fu is joking, I have forgotten what you did in the past. It's best for everyone to be peaceful in the future."

She didn't have time to think about Fu Yingying's changes. But she also believes that the nature of Jiangshan is difficult to change!

Mr. Fu nodded with satisfaction.

"How can a child have an overnight feud? After all, they are all a family, and it is fate to enter a family. Maybe they will still be a family in the future. The fate of the children is uncertain..."

Su Yifeng smiled . , "I'm not sure. After all, Su Nan is single now. I have to arrange a few blind dates for her before going to work in the company. Many old friends have to introduce their excellent sons and nephews to her.

Oh, I'm afraid there are two or three a day. ..."

Su Yifeng's words made the faces of the Fu family not so good-looking.

Originally, he didn't intend to say it so absolutely, mainly because Mr. Fu's hint was too obvious.

Do you think that Su Nan will not be able to marry except for the Fu family?

He just wanted to dismiss the idea.

Contacts in the mall are very welcome.

But the friendship in private is fine...

Fu Yechuan suddenly raised his head and looked at Su Nan.

Su Nan's indifferent expression seems to have known about this for a long time, and they have already discussed it?

Two or three blind dates a day?

Fu Yechuan's complexion sank, and his eyes were slightly cold, "If that's the case, then we won't bother you any more, and we will leave."

Su Nan raised his eyebrows slightly, and Fu Yechuan's sudden change was a little strange.

But he was gone, too lazy to deal with it.

Su Yifeng quickly stood up to see off the guests.

Mr. Fu glanced at Fu Yechuan meaningfully, then exchanged a few words and took the person away.

in the car.

Mr. Fu snorted coldly, "Su Jiaming obviously doesn't want to have anything to do with us, can you really let go?"

Fu Yechuan's eyes were condensed, and there was a chill in his pupils.

"It's not something they can do if they don't want to, but I want to see who would dare to go on a blind date with a woman I like."

Old Master Fu snorted coldly, "If you had used the method I taught you, Su Nan would have been you by now. It 's someone!"

Fu Yechuan's face turned dark for a moment, and his eyes were grim.

The atmosphere in the car suddenly became cold and gloomy.

"What are you talking about? Grandpa, what method?"

Fu Yingying couldn't help but ask. Fu Yechuan

glanced at her coldly, "It has nothing to do with you, don't worry about it." Fu Yingying shrank her neck in embarrassment. She had seen Fu Yechuan's skills. For a woman, she could even ignore her own sister!

Having suffered so much, she has also learned a lesson.

In the Fu family, you can't go head-to-head with Fu Yechuan!

She paused and asked cautiously,

"Brother, do I have to go back to work in a few days?"

Fu Yechuan's eyes were cold, and he remained silent without speaking.

However, Mr. Fu coughed twice, glanced at Fu Yechuan, and then turned to look at Fu Yingying, his voice was hoarse:

"Since you know you were wrong, and you come over and apologize to Su Nan in person, the previous matter is over. I need a long memory in the future, do you hear me?"

Fu Yingying nodded happily, "I heard that, thank you grandpa..."

She excitedly took Mr. Fu's arm and acted coquettishly, great, finally getting rid of those
