Chapter seven hundred and twenty-one turn her off

Chapter 721 Turn her off

Fu Yechuan was just about to find a computer to plug it in, when Su Nan's warm hand reached out and took the USB flash drive.

"Mr. Fu, this is mine."

Fu Yechuan raised his eyebrows, "I said, why do you give me your people?"

Su Nan smiled and said nothing.

Of course she wants to be courteous to you.

"If I don't have eyes, I won't in the future."

Before he could find out what was wrong in Su Nan's tone, he watched Su Nan take out his phone.

She called Yu Lou directly.

"Tell the personnel department to fire Lin Xuan, now, immediately!"

Yu Lou didn't even ask, he didn't dare to delay for a moment, and went to do it immediately.

He had long felt that this Lin Xuan would not be able to stay in the Su family for too long.

As soon as Lin Xuan walked out of the hotel door, she received a notice that she had been dismissed, and she would not be required to come to work in the future. Her name had been completely removed from the company's system.

Lin Xuan panicked...

She didn't understand.

But she called back and wanted to make it clear that the company's people were too lazy to answer her call.

On weekdays, he used the banner of Su Nan's relatives to show off his power, as if he was superior to others, and left a bad impression on his colleagues.

When she left, everyone was happy.

Lin Xuan had no choice but to call Chen Jian.

Chen Jian was originally warned by Su Nan, and felt uneasy in his heart. Hearing that Lin Xuan was fired, he was relieved.

Luckily it didn't hurt me!

"Manager Chen, did the company make a mistake? Can you call the company and ask, I did nothing wrong..."

Chen Jian was speechless and told her directly, his tone The previous euphemism was gone:

"Who did you give that USB flash drive to?"

Lin Xuan was stunned, "I..."

"Fu Yechuan is our competitor in this project, how could you keep such a secret? What happened to him? Miss Lin, it's illegal to sell company secrets."

Lin Xuan's face turned pale with fright, "Manager Chen, I was watching him there, but President Su wasn't there, I just asked him to hand it over."

"Lin Xuan, I can't stop you if you want to climb high, but I've been in the company for so many years, and I'm not blind to this point. It's not a problem for the company to fire you. If you have any opinions, you can file a lawsuit with the company."

After speaking, Chen Jian hung up the phone. It was really bad luck to meet this Lin Xuan!

Lin Xuan shuddered with fright, she immediately understood that she was in the hotel just now, and Su Nan must be there, otherwise the processing speed would not be so fast.

She felt guilty, even more flustered, and didn't dare to make a big deal of the matter, otherwise the Su family would turn her face and not recognize anyone, and she would have no power to fight back.

She can only honestly go back to the company to go through the formalities.

After finishing everything, Su Nan went to find Fu Yechuan, "Let's go."

Fu Yechuan got up, "Where to?"

"I asked someone to book a restaurant."

Fu Yechuan: "..."

She walked in front, Fu Yechuan Catch up, with a cold tone.

"This time it was an accident, I will let Chen Mian handle all the losses."

Su Nan curled his lips, "No need, I have already dealt with it."

"I will definitely make a meal you like next time . meals."

Today I taught Fu Yechuan a lesson. It turns out that cooking is quite difficult.

But he likes to overcome difficulties, so he has to learn!

Hearing this, Su Nan twitched the corners of his mouth.

"Mr. Fu doesn't have to force it, I'll take care of it."

Please let go of the kitchen!

The high-end western restaurant ordered by Yu Lou is old-fashioned and reserved.

She didn't want others to see her eating with Fu Yechuan.

Su Nan simply ordered what he wanted to eat and gave it to Fu Yechuan.

Fu Yechuan didn't even look at it, "Same."

Su Nan raised his eyebrows and glanced at him.

What she called just now was just a fruit salad...

...

Chapter seven hundred and twentieth chapters are late

Chapter 722: It's too late.

Fu Yechuan sat there, relaxed, and his attitude was a little nonchalant, "What are you going to do next? When will you go back?"

Su Nan smiled, "soon, if everything goes well, it will be ready tomorrow morning. Go back."

If it goes well, when Li Hui and Zhang Licheng are arrested, then she can return to the company and let Chen Jian stay and talk about the acquisition.

Fu Yechuan thought that what he said was effective, and his face could not help softening.

"Don't worry, it's the first time you took over, it's already a good step."

Next, it was him and Li Ju.

He was disdainful to come forward to negotiate with Zhang Licheng.

To test Zhang Licheng's bottom line, there must be pressure, and this pressure must come from Bureau Li.

The best way to deal with a rogue is to be more rogue than him.

It is impossible for him to spend too much money on Zhang Licheng. He wants to draw from the bottom of the pot, and everything has been arranged.

Thinking about it, Fu Yechuan's phone rang.

It's Bureau Li.

He glanced at Su Nan, but Su Nan didn't care.

Fu Yechuan did not shy away, and answered the phone in front of her.

Hearing Ju Li's words, Fu Yechuan's face was shocked at first, then he raised his eyes to look at Su Nan, who was on the opposite side, and his eyes gradually became dark and deep.

At the end, he said a few words of greetings with a calm expression on his face, and hung up the phone.

From his reaction, Su Nan could see what Li Ju meant.

She won this round.

Silence for three seconds.

Fu Yechuan opened his mouth, and suddenly chuckled, narrowing his long and narrow eyes, his voice was deep.

“Su Nan, you always surprise me!”

Surprised to beat him when he wasn't paying attention.

Su Nan sat there and smiled, and said slowly, “Isn't it frightening?”

Fu Yechuan's attitude was a little surprising, he was not in a hurry, nor did he pretend to be generous.

normal reaction.

Fu Yechuan thought for a while, “Do you know what Bureau Li said?”

“I can guess.” She told the truth.

Her people have already reached this point, there is no reason not to hand over this project to the Su family, otherwise, it will involve the private transaction between Li Bureau and Fu Yechuan.

If Fu Yechuan's opponent was someone else, Bureau Li might consider helping him.

But Su's background is no weaker than Fu's. Once unfair insider trading is involved, Su's reaction will directly affect Li Bureau's future.

So, he can only be fair.

Fu Yechuan stroked his brows and smiled dumbly, with undisguised admiration in his eyes.

“Li Hui has been arrested, and the person who went to arrest Zhang Licheng is already on the way. Zhicheng Company is ready to shuffle the cards. In less than a day, you will turn the S city upside down, and you will win.”

He has always been too Underestimate Su Nan.

For four hours, he used to prepare the ingredients to cook, and she used to arrange everything.

He thought she would be afraid, tired, and rest.

But she didn't.

Her movements are unbelievably fast, and her reactions are quiet and quick, no one can do it like her.

This is the girl he likes.

Excellent, courageous, intelligent and courageous.

He was convinced that he lost.

Su Nan lowered his eyes and smiled, calmly, "I know, thank you very much."

Fu Yechuan narrowed his eyes, his long and narrow eyes with a smile.

"Su Nan, if you come to the Fu family, I will definitely give you the best treatment."

What a good opponent!

Su Nan raised his eyebrows, "If you come to the Su family, I will give you the best treatment."

Fu Yechuan suddenly felt bitter in his heart, she was his own, and he lost her.

Pearl is covered in dust, thinking that what he threw away is a piece of scrap iron?

Now, Su Nan is backed by the Su Group and will never rely on him unconditionally.

"You two, your meals are all

ready, please use them." The waiter pushed the cart over, put the fruit salad on, and then politely stepped back.

These two people spent a lot of money, but only ordered two fruit salads?

Sure enough, rich people eat, eat is mood!

Fu Yechuan looked at the fruit salad in front of him, his expression stunned for a while.

He didn't hear what Su Nan ordered, he just wanted to eat the same dishes as him, but...that's all?

...

Chapter seven hundred and twenty third light bulb

Chapter 723 The Light Bulb

Su Nan happily finished the meal, seeing Fu Yechuan unable to swallow, he was in a great mood.

She took millions of compensation for him, and this meal was worth the money.

Raise your eyebrows!

Back at the hotel, Su Nan started packing.

After explaining the rest to Chen Jian, she got on the plane home the next day.

Chen Jian went well there. Maybe Li Bureau specially greeted him. After Zhang Licheng was arrested, the company's affairs were officially handed over to the investigation team. As soon as the accounts came out, they began to talk about the acquisition.

And Zhang Licheng didn't insist much. He was interrogated for several days and had to admit it because the evidence was conclusive.

Su Nan deliberately arranged two days off for himself, and left all the company's affairs to Su Jin.

She went to Qin Yu for a beauty treatment, and the two walked around for a while before sitting down to rest.

When Qin Yu heard her experience in S City, she immediately fell in admiration.

Especially when she won Fu Yechuan, she was even more envious.

"If this matter spreads out, Fu Yechuan will be laughed to death!"

Su Nan rolled her eyes at her, "Don't go out and talk nonsense, the relationship between Su's and Fu's is fairly balanced, if it breaks down, some people with ulterior motives It will definitely take advantage of it."

She didn't want to spend more energy on maintaining their relationship.

Not too far, just right.

"Then Fu Yechuan was so willing to lose?" Qin Yu asked.

Su Nan pursed his lips, "What if you're not reconciled? If you lose, you lose. With Fu Yechuan's heart and mind, he won't do anything in a frenzy because he loses a project."

It was just that he couldn't eat.

Qin Yu couldn't help laughing, "He may be sad in his heart, but Fu Yechuan can still lose? I don't think Fu Yechuan would have lost so easily if his opponent wasn't you!"

In a word, Su Nan was slightly scolded. woke up.

Because of Su Nan's existence, Fu Yechuan distracted most of his attention. He was worried about her safety, so he didn't focus all his attention on the project.

If it was someone else, the result might really be different!

It's a pity...

Qin Yu thought about it and concluded, "He is indulging in your beauty and can't extricate himself."

Su Nan rolled her eyes at her, "It is also a lesson to be careless, and things like this will follow. There is still more, so let him get used to the feeling of losing in advance..."

Qin Yu couldn't help but give a thumbs up, Mr. Su is Mr. Su, and what he said can kill his popularity!

She suddenly thought of something and looked at Su Nan, "Why do I meet your third brother every time I go to Zhi recently? Is he not filming?"

Su Nan raised her eyebrows, it seemed that Qin Yu was slower than her. , I don't know what happened between Ning Zhi and Su Qi.

"Why is it so important to fall in love while filming?"

Qin Yu stood up in shock and shouted, "Ah—"

Su Nan raised her index finger and asked her to whisper.

"Your reaction is too outrageous!"

Qin Yu sat down sluggishly, "I never dreamed that the third brother was in a relationship with Zhilao?" When

a male god is in love, he is so down-to-earth?

Su Nan sighed, "It should be in the pursuit stage, I haven't caught up yet."

Qin Yu tutted, "No wonder...every time I eat with them, the third brother can't wait to stare at me. A hole, no wonder I went to see a movie with them, and the third brother only bought two pieces of popcorn... Are you implying me to leave? "

Su Nan couldn't help but smile, Qin Yu, a stubborn Ma Daha, who has been a light bulb for so long, can make Su Qi mad?

Just as he was about to say something, Su Nan's phone rang, it was Su Yifeng.

Let her go home, Shang Qian has come to pick up little Mike...

...

Chapter seven hundred and twentieth fourth the wind and the scenery come back

Chapter 724 Feng Jingguang came back

Su Nan frowned, said okay, and was about to leave.

After parting with Qin Yu, she went directly to Su's house.

Shang Qian is in the living room, Su Qi and Su Yifeng are both there, Su Yifeng has always admired Shang Qian's gentleness and humility, not arrogant or impetuous, and his calmness and dignity make people feel very reliable.

As soon as Su Nan went in, he saw little Mike dragging his small suitcase, and reluctantly came downstairs with red eyes.

"Beautiful sister..."

Little Mike ran over aggrievedly and hugged Su Nan.

Su Nan also hugged him, feeling very reluctant.

Having lived here for so long, he has long been part of their family.

But it is also clear that Shang Qian's feelings for him are even deeper.

Shang Qian stood up, looked at her and smiled.

"Because of foreign problems, we have delayed a lot of days. Mike's school is about to start, so we can't delay it any longer."

Su Yifeng sighed and was very reluctant.

"There are many good schools in China, do you have to go abroad to study?"

Shang Qian explained patiently:

"His courses are specially customized abroad, and there is no such service in China, and he has adapted to the speed of learning abroad. If he suddenly changes to China, his various studies will be delayed."

Shang Qian's academic plan for Mike was specially customized by someone, the best schools and the best teachers are not comparable to ordinary schools.

Su Yifeng looked at Little Mike reluctantly, and Little Mike walked over sensible and put his arms around Su Yifeng's neck.

"Uncle Su, I will come back to see you often, I will finish all the courses soon, and then inherit all my father's inheritance, come back with a beautiful scenery, and be with you forever, no one can take us Separate!"

Shang Qian stood there and took a deep breath, hehe... such a big dream!

He simply made a wish to let him die sooner rather than later.

Su Yifeng didn't know whether to laugh or cry, and after coaxing him a few words, he sent them to the door.

Shang Qian stood by the car, looked at Su Nan, wanted to say something, but was concerned about the presence of so many people, and finally lowered his eyes and smiled.

"Goodbye, Su Nan."

Su Nan nodded, suddenly remembered something, "Wait..."

She took a card from upstairs, hurried down, took advantage of little Mike's attention, and handed it to Shang Shang humble.

"What is this?"

Su Nan smiled, "Don't reject the school gift for little Mike. It is our custom here to bring red envelopes into the school in the new semester."

Shang Qian said with a big head, "he Enter with a bank card?"

It is estimated that the amount given by Su Nan will not be too small.

Su Nan tilted his head and smiled, "We are generous, and we must let international friends see our strength."

Su Yifeng nodded aside, "Yes, take it, what is this money?"

Shang Qian was helpless and could only help Little Mike accept.

Why does it feel like little Mike lived here for a few days, but instead gained more favors?

After saying goodbye, he got into the car and directly sent the card number to the assistant to check how much money was given inside.

Nine billion!

Shang Qian instantly remembered that real pearl necklace, 880 million!

She also gave 20 million more, thank you!

Suddenly, he didn't know what to say, his eyes were a little deep, and then he couldn't help laughing.

Su Nan really doesn't want to owe others at all...

However, he has a chance in Japan.

Little Mike's emotions are still immersed in sadness and loss. It's so sad that he can't see his beautiful sister for a long time!

"Daddy, what did the pretty sister give you just now?"

Shang Qian raised his eyebrows and put away the card, "She bought you a lot of practice questions and asked me to pass them on to you."

"Oh, don't—"

At this moment, he The emotions at this moment are on the verge of collapse...

Chapter 725 Single by Ability

Chapter 725

Su Nan turned around and entered the living room, only to see Su Qi humming a song and went to the kitchen.

Somewhat strange.

On weekdays, if Su Yifeng forced him to go, he would never take a step into the kitchen.

what is it today?

Su Yifeng mourned for a while, then began to sit in the living room and watch TV, Gong Dou drama, his new hobby.

Just as Su Nan was about to go in and have a look, she heard someone coming downstairs.

Su Ming walked down the stairs and sighed inexplicably.

So he went home?

“Second brother, you came back alone, did you come back with you silently?”

Su Ming’s face stiffened, obviously poking his sore spot.

Su Yifeng raised his eyelids, not wanting to speak.

Su Ming touched his nose, and there was a hint of embarrassment on Swen Qingjun’s face.

“I’m going to the research institute tomorrow. It’s time to go to work. She... has to stay at home for a while.”

Su Nan nodded and watched Su Ming walk towards the kitchen.

Su Qi came to greet Su Nan cheerfully, “Little four, the third brother made milk tea, come, come, come...”

Su Nan: “...”

Why do you want something like this against humanity? give her a drink?

You’re going to be fat, okay?

Before she could go to the kitchen, she heard Su Ming speak slowly:

“This liquid contains a lot of trans fatty acids and fatty acids, which will increase the of cholesterol, cause cardiovascular disease, and cause cancer in the human body... .”

Oh, her appetite was completely gone.

Su Nan turned around silently and stopped drinking!

Su Qi was silent for a few seconds, completely speechless, “Second brother, you are really single by your ability!”

Su Ming came out dejected, his face even more ugly.

Su Qi came out humming a song and gave Su Yifeng a cup.

“Dad, I honor you!”

Su Yifeng took a sip without looking at it.

“It’s not too sweet...”

Su Qi smiled, “I know I don’t like to drink too sweet, you can make do with it...”

Su Yifeng twitched the corners of his mouth, hehe... ..the skin is itchy again!

...

In less than a week, there was good news from Chen Jian.

The court heard that Zhang Licheng, Li Hui and others had misappropriated assets and made false accounts. They were prosecuted and sentenced to three years in prison.

Next, people from the Su Group officially settled in Zhicheng Company.

Since the whole company united against Su’s people at first, Su Nan didn’t have much sympathy for them.

They have to stay in the company to work with unemployment benefits, and have no labor relationship with the company. They just want to take advantage of Zhang Licheng.

Therefore, there are only ten employees who really belong to Zhicheng Company.

These ten people, who are still the lowest-level employees, leave with a considerable severance pay.

They all chose to leave.

The overall situation has been decided, and Su Nan also followed with a sigh of relief.

When the project starts, Su Nan will take another look, and the rest will not be difficult.

Su Group’s office.

Su Nan was drinking coffee and watching the situation report sent by Chen Jian.

Suddenly, the phone rang.

It’s Qin Yu.

“Go and see Fu Yechuan’s circle of friends, hahaha...”

Su Nan groaned.

She had a bad premonition that Fu Yechuan, this dog man, started to be a demon again!

She clicked on the Moments subconsciously, and sure enough, the latest one was posted by him.

“It’s a blessing to be able to cook a meal for you!”

The picture below is a series of desserts.

Peach Blossom Crisp, Red Date Crisp, Osmanthus Crisp, Mung Bean Crisp, Red Bean Crisp, Sesame Crisp...

Crisp Crisp... Sususu!

This time, it was quite euphemistic, and she didn’t give out her surname directly.

But the crispness of this picture is really enough!

Fu Yechuan was afraid that others would not know, this was sent to her, Su Nan!

Su Nan was speechless and scolded him 10,000 times in his heart. This dog man is sick!

Couldn’t Fu Yechuan be a good president?

Why do you always want to conquer the kitchen?

And also implicated her, pulling her out for a walk from time to time.

His uncle’s!

The following people praised:

“Mr. Fu’s pastry is really good...”

“Mr. Fu is amazing, how happy it is to be able to eat your own food...”

” Sincerity is the best way to go!”

...

Su Nan said a few words “Haha”.

This happiness is given to them, do they dare to ask for it?

After a while, Lu Qi finally couldn't help asking everyone's heart:

“To be honest, this is a snack you made with your own hands?”

Look, there are still people who don't want to cover their eyes and tell lies.

After a while, Fu Yechuan finally replied:

“No, but I'm trying it myself.” He

answered succinctly.

Everyone finally shut up.

In the evening, Su Nan got off work.

Was called by the front desk.

“Mr. Su, someone sent you something.”

Su Nan raised her eyebrows. She didn't remember anything, and the courier directly contacted Lou.

When I walked over, it was an exquisite snack box.

Open, a box of crisps!

Su Nan's face changed immediately. Damn it, Fu Yechuan's ghost still haunts him.

She smiled and pushed over, “I haven't had dinner yet, take it back to eat...” The

lady at the front desk was flattered, God, this is a snack for Su Nan.

Mr. Su is so approachable!

“Thank you, Mr. Su!”

After Su Nan left, she opened it and found a note inside.

Someone wrote in fluent and beautiful handwriting with a pen:

“I hold back a lot of words, but I can’t hold back thinking about you – Fu Yechuan”.

The front desk suddenly stiffened, God, what did she find?

This turned out to be given by President Fu to President Su?

Such a disgusting word, it was actually written by President Fu?

...

Su Nan was already on his way back when he received the call.

As soon as the phone rang, she picked it up without seeing it clearly.

“Hello, who...”

“Su Nan, is the crispy... delicious?”

Damn Fu Yechuan.

His voice was warm and deep, pleasant to the ear.

Su Nan paused, “Mr. Fu, can your hobby not be so simple?”

Let go of the kitchen!

Let her go too!

Fu Yechuan laughed in a low voice, “I have already learned how to make dim sum. Wu Tutu’s craftsmanship has always been good. I will definitely learn it.

“

How to think how weird.

Su Nan rolled his eyes speechlessly, “Then I wish you success in your studies.”

Fu Yechuan paused, “I have already started to do the things you once did, to experience your feelings, Su Nan, I’m really sorry that I hurt you so much.”

There was a few seconds of silence on the phone.

Then, Su Nan hung up the phone.

They haven't gotten to the point where they can talk about the past in peace.

Not to mention is the limit.

Fu Yechuan looked at the darkened screen and keenly felt every ray of Su Nan's emotional changes, she was avoiding this question.

Because she is sad.

Those sadness were like staggered sharp knives, wisps slashed onto his body.

It's all retribution.

Wu Tutu came out of the kitchen and finally cleaned up such a precious kitchen. I hope that President Fu can dispel his love for cooking.

In the past few days, I don't know how many matching blue and white porcelains have fallen, and countless electrical appliances have set themselves on fire in his hands...

He is the number one killer in the kitchen, and it is poisonous!

...

on, Wu Tutu coughed, "Mr. Fu, everything is packed, you..."

Fu Yechuan nodded lightly, "Have someone replace the broken microwave oven. , don't cooperate with this brand in the future, the quality is too rubbish!"

Wu Tutu twitched the corners of his mouth, obviously you did it wrong!

"Okay..."

He thought so in his heart, but he still happily agreed.

Everything Mr. Fu said was right.

"By the way, I heard from Chen Mian today that a woman knew you and wanted to work in the Fu Group, but you don't have time for a day..."

Wu Tutu frowned, thinking about before Chen Mian got off work, He ordered him to mention this matter to Fu Yechuan.

Fu Yechuan's face was indifferent, "What woman, I don't know!"

Wu Tutu understood and immediately told Chen Mian the original words.

Two days later.

"Green" club.

The weather was still a bit chilly, and everyone was wrapped in thick clothes when they went out.

However, people like Su Nan who pursue beauty to the extreme don't know spring, summer, autumn and winter.

A party held by insiders invited Fu Yechuan and Su Nan.

She was wearing a long black waist-pinch dress with puff sleeves that was playful and lively, with a slender waist and long legs, and every step she took was her own style.

Sassy and gentle, there are two styles on her, not awkward at all!

After Su Nan got out of the car, he glanced at it and saw Ning Zhi, who had just arrived.

She is here too.

Ning Zhi went over and hugged her, "I haven't seen you for a few days, I can't wait to run to your house to find you!"

Su Nan tutted twice, jokingly with her.

"Meet me or my brother?"

Ning Zhi rolled her eyes at her, pinched her lightly, and warned.

"Don't talk nonsense!"

Su Nan's smile deepened, Ning Zhi didn't hate this kind of jokes, it showed that the two were having fun!

"I'm not talking nonsense, I'm looking forward to the day when you become a member of our family!"

Ning Zhi smiled, and then the smile faded instantly.

She seemed to be worried about something, so she was uneasy.

“I heard that Xiao Ran went to see you several times?” Su Nan asked her after a pause.

There was nothing to talk about between them.

This kind of topic is private to others, but to them, it is a matter of complaining.

Get on the elevator.

Ning Zhi sighed, then sneered.

“He’s asking for his own dead end. Originally, if he used his influence, he would have no problem getting into a small circle.

But this person actually took drugs at an important show!

Hehe, he was kicked out at that time, and he was abroad. He has already been banned, he doesn’t even have a place to stay, and he came back like a stagnant dog and begged me to admit his mistake...”

Su Nan shook his head, his heart was indifferent.

Take one wrong step, and you will never be saved.

Xiao Ran was a promising person, but he’s just so yellow...

“Then don’t waver, such a person will only implicate you!” Su Nan took the opportunity to speak.

No one can take advantage of her third brother!

Ning Zhi looked at her speechlessly.

“He has no value at all, am I stupid? I’m not stupid enough to spend my own money to train other people’s men.

Do you know how many people are jealous of his smooth development in recent years?

As long as he is exposed, he will His opponent will immediately suppress him, and his scandal will not be able to be hidden, he has no other way to go except to quit the circle.”

When Ning Zhi spoke, his tone was very relaxed, without the slightest sympathy.

Su Nan was finally relieved.

But thinking about it is also correct, no wonder Su Qi ran to Ningzhi's company so diligently, because he was afraid that their old relationship would revive?

Su Nan asked her with a smile:

"Then what do you think my brother..."

...

Chapter 728 is all bullshit fate

Chapter 728 is all bullshit fate

. Ning Zhi paused and interrupted her.

"Little Si, I won't lie to you, I still have feelings for him, but you know what?

That feeling is that of a person standing on a cliff, a knife hanging over his head, and he has no bottom and is worried.

I can't I lost it once, so I'd rather never get it."

This kind of gain is different from Xiao Ran.

She has always maintained indifference and vigilance towards Xiao Ran, always knowing that the day will come to an end.

But she was moved by Su Qi.

Su Nan was silent and nodded with a smile.

She understands that a partner is more important to Ning Zhiliao than anything else.

That would be her family for life.

But no one can guarantee that the romantic and affectionate Su Qi will always give her enthusiasm and love?

People without the slightest sense of security will not easily believe and give their sincerity.

She cannot be abandoned again.

Su Nan took a deep breath, just in time for the elevator to arrive.

They go out.

“No matter what, I’ll always be on your side, I know, and make decisions according to your heart.”

You don’t have to be limited by anyone’s persuasion and feelings.

Ning Zhi nodded, and the two smiled at each other.

But then, Ning Zhi’s smile stiffened.

“Mr. Fu?”

Fu Yechuan stood there, his body was cold and dignified, and his body was straight, which was too conspicuous in the crowd.

Su Nan looked back.

Fu Yechuan was looking at her, hooked his lips, and came over, “What a coincidence?”  
What a

coincidence!

There are a lot of mutual friends in the circle, and they won’t invite one and not another.

Deliberately avoiding suspicion will only attract attention.

Su Nan nodded and smiled perfunctorily, “It’s quite a coincidence.”

Fu Yechuan was serious and solemn: “It’s all fate, let us meet.”

Su Nan smiled stiffly.

Ning Zhi couldn’t help but burst out laughing.

Mr. Fu’s words are heartbreaking!

Su Nan twitched the corners of his mouth, pulled Ning Zhi and was about to go around, “Let’s go say hello to them.”

Fu Yechuan lowered his eyes to hide the loss in his eyes, and then raised his head coldly, looking at the thought in front of him. People who want to come over to greet you.

One after the other, completely two looks.

Lu Qi watched the excitement and took the initiative to come over.

“Old Master, don’t be discouraged, I will definitely help you!”

He blinked, only by experiencing it himself can he know how regretful it is to miss a sincere relationship.

His Leng Lin, who has handled several beautiful cases, became famous on the Internet, and became a representative of divorced and independent women.

People have a good life, but what about him?

Lu Qi thought about it, and then went over to look for Su Nan.

“Miss Su, it’s been a long time...”

Everyone moved away when they saw Young Master Lu coming.

Su Nan raised his eyebrows, “Yeah, is there something wrong with Lu Shao?”

“We met once, we are all friends, so we can’t chat if we have nothing to do?”

Lu Qi’s deadly and familiar problem has not changed at all.

Su Nan smiled.

“You can talk, the photo of Young Master Lu’s streaking is still in my hands, and it’s interesting to take it out from time to time and enjoy it...”

Lu Qi’s face was stiff and ugly, and the active emotions in his eyes were instantly annihilated. .

Done!

He didn’t deserve to talk to Su Nan, the two were not in the same rank at all.

“Miss Su is joking...”

He lowered his head dejectedly, hesitated for a few seconds, and didn’t leave, biting his head and begging:

“Miss Su, can you say a few good words for me in front of Leng Lin? , I sincerely regret...”

Su Nan took a sip of red wine, indifferent and elegant, with a very stable aura.

She asked, “Do you think it’s possible?”

Lu Qi shook his head subconsciously.

Su Nan smiled, doesn't this know the answer?

This person is afraid that the donkey will kick his brain too?

...

Chapter 729 is intentional

Chapter 729 is deliberately

Lu Qi walked away in despair.

Fu Yechuan shook his head and looked at it. He was smug when he left, but when he came back, it was like this. Su Nan is really amazing!

Even such a shameless Lu Qi can clean up!

People not far away came over to greet him, and when they saw him, their attitude was obviously different, warm and polite.

"Welcome, Mr. Fu..."

Fu Yechuan raised the cup in his hand, but before he could take it back, someone next to him suddenly bumped into him and fell straight at him.

Red wine was poured on him.

The disgust in his eyes has not faded, and the person who bumped over is about to throw himself into his arms.

Still a woman!

Immediately, his eyes were dark, his eyes were cold, and his eyes were quick and his hands were quick to step back a few steps to make way for her to fall.

Never let this woman touch you.

In front of Su Nan, cleanliness is the most basic moral quality.

"Ah..."

After a scream and a messy voice, it finally returned to calm.

Lin Xuan had clearly been optimistic about the angle and position, and she would definitely fall into Fu Yechuan's arms accurately.

Not to be embarrassed in front of so many people.

But who knew that the man who was standing there took a few steps back so quickly?

She fell straight to the ground, baring her teeth in pain.

Soon, she became the object of onlookers.

"Wearing work clothes, is it the waiter here?"

"Yes, how frizzy this man is, he almost bumped into Mr. Fu, what a shame!"

"That's right, where's the supervisor here? Why hasn't anyone come yet?"

...

Lin Xuan had been waiting at the Fu Group for a day, but was told that Mr. Fu didn't know her and didn't see her reply.

Since she left the Su Group, she has nowhere to go. How can a high-quality student like her who has studied abroad find a small company to mess around with?

So she put her mind on Fu Yechuan.

He had clearly seen her, how could he say he didn't know him?

She learned through hardships that Fu Yechuan would be attending the party today, so she managed to sneak in. Even if she was a waiter, as long as she could see him, she would find a chance to appear in front of him.

But she didn't expect that Fu Yechuan would let her fall down like a woman so disrespectful?

Don't even stretch out your hand!

The waiters around came to help and helped her up.

The supervisor also rushed over to apologize:

"I'm sorry everyone, I'm sorry Mr. Fu, this person is new, his hands and feet are frizzy, I will deal with it immediately.

" It was the most intolerable thing for him.

Lin Xuan was lifted up softly, and under the direction of the supervisor, she glanced at Fu Yechuan aggrievedly.

“I’m sorry, Mr. Fu, I really didn’t mean it.”

There seemed to be some complaints in his eyes, why did he avoid it?

Fu Yechuan’s eyes were cold and hard, without even looking at her, he put the cup aside and turned to leave.

Lin Xuan hurriedly stopped him,

“Mr. Fu, don’t you remember me?”

Fu Yechuan paused, and when he heard this, he glanced back.

Dazed and unfamiliar.

Has he seen it?

At that sight, Lin Xuan was a little heartbroken, but she didn’t forget to remind him,

“I opened the door for you at Su’s house on New Year’s Eve, and I handed you a USB flash drive two days ago... .”

Fu Yechuan pursed his lips, are these two the same person?

“You are... Su Nan’s cousin?”

“Yes, yes! President Fu really has a good memory!”

Lin Xuan couldn’t wait to smile.

...

Chapter 730 Let her lose money

Chapter

730 The supervisor on the side who made her lose money heard this, and his heart suddenly froze.

His face changed slightly.

Su Nan was at the scene, and he even made Su Nan’s cousin a waiter?

Could it be that the eldest lady from a wealthy family came down to experience life?

On the other side, Fu Yechuan thought for a while, his face was indifferent, and he looked at the supervisor next to Lin Xuan.

He took off his dirty coat and said in a dignified tone,

“Let her pay.” He was

concise and didn't say a word of nonsense.

Originally, he didn't want to make things bigger, but since Su Nan was involved, he had to let Su Nan come forward.

Don't you deserve the opportunity to meet her alone?

Fu Yechuan was still proud of his own thoughts.

The supervisor looked at him in disbelief, but did not dare to question, and immediately responded after being surprised.

The luxury suit jacket on Fu Yechuan's body, which was custom-made by hand in Italy, is a limited edition in the world, and a jacket is seven figures.

If this waiter is not a wealthy daughter, he really can't afford it!

But Lin Xuan was already in shock. Before she could find a job, she had already taken on a huge debt?

How can she afford it?

“President Fu...President Fu...”

She called to him, but Fu Yechuan was indifferent, cold-hearted, unmoved at all.

This woman's little trick just now is not right, but anyone with a little wink can see that she is doing it on purpose.

I thought it was a peach affair, but Fu Yechuan didn't take the bait at all.

She was in a hurry, she was really in a hurry.

Everyone watched this scene, and they didn't understand why Fu Yechuan, who was always generous, was suddenly competing in this matter.

But if you think about it carefully, this woman is Su Nan's cousin, it makes sense.

There must be an excuse for Mr. Fu to chase after his wife, right?

What a great show!

“Lin Xuan, since President Fu has spoken, you should pay for his clothes, right?”

Since they are relatives of Su Nan, it’s just a piece of clothes, what’s there?

Lin Xuan’s face turned pale, and her hands sweated nervously.

“I...”

She looked around blankly with red eyes.

Su Nan and Ning Zhi were in high places, and after watching the whole scene, they just thought it was funny.

Without this confidence, how dare you pour red wine on Fu Yechuan’s body?

When she saw Su Nan, her eyes lit up.

“Cousin...”

Everyone looked at Su Nan, and everything followed Fu Yechuan’s script.

Mr. Fu is amazing!

Su Nan picked up the phone, looked at Ning Zhiluo and smiled, “It’s too annoying here, let’s change place?”

Ning Zhiluo raised his eyebrows, “Okay...” The

two walked in tandem. When they got down, everyone made way for them. Passing by Lin Xuan and the supervisor, Lin Xuan stood there aggrieved.

“Cousin...”

“President Su, this...”

Su Nan stopped and sneered.

“I’m not familiar with this young lady, do I have to explain everyone who comes up to bite me?”

After speaking, she bluntly stepped on her high heels and left.

Going to his uncle's bullshit relatives is really bad luck!

The supervisor's face changed fiercely, and Su Nan's face was clearly full of displeasure. The two most important guests at this banquet were dereliction of duty!

He asked Lin Xuan to be taken out, and asked her to call someone to send the money.

The confidentiality of this clubhouse is very high. If you don't want to let you go out, even a fly can't get out.

Lin Xuan had no money, but she was also scared to death by the group of people who turned their faces and didn't recognize anyone, so she could only call relatives and friends to borrow money...

Fu Yechuan was waiting downstairs, he had already changed into a dry one The clothes, the mood naturally turned amorous.

He waited for Su Nan to come over and say a few good words for the woman. Naturally, he would not care too much.

After about ten minutes.

It was only when Su Nan and Ning Zhi found out that they were chatting and laughing.

It didn't look like he was looking for him.

Fu Yechuan frowned, his cold facial features immersed in darkness, he pushed the door and got out of the car.

"Su Nan, I'm here."
