Chapter 731 Go to marriage

Chapter 731 Going to get married,

Su Nan and Ningzhi were surprised.

Afterwards, Su Nan frowned and looked at him, "Isn't Mr. Fu gone?"

Fu Yechuan paused, his expression a little cold.

"I'm waiting for you."

"Why are you waiting for me?"

Su Nan was confused, it was so cold, she had to fight with Ning Zhiliao!

Fu Yechuan's eyes were heavy, his brows were solemn, he looked at her and reminded her, "Your cousin stained my clothes..."

I don't care.

Before he could finish speaking, Su Nan sneered.

"She's not my cousin. If you want to find her, please contact her directly. Don't pass by me. I'm not a scapegoat, and I won't pay for others. Anyone who cheats money or anything under the guise of me, please call the police directly. Thank you."

She frowned, but her eyes were cold.

She admitted that she was disgusted by the woman Lin Xuan successfully.

Fu Yechuan didn't expect her to react like this. If he hadn't seen that woman at Su's house, he wouldn't have believed it.

The difference between the two is simply worlds apart.

After Su Nan finished speaking, he directly passed him and got into the car.

Ning Zhi glanced at him from behind, then got in the car and smiled.

"President Fu seems very disappointed..."

Su Nan hooked her lips and sneered.

“He’s disappointed that no one paid for the multi-million-dollar coat...”

She wouldn’t give the money anyway, so she might as well donate it.

The two went to the “Listen” bar they frequent.

Once inside, the bar owner recognized them.

“You two, make an appointment with Cheng Er Shao, he is still in the same place.”

Su Nan was surprised, and Ning Zhi looked at each other.

Cheng Yi was actually there!

The box was packed by them, and no matter how many people there were, they would be reserved for them.

When the two of them arrived at the door, they heard the people inside crying loudly, heartbreakingly and emotionally.

Su Nan was taken aback, and asked Ningzhi in a low voice.

“What happened to him recently?”

So sad and desperate?

Ningzhi shook his head, saying that he didn’t know either.

Cheng Ershao was still hopping around in their large group two days ago, clamoring to see the aurora, everything was fine...

hesitant.

Su Nan still knocked on the door, but didn’t respond.

She pushed the door straight in.

A bottle smashed hard, “Who let you in, get out...”

Su Nan ducked sideways, the bottle hit the door, fell to the ground, and was torn apart.

Cheng Yi didn’t hold back at all.

Ning Zhiliu reminded him, "You won't open your eyes to take a look, what if you smash someone to death?"

Cheng Yi's crying stopped abruptly.

He raised his eyes and looked at the two people who appeared in front of him.

"You...why are you here?"

Su Nan walked over and looked at his peach eyes that were red from crying, swollen like walnuts.

On his handsome face, it was very funny.

"Cheng Ershao, the actors don't have the effort of your crying, may I ask why you can't think about it?"

Cheng Yi turned his face away awkwardly, rubbed his eyes, "I didn't cry..."

Ning Zhi laughed lightly.

"It wasn't you who was crying just now, I recorded it!"

Cheng Yi glared at her fiercely, "Bad friend!"

Su Nan smiled and looked at him.

"Tell me, what's the reason? Your poverty alleviation work is failing? Or is it that you can't sell things?"

Su Nan still vividly remembers his high-profile charity work some time ago.

Cheng Yi pursed his lips, "Nothing..."

Su Nan straightened up and sighed.

"Okay, then if you don't want to talk about it, just keep crying, we'll go first..."

Cheng Yi looked at her in shock, a cruel woman, just left?

She and Ning Zhiliao actually left with the things, Cheng Yi paused, then stopped immediately, crying

and saying, "Wait, my family let me get married!"

Chapter 732 The cruel women

Su Nan and Ning Zhi suffocated.

Looking at him in disbelief.

Su Nan paused for a while before speaking, "Aren't your family always open-minded?"  
The

Cheng family has always been kind to the younger generation.

Su Nan knew that after brother Cheng Yi left, their love for Cheng Yi became even more indulgent. Even if they were angry, they couldn't bear to scold him more.

Cheng Yi actually squeezed out a few tears, "That's when the Cheng family saw that the old man was not in good health, and started to seize power. The one who opposes our Cheng family has to marry my daughter, or we will kill our family. Kick out the Cheng family."

Su Nan was shocked for a while, she didn't know what was going on inside the Cheng family, but the Cheng family didn't even feel that a shareholder seized power to such an extent?

"Why did such a big thing happen suddenly in your family?"

Cheng Yi paused, his voice hoarse.

"I always don't care about the company's affairs. The shareholders in the company are the right-hand man of the old man. Who knew that they suddenly rebelled. I didn't dare to tell the old man that he would be mad..."

Su Nan and Ning Zhi They looked at each other and looked at him sympathetically and pitifully.

Cheng Yi, the hands-off shopkeeper, encountered a big problem that he couldn't solve at all!

The three of them sat there thinking about it, and Cheng Yi started to cry after thinking about it.

Ning Zhi looked at him with disgust.

Su Nan paused, "Then...is that girl good-looking?"

If you can bear it, you can compromise first and then fight back.

Cheng Yi's cry became even louder, "I'm eleven years older than me, and I've been divorced..."

Su Nan and Ning knew: "..."

Poor Cheng Yi!

It seems that he will never be willing to compromise.

Ning Zhi thought for a while and suggested,

"Actually, if you want to turn defeat into victory, it's not impossible."

Su Nan and Cheng Yi looked at her.

Ning Zhi smiled, "Just find a more reliable marriage, secretly collect the weaknesses of those people, defeat them one by one, and prepare with both hands." The

two fell silent.

Where can I find a more reliable person to marry?

Ningzhi blinked at Su Nan, Su Nan pointed at herself, "Me?"

Want to sacrifice herself?

Ning Zhi nodded.

"It's not a real marriage, it's just a signal to the outside world that the Su family's background is big enough, those people will not have no worries."

Su Nan paused and pondered for a moment:

"Actually, I think, if you really don't care about the management company If you are interested, it is better to ask professional management personnel to check for you. You are in the background, and you have the same power, and you will not let other people move around.

Of course, this is a later story. It is still important to solve your problems at present. If you need it, I can cooperate with you..."

Anyway, it's all acting, so I don't feel wronged if I can make you feel better.

You can't just watch him go bankrupt, can you?

Cheng Yi sniffed, and suddenly reached out and hugged these two people.

“You guys are so nice, I love you to death!”

Su Nan and Ningzhi rolled their eyes speechlessly, and immediately pushed him away.

“Are you sour or sour...”

Everyone made a plan and went back to their respective homes.

Early the next morning.

Snowflakes fell rustling, the whole earth was white, and even the branches were covered with a thick layer of snow.

After Su Nan got up, she dressed up carefully and chose a dazzling skirt.

Going downstairs, Su Qi took a look.

“This is a date?”

Su Yifeng raised his eyes, “Don’t talk nonsense, your sister’s beauty can’t be concealed at all!”

Su Qi: “...”

Su Nan smiled, “There may be my scandals in the past two days, as long as it doesn’t affect our family’s stock, don’t worry about it.”

Su Yifeng frowned, “What do you mean?”

Su Nan thought for a while, but still told Su Yifeng about the Cheng family.

Su Yifeng was silent for a while, then sighed, “After Mr. Cheng lost his favorite grandson, he has no intention of working in the company. It’s really pitiful. If there is anything you can help, you must not refuse.”

Su Nan and Su Qi were obedient. nodded.

to the Su Group.

Su Nan got out of the car and saw Cheng Yi who was stopped by the front desk.

He is tall and straight, his suit is straight, and his peach eyes are full of brilliance, which is completely different from yesterday's embarrassment. The gentle gentleman, Cheng Yi really deserves to be recognized as good-looking in the circle.

He held a large bouquet of flowers in his hand, very solemn.

The more this is the case, the less the front desk dares to put people in.

As soon as Su Nan entered, Cheng Yi breathed a sigh of relief and opened his arms, "Darling, I haven't seen you for a few days, I want to die." The

front desk nervously took out the phone, ready to let the security come and resolutely protect their Miss Su !

But when he turned his eyes, he suddenly saw Su Nan raised a bright smile and rushed towards Cheng Yi?

The lady at the front desk rubbed her eyes. Did she see it wrong?

Is this still their noble and elegant, dignified and demure President Su?

The two hugged each other tightly in the crowd, like a pair of intimate lovers.

This is too sudden, and the amount of information is too great!

Passers-by stopped one after another, watching in shock, but not daring to look.

Soon, after everyone had eaten all the melons they were supposed to eat, the two entered the CEO's exclusive elevator hand in hand.

When they got to the elevator, they calmed down.

Su Nan: "Have you contacted the reporter?"

Cheng Yi took out his phone and looked at it, "Don't worry, it's all taken."

Cheng Yi left after fifteen minutes.

The news spread within half an hour.

Suddenly, the Internet, which was already calm, instantly set off a wave.

"Su Nan and Cheng Yi have no guesses, childhood sweethearts, and the two seem to have started dating."

Su Nan looked at the comments under the news and couldn't help but smile.

"Wow, good fit, attractive men and women!"

"Good envy the Soviet Union always, for her boyfriend, like changing clothes, these are pretty expensive clothes!" "Distressed

well, The effect is unexpectedly the best.

Fu Group.

Fu Yechuan came out after the meeting and took the phone from Chen Mian's hand.

Chen Mian hesitated.

"President Fu..."

He was so scared!

"Speak."

Chen Mian opened the web page for him, "Mr. Fu, don't be impulsive, this must have been written by some tabloid reporters!"

Fu Yechuan glanced at it, his eyes darkened instantly, and a chill rose.

He slammed the phone out of his hand –

without breaking or cracking.

Chen Mian tremblingly followed to the office, Fu Yechuan was shrouded in a hostile spirit.

The emotions that he had suppressed in his heart seemed to have found an outlet all of a sudden.

The photo of Su Nan and Cheng Yi hugging is like a thorn in his heart.

He still vividly remembers how Cheng Yi pursued Su Nan at the beginning.

Would she rather give Cheng Yi a chance than him?

“Withdraw!”

He gritted his teeth, and his eyes were cold.

Chen Mian immediately called the person in charge of the platform.

After a while, not only did the news show no signs of disappearing, on the contrary, there was more and more discussion.

Chen Mian bit his head and walked in, “Mr. Fu, the platform said that it was Du Yan from Huaying Entertainment who said hello, and the hot search cannot be withdrawn.”

The

implication is that this hot search is what Su Nan wants to go on. .

...

Chapter 734 You are still not human

Chapter 734 Are You Still Not Human?

Fu Yechuan’s eyes are cold and severe, and the haze on his face scares people to death.

He doesn’t want to do any little tricks now, he really wants to knock her unconscious and hide it.

Fu Yechuan clenched his hands into fists, the blue veins between his eyebrows were faintly raised, his eyes were sharp and deep, and his voice was harsh and cold:

“Withdraw, otherwise, the platform will be closed.”

Chen Mian nodded solemnly.

“Yes...”

Fu Yechuan didn’t want to see the news, if he dared to stay there, he would throw sand in his eyes, courting death!

In less than twenty minutes, the news came and went quickly.

Soon, news of a couple cheating on the entertainment industry dominated the headlines.

The news of Su Nan and Cheng Yi was suppressed.

But Su Nan didn't mind, anyway, the heat of those few hours was enough for others to imagine.

Moreover, this news caused a mediocre response to the Su Group's stock, but the Cheng Group's stock rose a lot because of this.

Fu Yechuan calmed down, and suddenly felt that this matter was strange.

If they want to be together, why wait until today?

But after a while, he came to Chen Mian and asked him to find out the matter.

Cheng Group.

Cheng Yi sat happily in the president's office.

Today, no one finally pointed his nose to warn him, making him ready to marry at any time.

But took a look at the phone, what about his hot search?

Call the platform and ask, hehe, Fu Yechuan intervened!

Cheng was so angry that he directly found Fu Yechuan and called him.

"Fu Gou, you're going too far! I supported you when you were competing with Shang Qian. I said a lot of good things about you in front of Su Nan, but you actually did something bad to me!

You're still not human!"

He really didn't want to marry that divorced girl who was eleven years older than him!

Fu Yechuan did bad things to him and made his teeth itch with anger.

Fu Yechuan looked at the unfamiliar number and wanted to hang up, but accidentally clicked to answer it.

Cheng Yi's voice full of resentment came out in a bag.

Fu Yechuan understood, frowned, and his voice was cold: "What do you mean?"

"If Su Nan and I were together, no one could stop me. Do you think there is still a chance for you? You actually threatened the platform to send my hot search to Withdrew? Do you know how long it took us to come up with this solution? It

's too much, Fu Gou, I decided to support Shang Qian!"

After speaking, Cheng Yi hung up the phone.

His heart was beating fast, and he was very angry.

Fu Yechuan's face was stern, half of his face was in the shadows, his eyes were awe-inspiring, he suddenly thought of something, and immediately ordered Chen Mian:

"Go check Cheng Yi, what's going on in Cheng's company recently?"

The doubts in his heart became more and more Big, but intuition tells him that this is not so simple.

The silver watch in his hand was permeated with chills.

Soon, a confidential investigation report on the Cheng Group was delivered to his desk.

After only reading a few pages, Fu Yechuan immediately understood why this hot search appeared today.

In an instant, his mood was somber to sparse, and he felt a lot more happy.

all fake!

Although the complexion looks a lot better, but thinking about the dazzling photo, my heart is blocked.

He hasn't hugged her very well, what qualifications does Cheng Yi have?

Thinking of this, he snorted coldly.

Chen Mian watched tremblingly, Fu Yechuan's expression changed so quickly that even the person who knew him best could not immediately understand what he was thinking.

"Since Cheng Yi doesn't want to marry that woman, then help him..."

He kindly expressed his kindness.

Just because Cheng Yi supports himself instead of Shang Qian, he is a discerning person.

Su Nan got off work. According to the agreement, the appearance of her and Cheng Yi these days is very important.

So she ended her work early and drove to Cheng's Group by herself.

Su Nan drives Su Qi's Maserati in a high-profile manner.

Until the Cheng Group, she stopped and went upstairs, no one stopped her.

Just opened the door of Cheng Yi's office, and saw a man and a woman sitting in the office, as well as Cheng Yi's mother.

Su Nan paused, Cheng Yi saw her and quickly pulled her in.

"Little Si, why did you come here? I agreed to have dinner together, and I have already reserved a table!"

Su Nan looked blankly, did you agree?

Wouldn't it be okay to go together and let the reporter take a street shot?

Still have to eat?

Cheng Yi blinked at her, then watched the younger woman sitting next to the man suddenly staring at her angrily.

"Cheng Yi, are you really with Su Nan? You rejected me because you found a woman richer and more powerful than me?"

Before Zhou Yan was divorced, she would watch every gathering in the circle. Arriving at him, hearing him, the second young master of the Cheng family is handsome and handsome, and he is many times stronger than those rich second generation with fat heads and big ears.

She had already taken a fancy to it and was fascinated, so she hurriedly divorced, instigating Zhou Tonghui to seize power and forcing marriage.

Step by step, everything went smoothly.

Who knows, Cheng Yaojin was killed halfway...

Su Nan immediately understood the identity of the woman who looked like she was about thirty years old in front of her. It was Zhou Yan.

Next to it is Cheng's shareholder, Zhou Tonghui.

She raised her eyebrows, indeed, she was rich and powerful!

Seeing Su Nan, Zhou Tonghui had an unnatural fear on his face, and he tugged at his daughter next to him.

“Don’t be rude.”

Having said that, he stood up, bowed slightly, and extended his hand politely, “It turned out to be President Su, it’s a pleasure to meet.” It

is not an easy person to be able to stir up the situation in the Cheng Group.

However, he ignored the years of friendship with Mr. Cheng and said that if he seized power, he would seize power, which shows that his character is extremely poor.

Su Nan ignored his hand and smiled, with a cold smile in his smile:

“Mr. Zhou, it’s the first time we met, and I have long admired your name.”

Zhou Tonghui didn’t mind Su Nan’s ignorance. After all, he didn’t dare to offend the Su Group, and Su Nan The character has long been heard.

He withdrew his hand and smiled shyly.

“Mr. Su is very polite. Since there are guests here, we won’t disturb Mr. Cheng. Yan’er, let’s go...”

Zhou Yan was extremely unwilling, the duck in her hand flew away, and she was about to die of anger!

“Mr. Su, will you marry Cheng Yi? If not, don’t delay him, and don’t cause others to misunderstand!”

Zhou Tonghui’s expression changed slightly, and he wanted to stop it, but it was too late.

Su Nan raised his eyebrows and snorted coldly.

“What’s the matter with you?”

A simple sentence revealed all her disdain.

Zhou Yan was no match at all.

She bit her lower lip, “If it weren’t for you, Cheng Yi and I would have been married!”

Cheng Yi immediately jumped out and denied: "Impossible, absolutely impossible! I am the second young master of the Cheng family, why should I marry you? A woman who got kicked out of her divorce!"

Zhou Yan pointed at Su Nan, her tone cold and harsh, "Isn't she also kicked out of her divorce?" For a

moment, the atmosphere in the office froze.

Quiet to death.

Su Nan's face was slightly dark, her eyes were cold and indifferent, and she didn't make a sound.

Zhou Tonghui turned pale with fright, and hurriedly said to remedy:

"Boss Su, don't be angry, she is arrogant, I will teach her a good lesson!"

Cheng Yi's mother snorted coldly and walked over.

"Don't be so pretentious, Miss Zhou, are you worthy compared to Su Nan?"

You are ungrateful, and you are making trouble for me by forcing me into the Cheng family?

You are more than ten years older than Cheng Yi, so you should find another good family. Well, your family is a daughter or can't get married, so you have to go to my Cheng family?"

Chapter 736: She Holds Vengeance

Chapter 736

Cheng Yi's mother, who holds vengeance, seems to have lost a lot of weight, probably because of this thing, she couldn't sleep well.

Speaking of this, she finally couldn't bear it any longer, and let out a sigh of relief!

Zhou Yan's face turned red and white, and it was hard to see the extreme.

Cheng Yi's mother said so badly that she almost wrote the word "disgusting" on her face.

Zhou Tonghui couldn't hold his face either, he gave Cheng Yi and his mother a hard look, smiled stiffly, and pulled Zhou Yan out of the office.

He can force Cheng Yi to compromise.

But he can't be a demon in front of Su Nan.

Cheng Yi's mother spat fiercely, and then her eyes turned red.

She looked at Su Nan and walked over.

"Good boy, thank you so much today, you and Cheng Yi..."

She even went to warn Su Nan because Cheng Yi was close to her.

Thinking about it now, I really regret it.

In terms of identity, status, looks and character, Su Nan has been able to kill all the girls in the celebrity circle.

What else did she pick?

If you've been divorced, you've been divorced...

Su Nan smiled, she has always held grudges, and the words of Cheng Yi's mother were still in her ears.

Her tone was lukewarm, and her attitude was sloppy.

"Auntie is polite. My father said that he has a good relationship with the old man. Cheng Yi and I have grown up together again. If we can help, we have to help."

It wasn't because of her real feelings.

Don't get her wrong!

Mother Cheng also heard the avoidance of suspicion in Su Nan's words, and suddenly smiled embarrassingly, and sighed in disappointment.

Regret is useless.

After all, the Cheng family is now suffering from the fire, how can they have the face to repeat the old things?

Cheng Yi didn't notice the direct and subtle words of Su Nan and Cheng's mother, and just pulled Su Nan over to sit down.

"Fortunately, you are here. That week Tonghui even dared to ask me if I was creating scandals and putting pressure on him. Haha, what if he sees it?"

Su Nan smiled lightly, "Don't relax there, check it out as soon as possible."

Mother Cheng knew that she was superfluous here, so she didn't say much, and walked out silently.

Cheng Yi's eyes flickered, "Don't worry, I've already sent someone to check. His behavior has always been unrelenting. It's not difficult to check things out. As long as there is any movement, let him get out of the board.

", He already knew what he knew, and Su Nan was relieved.

But after thinking about it, Su Nan couldn't help but chuckle.

"That Zhou Yan doesn't look as old as you, and seems to be infatuated with you..."

Cheng Yi looked like a ghost who had eaten shit, it was disgusting.

"They go to H country every few years to use a knife, and they don't look like themselves. This Zhou Yan, do you know why she divorced?"

Because she cheated in marriage to find a duck, and was caught by the husband who went to the club to find the princess. , the two of them made a fuss, so they left!"

Su Nan was speechless in shock.

Sure enough, she still knew too little.

After Su Nan said a few words, he received a call from Su Qi.

Fu Yechuan went to Su's house.

This news is really shocking!

The frequency of Fu Yechuan going to Su's house was a bit too high.

Su Nan said goodbye to Cheng Yi and drove directly back to Su's house.

In the living room, without seeing Fu Yechuan, Su Qi pointed to the outside.

"I'm fishing with our old father..."

Su Nan frowned, "What's he doing here?"

Su Qi shrugged, "Who knows, there won't be anything other than looking for you anyway. Well, I guess I can't sit still after seeing the news about you and Cheng Yi!"

Su Nan was speechless, went upstairs to change into more casual clothes, found a blanket at random, and came down lazily.

It just so happened that Su Yifeng and Fu Yechuan came in one after the other...

butler took the things in their hands.

Fu Yechuan stood up straight. He was wearing a casual white shirt and black trousers, with his neckline exposed, his Adam's apple curled down coldly, his collarbone was strong and beautiful, and he looked lazy and noble, with a refined look all over his body. Energetic.

He watched Su Nan go downstairs, his eyes flickered, and the corners of his mouth curved into a gentle arc.

"Su Nan, what a coincidence."

We are so fateful!

Su Nan froze and smiled reluctantly.

"This is my house, of course it's a coincidence..."

Su Yifeng washed his hands and came out, "Mr. Fu will stay for dinner. After catching so many fish, how can you make a trip in vain?"

Fu Yechuan nodded slightly. There is a certain degree of behavior.

"Then I'll bother you."

He asked.

Su Nan turned around speechlessly and went to the other side, pouring a glass of water, ready to drink.

Fu Yechuan approached quietly, she could smell the faint fragrance of jasmine on his body, it was the smell of flowers and plants planted by Su Yifeng in the backyard, it was naturally elegant.

“I’m thirsty too...”

His voice was low and hoarse.

Su Nan paused, and the next second, her hand with clear phalanges reached out, her cup was taken away, and her hand was empty.

He drank it all, and let it go as if nothing had happened, not at all feeling that his behavior was extremely inappropriate.

Suddenly Su Qi, who was not far away, came over.

“You two just drink water, why are you drinking from my cup?”

Su Qi was very angry, he saw it all!

Fu Yechuan: “...”

He wanted to vomit.

Su Nan paused and was silent for a moment, “I specially poured water for you, third brother, are you moved?”

Su Qi’s eyes were extremely cold, looking at the two of them.

“Hmph—”

He took his cup and left!

This cup is a pair with Ning Zhi, a couple cup!

It’s all Fu Yechuan’s fault!

Seeing him leave, Fu Yechuan pursed his lower lip, “I was planning to go to your company to find you just now, but they said you left, where have you been?”

His eyes were dark and dark, and there was a surging deep in his eyes.

If Su Nan hadn’t been worried that he helped her a lot last time, she would have reached out and asked him to leave.

After half a second, she smiled.

“Go to Cheng Yi.”

Let him be jealous, get angry, and leave in a fit of anger!

Fu Yechuan’s face turned cold for a moment, but unexpectedly, he was not particularly angry.

“It seems that he hasn’t found a way yet.”

Su Nan: “...”

What way?

Fu Yechuan smiled and took out a silver USB flash drive, “Here is what he wants.”

Su Nan looked at him in shock, “What do you mean?”

Fu Yechuan’s handsome face suddenly enlarged in front of him.

“Go and have a look?”

Su Nan stepped back and went upstairs with doubts in his heart, but did not notice that Fu Yechuan followed.

He shouldn’t know. Qin Yu didn’t even say this. How could Fu Yechuan know?

Just thinking about it, when she got to the study, she pushed the door and went in.

Inserting the USB flash drive, his expression changed instantly.

The s inside were all evidence of Zhou Tonghui’s crimes, and he even pretended to be Mr. Cheng’s handwriting to sign a lot of important documents. All these materials were urgently needed by Cheng Yi.

Fu Yechuan stood opposite her, holding the table with both hands, and looked at a photo frame next to her, which was a group photo of their family.

What a happy family.

He also wanted such warmth, but unfortunately he never had it.

Thinking of this, Fu Yechuan’s eyes darkened slightly.

Su Nan: “Why do you have this?”

Fu Yechuan pursed his lips and recovered his expression.

“If you have something to do, you can tell me directly, and I will spare no effort to help you, but things like creating scandals can easily lead to misunderstandings.”

...

Chapter 738 Find a reason to see you

Chapter 738 Find a reason to see you

It turns out that this is the reason why he has been holding back, he went to investigate everything clearly.

Su Nan’s reaction was also calm, “I’m just helping a friend.”

She closed the computer and unplugged the USB flash drive, “I’ll let Cheng Yi thank you.”

But it had nothing to do with her.

Fu Yechuan’s eyes were cold, his lips curled into a small smile, and his voice was extremely cold.

“No need, Cheng Yi’s eldest brother is my comrade-in-arms, and I won’t just watch their family fall. I hope that Cheng Yi’s prodigal son will have some brains. If he can’t keep his property, what’s the use?”

Su Nan Nothing to say.

She almost forgot that he still had such a relationship with the Cheng family.

“Then you’re here...”

Could it be to give her a USB flash drive?

This is too bewildering, isn’t it?

Fu Yechuan stared at her reflection, “Find a reason to see you.”

How direct!

Mr. Fu is really excellent!

But his eyes were too deep, and the affection in them was too heavy. In a few seconds, Su Nan withdrew his gaze.

She directly ignored Fu Yechuan’s words, “Let’s go down to eat...”

Goosebumps are coming up, can't Fu Yechuan be more restrained?

The housekeeper had already set the table, and Su Qi was videotaping with people downstairs.

As soon as Su Nan heard the voice, Ningzhi knew it.

As soon as the camera turned, Ning Zhi saw Su Nan... and Fu Yechuan behind her.

Shocked.

Su Qi didn't care, and took a picture of the dinner table for her.

"Understood, I'll bring you next time, my dad's fish is delicious, let him catch a few more, and you can take it back and make soup!"

Su Yifeng kicked him from behind.

"You treat your old father as a tool for falling in love?"

Su Qi hung up the video and went over to open the chair for him with a smile.

"Dad, don't make trouble, be good..."

Su Nan and Fu Yechuan followed, one on Su Yifeng's left and the other on his right.

Su Qi consciously found his place at the end.

During the meal, Fu Yechuan was very honest, and asked and answered Su Yifeng, and he was not cold.

Su Qi ate on his own, peeled the shrimp, and put a few in Su Nan's bowl from time to time, Su Nan lowered his head and ate seriously.

The two of them are really cooking.

When the bowl was empty, Fu Yechuan stretched out his hand and placed a plate of peeled shrimp in front of her.

Su Nan paused, raised his eyes, and saw him smiling casually as he continued to answer Su Yifeng's question.

Su Qi didn't care at all, looking at so many peeled shrimps in front of Su Nan, he simply brought them to him, "Eating too much cholesterol will increase, you forgot what the second brother said?"

Su Nan rolled his eyes , Well, does he think it makes sense now?

Su Qi buried his head to eat, and glanced at him with a cold gaze, he raised his head, but no one paid attention to him.

Maybe he felt wrong.

After eating, Fu Yechuan finally left.

Su Qi accompanied Su Yifeng to watch TV shows, and Su Nan went to the study to contact Cheng Yi.

...the

next morning early in the morning.

Su Nan asked Yu Lou to send the USB flash drive to Cheng Yi.

In just one morning, everyone heard from the news that Zhou Tonghui, a shareholder of Cheng's Group, embezzled the company's assets and pretended to be Chairman Cheng's handwriting to sign.

Cheng Yi deliberately made things bigger, just to make Zhou Tonghui notorious, and there would be no chance to turn around!

Chapter 739 One million cash

Chapter 739: One Million in Cash

Cheng 's crisis passed without any risk. Cheng Yi wanted to get back on his feet, but given his ability, he should let a professional manager enter the company first, and thoroughly liquidation.

As soon as the matter was over, the matter of Su Nan and Cheng Yi gradually faded out of everyone's sight, as if it had never happened.

...

Not long after, Su Nan received a call from Chen Jian.

There was an accident in S city.

She rushed over without stopping and went directly to Zhicheng Company.

Seeing the people sitting quietly at the door, they immediately started a lawsuit, and their faces also became ugly.

This scene is much more serious than what Chen Jian described.

The bodyguards hired by Chen Jian surrounded the company to prevent them from doing anything.

And there are police cars and ambulances not far away to prevent conflicts at any time.

Su Nan took a deep breath and sat in the car without getting off.

Yu Lou called Chen Jian out.

ten minutes later.

Chen Jiancai dressed casually and ran out wearing a mask, for fear that others would recognize him.

"Mr. Su..."

He felt that he was really useless, and this little girl had to deal with everything that happened.

Su Nan nodded with a calm tone.

"Mr. Chen tried his best, and the company and I both understand, what's going on now?"

Chen Jian was moved, and quickly replied,

“It was already dealt with, but Zhang Licheng didn’t give up and instigated a few cronies to make trouble. It’s completely impossible to get the same compensation as those regular employees...”

Su Nan pursed her lips and said in a slightly cold tone, “Have you discussed it with those people?”

“When they hear that they can get more money, they are eager to come and make trouble and take advantage of it. There is nothing to discuss. The treatment we gave is already very good. They are insatiable!”

Su Nan: “The unveiling ceremony of the project will begin in a few days. At that time, in order to promote and clean up the taint of this project, many reporters and media will be invited to the scene.

If this matter is not resolved today, they will make trouble later. When it comes to the media, we can’t even tell what’s right.”

The advantage they had before quickly disappeared.

Word of mouth is very important, so don’t be careless at all.

After thinking for a while, after a while of silence, Su Nan’s voice was firm.

“Yu Lou, go and prepare one million in cash.”

She couldn’t take it any more.

Yu Lou looked at her in surprise, even Chen Jian couldn’t believe it.

Want to pay directly?

“Mr. Su, they won’t be satisfied no matter how much you give. Once you let go, those who don’t will come to suck blood.”

Su Nan smiled and looked at the group of people outside.

“I have a solution.”

Yu Lou had no reason to object to Su Nan’s order.

He didn’t even have to go in person, he just called the bank and asked them to send one million in cash.

Subsequently.

Su Nan got off.

Chen Jian and Yu Lou quickly followed.

As soon as Su Nan appeared, those people became a little restless.

“This woman is rich. She is the eldest daughter of the Su Group. It is their family who took over the company and made us unemployed. We ask her for money!”

“She is rich, ask her for money!”

“Yes, why give them so much money, we don’t have a cent?”

...

Everyone stood up as if they had been beaten by chicken blood, looked at Su Nan like a wolf, and wanted to suck her blood. .

Yu Lou has experienced the shadow of S City, so he didn’t dare to leave Su Nan’s side, for fear of any unexpected situation!

Su Nan’s face was calm, and her facial features were still stunning. Even in the face of such a scene, she remained calm and aloof.

That kind of tolerance is really not comparable to ordinary people.

She picked up a loudspeaker directly from the ground beside her, threw the cash in her hand on the ground, tore the bag, and

poured the money on the ground...

Chapter seven hundred and fortieth hard and soft

Chapter 740

The people around him calm down in an instant.

Su Nan looked at them, “I’m not Zhang Licheng, nor Li Hui, I have never promised you.

You take the state’s unemployment benefits, and you come here to mess around, and sincerity company owes you wages, but whatever is on the account Yes, I gave it to you, I have more conscience than them!”

Su Nan's voice was extremely cold and his aura was strong, and everyone present was shocked.

For a while, it was quiet.

However, some people were restless and restless, and someone in the crowd shouted:

"The salary is ours. If you bought the company, you should pay us the salary. We ask for the same compensation as those ten people, all in one Why is the treatment different when working in a local area?"

"That is, why is it different!"

"Yeah, we only give so much money!"

Su

Nan glanced at the person who was speaking with a cold gaze. The tone is condescending:

"Without a labor contract, we have no obligation to compensate you. I am not a gold and silver mountain, nor a bottomless pit. If you are not satisfied, you can sue me!" As soon as

the voice fell, everyone was instantly dissatisfied, and they were about to die. Boil up.

Su Nan's tone suddenly softened.

"However, I also understand that it is not easy for you. One million cash is here. You have a hundred or so people, and you will receive less than ten thousand. If you want, go to the side and register your name and ID card, ten thousand You can take it."

Everyone was instantly excited, and it was a surprise that they could get 10,000 after sitting for two days.

Su Nan's topic changed, "However, I also made it clear to everyone that you have taken the compensation today, and if you continue to make trouble next time, don't blame me for being rude.

Those who don't take money today and want to work can have the opportunity to be hired first. "

Everyone is excited.

Take 10,000 yuan for nothing, settle the matter, or work?

Whichever conditions are good...

Everyone is silent, as if thinking about which

one they want? When someone saw that the situation was out of control, they immediately stood up and said, "Don't Trust her, what is this money? We want more!"

Su Nan stared at the troublemaker in the crowd, gave Yu Lou a wink, and Yu Lou understood immediately.

He instructed the bodyguards next to him to control the people inside.

Su Nan's eyes were condensed and his tone was calm:

"Zhang Licheng has already entered." , you are not related to him and not related to him, and he is using you to gather here illegally, which is to harm you!

Once I call the police and the police file a case, you have a taint, your children's entrance exams, and their future career choices will be affected. You should think about it carefully. After half an hour, if you are still here and have not made a choice, then I will choose to call the police. ! "

For a while, their faces were full of fear.

They didn't know the consequences were so serious.

Some people even regretted it.

They are not afraid, life has already seen the end at a glance, and they can take advantage of it for selfishness.

But what about their children? It

is a heinous crime to implicate the children!

Isn't the hope of these people in the next generation?

Su Nan can grasp the weaknesses of these people too well, so she can only give half of them so arrogantly. Hours of time. Doing both

hard and soft, one million is her compromise, the step she gives them. The

police file, criminal punishment, this is her method.

After she finished speaking, she threw the loudspeaker to Li Jian and walked directly into the company.

Yu Lou followed closely.

Su Nan instructed in an indifferent tone.

“Anyone who takes money must register well. If they dare to take compensation, it means that they are not unemployed. They are cheating the country’s unemployment benefits. We must leave a way out.”
