Chapter 76-80

Chapter 76 She's Not Rare

Fu Yechuan's eyes were cold, he raised his eyes slightly, and his voice was indifferent: "What I have done will never pass, I am not qualified to forgive you for her, it is Su Nan who does not care about your apology!"

Looking at Qiao Wanrou's shocked eyes, Fu Yechuan did not. After taking one more look, he said, "What are you waiting for, drive!"

"Yes, Mr. Fu." The driver did not dare to delay for a moment, and immediately started the car and left.

Qiao Wanrou stood stiffly in place, watching the car go away, the grievance in her eyes was gradually replaced by anger.

How long has it been since she left, when did Fu Yechuan become so indifferent to her?

He actually spoke for Su Nan?

Su Nan, she is really good at it!

Qiao Wan gently took out her phone, dialed a number, and said in a gentle voice, "Yingying? I'm back..."

Su Yifeng was still abroad, Su Jin was also on a business trip, and Su Qi had to follow Su Nan home.

The two pulled to the door, Su Nan reluctantly said

, "Uncle the housekeeper cleaned up your house two days in advance, why do you have to live with me?"

Su Qi pinched her ear, I can't wait to pick it up like I was a child, "The objection is invalid, my house is a little strange since I haven't lived in it for a long time, and I will live with you!"

Su Nan reluctantly opened the door and entered his fingerprints again. Su Qi nodded with satisfaction. , swaggered in.

As soon as he entered, Su Qi looked at the surrounding decorations, low-key and restrained, but revealed exquisite and expensive everywhere. The diamond starlight

above his head shone brightly, and Su Nan's favorite light Morandi style was appropriately integrated.

"Not bad, as expected from the handwriting of the famous interior designer, Master El. No wonder Dad has said so many times that you are not willing to go back and live with him."

Su Nan poured herself a glass of water, pursed her lips, and ignored the words behind him. That sentence, "Of course, I am so rich, of course I have to choose the best designer."

Su Qi

ignored her, snorted and was about to go in to undress and take a shower, "Don't disturb me to take a bubble bath...I'll go! Tiger—"

He screamed in surprise, Su Nan paused, and ran in quickly.

Seeing Su Xiaohu flopping wetly in the pool, he was having a lot of fun, and seeing Su Qi "roar", there was no deterrence.

Su Xiaohu saw Su Nan at the door, his eyes lit up, he jumped out of the pool excitedly, and rushed towards her, his soft and cute appearance was completely different from just now!

"Mama, I miss you so much..."

Su Nan took a step back, "Stop!"

Su Xiaohu froze in place, suddenly realizing that he was covered in water, shook his shoulders happily, and shook his body. Shuizhu trotted over, "It's fragrant..."

Su Qi, who was stunned in place, was so shocked that he couldn't even say a word, "Why isn't it in the zoo? You bought the zoo?"

After a while of silence, he Realizing, "

You... can tigers speak?"

Su Nan couldn't help but smile, saying that he was the stupidest third brother and that he had wronged him, Su Qi frowned, and after thinking for a few seconds, he suddenly reacted.

He stretched out his finger and pointed at Su Xiaohu, "Fake!"

Su Xiaohu waved his tail at him angrily, "It's a real tiger!"

Su Nan squatted down and touched Su Xiaohu, there was really no water droplets on his body, he was dry and dry. Cool, it's also its own smart system?

He picked it up, looked at Su Qi, raised his eyebrows proudly, "This is Su Xiaohu, my pet, the only little tiger in the world, don't mess with it, be careful it bites you."

Su Nan turned around and left, Su Xiaohu leaned on her shoulder and made a biting motion towards Su Qi, thinking he was ferocious and scary, but accidentally brought Su Qimeng...

"My little four is very capable. Others keep cats, dogs and monkeys, but you dare to keep tigers..."

Such a cute tiger...

Su Nan put it on the sofa,

and it dawdled to the side. In the scarf place, he leaned on the scarf and looked at her, "That person is so handsome, but unfortunately his IQ is too low..."

Su Nan held back a smile, a tiger can see through her third brother's IQ, which is too Failed...

"Do you like this scarf?" She noticed that it liked to sleep on it yesterday, "I'll buy you some more and put them in different places. You can rest anytime, anywhere."

Su Nan thought Then, he took out his mobile phone and called the brand store directly, "Are there any new

styles of Hermès scarves recently?" The latest limited edition, as well as thirteen collectible models, are very popular and classic, and the price is relatively expensive, what occasions do you need to use?"

Su Nan thought for a while, then waved his hand, "Every model needs, Send it directly to my house, my pet likes to sleep on it."

...

Chapter seventy-seven encounter cohabitation

Chapter 77

After seeing the cohabitation, Su Nan hung up the phone and fondly patted the little tiger's head, "Honey, don't worry..." The

brand looked at the number, inside When he checked the reserved address of the phone on the system, he was stunned for a moment and shouted in shock, "Miss Su!"

After a while, Su Qi took a shower and came out. He couldn't wait to see the little tiger. As soon as I came out, I heard the doorbell ring.

"The scarf I ordered has arrived, third brother remember to pay for me..."

Su Nan was lying on the huge and soft round sofa in the living room, teasing the little tiger, without any intention of opening the door, Su Qi was helpless, He could only bare his upper body, simply wrap a bath towel to open the door, while laughing at her, "Follow my brother to have meat, I'll just keep you..."

Opening the door, the voice stopped abruptly, Su Qi's voice His brows became cold in an instant, "Why are you here?" The

good mood was swept away.

Fu Yechuan also didn't expect to see him here, his face was extremely ugly, and his black eyes stared at him coldly, "Why are you here?" It

was obvious that he had just finished taking a shower and left the airport, so did he come here directly?

When they came out of the airport, the photos and scandals of the two of them were all over the sky, and the heat could not be suppressed.

He obtained Su Nan's current residence through various channels, and he planned to come to the door to make it clear that he was willing to make up for the three years he owed.

The condition she put forward last time was Qiao Wanrou and the jade pipe, which one did he choose?

He couldn't make a choice at all, he could only come to the door and ask clearly, if there were other conditions, he wouldn't blink his eyes!

But he didn't expect that these two people were here in broad daylight...

He couldn't help but think, what are they doing?

Su Qi added fuel to the fire with a smile, and wiped his hair with water droplets with a dry towel in his hand, "Why can't I be here? I just live here..."

They even lived together !

Anger and disappointment suddenly made Fu Yechuan lose his cool.

“Who is...” Su Nan heard the movement, not like someone in the store. When he walked to the door and looked at it, his eyes narrowed for a moment.

“What are you doing here?”

It was unexpected that Fu Yechuan appeared at the door.

And the man at the door exuded a gloomy chill, staring at her coldly, with a huge anger suppressed in his eyes.

“Su Nan, are you two living together? What is your relationship?”

Su Nan paused and sneered, “What is the relationship that needs to be reported to you?”

Su Qi smiled aside, “Mr. Fu feels that What is the relationship, that is the relationship, but no matter what the relationship is, you are not qualified to control it, a qualified ex should be as silent as death...”

Fu Yechuan stared deeply. Looking at Su Nan, huge waves rolled in his eyes, his face was tense, and then his eyes swept over Su Qi, and his voice blurted out.

“I’m just asking casually, I’m not interested in knowing, but Su Yingdi has to keep his eyes open. The woman you’re looking at doesn’t look so obedient!”

He didn’t know why he said this. Nan, he found too many subverting impressions.

Perhaps, it’s just the tip of the iceberg.

“What kind of woman am I? It’s not up to Mr. Fu to give instructions. You should take care of yourself...” Su Nan’s face suddenly turned cold, and the corners of his mouth narrowed slightly.

“Looking for someone who is obedient, just raise a dog. Isn’t Qiao Wanrou very suitable for this role? One is a dog owner and the other is pretending to be a dog. You are a natural couple.”

Even if people all over the world are talking about scolding her, Fu Yechuan is not qualified to do so!

His guilt? She doesn’t need it at all.

Fu Yechuan's face was extremely ugly. He clearly had no malicious intentions, but he couldn't explain Su Nan's misinterpretation at all. At this moment, he couldn't understand where his anger came from.

Su Qi was worried that Su Nan would be hurt, and he was fully alert, but when he heard Su Nan's words, he relaxed.

He raised his head and glanced at Fu Yechuan, stretched out his hand to put Su Nan in his arms, and chuckled lightly, "I'm not the same as President Fu, the woman I like can't be told by others, I only believe her words. Fu. If it's all right, let's go back and raise the dog, don't disturb us..."

Su Qi pulled a playful smile from the corner of his mouth, and was about to pull Su Nan back to close the door, when suddenly a small thing under his feet came out, lying on the ground. Shaking on Fu Yechuan's lap, "Baba, you are so handsome..."

...

Chapter 78 Rich and Beautiful

Chapter 78 The rich and the

beautiful were taken aback for a moment. Su Nan was especially angry and felt betrayed. No wonder the people in the laboratory called it a "little traitor". At this moment, it really lived up to its name!

"Su Xiaohu!" She couldn't help raising her voice, and she turned back and returned the hundreds of thousands of Hermes scarves just now!

Fu Yechuan lowered his head with a sullen face, his eyebrows were knitted together, he picked it up with one hand, his voice condensed, "Why are you here?"

Su Xiaohu waved his paws, "Silent gave me to Mama, I like it very much. Oh she, Baba and Mama are a good match, so don't quarrel..."

Fu Yechuan seemed to be thinking about Su Xiaohu's words, Su Qi grabbed the things from his hand without hesitation, and threw them on Su Nan. In his arms, he took a step back and slammed the door shut.

The action is done in seconds, and it's neat and tidy!

"Don't let him touch anything in our house in the future!" Su Qi said blankly, staring at the little tiger in her arms, "Do you need me to train you for a few days?"

Su Xiaohu lay on Su Nan's arms In the middle, she tightly wrapped her arms around her, her voice extremely aggrieved, "Mama, I'm so scared, is he going to tear me down?"

Su Nan's heart softened when she was angry just now, and touched Su Xiaohu He raised his head and looked up at Su Qi, "Forget it, I will find a way."

Since it is artificial intelligence, to change its preferences, of course, manual participation is required.

Su Xiaohu's name for Fu Yechuan must be changed!

It is really intolerable for a moment!

As soon as Su Nan turned around, he suddenly remembered Fu Yechuan who was outside the door. What was the purpose of his coming here?

Forget it, she didn't want to know at all, it was nothing but a jade pipe. Since she couldn't choose between Qiao Wan and a soft jade pipe, don't blame her.

Fu Yechuan, how can there be the best of both worlds?

Su Qi wanted to say something, but Su Nan angrily carried Su Xiaohu and went to the room to call Silent.

The doorbell at the door rang again, Su Qi frowned, Fu Yechuan didn't give up, well, let's take the opportunity to teach him a lesson!

Opening the door, there were six women standing at the door, wearing three-piece professional attire and holding a full of boxes in their hands. Even though they were shocked when they saw Su Qi's appearance, they still showed a professional smile.

"Is this Miss Su's house?"

"Yes."

"This is the latest limited edition scarf in Asia ordered by Miss Su, with a total of 7.69 million. Where do you need to put it?"

Su Qi paused. Depressed and helpless, he moved out of the way, "Put it in the cloakroom on the left."

"Yes." Everyone didn't go in to look at them, and they didn't dare to lift their eyes. Su Qi swiped the card to close the door without blinking, and returned with a cold snort. The room is resting.

Su Nan contacted Silently and went directly to the coffee shop.

Unlike the last time we met, Silent did not wear a serious white coat this time. She looked like an elite scientist. She was wearing a pink sweater, with a ball head tied, her eyes narrowed, and she drank coffee with small sips. So cute.

Seeing Su Nan coming in, she waved her hand, "Su Su..."

Su Nan walked over quickly, "I suddenly called you out and disturbed your work?"

Silent smiled and shook his head, "It's okay, You are someone who knows Su Ming, and you have special treatment!"

Thank you, second brother!

Su Nan smiled, "You added him as a friend?"

Silent nodded happily, "He chatted with me, I sent my design to the circle of friends, he quickly pointed out many mistakes to me, he It 's amazing!"

This second brother is not only a pure technical man, but also has obsessive-compulsive disorder.

"Silently, I'm actually looking for you for Su Xiaohu, oh, it's that little cutie, why is it called Fu Yechuan Baba?"

It sounds awkward to call yourself Mama again.

She didn't want to have anything to do with Fu Yechuan anymore!

Silently lowered his head and smiled embarrassedly.

"When the Little Traitor was designed, there was an extensive aesthetic learning process for the appearance of human beings. As it learned, it liked beautiful women and handsome guys. It has its own preferences. This is a kind of human thought and intelligent design. It was the first time I collided with a spark, so I never restricted it."

"Then why is it Fu Yechuan?" Su Nan was puzzled.

Silently swallowed, "Because he is the most handsome among the rich, and the richest among the handsome..."

...

Chapter seventy-ninth rumors spread

Chapter 79 Rumors abounded

“Don’t say anything, just change it back for me. I feel bad when I hear his name in this relationship with him.”

Su Nan shook his head speechlessly, very distressed.

Silently tangled his fingers, hesitating to say anything.

“Is it impossible to change it?”

Since it was designed by humans, it is impossible that it cannot be changed...

“No, the little traitor’s aesthetics towards Fu Yechuan have reached a sufficient level. For example, to find another person to replace Fu Yechuan’s existence.”

There was a sense of silence in the air, and the two became quiet for a while.

Silent Mo was wrong, who made her think about it for a while, and raised her little traitor too assertively...

Seeing Su Nan frowning and not speaking, Silent Mo coughed, and suggested, “Otherwise, change it to Su Nan. Qi?”

Su Nan was confused, why is it him?

Silently took out his mobile phone, “Look, there are all the photos and scandals of the two of you on the Internet. Everyone is waiting for your official announcement. He looks like Fu Yechuan, what do you think?”

Think about Su Xiaohu Calling Su Qi “Baba”, Su Nan couldn’t stand it, she shook her head decisively: “No!”

But by her side, who else could compete with Fu Yechuan’s appearance?

The two thought about it for a while, and Su Nan tentatively suggested: “Is there a possibility that he would simply hate Fu Yechuan, of course, he could like anyone.”

She was just targeting Fu Yechuan!

Silently meditated for a while, holding his chin in his hands, “It’s not impossible, you can set certain obstacles in its intelligent thinking...”

Su Nan smiled, “That’s great, let’s do it, I’ll take it out right now.”

“No, I’ll just use a computer.”

Silently took out a laptop from the back bag, without any brand marks, I couldn't tell what brand it was made, and it always felt different from the ones on the market. Su Nan remembered that the second brother Su Ming also seemed to have one... After

silently tapping the keyboard a few times, he clapped his hands happily, "Okay, now it's ok."

Su Nan: "It's that simple . ?"

Don't you need to disassemble the parts, look at the wiring board or something?

Nodding silently: "It is inherently intelligent, don't take it as a real tiger, by the way, in order to avoid causing social commotion, it is best not to let it be exposed."

The bottom line of cute and cute female scientists is always rational. , she happily picked up the phone again, "I'm going to tell Su Ming about this..."

Su Nan: "..."

Yu Lou has already called more than a dozen times. There is really no way to hide, Su Nan can only drive to the company.

After getting off the car, Yu Lou was waiting there, and hurried up to meet him.

"Vice President Su, about the scandal between you and the actor Su, do you need the public relations department to come forward?"

Su Nan glanced at the information on the Internet on the way and said everything, but she didn't care.

After thinking about it, if it is not stopped, it may have an impact on the company.

"I'll call Du Yan, the company doesn't have to come forward."

"Yes." Yu Lou breathed a sigh of relief, "And..."

He hesitated for a while.

Su Nan glanced at him, "Speak straight."

Yu Lou pursed his lips, "There has been some gossip in the company for the past few days, and it's all spread internally, which is a bit ugly."

"Tell me? Say me. what?"

Don't even think about it, it must be Su Nan's own scandal, otherwise it will make Assistant Yu so embarrassed?

"It's said that you divorced because you were entangled with Cheng Ershao, while being taken care of and supported by Mr. Su, while also hooking up with other men. In fact, you were kicked out by the Fu family..."

Su Nan laughed angrily, "Did Mr. Fu do it?"

It was he who proposed to make a fuss about Su Nan's private life. I didn't expect that his character was really inferior, so he actually did it?

"No."

Su Nan was surprised, and said in the building, "It's Lin Shuang."

There was silence in the elevator, Su Nan's face gradually turned cold, and he sneered, "She still doesn't understand her situation, and she still Are you in the mood to jump around?"

...

Chapter 80 Get Out

Chapter 80 Get out

of Yu Lou for a while, "Originally, Mr. Su planned to go back to China and clean them up, but if you want to do something, I can get things ready."

Anyway, the evidence is in hand, hand it over to the relevant department, Lin Shuang It's a dead end.

The elevator opened, and people passing by greeted Su Nan cordially.

Su Nan smiled, responded one by one, went back to the office, and curled the corners of his lips, "Go check her recent movements, I want her to have a memory."

"Recently, she went with some rich wives and daughters. I heard that I will go to a party salon tonight."

Su Nan raised his eyebrows, "Send the address to my mobile phone later, and I will join in the fun."

"Yes." Yu Lou wanted to find out these It's not difficult, Su Nan glanced at him, "If you have nothing to do, just go out and tell big brother, I'm going to do it."

“Okay, Vice President Su.”

Su Nan sat for a while and then hit Du Yan. A phone call, Du Yan’s voice is particularly familiar.

“Miss Su, are you going to debut?”

He was laughing at her exclusive popularity, Su Nan rubbed his eyebrows, “Press it down, it’s my brother who screwed up...”

Du Yan He smiled and said, “I think it’s your brother who cares for you. I found Mr. Fu’s picture in so many photos. He wants to be mad at Fu Yechuan...”

How could Fu Yechuan be with others because of her? Men get angry together?

Su Nan paused, “I don’t want to be in the same frame with him anymore, Mr. Du, please...”

“What did Miss Su say, just tell me what you told me, and I’ll do it.” Du Yan smiled. I smiled, I was still doing things under her hands, of course I needed some dog legs.

After hanging up the phone, Su Nan saw the address that Yu Lou sent to her mobile phone, which was quite familiar. It was in a high-end club near the “One Ting” bar.

Coincidentally, she has a member.

Fu Group.

In the president’s office, Fu Yechuan stood in front of the floor-to-ceiling windows, watching the busy traffic downstairs, and his irritability gradually subsided.

Thinking back, what can you do in such a short time from the airport to your home?

He just saw Su Qi appearing at Su Nan’s house, and he felt that there was something wrong with the two of them. Maybe it was a misunderstanding?

However, the popularity on the Internet has not diminished at all. Some people scolded Su Nan for being disrespectful. He hooked up with Su Qi just after the divorce. Maybe there was a problem before the divorce...

Su Qi’s fans are also divided into two, and some support Su Qi. Qi is in love freely, and has the courage to declare his happiness and women, and there are those who do not support it. They think that Su Nan’s divorce is tainted, and he is not worthy of Su Qi...

Some people say that Su Nan has a romantic nature and married into a wealthy family. I was still restless, and finally got divorced because I got the secrets of the rich and powerful...

Those so-called exposing and digging deep inside the news are completely out of nothing!

Fu Yechuan laughed angrily, what's the inside story?

If there is an inside story, do they deserve to know?

Assistant Chen Mian knocked on the door and came in, "Mr. Fu, there is a document that needs to be signed..."

Fu Yechuan's eyes were deep, "Go and suppress the heat about the airport on the Internet..." After a pause, he added Said: "So as not to let people dig up some black material that should not be dug up, and also affect Fu's stock price."

Chen Mian was a little surprised, but he quickly reacted, "Yes, President Fu, I will deal with it now. After a

while, he knocked on the door again, and said hesitantly, "Mr. Fu, the popularity of the Internet has dropped, and the news about Miss Su has disappeared..."

Fu Yechuan paused, so fast?

"I haven't had time to contact the media and platforms, it seems that the other party did it."

"Who?"

"I asked a big V. It was from President Du Yandu of Huaying Entertainment."

Chen Mian looked at Fu Yechuan's face cautiously. He spoke again, even breathing carefully.

Being one step ahead, although the result is the same, Mr. Fu doesn't seem very happy...

"Get out..." Fu Yechuan spat out a few words between his teeth.
