Chapter seven hundred and sixty first lame

Chapter 761 The little lame

murderer came to kill Su Nan for his daughter, and Su Nan survived because of his life.

But what if you don't escape?

What if Shang Qian didn't show up in time?

Su Jin just didn't want to waste a penny on the murderer's family!

Su Nan was silent for a few seconds, knowing that they were so unwilling to do so for themselves.

Otherwise, with Su Jin's character, it might have been solved with money long ago.

Money is their weakness, extortion and extortion, and the murderer's wife can be sent in for any crime.

But he didn't do it, he just wasn't reconciled.

Su Nan pursed her lips, and her beautiful eyes also darkened.

"Brother, this money can establish a positive image for us and lay the foundation for the project in S City. It's worth it."

She is also a businessman and can measure the pros and cons in the shortest possible time.

What is this money?

Su Jin knew that she had made up her mind and did not stop her.

"Okay, since you've decided, let's do it this way, but one thing is, you can't leave the hospital for half a step, and let someone else do it for you if you want to."

Su Nan's face raised a smile.

"Of course, I don't want to be a little lame in the future."

Su Jin smiled, the two of them said a few homely things, and then hung up the phone.

After a while, someone knocked on the door.

Su Nan thought it was the doctor who came to round the room, without raising his head, "Please come in."

A chubby figure stood in front of him, and he grinned at Su Nan.

"Miss Su, long time no see, I really miss you!"

Su Nan froze slightly, "Big cousin?"

Wu Tutu!

Why did he come here suddenly?

Wu Tutu gained another round of weight, and there was only a slit left when his eyes narrowed, but it did not affect his agile movements at all.

He quickly put the things in his hand on the small dining table beside Su Nan.

"I heard that you are ill, so worry about me, because of our friendship, I have to come and see!"

Su Nan curled her lips into a smile, hiding her confusion and embarrassment.

She didn't even know that she still had friendship with Wu Tutu?

Wu Tutu handed her chopsticks without hesitation.

"I made this myself, low-fat nutritious meal, beauty and beauty, complete nutrition, you can try it..."

Su Nan raised her eyebrows. She could trust Wu Tutu's craftsmanship, otherwise she would not Will tolerate that when Fu Yechuan was injured, he lived in Jingyuan for so long.

He has always grasped the thoughts and concerns of girls very well, he will not be high in oil and fat, and the food he makes is also full of color and flavor!

Although she was surprised by his sudden arrival, there was a table of snacks in front of her, and for a while, she was really hungry.

Thinking about it, she was not polite, she took a bite of a crab roe bun in front of her, and the fresh and thick soup was absolutely incredible!

Su Nan's mood suddenly relaxed and pointed to the chair opposite.

“Sit down...”

Wu Tutu was also polite, sitting on the side, putting on gloves, and tearing up the roasted beef slices for her, which were crispy and crispy.

He sighed unintentionally: “We, President Fu, haven’t slept

well for several days, and sometimes we sleep directly in the company. I feel really distressed when I see it!”

.

Su Nan frowned and looked at him:

“He’s trying to make money. He can earn tens of millions a minute. Why do you feel bad for him?” With

a salary of tens of thousands of yuan, worrying about people who are worth hundreds of billions of dollars?

Wu Tutu froze: “...”

For a moment, his heart was blocked, and he didn’t know what to say next...

...

Chapter seven hundred and sixty-two false flattery

Chapter 762 Hypocritical Flattery

He opened his mouth and was silent for a few seconds.

After a while, he slowed down, not forgetting his mission.

“Mr. Fu is not for anything else, but for you, Miss Su!”

Su Nan’s crystal clear eyes paused, as if she understood Wu Tutu’s intention.

At the moment, I didn’t break it, smiled, and continued to eat.

Wu Tutu saw that she had no more words, so she had to say it abruptly!

“On the day of your accident, Mr. Fu didn’t sleep for two consecutive days. As soon as he got the news, he ran to S City like crazy, but when he came back, his whole person changed.

” After a slight pause, her heart trembled uncontrollably.

On that day, when she woke up, she clearly did not see Fu Yechuan.

How could he possibly go?

Wu Tutu: “Later, he came here, and after he went back, he couldn’t hold back and fainted. It was just in time, and he went to the company again to keep his busy feet off the ground.

In fact, he wanted to see you, But when I talked about it, he said...you don’t want to see him.”

He raised his eyes and glanced at Su Nan secretly.

She chewed and swallowed slowly with a calm face, and her manners were gentle and elegant, and even the movements of eating were so beautiful.

Wu Tutu frowned, why is Miss Su not worried or soft-hearted?

What he said was already full of emotion and emotion!

He pursed his lips, made up his mind, and continued:

“I have never seen such a lost soul, Mr. Fu, as if he had lost his soul... Being fond of thinking about such an excellent man, if it were me, I’m really happy to die!”

Su Nan couldn’t help sneering and looked at him with flickering eyes.

“Big cousin, I’ve always been curious. Fu Yechuan’s standards for employing people have always been very high. Chen Mian is a top student who graduated from a world-renowned university ranked in the top ten in the world. With outstanding ability, he can stay by his side.

Big cousin, you are not a professional . The counterpart, but has been his housekeeper, is it just because you are Chen Mian’s eldest cousin?”

She said it was euphemistic enough.

All aspects of Wu Tutu’s standards did not meet Fu Yechuan’s employment needs.

Before the divorce, even if she was a housekeeper or a cook, Fu Yechuan dismissed countless people on the grounds that her appearance was not pleasing to the eye. In the end, the housework still fell on her own.

Why is it that Wu Tutu, who is not outstanding in appearance and ability, has been kept by Fu Yechuan's side?

Or, what's so special about him?

Wu Tutu paused, his expression confused.

But he was like a mirror in his heart, of course, because he could come up with ideas for Fu Yechuan to chase women.

But he can't say it!

Fu Yechuan must not be betrayed!

He scratched his head, showing that he was also puzzled by this question.

"Maybe, I am outstanding in life ability, I am too good?"

Wen Yan.

Su Nan was stunned, looked at him in shock, and then nodded with a smile.

"Well, it must be like this!"

Hehe...

fooling the ghost?

However, she had no interest in continuing to explore. She didn't want to ask more about Fu Yechuan's people.

Wu Tutu smiled, and then began to introduce his cooking talents.

He didn't pay attention at all, the topic of selling miserable for Fu Yechuan has been taken away by Su Nan...

After Su Nan finished eating, Wu Tutu neatly started to clean up, it was clean and spotless, and it looked good. Really professional.

When he left, he was talking about how hard he was practicing cooking in the school cafeteria.

But Su Nan was tired, so he could only leave with the garbage.

When he got downstairs, he realized that something was wrong. Why was he always talking about his own affairs and Fu Yechuan's affairs?

...

Seven hundred and sixtieth chapters Shang Lianhua

Chapter 763 Shang Lianhua

Wu Tutu suddenly realized that this trip was in vain!

When he walked to the door dejectedly, he suddenly saw a familiar man walk in. He was tall and warm like jade, giving people a feeling of gentleness and closeness, but he didn't eat fireworks.

He paused, and suddenly remembered, this is Shang Qian!

What a beautiful, graceful and pretentious Shang lotus flower!

Wu Tutu was anxious like an ant on a hot pan, and wanted to go back, but reason told him not to.

His words and deeds represented Fu Yechuan, so Miss Su couldn't be made to hate Fu Yechuan any more.

Wu Tutu left quickly and ran directly to the Fu Group.

Fu Yechuan's temper has been very bad recently, quite bad.

The people below are all trembling, not knowing why Mr. Fu's temperament has changed so much.

Even Chen Mian, a confidant, tried his best to avoid taking the initiative to find him.

Wu Tutu ran over panting, and Chen Mian glanced at him, "Why..."

Wu Tutu pointed to Fu Yechuan's office, "Is Mr. Fu there?"

Chen Mian nodded.

Wu Tutu said and knocked on the door.

Hearing a deep "enter" inside, he pushed open the door and entered.

"Mr. Fu, I'm back!"

Fu Yechuan raised his eyes, his eyes were deep and dark, "How is she recovering?"

If Su Nan refused to visit him, worried that she would be angry, the trouble would become more rigid, and it would not be conducive to her recovery. No matter how busy he is, he still wants to visit her every day.

He didn't see her day by day, and his heart was like an ant biting, and it was terribly uncomfortable.

There is nowhere to vent the anger, it can only be held in my heart.

Fortunately, there are always people in the company who do not live up to their expectations and are rushing to scold!

Wu Tutu pursed her lips, "Miss Su is recovering well, but due to her physical condition, the doctor has limited the number and time of visits, so many people can't see it..."

This is what he gave Fu Yechuan found a good reason.

It wasn't just him who was rejected...

Fu Yechuan looked at him sternly, put down the precious pen in his hand, and said in a cold and dignified tone,

"I rejected unnecessary people, didn't you all go in? "

Wu Tutu is heartbroken, Fu Yechuan is not easy to fool.

He coughed, remembering what he had come up with on the road, a smile on his face.

"Mr. Fu, I have a way to let Miss Su see Shang Qian's true face!"

Fu Yechuan looked at him sharply with falcon-like eyes, and when he heard the name "Shang Qian", he panicked.

Why didn't he kill him with that punch?

He looked at Wu Tutu, waiting for him to speak.

Wu Tutu couldn't wait to share his good idea:

"Mr. Shang has been in the capital circle for so many years, and he will not be without a woman, his son's mother, his former girlfriend, his current confidante, and his family's friends. The marriage partner he arranged..."

If there are rumors about his own peach blossom scandal, will Miss Su look at him more?"

Fu Yechuan was slightly startled, holding the pen in his hand and tapping lightly on the table.

Makes sense.

At the beginning, he was just a man, using a straightforward method to let him retreat, and let him see his own power in Shang Qian's career.

But the effect was minimal.

But in terms of private life, Shang Qian even has a son, how can his past be clear?

With Su Nan's character, she absolutely disdains robbing a man from another woman.

Thanks to Wu Tutu, to think of such a roundabout and effective method is simply a hit!

Looking at Fu Yechuan's reaction, Wu Tutu knew that his method was great!

...

Chapter 764 What a kind President Fu

Chapter 764 What a kind President Fu

Wu Tutu Although there are many methods, his abilities are limited.

Especially for someone with a status like Shang Qian, wanting to find out his dark history is not something he can touch.

But for Fu Yechuan, it was not difficult.

At the moment, he was not in a hurry, and looked up at Wu Tutu:

"What she likes to eat, you go to buy the ingredients, I will learn to make it when I go back tonight."

As a good man who has changed his mind, Fu Yechuan is true to his requirements. Don't let it go.

From the hall to the kitchen, he must make himself perfect.

Any little corrections are for her.

Wu Tutu's body stiffened when he heard it. President Fu is going to cook again?

Why waste that new kitchen again and again?

But what he wanted to stop could not be said. Mr. Fu was obsessed with wanting to be a “virtuous man” in a family, and did not agree with his failure and lack of talent in cooking.

He pursed his lips and sighed.

“Okay, Mr. Fu, I’m going to prepare now.”

It seems that the contact person has to buy a new set of kitchen utensils.

After Wu Tutu left, Fu Yechuan picked up the phone, called the private detective in country M, and asked a few words.

Hearing a knock at the door, he raised his eyes and hung up the phone.

Feeling visibly happy.

The person who came was the manager of the project department. He came to Fu Yechuan’s office with trembling determination to die.

“Mr. Fu, the matter has been clarified. It was because the project department did not review rigorously, and the construction period was delayed by a month.” It was a month short of what

Fu Yechuan wanted, which had disrupted his original arrangement.

The last project manager was kicked out of the Fu Group by Fu Yechuan because he was delayed for a week.

And he is a month!

Hearing this, Fu Yechuan’s eyes flashed a trace of sternness and coldness, which made people horrified.

After a few seconds of silence, the manager was ready to meet Fu Yechuan’s thunderous wrath.

Fu Yechuan’s tone was deep and his voice was extremely cold:

“Forget it, it’s just a month, it’s not an example.” The manager was stunned and looked up at him in shock.

Did you not dream?

Doesn’t it mean that President Fu is in a bad mood?

Doesn't it mean that whoever meets whoever dies?

Did he even say it?

What kind of shit did he step on?

"Thank you, President Fu, I will go back immediately and supervise myself, I will not disappoint you!"

What a kind President Fu...

Fu Yechuan waved his hand irritably.

The manager left the office with a wink.

Chen Mian watched in amazement as the manager came out with a smile on his face. This was a rare thing that had never happened before.

"Chen Zhu, hard work, I'm going back to work!" The

manager sorted his clothes, smiled, and left.

Chen Mian: "... In the

hospital.

Su Nan was still very happy about Wu Tutu's departure.

Although this person has neat hands and feet, he is so talkative that she has a headache.

As soon as she took out her phone so that Su Qi didn't have to come to deliver food, she heard a knock on the door.

Very regular, calm and quiet.

She seemed to know who was standing outside.

"Please come in."

Shang Qian pushed open the door and came in. He was tall and graceful, modest and gentle. His dignity was engraved in his bones, and people couldn't ignore it.

"I didn't disturb your rest, did you?"

Su Nan smiled, "No."

Shang Qian held a pink food box in front of her, and said in a gentle voice:

“Are you hungry? My chef’s craftsmanship of Chinese food In general, if you are hungry, you can make do with two?”

Su Nan looked at him apologetically, smiled, embarrassed:

“I just ate...”

Shang Qian took a meal and opened it. The movement stopped and the lid was closed again.

“Okay, then don’t torture your palate.”

...

Chapter 765 The most expensive orange

Chapter 765 The most expensive orange

came from somewhere, Shang Qian suddenly took out a round and beautiful orange, which looked fresh and beautiful and extremely attractive.

His eyes were soft and his voice was soft, “This is for you.”

Looking at the orange in front of him, Su Nan was stunned for a moment.

She has received countless gifts, including gold and silver jewelry, diamond necklaces, and luxury items that are more expensive than each other...

But this little orange, with a lustrous sheen on the surface, accidentally entered her heart .

Somewhere in her chest, there was a slight tremor.

softened.

Before eating it, it tasted sweet and sour.

She reached out and took it, trying to ignore the mood swings in her heart.

Looking at him calmly, he smiled politely:

“How come there is a little orange?”

“When I was parking just now, an uncle who sold oranges accidentally rammed the tricycle into my car door. He was a little scared and I asked for one. Xiaochengzi as compensation.”

Shang Qian said with a smile, his voice was like a trickle, nice and moving.

Su Nan heard that his car is a low-key luxury car, and the repair fee alone costs five figures, so he just took a small orange to pass away?

But this is more like Shang Qian’s character, kind and gentle.

She raised her eyebrows, “Then this little orange is the most expensive orange in the world!”

Shang Qian agreed with it, “So I’ll give you a taste first, what’s the difference?”

His gaze, looking at Su Nan Face is a little hot.

She turned her head away and looked at the blue sky outside the window, cloudless.

“Wait for half an hour before eating. If you eat fruit right after dinner, you will die...”

Shang Qian frowned slightly, suddenly remembered something, and took out his mobile phone.

“By the way, little Mike has wanted to make a video call with you since the day before yesterday. Do you want to see him now?”

He respected her opinion very humbly.

Su Nan nodded as a matter of course, “Of course.”

She had long missed this clever little Mike.

Shang Qian found the video software, and after a while, the handsome little face of Little Mike appeared in front of him.

“Daddy, people miss you so much, can they see you?”

Little Mike acted like a coquettish aggrieved.

Shang Qian twitched the corners of his mouth unmoved, “No...”

Little Mike’s routine, his old father knew better than anyone else.

Does he miss himself?

What he thought was clearly Su Nan!

It is absolutely impossible for little Mike to pester Su Nan all day long and say bad things about his old father from time to time.

Su Nan couldn't help but smiled and stretched out his hand, "I'll take a look at him..."

Shang Qian handed it to Su Nan, and as soon as Su Nan's face appeared, little Mike jumped up in surprise.

"Beautiful sister!"

Su Nan smiled, "Little Mike, are you very good?"

"Of course, I recently won the championship of the World Youth Intelligence Conference. I am very good."

He is usually very low-key, but when he sees Pretty sister, little Mike couldn't help showing off his excellent grades.

He was selected from the children's group into the youth group.

The youngest champion is already eye-catching in the industry.

Su Nan complimented him a few words, little Mike fluttered, and his tail was about to go to the sky.

Shang Qian sneered aside, how dare you say this result?

Hearing Shang Qian's voice, little Mike immediately became unhappy.

"I'm whispering to my beautiful sister, please leave the irrelevant people!"

Hehe, his old father has become an irrelevant person?

Shang Qian was furious, but Xiu Yang told him not to be impulsive.

When you have a chance, you must rush to the other side of the Atlantic to teach him a lesson!

, Shang Qian. Helplessly, I stood up and tidied up my clothes:

“Okay, then I’ll go get some air.”

Su Nan waved his hand and looked at little Mike, really wanting to touch it A touch of his fluffy hair.

“Little Mike, Daddy loves you so much, he will be sad if you do this!”

Little Mike pouted, he wouldn’t!

“But they want to whisper to the pretty sister alone.”

Su Nan couldn’t bear to speak to him immediately.

What’s wrong with such a cute baby?

“Okay, then let’s talk about your daddy, what do you think his strengths are?”

Little Mike thought hard, this question really stumped him.

Does his daddy have any advantages?

Every time he finished talking about the good baby, he would immediately ask the tutor to teach him a lesson.

This sweet routine has become unsweet.

But if he doesn’t say it, the pretty sister will think that he is not a good baby.

No, for the sake of your own image, you have to brag about Shang Qian!

Su Nan smiled, what a great opportunity to witness their strong feelings.

Little Mike pouted and thought hard:

“Daddy has too many advantages, for example...he looks good, girls like him, but everyone likes me more!”

Su Nan couldn’t help laughing. When complimenting others, he didn’t forget to bring himself.

Such a cute little kid!

“anything else?”

Little Mike: “He’s rich, he can’t spend it all, but I’ll be richer in the future!”

Su Nan nodded in agreement.

What a self-motivated good boy!

“What else?”

Little Mike curled his lips, “He likes you very much.”

Su Nan paused, but before he could react, Little Mike immediately turned red with grievances.

“But I like you more, and the person who likes you the most is me...”

Su Nan was still slightly shocked just now. Seeing little Mike’s reaction, the complicated emotions disappeared immediately.

She quickly responded, “Of course, my sister also likes you very much, we have to be strong men...”

Little Mike’s crying stopped abruptly, as if he was acting.

He nodded solemnly, “I know, Susan said, oh, Susan is a friend who takes care of me.

When I grow up, Daddy will become an old man, no little girl likes an old man, who doesn’t like a young man What about the little fresh meat?”

So, his advantage is still great.

Daddy and him are not comparable at all!

Su Nan smiled, what an innocent and lovely child!

She couldn’t bear to tell him that with Shang Qian’s conditions, even if they were seven or eighty years old, those little girls were very willing to pounce.

“Yes, yes, you are right!”

Su Nan comforted him, let him grow up healthy and happy!

Little Mike was overjoyed when he saw that Su Nan agreed with him.

“Beautiful sister, don’t be fooled by Daddy’s sweet words, men can’t believe it!”

Su Nan smiled helplessly, and little Mike added:

“But Daddy is better than the bad uncle, hey... I’m really too young!” The

bad uncle is Fu Yechuan, and he has always called Fu Yechuan by this name.

Su Nan paused, “You go to school abroad, you have to take good care of yourself, study is very important, but the joy of life is more important.”

She had long seen that little Mike’s IQ surpassed that of children of the same age, so she participated in the competition at a young age. All competitions are stressful.

She said this to make little Mike relax a little, not to be too tired!

Little Mike nodded heavily, it was the beautiful sister who was the best to him!

Chapter 767 As the scumbag man

was talking, Shang Qian came in from outside, looked at her with a smile, and lowered his voice without deliberately.

“There is an urgent meeting, I have to go there...”

Su Nan nodded, said goodbye to little Mike, and returned the phone to Shang Qian.

The moment the page exited, she saw a clean blue sky and white clouds on his screen.

It fits his character very well, pure and gentle.

Unlike other men, the phone screen is always full of sexy pictures of beautiful women.

This detail is a plus.

Shang Qian took it, put it in his pocket, and looked at her with nostalgic eyes:

“Next time I come over, let me know what you want me to bring.”

He was happy to run errands for her.

Su Nan smiled, “Okay, I won’t be polite.”

Shang Qian stared at her gently, suddenly stretched out his hand, couldn't help but touched her hair lightly, then retracted it in time.

He turned around and left, for fear of seeing Su Nan's indifferent and distant eyes.

...

the next day.

Su Nan routinely checked his emails in the hospital and replied a few anxious ones.

Then wait for Su Qi to bring her breakfast.

When Su Qi came, Su Nan was looking at the iPad, and a hot search suddenly broke out on the latest headlines. The specious titles such as "Well

-known Investors Deceiving Emotions" and

"Well-known Investors Playing with Women" make people can't help but click in and take a look.

But after a cursory scan, I didn't see what the name of this well-known investor was...

Su Nan frowned, exposing someone who didn't name his name, could that be called exposure?

Pointing at netizens to guess?

When Su Qi came, he saw her gossiping with great interest and smiled, "It's time to eat!"

Su Nan gave an "um" and looked up at him:

"Who is this 'well-known investor' on the Internet, let's Do you know?"

Su Qi raised her eyebrows, and said meaningfully:

"If you look closely, you will know."

Su Nan frowned and opened the web page again, this time not looking roughly, but looking carefully line by line.

The person who wrote this gossip is the ex-girlfriend of this "well-known investor".

After the man chased after her sweetly, he lost interest in her and announced his breakup unilaterally.

But this man enlarged the woman's belly, worked so hard to give birth to the child, and was carried away by the man.

Not even seven years old this year.

This woman made this man into a big liar who cheated on his feelings, and liked to chase women who couldn't get it.

Once obtained, he will be severely abandoned by him.

Right now, he is having a hot fight with a rich woman...

The following comments are also very lively:

"Please ask for the real name, I am willing to use 100,000 netizens to hammer the scumbag to death!"

"The big liar who deceives feelings, let I think of my ex-boyfriend, this kind of person doesn't deserve true love!"

"You don't even let your children go, you're going to file a lawsuit, why would you take your children away!"

"A dog man doesn't have a good thing, so go to hell! "

...

The woman has attached a few pictures of her with the man.

The woman didn't play mosaic, she looked hot and had a good face.

The man, on the other hand, is tall and slender, with a distinguished temperament. He doesn't look like an ordinary businessman, but has a bit of academic elegance.

The man's face was slapped with mosaics, and it was impossible to tell who it was.

But it doesn't look too bad, and this figure is enough to cause many people to covet.

Su Nan frowned and looked at the comments below, all scolding the man.

That woman is in a weak position, and naturally it will arouse the sympathy of many people.

But there is no truth, just based on the words of a family, convicting a man like this?

...

## Chapter 768: Black History Exposure

Chapter 768 The exposure of the black history

on the Internet has happened before.

But it was a married cheating mistress, with pictures of transfers, chat records, and evidence in front of her eyes. Under the emotion of voice and tearful accusations, the sympathy of netizens overflowed, and they hammered the scumbag to death together.

But this person's report is completely far-fetched, there is no transfer, no chat history, only a few vague photos, and the rest are her own words.

I don't know why, this hot search is inexplicable.

Su Nan also felt that something was wrong in his heart.

The figure of this man was vaguely familiar.

Inexplicably familiar.

Su Qi chuckled and looked at Su Nan who frowned, "Can you see who it is?"

Su Nan threw the iPad in his hand, picked up the spoon and started drinking the soup.

"It's a mosaic, how can I see it?"

Su Qi couldn't help but smiled, looking at her meaningfully:

"It's Shang Qian."

Ding Dong – the

spoon fell to the ground and broke into two pieces.

Su Qi frowned, bent down to pick up the spoon, and muttered, "I just took a spoon..."

Su Nan's eyes widened, and those beautiful eyes were full of disbelief.

"Third brother, what are you talking about?"

No wonder this damn familiarity!

In her subconscious, she never linked this person with Shang Qian.

But the people in this photo are clearly the same.

how could be?

Su Nan's heart kept sinking, as if a stone had fallen into the sea, sinking infinitely.

She didn't believe it, but the facts lay before her.

For a moment, the brain was a mess.

Su Qi found a spoon from elsewhere, washed it before taking it back.

He sighed.

"I also can't believe it. I found it after a lot of searching. This kind of non-entertainment news is hotly searched, and the platform will definitely seriously review the identity of this scumbag. It happened that I had a good relationship with their senior management, so I asked.

This woman is going for Shang Qian." Su

Nan's eyes shrank fiercely, "Why?"

"Why?"

Su Qi smiled, "It's not for people, it's for money, why else?"

This Sister, it is really simple!

But he didn't have much hope for Shang Qian.

After all, Shang Qian's background is not in country Z, and his relationship with Su Nan has not reached the point of investigating his background.

Therefore, without knowing his past experience, Su Qi is not surprised by any of his past.

On the surface, people who are suave and elegant, but dirty and filthy behind their backs, are not uncommon in shopping malls and entertainment circles.

Shang Qian approached Su Nan with purpose, but fortunately Su Nan didn't have any real feelings for him.

He saved Su Nan, and they were grateful.

But that doesn't mean that the Su family can make a bet on his black history at will.

Two different things can be distinguished.

However, Su Nan was obviously in a state of shock, and he still hadn't reacted.

He walked over and tapped her forehead with his hand.

"Don't be stupid, Shang Qian is just a foreign investor. He has a high status abroad, but he doesn't have so many interests in China, so the platform has no concerns. It's

all for popularity and traffic, and there are people behind it. After adding fuel to the flames, I posted it."

Su Nan picked up the iPad and continued to read.

Half true, half false.

According to what she knew about Shang Qian, she couldn't guarantee that it was all fake.

But what Shang Qian said to her before, she was willing to believe it was true.

Today, the woman on the Internet is still debunking his inside story, as if to pull him off the altar and drive him out of country Z...

...

Chapter 769 What he did

Su Nan frowned, "Third brother, can you..."

Before she could finish her words, Su Qi knew what Su Nan meant, and her smile sank slightly.

"Do you want to accuse reviews and withdraw hot searches?"

Su Nan pursed her lips, "No matter how much money you spend, you have to withdraw it. The Internet is not a place outside the law

. Believe this woman? But I think it's at least half true.

You see Mike is about as old as this woman says, and he's chasing you now..."

Not exactly as the woman described it Is it so persistent and affectionate?

Shang Qian, maybe there is really a hypocrite behind it!

Su Nan lowered his eyes, and his face finally returned to normal calm.

She pulled the corners of her lips, evoking a sneer.

“It’s true or not, it’s not a question of whether we believe it or not, but the third brother, he saved my life.

Moreover, the previous project of Juli Group had an accident, and the public opinion of the smart technology company in country M was created by him. He helped vortex, It will be so smooth.

Do we have to sit back and watch?” It makes no sense to pretend not to see.

In China, Su Nan is probably Shang Qian’s only friend.

He is weak, and has to rely on himself to prove his innocence?

Even if it were true, taking a step back, they were still friends.

Su Qi sighed and understood what Su Nan meant.

“Okay, I’ll contact there, suppress public opinion, and send another gossip in the circle, which should be enough to divert attention.”

Su Nan smiled, “Well, the third brother’s ability is not blown out.”

Su Qi snorted coldly, “Stop flattering!”

He walked out with his mobile phone, preparing to call the media platform.

Su Nan sat there and was silent for a moment, not knowing what to think in his heart.

Just after a while, Su Nan picked up the phone, opened it, and closed it again.

The bottom of my heart is calm.

I don’t know what to expect, but fortunately there is nothing.

after an hour.

The popularity on the Internet suddenly boiled over. A female star climbed onto the director’s bed and was caught by the director’s wife. The scene was so hot that it was hard to describe.

In that video, even Mosaic was not played, and the red fruit was seen by everyone.

In minutes, it has been forwarded more than 10,000 times.

And the hot search for “hammered scumbag” disappeared so silently.

After all, everyone is more familiar with the entertainment industry, and is far more interested in a “well-known investor” who does not know who it is.

Even Su Nan heaved a sigh of relief.

Fu Group.

Fu Yechuan was not surprised by what was on the hot search, but the Su family took action and withdrew so quickly, he was still a little uncomfortable.

Is Su Nan just protecting him like that?

However, this effect has been achieved. He did not do it for netizens, nor did he want to make Shang Qian ruin his reputation in this way.

He just wanted Su Nan to realize the hypocritical face of this Shang Qian, and planted a seed of doubt in her heart.

If there is a gap between them, there will be no future.

Fu Yechuan was talking on the phone in the office, “This is the end of the matter, implement the second plan and bring people to Shang Qian.”

He should die!

Chen Mian made the minutes of the meeting and watched Fu Yingying arrive at the door of Fu Yechuan’s office.

He trotted over, “Miss Fu, are you looking for President Fu?” Fu

Yingying was startled, “Yes, the old man asked me to come to my brother and go back to the old house for dinner in the evening.”

“Okay, wait a moment.”

Fu Yingying What came to mind, “Chen Zhu, tell my brother, I’m a little afraid of him recently, I dare not see him, I’m leaving...”

Chen Mian can understand, after all, what Mr. Fu did, to her For an eldest lady, it’s a bit heavy.

After Fu Yingying finished speaking, she waved her hand and left, with a hint of revenge in her eyes...

Chapter seven hundred and seventieth who did good deeds

Chapter 770 Whoever did good deeds

This day has not passed yet.

At night.

Gossip in the entertainment industry has been hotly debated and omniscient. The director and female star came out to apologize, and netizens yelled at them.

But surprisingly, the exposure of well-known investors suddenly appeared again.

Put the name and identity of "Shang Qian" on the Internet, and then bought a wave of hot searches.

The first and second most popular searches, you can't ignore them.

And "Shang Qian" was picked up. The man who was on the hot search with Su Nan before, then the rich woman he was pursuing was Su Nan.

Once Su Nan is involved, it will be even more difficult to suppress this enthusiasm.

Seeing this, Su Yifeng and Su Jin came to the hospital in person before they dug more, and brought Su Nan back to the Su family.

Otherwise, if the reporters turn around and block the hospital, the situation will not look good.

Su Qi said hello in advance, and Su Nan's name could not appear on the hot search.

But everyone's private speculation has not diminished, and Su Nan's name appeared the most in the comments.

Su's house.

Su Yi was sitting in the living room with vigor, his face was ashen.

He originally didn't pay much attention to the things about Shang Qian on the Internet.

The woman who suddenly appeared was also suspicious.

But now that his daughter was involved, he couldn't sit still, and even Shang Qian disliked it.

"Who did it, there was no response from Shang Qian, where did he hide?"

Su Qi glanced at Su Nan and pursed his lips.

"No news, this kind of thing is not good, let's go to him. I have done everything I can, but I just cancel the hot search twice a day. It's too obvious and will attract the attention of others."

"Your circle is full of smog, how innocent your sister is, and you still have the face to speak sarcastic words here?"

Su Yifeng snorted coldly, looking at him with a casual look, he was not angry.

Su Nan smiled helplessly.

"Okay, it's all nonsense, we haven't done anything, why are we so guilty?"

Su Yifeng's face was ugly, but he was still staring at the public opinion on the Internet.

"Things are getting more and more outrageous, and some of them have started to say that you are a junior. It's ugly!"

Once the public opinion on the Internet has fermented, it can no longer be controlled.

Netizens prefer to speculate in unbelievable directions. The more malicious they are, the more curious they are.

It was as if he had discovered some great secret.

"Su Nan didn't agree to Fu Yechuan because of this Shang Qian with a child? Quickly see the true face of this scumbag!"

"Su Nan has always been inaccurate in looking at men and has not improved at all!"

"Bring this child, Why should Su Nan feel wronged, did they know each other before they broke up..."

"Wouldn't it be the mistress?"

... In

the living room.

Su Nan thought for a while, and immediately called Su Jin, who was working overtime.

“Brother, be sure to pay attention to Su’s stock movements, don’t fluctuate because of public opinion...”

This is the top priority.

Su Yifeng looked at this daughter helplessly, thinking about making money at this time?

Su Jin didn’t know what to say, Su Nan frowned slightly and hung up.

“Fortunately, the stock fluctuates slightly, and there will be no big losses. It will be fine if the public opinion will drop tomorrow.”

“Come down? I don’t know who is behind the scenes. Du Yan and I joined forces to exert pressure. Those media platforms are stubborn and dare not withdraw...”

Su Qi’s tone was cool, with a few words in his words. heavy.

He felt faintly in his heart that the only thing that could compete with the Su family was...

But it was not the man’s style to send Su Nan the target of public criticism.

Therefore, he never discussed this matter with Su Nan.

At this moment, the butler hurried in from outside.

“Miss, business manager is here...”
