

## Read Divorce Billionaire Heiress Chinese Language Chapter 781-785

Chapter 781 You are angry

Chapter

781 You're angry. Su Nan was about to shout the name of the third brother, and he was ready to throw a dog and eat shit, but suddenly, there was still thirty centimeters away from the ground, and the wheelchair stopped moving.

It seemed that someone grabbed the wheelchair behind her, and right after him, his strong arms stretched out and picked her up with the wheelchair. Su Nan didn't look up, smelling the faint smell of smoke and a cold sense of silence.

Don't think about it, it's not from the Su family.

No one dared to be so abrupt to her.

Immediately afterwards, she was placed on the flat ground beside her, and the wheelchair was placed well and stably.

Su Nan saw the calm face suddenly magnified in front of him.

Fu Yechuan.

Waiting outside in a hurry?

Can't help but run in?

The housekeeper and bodyguard at the door saw him running in and had already chased after him.

"Miss..."

Su Nan raised his hand, the housekeeper understood, and led him back.

Fu Yechuan's eyes were bloodshot, and he didn't look good. The faint smell of smoke made him feel a little more decadent.

He bent his knees and squatted in front of her, looking like he was half-kneeling.

"Su Nan, I have something to tell you."

When he was outside, until now, he was sure that she would not take the initiative to see him.

But he can't go back like this, if he doesn't make it clear, they are really finished.

Therefore, he avoided the observation of those bodyguards and servants and jumped from an inconspicuous place.

He has practiced and has skills, otherwise if he comes down from such a high wall, he will be discovered if he doesn't die.

Fortunately, he came and rescued Su Nan, who was helpless in a wheelchair.

Seeing her helpless look broke his heart.

Su Nan's eyes were filled with coldness, but he still smiled estrangedly and politely.

"Mr. Fu doesn't even leave the gate now?" The

villain behaves!

Fu Yechuan pursed his lips and looked at her with complicated eyes.

"I just want to make it clear to you face to face."

"Okay, tell me..."

Su Nan looked at him with a half-smile, but she wanted to see what kind of nonsense this Fu Gou wanted to make up!

When the words came to his lips, Fu Yechuan didn't know where to start.

"I'm sorry about what happened yesterday."

Su Nan raised her eyebrows, "What's there to be sorry for?"

She pretended not to know.

Fu Yechuan frowned, "You don't know?"

"Know what? Oh, my phone broke accidentally, have you contacted me?"

Su Nan blinked and smiled.

In an instant, the corners of Fu Yechuan's tight lips loosened.

“I thought...you’re angry.”

Su Nan’s beautiful crystal eyes sank slightly.

“Angry? The people who scold him online are all Shang Qian, why am I angry?”

She just wanted to make him feel uncomfortable when he was at his most relaxed!

Feel embarrassed!

Fu Yechuan froze, his eyes darkened.

There was a touch of loss in her tone:

“You know, how could you not know?”

It was just that she was so calm, which gave him the illusion that it was okay for her to not know.

Sunan hook lip, cold laugh loudly:

“I did not make you all wishes come true, Fu always very disappointed right?

Just means so low, you could be ordered, but added unexpected.”

Insignificant blow, in addition to people at heart Diarrhea, no real loss.

Fu Yechuan’s face was stiff and ugly, and the coldness between his eyebrows was dyed with a bit of suppressed complexity.

“I didn’t want to implicate you. I admit that I did it in the morning, but the public opinion in the evening was not me.”

His eyes were cold and tangled in his black eyes, would she believe it?

“I won’t implicate you in this kind of thing, I just want to warn Shang Qian.”

...

Chapter seven hundred and eighty second talk about business and feelings

Chapter 782 Talking about business affairs and feelings

Su Nan chuckled lightly and glanced at him lightly:

“What’s the use of saying these things have happened? Is it possible to warn an innocent person with trumped-up charges? Can you do what you want?”

“No need? Do you think Shang Qian is really clean? He and his brother’s woman are unclear, and it’s no longer a secret abroad…”

” Just believe him” attitude is not light.

She doesn’t even care about her own dignity, she can’t wait to help her recognize that Shang Qian’s mask!

But she was very calm and calm.

She had known this for a long time, even more than he knew.

Isn’t the brother’s woman the biological mother of little Mike?

I didn’t expect that it would be so unpleasant to hear in other people’s ears.

But Shang Qian doesn’t even want his reputation, just to give little Mike an identity, this person deserves more respect.

She smiled, raised her head lightly, and glanced at him.

“Mr. Fu, if you don’t know a person, it’s best not to jump to conclusions.”

At the end, she added the most poignant sentence:

“Isn’t it unclear about your brother’s woman before you?”

Qiao Wanrou is Cheng Heng’s girlfriend, how many things he did back then were all for Qiao Wanrou.

Now what justice is used to flaunt others?

Why don’t you ask yourself?

Fu Yechuan’s face froze fiercely, as if he had been slapped, embarrassed and indifferent.

He froze for a moment.

Looking at her with dark and deep eyes, he leaned over and included her in his space.

“You don’t trust me, you trust Shang Qian more, do you?”

His voice was low and cold.

Su Nan met his gaze, very calm, and said word by word,

“I believe in the truth.”

Fu Yechuan's stern face was gloomy and gloomy, and his anger was suppressed.

What she believes is not the truth, she just doesn't believe in him, Fu Yechuan!

His breathing was extremely heavy, and his eyes were fixed on her, and the redness at the corners of his eyes deepened.

Countless anger in the body, nowhere to vent.

He wanted to scold, beat, and even kill...

But looking at the woman in front of him, he unconsciously suppressed his emotions, his voice was hoarse and dark:

“Su Nan, you can't treat me like this, you Be fair, I also saved you, and I can give you my life, you can't fall in love with someone so quickly?”

But doubt him, hurt him, alienate him?

Su Nan watched Fu Yechuan lose his temper, and she calmed down.

If he hadn't rescued her, she wouldn't talk to him so calmly.

Su Nan lowered her eyes slightly, her face cold.

“Mr. Fu, I'm going to talk to you about business. What kind of relationship are you talking about with me?

The things on the Internet are not yours, and they have nothing to do with you, but it doesn't matter, it's all over.”

Su Nan sneered, her big The trick is behind...

Fu Yechuan looked at her emotions, and his heart slowly calmed down.

But the bitterness spread faster, and she really didn't believe his innocence.

“I really can't get rid of it. The public opinion exposure at night was done by the old man. I have already dealt with it, you can rest assured.”

His voice was cold, and he wanted to explore more on her face, but he found nothing at all!

Su Nan was still quite shocked by this.

It turns out that the real boss is Mr. Fu?

Anyway, they are all from the Fu family, and the raccoon dog on a hill is not a good thing!

She chuckled lightly, don't worry about seeing a ghost?

Want her to act like nothing happened?

That's impossible!

"Then say hello to Chairman Fu for me."

Fu Yechuan frowned. There was something in Su Nan's words, but Fu Yechuan couldn't understand it immediately.

It just doesn't feel right to her reaction.

"Then you..." Are you

still angry?

...

Chapter seven hundred and eighty third I am beautiful alone

Chapter 783 Before I

finished my beautiful words alone, I heard Su Qi's voice gradually approaching:

"Fu Yechuan, who let you in?"

He didn't give President Fu any face, and his unhappiness was written all over his face. superior.

I was quite sympathetic to him before, but I didn't expect that poor people must be hateful.

"Who made you so close to my sister?"

He looked at Fu Yechuan leaning over and wanted to take advantage of her.

No, no way!

Fu Yechuan frowned, and just as he straightened up, Su Nan pressed the button, and the wheelchair stepped back, completely separating him from a safe distance.

Su Qi ran over immediately and stared at him warily.

“President Fu is the most unwelcome person in our family now, please leave immediately!”

With Fu Yechuan’s status, no one dared to speak to him like that.

But this person is Su Qi, who made him the third brother of Su Nan?

Fu Yechuan could only bear it abruptly.

He pursed his lips, his face was tense, and he looked at Su Nan.

Su Nan gave him a cool smile, “Goodbye, President Fu.”

Fu Yechuan hesitated, but nodded, “I’ll see you next time.”

After he finished speaking, he looked at Su Qi before turning around and leaving.

The back is noticeably heavier.

She patted the back and reminded Su Qi:

“Let’s go.”

Su Qi hurriedly pushed her away.

When he encountered the cobblestone, he directly picked it up.

Su Nan thought for a while, “Let’s clear that cobblestone, it’s not convenient at all...”

Su Qi raised her eyebrows, “That’s what Dad fished out of the lake one by one. If you say something, I’ll let someone clear.”

Su Nan paused, “Forget it, I thought it was your aesthetic.”

Su Qi sneered, she is really not polite at all!

“However, this Fu Yechuan made a mistake this time. He burned himself on fire, and his brain was probably kicked by a donkey!”

Su Nan sat back in the wheelchair, pressed the button, and rolled slowly and automatically, with a light tone:

“It’s Mr. Fu who moved. Hands and feet, he’s not so stupid.”

Su Qicai disdain: “I think he is in love, otherwise he will not be taken advantage of, this time I decided to stand in Shangqian!”

Su Nan raised an eyebrow, “Are you sure you can stand right?”

“Why, do you still have Fu Yechuan in your heart?” Su Qi looked at her vigilantly.

Su Nan hooked her lips, “I want to be beautiful alone, I advise you not to be on the wrong team!”

Su Qi made a “cut”, and then went to the room by herself.

less than a day.

People on the Internet have just apologized for eating the wrong melon, but they are still unfinished about the rapid withdrawal of hot searches.

But suddenly, unexpectedly, things that had calmed down suddenly started to wave again.

A big V who “knows everything about Dr. Qiu” connected the whole thing with his real name.

It was revealed that Fu Yingying, the eldest lady of the Fu Group, spent money on her to buy a navy army and spread rumors about Su Nan.

And attached the chat records and transfer records with Fu Yingying.

This thing suddenly rushed to the top of the hot search.

Fu Yingying gave him 2 million, which was a lot of income for him.

Let him guide the topic desperately in the direction of “Su Nan is a junior”, and ask Fu Yingying if this is okay?

Fu Yingying replied, “Yes, it’s better to say she is the habitual third. It’s better to say that Shang Qian’s son is hers.” “Knowing everything, Dr. Qiu

“: “Do you want to be so cruel?”

Fu Yingying: “I don’t want the money anymore. I have to put a fly in Su Nan’s mouth!”

She kept talking about the superiority of the rich.

.....

...

Chapter seven hundred and eighty-fourth fall, you take the green light

Chapter seven hundred and eighty-fourth you fall, you risk

such a dirty thing as green light, you can do it with money, what else can't you take risks?

"Omniscient Dr. Qiu" attaches chat records and transfer records, and can ask relevant personnel to investigate, he definitely did not forge or lie.

Inside and outside the words, he revealed his guilt towards Su Nan, apologized many times, and was grateful that Su Nan did not pursue his legal responsibility.

But for the sake of his own conscience, he decided to make this matter public.

At the same time, he felt ashamed for his conscience slandering others to make money.

He also announced that he had cancelled this Weibo account and would never use it again.

Most importantly, at the end, he persuaded Miss Fu to "do more good deeds and be careful of thunder!"

Who else could this Miss Fu be?

There is only one eldest lady of the Fu Group.

It was also popular on the Internet for a while. He stole the necklace of "Dream" and went to Macau to gamble. He was also notorious in the circle of celebrities.

Right now, Fu Yingying's dark history has been rediscovered.

During the existence of Su Nan and Fu Yechuan's marriage, she often looked down on this sister-in-law and was embarrassed many times. This stinky temper is typically a character raised in a capitalist family.

most annoying.

But right now, what everyone hates even more is that she can use the power of her own family to fearlessly slander a person's innocence.

Whether it was Shang Qian or Su Nan, she never let go.

In the comments below, no one even spoke for her:

“Hehe, money can make a ghost run the mill, Su Nan is richer than you, what’s the madness?”

“This kind of woman, marrying back is also the property of Huo Huo’s family. Yes, whoever wants her will be unlucky!”

“Fortunately, I met a rich and serious person. If this is an ordinary person, this life will be the end of the society!”

“It turns out that you did it, your brother chased his wife, you broke the pot, your Fu family is a wolf’s den!”

...

The online public opinion erupted with great vigour.

Fu Yingying is not a star actress, but her identity is enough to make people envious.

But who made her feel unsatisfactory?

Su Qi took the mobile phone to the flower room and watched Su Nan wiping the leaves of the plants.

“This is your counterattack?”

Su Nan didn’t have to think about it, she knew that the Internet had turned upside down.

She curled her lips, “What’s the effect?”

Su Qi looked at her with admiration: “It’s absolutely amazing!”

Su Nan glanced back at him with anticipation:

“Tell me about the effect!”

Fu Yingying is just a director The fuse, the purpose is to involve the Fu family behind her.

Without the Fu family, would she dare to be so arrogant?

People of the same age are working hard to earn money.

And she can waste her property wantonly and bully others on the Internet...

Seeing her in a hurry, Su Qi doesn't hide it from her, after all, he himself feels very happy.

Only this Su Nan would come up with this method, using his own way to treat his own body, really proud!

"We have already contacted the media, and the high-level person in charge and the vice president were both taken by Su Jin to drink.

Now he is unconscious. No matter how fast Fu Yechuan's actions and reactions are, he will not be found. impossible.

The Fu Group's stock has plummeted, 900 million yuan has evaporated in one minute, and it has fallen into a green light! "

Corporate image is too important,

Su Nan raised a smile and finally breathed a sigh of relief.

"Isn't the Fu family arrogant? If he dares to attack me, I will cut off his fortune! "

Whether he is Fu Yechuan or Mr. Fu, even if he is that scumbag Fu Yingying, she will not let him go...

...

Chapter seven hundred and eighty fifth is a giant baby

Chapter seven hundred and eighty-fifth is the giant baby,

Fu's house.

Fu Yingying never dreamed that the "Omniscient Dr. Qiu" who took her money would dare to betray her?

Then all the good images she created in front of Fu Yechuan before, didn't they all go to waste?

She looked at the news on the Internet and was frightened. What should I do?

She immediately contacted "The Omniscient Dr. Qiu", but they rang twice and immediately shut down.

She sent him a message directly, ordering him:

“How much do you want, delete what you posted!”

After a while, Qiu Sheng replied:

“I don’t make black money, and I will never do things against my conscience!”

Fu Yingying He dropped the phone in anger, he has a fart conscience, he clearly charged more money!

The housekeeper downstairs knocked on the door.

She trembled in her heart, but walked over calmly.

The housekeeper sighed, with complicated eyes:

“President Fu is on the phone, miss, don’t go out, he will be there soon.”

Fu Yingying’s legs softened and she almost fell to the ground.

His face turned pale.

When it’s over, Fu Yechuan will not let her go.

She cursed in her head, hurriedly ran to the study, and went to the old man to ask for mercy.

“Grandpa...”

Although the whole thing was implemented according to her idea, it was also agreed by Mr. Fu.

She personally went to the big V, bought the navy, and compiled rumors.

Mr. Fu greeted the media platform and pushed him to the hot search.

She felt panic and fear in her heart, like a knife hanging over her head, it could fall off at any time and cut her in half!

She was crying in the study, telling how hard it was to work below.

Look at people’s faces, and be looked down upon.

The old man was a little moved when he heard it.

But Fu Yechuan’s people came over twice a day to send the contract, and made up his mind to let him resign and quit the board of directors.

He was in a stalemate himself, how could he lower his face and plead for her in front of Fu Yechuan?

Thinking about it, he hesitated for a while, but went directly to contact the Su family.

Let Su Nan come forward to clarify, can't Fu Yingying be able to get out of her body?

Thinking about it, he directly dialed Su Yifeng's number.

After several beeps, Su Yifeng picked it up.

"Dong Fu?"

"Brother Su, I haven't seen you for a long time. There's been a lot of smog on the Internet recently. I'm afraid there may be some misunderstanding. Please come to our house for dinner in the evening, and we can make it clear in person..."

Mr. Fu himself If he could not go out, he would definitely be monitored by Fu Yechuan's people.

He simply wanted to invite Su Yifeng and the others to the old house.

Su Yifeng laughed twice, obviously surprised by Mr. Fu's thick skin.

They did something wrong, and he had to come to the door and listen to their explanation in person?

This world is really depressing!

"No way, our little fourth had a car accident some time ago, and is raising him at home, so he can't move around, let's forget it..."

Mr. Fu: "What's the matter, I'll send a car to pick her up, promise not to It will make her bumpy!"

Su Yifeng rolled his eyes, daring not to be their own daughter, so he won't feel distressed.

Are all injured, and let her come to the door in person, how big is the face?

He suppressed the fire in his heart, and his tone had cooled down.

"If you have something to say on the phone, she doesn't want to go. Our family has been scolded a lot recently, so I don't dare to go out."

Isn't the scolding caused by Mr. Fu?

Old Master Fu also heard Su Yifeng's impatience and smiled.

"Brother, it's all children who are ignorant. We adults have to mediate between them. In the end, it's all children who play the house. It's not that serious. It's good to talk about it."

Su Yifeng sneered. Twice.

"Your eldest lady is twenty-five this year, isn't she still a child? Is it a giant baby..."

**Most of the readers are now reading this novels:-**

## **Read Divorce Billionaire Heiress Chinese Language Chapter 786-790**

Chapter seven hundred and eighty sixth forced to accept the apology

Chapter 786 Forced to accept the apology

giant baby?

Su Yifeng said very rudely, but this was already merciful.

If it weren't for the identity of the old master Fu, he would be able to scold him on his ancestral grave!

Mr. Fu was embarrassed for a few seconds, and then smiled euphemistically:

"She is ignorant, I will teach her well, but there is one thing, I should ask you to help me."

"I don't dare to do it.

"Hearing Su Yifeng's refusal, he spoke directly:

"Let Su Nan post a clarification statement on the Internet, all this is a misunderstanding, everyone is a friend, they have already said it, and she has forgiven Yingying.

This matter . It's all about that Shang Qian, if it weren't for him, we wouldn't have been involved at all, we should be at the same enemy now..."

Su Yifeng interrupted him impatiently.

"Dong Fu, Su Nan didn't forgive her for the immoral things your family did, and she won't be forced to accept an apology.

If she was wronged, let her release the evidence online.

If not, hehe... Bought the navy to spread rumors, but you will be sentenced..."

Su Yifeng said, Old Master Fu's face turned green, what more he wanted to say, Su Yifeng had already hung up the phone.

Mr. Fu's breath was in a hurry.

"The Su family won't let go. It would be good if they didn't call the police."

Shang Huan was scolded, but Mr. Fu had never suffered such neglect.

But everyone knows that now is Fu Yechuan's world, he has retreated behind the scenes, who will give face to others?

Thinking of this, Mr. Fu's face became even more ugly.

If he went back another 20 years, would Su Yifeng dare to talk to him like that?

Fu Yingying cried and lost her soul in fear:

"Then what should I do, I don't want to be arrested, our Fu family's face has been disgraced..." The

housekeeper knocked on the door at this time, reminding:

"President Fu is here. It's over..."

Fu Yingying trembled with fright, "Grandpa..."

The door of the study was suddenly kicked open, and Fu Yechuan came in full of anger, his eyes were cold and stern, giving people a sense of oppression A strong sense of suffocation.

If you know that Mr. Fu is behind his back, even if he is not filial, he will take away the power in his hands.

But what he didn't expect was that Fu Yingying actually participated in it.

And he didn't know anything.

That "all-knowing Dr. Qiu", he asked someone to investigate a little, and he would know who he was instructed by.

But it happens that people do it righteously!

This matter reversed and reversed again, and the anger in his heart has already set off a huge wave.

Because he thought that he had seized the power of Mr. Fu, so he could give Su Nan an explanation.

But people don't appreciate it, she used her own way to let him see what revenge is!

How disgusting the people of their Fu family are!

Fu Yechuan's eyes were full of coldness, like a sharp blade.

His tall and slender figure gradually approached with a fierce chill, and his face was dark and indifferent.

Fu Yingying was stunned for a short time, and then she felt a huge panic in her heart.

"Brother, I... I know I'm wrong!"

She thought that if Mr. Fu participated, she would not be caught.

Who knew that the "Omniscient Dr. Qiu" who was bought by her would betray her!

damn it!

She couldn't stand at all, her legs were weak, and she fell to the ground at once.

She hurriedly knelt down in front of him, begging for mercy and subduing:

"Brother, I just want to help you and Su Nan rehabilitate, I just don't want her to get so close to Shang Qian, Shang Qian implicates her, Su Nan will ignore him, big brother, you have a chance..."

...

Chapter seven hundred and eighty seventh don't cry idiot

Chapter 787 Don't cry, idiot

Fu Yingying is still struggling to clean up herself.

But Fu Yechuan didn't believe a word, how did the sister who lied so much grow so big?

Mr. Fu really couldn't bear it, and said with a cold face:

“What do you want to do? She is your sister, and her original intention was not wrong. It was just a public opinion accident. You want to kill everyone in the Fu family because of Su Nan. Drive away?”

For a moment, the atmosphere in the study froze and stiffened.

Mr. Fu snorted coldly: “You can just change your surname to Su. Let’s see if you leave the Fu family. Will the people from the Su family look at you again!”

Now that it’s happened, Mr. Fu is not willing to give this one another hand. What face is there for the grandson who came up.

He is about to pull himself off the horse, who wants to give him any face?

He already had a plan in his mind.

Since he’s disobedient, let’s change to another heir...

Fu Yechuan’s dark eyes swept towards the angry Old Master Fu.

His voice was low and stern: “If the old man doesn’t mind if I change the Fu family’s surname to Su, then I don’t mind either.” In

an instant, the expression on Mr. Fu’s face became extremely ugly.

“You still want to send the entire Fu family out. I’m so blind, I chose you!”

He stood up tremblingly, and threw the crutches beside him heavily.

Mr. Fu was so angry that he wished to smash this unworthy descendant to death, but he didn’t save his strength at all.

Fu Yechuan didn’t move, his eyes were dark, as if he couldn’t see to the end.

“Bang——” The

crutch slammed straight on his forehead and fell to the ground.

He could have avoided it, but he didn’t.

Blood flowed down his forehead, and he looked startling.

Fu Yingying sucked in a breath of cold air and was so frightened that she didn’t move.

Fu Yechuan was enveloped in a thick haze, and it was so cold that no one dared to approach him.

For a while, even the sound of breathing became stagnant in the room.

Old Master Fu froze for a moment, his cloudy eyes narrowed, and his face was tense and ugly.

He was out of his control, but he understood how persistent Fu Yechuan was about what he couldn't get.

But he didn't hide this, probably already knew he was wrong.

The next second, Fu Yechuan glanced sideways, and glanced at Mr. Fu darkly and deeply, the corners of his mouth slightly evoked a sinister arc.

"Old man, can this fight put out the fire?"

Mr. Fu's heart sank for a while. Before he could speak, Fu Yechuan said again:

"If the fire can be put out, it's best to sign the document, so as not to waste everyone's time.

"With the documents, he has no power in his hands, but he has money and status.

Mr. Fu is still the most awe-inspiring person in the Fu Group.

Fu Yechuan's words, obviously, completely aroused the anger in Mr. Fu's heart.

He can't wait to beat this unworthy descendant to death!

"You..."

Fu Yechuan didn't pay attention to him.

The purpose of his visit was Fu Yingying.

He turned his head and looked at Fu Yingying who was slumped on the ground, his eyes filled with coldness.

"As soon as you come back, you are restless. It seems that in a few months, you can't learn how to be a person. After such a big disaster, you still have the face to quibble here?"

Fu Yingying was so frightened that her lips trembled and she started to cry.

"I really know I'm wrong, eldest brother, forgive me this time, I don't want to leave Fu's house anymore, I can go and apologize to Su Nan, I'll never mess with her again!"

Fu Yechuan sneered, his eyes darkened. Shen indifference.

“Apologize? Do you think it’s just Su Nan? The

Fu Group has lost tens of billions in market value in just half an hour, and the stock price is about to hit the limit. Is your apology useful?”

...

Chapter seven hundred and eighty-eight is really cruel

Chapter seven hundred and eighty-eight is such a cruel

sentence that even Old Master Fu was stunned unexpectedly.

He was really old, and his ears and eyes were not clear. He just thought that the result of this incident only affected the image of the Fu Group.

The worst result is that Fu Yingying will be scolded for a few days, and it will be fine after a while.

Unexpectedly, the market value of Fu Group has evaporated by tens of billions!

In an instant, he wanted to open his mouth to plead for Fu Yingying, but when the words came to his mouth, he couldn’t get out.

When the Fu Group was in his hands, although its status was also the leader of the same enterprise, the competition in the same industry was fierce, far less than in the hands of Fu Yechuan today.

He was born a business genius, turning his hands into clouds and covering his hands into rain, consolidating the Fu Group in the most stable and dazzling position and becoming an unshakable existence.

In just a few short years, this is a legend.

The loss this time is huge, not only for stocks, but it is likely to affect the whole body.

Fu Yingying’s face was even more ugly.

When she returned to Fu’s house, her butt was still hot, but she had to get out again?

Fu Yechuan’s eyes were cold and still, he picked up the phone and called a few bodyguards to come up.

Without the consent of the Fu family, no one dared to go to the second floor.

“Fu Yingying, from today onwards, you will leave Fu’s house, and you don’t have to come back in the future. I will give you a sum of money, leave country Z, and fend for yourself.”

Fu Yechuan glanced at her indifferently, then turned around and left. out.

That money can only keep her from starving to death within a month of going abroad.

At the beginning, she was asked to go down there to experience, so that she could grow up strong and be a big responsibility in the future.

The eldest lady of the Fu Group must always be on her own.

In the end, she came back and learned a lot of tricks. Well, the Fu Group doesn’t have to need a eldest lady!

No one dared not listen to him.

Then someone came and carried Fu Yingying out, who was screaming and crying.

“Brother, I really knew I was wrong. Please forgive me this time. I don’t dare anymore, grandpa...” Mr.

Fu would not confront Fu Yechuan head-on at this time.

In recent years, he has handed over the power in his hands, and he is an empty shelf.

What strength does Fu Yechuan have to let Fu Yingying go?

The Fu family’s children, whether to drive them out, he alone has the final say?

Where do you put him as a family member?

He felt more and more that Fu Yechuan could not stay.

Fu Yingying’s cry was so miserable that even the housekeeper’s scalp felt numb when she heard it.

But after a while, the person was stuffed into the car and sent to the airport overnight...

She knew that she was helpless, and that Fu Yechuan had given up on herself.

But after leaving the Fu family, what else can she do?

The young lady who gambled heavily in Macau at the time was a celebrity in the circle who spent a lot of money to buy luxury goods at the counter.

Overnight, he was spat on online and kicked out of the house.

What's the difference between a dog who can't be sheltered by the Fu family in the future life and a bereaved dog?

Fu Yechuan stood at the door of Fu's house, his whole face was in darkness, and he couldn't tell his emotions clearly.

The housekeeper stood by tremblingly, Fu Yechuan's methods were well known, not to mention any old feelings, everything had to be done according to the rules.

"Mr. Fu, about Miss, do you need to inform the rest of the Fu family?"

If you tell others, there will be people who will object.

With the status of Master Fu, there may be more people who oppose it.

Fu Yechuan looked sideways, glanced at him, didn't speak, turned around in silence and left.

Just at that sight, the butler was so frightened that his heart trembled.

He was testing, and Fu Yechuan saw through the testing at a glance...

...

Chapter 789 Don't jump off the building

Chapter 789 There is no need to jump off the building.

As soon as Fu Yechuan left, he returned directly to the Fu Group.

At present, the Fu Group is swept up by public opinion, and the remarks of those netizens are rampant.

He took out the things about him and Su Nan again and chewed it over and over again.

In particular, what Fu Yingying did seems to represent the Fu Group's attitude towards its interests.

When he liked it, he was extremely humble, and everyone mistakenly thought that Mr. Fu was very affectionate.

As a result, when he fell into the trap, he didn't see anyone pity Xiangxiyu at all...

Fu's stock fell sharply, which was already the most turbulent event of the year.

But everyone can see clearly that Fu Yechuan's response to this matter was very slow.

I don't know if it was intentional or unintentional.

The whole company is going crazy.

Only Fu Yechuan is as stable as Mount Tai.

When the stock price was about to fall to its lowest value, the Fu Group's response was long overdue.

They did not ignore this black material by diverting their attention. The public relations department of the Fu Group thought of another way.

In the name of the company, Fu Group apologized to Su Nan and the public on behalf of Fu Yingying.

Although the Fu Group did not know about it, Fu Yingying's identity did not allow the Fu Group to be alone.

The public relations department sorted out the whole story in chronological order without any omission, and posted it on the Internet.

They very calmly admitted the fault of the Fu family's lax discipline, and promised to be willing to compensate all the losses raised by the Su Group.

After the news was released, it immediately caused a huge response.

A group company with such a high status as the Fu Group usually makes a mistake and will maintain its corporate image.

And their positive response, on the contrary, ushered in everyone's goodwill, which is the responsibility of a large enterprise.

There was a lot of scolding on the Internet, but the official Weibo of the Fu Group is a little brother who likes to be cute. He usually interacts and jokes with netizens on the Internet.

In his words, he explained the meaning of the officially released sentence by sentence, for fear that others would not understand or misinterpret it.

It really looks like a sincere apology, but it makes people feel soft-hearted.

Fu contacted the person in charge of the "missing" media platform, intentionally or unintentionally, began to reduce the popularity and traffic, and guided the topic in a positive direction.

Slowly, everyone's anger gradually subsided.

In the second half of the night, the Fu Group suddenly made a wave of advertisements for the new products that the Su Group was about to launch in the name of Fu.

Official WeChat rolls online, and the humble gesture of asking for forgiveness is simply in place.

The competition and respect between enterprises are fully reflected by this series of operations.

At the same time, the stock of Fu's Group has also suspended its downward trend and is slowly rising.

The Fu Group's strategy is steady and steady step by step, and the effect is very good.

On the second day, everyone was shocked to see that the Fu Group clearly occupied the top three hot search positions on the hot search.

"Fu's advertised for Su, begging for forgiveness, like Fu

Yechuan begging Su Nan, the two big groups are so cute?" "It's all to blame Fu Yingying, the eldest daughter, she doesn't have the ability, so she can't see the good of others. My family has suffered a lot!"

"The public relations effect is perfect, but is Mr. Fu really unaware? The emotional life of a wealthy family is too complicated..."

"Fu's official Wei personally promoted the new products to Su's, which is too good. No other group has such tolerance and mind..."

"Fu's stock has risen! I don't have to jump off the building! "

...

...

Chapter seven hundred and ninetieth who came up with the bad idea

Chapter 790 Who came up with a bad idea? On a

new day, the reputation of the Fu Group is improving little by little.

When everyone's goodwill was almost brushed, everyone's sharp eyes found that Fu Yechuan liked a "beautiful photo" of himself!

It is nothing more than a photo of Fu Yechuan and Su Nan's wild CP fans.

It's a snapshot of him being interviewed in the conference room.

Fu Yechuan was wearing a smoky gray suit, and his whole person exuded a cold and detached dignity and sharpness. The moment he sat there with his hands folded, he saw a ring on his hand with clear phalanges, in the ring finger of his left hand— — the single!

For a moment, there was an uproar.

He had already put the ring that Su Nan liked on his hand. It was clearly meant to be a single nobleman, but he wore it on his married ring finger.

Because that is the closest place to the heart and the life.

In the time conditions at that time, nothing happened at all, and he was not pretending.

He wanted to let her know how much he cherished and loved her in every small opportunity.

Immediately afterwards, everyone watched him use his account to forward the published by the official account, helping the Su Group to promote advertisements.

Mr. Fu himself came off the stage, the publicity effect of this advertisement was extraordinary, and the number of clicks broke the record in minutes.

This wave of public relations measures can be regarded as a self-penalty three cups, but it is a win-win effect.

Many of Fu's products are also on the market, but there is no mention of their own products in this matter.

Not only has the image of Fu's group not been ruined because of this, but everyone's scolding has gradually disappeared. Stripping is an attitude of two things entirely.

The stock of Fu's Group resumed its original growth trend in the afternoon of the next day, and together with the stock of Su's Group, it rose together.

The whole matter was solved without any risk. Some people in the industry who are watching the fun and don't think it's a big deal can't understand, how has the Fu Group passed by so lightly?

Simply incredible!

Fu Group.

Fu Yechuan was immersed in darkness and his emotions were unclear.

The people from other departments have just dispersed, leaving only Chen Mian and Wu Tutu.

Chen Mian: "Mr. Fu, the public opinion on the Internet is under control. What everyone is discussing now is the new products of the Su Group and our group's sense of responsibility. The Su Group has not responded yet."

If the Su Group or Su Nan could Come forward and respond, that is the most perfect ending.

Fu Yechuan's tone was clear and cold, "If you hurt others, you apologize and expect others to forgive. That's really shameless."

According to Su Nan's temper, if she didn't come out and hit him in the face, she was already showing mercy.

Wu Tutu was trembling aside, "Yes, President Fu is right!"

He was going crazy!

Because from the very beginning, he came up with this bad idea!

He never dreamed that it would cause such a huge loss, tens of billions, and he couldn't afford to kill him!

Fu Yechuan glanced at him coldly and said indifferently, "Get out..."

Wu Tutu wiped his sweat and nodded immediately:

"Get out, I'm going to get out!"

...

Su Nan was the whole person. She was a victim of this incident, but when everyone began to spurn Fu Yingying and the Fu Group behind her, she began to give up control of public opinion online.

Let the public relations of Fu Group find a way.

Originally, the Fu Group was not so easy to be defeated, but it was only a loss of money, and it was enough to make them feel a little pain, and a longer memory would be enough.

If you want to shake the position of the Fu Group, this illusory public opinion is nothing at all...
