## Chapter 81-85

Chapter 81 I'm Looking for You

Chapter 81 Deliberately Looking for You

The sky is gradually sinking, the blue sky is gloomy, accompanied by the coldness of the evening, giving people an uncomfortable feeling.

Seeing that the time was almost up, Su Nan went directly to the cloakroom in the office, where the brand's latest styles were always stocked, and he picked a decent little dress to put on, low-key and luxurious, walking on beautiful and delicate high heels, holding a limited edition bag to leave.

When they arrived at the club, everyone didn't recognize her, and they only focused on chatting with people they knew well. There was no theme in this salon, it was purely for rich ladies to pass the time and socialize.

Su Nan took a stack of small snacks, sipped little by little, and sat in the corner. She didn't see Lin Shuang's shadow. Could it be that she didn't come?

"Su Nan?" The person in front of her looked at her in surprise.

Su Nan raised his eyebrows, "Cheng Ershao? Why are you here?"

"We are really destined, a thousand miles of marriage lead by a thread..." Cheng Yi raised his eyebrows.

Su Nan glanced at him lightly, "Speak human words."

"My mother asked me to eat the butterfly cake from this club and sent me out to run errands." Cheng Yi spread his hands helplessly.

Su Nan smiled, but Mrs. Cheng had a lot of research on eating.

"What about you?"

"I...I'm here to join in the fun, but the fun didn't come." Su Nan hooked his lips and smiled, looking at the time, it was almost time, she stood up, and Cheng Yi immediately Grab her wrist.

"Where to go?"

Su Nan was helpless, "Don't say it, I'll go to the bathroom and I'll be gone in a while."

Cheng Yi let go of his hand, naturally unwilling to give up this good opportunity to get close to her, "I'll wait for you, I'll take you home in a while. ."

"I came by car."

"Then you take me home."

...

After leaving the banquet hall, the atmosphere in the corridor was quieter, but there were also many people talking there. As soon as they walked around the corner, they heard someone mention their name.

"Fu Yechuan's ex-wife, it's not easy. I heard that she divorced after cheating in marriage. She pretended to be pitiful and whitewashed on the Internet. In fact, the Fu family didn't want to care about her, otherwise she would live to this day?"

"Miss Fu family . But my friend, I have also heard about them. You see, she needs an education or no background, and has no background. She has been a housewife for three years, and she became the vice president of the Su Group just after the divorce. Squeeze Lin Shuang down..."

"Lin Shuang is really pitiful. After working hard until now, she has become the envy of everyone, but she was taken first by a little three... I heard that the project in Su Nan's hands was actually from Lin Shuang. I snatched it from my hand..."

"Su Nan is so shameless, such a person can still be in a good mood. I heard that he was holding Su Jin's thigh. Su Jin gave it to him. She delivered the house and the car, and I don't know if Su Jin will go crazy when she sees the photo of her hooking up with Su Qi today?"

"That is, don't look in the mirror to see this virtue, a person like her It's worthy of being a junior, but whoever has some background, who would marry a woman who is restless after a divorce?"

Su Nan paused and raised her eyebrows, it was a coincidence, she was always there all the time. main character.

He lowered his head and hooked the corners of his lips. Just as he was about to walk over to teach the two women a lesson, he heard a familiar voice and said aggrievedly.

"No way, who told me that I don't have a background and can't please men? No matter how capable I am and how hard I work, there is no way I can compare to President Su's sweetheart..."

It turned out to be Lin Shuang?

“You are so bullying. If this is in my company, I have to kill this woman. Who dares to be mad in front of me...”

“Yeah, Lin Shuang, you should teach her a lesson. , what is there to be afraid of with a fox?”

...

Su Nan clicked his tongue and curled his lips, she took a step back and called Cheng Yi, “Do something for me, I have a bag in my bag. Things...”

After speaking, she happened to see the waiter come over with red wine, she picked up a glass, raised her legs and walked over.

“I also want to know, what kind of lesson does Manager Lin want to teach me?” The sudden sentence made the three people in the corner stunned, especially Lin Shuang, a trace of panic flashed on his face, but he quickly calmed down.

“Vice President Su, what a coincidence?”

“Unfortunately, I came to you on purpose.” Su Nan smiled at her, raised the glass in his hand, tilted it gently, and all the red wine fell on the floor on Lin Shuang’s head.

...

Chapter 82 You have to do it yourself

Chapter 82: Beating someone had to do it personally

Lin Shuang stiffened, then raised his head in shock, glared at her angrily, and his voice was sharp and mean.

“Su Nan, are you crazy?”

The two ladies next to her were also a little angry at Su Nan’s behavior, and then they wanted to stand up for Lin Shuang.

“Su Nan, what kind of occasion is this, do you deserve to be here too?”

“That is, you are not welcome here, I will contact the security and ask them to kick you out!”

Su Nan did not let these two idiots go. In his eyes, he stared at Lin Shuang coldly, “When you slandered me behind your back, didn’t you think of today?”

Lin Shuang said stiffly, "Who slandered you, who doesn't know everything you did?"

Su Nan hooked the corners of her lips, she pulled her arm with one hand and pushed her back. Just as Lin Shuang was about to struggle, Su Nan put one arm across her neck, her voice extremely cold, "Lin Shuang, if you dare to do it, you must do it. As a return gift, I also prepared a big gift for you."

Lin Shuang saw the disdain in her eyes, her lips trembled, and her voice lowered, "The recording of the chairman of Hefengheng Group is not difficult to explain. Everyone will encounter such a thing, you can't deal with me, Su Nan, you can never get rid of my opponent!"

Su Nan retracted his gaze and raised his eyebrows, "Really? But you are not worthy of being my opponent."

"As soon as the words fell, there was a sudden exclamation in the banquet hall."

"Isn't this Lin Shuang?"

"This is Manager Lin of the Su Group. She has been in our circle lately..."

"Who is that? That's Zhang Ming, Mrs. Zhang, that's Your husband..."

The voice from outside came intermittently, and Lin Shuang's face instantly became extremely ugly and panicked, "What did you do?"

"Who said I only have the recording in my hand?" Su Nan clicked and took a step back, "Go and see your gift?"

Lin Shuang hurried out, but before she could stand firm, she was attacked by someone. A slap fell on the face.

"Ah..."

"Fox, you dare to seduce my husband? You shameless bitch, you instigated me to spread Su Nan's rumors for you, but stabbed me in the back? I'm going to kill you today—"

A woman dressed in extravagant fashion and speaking full of anger went up and started angrily, and there was no one around to help stop the fight.

Su Nan smiled. She saw Zhang Ming's wife as soon as she came, and she was indeed the legendary violent temper!

Lin Shuang was beaten and didn't dare to fight back. She covered her face in embarrassment and cried...

A video clip of Lin Shuang and Zhang Ming being in the car was playing on the big screen above her head, where you could see the starry sky projection. !

The people around started to watch the show... Su

Nan smiled and turned to look at the shocked faces of the two ladies behind, "It's up to you now."

Frost is not a good thing, but Su Nan is not a good person, they are not afraid.

"What do you want to do? Why haven't the security guards come yet? Don't think that Lin Shuang wronged you, she's not a good person, but you are?"

"I'm not a good person, and it's not your turn to make irresponsible remarks behind your back. Have you taught you basic qualities?" Su Nan looked at them with a half-smile.

"What right do you have to say about us? Where are the security guards?" one of them began to yell impatiently.

It happened that a figure came not far away, with handsome eyebrows, and the corners of his lips curved slightly, "What's your name security?"

"Cheng Ershao? This woman has been rude to us, and she just started with Lin Shuang, do you want to? Protect us..." another woman said.

They consciously believed that Cheng Yi was the same person as them, the rich second-generation with prominent status and status, and would definitely turn to them.

Cheng Yi glanced at them, his tone was cold, and he snorted lightly, "That's what you deserve."

Then he stretched out his hand to hold Su Nan's hand, and blamed her aggrievedly, "Why don't you call me? Do you still use your own hands to do this kind of thing?"

...

Chapter 83 Who is more popular

Chapter 83

Everyone is in the same circle, Cheng Yilai is the most popular among girls, and the status of the second young master of the Cheng family can only be looked up to.

So when the two women saw Cheng Yi treating Su Nan like this, their faces turned pale unconsciously.

What's going on here?

Didn't Su Nan have an affair with Su Jin, cheated in marriage, and hooked up with Su Qi?

With such a shady woman, Cheng Yi is still talking to her?

Su Nan withdrew his hand, showing no expression at all, even a little disgusted, turned his head to look at them, "Either take the initiative to apologize, or I will ask you to apologize, you can choose one." The

two looked at each other, The body was a little stiff involuntarily.

Cheng Yi, who was on the side, looked at the two people with a half-smile, "Choose, are you deaf?"

The two women had never seen this battle before, as if Cheng Yi would dare to beat them up as long as Su Nan said a word. Dayton, whether they are women or not.

Click – a sound.

Su Nan retracted the phone and hooked her lips in satisfaction.

"What are you doing?" one of them couldn't help but said, she took pictures of them?

"They are all civilized people. I don't want to do anything with you. I don't think you want to apologize. I can only ask your father to apologize to me. By then, it won't be possible to just say sorry."

Su Nan smiled. Smile, with the ability of the Su Group, to suppress a few small companies is simply an easy task, even if they are to disappear from the West City, it can be done by raising a hand.

One of them whispered something, and the two looked up and said reluctantly, "I'm sorry."

They looked down on Su Nan, but they were afraid of the Cheng family.

And if Su Nan complained to Su Jin, the situation would be even worse...

Originally, the rich second generation who had nothing to do, eat and wait to die, if they affected the family's business, wouldn't they be kicked out of the house?

Su Nan raised her eyebrows and poked her ears, "I didn't hear you..." The

two of them glanced at Su Nan through gritted teeth and raised their voices slightly.

“Miss Su, I’m sorry.”

Su Nan smiled, the smile on the corner of his mouth was slightly cold, “Don’t blame me for not reminding you, next time, I won’t pretend to be a civilized person.”

She has many ways to deal with a few eldest young ladies. Yes, both bright and dark can make them remember for a long time.

When the two heard the words, although they were not angry, they did not dare to say anything.

Su Nan looked at the time on her phone. It was almost time. The beatings and scoldings continued. She didn’t want to meddle in her own business, so she just lifted her legs and walked to the door.

Now that his face has been torn apart, the dismissal email will be posted on the company’s website at night. Lin Shuang is in this line of work, so don’t even think about it.

Of course, including Zhang Ming...

Before he even walked out of the door, he saw a group of people coming from the other direction, headed by Fu Yechuan.

Cheng Yi snorted lightly, “The enemy’s road is narrow.”

He stepped forward, put his arm around Su Nan’s shoulder, and whispered, “Don’t thank me, you won’t lose if you lose.”

Su Nan looked at Fu Yechuan for a while. Looking at herself, she indifferently retracted her gaze and walked forward without looking sideways, pretending that she didn’t know him at all.

“Su Nan, you’ve been very popular recently, and your appearance rate is higher than that of an actor. Do you want to change your career?” When

Lu Qi next to Fu Yechuan saw her, he couldn’t help making her unhappy, and quickly stepped forward to stop her. let her leave.

He was a person who watched a lively day on the Internet.

Finally, it was Su Nan’s turn to be scolded. Could he seize the opportunity to get down on the ground?

It’s a pity that when he got to the back, there was no movement. The sailors he paid for were all dead...

Cheng Yi raised his eyebrows, "Master Lu, does it have anything to do with you?"

"Second Master Cheng, Su Nan is entangled with three men at the same time, how can you endure it? You think that women are too attractive..." He said sarcastically.

Su Nan glanced at Lu Qi coldly, "Young Master Lu, if I were you, I would learn to shut up at this time."

"What?" How dare this woman say that at this time?

Su Nan sneered, "Because I'm not happy, I can make Lu Shao more popular than me at any time..." As

soon as Lu Qi's nude photos were posted on the Internet, who was the hottest one?

After Su Nan finished speaking, she looked away, raised her legs and left, she didn't even glance at Fu Yechuan beside Lu Qi.

Lu Qi's face turned into a pig's liver, and he stood there gnashing his teeth, "This woman, is she planning to threaten me for the rest of her life?"

Fu Yechuan's eyes were coldly withdrawn, and he glanced at Lu Qi, "You deserve it, you asked for it yourself. ."

...

Chapter 84 She Can't Move

Chapter 84 She couldn't drive

Cheng Yiming to drive, but she insisted on letting Su Nan drive him.

Su Nan reluctantly agreed, got into the car, and was about to drive out when he saw a tall figure walking towards him.

Cheng Yi restrained his smile and raised his eyebrows slightly, "Why is Fu Yechuan still haunted?"

He walked in front of him, neither in a hurry nor slow, and had no plans to make way for them, obviously he had something to say.

Walking to the car, Su Nan was a little impatient. The man outside knocked on the car window, her eyebrows lowered lightly, the corner of her mouth slightly hooked, and she slowly lowered the car window.

"Mr. Fu, is something wrong?"

Fu Yechuan looked at her deeply with dark eyes.

“Su Nan, your two conditions...” Su Nan interrupted him and smiled

, “It seems that Fu has always chosen, which one do you want?”

?

Fu Yechuan’s eyes sank slightly, “For another condition, Qiao Wanrou can’t move.”

Hearing his words, Su Nan’s smile froze for a moment, she was grateful for the gloomy night, making it difficult to see the gloomy and gloomy expression on her face.

Qiao Wanrou can’t move?

How precious is Qiao Wanrou...

In Fu Yechuan’s heart, is only Qiao Wanrou a special existence?

Things that clearly don’t care about, but can still be easily stung, the pain is very familiar, and she has survived countless days and nights.

It was only her Su Nan that Fu Yechuan hurt.

Her right hand was suddenly clenched, warm and powerful, she froze for a moment, then turned to look at Cheng Yi, he raised his eyebrows, and the stars twinkled in his eyes.

“It seems that in the eyes of President Fu, Qiao Wanrou is really good and unique. I worry about your aesthetics. If I were you, I would rather poke my eyes.”

Cheng Yi’s words calmed her down. She paused and relaxed her expression. When he raised his eyes again, his eyes were full of coldness, and he snorted lightly, “Mr. Fu didn’t figure it out? The initiative is in my hands. You can only choose the multiple-choice questions I give you, you can’t change the questions.”

She pulled the corner of her mouth and sneered, slowly raised the window, withdrew her gaze, stepped on the accelerator, and drove quickly into the night.

Never looked at the man behind him again.

“Su Xiaosi, look at how promising you are. You weren’t very majestic in it just now? Why did you feel wronged as soon as you came out?”

Cheng Yi grew up with her, and at a glance, he could see what she was thinking. Just piercing through her disguise, before he let go of her hand, the corner of his mouth smirked.

Su Nan pulled her hand back and laughed at herself, "It's useless..."

Cheng Yi paused, then reached out and rubbed her head in a gentle voice, "Don't be afraid, isn't there me? "

Su Nan smiled, took back her thoughts, and said indifferently, "How can I be afraid? I am afraid of losing only when I have gained it, and I am not afraid of anything that I have not gained."

She would not give Fu Yechuan any chance to hurt her again.

Did you choose Qiao Wanrou?

Then another jade pipe, lost forever... in the parking lot.

Lu Qi ran over, panting, and looked at Fu Yechuan standing there with a tall figure.

"Aren't you coming to try my new car? I'm freezing to death there, why are you standing here?"

Fu Yechuan's eyes were cold, "It's nothing."

Lu Qi breathed a sigh of relief, glanced at the door, and suddenly saw the door appear on the side of the car. A sunken place, he squatted down and stroked, anxious, angry and distressed!

I can't wait to jump up and yell!

"My car, it's been less than three days with me, what bastard did this, I have to kill him!"

...

Chapter 85: Get Away

Chapter 85: Get away

Fu Yechuan gave him a cold look on his face. The feeling in his chest was dull and irritable. When he looked at Cheng Yi and pulled Su Nan's hand, she did not refuse. That scene, I don't know why, felt really Very dazzling!

Lu Qi kept chattering aside, "Didn't you see who did it? Who the hell hurt my car? I specially shipped it from Europe, and it floated at sea for more than half a month, that bastard. It's really inhuman!" The

Su Group.

A few days later, Lin Shuang was officially kicked out of the company and charged in the name of leaking trade secrets. The company's supervisory board began to investigate the accounts handled by Zhang Ming, and suddenly learned that 3% of Zhang Ming's shares had already been sold at a high price. Going out, he is now just an empty shell, deceiving everyone.

When Yu Lou was reporting this matter to Su Nan, Su Nan was drinking coffee leisurely and squinting his eyes. He couldn't control Su Nan's thoughts. She wasn't in a hurry for such a big thing?

"Vice President Su, do you need me to investigate immediately who he sold his shares to?"

If it is a rival company, wouldn't it be sheep?

Su Nan chuckled lightly, picked up a document from the side and threw it on the table, "Big brother has already prepared, how could he let his shares fall into the hands of others?"

Yu Lou went over in surprise. Look, the assignee above turned out to be Su Nan!

What a good trick!

"Could it be that Zhang Ming sold it to Mr. Su's person without knowing it, and then that person sold it to you, Vice-President Su?" Yu Lou asked.

Su Nan raised his eyebrows and smiled softly, "That's right."

Su Jin thought more than everyone else. He started planning this matter early in the morning. Zhang Ming's shares were just a little gift from Su Jin to Su Nan. .

Later, Su Jin's plane arrived, and Su Nan took Su Qi, who was resting at home, to pick up the plane.

Worrying about the sensational situation of picking up the plane at the airport last time, two people were waiting in the parking lot, each holding a cup of coffee. There was no one around, and it was very quiet.

In a few minutes, Su Jin appeared in a low-key manner. As soon as Su Nan saw him, he was tall and straight, with handsome features, and he recognized him at a glance.

She couldn't wait to get out of the car and ran over, opened her arms to meet him, hugged his neck like a kangaroo and didn't let go, "Welcome Big Brother home—"

Su Jin chuckled helplessly, "You miss me so much?"

"What about my gift?"

Su Qi also couldn't wait to get out of the car, and opened his arms to hug him, imitating Su Nan's appearance, "Welcome Big Brother home—", but before he touched Su Jin's neck, he was pushed away by Su Jin, "Go away..."

Su Qi: "...?"

Su Nan laughed, and the assistant behind Su Jin held seven or eight suitcases. After she let go of her hand and glanced at it, a little surprised, she thought, "Does eldest brother use so much luggage?"

On the other side, Su Qi snorted coldly, didn't say anything angry, and said harshly: "I want to break up with you!"

"It's good to leave!" Su Jin raised his eyebrows, and then touched Su Nan's side with his head. He said, "Don't worry about him, let's go, brother brought you a few boxes of gifts, I'm sure you like them, you can pick the rest and find one or two things you don't like and give them to A Qi."

Su Qi in front of him paused, aggrieved again. Angrily looking back at the two people, he gritted his teeth: "Can't you speak in a low voice?"

He is the saddest actor in the world who has no sense of existence at all!

A group of assistants behind them were panting and cautiously pushing the big box: "..."
