Chapter eight hundred and eleventh clearly hate you

Chapter 811 I clearly hate you

, Fu Yechuan, who has deep facial features and tilted his head to look at him:

“Fu Yanni is also arranged?”

“Yes, Master Fu is very cooperative, but he has a request, you help him Concealing things...”

Chen Mian never thought that Fu Yanni wanted to make a personal appearance in the entertainment industry, and he gave up even exploring.

He likes that woman so much that he doesn't want her to be exposed.

Because once you go to the bottom, most of the feelings will end without a problem.

Fu Yechuan sneered coldly, “Yes, but if he dares to piss me off, I will let that woman marry Lu Qi again!”

Chen Mian: “Yes...”

Oh, this is really torturous!

Fu Yanni heard that, 80% of them are going crazy!

Fu Yechuan rubbed his eyebrows, and Wu Tutu leaned over, “Mr. Fu, do you like that gift, Miss Su?”

“Give more, there will always be one that she likes!”

Wu Tutu was shocked by the rhetoric, but Then I felt very impressed.

Such a Fu Yechuan, if he can't catch up with a woman, it's really unreasonable!

Something flashed through Chen Mian's mind, and she immediately said,

“Mr. Fu, just now...Miss Su transferred a sum of money.”

After speaking, the office fell silent.

Chen Mian felt his scalp tingling, and his words were like pouring cold water on those two passionate people.

No way, could he still smuggle this huge sum of 50 million?

Wu Tutu rolled his eyes at him before looking at Fu Yechuan with a smile.

“Mr. Fu, it may be that Miss Su likes it so much that she found an excuse to stay...”

What a far-fetched reason...

Su Nan wants to keep things, but also use excuses?

She clearly hates him plainly!

Fu Yechuan's black eyes were particularly deep, and he was silent and cold:

“Let's have a meeting.”

...

Su Zhai.

After Su Nan went back, he asked the driver to take Yu Lou home and come back.

She walked slowly in the yard with a cane.

The butler beside him looked terrified.

“Miss, why do you have to torture yourself?”

Su Nan: “The doctor also told me to exercise more!” The

housekeeper: “The ground is slippery, let's go for a walk in the living room, it's still warm!”

Su Nan thought it made sense, so he followed go in.

Before reaching the door, I heard a burst of laughter.

It seems that Ning Zhi has come!

“Understood?”

Ning Zhi replied and stuck his head out of the kitchen.

“Little Si, Uncle is cooking in person...”

Su Nan raised his eyebrows, “Really?”

Su Yifeng has already handed over the power of the kitchen to Su Qi these days, and he basically doesn't cook much. .

I didn't expect him to be so excited today!

Su Yifeng walked out with a smile, “Did the talks go well? What did the people from Xinhai say?”

Su Nan smiled, “The person who came to see me under the guise of Xinhai is Mr. Fu!”

For a while, Su Yifeng's face sank.

“What?”

Su Nan cut the story short, ignoring the pink diamond necklace of course.

When Su Jin came down from the upstairs, his face was ugly, but his good self-cultivation would not allow him to lose his temper in his own home!

But Su Yifeng couldn't bear it, he was about to go out with a shovel and an apron.

“Damn, I fought with that old thing!”

Su Nan hurried over to stop him, “Dad, it's all settled, no need!”

“He dared to do something to you, I really thought it was thirty years ago, he Is it time to cover the sky with only one hand?”

Su Yifeng's face was red and his neck was thick, and after scolding for an hour, he gradually calmed down.

Fortunately, there was Su Qi in the kitchen, so the meal was finally eaten.

Until dinner, Ning Zhi's face is not good-looking.

“Seriously, is the Fu family really going to change?”

...

Chapter eight hundred and twelve take advantage of the fire

Chapter 812 Let's rob

Su Qi frowning, "It's not so, it can change so easily, so Fu Yechuan is eating dry rice?"

Su Yi squinted his eyes, "How about we take advantage of the robbery and let They suffer a bit?"

It seems that he really holds revenge!

Su Nan smiled helplessly, "It's not that easy. I think Fu Yechuan knows the whereabouts of Mr. Fu like the back of his hand, so he will not be unprepared."

Su Jin remained silent for a while.

"That's not necessarily true. If you really do it, it's not without chance."

Su Yifeng looked at his eldest son with satisfaction.

Sure enough, the eldest son is just like him.

Unlike Su Qi, he will only destroy his prestige!

Su Nan paused, "If it was before today, of course we could have done this, but after today, I hope Fu Yechuan can win."

He won and was mad at Old Fu.

Isn't her revenge on the line?

Su Jin and Su Yifeng looked at her slightly dissatisfied, trying to persuade her not to be emotional.

But Su Nan said bluntly: "Mr. Fu wants to pull him down, we can't let him do his best, we have to let Fu Yechuan be in that position!"

Su Yifeng and Su Jin nodded clearly.

It sounds like there is some truth to it.

But something always felt wrong.

Su Qi ate the steak in front of him and chewed it a few times.

"Is this steak old?"

Su Nan paused, "It was fried by Zhizhi!"

Ningzhi smiled embarrassedly, "I'm sorry, I..."

Su Qi interrupted her quickly and saved her:

“I just like to eat old ones, they have good teeth and taste good!”

Su Yifeng and Su Jin were so speechless that even Su Nan couldn't help but fly over with a blank eye!

After the meal, Su Nan and Ning Zhiliao walked around the living room for a while, with Su Qi Baba following behind.

Handing out fruits for a while and snacks for a while is called hospitality.

Of course Su Nan knew who his target was.

Ning Zhi also felt a little embarrassed there, and his face was a little red.

Unconsciously it was night.

Su Nan was about to go up to rest, and Su Qi immediately stood up.

“The guest room is ready, just next to my room!”

He deliberately packed his study into a guest room because it was the closest to him!

Su Nan smiled and spoke lightly.

“Understood, sleep with me, we haven't chatted for a long time...”

Ning Zhiliao simply nodded:

“Okay!”

Su Qi's face was stiff, and he gritted his teeth as he looked at Su who was making trouble for him. Nan.

“Su Xiaosi, you...”

Su Nan pretended not to know anything, “What am I...”

Su Qi forced a smile.

“You said so much just now, how can you say that you haven't chatted for a long time?”

Ning Zhi smiled, “If you don't say anything before going to bed, you can't call it a 'chat!'”

Su Nan nodded heavily.

Don't be in a hurry at this moment, Su Qi is really worried about gain and loss!

The two went upstairs hand in hand.

Su Qi could only watch, and muttered in a low voice from behind:

“Do you need me to chat with you? Leave after chatting...”

” Go away...” The

two girls said in unison!

Su Qi was extremely lost, one was his own sister who only knew how to make trouble, and the other was his sweetheart who knew exactly what he wanted.

He really can't afford to offend anyone!

...

Su Nan and Ningzhi went upstairs and started applying masks and maintenance step by step.

The two were lying on the warm balcony, while Su Xiaohu played soothing music and relaxed for a while.

It's just that Ning Zhidao's phone rang once and then again.

She frowned, picked it up impatiently and looked at it, cursed secretly, and turned off the phone.

Su Nan was puzzled, “What's wrong?”

“Xiao Ran, he asked me to borrow money over and over again, and now he is still waiting for me at my door...”

...

Chapter eight hundred and thirteenth found in the garbage heap

Chapter

813 Su Nan found in the garbage heap was a little surprised, “Borrow money?”

Ning Zhi sighed and stroked the slightly wrinkled mask.

“He owed a lot of liquidated damages and was desperate. He came to me and begged me for help. I thought he was pitiful, so I gave him a sum of money, but he didn’t take the money to pay the liquidated damages, so he bought powder, What a broken jar!”

Su Nan’s eyes widened in shock.

“Then what?”

Ning Zhi sneered, “Just when I found out, I called the police. He stayed in there for a few days, but he came out to take care of me and borrow money!”

Su Nan clicked, “So you hide in Our house?”

Ning Zhi murmured, “The third brother strongly invited me to come, let’s hide for a few days, so that he will not be daydreaming and doing crazy things!”

Su Nan nodded in agreement, “You I can live all the time, anyway, I won’t go out to live, we can still be company!”

Ning Zhi didn’t answer, but sighed.

“How could I have found him in the rubbish heap, I was really blind!” On the surface, it was serious, but it was so dirty behind the scenes!

Su Nan: “It’s fortunate that you parted early, otherwise he would be implicated sooner or later.”

Ning Zhi only lamented how human nature has become so fast and so fragile.

After knowing Xiao Ran for five or six years, she did not see that he was a bottomless person.

Ning Zhi remembered something.

“Fu Yechuan and Shang Qian, both are good, which one do you think is better?”

This question hit the nail on the head.

Su Nan tried to calm herself as much as possible.

“Okay, what does it have to do with me?”

“You have to choose at least one. You can’t be single until you are old, and you will be married forever. Didn’t you like this sentence very much before?”

If Ning Zhi looked at her at this time, she would find that Su Nan's eyes rolled to the back of his head. .

"No, I now think it's better to have a group of people for the rest of your life!"

There was silence in the air.

Ning Zhi didn't know what to say for a while, it's only been a year, she has become too fast!

"I think Shang Qian is interested in you, do you know him?"

Su Nan was silent for a while, then shook his head.

"Shang Qian feels very gentle and reliable, but I always feel that I can't see through him, but I like his son more!"

Little Mike, the clever little ghost, I wonder if he has been scolded now?

After the two of them put on the mask, they didn't have the energy to stay up late, and went to sleep at the same time.

In a few days, Su Nan was able to walk without a cane.

Although the project in S City is still a little troublesome, it does not affect the start of construction. Chen Jian also devoted twelve points to watching it.

Su Nan wanted to visit the company early in the morning, but suddenly received a message from Leng Lin.

"The first season has ended successfully, do you want Miss Su to join our celebration party?"

She invited her kindly, but Su Nan couldn't refuse.

What's more, Leng Lin's law firm also contributed money and network resources. If she did not show up, it would inevitably lead to a lot of unnecessary speculation.

She replied: "Okay." After being

bored for so many days, she really needed an activity to relax.

Leng Lin immediately sent the time and place, and at first glance, wasn't that a hotel near the crew?

Not very far either.

Immediately, she told the driver to turn around and went directly to the appointed place.

As soon as she got out of the car, she saw a familiar person standing there, as if she had just come out after talking about things, shaking hands and saying goodbye.

Coincidentally, it was Shang Qian...

...

Chapter eight hundred and fourteenth I want to meet your friend

Chapter 814 I Want to Know Your Friend

Su Nan subconsciously got into the car, I don't know why, maybe the two of them are alone and feel a little uncomfortable.

There are also various greeting messages sent by Shang Qian to her on the phone.

Basically a dozen or so a day, she can reply some in her spare time.

But most of the time it is ignored, Shang Qian's enthusiasm is too obvious.

If she responds positively and refuses too much, it will hurt the relationship between the two, not to mention, he saved her.

Su Nan owed him what he didn't want to pay back.

Fortunately, I didn't have the impulse to try it with him.

Not to mention how comfortable she is alone!

The new driver in front didn't know why Su Nan went out and came back.

Suddenly I remembered the training of the housekeeper. When the lady gets off the bus, she must take the initiative to open the door, and she must not let her open the door to get on and off by herself.

Otherwise, it is dereliction of duty!

The driver was shocked, perhaps, this is testing himself?

He got out of the car without saying a word.

He walked to the rear door, put one hand behind his back, and opened the door with the other.

“Miss, please...”

Su Nan didn't react to anything, staring blankly at the suddenly opened car door, and Shang Qian who was looking here...

For a moment, she was very speechless.

Shang Qian happened to see this, his eyes lit up, and he took a step towards this side.

No way, you have to get out of the car!

The driver protected her forehead very thoughtfully.

Su Nan smiled helplessly and looked at the new driver, hehe...

“Su Nan, why are you here? Are your legs okay?”

Shang Qian's temperament is noble, clear, gentle and modest. When he looked at her, his eyes reflected her, making his heart beat faster. .

Su Nan smiled, “It's much better, there's nothing wrong with walking normally. A program I voted for held a celebration party today and invited me to come over to be lively and lively. I'm too bored at home, so just come and have a look...”

Shang Qian thoughtfully picked up her bag in the back seat, and subconsciously wanted to go over to hold her arm.

Su Nan slowed down a bit, then took a step forward casually, avoiding his hand.

Shang Qian handed over her bag, still a little worried, asked what floor and hall she was on, and paused.

“I'll take you up...”

She smiled slightly:

“It doesn't matter, it's really all right, otherwise my dad wouldn't let me go out.”

Shang Qian smiled gently, “But I Would you like to meet your friend, okay?”

Su Nan was silent for a moment, but Shang Qian didn't feel lost at all, as if he knew that his abruptness might not come true.

But he was mentally prepared.

“The development potential of the entertainment industry in country Z is still very large. Basically, it is common to break the barriers of class by entering the entertainment industry.

It just so happened that I handed over some investment plans, all of which are in the entertainment industry. I don't mind if I'm using it. 'Do you have a lot of knowledge?’

Shang Qian's explanation was official and patient enough.

Although I don't know if it's true or not, it makes Su Nan relieved.

What a condition for coexistence of interests, of course she doesn't mind!

“Of course I don't mind, but a celebration party is of little value. If there are other activities next time, I will definitely call you.”

Su Nan said it very happily. She is such a generous person. She will definitely grasp the favor that can be repaid with money!

No amount of money or resources will be stingy!

Shang Qian smiled warmly and sincerely and nodded.

Suddenly, he stretched out his hand to support the broken hair that was blown by the wind by her ear, so casually careless, but his movements were very gentle...

...

Chapter eight hundred and fifteen was driven out

Chapter 815 Was kicked out

Su Nan didn't notice this at all, and took him forward with his bag.

As he walked, he introduced the current situation of the entertainment industry to him.

“Although I don't know too much about this industry, I heard that the government has been eyeing the high salary here.

Therefore, some artists are not worth much, so they either improve the quality of the drama or use other channels. Turning to the artist, in short, this business is still risky.”

Shang Qian followed and nodded.

“I’ve also heard the wind, but some of the top streamers that I was optimistic about before have all overturned, the characters have collapsed, and even the drama can’t be broadcast, so I watched it all the time.”

Su Nan forgot that he was a cutie . A real investor.

If you are interested in this circle, I am afraid that you have already investigated clearly and clearly, it seems that the excuse he made is just an excuse after all.

For a time, she felt complicated and a little lost.

Shang Qian noticed the change in her mood and was a little confused.

But in the conversation just now at the meeting, he didn’t know what he said was wrong, which made her suddenly lost.

He tentatively asked: “Is there a top class that you like?”

Su Nan was stunned, and quickly clarified herself:

“I don’t chase stars, I’m not a fool to look at the face, I’m the richest woman who wants to concentrate on her career. !”

There was a sudden silence in the elevator, and Shang Qian couldn’t help but smile.

“Yes, I can tell.”

Su Nan looked at the way he smiled, and suddenly choked, can you really tell?

He is clearly lying!

Forget it, I will use facts to prove my strength!

She doesn’t want to talk anymore!

As soon as the elevator arrived, I found a separate hall, and I was watching someone looking outside, looking familiar.

Su Nan took a closer look, hehe, isn’t this Lu Qi?

Lu Qi naturally saw her and Shang Qian behind her.

With a strange and complicated expression on his face, he withdrew his gaze and looked at Su Nan.

“So... coincidental?”

Su Nan glanced inside, it was very lively, but there was a doorman guarding the door, so most people couldn't get in.

Only then did I understand that Lu Qi couldn't get in and was in a hurry outside!

She suddenly smiled, "Unfortunately, I was invited here, how about you..."

Lu Qi's smile froze slightly, and ten thousand grass and mud horses galloped past in his heart.

This Su Nan, who speaks specifically to stab people's hearts, is what Fu Yechuan can stand!

He coughed and wanted to find an excuse to explain to himself...

"I..."

The doorman at the door came over with a wink and opened the door for her, "Miss Su, please Come in..."

Su Nan smiled and looked at Lu Qi, and the doorman explained:

"After Mr. Lu entered, he made trouble and beat people, so the director and producer asked people to invite Mr. Lu out... .."

Hahahaha...

Lu Qi's face was as ugly as stepping on shit.

He stared at the doorman coldly, "You need to say..."

The doorman was still very afraid of him, and took two steps back embarrassedly.

Su Nan smiled, "Who are you frightening, Mr. Lu, let's go first." After

saying that, she looked back at Shang Qian. According to the entry rules, you need to hold your arms.

She was still hesitating, but Shang Qian had already taken a step forward and stretched out his arm.

It's just etiquette, and Su Nan didn't care too much.

Just as he was about to walk in, Lu Qi followed behind, and he smiled with a dog-legged attitude.

“Su Nan, take me in...”

If you were watching the people inside, you might as well dig out his eyes!

Most of the readers are now reading this novels:-

, Su Nan, with a meaningful smile, “Do you think it’s possible?”

She was always on Leng Lin’s side from beginning to end.

Lu Qi pursed his lips, leaned forward, and said in a tone that the two of them could hear:

“Otherwise, I’ll ask Fu Yechuan to come and take me in. He’s not just making trouble and beating people, he’ll kill people.

” He glanced meaningfully at Shang Qian beside her.

Damn, this Lu Qi is also very untidy!

Su Nan’s heart was stagnant for a while, but he dared to threaten her?

However, she believed Lu Qi’s words, and Fu Yechuan’s arrogant temper, she really did it.

Although the well water does not cause the river water now, once the river water gets out of control and the pond fish is affected, it will not end!

Su Nan twitched the corners of her mouth, but after a few seconds, she looked back at the doorman.

“Let President Lu go in, I said.”

After speaking, she turned around and left.

As if afraid of getting on this dog skin plaster.

Shang Qian didn’t ask anything. After entering, the temperature was suitable, not so cold.

He very considerately helped her take off her coat and handed it to the waiter beside her.

Su Nan smiled and thanked, and then picked up a glass of red wine, but Shang Qian blocked it.

“The leg injury is just right, but you are still taking medicine, and drinking is fine.”

Su Nan smiled and nodded happily. Shang Qian’s actions were very thoughtful, warm, and refreshing.

He brought her a glass of soda from the side, and Su Nan took it and smiled.

Before entering, I heard a voice not far away gradually approaching.

“Susu, it’s been a long time since you showed up, I’m about to kill you!”

Fu Yanni was dressed in a black dress, handsome as jade, slender and straight, like a prince who came out of a book.

No wonder he can capture so many fans at the fastest speed as soon as he enters the circle. His conditions are unique.

He smiled with a handsome temperament, and those peach blossom eyes were enough to attract people. He opened his arms and planned to hug her.

Su Nan suddenly remembered the gossip he heard from Fu Yechuan, Fu Yanni and Leng Lin were dating.

Immediately, she smiled meaningfully.

The next second, Shang Qian stretched out his hand from one side, “Hello, Mr. Fu.”

Fu Yanni froze, only to notice that there was another person behind her.

He frowned at the two of them, and immediately frowned aggrieved:

“Susu, I was the first to line up, how could you let other men jump in the line?”

Su Nan rolled his eyes speechlessly, “It’s so pretentious. Man!”

Fu Yanni suppressed his guilty conscience and looked at Shang Qian.

“You know me? Ha, I know you too, President Shang?”

Shang Qian nodded politely and politely.

The two of them released their hands as soon as they held it.

Fu Yan and Ni leaned forward:

“Although I think the two of us are the most suitable, but as long as you don’t choose my second uncle, I will agree.

My second uncle can’t be too cheap for him!”

Su Nan picked He raised his eyebrows, and pursed his lips.

Does your second uncle know you think so?

“Okay, I will definitely transfer to the place.”

Fu Yanni’s face stiffened, and he stumblingly smiled:

“I don’t need to convey it!”

Once conveyed to Fu Yechuan’s ears, his life would be over!

Coincidentally, the director and Du Yan came together with wine glasses.

The guests at the beginning of this variety show are attractive enough, although Su Nan, Fu Yechuan and Xu Teng all withdrew, causing a commotion for a while.

After everyone vented their dissatisfaction, they suddenly found that the other new guests who joined in the follow-up were also very interesting, and everyone had a different understanding of the degree of determination and the profound meaning of starting over.

After all, those who want to divorce, like Su Nan and Leng Lin, really can’t bear life anymore...

...

Chapter 817: The Shadow of President Fu

Chapter 817: Mr. Fu’s shadow

Leng Lin came forward and solved many difficult problems. These problems are encountered by everyone in daily life, but for housewives, it is like a bolt from the blue and powerless. .

Therefore, the ratings of this show have steadily broken the record, and the popularity of the first year is not blown out.

Therefore, the faces of the director and Du Yan were filled with bright and ruddy smiles.

This wave, they made a lot of money.

It was also thanks to Su Nan who recommended Leng Lin and thought of such a good method.

Leng Lin looks dull and taciturn, quiet and gentle, but after she has been in contact with her for a long time, she will find that her thinking and logic are very fast and agile, and her jumping is different from ordinary people.

Therefore, in the program, it also provided a lot of highlights, attracting countless fans.

Du Yan came over and said with

a smile, "Mr. Su, I haven't seen you for a long time. I wanted to visit a doctor before, but I was stopped by Film Emperor Su, saying that you don't want to see me!"

Su Nan clinked glasses with him, her tone Easy:

"It's clear that my second brother doesn't want to see you."

Du Yan: "..."

Is he so unlikable?

The director laughed, "Mr. Su, don't listen to his nonsense. He is so busy running the crew all day that he can't even find time to eat. I haven't seen him make a phone call to others for half a month!"

Su Nan smiled. Then he introduced Shang Qian next to him.

Knowing Shang Qian's identity, the director was instantly in awe.

It's like seeing the future gold master father, so respectful.

Shang Qian gives the impression that he is not far or near, warm and modest, noble but approachable.

He is more close to the people than Fu Yechuan.

The director took advantage of the situation: "Can you invite President Shang and President Su to participate in the next season's program?"

Just like this season, everyone came for Su Nan and Fu Yechuan at the beginning.

If Su Nan and Shang Qian participated together, the topic volume and traffic would definitely not be said!

Su Nan smiled, Shang Qian's character would not participate.

Moreover, the slandered incident just happened, and everyone's doubts have not dissipated...

At this time, participating in the show has raised the topic, but it is hard not to let everyone speculate that Shang Qian took the opportunity to make money!

Just as she was about to reject Shang Qian, Shang Qian smiled and said softly:

"Actually, I really want to participate with President Su, but I heard that President Fu has an investment. If he agrees with me, I have no problem. ." A

word, like cold water poured on the director's head.

Counting nine cold days, it was terribly cold.

The director shivered suddenly, he was really floating, thinking about the traffic and popularity in his mind, and he forgot the huge capital relationship behind it.

If Fu Yechuan knew that he had invited Shang Qian to participate, he would be sure that his career would come to an end!

Shang Qian actually woke him up very politely.

The director reacted very quickly, and immediately exposed the topic, looking at Fu Yanni:

"Then Master Fu must continue to participate!"

Fu Yanni also gave face very much, "I must give me a salary increase..."

"Of course. Of course!"

Everyone was talking and laughing, and Leng Lin, who was not far away, saw her and waved at her.

Su Nan said sorry and walked towards her alone.

There are also three female stars opposite Leng Lin, Yang Qian, Zhang Zhang and Ying Ying.

Zhang Zhang and Ying Ying are the rescuers, and they are not low in the circle, but Su Nan is not familiar with them.

Su Nan has worked with Yang Qian and was impressed.

She had a fight with Xu Teng and forced Xu Teng away, and she became a resident guest.

I have to say that she mixes well in the circle and knows the rules and unspoken rules of the circle.

She didn't take advantage of this to play, she stayed there very sensible, and established her own character in the show to attract fans.

The effect is unexpected...

...

Chapter eight hundred and eighteen touting each other

Chapter 818 Touted each other

Leng Lin watched her come over, cared about her injury, and was relieved to see that she had no wine in her hand.

"Su Nan, is your injury better?"

Su Nan nodded and smiled.

"I know you've been to the hospital, but every time you meet my eldest brother. My eldest brother is not human, so he didn't see you. Don't be angry."

Su Jin was the one who had been to the hospital when Leng Lin came to the hospital. Said later.

Leng Lin didn't mind, "I understand, you should rest well." The

other three greeted her, and Su Nan replied politely, without any pretence.

Then fell silent.

The three female stars don't know how to curry favor with Su Nan.

Su Nan also wanted to get too close to them.

It's too embarrassing to think about, after all, it's a star, and it has always been a star holding the moon, and maybe there will be cooperation in the future, so let's talk a little more.

She looked at Zhang Zhang: "After Zhang Ying, I have always liked your play very much. It's such an honor to invite you this time!"

Zhang Zhang was originally a big sister.

But after listening to her, she quickly waved her hands modestly and wanted to bow again, as if she was at a loss.

"No, I'm really honored to be liked by you, Miss Su."

She licked her flaming red lips, and simply raised a glass of red wine in front of her:

"In order to express my love, I did it, you are free.

", she swallowed a few mouthfuls.

Su Nan looked at her in shock, a little sluggish: "..."

Ying Ying on the side was also a little nervous, hesitating whether to drink or not.

On the contrary, Yang Qian naturally joked:

"After the movie, you will scare Miss Su. She hasn't recovered from her injury, so she can't drink."

Zhang Zhang waved his hand quickly, "Don't drink, don't drink, you must never drink!"

Su Nan was confused by this reaction Can't figure it out.

They hadn't met, how could Zhang Zhang be afraid of her being like this?

She smiled politely, "Queen Zhang Ying is too polite, she has a straightforward temperament, if my body recovers, I will definitely have a drink with me

!" After

saying a few words, Leng Lin took her there, seeing that she was uncomfortable. Sit on the sofa on the other side.

Su Nan breathed a sigh of relief and asked involuntarily,

"Am I so scary?"

She also touched her face. In order not to steal the limelight from the stars, she also wore a more elegant dress, but her

makeup was still very delicate . Yes, bright and elegant, generous and decent.

But it's not too scary!

Leng Lin smiled, "She's very timid."

Su Nan frowned in surprise, Leng Lin finally solved her doubts:

"Although she is a movie queen, she was also an embarrassed movie queen many years ago. She was in Hong Kong. She has been banned in the circle for a long time, and finally got the opportunity to work, of course, she was trembling.

When Suying asked her to help, he should have mentioned her so that she should not offend you.

So she has been there for the whole season. I wonder if you will participate again..."

Su Nan: "..."

Does Su Qi need to publicize her bad temper everywhere?

It is absolutely speechless!

Su Nan smiled, "Forget it, there's nothing to do with it anyway, whatever..."

She turned her head to look at Leng Lin, her face was very good, and there were more smiles on her face.

"I heard that the reputation of the law firm has gone out, and the number of people making appointments has increased several times?"

Leng Lin nodded, "Everyone who made appointments will be lined up until next spring, but I have limited the number of appointments, so that people cannot think that the law firm is for The money is gone, without the help of the show, I have to do things for others!"

Su Nan nodded, she completely believed in Leng Lin's character and would not mess things up.

As they were talking, a person suddenly appeared on one side, slowly approaching them...

Su Nan was taken aback. Looking closely, it was Lu Qi!

When Leng Lin saw him, her face sank and her smile disappeared completely.

“Why did you come in again?”

Lu Qi pursed his lips, and just as he was about to betray Su Nan, Su Nan glared at him fiercely.

He didn't turn his head, “I sneaked in.”

“You are not welcome here!”

Lu Qi sneered: “You don't welcome me, right?”

“It's good to know.”

Su Nan felt a little embarrassed to sit there. Why don't you find another place to sit?

She quickly and calmly analyzed her position and decided to go first!

Just before he got up, Lu Qi couldn't help gnashing his teeth:

“What's so good about that little white face? He can't get a penny of the Fu family's property, he just thinks it's new to you...”

Pop—”

Leng Lin couldn't help but slapped him in the face, her eyes extremely cold.

“Go away, I don't need you to take care of my business!”

Lu Qi's face turned red and white, as if trying to suppress his emotions.

He gritted his teeth and was about to speak when he suddenly heard Fu Yanni's sneering voice.

He has been keeping an eye on Leng Lin, and as soon as he sees any movement in her, he leaves everything behind and runs over.

The haunted Lu Qi is here again!

“I said, Mr. Lu, it’s the first time I’ve seen such a thick skin of yours. There must be a limit to your shameless face...” When

Lu Qi heard this voice, his face was blue and his eyes were gloomy.

“I’m talking to my ex-wife, what’s the matter with you?”

Fu Yanni curled his lips, those peach blossom eyes were so irritating that he didn’t pay for his life!

“You also know it’s your ex-wife, and now she’s my girlfriend, please stay away!” The two men confronted each other with equal aura.

But Lu Qi was in the mall after all, and he had never seen any sinister and sinister scenes.

Fu Yanni, a son of a noble family, is first-class in survival and exploration in the wild.

But in terms of battle, Lu Qi is even better!

However, the reason why Fu Yanni was so arrogant was that he won the favor of Leng Lin.

A woman’s partiality is the key to a decisive victory between two men!

Lu Qi was so angry that he lost his mind, “Fu Yanni, don’t take yourself too seriously. Does the Fu family have someone like you?”

If it wasn’t for Fu Yechuan’s face, I would have been unable to bear you, you know?”

What he said was hard to hear, but it was the truth.

The Fu family has Fu Yechuan, and everyone else is a foil.

Lu Qi and the others respected and feared not the entire Fu family, but just one Fu Yechuan.

Fu Yanni raised his eyebrows and looked at him with evil eyes, not angry at all.

He walked slowly to Leng Lin’s side, stretched out his hand around Leng Lin’s shoulder, and said in a solemn tone: “I know that I can’t compare with President Lu

, but my heart for Leng Lin will never change.

I understand that you are always mad at me, but don't be mad at Leng Lin, I don't want you to be upset because of me." The

atmosphere was silent for a moment.

Su Nan couldn't help but raised his head and widened his eyes.

OMG!

If she hadn't seen it with her own eyes, she would have thought it was acting!

Fu Yanni's words, the feeling that he said, why is it so "male junior"?

Tea in tea!

Lu Qi was also so impressed by his words that he wanted to spit it out.

Especially the pair of sharp-edged eyes, because of his words, he was so cold that he could not wait to chop people up immediately!

Sitting in the distance, she could feel the deadly indifference all over Lu Qi...

...

Chapter eight hundred and twentieth was green

Chapter

820 Su Nan sat there, subconsciously looked up, and happened to see the scene of Fu Yanni and Leng Lin looking at each other affectionately!

She pursed her lips and lowered her head in silence.

If Fu Yanni is serious, then it's okay for them to be together.

If they are suitable, they will be together. If they are not suitable, they will be separated. There is no need to get married as soon as they come up.

Just like marrying Lu Qi, they endured to the extreme before they parted, leaving nothing but hatred.

Who says you can't have a willful love affair after a divorce?

What's more, Fu Yanni looks unreliable, but he is not bad.

Comparing with each other, Su Nan has begun to be optimistic about the pair of Leng Lin and Fu Yanni!

It was just that Lu Qi was trembling all over.

Before he could lift his slap, Fu Yanni stood in front of Leng Lin.

It looked like he was going to be beaten for her.

“Leng Lin, you’re so good, Mr. Lu doesn’t know how to cherish you, but I will.

I can’t bear to have a little bit of sadness for you. No matter what difficulties and obstacles lie ahead, as long as we are together, I won’t let you hurt in the slightest!”

At that moment, Su Nan suddenly saw Aunt Yao’s script...

She can be regarded as a woman who has seen many small green tea and white lotus flowers.

But compared with Fu Yanni, the ones I encountered before are really too low rank!

Leng Lin was so moved that she almost cried. The affectionate look of the two made the people around them envious.

And Lu Qi’s face was red and white, ugly and ugly, with a look of shit in his eyes.

The tea smell in Fu Yanni’s tea is green!

Su Nan almost looked at Lu Qi pitifully, he was really miserable!

She couldn’t help but picked up her soda water and took a sip of it...

His fists were clenched tightly, the blue veins bulged, and he seemed to be trying his best to endure.

Suddenly, he stretched out his hand, pointed at Su Nan, and looked at Leng Lin.

“Did you know that Su Nan, who Xiaobai Lian liked originally, didn’t dare to offend Fu Yechuan before he gave up. She has a fascination with divorced women, so he turned his target to you!

Oh, do you think he really likes you? ?”

Lu Qi’s words were like a bomb dropped on the ground, and the people around it woke up instantly.

Su Nan's saliva almost spurted out, she suddenly raised her head and stared at Lu Qi coldly.

The pity towards him that had just risen in my heart disappeared in an instant.

He deserves to be single for the rest of his life!

It's better to chase after the wife to the crematorium, and then there are no bones left!

"Nonsense!"

Su Nan and Fu Yanni said in unison, and the two denied it very tacitly!

Fu Yanni glanced at Su Nan and blinked.

Su Nan raised his chin, arrogant and graceful, dignified and cold.

Their little ambiguity was entirely unilateral by Fu Yanni, but Su Nan didn't respond.

Fu Yanni's heart was just for a while, calm down and think about it, maybe it was a spur of the moment, fascinated by sex!

He is now lost!

It's completely different from the feelings he has towards Leng Lin today. He is so tender and tender that he wants to live with Leng Lin for a lifetime!

Just as Su Nan was about to clarify their relationship, she heard a warm and warm voice from behind.

Gentle and sharp.

"As the honorary editor of a fashion magazine, President Lu is so outdated and outdated. Miss Su has a few male friends, but she is so unbearable?"

President Lu can't ask for it, but he wants to destroy the three good friends at once. Friendship?"

Shang Qian came over, his tall and straight body stood upright, and the momentum around him was warm but indifferent.

Since he came in, he has been talking and laughing with others very modestly. Everyone has a very good impression of him. He is expensive but approachable.

But what he said suddenly changed people's minds...
