Chapter eight hundred and twenty first put down harsh words

Chapter 821 Put down the harsh words

Shang Qian is not without temper, but his temper is hidden.

When Su Nan was wronged, he couldn't hide his temper.

Su Nan's heart skipped a beat. Such undisguised protection really made people feel warm and comfortable.

She smiled at Shang Qian and expressed her gratitude.

With so many people watching, Lu Qi felt that his face was overwhelmed when Shang Qian said this.

What kind of thing is Shang Qian, who dares to point his nose to teach him?

He stood on the same line with Fu Yechuan, and had no good impression of Shang Qian.

Suddenly, he was about to turn around and curse, when he suddenly saw the coldness in Su Nan's eyes.

With a shiver, he realized that he had scolded Su Nan in what he said just now!

Suddenly, a chill emerged from his bones.

She has his fruit photo in her hand, and once it is sent out, he can't be a human being!

Moreover, she is Su Nan!

Thinking of this, Lu Qi swallowed the words in his throat.

He looked at Su Nan, then at Shang Qian, and looked away resentfully.

Just when everyone thought that Young Master Lu was going to start making trouble again, he suddenly let out a smile and came to Su Nan.

In front of everyone, bow slightly.

"I made a blunder, I'm sorry Su Nan, I was impulsive, forgive me!"

He smiled stiffly and carefully.

The people present were undoubtedly scared out of their souls.

No matter what Lu Qi said, he was also the president of the Lu Group.

Although the Lu family is not what it used to be, and cannot be compared with the flourishing Su family, but he has been in this circle for a long time, and his status is also highly praised.

Who didn't know that he was Fu Yechuan's good brother, the president of the Lu Group, and he apologized so humbly because he made a mistake?

For a time, everyone was shocked and speechless.

However, Su Nan hooked her lips, not at all surprised or uneasy at the scene.

She glanced at Lu Qi calmly and calmly. This dog has a long memory and knows the benefits of admitting mistakes in time.

Otherwise, she will definitely let him taste the price!

After a few seconds of silence, everyone was watching. She smiled slightly, blinked her eyes, and her eyes were bright and beautiful.

"I forgive you, President Lu, but there is only one chance, so be careful next time you speak."

She smiled kindly, as if joking.

But only Lu Qi could hear her warning!

Immediately felt a scalp tingling!

For your own dignity!

He must endure!

Su Nan looked at Du Yan, who was watching the excitement, "Are you going to open champagne?"

Du Yan understood, "I almost forgot, come on, let's toast together..."

The people around were very excited. Du Yan was soon attracted...

Lu Qi breathed a sigh of relief and looked at Fu Yanni angrily. Just as he was about to speak, Fu Yanni blinked at Su Nan.

“Susu, we are a deadly friendship...”

Su Nan stood up, put down the cup in his hand, and didn't want to see Lu Qi again.

“go out.....”

Lu Qi gritted his teeth. He wanted to give Fu Yanni some trouble and unhappiness, but he was ruined by his own words.

It's not good to offend anyone in this fight, he offended Su Nan.

The most annoying person.

After thinking about it, he forced a smile and nodded.

“Okay.”

He turned his head and glanced at Fu Yanni coldly, and threw a harsh word:

“Green tea bitch, wait!”

As soon as he left, Su Nan couldn't help laughing.

But Gu Nian was still with Leng Lin, and she had to control her emotions.

Fu Yanni rolled her eyes at her, took Leng Lin's hand and sat down.

“He's right, just laugh if you want...”

Chapter eight hundred and twenty second deceive my feelings

Chapter 822 Deceiving My Emotions

Lu Qi is a big man, like his original partner scolding the mistress, how awkward this feeling is!

Su Nan took a deep breath and denied embarrassingly, “I didn't smile.”

Although the smile was almost overflowing...

Shang Qian walked to the side and sat down, “Do you mind?”

He didn't want to be too far away from her . far away, and worried that hearing about the privacy of others would be offensive.

It is really comfortable to get along with such people.

Leng Lin was a little embarrassed and quickly waved her hand.

“Don't mind, don't mind, thanks to President Shang just now...”

Thanks to the overwhelming slander before, people got to know Shang Qian.

Fu Yanni looked at Shang Qian and then at Su Nan.

He sighed and turned to look at Leng Lin.

“Don't thank him, he did it for Susu.”

Not for them.

Therefore, Fu Yanni's thick skin will not appreciate it.

Su Nan rolled his eyes at him, then looked at Leng Lin with a smile.

“I didn't expect that this season's show is really lively...”

The two people barely communicated in the show, and no one could have imagined that the two of them actually walked together!

Leng Lin smiled, as if she hadn't figured out what to say.

On the other hand , Fu Yanni said calmly:

“It's lively, but unfortunately you didn't have the luck to watch it. I heard that you were driven away by Xu Teng?”

“

Su Nan pursed her lips and glanced at him coldly.

If it weren't for the fact that she had fallen on the same island at the beginning, she would not have endured it!

What's not to mention!

“Oh, I'm so busy? How many important things in the company are waiting for me to make up my mind!”

Fu Yanni twitched the corners of his mouth, hehe...

Leng Lin: "Actually, we plan to tell friends about our affairs after a while. , after all, it's not long, if there is any change..."

She thought about it very carefully, and Su Nan could fully understand it.

Fu Yanni interrupted her, "I wanted to tell the world on the first day, don't worry so much, we can definitely reach the end!"

His expression was different from the previous one, solemn and serious.

At that moment, Su Nan believed that he must be sincere.

Su Nan looked at the two of them, and felt very touched, both envious and sour...

Shang Qian next to her handed her a glass of lemon juice.

Su Nan: "..."

He did it on purpose!

Shang Qian smiled and seemed to see through her thoughts, "Honey is added in it."

Not sour!

Su Nan took it, didn't drink, turned to look at the two people.

"However, when did you start?"

Fu Yanni looked at Leng Lin: "Can you say that?"

Leng Lin glanced at him angrily, and finally bent her mouth and nodded.

Fu Yanni: "I started chasing her on the first day I went..."

Su Nan's jaw was about to drop.

She came here, what a surprise!

"Of course, she ignored me and called the police, saying that I was harassing her..."

Shang Qian said, smiling a little embarrassedly.

Su Nan and Shang Qian looked at each other, it's not easy to get together after this encounter!

Leng Lin seemed dissatisfied with what he said, so she simply said:

“He is very good, he will prepare breakfast and dinner for me every day, when Lu Qi comes to ask for trouble, he will be the first to rush out, and he will always consider my feelings. Before the

show was over, I knew that I couldn’t calm down and think, my mind was full of him, so we were together!”

It sounded a little crazy.

It seemed like a hot-headed decision. She should have calmed down after filming, but she didn’t.

He’s not someone who would cheat on her feelings...

Chapter Eight Hundred and Twenty-Three Appetite

Leng Lin is very aware of her feelings. She likes this Fu Yanni who is one year younger than herself, but who is thoughtful and reliable.

So she was loyal to her own heart and didn’t make his appetite.

She was with him and never regretted it.

This impulse and enthusiasm will surely last a lifetime.

It was the best thing she had ever done in her life.

They looked at each other, and Su Nan knew that Lu Qi was out of play.

No matter how hard he tried, he couldn’t match the eyes of Fu Yanni and Leng Lin that looked at each other for a moment, sparks scattered, and their love was deep.

She lowered her eyes and smiled, then reached out and applauded.

“Wow, it’s so beautiful, I hope you will always be so happy.”

Too hasty together, only to feel the blazing love.

Once the passion fades, in the face of other gossip or trivial difficulties, the love may be deeper and longer.

Su Nan believes that they will.

The two people clasped their hands tightly, which can really stab the eyes of the single dog.

Su Nan didn't want to stay here anymore, she smiled and made an excuse to leave with Shang Qian.

Just walked out of the gate, before getting in the car, her name was called from behind.

Su Nan turned her head and saw Leng Lin.

She trotted over with her skirt and looked at her with a smile.

"I have something to say, and I want to tell you alone."

Su Nan raised her eyebrows. She wouldn't take Lu Qi's bastard words just now, would she?

Do you want her to explain that she has nothing to do with Fu Yanni?

The more you explain it, the more obvious it becomes, right?

Confused, Shang Qian came over, "Go to the car, there are many people here."

Su Nan nodded, this is the best.

The driver was very sensible and waited outside a dozen meters away.

Only the two of them remained.

Su Nan hesitated and said, "Actually, Fu Yanni and I have nothing to do..." Leng

Lin smiled, "I know, he has already told me."

Say it earlier...

"He said he liked you."

Leng Lin said naturally.

Su Nan was shocked, unable to laugh.

This Fu Yanni, is his brain sick?

Leng Lin looked at her unnatural, and looked like she was about to get angry, patted her hand and comforted her:

“I know he is unrequited love, you are gentle, pretty, good-natured, and have a high starting point ability, who doesn't like it? If I were a man, I would like you too!”

Su Nan suddenly didn't know what to say.

“Then what do you want to say to me?”

Leng Lin: “I'm planning to recruit more staff. We are the only one in our law firm, and now I'm too busy. If there are professional people to help, I think it will be more effective!”

Su Nan smiled Smile, relieved.

It turned out to be true!

“No problem, you can decide these things!”

Leng Lin shook her head, “You are an investor, and you have experience, so your opinion is very important. You can only do it if you agree.”

Su Nan smiled: ” Well, I agree very much.”

In her opinion, she just invested some humble money.

But to Leng Lin, it was a career worth fighting for her whole life!

Leng Lin solemnly reported some of her own thoughts, and Su Nan also seriously expressed her opinions.

In the end, the two hit it off, and Leng Lin returned to the hotel happily.

The driver got in the car, “Miss, shall we go home?”

Just as Su Nan was about to speak, the car door next to him opened again, Shang Qian came up, and the corners of his lips rose when he looked at her.

“Do you mind if I rub the car?”

Su Nan smiled, “Of course I don't mind.”

Then, he instructed the driver, “Send Mr. Shang back to Hilton first.”

Shang Qian said, “Go to Shengyi Manor.”

Su Nan was surprised. Shengyi Manor is a wealthy area here, with a single-family villa, an inch of land and a lot of money.

The Jingyuan where Fu Yechuan lives is comparable to...

Chapter 824 That's why he was beaten

Shang Qian smiled and said lightly. "I won't be going back to country M in the near future. My friend told me that I can't

get a girlfriend if I live in a hotel, so I bought a house."

Chasing her and buying a house is to stay in country Z for a long time.

Until Shengyi Manor, neither of them spoke.

Except the driver played an old song to ease the atmosphere.

The air was so silent.

"It's here, Mr. Shang, foreign cars can't get in." The driver reminded.

Shang Qian smiled, warm and modest, and turned to look at Su Nan.

"Don't you want to talk to me?"

Su Nan was startled and shook his head, "No..."

Shang Qian: "Go up and sit down?"

Afraid she would refuse, he quickly added, "Little Mike asked me to give it from abroad. What you brought, I haven't found a chance to give it to you yet, and you just take it away in a while."

Su Nan paused for a few seconds, "What?"

If it is gold and silver jewelry, forget it...

Shang Qian's mouth A smile spreads. Cleared his throat:

"He made it himself. It's not worth the money but can't buy it!"

Children like to play this set.

He didn't want to give it at first, he couldn't do it, but there was no other excuse.

Su Nan nodded happily, "Okay..."

It must be a very loving little gift, she must cherish it!

Shang Qian said hello to the person at the door, and the driver drove the car in smoothly.

Su Nan remembered something, "Did little Mike fight someone at school?"

Shang Qian raised his eyebrows.

"He participated in an intelligence competition for the youth group, made a rude remark, and got beaten up by a boy five years older than him."

Su Nan suddenly felt distressed:

"They must be jealous of his talent!"

Shang Qian twitched the corners of his mouth and smiled strangely.

"Your answer was exactly the same as Mike's, so he was beaten."

Su Nan smiled guilty, "Are you injured?"

Shang Qian looked cold: "Fortunately, I have taught him a lesson."

"He To tell the truth, you don't need to be so serious, and calling him a parent, that teacher is too naive..." Su Nan muttered in a low voice.

Shang Qian looked at her a little helplessly, but he didn't expect Su Nan to be so protective in private.

She really likes little Mike!

"The reason I called my parents was to ask the person who hit him to apologize to him, and the parents came forward. As a

result, Mike directly asked the bodyguard to pretend and was seen through by the teacher.

He also paid an old man who was selling things at the school gate, and was seen through by the teacher again. Finally, he hired

a man who was eating from a fast food restaurant and went to the school to see that it was the teacher's father.

In this way, the teacher was mad and finally found my secretary's phone number from the school's registration office , I just found out..."

Su Nan opened his mouth wide in shock.

Little Mike usually looks like a smart kid, how come he doesn't even move his mind when it's critical?

Wouldn't the hiring person find a place far away from the school to hire?

This child has experienced too little!

Just thinking about it, the car stopped.

Shang Qian went to open the door for her very gentlemanly, Su Nan got out of the car and looked at the surrounding environment.

The air is fresh, the environment is clean, the semi-open space is lively and quiet, and the place is good at first glance.

Shang Qian walked forward and chatted:

"I know that the house you often live in is a duplex apartment, but I asked the developer, and the upper and lower floors were bought, and no matter how much money was paid, the buyer Neither of them are for sale.

I can only settle for the next best thing, this building is not too far from yours."

...

Shang Qian's implication, he bought this to get closer to her.

Su Nan was surprised for a moment, then returned to nature.

"My real estate has been sold out. It was very popular a few years ago. It was bought for me by my third brother's first salary.

Fortunately, the surrounding area is located in the prosperous world. Shengyi is the only real estate in City A. During the downturn, the real estate with high housing prices is still maintained.”

After all, it is sold to the rich, how can the rich care about the price difference?

Shang Qian, such a famous investor, bought it without blinking an eye.

Thinking of this, she is really confident in the project in S City, and she has to drive the real estate up!

Shang Qian smiled and couldn't help holding his forehead. Did she miss the point?

But then he looked at her with admiration:

“As expected of Mr. Su, he knows the market like the back of his hand.”

Su Nan smiled and raised his chin:

“I have always been very interested in the industry that makes money!”

Shang Qian: “.”

He stepped forward and opened his mouth with his fingerprints, “Please come in...”

As soon as Su Nan entered, he felt that the furniture inside was basically a fully automatic system controlled by an intelligent system.

Shang Qian is very interested in this aspect, otherwise he would not have rushed to invest in the field of artificial intelligence.

But as far as she knows, the most advanced smart home system at present should be made in country D.

It must have taken a lot of effort for him to install such a system.

Once inside, the system automatically recognized the owner, and two pairs of slippers, a man and a woman, appeared in the shoe cabinet.

“Master, welcome home!”

Su Nan was wearing a thick coat with a tighter skirt inside. When she squatted down, her clothes would be dragged to the ground.

She paused for a few seconds, feeling lazy and didn't want to go in.

But the next second, Shang Qian suddenly squatted on the ground, half-kneeled in front of her, and put on slippers for her.

Su Nan was flattered and thanked him repeatedly, feeling that he couldn't bear Shang Qian's enthusiasm.

This kind of action has been common to her since she was a child.

When she was a child, Su Yifeng changed her shoes, and when she grew up, her brothers changed her shoes.

If it were a different person, such as Su Jin and Su Qi, she wouldn't have such a big reaction, that was her treatment from childhood to adulthood.

But Shang Qian...

She was a little uncomfortable.

But Shang Qian adapted quickly. He stood up and smiled casually:

"Come on, things are in the room."

Su Nan took a deep breath.

Of course she believed in Shang Qian's character, and her driver was outside, and he couldn't do anything out of the ordinary.

The whole house is pure European style, simple and pure, but it feels very comfortable and relaxed.

At first glance, it is the work of a world-renowned designer. The design style of the interior decoration is mature and smooth, which is very in line with the character of Shang Qian.

Shang Qian opened the nearest room and motioned for her to see for herself.

Su Nan smiled and looked forward to it.

The gifts that are usually made by hand are either painted or pinched clay figurines...

But when Su Nan walked over, he was suddenly startled and his face turned pale.

She took a step back in fright, a big hand behind her on her waist, warm and wide.

When she stood firm, the hand disappeared, as if she was just afraid of her falling.

Su Nan looked at the s in shock and was speechless.

The room is a swimming pool, semi open air.

But there was a crocodile in the pool!

The body is huge!

It took a long time for Su Nan to calm down, looked at Shang Qian, and pointed to the s inside.

Somewhat unbelievable.

“Did you make a mistake?”

Isn't this gift too ferocious...

Chapter 826 Video Outflow

In the eight hundred and twenty-sixth chapter video stream,

Shang Qian smiled apologetically, and closed the door in the past, covering her sight.

“Did not want to send for him, is the fear scare you, but Mike insisted on going to give you a surprise

Su Nan's face white white, “There is no surprise ah

not scared The heart attack is all thanks to her youthful health!

Shang Qian went over and hugged her very apologetically, then let go and pulled her wrist into the living room.

“Ai sickle, pour a glass of warm water.”

She seemed really frightened.

If I had known earlier, I wouldn't be able to bring her here to see if I said anything!

A cylindrical white robot housekeeper about one meter five came over and handed the water to Su Nan.

“Dear, drink water...”

Oh, this name...

Su Nan raised his head, the white robot pretended to think, and Mengmeng’s voice confirmed it again:

“Yes, it’s my dear. Su Nan, drink water...”

Does it know itself?

Shang Qian, who was on the side, took the water and looked at the robot:

“You go to play elsewhere.” The robot obediently turned and left.

Su Nan frowned, isn’t there something wrong with this title?

“This robot...”

Dear Su Nan?

Shang Qian coughed a little embarrassedly, and his face turned slightly red.

“Sorry, I wasn’t ready to invite you in.

The robot’s system needs to enter friends who need special records in order to make the fastest response, when identifying information, maybe...I’ve said too much...”

He forgot that he was entering When it came to the system, I couldn’t help but introduced Su Nan.

“Dear... The person I like...” The

robot’s response would not lie, and it gave honest feedback to the client, Su Nan.

But Su Nan’s reaction was also expected.

There was no joy or shyness.

They were not there yet.

Shang Qian smiled and comforted himself in his heart that it was alright, he could wait.

Su Nan drank the water in the cup and stood. He got up and looked at him with a smile:

“It’s almost time, it’s time for me to go back, that gift... I really can’t take it, and if I return it, will little Mike be very sad? She tried her best to forget the

episode brought by the robot and brought the topic to the crocodile.

Shang Qian shook his head decisively.

“Don’t worry, I have told him in advance, not everyone has the same hobbies as him, you. If he doesn’t like it, I will entrust a professional animal management agency to keep him temporarily. “

After all, he doesn’t want to keep a crocodile that can eat people in this house.

Su Nan nodded again and again, that’s good, she really accepts the incompetence!

She would rather accept chrysanthemums!

Shang Qian sent her down, and again Apologizing to her, it can be seen that he regrets showing her that gift very much.

As soon as Su Nan came out and got in the car home, she felt much better.

She was not a stingy person, so she immediately forgave him, as if it didn’t happen!

After all, she really wanted to forget that scene just now!

...

the hotel’s celebration is over.

The atmosphere was lively and lively, and everyone posted a group photo of the celebration party, which immediately attracted netizens to kill another memory of the variety show!

However, it is not such an ordinary group photo that is widely circulated in the circle of private friends.

But a short video.

Lu Qi went from anger to forbearance to humble apology, Su Nan calmly accepted his apology.

This is the hottest part.

Lu Qi bowed slightly in front of everyone.

“I made a blunder. I’m sorry Su Nan. I was impulsive. Forgive me!”

“I forgive you, Mr. Lu, but this is the only chance, so be careful next time.

” Let everyone secretly speculate on Lu Qi’s change in attitude and Su Nan’s calm threat...

come and go, standing tall and low.

Su Nan’s elegant and calm attitude really makes people unable to take their eyes off.

She was just sitting there smiling and didn’t say any warnings, but she still had an aura of aloofness.

Even a person of such status as Lu Qi should respectfully apologize if he said something wrong. What other people think of Su Nan is even more unattainable!

Lu Qi knew that when the video came out, he was so angry that he wanted to block all those who forwarded the video.

His old face was thrown into the Pacific Ocean!

The sun sets and night falls.

The sky gradually dimmed, the sky was covered with a layer of dark blue, the lights of the city were lit, and the long lights were like a galaxy.

Fu Group.

Fu Yechuan stared at the circle of friends for only one purpose, to see if Su Nan had any new developments.

Seeing that Wei Cheng posted a video with Lu Qi and Su Nan in it, he added:

“The moment of Mr. Lu’s grandson!”

Fu Yechuan was deleted by Wei Cheng as soon as he opened it.

He went directly to Wei Chengyao, and after Wei Cheng sent it over, he said a few words to him tremblingly:

“Old Lu is already looking for this video like crazy, don’t say I gave it to you... .”

Fu Yechuan clicked.

In less than ten seconds of the video, he watched it twice.

One apologizes and one accepts the apology.

Lu Qi’s humbleness is not abrupt. In front of Su Nan, everyone is humble.

But I can’t go to the village or the store, and I don’t know what happened when I look at it.

He asked, “Why did Lu Qi offend her?”

Wei Cheng: “I don’t know, I transferred it directly from the circle of friends, and now everyone has deleted it!”

Fu Yechuan went directly to Lu Qi’s number and called.

“Have you offended Su Nan?”

His straightforwardness made Lu Qi want to die.

I really hate the person who recorded the video. If he knew who did it, he would have to dig up his family’s grave!

He coughed, “Even you know.”

“What’s going on?”

He didn’t want to say it, he had to.

Because of what Fu Yechuan wanted to know, some people were willing to take the initiative to say it.

It’s shameful for others to say it!

Lu Qi: “It’s their celebration party. I saw Leng Lin and Fu Yanni together, and I was a little impulsive.

I accidentally leaked the fact that Fu Yanni liked Su Nan before...”

Fu Yechuan was silent for a long time.

Lu Qi was a little nervous, Su Nan had forgiven him, could it be that Fu Yechuan still had to settle the bill?

“Old man, brother...don’t torture me, because of this video, I was ridiculed by the circle for a whole day!”

He only called him when he had something to ask for.” elder brother”.

Fu Yechuan knew his habits and snorted coldly.

“Deserving it!”

Fu Yechuan almost killed him when Fu Yanni tried to beat his woman.

Lu Qi even dared to mention this, it was like exposing his scars!

“If I were her, I would kill you on the spot!”

Fu Yechuan’s voice gritted his teeth.

Lu Qi finally felt the chill from Fu Yechuan.

Compared to Su Nan, she is really gentle, kind, considerate and generous!

Suddenly, he doesn’t hate Su Nan anymore!

Lu Qi held the phone tremblingly:

“Old man, my apology was sincere enough, but Su Nan personally forgave me, let’s turn this matter over!

My wife was kidnapped by your nephew, and I have no face. Now, I’m miserable enough, whimper...”

Lu Qi suddenly choked on the phone.

He really wanted to sue Fu Yechuan about how Fu Yanni’s old green tea seduced women.

But he was really incapable of speaking.

He was really aggrieved!

When Fu Yechuan heard that he was about to cry, he immediately hung up the phone in disgust.

For fear of dirtying his ears...

Lu Qi cried for a while, only to find that the phone had already been hung up.

He: "..."

Fu Yechuan hung up the phone and looked at Wu Tutu who was focusing on feeding the fish on the other side.

"Go and find out, what happened at the celebration reception that Su Nan attended today?"

Wu Tutu immediately put down the things in his hand, without delaying for a moment:

"Yes, Mr. Fu!"

Fu Yechuan took his mobile phone to find it. Su Nan's WeChat, clicked on her avatar, and it was blank.

Why haven't you posted a circle of friends?

He simply typed directly into her dialog box:

"Because I miss you so much, even the rice I eat is shaped like I love you."

What a sweet word...

He has to prove to her that he is no longer The ruthless Fu Yechuan from before!

Ten seconds... thirty seconds...

no reply.

Is the phone broken?

A minute...five minutes...

still no reply.

She might be asleep.

Fu Yechuan thought for a while, and entered the word “good night” in the dialog box.

A red exclamation mark suddenly appeared next to it.

The system prompts: You are no longer a friend of the other party...

Fu Yechuan: “...” For

a while, he was sullen.

Chen Mian knocked on the door and came in and asked excitedly:

“Mr. Fu, can everyone get off work?”

Fu Yechuan raised his head, his eyes were cold, and he remained silent.

Chen Mian nodded with a smile, “Okay, no.”

He exited and closed the door.

I don't know why, but Fu Yechuan, who had proposed to buy dinner snacks, milk tea and coffee for everyone, suddenly changed his face again.

Suddenly he let out a long sigh.

It's been a really tough day...

But after a while, Wu Tutu figured out the ins and outs of the whole thing.

He told Fu Yechuan again vividly.

At the end, he added: “Fu Ershao is really unusual, he really has a way to deal with women.”

If his strategy had been used on Su Nan, it is estimated that Fu Yechuan would have killed him directly.

That is to say, Lu Qi has a good temper, has some scruples, and does not dare to do anything.

Fu Yechuan frowned, his face ashen.

He finally felt some sympathy for Lu Qi in his heart.

Fu Yanni is really not a good thing!

“President Fu, should we help President Lu?”

After Wu Tutu finished speaking, he felt a little regretful.

Lu Qi is his friend, but Fu Yanni is his nephew!

Fu Yechuan’s face was expressionless and his eyes darkened.

“No, Lu Qi’s ex-wife is really annoying. It’s better without it.” In the end, he was still partial to his brother Lu Qi.

Wu Tutu pursed his lips and nodded, but suddenly thought of something.

“Mr. Fu, in fact, you can also learn from Fu Ershao’s method...”

Wu Tutu originally thought that Shang Qian was the pretentious green tea.

But if Fu Yechuan was green first, wouldn’t Shang Qian have to use it?

Seizing the opportunity is of course Mr. Fu’s advantage!

Fu Yechuan frowned for a moment, “You want me to learn how to speak that 250?”

His voice suddenly became cold.

Wu Tutu paused, and painstakingly beautified Fu Yanni’s method.

“This is called coquettish. If you think that Miss Su is coquetry to you, do you feel your bones are crispy?”

Then if you are coquettish to her, Miss Su will definitely eat this kind of thing...”

Finished, Fu Yechuan’s expression was a little indescribable, but he did not immediately refute his words.

Wu Tutu patted his thigh, “Wait a minute, I’ll find some material for you!”

He searched the Internet:

But Wu Tutu patted his chest and assured that he was about to die.

He looked down at his phone and sent another message, still an exclamation point.

Only a dead horse can be used as a living horse doctor.

With an ugly face, he took his iPad and glanced at it, "I'm going, spicy eyes!"

He threw it back.

"Don't do it, I don't even want to watch it!"

He stood up and was a dignified president of the Fu Group. He could smash gold and silver mountains for her, and he could die for her.

Why let him learn this and torture his eyes.

"I have never thought of a person like this. You are the most special of all the girls I have met."

"I have a thousand and ten thousand words to tell you, but when I meet you, I just want to say One sentence – I miss you. This sentence, your boyfriend will not mind after listening to it?"

"I know you are angry, he will not mind chatting with you so late, we are nothing."

..

Wu Tutu was

a little anxious and persuaded him: "Mr. Fu, do you know that Shang Qian has bought Shengyi Manor, which is the closest to Miss Su's house? He is ready to fight a protracted battle!"

Fu Yechuan's eyes were deep and dark. , with a slight smugness in his tone.

"The two floors upstairs and downstairs of her house are mine, and I am closer to her!"

Wu Tutu: "But Miss Su doesn't live in her apartment, she lives in Su's house!"

Fu Yechuan paused for a few seconds, " Can you buy Su Mansion?"

Oh, no!

The people of the Su family would never agree!

Wu Tutu looked at him, what are you worried about now?

No matter the black cat or the white cat, if he can catch mice, he is a good cat!

"Mr. Fu, we have already lost a lot of money on Shang Qian. Compared with him now, Miss Su clearly sympathizes with Shang Qian!

If you don't work harder, they... their children might be You can make soy sauce!"

Wu Tutu can't wait to wake him up with a brick, wake up, your wife is going to run away!

Fu Yechuan's face turned cold for a moment, his eyes sternly glanced at Wu Tutu, who was open-mouthed.

Really hate what he says!

Wu Tutu lowered his head embarrassedly, shrank his neck, and shivered with fright at his aura!

There was silence for a while.

Fu Yechuan's tone was cold and his attitude was gloomy, "He's dreaming!"

Wu Tutu quickly agreed: "Yes, he's dreaming!"

Fu Yechuan picked up the iPad and looked at it a few times. Look down the scalp.

Why do women like this set?

Isn't real gold and silver jewelry more attractive than these tiger and wolf words?

Wu Tutu was very satisfied with Fu Yechuan's change in attitude.

In this way, there is still hope for him and Miss Su!

“Mr. Fu, we can divide it into two steps, hard and soft.

Soft, you learn from Master Fu’s attitude, and act like a spoiled child.

Hard, you learn from the master’s attitude, and act like a coquettish... ..”

Fu Yechuan was silent for a moment, then immediately made a choice:

“Be tough first, President Xueba!”

The lights of the city flickered outside, and the night was deep and silent.

Back to Jingyuan.

Fu Yechuan dealt with the company’s major overseas affairs for two hours in the study, and then turned to the kitchen.

Wu Tutu found him a basic and typical novel about the boss chasing his wife. Knowing that he didn’t have time to read it, he switched it to audio playback.

So Fu Yechuan was cooking bird’s nest in the kitchen while listening to the novel.

He was tall and straight, but there was no warmth on his stern face.

The eyebrows were deeply frowned, and I could not wait to put the iPad in the pot to cook.

Wu Tutu: “Forbearance...Mr. Fu, girls like this!”

Fu Yechuan tried his best to hold back the trash in his ears, looking like he couldn’t bear it:

“Lei Batian is 1.92 meters tall, I heard that The woman dared not listen to him, he covered his brand new heart angrily, took out two million in cash from his pocket, and smashed it on the woman’s face.

‘Shift!’ He shouted loudly. curse!”

Chapter eight hundred and thirtieth take your dog’s head

Chapter 830

Fu Yechuan, who took your dog’s head, looked at Wu Tutu with a livid face.

Take him for an idiot?

The bird's nest was no longer cooked, and he went straight out, his whole body shivering with chills.

Wu Tutu didn't know how he found such a mentally handicapped novel.

But when he first saw it, he thought it was pretty good.

But when I heard this just now, damn, why is the president so mentally retarded?

He hurriedly followed up to explain:

"Mr. Fu, don't be angry, after all, the person who wrote this novel can't become a president like you, so he doesn't know that you are wise and wise!"

Fu Yechuan's eyes were indifferent, and his eyes suddenly became fierce. Get up, "Get out!"

"Hey! I'll get out first, I'll find something normal..."

Wu Tutu wanted to try his best to save it.

If it weren't for him still useful, Fu Yechuan would have to take his head!

Fu Yechuan returned to the room and calmed down.

He took out his phone and clicked on Su Nan's dialog.

Send out a message, still an exclamation mark.

Indifference and loneliness suddenly swept over him, a violent sense of loss hit, and he couldn't lose her again.

Forget it, be patient!

He took out his mobile phone, and with great difficulty clicked on the materials and novels that Wu Tutu found for him...

Su Zhai.

Su Nan and Ning Zhi learned about sharing a day.

Now Su Qi and Ning Zhi are basically inseparable, and during the day, he goes to work with her in the name of "protecting her", in fact, it is to warn Xiao Ran.

Fortunately, Su Qi's sense of proportion is very good, and she has never excused to go beyond the agreed boundaries with her.

The initiative has always been in Ningzhi here.

Two people are lying on the bed.

Ning Zhi sighed, "Fortunately I have you, otherwise how would I face my third brother, he helped me so much, I don't know how to repay him..."

Su Nan rolled his eyes secretly. , wasn't that what Su Qishang wanted to do in a hurry?

"Don't worry about it, even if he doesn't mean that to you, I won't sit idly by.

What's more, if he means that to you, I'll be an excuse..."

Ning Zhidao: ". ..."

Don't be so straightforward, okay?

Suddenly remembered something.

The videos circulated in the circle of friends during the day were basically warned by Lu Qi one by one.

She smiled, "What the hell did Young Master Lu do?"

Su Nan couldn't help but smile when he thought of Fu Yanni, and simply told the whole thing about the celebration party.

Speaking of Fu Yanni's transformation, Su Nan clicked his tongue twice.

"I heard from Fu Yanni that he did it on purpose and wanted to piss off Lu Qi. He wasn't an opponent if he hit him hard, but Yurou Kegang was able to kill him!"

Ning Zhi was also very strange, but unfortunately he didn't see that scene with his own eyes.

Men become hypocritical, and what about women?

Ning Zhi smiled and said, "After all, Master Fu is a few years younger than Lu Qi, so he can be regarded as a little fresh meat. He is hypocritical and called coquettish. If he is as big as Lu Qi..." The two women couldn't help

but say it.

Shaking, greasy!

.....

The next day, the Su Group.

Su Nan had a meeting early in the morning and passed away early.

When Fu Yechuan came, he went in without saying hello.

The lady at the front desk recognized him and was shocked beyond words.

“President Fu? Have you made an appointment with our President Su?”

Fu Yechuan frowned and paused, his expression a little impatient.

“I’m here to deliver breakfast to President Su, is she here?” “Here
, but...” Before the

front desk could finish speaking, Fu Yechuan walked in directly.

They didn’t dare to stop him. With Fu Yechuan’s status, even if he didn’t make an appointment in advance, they couldn’t stop him.

The person at the front desk quickly informed the secretariat.

The whole company’s melon early in the morning came from their President Su.

Fu Yechuan personally delivered breakfast to Su Nan. What kind of fairy treatment is this?
