Chapter eight hundred and thirty first you keep it

Chapter Eight Hundred and Thirty-One

After that, Yu Lou learned about Fu Yechuan's news.

And received him right away.

Fu Yechuan stayed there cheeky, and did not go to the reception room, but sat at the door of the president's office, attracting the attention of many people.

He looked at the conference room not far away, and through the glass, Su Nan sat there with stunning eyebrows and charming smile, and was

a little stunned for a while.

Her smile is not soft at all, but is extremely powerful, with a sharp edge in her smile, which can make the people below tremble.

Fu Yechuan suddenly fell a little, and his heart suddenly trembled.

He loved her tenderness and tenacity, but also her wit and bravery.

He shouldn't just remember her gentle compromise with him back then, it wasn't everything to her.

Those three years had worn away her edge and covered up her brilliance, which was probably her darkest time.

At this moment, he seemed to understand how much she regretted marrying him.

At that moment, his heart seemed to be clenched tightly.

Yu Lou was at the side, and there was almost nothing he could do.

He is sitting there, imposing, who still has the heart to work?

Twenty minutes later.

Dismissed.

Everyone came out one after another, and some people were praised, their faces were extremely relaxed and somewhat happy.

And some people have a heavy face.

“Xiao Su is more direct than Mr. Su, no wonder Mr. Su has to let him go...”

“It’s good to know, the current Su family is basically this eldest lady’s!”

.. ....

Everyone left one after another, Su Nan stretched inside, stood up easily and walked out.

Yu Lou hadn’t had time to report to her about Fu Yechuan.

When she walked to the door, she caught sight of Fu Yechuan.

How is he here?

He sat up straight, his dark eyes cold: “Morning, Mr. Su...”

Su Nan frowned and looked at Yu Lou.

Before Yu Lou could speak, Fu Yechuan had already stood up with something.

“I’m here for business.”

He dropped a sentence and took the lead into her office.

Su Nan paused and handed the materials in his hand to Yu Lou, “Two cups of coffee.”

“Yes.”

Fu Yechuan sat on the sofa, with handsome features and a strong aura, like the owner of this office.

“Sit...”

His voice dropped.

Su Nan was still in a trance, did she go to the wrong place?

She was not so obedient, walked to her desk and turned on the computer.

The light on the screen reflected on his cheeks, Su Nan frowned, and slowly said,

“Mr. Fu, do you have to come in person for any business?”

Fu Yechuan raised his eyes, “I could have said it on WeChat, but you blocked me! ‘ he said almost through gritted teeth.

Suffocated, angry.

Su Nan raised her eyebrows, “Really?”

Her tone was brisk, clearly intentional, but she pretended not to know.

He is angry, so she is not allowed to be more angry?

Su Nan picked up the phone and looked at it.

Loose posture.

“I thought who was harassing me, I just blocked it without looking at the name.”

This is insinuating him, don’t send a message that is too shameless!

Fu Yechuan’s eyes were cold, he walked over, approached her, and landed his long hand on the chair behind her.

His voice was low and slowly:

“Su Nan, you did it on purpose!”

He could see it, so don’t make any excuses.

Silence for a moment.

Su Nan’s drooping eyelashes trembled slightly, and he smelled the cold aroma on his body.

She pinched her palm secretly, raised her eyes, and smiled.

“Well, I did it on purpose.”

Since everyone wanted to tear the window paper apart, she didn’t need to save face for him.

Fu Yechuan choked, Su Nan pushed the table hard, and the chair slid back automatically, separating him from him.

She wants to say that she will not tolerate those nasty words that are so bitter!

In the next second, Fu Yechuan didn't say anything, restrained his chills, and suddenly turned around, his back was extremely lonely...

...

Chapter 832 Is the poison good to drink?

Chapter 832 Is the poison delicious?

Su Nan was stunned for a moment, and suddenly watched him come over with a thermal insulation bucket.

The slender fingers of the phalanx fluently poured a cup of bird's nest and pushed it.

"Try it..."

Su Nan frowned, Fu Yechuan seemed to be a little off today.

Can't say what's wrong.

Su Nan looked at the bird's nest, "Big cousin makes bird's nest in the morning?"

Fu Yechuan lowered his thick and slender eyelashes, his dark eyes were dark, and his voice was hoarse:

"Well..."

Su Nan didn't want to drink it, he didn't even touch it. bump.

"Do you have anything else to do besides blocking?" The

implication was that it was time to see off the guest.

The corners of Fu Yechuan's lips pursed tightly into a straight line, and there seemed to be a whirlpool in his eyes:

"I plan to accelerate the project of the Juli Group. I dug a high-tech team from country D, and it will arrive next month. Arrange the project process."

Su Nan was stunned for a moment.

For the high-tech team in country D, it is not just a question of salary. How did he do it for the core technicians who are harder to recruit than a football team?

Fu Yechuan looked at her quietly, his tone was slow and his aura was pressing:

“So, let Shang Qian hurry and get back.”

He spent so much money, poaching people and rushing the process, just to get Shang Qian to get out of the way!

The farther away from him and Su Nan, the better!

Chill lingers in the air.

Su Nan took a deep breath, “General Manager Shang’s itinerary is not within my schedule.”

Fu Yechuan pursed his lips, his eyebrows and eyes intertwined with coldness and enthusiasm.

“Su Nan, you understand what I mean. If you reject him, I can give you whatever you want.”

Su Nan raised his eyes in an instant.

Wow...

the confidence between his brows is hard to hide.

That’s right, only when he said this, Fu Yechuan, would not be ridiculed and bragged.

Fu Yechuan consciously had a higher rank than the ones Wu Tutu showed him.

After all, if he smashed Su Nan in the face with two million dollars, she would feel that he was insulting her.

And will hold 20 million in cash and want to smash him to death.

In order to avoid such barbaric behavior, Fu Yechuan decided to detour.

Put your money where it’s worth!

Su Nan looked at Fu Yechuan, he was elegant and noble, his beautiful black eyes were heavy, how perfect he was.

But why did she want to beat him so much?

“Mr. Fu, I hope you understand...”

She paused and took a deep breath, "You are also the beneficiary of Shang Qian's project. You invest and you benefit, what does it have to do with threatening me?"

She Why should he hook up with Fu Yechuan's broken demands when he clearly earns money for nothing?

How shameless!

Fu Yechuan's face darkened instantly, because he was the least beneficiary in this project, so he didn't take this benefit at all.

So, ignore this.

Oh, misguided!

His eyelashes drooped, casting out a shadow, calmly and calmly accepting Su Nan's accusations.

the end.

He pushed the bird's nest in front of him again, his tone was calm and his voice was low:

"I'm just proving my strength, I don't mean to threaten you, moisten your throat..."

Hehe...

Su Nan laughed angrily and felt like he punched cotton.

This Fu Gou's irritating ability is really getting more and more capable!

She took a deep breath and told herself not to be angry.

If I'm pissed off, who wants to?

She looked at the bird's nest in front of her. Indeed, the craftsmanship of the eldest cousin has always been nostalgic.

She didn't even think about it, she picked up the bowl and took a sip.

Fu Yechuan's eyes suddenly flickered.

The next second, Su Nan's face was so difficult that she almost vomited, and her good self-cultivation told her not to vomit!

She swallowed strangely, like swallowing a mouthful of poison.

Fu Yechuan's face was calm, and he asked her casually,

"Is it good to drink?" Is the

poison good to drink?

...

Chapter 833 I come every day

Chapter 833 I come to

Su Nan every day to look up at him, silently speaking.

She wondered if Fu Gou had given medicine in it!

Coincidentally, Yu Lou came in with coffee.

"President Fu, President Su, please use coffee..."

Su Nan picked up a cup and drank it in one breath.

Feeling that there was finally no strong and explosive taste of salty and sweet in her lips, she put down the coffee slowly, looking extremely elegant.

Looking at Fu Yechuan's slightly dark face, and Yu Lou's frown.

She smiled faintly and looked at Yu Lou.

"Coffee is good, another cup..."

Yu Lou, a shrewd person, fell into the bird's nest on the table, and after only two seconds, he fully understood.

"Yes..." As soon as

he left, Fu Yechuan narrowed his eyes, took a sip of coffee, and was slightly disdainful.

Su Nan wiped the corner of his mouth with a piece of tissue paper and smiled euphemistically:

"The bird's nest is good, thank you."

Fu Yechuan breathed a long sigh of relief, the joy of success flashing between his eyebrows.

“In order to express my apology, I will send it to you every day from now on.”

Su Nan’s face stiffened, “No need to be troublesome.”

Fu Yechuan stroked his eyebrows, “No trouble, until my name leaves the blacklist.”

Su Nanton After a pause, he took out his mobile phone and operated it, then gave Fu Yechuan a look.

“I should reflect on myself, we are partners, and we can’t block you at every turn. Do n’t worry, Mr. Fu, there will be no such thing in the future.”

Su Nan’s attitude was so clear and decisive, which surprised Fu Yechuan.

Did she promise it would never happen again?

He just couldn’t even think about it!

Fu Yechuan’s brows and eyes were dyed with lightness, but then he was also a little disappointed. He couldn’t bring her meals every day. It’s a pity!

Su Nan: Please save my life!

When Fu Yechuan received a call from Chen Mian, he was in a hurry, his face darkened, and then he stood up.

Glancing at Su Nan, Su Nan has already stood up to see off the guests.

Fu Yechuan didn’t stay any longer, he just walked away with his long legs.

It was finally quiet.

Yu Lou came in again with coffee, and Su Nan raised his chin.

“Throw this thing away.”

Yu Lou nodded. Su Nan likes to drink bird’s nest, but it was the first time that it was so hard to swallow.

“This can’t be done by President Fu himself?”

He muttered, Su Nan was slightly shocked, but nothing appeared on his face.

Indeed, not the level of the big cousin.

Fu Yechuan actually made bird's nest for her?

If it was someone else, she would probably be moved.

But it was him, and a line suddenly popped into Su Nan's mind: Dalang, drink the medicine!

...

I have nothing to do in the afternoon. I received a call from Qin Yu. She has a very important client who is afraid that she will not be able to deal with it.

Su Nan agreed without thinking.

Unexpectedly, the location turned out to be that newly opened bar?

There are hooligans in the street, Su Nan thinks about it.

But the location was booked, so I had to bite the bullet.

When I entered, it was finally normal inside. The loud music and deafening drum beats made people emotional.

As soon as Su Nan entered, many people whistled at her.

A light-colored shirt, the hem is tucked into a narrow skirt, and the waist is narrow enough to make the legs straight, long and beautiful, and the lines are smooth to the ankles.

Her foot injury was just right, and her family did not allow her to wear high heels, so she chose a pair of low heels, but it did not affect her aura.

She ignored those extra glances.

Went to the bar, sent a text message to Qin Yu, and waited below.

The little guy at the bar pushed over a cocktail and stared straight at her face.

Su Nan raised his eyelids, "I didn't order it." The guy at the

bar said, "I invite you."

Su Nan: "Thank you, no need." The guy at the

bar pushed over the QR code page of the mobile phone's WeChat with a subtle tone.

“I have already paid for this cup. If you feel bad about it, transfer money to me?”

...

Chapter 834 You are too fierce

Chapter 834 You are too fierce

Su Nan finally raised his eyes and looked at the little brother at the bar seriously.

Is this person trying to flirt with her?

He looks good, his eyebrows are clear and his eyes are beautiful, those peach blossom eyes are like a smile but not a smile, and they will seduce people.

No wonder he dared to be so blatant, I am afraid that many young guests are coveted by his appearance.

Unfortunately, Su Nan has seen too many people.

Don't eat him.

She curled the corners of her lips and said in a clear and light voice, “I do n't

like this wine.” The

little guy at the bar smiled frivolously, “So picky?” After all, the woman he hooked up with can spend hundreds of thousands of dollars here, and the boss is too late to hold him. Su Nan smiled lazily, “Isn't it too blind to be confident if you want to drink a glass of cheap wine?” Colorful lights flicker dimly in every corner. The little brother at the bar squinted to look at her, always feeling a little familiar, as if he had seen her before. But can't remember how. But before he could explore it carefully, a well-dressed girl came down from the spiral staircase and ran over to grab Su Nan's hand. “Su Nan, what are you doing, hurry up...” Su Nan didn't even glance at the little brother at the bar, and helplessly followed Qin Yu upstairs. The little brother at the bar knows that Qin Yu, and she can spend a minimum of several hundred thousand here with a wave of her hand. The boss said that she was a distinguished guest and could not be offended.

He heard it right, she just called that name, is it Su Nan?

A large hand clapped his shoulder.

He shuddered, “Boss?” The

boss looked at the disappearing figure upstairs, sighed, and looked at him with a smile instead of a smile:

“The one just now wasn’t something you could get your hands on, it opened a few days ago. , just because she drank and left, she met a few thugs, and several major departments of the public security and fire department took turns looking for trouble, and I almost went out of business.” The

boy at the bar turned pale, “Boss, she won’t be the one... ..Su Nan?” The

boss nodded, “She is!”

...

Su Nan followed upstairs, and Su Nan didn’t know much about the people in Qin Yu’s box.

The business of Qin Yu’s family is not the same as that of the Su Group, and it is understandable that they do not know each other.

But she still greeted others politely.

The three were accompanied by the assistant secretary, and Qin Yu’s assistant was also pouring wine.

One of the younger people, Mo Xian, was handsome and distinct, with deep facial features and a pair of squinting eyes, staring at Qin Yu all the time.

The dark eyes flickered in the backlight, and the eyelashes were thick.

He was calculating something, the feeling was obvious, he looked very shrewd.

Fortunately, Qin Yu could handle this kind of situation, and he was not cold at all when talking and laughing.

Qin Yu just wanted to sign the contract as soon as possible, she could see through but not tell.

A few people started drinking, but Qin Yu didn’t hesitate and drank a few glasses immediately.

Su Nan watched from the side and blocked a few cups for her.

But after a few drinks, Qin Yu was worried about her legs and refused to let her drink again.

She sat and watched them start to play the game.

Very cheesy guessing game, this Qin Yu is quite good at it.

But when I met that Mo Xian, I felt a little overwhelmed.

He is a gamer, and he is the best at this kind of game, and the people around him booed: "It's boring to drink, let's play another way..."

Qin Yu drank the wine, smiling slightly drunk, full of charm.

"Okay, but let's play one last time. If I win, everyone will sign the contract!"

"What if I lose?" Someone asked her.

Qin Yu thought for a moment, and Mo Xian, who had been staring at her all night, smiled deeply and said,

"If I lose, I want to get a French kiss from Miss Qin."

...

Chapter eight hundred and thirty fifth French kiss

Chapter 835

When Mo Xian opened his mouth with a French kiss, everyone else started booing.

He is their backbone, and of course his words carry great weight.

"Miss Qin, don't be afraid, three contracts and one kiss are all yours to take advantage of!"

"That's right, Miss Qin, if you are so obsessed with Mr. Mo, you will lose if you look back and say Maybe there's a turnaround..."

"If Miss Qin doesn't dare, I think it's better to let your friend do it for you..."

Someone set their eyes on Su Nan.

Su Nan's face sank slightly, Qin Yu was in a hurry before he spoke.

"If you don't dare, just play!"

Before Su Nan could stop her, Qin Yu had already blurted out.

She pulled Qin Yu and explained in a low voice:

"That's not easy, let's forget it, it's fine if you can't sign today."

Since they can come, it shows that they are willing to cooperate with the Qin family's company.

She looked at that Mo Xian with a half-smiley smile on his face, as if he was winning.

Can not help but worry.

Qin Yu's mind was swept away by alcohol, and she always had the urge to be self-reliant, and would not listen to any persuasion.

She felt that she would definitely win!

"Don't worry, I can't lose!"

She said, then stood up, "Play the dice, compare the big and small, one game is enough."

Mo Xian nodded, "Yes."

Everyone gradually became silent, all watching here.

Qin Yu picked up a dice, shook it, and put it on the table, acting casually but with a confident arrogance.

Open.

Three six.

Su Nan breathed a sigh of relief.

The people around were silent for a moment.

It seems that no matter how powerful Mo Xian is, he will never win against Qin Yu.

Qin Yu had been focusing on playing dice for several years and quit after a lot of beatings.

Mo Xian looked at Qin Yu, curled his lips, and then picked up another dice.

He didn't sway a few times, and then buckled directly.

The movements are casual and loose, and the posture is lazy.

"Miss Qin, if I win, you won't say that I bullied you, right?"

Qin Yu frowned, "If you win, you will win. If you win, you have the ability. I have nothing to say, but if you lose, the contract will be closed. Here, you can leave after signing!"

Mo Xian smiled deeply, his voice slowly and low.

"Then it's settled."

After saying that, he picked up the lid.

When everyone saw it, their faces changed slightly. Except for Su Nan and Qin Yu, everyone else burst into laughter.

Four six.

Qin Yu lost.

Su Nan instantly raised his eyes and looked at Mo Xian.

He smiled confidently.

The words have been said a long time ago, and Qin Yu is still the first to choose, is there any room for repentance?

This is not a child playing a house, even Su Nan knows that Qin Yu's dumb loss is a foregone conclusion.

Qin Yu stared at his four and six for a few seconds, frowned, then pulled the corner of his mouth and sneered.

In order to avoid her getting into a fight, Su Nan tugged at her clothes.

"Do you want to help?"

It's not without chance.

Don't look at Qin Yu being drunk on the surface, but she is like a mirror in her heart.

She couldn't guess Mo Xian's guess, so she chose a game that was most beneficial to herself.

No idea, this Mo Xian is a master of eighteen martial arts!

Did this bastard deliberately make her sick?

If there were other children from aristocratic families, she could let them teach them a lesson, but this person couldn't be offended!

She turned her head and smiled, "It's alright." She was very anxious.

Mo Xian stood up, casually tidied up his clothes, put one hand in his pocket, and walked out with his long legs.

"Miss Qin, willing to admit defeat..."

The people around were booing for a while.

Qin Yu's face froze, she was really pissed off, didn't she just lose?

Isn't that the French kiss?

She stood up with a little disdain in her tone.

"I don't know how Mr. Mo's technology is compared to my ex-boyfriends?"

**Most of the readers are now reading this novels:-**

## **Read Divorce Billionaire Heiress Chinese Language Chapter 836-840**

Chapter eight hundred and thirty-six people who should not meet

Chapter 836 The person who shouldn't have met

Qin Yu followed directly out, before the door was closed, Mo Xian hugged him.

"Miss Qin, no one is visiting now, take the initiative?"

Mo Xian approached her, with an unfamiliar mint smell on his body.

Although Qin Yu had no feelings for him, she was not the type she liked in every way.

But at close range, this person looks pretty good, basically stronger than the newly debuted little fresh meat.

Forget it, it's over as soon as you close your eyes.

Qin Yu smiled slightly drunkenly, "Mr. Mo, even if your skills are not good, I won't laugh at you." You wo

n't lose if you lose!

Gotta make him sick!

She looked at Mo Xian's face and changed slightly. Next, she closed her eyes and leaned forward.

Before she could play, Mo Xian had already taken the initiative.

Entering her lips, attacking the city and sweeping the land, the suffocating feeling like a storm swept through, leaving Qin Yu completely out of room to play...

Damn, the technique is pretty good!

Su Nan couldn't sit still inside, for fear that something would happen to Qin Yu.

She ignored the dissuasion of the people inside, and just opened the door and went out.

For a moment, she was stunned.

Past the two men and women who were kissing deeply, Su Nan saw the person behind them.

"Big brother?"

This call completely woke Qin Yu and Mo Xian.

Especially Qin Yu, who seemed to have seen a ghost, pushed the person away from him, and wiped his mouth in a panic.

Mo Xian's eyes deepened slightly, and then he shifted his gaze to the person behind him.

Su Jin stood there, his aura was hard to ignore, and a faint chill shrouded his whole body, but it was not clear, and he didn't target anyone.

It seems to be inherently noble and indifferent, refusing to be thousands of miles away.

There was no turbulence in his eyes, he just looked at Su Nan steadily, and his tone was still gentle:

"The leg doesn't hurt anymore, so I won't say hello when I come out to drink?"

Su Nan pursed his lips, just as he was about to explain, Qin Yu left apologetically. past.

"Brother, I'm sorry, I asked Su Nan to come here, I..."

Su Jin looked at her with a bit of alienation and politeness on his face, and his voice was cold:

“She has to go back to take medicine, Next time you will play together?”

There was no blame in his words, but Qin Yu just felt his dissatisfaction.

Some sense of shame.

They are like a group of children who have been caught...

Su Nan hurriedly spoke and changed the subject:

“I came out to relax, and you were taken back? Brother, what are you doing here?”

She didn't remember what entertainment he had today. Ah?

Su Jin said lightly, “Find someone.”

In front of so many outsiders, he didn't want to explain too much, and looked at the time on his watch.

“I'll wait for you at the door in ten minutes.”

After speaking, he stretched his long legs and went directly to the box he was going to.

Su Nan breathed a sigh of relief.

She turned her head to the side, Qin Yu's face was pale, ugly to death.

It's just at this critical time that I meet someone I shouldn't meet!

“Qin Yu, are you feeling unwell? Did you drink too much just now?”

She touched her forehead in the past, nothing changed.

Qin Yu smiled, “Maybe, I'm a little tired. I'm about to finish here. You can go back with big brother!”

Su Nan shrugged helplessly, she had to think about it if she didn't want to.

He raised his eyes and looked at Mo Xian, who was still staring at the direction where Su Jin was leaving, his eyes were deep and meaningful.

That kind of hostility seems to be written on his face, too obvious.

Su Nan was stunned for a moment.

She smiled and looked at Qin Yu, "Are you coming with me? Let my elder brother take you back first?"

Qin Yu would never refuse such an opportunity.

However, Mo Xian said suddenly, "Let me show you off, Miss Qin?"

...

Chapter eight hundred and thirty seventh his girlfriend

Chapter 837 His girlfriend

Su Nan was obviously on guard, if he was sent, Qin Yu would be considered a sheep!

Qin Yu didn't want to have anything to do with him. Anyway, the contract couldn't be signed, and she wanted her to waste time waiting for her?

dream!

"No, everyone drank too much tonight

, let's go home..." Qin Yu took Su Nan's arm, "Let's go?"

Before leaving, he went inside to apologize to them, and then ordered The assistant finished the aftermath, and left with a big swagger.

At the door, Qin Yu looked smiling, but her face didn't look much better.

Before Su Nan asked her what was wrong with her, she saw that Su Jin had followed her out.

Qin Yu smiled, and just as he was about to go up to say hello, he saw that there was another person behind him.

The woman who looked extremely gentle and beautiful.

"Senior sister?"

Su Jin kept his face cold, until he turned around, showed a warm smile and stretched out his hand.

He carefully helped the woman behind him down the steps.

The two looked at each other and smiled, tacit understanding.

It was as if the others simply couldn't get in.

Seeing this woman begin, Qin Yu's pale face was a hundred times more ugly than before!

Su Nan frowned, feeling familiar, but don't remember who she is?

Su Jin saw Qin Yu, was stunned for less than half a second, and then saw Su Nan.

smiled.

"Little Si, do you still know her?"

Su Nan shook her head honestly.

Qin Yu was silent for a few seconds, then said with a smile, "This is the famous school girl of our school, Wen Xiang, the last two years, why don't you remember?"

Su Nan suddenly realized.

There is such a person.

But she completely forgot what she looked like...

Su Jin glanced at Su Nan helplessly, "Your memory is not as good as Qin Yu..."

The woman next to her was gentle and beautiful, with eyebrows Elegant and graceful, slim, giving people a very comfortable and warm feeling.

She smiled, the corners of her brows and eyes showed a smile, beautiful, pure and clean.

"My name, the school beauties, was automatically changed as soon as Su Nan entered the school. We were busy graduating at the time, and we didn't have many opportunities to meet each other. It's normal not to remember."

It turned out that she was really a senior.

Su Nan smiled, looking at Su Jin and her, it seemed that they had an unusual relationship...

She looked at Qin Yu subconsciously, Qin Yu lowered her eyes, her expression was lonely and sad, that kind of extreme sadness, will be infected next to her.

She knew that Qin Yu had always liked Su Jin very much, but she never said it, she was always looking up, and the distance became farther and farther as time went on.

All have their own thoughts.

Su Nan pursed his lips and asked him with a smile, "So you're here to look for Senior Sister? I thought you were here to pick me up..."

Su Jin rolled her eyes at her, "Stop talking nonsense, go on car."

He took Wen Xiang's hand and opened the co-pilot next to her.

Qin Yu stood there motionless, Su Nan suddenly felt a little distressed for her.

"Brother, my driver is still there. I'll take Qin Yu home, and drop by her place to get something. Let's go first..."

Su Jin frowned, a little dissatisfied.

Wen Xiang lowered the window in the car, squinted his eyes with a smile, and stuck out his tongue playfully:

"Su Nan, your elder brother is going to be angry..."

Su Jin was stunned, reached out helplessly, and tapped lightly. Knocked her forehead, full of doting and helplessness.

"I've never been as knowledgeable as a child."

He looked at Su Nan, "Go back early."

After speaking, he went straight to the other side, got in the car, started the car, and left.

Su Nan turned his head.

Seeing Qin Yu's eyes turning red, she didn't know what to say...

...

Chapter eight hundred and thirty-eight who bullied you

Chapter 838 Whoever bullied you

didn't pierce this layer of window paper. Su Nan knew Qin Yu's intentions, but if she didn't say it, she just pretended not to know.

Su Jin's attitude towards Qin Yu has always been based on her position as Su Nan's good friend. Knowing her and Ning, there is no difference.

He is indifferent to any woman who is courteous, and Su Nan always thought it was the most difficult thing for him to make a girlfriend.

But today, looking at it this way, there seems to be an exception.

Such as Wen Xiang.

Qin Yu couldn't hold on, and suddenly hunched over, squatted down, and picked herself up.

Her shoulders were shaking, she was crying.

Silent cry, most despair.

Su Nan sighed.

Her heart is naturally biased towards her good friend, but she can't force Su Jin to like Qin Yu.

Su Nan squatted down, squatting beside her, and said nothing.

Her choked sob reminded me of some past events, and my heart seemed to be stung by a scorpion, and it was painful and numb.

Eye sockets instantly sour.

Whoever falls in love with a person first is destined to be humble.

Back then, she liked Fu Yechuan. She was brave once and humbled for three years. It was really hard to come out.

Hold up a heart and expect others to see it and respond, but others can't see it.

Maybe I don't want to see it.

The light in front of him was suddenly blocked, and a shadow formed the line of sight in front of him.

She raised her eyes and stared at the man in front of her with red eyes, slightly stunned.

The man's black eyes stared at her intimidatingly, his eyelashes were long and dense, and his voice was solemn and cold:

“Who bullied you?”

Who would have thought that Fu Yechuan could still be seen at this time, and the fragility in his eyes was too late to take back.

She didn't want to be seen like this, especially by Fu Yechuan.

But the man's nervous expression did not hide.

She must have been bullied to squat here and cry!

Who would dare to let her be bullied? In just a split second, Fu Yechuan had already thought of a hundred ways to die for that person.

Su Nan calmed down, and Qin Yu next to him stopped choking.

She must not want to be noticed by Fu Yechuan.

Su Nan called his name in a deep tone:

“Fu Yechuan...”

Fu Yechuan leaned over, his body was cold and his breath was strong.

Su Nan gritted his teeth, “Can you...”

Fu Yechuan was a little anxious when he saw her pause, “Huh?”

Su Nan took a breath, “Can you get away?”

Fu Yechuan: “... ..”

Su Nan straightened up, her legs were a little numb, she threw a couple of motions, her face was calm and a little impatient.

“How can I see you anywhere?”

Fu Yechuan's black eyes sank, the coldness gradually faded away, and a trace of injury appeared in his pupils, which was fleeting.

“Fate made us meet...”

“Don't talk useless.” Su Nan interrupted him.

“I know the bar owner, he said it.”

Fu Yechuan told the truth, there was no need to hide it.

Su Nan chuckled, and sure enough, this is Fu Yechuan's style.

Fu Yechuan repeated what he just said, "Who bullied you?"

Su Nan looked directly into his eyes, "Don't make guesses about things that don't exist. We just squatted for a long time. The transient hypoxia caused by insufficient blood supply to the brain is now healed."

Fu Yechuan frowned, obviously not understanding her. some theory.

However, what she said was well-founded, and unprofessional things made him unable to refute.

But I secretly sighed in my heart, wow, Su Nan is amazing!

He breathed a sigh of relief, and his face looked much better. He was about to say something.

Su Nan patted Qin Yu on the shoulder.

"We're going home, Mr. Fu is free!"

Fu Yechuan: "I'll see you off."

As a gentleman, how could two girls go home alone?

...

Chapter 839: Have you taken medicine?

Chapter 839 Have you taken the medicine?

Su Nan pointed to the car that was parked a few steps away, "No need, the driver will take us off. Goodbye."

With that, she used the shadow of the night to block Qin Yu from Behind him, he pulled her into the car.

Fu Yechuan would only pay attention to Su Nan wholeheartedly, and would not pay attention to the people next to her at all.

So, he didn't notice anything wrong at all.

Just as Su Nan was about to close the door, a big hand blocked him.

The fingers are slender and beautiful, but powerful.

Half of Fu Yechuan's face was in the shadows, his profile was bright and dark, and he seemed to have something to say.

Su Nan looked at him.

Fu Yechuan struggled for a long time before he gritted his teeth, and his voice was low and hoarse:

"Su Nan, do you hate me when I show up so often? I just want to see you, I don't want to cause you trouble..."

There was caution in his voice.

Su Nan was stunned for a moment and stared at his face for a long time.

Is this what Fu Yechuan can say?

The feeling of silence not only made the driver in the car feel that something was wrong, but even Qin Yu looked back.

Fu Yechuan began to feel his scalp tingling.

Does this trick work?

Anyway, "come hard", he has lost completely, and he can only change his route.

His expression was dark and unclear. Seeing that he was about to lose his strength, he heard Su Nan finally speak:

"Mr. Fu, have you taken your medicine?"

When Fu Yechuan froze, Su Nan pushed his hand away and instructed the driver, "Drive ." The

car left instantly, leaving behind Fu Yechuan with a gloomy face.

Have you taken medicine?

Does she imply that he is ill?

Fu Yechuan's expression finally returned to normal, with a sharp chill in his eyes, confident and assertive.

But looking at the car that Su Nan left, there was some helplessness in his eyes.

Why doesn't this woman follow the routine?

But don't expect him to give up, there is no word "give up" in his dictionary!

The phone suddenly rang out of nowhere, it was Chen Mian.

He picked it up: "Speak."

Chen Mian: "The old man secretly brought people back from abroad, and he should be unable to hold back." After the old man

met with Su Nan and was brought back by Fu Yechuan, he has been secretly recuperating. Rui, I don't know what to do to prepare, but these small actions are obviously preventing him from Fu Yechuan.

Fu Yechuan didn't bother to inquire, because he didn't care about it at all.

Now, the old man is going to make a big move.

Fu Yechuan was looking forward to it. The bloody aura that he hadn't fought on the battlefield for a long time made his blood surge in an instant.

"Got it."

He hung up the phone, and Chen Mian vaguely felt that this time it wasn't that simple.

After all, Mr. Fu is the chairman of the Fu Group, and his prestige and ability should not be underestimated.

He single-handedly sent Fu Yechuan to this position. If he was pulled down, he might be able to do it.

Recently, the rumors circulating inside and outside the Fu Group are all worried that the open and secret struggle between the grandfather and the grandson will push the Fu Group to a desperate situation.

But Fu Yechuan was a meticulous person, and he was never unprepared.

.....

Su Nan sent Qin Yu back to her own small apartment. Qin Yu was speechless all the way, and when she got home, she hesitated.

"Su Nan, I..."

Su Nan smiled, "It doesn't matter, no matter what you decide, I will support you."

Qin Yu's eyes turned red again, she bit her lower lip, and her face turned pale. Eyes as red.

"I've thought about meeting countless times, and every time I tried my best to make the best impression on my eldest brother.

But this time, I let him see the worst of me, and was discovered when I was kissing other men, that kind of I feel like my life is over."

...

Chapter eight hundred and fortieth the gap between me and her

Chapter 840 The gap between me and her

Qin Yu suddenly smiled, with a hint of despair.

He turned around and walked in, took out a few bottles of expensive red wine from the wine cabinet, and put them on the table.

Su Nan sighed, "It's not something you can control."

Qin Yu was silent for a moment, then slapped herself in the face, terribly.

Su Nan's heart trembled and went to stop:

"Qin Yu..."

Su Nan looked at her like this and felt really distressed.

Qin Yu, who is usually the most carefree and carefree, once the secret in his heart is revealed, it is like a flood, and he can no longer control it.

From the moment she kissed Mo Xian and was seen by Su Jin, the disgust that flashed in Su Jin's eyes was carefully captured by her.

She could no longer be calm.

She knew that she had no hope.

In Su Jin's world, she never entered the game.

If she wasn't Su Nan's good friend, Su Jin wouldn't even remember her name on purpose.

Qin Yu poured a glass of wine and drank it.

“Su Nan, don’t tell others, I don’t want others to know.”

Self-inflicted humiliation.

Of course Su Nan wouldn’t say it, but looking at Qin Yu’s appearance, she was really worried.

“Why didn’t you tell him?”

If you did, would there be a different ending?

Qin Yu smiled, with a bleak smile.

She raised her eyes and looked at Su Nan.

“You know what? The difference between me and Wen Xiang is that I have been imitating her, but I have never surpassed her.

In her junior year, her family went bankrupt, broke up with your eldest brother, went to study abroad, and has been working hard to start a business abroad.

But her eyes have always been so clean and pure. When I saw her today, I seemed to see her in college. “As long as

she can be polluted by the world, swayed by greed, and transformed by this world, Qin Yu is not so desperate.

Wen Xiang’s tenacity and bravery are truly out of the mud.

Unlike her Qin Yu,

She has been jumping into the mud, clamoring that she is not afraid of anything, but her shoes are already wet. She is a playboy, she has the ability to deal with men, but she has never used this ability on the person

she really likes. She dare not.

Wen Xiang’s good luck makes people jealous. After seven or eight years, they can get back together with Su Jin again. The two have never changed their hearts.

Su Jin has never been angry because of her breakup, and has never fallen into dog blood. The plot is cliché. If

you like it, you like it. After ten or eight years, you still like it so much. When

Wen Xiang returned to China, she only took a small step towards him, and Su Jin rushed over without hesitation.

Therefore, Qin Yu is destined to be Lost.

Su Nan looked at Qin Yu's distressed appearance and didn't know how to comfort her.

Unlike Su Qi who liked Ning Zhi, Ning Zhi's feelings were shaken, and there was no third party between them.

But Su Jin had Wen Xiang, Qin Yu's relationship is not worth mentioning.

Soon, she was drunk.

Su Nan sent her to the room to rest, and seeing her falling asleep, she didn't feel relieved to leave, so she made do with it in the living room At night, the

sky was slightly bright, and Su Nan was woken up by the dazzling sunlight outside the window. It

happened that Qin Yu came out of the room.

The two of them looked at each other, and everything from last night went through in their minds.

Qin Yu didn't feel embarrassed either, she smiled, "It's too embarrassing, isn't it?"

Su Nan pursed her lips, "If you want to fight once, I can help you."

Help Su Jin remind you that your feelings are also worthy of respect. .

Qin Yu went to the kitchen and handed her a bottle of yogurt.

"No, I thought about it, I'm in the middle of a bull's-eye, so why bother others?"

Anyway, it's all my wishful thinking, so I have to stop my losses in time. I don't want to be a third party that destroys other people's feelings. It can't be done, it's too disrespectful."
