### Chapter 86 Special Guests

#### Chapter 86 The special guest

car returned to the old house, and the three returned to the villa. The housekeeper was overjoyed, and immediately ordered people to start preparing dinner.

Even if Su Yifeng wasn't there, every corner of the villa was cleaned every day. Uncle the housekeeper worked in the Su family for more than 30 years and never made a mistake.

The three brothers and sisters finally got together and drank some wine. Su Qi swayed like a madman and danced to the music. He didn't have the air of a big star.

Su Nan put the gifts that Su Jin brought back on the ground, squatted on the ground and picked the ones he liked one by one. They were all gadgets bought from foreign private collectors. Brands are worth more.

I was a little drunk at first, but the phone rang, Ningzhi knew it, she happily picked it up, and while talking, asked the housekeeper to put away the things and send it to her room. It was just a gesture, and the housekeeper immediately understood and personally hands-on.

"Understood, have you returned to China?"

Ning Zhi sighed and said directly, "Tomorrow night, the time will be free, and my big show will start without you. You and Qin Yu will come together."

Of course, Su Nan supported the sisters. Career, not to mention Ning Zhi's big show had a wonderful opening, "No problem, I will definitely go."

Ning Zhi paused, "Can you bring your third brother here too..."

Su Nan was surprised, Ning Zhidao and Su Qi have never dealt with each other very much, why did he suddenly invite the third brother?

She coughed and explained, "He's also a big star. He can give me a lot of power, and I'll be popular. Otherwise, I won't be able to invite even a first-line big name. What will others think of me?"

Su Nan smiled . He smiled and walked into the room, "Don't be humble, your tickets are hard to get, and no one can squeeze in. Who doesn't know the fashion trend of the share show? But since you have spoken, don't worry, I Take him there."

At first, foreign fashion led the domestic trend. In the past two years, Ning Zhi won the International Fashion Fashion Award in one fell swoop. The show he founded once became a hot and mysterious private show. All the designs revealed one point, and it became a global leader. The Storm Prize.

This year's private show was held here. The invitations to the banquet were all sent by Ning Zhiliao in person. The people who could get the invitations were all from mysterious circles. After her careful consideration and repeated selection, the fixed number of people was determined.

Who doesn't want to actually see the legendary share prize in person?

"Thank you." Ning Zhi breathed a sigh of relief and hung up the phone.

Su Nan put down the phone and sent a WeChat message to Su Qi notifying him to attend tomorrow night, and went to sleep without waiting for him to reply.

The next morning, Qin Yu called. In order to participate in the opening of Ning Zhiliao's big show, she was going shopping to choose clothes. Su Nan just took the opportunity of Su Jin's return to the company to take a break and readily agreed.

The two of them made an appointment in advance, and the brand store saw that both Su Nan and Qin Yu's eyes lit up, and they wanted to greet them from the door.

"Welcome to Miss Su and Miss Qin. In order to welcome you today, we will clear the store, and everyone will serve the two of them." The store manager said kindly.

Su Nan smiled, "Don't be so troublesome, let's keep a low profile, let's watch it upstairs, it won't delay your business."

"This..."

"Just do as she said, don't What a waste of time." Qin Yu urged.

"Yes." The store manager nodded, of course fully satisfying the customer's request.

On the second floor, the lights are dazzling, and there are exquisite desserts specially ordered from the International Hotel on the table in front of them. Even the smell of perfume is extraordinarily particular, luxurious and heroic.

“What do you two drink? We have carefully prepared wine from European vineyards for the two of you. It is exclusively for VVIPs. It has no degree and is suitable for ladies. Do you want to try it?” The store manager highly recommended.

Su Nan and Qin Yu looked at each other, “Okay, let’s have a drink.” The

wine was fragrant, and Su Nan knew as soon as he saw it that what the store manager said was true. Privately owned.

Su Nan and Qin Yu were sitting on the sofa, and the store manager handed over the iPad in front of him, which was a limited-edition photo catalogue in the store.

Then I adjusted the light, found the most suitable light, clapped my hands, and came out from behind with models wearing sample clothes, all of which were similar in body and weight to them, so they didn’t even have to try them on, they just went straight to the one they liked. Nodding, walking without effort.

As he was watching intently, he suddenly heard a commotion downstairs, “Where’s the people? That’s how you serve guests?”

Su Nan glanced and saw Qiao Wanrou and Fu Yingying standing at the door.

Oh, if I had known, it would be better to clear the scene...

Chapter 87 Mind Your Breath

Qiao Wanrou raised her head and saw Su Nan who was upstairs, with a glass of red wine swaying gently in her hand, her eyes filled with a bit of casualness, she was slightly taken aback, Su Nan upstairs Nan, however, turned his head away without caring, and continued to watch the model’s display.

She paused and walked upstairs, but was stopped by the staff downstairs.

“I’m sorry guest, you can’t go to the second floor.”

Fu Yingying was angry, “What did you say? Why can’t you go? I’m your VIP guest, is there any place I can’t go? Your service attitude is really bad, be careful I complained to you and made you lose your jobs!” The

staff smiled and said politely: “I’m sorry, our important customers are upstairs and cannot be disturbed. Those who come in now can only visit the first floor. If you If you want to go to the second floor, you have to wait until tomorrow.”

“No, I have an important party tonight, it must be today!”

Miss Fu Yingying’s temper came up, and no one cared. Who would dare to ignore the eldest Miss of the Fu family?

The staff looked at her embarrassedly, “Miss Fu, it’s really impossible.”

Qiao Wanrou took Fu Yingying’s arm by the side, “Forget it, maybe there’s some amazing people upstairs, let’s stay on the first floor... ..”

When Fu Yingying heard this, she was literally slapping her in the face, in the whole city A, who would dare to offend the eldest Miss Fu’s family?

With a sneer, she pushed the staff away and walked upstairs, “I still have to go to the second floor. If the one upstairs is willing, just let her roll down...” The

staff didn’t stop her. Stopped and followed up in a panic, “No, Miss Fu...”

A triumphant smile flashed in Qiao Wanrou’s eyes.

All this was seen by Su Nan upstairs.

little tricks!

Hearing the movement, the store manager glanced at Su Nan apologetically, and went to the side, intending to stop her, but it was too late, and Fu Yingying ran up a few steps.

Fu Yingying’s face stiffened when she saw Su Nan, completely unexpected.

Qin Yu sneered coldly, “Who else am I to be so incompetent, it turns out that it’s Miss Fu, and there is no other person in the whole city A!”

Fu Yingying was laughed at and gritted her teeth, “Oh, it turns out to be you, is it on the second floor? Have you been wrapped up by you, why don’t you let people come up?”

“It’s just our pleasure, can you handle it?” Qin Yu raised her eyebrows.

Su Nan casually shook the wine in his hand, the wine was fragrant and the atmosphere was good, but unfortunately it was destroyed.

Qiao Wanrou stepped forward, looked at Su Nan and smiled, “Long time no see, Su Nan.”

“Stop pretending, who wants to see you?” Qin Yu’s impression of Qiao Wanrou was extremely bad.

The combination of green tea and white lotus, the most disgusting character in the world cannot describe Qiao Wanrou's character.

Su Nan kept her eyes down and ignored her at all. The atmosphere was awkward for a while. The store manager saw this and immediately understood that although these people knew each other, they didn't deal with them.

"Two guests, these two ladies came upstairs first, can you two come downstairs and wait a moment?"

"Why should we wait?" Fu Yingying vented her dissatisfaction.

Anyway, the Cuiyu pipe couldn't be brought back. Grandpa pointed her nose at her every day, and Fu Yechuan didn't say a word to her. It was all because of Su Nan!

"Yeah, we all know each other, why don't we watch it together. This model usually doesn't show ready-to-wear to guests, so there is a chance to appreciate it. Su Nan shouldn't mind, right?" Qiao Wanrou said in a gentle voice.

The store manager paused and was struggling with how to drive them out when he heard Su Nan, who had not spoken, sneer softly.

Think she won't tear her face in front of everyone?

Do you think she can swallow her voice like before?

Go dream!

She casually raised her head to look at her, her eyes were cold, "I don't mind, because your breathing will disturb my mood."

Chapter 88 Let Them Go

Chapter 88 Let them roll

Su Nan's lips and sneer, watching Qiao Wanrou's fake smile become a little stiff and broken.

She was very satisfied.

"Did you hear that, why don't you get out? How thick-skinned do you want to be treated by others, Miss Qiao, be more conscious?" Qin Yu sneered.

Seeing this, the store manager immediately made clear his position for fear that Su Nan would be unhappy.

“Please go down and choose, we will arrange staff to serve.”

Qiao Wanrou’s face was ugly, Fu Yingying was even more angry, what is the difference between this and hitting her in the face in front of people?

Spread it out, and in the circle of celebrities, it will be disgraced!

“I can’t go any lower, but I want to see what the clothes Su Nan wants? I have money, and I want everything she wants!” Fu Yingying waved her hand, she didn’t want to steam the steamed buns. Looking at Su Nan’s face.

Su Nan was stunned for a moment, then raised her eyebrows, “You want it?”

“Yes, I want it!” Fu Yingying sneered and looked at the store manager proudly, “Now, let them get out of here for me!” The

store manager She couldn’t hold her smile anymore, she looked at her in embarrassment, Miss Fu’s temper was really hard to handle! Su Nan smiled. She looked at the store manager

, “Since Miss Fu likes it, let’s wrap all the clothes I just picked for her.”

Surprised, he nodded as he did.

“Yes.” The

store manager beckoned someone to find the clothes. Su Nan looked at Fu Yingying from behind and said casually, “Miss Fu doesn’t think it’s too expensive and wants to return it, right?” The

store manager was stunned. The bottom is off!

When Fu Yingying heard this, she was simply challenging her bottom line!

“Return? The things I bought will not be returned even if I throw them away!”

She raised her chin arrogantly. Su Nan, who was wrapped by a man, dared to question her real daughter?

Su Nan took out his mobile phone and played the sound he just recorded repeatedly.

“Miss Fu doesn’t think it’s too expensive and wants to return it?”

“Return? Even if I throw it away, I won’t return it!”

Fu Yingying paused, her face changed slightly, “What do you mean?”

Su Nan smiled Looking at her, “I just leave a proof for the store manager. If Miss Fu returns the goods, when Miss Fu’s friends come to shop, let others see Miss Fu’s ‘generousness!’”

Fu Yingying’s face turned pale. With a sneer, “I’m the eldest lady of the Fu family, can I even afford a few clothes? Su Nan, do you think they’re all the same as you?”

She still had to buy them!

Su Nan smiled and sent the recording just now to the store manager. The store manager looked at her gratefully and was obviously relieved.

He turned around and smiled with Qin Yu, “Let’s go, I’m afraid we won’t be able to choose the right one today. Who let us meet the generous Miss Fu?”

Qin Yu raised her eyebrows and stood up with her bag in her hand, “It’s time to admit defeat.” The

two Shi Shiran walked downstairs...

The store manager came over with the list that Su Nan had just selected, “Miss Fu, the total consumption is 6.49 million, please Look .”

Boom –

Fu Yingying’s face froze, her smile changed and cooled, her face flushed instantly, shock flashed in her eyes, “What?”

She thought it was only a few hundred thousand, even if it was one or two hundred Wan, she can also accept it.

But she had just been deducted pocket money by Mr. Fu because of the Cuiyu pipe, and her own money was not enough to stick between her teeth.

“Because Miss Su chose the latest haute couture dresses of the season, which are not yet available in Asia, so there is no discount in terms of price.” The

store manager said euphemistically, looking at Fu Yingying pitifully, she was so flat just now, and now it is again Are you starting to cowardly?

Fu Yingying bit her lower lip tightly and her face turned pale. No wonder Su Nan just broke her way of returning the goods. Are you sure she can’t afford it?

Qiao Wanrou frowned at Fu Yingying and suggested carefully, "How about... give your brother a call? I'll call?"

Su Nan and Qin Yu, who were walking to the door, heard Qiao Wanrou's suggestion, Su Nan's face was expressionless, but Qin Yu snorted lightly, "You can't even get this money, and you want to make a fat man with a swollen face?"

Su Nan twitched the corners of his mouth, "What about her... "

These don't need her to care!

Chapter 89 The noble

Qiao Wanrou who sets off for you finished a phone call, walked over and patted Fu Yingying on the shoulder, "Don't worry, Ye Chuan will be here soon, and he didn't say anything."

Business Exhibition Center.

Fu Yechuan walked out of the conference room and hung up the phone. His cold eyes were filled with coldness. The custom-made suit made him look like an ascetic elite, waiting for assistant Chen Mian to greet him, "Mr. Fu... "...

"Go to Fu Yingying, pay the bill, and give the things to Su Nan."

Although Qiao Wanrou said that Su Nan voluntarily gave up these clothes to Fu Yingying, and did not mention the process in the middle, Fu Yechuan did not believe Fu Yingying will do nothing.

Chen Mian was slightly startled, "Send it to Miss Su?" He wanted to confirm it again.

"Yes." Fu Yechuan said only one word.

"Yes." Chen Mian nodded and left.

By the time Chen Mian arrived in the store, Fu Yingying had endured enough people in the store to stare at her indifferently. Although she was polite on the surface, she turned her head and laughed at her.

If it weren't for the recording in the store manager's hands, she really wanted to lift her legs and leave, but she couldn't!

“Miss Fu, Miss Qiao...” Chen Mian nodded and went directly to checkout.

Fu Yingying walked over arrogantly and looked at the staff in the store, “Is Miss Fu’s eldest lady who can’t even afford such a thing? I just didn’t bring a wallet, my brother immediately sent someone over...”

Okay, Miss Fu, the things have been packed, will they be sent to the car for you?” the store manager asked politely.

Fu Yingying waved her hand, “Of course...”

“Wait—” Chen Mian raised her hand, “Send the item to Miss Su Nansu’s address. If you don’t have an address, send it to the Su Group.”

“What did you say?” Fu Yingying stared at him in shock, “Why give it to Su Nan? It’s my thing!”

Qiao Wanrou was also surprised and smiled stiffly, “Yeah, this is Yingying’s thing, just now Su Nan has given up to Yingying, and she left...”

Chen Mian smiled, estranged and polite, “This is Mr. Fu’s order, I just follow the order.”

He glanced at the store manager, Nodding, the store manager immediately followed suit.

Whoever pays has the final say, there’s never a problem with that.

Qiao Wanrou’s face gradually became gloomy, and she clenched her fingers gradually.

Fu Yingying stamped her feet angrily and scolded, “Why? Su Nan put me together, and even my brother didn’t help me...”

She angrily wanted to call Fu Yechuan to clarify, but Fu Yechuan didn’t answer at all. her phone!

On the other side, Su Nan and Qin Yu returned to the Su Group with an ice cream. Qin Yu called Ning Zhi on the way.

Ning Zhi sneered, “You two have your clothes ready, you can come when you arrive, and you come to me and wear other clothes. Isn’t that hitting me in the face?”

Su Nan and Qin Yu kept silent. , Among them, Ning Zhi was the first to start a business. With a rich family background, she did not rely on her family background to achieve today’s achievements. She once guided the country in Chinatown, went to Europe to experience, and returned to China to found her. Own brand share, its experience can simply become a legend!

She has the resolute and resolute temperament of a strong woman, capable and decisive, which makes many people intimidated.

But Su Nan and Qin Yu who grew up together knew that she was still the little girl who didn't grow up.

Su Nan coughed and gave herself a step down, "That...we want to set off your nobility."

"Stop doing this, if you dare to be one minute late at night, you two will wait for me!"  
"Ning knew the threat of hating iron not becoming steel."

Su Nan and Qin Yu glanced at each other. As soon as they entered the company, the lady at the front desk stopped Su Nan.

"Vice President Su, someone sent something..."

...

Chapter 90 She is a trash can

. Su Nan walked over in surprise and saw the luxurious but low-key packaging with the familiar brand logo on it, Qin Yu lowered her head and picked up one, "Hey", "This is not in the store just now. Did you choose?"

Really!

These clothes were all so familiar, Su Nan frowned. Wasn't it taken away by Fu Yingying, why did he appear here?

The lady at the front desk said, "Just now, the store manager personally sent it, saying that the bill has been paid, and it was sent by Mr. Fu."

Fu Yechuan?

Su Nan's eyes sank slightly, this move is nothing more than for the jade pipe in her hand.

Too bad she doesn't appreciate it!

Qin Yu sneered, "Fu Yechuan? What does he mean?"

Su Nan raised his head lightly, "Let someone deliver things to Fu's family and give them back." The

lady at the front desk was stunned, thinking that Vice President Su wanted to reconcile with Fu Yechuan. what?

It looks like there is no play.

“Yes.” She lowered her head and called someone down.

“He’s willing to be taken advantage of, you can keep it, anyway, you can be mad at Fu Yingying and Qiao Wanrou!” Qin Yu suggested.

Su Nan glanced at her and chuckled, “I can’t afford to wear what he gave, and I don’t want to owe him a dime!”

After three years of marriage, he hadn’t offered any gifts, let alone clothes, and divorced. Don’t you think it’s funny to be fake?

Qin Yu raised her eyebrows, “That’s true.”

When the things were returned to Fu’s Group, Chen Mian sighed while looking at the things on the ground, and then went to Fu Yechuan’s office.

Knocking on the door, “Mr. Fu…”

Fu Yechuan raised his head with a cold expression, “What’s the matter?”

“The things that were sent to the Su Group have been sent back…” Chen Mian frowned at Fu Yechuan, his face gradually sank, and he continued to speak, “Mr. Fu, I think Miss Su may not like it. Otherwise, why would you give it to the eldest miss?”

He didn’t want to send it again, Su Nanming pretended not to want Fu Yechuan’s things, it was useless.

Fu Yechuan’s eyes paused for a moment, then he withdrew his gaze lightly, “That’s it.”

After all, after the divorce, Su Nan had never seen anyone’s face.

Chen Mian breathed a sigh of relief, “That clothes…”

“Just do it, doesn’t Fu Yingying want it?”

“Yes.”

When she brought the things to the old house and arrived in front of Fu Yingying, she had just changed her mind. All of a sudden it got worse.

As if stimulated, she stood up abruptly, raised her voice and asked, "What do you mean? Give me what Su Nan doesn't want? Am I a trash can?"

Qiao Wanrou looked stiffly, gritted her teeth and stared at those For the precious luxury, she still endured the hatred of the stormy waves in her heart and comforted Fu Yingying gently.

"Forget it, probably Su Nan knew that he didn't pay, and he didn't have the face to ask for it. For the share show at night, but I took a lot of effort, and the ticket I finally asked for was just dressed in the past. In line with our identity."

Fu Yingying could only endure it. None of the celebrities in the big show circle were invited. Everyone used various channels and methods, but the mysterious founder, Ning, didn't care about feelings, but only about preferences.

Whether or not she can enter this private show has become a symbol of her status, and Fu Yingying almost jumped with joy when she learned that Qiao Wanrou got the tickets!

At that time, send a circle of friends, so that others can only envy.

Miss Fu must amaze the audience!

Qiao Wanrou knew that Fu Yingying wanted to go to this big show in her dreams. She found her uncle, Lu Qi, and the deceased Cheng Heng's former friend. She used all her connections, and it took a lot of effort to get these two. The ticket is just to please Fu Yingying and become a stepping stone to enter the Fu family!
