Su Nan said, "In the past, Chen Mian contacted me when I received invitations, but this time it was just a person in charge."

This is what she felt was wrong.

As soon as she finished speaking, her cell phone rang.

It was Shang Qian's message:

"Tomorrow afternoon, I don't have a female companion for the reception of the Fu Group. Would you like to invite you?"

Su Nan raised an eyebrow. Shang Qian was also invited to the reception of the Fu Group?

That further proves the wrong place in his heart.

Shang Qian's status can certainly participate in any gathering of the upper circle.

But Fu Yechuan has not dealt with him all the time, how could he take the initiative to invite Shang Qian?

Thinking about it, she immediately replied: "Okay."

If you have any questions, you can find out if you go to see it?

Su Nan is looking forward to it now!

Su Jin looked at her cunning smile and shook his head helplessly.

"Looks like you've decided to go, do you want me to accompany you?"

Su Nan was taken aback, "No, I've already found my male partner. While you're not at work, let's have a good time with Sister Wenxiang."

Su Jin : "..."

"By the way, I want to sell the apartment near my company."

She didn't want to see Fu Yechuan every time she went out.

Su Jin smiled casually, "Lack of money to spend?"

"No shortage, but I don't want it anymore."

"Just leave it if you don't want to live there. Anyway, you have more than this place under your name. I still have several empty sets. Live in whichever you like."

In Su Jin and Su Yifeng's perception, their rich can only buy a house, not sell a house.

So I don't understand Su Nan's proposal.

Su Nan felt that he was playing the piano to a cow. Forget it, what does he know?

A machine to make money and fall in love!

She shrugged and didn't plan to talk about it anymore, "When are you getting married?"

"Who is your male partner?"

Su Jin was more interested in this question.

Su Nan pursed his lips, and Su Jin was also silent.

Each other's problems are difficult.

Brothers and sisters, why?

in the evening.

Su Jin is still fishing with Su Yifeng with Wen Xiang.

As the sun went down, the fish in the fish pond became more active...

Su Nan and Su Qi took the opportunity to slip out.

Su Qi went round and round to Ning Zhi's house, while Su Nan went to another 200-square-meter apartment near the company to rest.

Fortunately, she has a lot of houses...the

next evening.

The Fu Group's reception was held at the Hilton Hotel, and the scene was luxurious.

This reception was both private and open, which was in line with Mr. Fu's character who wanted to show off and was shy.

Su Nan was wearing a long black dress today, with a slender waist and a belt of pearls and diamonds loosely attached to her waist. She was intellectually elegant and graceful.

Her facial features are extremely beautiful and bright, but there is a bit of indifference in her eyes, and there is a cold sense of alienation in the radiance.

After getting out of the car, many people are greeted with admiration or envy or jealousy...

Before getting out of the car, Lu Qi looked at such a beautiful and dazzling woman through the car window, and at Fu Yechuan beside him, he couldn't help but sigh: "You have only been divorced for less than a year, how do you feel that

Su Nan has been reborn?"

If it was before the divorce, he wouldn't believe it if he was beaten to death. This is the yellow-faced woman who only knew how to run after Fu Yechuan?

Offended!

Hearing this, Fu Yechuan, who was beside him, froze slightly, looked over, his face tense for a moment, and then his brows were furrowed.

"She's here..."

Lu Qi turned his head to look at him in surprise:

"Don't you know you invited her? You don't know about your family's banquet? How could you lose a chance to get close to her? How can you get her back like this?"

Fu Yechuan's face darkened slightly, and his black eyes swept over him coldly.

"You can suffocate if you don't speak, right?"

Lu Qi felt inexplicable: "..."

So, which sentence did he say wrong?

few seconds of no chance, Lu Qi urged him, "Then you hurry up and find her, you both come in and be her male companion..."

The men around were eyeing him, is he still in the mood to sit here?

Fu Yechuan's expression changed, he hesitated for a moment, and was about to push the door to get out of the car.

Lu Qi immediately grabbed his arm and his tone became strange.

"Forget it, let me accompany you, I'm your companion today!"

Fu Yechuan took his hand away in disgust, his eyes flashed, and he suddenly saw the outside.

Shang Qian and Su Nan have already stood together. The smiles of the two of them are bright and bright. Standing together, they are handsome men and women, which are particularly seductive and beautiful like a painting!

At this time, the temperature in the car suddenly dropped to zero!

Fu Yechuan's face was also gloomy and stern, and there was a faint sullenness in his dark eyes.

Grandpa Fu even invited Shang Qian?

He can't see himself like that, okay?

The old man invited Su Nan, which was what he expected.

Maybe he wanted the woman he liked to see his failure, the dignity of a man was trampled on, and Fu Yechuan was completely destroyed.

But that's not enough!

He invited Su Nan to watch his jokes, and he also invited Shang Qian to get down.

As expected of the person who knows Fu Yechuan the most, every decision that Mr. Fu makes is to sprinkle salt on Fu Yechuan's wound.

What a thoughtful and thoughtful Mr. Fu...

At this moment, Fu Yechuan clenched his fists tightly, and even the veins on his forehead jumped up faintly.

Lu Qi didn't know how the Fu family arranged it, why did this scene come up?

Do you have to watch Fu Yechuan die from anger?

He wanted to scold him twice, but he would scold Fu Yechuan every time he scolded him.

Forget it...

For a while, I watched Su Nan and Shang Qian go in arm in arm.

Lu Qikai smiled, "Let's get off the bus, it's almost time."

Although he didn't know the real purpose of the reception, he vaguely felt something was wrong.

As Fu Yechuan's good brother, of course he stood by his side for no reason.

Chen Mian suddenly appeared out of the car window and knocked on Fu Yechuan's side.

Fu Yechuan calmly pushed the door and got out of the car.

Lu Qi quickly followed.

At the entrance of the hotel, the butler next to Mr. Fu was welcoming the guests. Seeing Fu Yechuan come in, he was slightly taken aback, but he still bowed respectfully.

"Mr. Fu..."

Fu Yechuan ignored him and walked inside with awe.

Many people went to greet Fu Yechuan, but Fu Yechuan just smiled and nodded.

The banquet hall is resplendent and brightly lit.

The level of this banquet is not very high-level. It may be that Mr. Fu is eager to let everyone know about the Fu Group, so many people are invited.

As soon as Su Nan and Shang Qian entered, many people came to say hello.

Although Shang Qian came to Z country not long ago, his investment direction is very wide, so he can speak in various fields.

Many people have long been famous for Shang Qian.

Now watching Su Nan and Shang Qian go in and out together, I secretly speculate in my heart that the relationship between the two...

Su Nan laughed and chatted with the people on the side about which musical was good recently. There is really nothing to say about social entertainment, which is her strength.

Shang Qian was chatting with people not far away.

His eyes were always staring in Su Nan's direction, with a gentle look in his eyes, and he was reluctant to move away for a moment.

The boss next to Shang Qian saw Shang Qian's strangeness and smiled meaningfully:

"Mr. Shang, there are not many people like Miss Su, if you like it, hurry up, there is a long line of people behind... ."

Shang Qian raised his eyebrows and let out a low laugh, his brows were warm but cold and noble.

"Let them give up, there is no chance!"

Wen Yan.

Lu Qi and Fu Yechuan, who were walking over, stopped in their tracks...

Chapter 873 The Perfect Man

Fu Yechuan's face was extremely gloomy and gloomy.

Just as he was about to walk over, Lu Qi suddenly grabbed his arm and said, "The old man is gone..."

According to the current tense relationship between Fu Yechuan and the old man, he naturally refused to come up.

Mr. Fu walked over with a blushing face, his brows were tough and confident, and those turbid eyes were full of shrewdness and calculation.

"Su Nan, you are welcome..."

Su Nan did not expect that Mr. Fu would come over to greet her.

Last time, Mr. Fu asked her out in the name of Xinhai Company, and wanted to use her to deal with Fu Yechuan.

Now that we meet again, do you pretend to be nothing?

If Su Nan didn't want to come and watch the fun, she wouldn't come to see Mr. Fu!

A cunning bad old man, not kind at all!

Su Nan hooked her lips. In front of so many people, she certainly wouldn't put herself in an embarrassing situation.

"Dong Fu... I'm sorry, Mr. Fu, thank you for your invitation."

She raised her glass and smiled.

Mr. Fu's face froze slightly, but soon recovered.

Shang Qian on the side stepped forward, "Mr. Fu resigned from the Fu Group. He must be planning to enjoy his long years. We can't call Su Nan wrong again."

Su Nan smiled faintly, and followed Shang Qian. The words said:

"It's my fault, I didn't get used to it for a while."

In the eyes of others, she just called it wrong.

But only Mr. Fu understands that this is mocking his failure to seize power!

This dumb, he can only swallow!

Mr. Fu's wrinkled face froze for a moment, then he looked at Su Nan, his eyes flickering:

"You are a junior, I don't care about you, but seeing that you two are right in and out, I finally know, you The reason for rejecting Fu Yechuan..."

Indeed, Shang is always a very good talent, I heard that the position in the securities industry in country M is also very important, I am really happy for you guys to be together!"

Mr. Fu said With a benevolent look, he said meaningfully.

Su Nan frowned, his words would cause others to misunderstand, which is really annoying!

When the people around heard Mr. Fu's words, they almost came up to say congratulations!

But there is no shadow at all, and the two mouths do not know how to explain.

The cold look on her face concealed her anxiety and made her even more impatient.

Shang Qian on the side patted her on the shoulder and said with a gentle smile:

“Thank you Mr. Fu for your approval, but I’m still pursuing it.

Although I hope Miss Su can agree to me, I don’t want to let me in this way. Everyone misunderstood and brought unnecessary troubles to Miss Su.”

Su Nan turned her head sideways, her eyes were crystal clear and beautiful, and she was slightly taken aback when she looked at him.

I don’t know why, Shang Qian can clarify her unspoken misunderstanding at this time, instead of adding fuel to the fire and taking the opportunity to force her to agree, it is really heart-warming.

He’s such a thoughtful, impeccable man...

the gossip in the eyes of the people around him went out.

Shang Qian’s explanation of retreating to advance seems to clarify his relationship with Su Nan, but he is actually announcing his pursuit of this woman.

Not far away, Fu Yechuan heard Shang Qian’s words, his gloomy face suddenly tightened, and his dark eyes lit up for a moment.

It turned out that they were not together.

He clenched his fingers and opened his mouth, and he secretly breathed a sigh of relief.

Su Nan didn’t want to continue to be the center of the topic, and immediately said,

“Master Fu, what is the theme of this banquet?”

...

Chapter eight hundred and seventy fourth feeling betrayed

Chapter 874 Feeling betrayed

Su Nan exited, and everyone looked at Mr. Fu.

He is the person in charge of the Fu family. Although he has resigned from the Fu family, his prestige is still there and should not be underestimated.

Especially on this occasion, he is the oldest and the oldest, and will undoubtedly become the focus of the entire occasion.

Fu Yechuan, who had been silent all the time, had no intention of stealing the limelight.

No one noticed that Fu Yechuan was unusually silent today.

Mr. Fu saw that the time was almost up and there were enough people.

He turned around with a firm old back, and his shrewd and cunning eyes flashed with calculation and pride.

Soon, he was standing there, all the attention.

“Friends, it is a great honor to invite you to attend Fu’s banquet. Everyone is very curious, what is the theme of this banquet?”

He slowly swept over the crowd, his eyes fixed on Fu Yechuan’s face under the stage.

Fu Yechuan leaned lazily beside a wine cabinet, dangling a glass of red wine in his hands, his face impossibly calm.

Evil and indifferent.

He wasn’t curious and didn’t stop.

Master Fu’s smile flashed a ferocious smugness.

He raised his voice and said,

“I have decided to officially transfer 20% of the agency shares in my hands and other subsidiary companies of Fu to Xinpu International abroad!”

Everyone was in an uproar.

Even Su Nan and Shang Qian looked at each other in shock.

Su Nan subconsciously looked at Fu Yechuan. He stood there silently, with no waves in his eyes, as if it had nothing to do with him.

Mr. Fu’s shares, plus other proxy shares, are close to 30%.

In other words, besides Fu Yechuan and Xinpu International, the Fu Group has no scattered capital.

This is both a good and a bad thing for the group.

Undoubtedly, Mr. Fu has arranged a strong enemy for Fu Yechuan.

Before letting him make any decisions in the future, he must go through Xinpu International!

This old man's move is really ruthless!

Mr. Fu looked at everyone's reactions with satisfaction, and continued:

"Xinpu International is well-known in the world, and their company's philosophy coincides with our Fu Group.

Although I have resigned from Fu Group, I also hope that Fu Group Fushi Group has integrated into the trend of world development with a new and more perfect attitude.

Xinpu International, as our shareholder and partner, will support our Fushi Group all the way to the world!"

The rest is nothing more than grand-sounding Courtesy.

As soon as he finished speaking.

The crowd was silent for a moment.

Then, someone took the lead in applauding, and scattered applause sounded.

If Su Nan read it right, the one who took the lead in applauding was Chen Mian.

This scene is a little weird.

Shang Qian tilted his head slightly and lowered his voice:

"Xinpu International, Mr. Fu is shy enough to hand over the company to others, and he doesn't want to take advantage of his own people?"

Although Su Nan was somewhat unexpected, However, according to the character of Mr. Fu's eagerness to report, he was able to do it!

It's just so ugly!

"Yeah, the old man has always acted in his own way, how could he be willing to be walked by Fu Yechuan with his neck stuck?"

Xinpu International is one of the largest foreign groups with complex capital and deep background. Once it gets involved with the Fu Group, I am afraid it will not be easy to let go. "

After all, there are not a few companies that Xinpu International has annexed, and this company has grown at a very rapid rate.

When Su Nan was studying abroad, during his internship, he learned a lot from this company.

Su Nan Some sympathize with Fu Yechuan, what does it feel like to be betrayed?

...

Chapter eight hundred and seventy fifth the end of the young and frivolous

Chapter Eight hundred and seventy-fifth

Anyone can see the end of the young and frivolous, this is the revenge of Mr. Fu against Fu Yechuan!

Fu Yechuan could force him to resign, but he could not force him to dispose of his shares.

This matter can't help but make people wonder, when Fu Yechuan was covering the sky in the shopping mall, is it the end?

"Next, please witness that Xu Anji, vice president of Xinpu International, has reached a friendly agreement with us on behalf of Xinpu International!" Mr.

Fu stretched out his hand, and a strange and handsome face appeared from one side.

Xu Anji.

Su Nan narrowed her eyes. If she was not mistaken, she followed Xu Anji when she was an intern abroad.

It's just that Xu Anji was only a department manager at the time, and he didn't expect to become a vice president so quickly!

But his ability is outstanding, it is a matter of time before he stands out.

Without thinking much, Xu Anji stood on the stage, many people stared at him, he smiled calmly, and shook hands with Mr. Fu.

Then, the scene was silent.

Everyone was waiting for the contest between Xu Anji and Fu Yechuan.

Su Nan felt that something was wrong.

According to Fu Yechuan's character, he would not let the situation develop to this point.

Mr. Fu showed his equity transfer agreement, and under the watchful eyes of everyone, Fu Yechuan could not even make a small move.

He just wanted Fu Yechuan to have no chance to fight back and let everyone know that his shares were sold to Xinpu International.

Isn't Fu Yechuan confident?

He just wanted to teach this self-righteous, young and frivolous Fu Yechuan a lesson. He held him to this position with one hand at the beginning, but now that his wings are hardened, he dares to oppose him. What will happen?

Afterwards, Mr. Fu smiled and said meaningfully:

"Ye Chuan, you are still young, you have to learn a lot from President Xu of Xinpu International, and the days of your cooperation will be long in the future. Come on and say a few words... ."

He just wanted to let everyone know about Fu Yechuan's current situation!

Let everyone know in one sentence that Fu Yechuan is not as good as Xu Anji.

Fu Yechuan raised his eyes, his face was gloomy and cold, and his eyes were dark and gloomy.

The aura around him was cold, as always, indifferent and cold, full of extravagance.

Under everyone's attention, he finally put down the cup in his hand, stretched out his long legs, and walked up straight.

But unexpectedly, when Xu Anji saw him, he first smiled, then gave up his seat and extended his hand respectfully.

"Mr. Fu, it's been a long time."

Fu Yechuan shook hands with him, his voice hoarse, but the three people on the stage could hear it.

"Mr. Xu, I asked Chen Mian to pick you up, why did you arrive at the old man's place?"

Hearing this, the old man smiled proudly.

Xu Anji shrugged with a look of indifference.

“Anyway, it’s here, it’s the same wherever it goes!”

Fu Yechuan withdrew his hand, standing tall and straight, standing there full of shock.

On the stage, there is no doubt that Fu Yechuan is the most eye-catching person.

Even though in everyone’s eyes, he is already being attacked by the enemy, but his status and momentum have already killed everyone.

“That’s right, it’s all the same.”

Fu Yechuan curled his lips and smiled coldly and evilly.

Seeing his smile, Mr. Fu groaned in his heart, and his face stiffened.

Fu Yechuan’s tone was cold and indifferent, looking sideways at the guests:

“I believe that Xinpu International will be able to reach a good cooperation with Fu Group.”

This sentence undoubtedly affirms Xinpu Group’s status and qualifications in Fu Group.

Xu Anji smiled, walked over, looked at everyone, his tone was not as light as before:

“Of course, let me introduce to you, our president of Xinpu International...”

shocked everyone.

Mr. Fu frowned, “The president of Xinpu International is here too?”

He clearly only heard that Xu Anji, the vice president, came to country Z.

The president behind Xinpu International is full of mystery, and there are very few people who have seen it. All the big and small matters of Xinpu International are handed over to professional agents.

But these professional agents all act according to the meaning of this mysterious president.

Agents who have been unqualified for several years will be replaced directly.

Until Xu Anji accepted it, he had been in the position of vice president for the longest time.

Therefore, the name Xinpu International Xu Anji is still well-known in the industry.

Xu Anji can represent Xinpu International with full authority. No matter how much interest you have in the people behind Xinpu International, you can't touch it.

Therefore, Xu Anji suddenly announced the presence of the president of Xinpu International, which made everyone more curious!

No one expected that the mysterious president would appear?

The atmosphere was tense and anxious.

"Mr. Xu, the president is really here?"

"Xinpu International is not really going to start expanding the market in country Z, right?"

"I heard that the president is very mysterious, and they can't even see them inside the company once a year. The president will only contact the vice president directly..."

Facing

everyone's various expressions, Xu Anji smiled and was very calm.

He nodded slightly and answered Mr. Fu's question:

"Yes, our chief executive has already arrived, and he is very happy to know that Mr. Fu is willing to transfer the shares to us, Xinpu International and Fu Group in the future. now..."

Mr. Fu's face changed a little, and he looked a little dignified.

He interrupted Xu Anji's words and asked directly,

"Where is he, please come up?"

Xu Anji smiled.

He took a step back, stepped to one side, raised his hands, and looked at Fu Yechuan:

“Isn’t this here, Mr. Fu?” As soon as he finished speaking, the noisy voices in the arena were instantly silent.

You could even hear a pin drop on the ground.

The expression of Mr. Fu above became unbelievable, and even a little distorted.

And the people below couldn’t believe it, laughing at Xu Anji’s big news.

“Xinpu International is owned by President Fu?” “

President Xu, are you mistaken? President Fu is the president of Xinpu International?”

“That’s right, how is this possible? Mr. Fu sold his shares to Xinpu International, Isn’t it still in the hands of President Fu?”

“Yeah, why not give it to President Fu directly? Why are you going around this big curve?”

...

The people below started to discuss in low voices With...

Su Nan stood there, and after the surprise, his expression became much calmer.

The president of Xinpu International is Fu Yechuan, which no one thought of.

But knowing this fact is not unacceptable.

After all, Fu Yechuan is definitely not just a kind of capital of the Fu Group, and his abilities are by no means limited to the Fu Group.

Even she has a lot of assets abroad, let alone others?

But what is certain is that Mr. Fu has no knowledge of this situation at all!

Perhaps, Mr. Fu thought he had dug a hole for Fu Yechuan, but in fact, it was Fu Yechuan who set a trap for Mr. Fu!

The people below were still chatting quietly, and the old man Fu above was already a little impatient, and there was a rudeness in his anxious voice:

“Quiet!”

Everyone fell silent for a moment.

Mr. Fu turned his head to look at Xu Anji, his cloudy eyes flickered with ruthlessness:

“Mr. Xu, what do you mean by what you just said? What does Xinpu International have to do with Fu Yechuan?”

...

Chapter 877 Surprised

Xu Anji smiled calmly and spoke properly:

“Maybe I didn’t explain it just now, let me introduce formally, our president of Xinpu International, Fu Yechuan, Mr. Fu!”

He finished speaking, Chen Mian who was standing in front suddenly took the lead in applauding.

One after another, applause broke out in the arena.

Undoubtedly, he is welcoming the president of Xinpu International and agreeing with Fu Yechuan’s multiple identities.

Surprised or not, surprised or not?

Everyone was in awe of Fu Yechuan’s power in their hearts. Unexpectedly, he was still the president of Xinpu International, and his status was even more unattainable.

Fu Yechuan’s face was cold, his dark eyes swept across the people present, and the moment he saw Su Nan, he was slightly stagnant, and then his thin lips curved, and his voice was low and cold:

“Everyone, Xinpu International and Fu Group. The cooperation will have a new beginning, which is the final decision of Mr. Fu and our company’s shareholders.

On behalf of Xinpu International, I am very optimistic about this cooperation. This is not only the transfer of shares, but also represents the Fu family. The expansion of the group’s brand-new field is of great significance to the two groups!”

Hearing this, the hall was silent for a moment, and then the applause was even more enthusiastic than before.

As soon as Fu Yechuan opened his mouth, he knew that he knew in advance. It turned out that it was not Mr. Fu who sold the shares privately, but the new layout of the entire Fu Group in the shopping mall.

In this way, the grandness and suddenness of this banquet seemed reasonable.

The strangeness in everyone's expressions disappeared.

It's just that Mr. Fu's face suddenly became pale and dark, extremely ugly.

But Fu Yechuan said a few words easily and let everyone get up at will.

Xu Anji also went down to talk very enthusiastically. Everyone was naturally willing to cooperate with Xinpu International, and couldn't wait to go up and say hello.

Fu Yechuan stood there and looked at Old Master Fu, and the atmosphere immediately became tense and silent.

Chen Mian took a few steps over, looked at Mr. Fu, and walked to Fu Yechuan's side, "Mr. Fu, there is nothing wrong with the contract."

That is to say, Mr. Fu made a game and sent his shares through hard work. Fu Yechuan's hand.

What a ridiculous joke!

At this time, Mr. Fu had gone from shock to anger, and was about to have a heart attack. He was trembling all over and pointed at Fu Yechuan.

"Is the Xinpu Group yours? Turned out to be yours?"

He thought that Fu Yechuan was the one who brought him to the top.

Without him and the Fu Group, Fu Yechuan would be nothing and nothing!

Unexpectedly, the mysterious and huge foreign capital group Xinpu International turned out to be Fu Yechuan?

Xinpu's international capital is rich and complex, even stronger than the Fu Group.

No wonder he didn't move, and was indifferent to what Mr. Fu secretly did.

It turned out that he had long expected that such a day would come!

Fu Yechuan's face was indifferent and cold, his dark eyes looked at the old man Fu, his face was tight:

"It's mine."

"You have been hiding it until now, just for today?" The old man Fu

coughed twice angrily, Pale and ugly.

Fu Yechuan's voice was cold, and he said slowly,

"No, I never intended for Xin Pu to have any intersection with the Fu Group. This situation was caused by you."

The existence of Xin Pu is only to prove that he can stand firm even if he leaves Fu Shi.

It is the family's responsibility and mission to stay in the Fu Group.

Mr. Fu's angry eyes could not wait to pop out, and when he saw Chen Mian next to him, his face twitched:

"How dare you say that? Chen Mian also falsely surrendered as you wanted?"

...

, Old Man Fu trembled with anger, and pointed to Chen Mian next to Fu Yechuan:

"Chen Mian introduced Xu Anji of Xinpu Group to me just to get me to retaliate against you for selling your shares.

Because you are everywhere in the country, I will not choose a domestic company, I will definitely choose a foreign capital...

you—all this is arranged by you!"

Chen Mian stood calmly. Next to Fu Yechuan, he spoke calmly:

"Master Fu, no one is forcing you to sell your shares. If you keep it in your own hands, the Fu Group will still have your share.

Mr. Fu will not be uncommon, everyone has meat to eat.

It is you who insisted on joining forces with Fu's side to deal with Mr. Fu. Haven't you thought about the fate of the Fu Group in the hands of others?"

"Shut up, you don't have the right to speak here!"

Mr. Fu blew all his anger on Chen Mian.

This person who seemed to betray Fu Yechuan was actually more loyal than anyone else.

Chen Mian pursed his lips expressionlessly and said nothing.

Fu Yechuan didn't have a proud look on his face, but there was a cold expression in his eyes:

"Master, you let me sit in this position, didn't you think about how many chronic illnesses you left behind after you retired?"

Those old friends of yours ? I hollowed out the entire company, and the books are full of debts, do you think I stepped on your shoulders to get here today?"

There was no warmth in his words, and Mr. Fu's eyes flickered, staring at him, squinting. Squint.

"You want to be ungrateful?"

Fu Yechuan's face was cold, "I'll clean up the mess for you, and I've never pursued your faults, it's already for the sake of grace.

However, want to blackmail me for a lifetime with an empty shell of the Fu Group?

Then I don't mind showing the evidence of the endgame that I left behind to have a look, so that people can know what the hell the Fu Group that I took over is like? "

Outsiders looked beautiful, but when he took over, he realized that the inside was already crumbling, and the building was about to collapse. But

he couldn't let it go. At that time, Mr. Fu had too high expectations for him, and he didn't want to disappoint him

. He has filled the holes and regrouped, so that the Fu Group can firmly stand in the leading position.

He has done his best.

Today's Fu is a force created by him, and it is incomparable with the old Fu. Mr.

Fu His body shook violently, and he looked at this gloomy young man with dark eyes.

He had to admit that he was no longer in control.

From today on, there was nothing in his hands that could threaten Fu Yechuan, and he was invincible.

Slowly, he let out a suffocating breath: “

Fu Yechuan, I underestimated you, but for the sake of a woman, you don't hesitate to be the enemy of all of the Fu family?

His turbid eyes looked down, staring in the direction of Su Nan, with a strange smile: “

But does that woman know?” She doesn't care at all, because she doesn't like it at all, Fu Yechuan, you are quite pitiful...”

Fu Yechuan's eyes narrowed slightly, his face darkened a bit.

“The assets and real estate in your name are enough for you . Spend the rest of your life, old man, if we can't coexist peacefully in the future, then don't communicate. “

After that, he turned around and left. In

this game, every step he took, he was giving the old man a chance to go back.

The ridiculous affection in the Fu family's bones has been lost to this day.

When they sent him abroad for training, there was no family affection at all. When the old man took him by his side, he no longer needed family affection.

He was always alone.

Not many people paid attention to Fu Yechuan leaving the banquet, but Su Nan saw it...

...

Chapter eight hundred and seventy-ninth you are not welcome

Chapter 879 I Don't Welcome You

Fu Yechuan's back is firm and lonely, with an old look of rejecting people thousands of miles away.

It really hasn't changed at all.

Look at Mr. Fu again, he is already in his twilight years, and even if his power is still there, he is not as good as Fu Yechuan.

The egg hits the stone and finds its own way.

Shang Qian gently touched her with the cup in his hand, with a gentle and shallow smile:

“What are you thinking? I didn’t expect that President Fu would fight against the first army, and this game won beautifully.”

Su Nan retracted his gaze, the scene was brilliant , did not drive away that profound lonely shadow in his mind.

She tried hard not to care.

The tone also became relaxed.

“Yeah, it’s really unexpected.”

She only knew that Fu Yechuan would not lose, but she didn’t expect to win so thoroughly.

“Su Nan, will you sympathize with him?”

Su Nan was stunned for a moment, then turned to look at him.

Shang Qian pursed his lips, and the expression on his face was a bit complicated:

“Mr. Fu is unscathed, but it can be seen that he has already betrayed his relatives. Would you sympathize with him?”

He seemed to want to know her answer too much, so he asked that. come out.

Su Nan blinked and said indifferently,

“I feel very happy about the end of Mr. Fu, but it doesn’t mean that I and Fu Yechuan are on the same front.”

Sympathy, this kind of feeling should only be for the weak.

Is Fu Yechuan weak?

Shang Qian’s brows were visibly relieved, and his smile was warm and soft:

“That’s good, otherwise I’ll really be jealous.”

He turned his head away as if nothing had happened, but Su Nan glanced sideways at him.

The last sentence made her a little overwhelmed.

Fortunately, I did not continue talking.

There must be no more exciting scenes to come.

Just when Su Nan was about to leave early, he suddenly saw Xu Anji approaching.

Holding a glass of wine, he looked at Su Nan with a smile on his face:

“I thought I was mistaken, but it really is you, Su Anji?”

The name Su Anji was given to her by Xu Anji when she was in Xinpu International foreign name.

Although Su Nan never liked the name, he was the leader at the time, and he had the final say.

Su Nan smiled, “Mr. Xu, I haven’t seen you for a long time. I didn’t expect to see you here.”

Xu Anji: “If you want me, you can go to me, but you have never called me.”

Su Nan: “It means I don’t miss you enough.”

Xu Anji: “...”

Shang Qian on the side was a little surprised, “You two know each other?”

Su Nan nodded, not wanting to talk about things abroad, It’s too complicated to explain.

Xu Anji smiled, “Old friend, President Shang, I have long admired your name. Many of my friends in country M have introduced your name to me, but I have never found a chance to meet each other. This banquet is really a surprise!”

Xu Anji smiled. An Ji and Shang Qian shook hands politely and then released them.

“Mr. Xu is very polite, it is indeed an unexpected joy to meet here.”

After all, the circle is so big, but anyone who is a little famous will be passed around, and everyone never refuses to send the contacts and interests in front of them.

The greeting is over.

Xu Anji turned his attention to Su Nan. He loosened his tie and smiled affectionately:

“Annie, we haven’t seen each other for so long. Find a place to catch up?” The corner of

Su Nan's mouth froze slightly. "We don't seem to have anything to talk about, right?" On her face, the words "you are not welcome" were written clearly.

To be honest, although Xu Anji taught her a lot, in some respects, she was not on the same path as him.

Xu Anji hesitated for a moment, then smiled: "Which company are you working for now? Maybe you can cooperate with us Xinpu?"

Xu Anji sees her cold attitude and decides to change it.

Not going the emotional route, he tried to throw the bait.

After all, in China, there are too many companies that want to cooperate with Xinpu International!

Su Nan curled his lips and raised his eyes coldly and indifferently:

"Sorry, I don't think we have a chance to cooperate." When

Shang Qian heard this, he already understood that Xu Anji and Su Nan were just acquaintances.

Seeing the coldness on Su Nan's face, he walked forward with a smile and put his hand on her shoulder gently:

"Didn't you say you want to go to the movies? It's almost time..."

Su Nan looked at him with a smile, and nodded naturally:

"Then let's go!" The

two just left under Xu Anji's eyelids.

Xu Anji cursed secretly and drank the wine in the glass in one breath.

Chen Mian could see the scene just now clearly.

He walked over, "Mr. Xu, know Miss Su?"

Xu Anji nodded, seeing that he was from Fu Yechuan, and didn't hide:

"It's more than just acquaintance, it's too familiar! But why is she here? She is in Fu Yechuan. Does the Group work?"

Chen Mian didn't answer, but smiled, "She is the president of the Su Group, Miss Su Nan, and President Fu's... ex-wife."

Xu Anji's face stiffened. , "Damn it!"

This news obviously shocked him!

After having known each other for so long, he doesn't know the details of Su Anni?

Xu Anji hurriedly put down the things in his hand and ran to find Fu Yechuan...

——Su

Nan and Shang Qian went out together.

As soon as she went out, she felt the cold wind rushing into every pore of her.

It's too cold!

But in the next second, the warm and silent fragrance instantly wrapped around her shoulders, and Shang Qian draped his coat over her body.

"This is my chance to show, you can't refuse me!"

Su Nan's words of thanks slipped around his lips and swallowed.

She smiled, "What a great opportunity..."

Shang Qian smiled gently, "Goodbye."

Su Nan wondered, "Don't you want to watch a movie?" The

man was stunned, his face flushed instantly , "I thought that was just an excuse to help you get out..."

"Let's go together, it's still early, just treat me as thanking you for helping me get out."

Shang Qian looked at her with warm eyes, "I can't ask for it. "The

two got into the car, it was very warm inside, Su Nan breathed a sigh of relief.

Shang Qian opened his mouth hesitantly, but still said:

“Actually, I always wanted to find an opportunity to apologize to you.”

“Why?”

“I’m sorry for making you feel bad that time at the gym, that’s not my intention. , I’m chasing you seriously, not to get revenge on someone who deliberately used you.”

After he finished speaking, he glanced at Su Nan next to him silently.

She didn’t take this matter to heart at all, but she didn’t expect Shang Qian to remember it for so long.

Was it too heavy for what he said at the time?

Su Nan turned his head to look at Shang Qian, his profile was smooth and smooth, his eyes were warm and sincere, and they were full of apologies.

“Mr. Shang, it’s okay, harmless use is a way to protect yourself, I won’t mind.”

“But I didn’t chase you because I used you, I just liked you, Su Nan.”

He looked serious, There is a little anxiety in the gentle and modest look.

He is explaining.

The car was silent for a moment.

Su Nan’s eyes flickered, obviously a little nervous.

This kind of confession made her indifferent after hearing it too much.

But when Shang Qian said it so bluntly, it was like a feather brushed on the tip of her heart.
