Chapter 891 is too frivolous

Chapter 891 is too frivolous.

Shang Qian stood up suddenly, his face restrained from being ugly, and his good self-cultivation prevented him from getting angry over a trivial matter.

“It’s okay, I’ll go to the bathroom.”

He looked at Su Nan and said.

Su Nan nodded, and then he left with long legs.

Yunyun stood there guiltily, “It was so careless, how could I be so stupid? Su Nan, will your boyfriend be mad at me?”

Su Nan slowly took a sip of red wine, “No Yes .”

He just hates you.

Yunyun sat back in her seat, nervous and worried.

“No, I have to go and see if I need help, Su Nan, wait here...”

Su Nan raised her eyebrows, her smile deepening: “Okay...”

She It seems to understand, who is this Yunyun coming for?

But after a while, the waiter blushed and came over.

“Miss Su, your friend seems to be entangled by that woman, can you really not go and have a look?”

Su Nan paused, holding the glass of wine, then stood up:

“Thank you, I’ll go take a look .”

Even the waiter can’t stand it anymore, how shameless is this woman?

Walking to the promenade, surrounded by some exquisite antique vases and decorative paintings, it can be seen that the restaurant is trying its best to improve its style.

Before Su Nan could appreciate the decorative paintings on the wall, he heard Shang Qian rebuked in a suppressed voice:

“You are Su Nan’s classmate, please focus on yourself.

” Take it off and wash, you won’t misunderstand me, will you?

Besides, Su Nan changes a man a day. She hasn’t seen anyone before. When she looks back, she forgets who you are. You should open your eyes and see. Our classmates are saying that her reputation is not good. Her ex-husband pretends to be arrogant in front of her, who doesn’t know that she is private...”

Shang Qian’s cold and stern voice interrupted her:

“Miss Yun, talking about others behind your back is a very disgusting thing, and I don’t want to hear it. He wanted to

go out, but Yunyun stopped him, her seductive appearance was captivating, she lightly opened her red lips:

“Why don’t you listen?” Don’t you want to get to know her? “

Because everything that comes out of your mouth is rubbish.”

Shang Qian turned around and pushed her away and walked out. He saw Su Nan leaning against the wall, shaking the glass of red wine lightly in his hand . He

froze for a moment.

His face was gloomy, and there was nothing between his eyebrows. Gentle and gentle, completely different from the usual Shang Qian.

It turns out that Shang Qian would be angry too...

Su Nan raised the corners of his mouth and raised his eyebrows as she looked at him. Just as

she was about to speak, Yun Yun was already Followed out from the inside.

Her eyes were slightly red, and she looked aggrieved. It didn’t match the fox-like eyes at all, and it was a bit contrived.

“What’s wrong with me, do you hate me? Su Nan and I are classmates, how can I think of her boyfriend differently?

She wiped her tears and looked at Shang Qian not leaving. When she

looked up, she saw Su Nan standing there. Her

posture was a little careless and lazy, and she was beautiful and generous.

But there was a coldness in those beautiful apricot eyes. Yunyun was stunned for a moment, then she pretended to have nothing and walked over with a smile.

“I said I would pay for a new one, but your boyfriend refused. It’s so sweet…”

Shang Qian frowned, pursed his lips and said nothing.

Su Nan walked in front of her coldly and gracefully, her eyes were cold, and she raised her chin slightly:

“No need to pay, because… it’s even.”

…

Chapter 892 Who asked you to come,

Yunyun raised her head in surprise.

The next second, the red wine in Su Nan’s hand was poured onto her delicate hair and slowly dripped onto her beautiful skirt.

Embarrassment and stickiness enveloped her in an instant.

She let out a pale cry, then took a step back.

He looked at Su Nan in shock.

Su Nan hooked her lips, her voice clear and indifferent:

“Since you know it’s someone else’s boyfriend, who are you still flirting here?

Isn’t it a great sense of accomplishment to challenge someone else’s moral bottom line?”

Yunyun’s face became cold. , that face faded, but there was a strange look in the eyes.

“Su Nan, you…you misunderstood, how could I deliberately hook up with your boyfriend? We are classmates, I just…”

Su Nan interrupted her impatiently with cold eyes Words:

“Please do your homework before you go out. I was the only girl in my class when I was in college. What kind of classmate are you?” The

atmosphere was instantly silent.

She thought that when college students were dating now, everyone in the same class couldn't remember their names.

Therefore, the identity of classmates who make jokes is the best disguise.

Yunyun opened her mouth, “I'm from the next class...”

She wanted to be more stubborn.

Su Nan looked at her eyes coldly, and that feeling had a kind of coldness that penetrated people's hearts.

“You're almost thirty this year, and you have so many wrinkles. You will have to stay at the level for six or seven years to be my classmate, Miss Yun?”

Yun Yun shut up, her face pale.

Su Nan is different from what he imagined, and it is difficult to deal with.

No wonder Fu Yechuan never succeeded after thinking about it day and night!

She wiped the red wine that had dripped onto her eyelids and was calm.

“Even if we're not classmates, we can't be friends? Why are you being so aggressive, Su Nan?”

Aggressive?

Su Nan curled her lips, a sneer flashed across her cold eyes, and her eyes flashed:

“Friend? You are ugly, stupid, and poor, how can you be friends with someone who is kind, beautiful, generous, and rich like me?”

Yun Yun His face froze, his mouth trembling and he didn't know what to say.

Shang Qian on the side couldn't help bending the corners of his lips.

I know to tell the truth!

Su Nan lowered her eyes and looked at her, her voice was cold:

“However, who asked you to come?”

With one sentence, Yun Yun’s expression changed.

Suddenly appearing, how can there be no purpose?

Do you just want to seduce Shang Qian, or do you just want to seduce the man beside Su Nan?

Yun Yun pursed her lips and took a step back:

“What are you talking about, I don’t understand, you have humiliated me so much, I have nothing to say to you, goodbye.”

She turned around and was about to leave, but Su Nan would not let her go so easily.

She reached for the collar behind her, and with a little force, pushed her sideways against the wall.

Hearing a dull “Boom”, it was her head hitting the wall.

Yunyun’s face was pale, “You...what are you doing?”

Su Nan smiled, her gestures were cold and threatening, and she was pinched to death.

“I’m not a gentleman, but I can beat women...”

Su Nan pushed her neck with one hand, making her unable to move.

She held the wine glass in her other hand and slammed it against the wall.

The sound of glass shattering made Yunyun freeze, but the remaining fragments in her hand touched Yunyun’s face...

She was completely panicked!

“Don’t...Su Nan, I can tell you anything you want to know!”

Seeing that her promotion was imminent, how could she still be without this face?

The fierceness in Su Nan’s eyes made her shiver and shiver.

She was afraid that it would really hit her face.

...

Eight hundred and ninetieth chapters call someone to answer

Chapter 893

It's not a joke to call someone to answer. People like Su Nan did it, and some people took the blame for her, and her life was completely over!

She looked at Shang Qian beside her begging for help.

But Shang Qian's face was indifferent and indifferent, he didn't want to care at all, and he had an indulgent attitude.

He is a gentleman and can't do anything to a woman, otherwise the woman would have been bruised and swollen.

Seeing Su Nan's unscrupulous threat to act.

He is really happy!

She gritted her teeth, it was important to keep herself.

"Xinpu Group..."

She was really about to cry out of fright!

Su Nan paused for a while, and narrowed his eyes with coldness.

"Fu Yechuan?"

"No...No, I'm Mr. Fu's subordinate, but he didn't ask me to come, I'm from the Xinpu Group..."

She wanted to continue explaining, Su Nan didn't have much patience to listen.

Holding her collar, she walked back, ignoring Yunyun's image.

Yunyun didn't dare to struggle, after all, there was Shang Qian behind her.

Su Nan passed by the place to eat in front, and Yu Lou and many colleagues had already started to eat.

Seeing Su Nan coldly and sternly carrying a embarrassed woman out, she was stunned for a moment.

There was silence in the air for a few seconds.

Su Nan smiled gently, and waved the hand that was still holding the wine glass.

“Don’t be polite, everyone, don’t order more, Yu Lou, greet your colleagues.”

Yu Lou nodded, “Okay, Mr. Su!”

Everyone blinked, immediately pretended not to see anything, and raised their glasses with a smile.

“This restaurant is really good...”

“Yeah, Mr. Su is so generous, it seems that he has reserved a table for us...”

“The environment is so good, you can try this!”

.....

Yunyun’s look for help was useless at all, no one looked at her at all.

She finally knew what it meant to hide her ears and steal the bell.

The waiter on the side didn’t even dare to look at it.

Just now, this woman was still shouting one by one from her classmates, and her bright and beautiful face immediately turned into a disgraced face.

Don’t be too fast!

Su Nan directly dragged her to a box next to her. She threw the woman in and wiped her hands with a wet towel in disgust.

Every slender and beautiful finger was wiped clean.

Shang Qian came in and closed the door with his backhand.

“Su Nan, let it out, don’t make people crippled...”

As soon as his words came out, there was an inexplicable chill in the air.

Su Nan paused for a while, watching Yun Yun trembling all over, she turned pale with fright.

She hooked her lips, “They are all civilized people, how can they do it?”

She took out her mobile phone from her pocket and called Fu Yechuan.

Shang Qian immediately understood and laughed dumbly.

It seemed he had misunderstood.

The phone wanted to be picked up in less than two beeps.

Fu Yechuan's voice seemed a little surprised and surprised:

"Su Nan, are you looking for me?"

Su Nan looked at Yun Yun, who seemed a little panicked, and said the address, "Take your people away."

After that, she hung up the phone.

Yunyun wanted to explain that Su Nan didn't want to see her face, so she turned and left.

Shang Qian followed behind, closing the door by the way.

Su Nan's mood improved, and then went out to eat with others.

Everyone was very sensible and kept silent about what they had just seen.

One after another, the food is almost finished, and everyone has to go back to work.

As soon as the people left, Fu Yechuan came in.

Su Nan took the initiative to find him, and Fu Yechuan also deliberately chose a new shirt. The suit and trousers were straight and slender, the whole person was three-dimensional and clean, the

figure was tall and straight, and with that stern face, the aura was strong and impeccable.

He saw Su Nan sitting there at a glance.

Looking at Su Nan's opposite, and his most hated Shang Qian...

Fu Yechuan narrowed his eyes coldly, and the smile on the corner of his mouth suddenly sank.

“Why are you here?”

Shang Qian smiled, with something meaningful on his warm face.

“Mr. Fu is well-intentioned, I'm not here, how can your people do it?”

Fu Yechuan's eyes were cold, and he looked away inexplicably.

When Shang Qian was here, he didn't want to lose face. He looked at Su Nan, his voice was soft:

“What are you looking for?”

Su Nan looked at him for a few seconds and pointed to the box inside.

“Take your people away, Fu Yechuan, isn't it bad for everyone to be an upright person? Do you

have to do some rude little tricks that are disgusting?”

Fu Yechuan's expression darkened instantly, and his black eyes were cold:

“What do you mean?”

” It has been busy for a while, and the cooperation between Xinpu International and Fu Group needs to be further planned, and there is no time to call her!

“Xinpu Group belongs to you, Yunyun belongs to Xinpu Group, right?”

Fu Yechuan frowned and was gloomy for a few seconds, thinking about who the name was, and suddenly remembered what Xu Anji mentioned, the president of Greater China. One of the candidates is Yun Yun.

“Yes.”

Su Nan curled his lips, “That's right, you asked her to provoke me and hook up with the people around me. Would you be embarrassed to use this kind of trick?”

Fu Yechuan's face was ashen, it was hard to see the extreme .

He strode over, kicked the box away, and looked at Yun Yun, who was in a state of embarrassment, with an even more ugly expression.

“Mr. Fu...”

Yunyun looked at him pitifully, tears shaky.

“I’m just here to help you...”

Help you clear your opponents, so that there is no one else around Su Nan who can compete with you!

But before he finished speaking, Fu Yechuan’s expression was dark and gloomy, and his tone was cold and severe:

“It’s so fucking sick!”

He turned around neatly and walked in front of Su Nan, his dark eyes were dark and deep, unable to hold back. Live the anger.

“She’s tired of living. What should she do if she loves her? I will take care of it by myself. I won’t take the blame for her!”

Su Nan called him over because of this?

After arranging Shang Qian on the Internet last time, his impression in her heart has become so unpopular?

Does he really use this method in his spare time to disgust people?

Yunyun cried out, “Mr. Fu, you must save me. I am from Xinpu International. I have been in the company for more than ten years. There is no credit or hard work...”

She couldn’t hold herself back. Charming and reserved aura, crying to show weakness.

Su Nan, Shang Qian, Fu Yechuan.

No matter which of these three people is brought out, it is much more valuable than her identity.

Without Fu Yechuan’s protection, it would be easier for Su Nan to kill her than to crush an ant!

Fu Yechuan’s eyebrows were stained with a trace of ruthlessness, his black eyes were gloomy, and his tone was stern:

“You haven’t done it for nothing in the past ten years. Today is the end. Xinpu International doesn’t need people like you.

” Tired him, I really hate itching teeth.

Yunyun looked up at him in shock and forgot to cry.

She was fired?

Was fired when you were about to be promoted?

At this age and position, it is impossible to find the same position and treatment as Xinpu International!

Has her career come to an end?

“Mr. Fu...”

Fu Yechuan didn’t even look at her, he just stared at Su Nan in front of him, his black eyes cold.

He approached, the arrogance poured out from his eyebrows, and his eyes were deeply surging with emotions.

“Su Nan, in your heart, I am such a person?”

...

Chapter 895 Willing to Hurt Him

After Fu Yechuan asked, he felt a little dull pain in his heart while he was angry.

Just because of one mistake, so everyone who does wrong next will have something to do with him?

Why does he carry the pot?

Su Nan looked at him quietly, “Your people do things for you, but you didn’t arrange it. It’s hard to believe, right?”

Unless this woman wanted to please Fu Yechuan too much.

Unconditional trust, for them, simply does not exist.

Su Nan believed it once, was injured for three years, and dared not believe it again.

There was a faint flame in Fu Yechuan's eyes, the blue veins on his forehead bulged, and he was mad with anger.

But facing her, he had to calm his emotions as much as possible.

His Adam's apple rolled, and his voice was low and hoarse.

"Well, I'll tell you seriously, it's not me, it's nothing to do with me!"

Begging her to stop looking at him like this is more uncomfortable than cutting his heart with a knife.

Su Nan watched the corners of his eyes turn red, and a strange feeling crossed his heart.

But then this strangeness was forcibly suppressed by her.

Rather than being so entangled, it's better to just make it clear.

"It doesn't matter if it's related or not, your people, you take it away."

It wasn't that he could take himself out with a single sentence.

If it wasn't for Fu Yechuan, Yun Yun would be rushing to do things for him at the meeting?

Fu Yechuan stared at her, and after a while he made a voice, "Su Nan, are you so willing to hurt me?" The

opposite Shang Qian couldn't stand it any longer, and Fu Yechuan's reaction was a little unexpected.

He stood up and walked over, "Mr. Fu, can you talk about the matter?"

Fu Yechuan pushed him away suddenly, his backlog of emotions erupted in an instant, and his voice was extremely cold:

"Go away? What are you? Do you think I am real? Don't dare to touch you?"

Su Nan stood up and looked at Fu Yechuan with cold eyes:

"He is my boyfriend, Fu Yechuan, please show some respect."

In an instant, the expressions of several people present changed.

Fu Yechuan looked at Su Nan in shock, and after a few seconds of silence, his chest heaved violently, his eyes flushed, and he suddenly sneered.

“Boyfriend? You still chose him, no matter what I do, you won’t look back at me again, will you?”

His voice was low, hoarse, and seemed a little desperate.

Su Nan was silent, and suddenly the corners of his lips rose, revealing a smile:

“Yes, I never turn back. I never said before that no matter who the man beside me is, it will not be you.

Because I think, They will be better than you no matter what.”

Fu Yechuan stared at Su Nan with dark eyes, his face tense and ugly.

Su Nan smiled, gracefully and calmly, with a clear and clean voice:

“Fu Yechuan, no matter what, if I find a boyfriend after a husband and wife, you should bless me.

In the future, except for official business, try not to contact me, especially yours. People, don’t wander around in front of my eyes, otherwise I won’t be so cheap to her next time.”

She said the harshest words in the gentlest tone.

Yun Yun, who was behind her, suddenly felt that there was an abyss in front of her.

She wanted to clear the obstacles around Su Nan, but unexpectedly, it accelerated the end of Su Nan and Fu Yechuan.

Fu Yechuan, I’m going to hate her to death!

After Su Nan finished speaking, she turned to look at Shang Qian with gentle eyes like water, “Let’s go.”

She and Shang Qian are “we”.

Shang Qian calmly took the things and left with Su Nan.

No one noticed, Fu Yechuan quietly blushed.

Yun Yun walked over and said cautiously, “Mr. Fu, I’m sorry...”

“

Go away—” Fu Yechuan turned around suddenly, his body was full of hostility, his eyes were red and bloodshot, and he was ruthless.

He kicked the chair beside him.

No one dared to step forward.

, Su Nan, when you go out, the cold wind blows, and your mind instantly calms down.

She exhaled slowly.

Fortunately, all solved.

Fu Yechuan always wanted to show his face, hoping that he would retreat in spite of difficulties and stop entanglement.

A hand suddenly stretched out beside him, holding a dark-colored men's handkerchief in his hand.

Su Nan looked up at him, but Shang Qian was silent but distressed.

What she said was neat and merciless, but he could feel there that she really mustered a lot of courage before deciding to cut Fu Yechuan out of her life.

She was hurting Fu Yechuan's colleagues, and she also scratched herself with the blade.

It turned out that she didn't have any feelings for him.

Shang Qian gently raised his head and gently wiped away the tears from the corner of her eyes.

She didn't know it herself, and she burst into tears.

He sighed, "Su Nan, if it's too hard to let go of someone, just take it slow.

I feel sorry for you if you are like this."

Su Nan's eyes were still red, but her face had returned to her beauty. She smiled:

"After all, I liked him so much back then. It took me a year to let it go. It's enough. Today is just a bit more thorough. Sooner or later, it can't be slow.

" Feel.

Shang Qian knew about Su Nan's past. Her feelings for Fu Yechuan didn't happen overnight, it grew in her bones.

She was bright and confident in the Su family, but she was willing to be cautious in the Fu family. This kind of rebirth was just for Fu Yechuan.

The more he understood, the more distressed he became.

After the divorce, Su Nan is very good and bright, which should be the confidence in her bones.

Shang Qian lowered his eyebrows, smiled, and opened the car door for her, "Want to go back to the company, or to relax?"

Su Nan sat in, calmed down, and took a look at the phone. There was no news from Su Jin, and the company should have nothing urgent.

"I want to find Qin Yu, can you send me to her company downstairs?"

Shang Qian smiled, "No problem, I'm very happy." On the way.

Soothing music played in the car.

Su Nan's expression had lost sight of anything.

He bent the corners of his lips, and Su Nan swept away, just to capture this honey smile.

She frowned, but couldn't pretend she didn't see it, she could only ask him:

"What are you laughing at?"

Shang Qian paused for a few seconds, then glanced at her:

“Want to know?”

Su Nan nodded.

She doesn't want to know why ask?

Shang Qian's voice was low, smooth and gentle, and it sounded particularly nice:

“Because I found out that I am not worthless in your heart.”

Su Nan was taken aback, Shang Qian smiled, and then said:

“That woman treats me as your man. My friend, you didn't deny it. This is the first time.

She has bad intentions against me, and you taught her a lesson as a girlfriend. This is the second time. In

front of Mr. Fu, you admitted that I am your boyfriend. The third time.”

Su Nan tilted his head to look at him in surprise, right?

Shang Qian smiled warmly and confidently:

“You have admitted that I am your boyfriend three times, have you forgotten?”

As soon as he finished speaking, Su Nan felt a little hot on his face.

forget!

The situation at that time, of course, was to deal with others, how could she admit it?

Shang Qian smiled, “You are implying me, I can chase you upright and open!”

She admitted it first, so he was not worried that she would be angry.

Su Nan didn't look away, looked out the window, the roadside scenery flashed by, the snow melted, and the temperature gradually rose.

She raised the corners of her mouth and smiled.

“Okay, but just now...the matter is urgent, don't take it seriously!”

...

Eight hundred and ninety seventh chapter 120th suitor

Although the 120th suitor in the eight hundred and ninety seventh chapter was not in place, Su Nan was still relieved.

Shang Qian's smile deepened, and his eyebrows were dyed soft colors.

"Okay, then take your time."

Anyway, his opponent is gone, he is the only one, of course he has enough patience to take his time.

The singing is melodious.

Su Nan felt a lot easier along the way.

Arriving downstairs in Qin Yu's company, before opening the car door, Shang Qian got out of the car quickly, bent over and made a "please" gesture.

Su Nan smiled and went out in cooperation.

Shang Qian frowned, "Do you need me to pick you up?"

He had already adapted to the role of boyfriend in advance.

It feels pretty good.

Su Nan pursed his lips, his face flushed a little, "No need, we won't end so soon."

Shang Qian raised his eyebrows, nodded, looked up, and withdrew his gaze regretfully.

"Although I really want to meet your friend as your boyfriend, it's not time yet. Goodbye."

Su Nan waved, "Goodbye."

She didn't expect that the meal would be like this.

Between him and Shang Qian, he seemed to be taking a step closer unconsciously.

But when it comes to dating, she's not ready yet.

The phone in the bag rang.

Su Nan took it out, it was Qin Yu.

She picked it up, "I'll go downstairs in your company."

Qin Yu smiled, "I've seen you, how long do you want to kiss me? Are you still reluctant to part with everyone?"

After Qin Yu said this, Su Nan's entanglement was completely cleared away, and only embarrassment remained.

She raised her head, snorted coldly, hung up the phone and walked in.

She must have seen the scene of getting out of the car just now.

Qin Yu greeted her, but no one at the front desk dared to stop her.

Su Nan went upstairs smoothly and reached Qin Yu's office.

"It's such an honor for you to be chosen by me... ah!"

Before she could finish, she watched a man come out of the lounge inside.

startled.

Take a closer look, isn't that Mo Xian?

Mo Xian didn't even look, he was wearing his coat, walked over and kissed Qin Yu, then stood up and walked towards the door.

When passing by Su Nan, he smiled and nodded and said hello.

Su Nan blankly watched him leave, and then looked at Qin Yu in confusion.

Confused.

How do they get together?

Qin Yu was not at all embarrassed and smiled:

"I forgot, he rested here at noon."

"You two..."

Su Nan hesitated.

Qin Yu admitted generously, "He is already my 120th suitor. He is handsome and not clingy. I am considering turning him into a regular..."

Su Nan: "... "

She thought that Qin Yu would be trapped in Su Jin and Wen Xiang's relationship for a while.

During this time, she did not dare to call and ask her, for fear of causing her sadness.

But this picture doesn't seem to be a day or two. She and that Mo Xian seem to have been hooked up for a long time...

Su Nan blinked.

So, is she the only one who regrets her pain?

Qin Yu smiled, with a bright smile, and returned to her former cheerfulness and liveliness.

Knowing what Su Nan was thinking, she walked over and comforted her:

"Don't think blindly, the past is gone, it's like a stone on the top of your head falling down, it hurts just a little bit, and the pain is gone.

I can't give up the entire forest in front of me for a man I can't get, right?"

Su Nan opened his mouth and sighed, "Queen of the sea..."

Qin Yu pinched her angrily, Su Nan shrank in pain and begged for mercy.

"As a best friend, you should stand by me unconditionally!"

Su Nan was forced to nod.

It was her best friend who was so blind!

But then I was a little puzzled: "Isn't he your partner? The contract has been signed?"

Qin Yu nodded naturally:

"What is the contract? When he got into my bed, his net worth and life are mine, not to mention the contract. Well, if I knew the beauty plan would work, why would I bother?"

Su Nan looked at Qin Yu with admiration.

Her mentality, like taking advantage of others when she sleeps with others, is not something that ordinary people can understand.

However, Su Nan completely admired her charm.

From childhood to adulthood, there has been an endless stream of men around Qin Yu, and they have never stopped.

The people around Su Nan were chased away by several older brothers and had no chance to experience it.

But Qin Yu always has a way to make a man die for her.

I admire you!

Qin Yu smiled, "If you like it, I can borrow you for two days..."

Su Nan's expression changed, and he immediately shook his head.

It's too heavy, she can't take it!

"No, no, I don't like it."

Every time she looked at Mo Xian, she felt that he was not simple, indifferent and treacherous, as if he was being led by a woman by the nose!

Possibly, also a love brain?

Qin Yu leaned forward, "Do you like Shang Qian's type? Are you two okay?"

Su Nan was taken aback.

Is it too direct?

"No..."

"I saw it just now. You guys are reluctant to part with you downstairs. There is clearly a problem!"

Qin Yu didn't believe her nonsense, she only trusted her own intuition!

Su Nan was silent for a while, then told her what happened just now.

Qin Yu, an expert in love, also sat beside her in confusion, helpless.

“It’s too complicated. These two people didn’t just cut it off, and they didn’t talk about the rules of the rivers and lakes at all!”

Shang Qian and Fu Yechuan were not simple.

Su Nan pursed her lips, “I’ve already decided not to give Fu Yechuan a chance. Emotional matters can’t be delayed.”

Qin Yu went over and hugged her, “My poor baby, if two men like this come after me, I will have to hang their appetite all day long, draining their net worth...”

Su Nan: “...”

Can you be more serious?

She has no such ability!

These two people are not ordinary rich second-generation people. One is better than the other, and someone who can dominate the market will be played by a woman?

Su Nan pushed her away and sighed, “I don’t have what you can do.”

The light in the office was just right. The sunlight reflected through the floor-to-ceiling windows and reflected on the crystal ball beside him. Even the beam of light was outrageously beautiful.

The two sighed, then ran to the “I heard” bar, planning to rest after getting drunk, and called Cheng Yi and Ning Zhi by the way.

Fu Yechuan’s face was gloomy and gloomy, without any emotion, but a piercing chill shrouded his body.

The air was silent.

Chen Mian stood aside and dared not speak.

However, Xu Anji chirped and explained:

“Yunyun really didn’t do it on purpose. Who would have thought that things would develop to this point?”

Su Anni is also really heartless!”

He didn't say a word, and Fu Yechuan's face turned gloomy. point.

Chen Mian couldn't bear to see it, he really wanted to go out, but he was afraid that they would fight.

He was almost unable to hold back his emotions. So even what you say is so rude.

Nosy, smart, useless!

This is the candidate who recommended the president of Greater China!

Fu Yechuan sneered, looking at Xu Anji with his eyes, his brows were gloomy and indifferent.

I asked you to sit in the position of vice president of Xinpu International, not for you
There is a chance to put your lover in a key position!" In

a word, the office fell silent for a moment.

Xu Anji's expression changed.

No one knows about his relationship with Yunyun.

Externally, they don't keep in touch often, and even he has a better relationship with another candidate, Jiang Nian.

How did Fu Yechuan know?

Over the years, Fu Yechuan's trust in him made him a little carried away.

He thought that he was Fu Yechuan's confidant, but he suddenly realized that Xinpu Group had changed so many vice presidents, how did it fall?

Xu Anji's face was pale, and he was about to clarify his relationship with Yunyun.

Fu Yechuan raised his eyes indifferently, "Do your own thing and go out." The

Xinpu Group belongs to him. Among the powers he gave Xu Anji, there was nothing against his decision.

Xu Anji pursed her lips, turning around and leaving without caring about her own face.

Yunyun at the door was still crying pitifully. She didn't even change her clothes, and her hair was still sticky and smelled of red wine.

Poor and hateful!

"President Xu, what did President Fu say, have you interceded for me?"

Xu Anji frowned impatiently, knowing that Fu Yechuan's bottom line was impossible to ruin his future for a woman.

He glanced at Yunyun with dark eyes, "You can do it yourself."

After speaking, he raised his legs and left, not wanting to stay any longer.

For fear that the next bad news will be his dismissal letter.

Xu Anji himself can't be called a good person, but he can't be called a bad person either.

He is well versed in the various rules and principles in the workplace, and he also knows the importance of being wise and protecting oneself at critical moments.

Yunyun's cry became even more miserable...

After a while, Chen Mian came out.

He looked at Yun Yun without the slightest emotion in his eyes:

"Since you have worked for Xinpu International for so many years, President Fu said that you can resign yourself."

“No... I really am not. On purpose, I can go and explain to Su Nan, I can't let me leave the company because of this trivial matter!”

Chen Mian pursed her lips, “This is not a trivial matter at all, Miss Yun, you just arrived in country Z, and nothing happened. Dare to provoke Miss Su if you understand, I really didn't expect to fail?”

Yunyun was sluggish.

Chen Mian: “Because you think that as a Xinpu Group, is it more important than Miss Su?”

Yunyun raised her head suddenly.

She felt so.

It never occurred to her that things would develop to a point that she couldn't control at all.

Chen Mian hooked his lips and smiled a little mockingly:

“Many smart people think so.

But Mr. Fu will always see the benefits you bring to the company?

For him, even if the entire Xinpu Group and Fu are combined, they may not be able to compete with Miss Su. On the same level !

I advise you to leave here wisely, otherwise President Fu will turn back and be angry, there are many ways to make you so miserable that you doubt your life.”

Yun Yun's face turned pale a little bit.

Chen Mian, who was by Fu Yechuan's side, had seen so many people and events, so I'm afraid his words were not adulterated at all.

Did she just ruin her future?

Yunyun turned pale and left in a trance.

Chen Mian then called the bodyguard downstairs:

“Be optimistic about that woman, don’t let her have any trouble near the Fu Group, don’t worry about those outside the scope of the Fu Group.”

As a qualified assistant , and be prepared for what does not happen.

The finishing work must be done beautifully!

Mr. Fu is really miserable. He offended the Fu family for Su Nan, but in the end, he still lost Su Nan.

Su Nan, who took his heart back, was stronger than expected.

When Yunyun came downstairs, she saw her competitor Jiang Nianzheng coming over in high spirits.

Seeing her, she also reached out to say hello, which was extremely warm.

“Yunyun, you are always one step ahead of me. I didn’t expect you to leave the company first this time. I wish you a bright future...”

Yunyun’s face was stiff and ugly: “...”

Jiang Nian smiled and strode upstairs.

If Yunyun hadn’t killed herself, this position wouldn’t necessarily fall into her own hands!

Chen Mian returned to Fu Yechuan’s office and saw his cold and handsome facial features mired in the shadows, which was particularly profound.

“Mr. Fu, Jiang Nian is almost here.”

Fu Yechuan’s face was gloomy and indifferent, “Give him the things and let him take office directly.”

This means that he doesn’t want to see him anymore.

Chen Mian nodded and took the latest documents of Xinpu Group to the door to wait for others.

After Jiang Nian was sent away, Fu Yechuan sent a message to dismiss all entertainment in the afternoon. He didn’t want to see anyone.

Chen Mian was relieved until Lu Qi cheekily came to him for a drink.

...

Cheng Yi and Ning Zhi came, Su Nan and Qin Yu came out of the bar.

The four of them plan to go for a ride.

Looking at the forecast, there will be a meteor shower tonight.

They haven't been so romantic for a long time, and they have to be impulsive once.

Cheng Yi volunteered to prepare things for camping, and the car that was specially used for off-roading was about to fall into ashes.

Now it finally comes in handy.

Qin Yu clamored to go to a mountain col in Xicheng, which was an excellent camping spot.

Su Nan has no opinion.

Cheng Yi directly pulled them on the road.

On the way, Ning Zhi said tangled: "Is there any danger, I think it's going to rain?"

Qin Yu: "Impossible, what danger is there for the four of us? And the weather forecast says it won't rain... .."

Su Nan took out her mobile phone and planned to talk to her family, but it seemed that there was no signal?

She paused and looked at Ning Zhi next to her.

"Give me a cell phone?"

Ning Zhi handed it over without saying a word, Su Nan turned it on, and there was no signal.

"No signal, I can't even make phone calls!"

She returned it to Ning Zhi.

Cheng Yi smiled, picked up the satellite phone in the car, and handed it to her:

"I'm ready, don't worry!"

Su Nan took it over with a smile, complimenting him when he reached his lips and swallowed it.

“No power, Cheng Er, how long have you been charging?”

Cheng Yi’s face changed, “I...I forgot, the last time I camped was half a year ago!

” Poke a hole in him.

Cheng Yi suddenly braked, and before Qin Yu could scold him, Su Nan realized it.

“It’s raining!”

Everyone looked out of the car window, and the big raindrops fell and slapped the car window.

Qin Yu urged Cheng Yi, “What are you still doing? Go back! It’s impossible to see meteors in the rain...”

Cheng Yi’s face turned red and white, and he said tangled:

“The car... ..seems to be out of oil...”
