Chapter 91: The Galaxy Gives Me

Chapter 91

The star-studded venue is housed in a unique manor, with delicate and expensive decorations everywhere.

The entire manor was integrated with the night, and the dim starlight flickered faintly in the doorway, like the Milky Way falling on the ground.

As soon as you enter the manor, the sky above your head is filled with stars, thousands of miles of stars, as if you are in the vast universe, which is shocking.

Su Qi came in behind Su Nan and Qin Yu, clicked his tongue, and looked around, "It's not bad."

Su Nan rolled his eyes at him and raised his chin proudly, "Of course, the entertainment industry. There are only three people invited here, and you are one of them."

"I'm really honored." Su Qi said with a smile, his handsome face even more charming and profound.

"Su Nan..." Ning Zhi came over and glanced at Su Qi behind them, his eyes paused slightly, and he said with a smile, "Su Yingdi, welcome..."

Su Qigou Lips, "Xiaozhi, are you planning to monopolize the fashion industry?"

Ningzhi blushed slightly, lowered his head and smiled, raised his head to look at him, "Su Yingdi laughed."

"Heh, now he's grown up. , don't even call the third brother?" Su Qi put his hands in his pockets, stood there lazily, and looked at her jokingly.

Ning Zhi's smile deepened, and his eyes glowed with light and looked up at him, "Third brother laughed."

Su Qi smiled with satisfaction, "Third brother smile is nothing, you can play, I will just sit back and forth."

Ning Zhi nodded, looked back, and took Su Nan and Qin Yu's hands, "Then let's go to the back to prepare."

Su Nan and Qin Yu didn't see that Ning Zhi was different from usual, and only focused on surprising the people around them. landscape.

"This is too beautiful. Your work has already become a blockbuster before it appeared." Su Nan couldn't help but praise.

Ning Zhi raised her eyebrows and looked at the two people helplessly, "Speaking of which, you two are my partners, but you don't help me at all?"

She didn't mention Su Nan and forgot that Ning Zhi was founded at the beginning. When sharing, there was a little lack of funds. Su Nan and Qin Yu made it up for her, and they didn't let her pay it back. Ningzhi simply registered them as shareholders. Although there were not many shares, they were very closely related in name.

Qin Yu interrupted with a smile, "Where's our dress?"

Ningzhi asked him to push out three custom-made dresses that were hung on the hanger, covered with a layer of white tulle, and clapped his hands in satisfaction. "Try it."

Can't wait to open it, the two of them gasped, their eyes full of surprise and shock.

"The theme of this show is 'Xinghe to me', the starry sky is definitely amazing, but the design of the starry sky is already a commonplace, the theme design of 'Xinghe to me' is 10,000 possibilities for women, and it can be a princess, it can be a queen, a knight, or even ordinary dust, the design of each dress is a unique constellation, as long as they exist, they are thousands of miles away."

Ning Zhi smiled with satisfaction, picked up The pure white hollowed-out satin custom-made dress in the middle is made of exquisite fabrics. It is designed with a blue and purple gypsophila bouquet on the bare shoulders. The arc of it, dotted with purple pearls shimmering with dim light, shone with mysterious nobility in the light.

"This one belongs to Su Nan. It's tailored for you. Try it on. This is the main style of the Cassiopeia series."

Su Nan took it over excitedly . Stunning.

"This is Qin Yu's, it's Gemini..."

Ning Zhi had chosen his own, and the three of them went to the room to change their clothes.

When they came out, everyone couldn't help but marvel. Su Nan's dress was absolutely stunning, with a hollow design on the chest, but the gypsophila bouquet covered the housekeeper's part very well, adding a bit of sanctity.

The design that fits the waist, outlines her waist, and the long skirt falls on the ground. Mysterious purple pearls are embellished, as if the entire constellation of stars is draped around her body.

“It’s so beautiful...” The staff on the side couldn’t help but admire.

Chapter 92 Her Finale

Chapter 92 Her finale

Qin Yu also looked at her in surprise. Although her dress was quite beautiful, it was not as precious and glamorous as Su Nan’s smile after she put it on.

Ning Zhi’s eyes lit up, and she immediately called the makeup artist to design Su Nan’s outfit. She patted Su Nan on the shoulder, “Come and give me the finale.”

She didn’t give Su Nan a chance to object, she turned her head and followed Staff to adjust the order of appearances.

Su Nan was stunned, Qin Yu also stepped forward and smiled, “Yes, that’s it, we Su Nan should be in the spotlight.”

Ning Zhiliao carried Qin Yu over, “You can’t be lazy, you come to start.”

Qin Yu: “Huh?”

Once the big show starts, the coordinator will be in charge. Ning Zhi has arranged everything, so he went to the front to see the effect.

The invited guests have all arrived. After everyone greeted each other, they sat quietly in their seats and waited for the opening.

Except for the starlight on the stage, the surroundings are dark, and it is impossible to distinguish people at all. This is also to avoid the effect of greetings in the venue.

The music has started and everything is going well.

Qin Yu was temporarily arranged, and she was not afraid at all. The confidence in her bones made her not worry about failure at all. She was already beautiful, and she attracted the attention of many people at the beginning, causing a lot of commotion. Stunning, the admiration for the model made her satisfied, and then she calmly exited the stage...

She glanced lightly, and saw the two women sitting in the second row, the corners of her lips twitched, as if after the discharge Leave.

Nervousness, anticipation, and then the fascinating and wonderful theme, which is amazing...

Everyone can't wait to watch with their breath, not wanting to miss every design...

Qin Yu jumped up to the second floor, Su Nan's long hair was rolled up, revealing a slender and fair swan neck, which was very beautiful. It was still early before she played, so she was not in a hurry.

"Guess who I saw?"

Su Nan raised her chin slightly, her eyes cold. She had already seen it, Fu Yingying and Qiao Wanrou.

The two watched excitedly, they probably didn't recognize that the person who just came on was Qin Yu, otherwise they wouldn't be so calm.

"Why are they here?" Qin Yu looked at him with disgust.

"Forget it, let's talk about the smooth end." Of course, the show is the most important thing.

After a while, the staff came up to remind: "Miss Su, it's almost time for you, go get ready..."

In the venue, in a dim place, Lu Qi approached Fu Yechuan beside him and whispered, "You look up. Look, it really deserves to be a rookie in the later period. It is much better looking than those pretending to be advanced foreign shows, and the models are also better looking. It is much more interesting than your ex-wife. Which one do you like directly go after me... I will! Before

Lu Qi finished speaking, he looked at the women walking by on the runway, as if he had seen a ghost, rubbed his eyes, he was stunned, this woman... it was Su Nan?

Fu Yechuan subconsciously raised his head and glanced, his eyes were shocked, and his eyes were fixed on the man.

There was a faint smile on the corners of her lips, her brows were cold and noble, and the blue-purple gypsophila flower branches covered the right advantage, with bumps and convexities, a slender waist, and a slender figure, the precipitation of extravagance carried a dazzling edge, It really seems to be approaching with the entire galaxy, so beautiful.

The moment Su Nan appeared on the stage, everyone's attention was taken away, and the people around her were careful to breathe, but she still walked calmly, stopped, turned gorgeously, and every move was full of style.

Ning Zhi saw everyone's reaction and knew that he was using her as the finale, which was so right!

Only she can use the advantages of this dress to the fullest!

From Fu Yingying and Qiao Wanrou's point of view, they could only see the general outline of the person's facial features, and did not pay attention to what the person looked like.

Fu Yingying took Qiao Wanrou's arm excitedly, "Wanrou, this dress is so beautiful, noble and luxurious, I'll take a photo with this model in a while, she's a really good figure, is she a foreign model? I must send it to In the circle of friends."

Only then will some people believe that she really came to the scene of share!

Qiao Wanrou frowned with complicated eyes, could it be that she was wrong?

How could Su Nan come to such a high-end private place?

How could she be the finale model?

Yes, you must be wrong!

...

Chapter 93 Not wearing a wedding dress

Chapter

93 The show ended without wearing a wedding dress. The venue suddenly burst into thunderous applause. Ning Zhi calmly went up and said a few official words. The next step was to end the party, and everyone was eagerly waiting.

Many media people chased after and asked Ningzhi who the finale was, and whether it was a celebrity who was invited back from abroad at a high price.

Ning Zhi smiled, and asked someone to call Su Nan over, "This is not a foreign star, this is my partner, Ms. Su Nan."

Su Nan smiled and nodded calmly. She was still wearing that dress, and everyone couldn't wait to take pictures. The flash flashed. Su Nan also stood there with great cooperation, letting everyone take pictures.

After all, to promote Ning Zhiliao's brand, she must help to the end.

The media invited were all well-known fashion media at home and abroad. A foreign reporter asked directly: "The design of this dress is a bit bridal style. Ms. Su Nan is skilled in handling it. Do you have any experience in wearing a wedding dress?"

Ning After knowing for a while, just about to stop their questioning, Su Nan smiled indifferently, and said lightly: "No, I didn't wear a wedding dress."

Fu Yechuan, who was walking over here, heard this sentence, his body slightly Suddenly, his eyes became complicated.

She did not wear a wedding dress, not even a wedding, nor a wedding photo, how could there be an occasion for wearing a wedding dress?

The only connection between them is that the red book turns green.

She was only married, nothing else.

He was mean to her about everything except money.

For a moment, it seemed that he had been hit hard on his chest, and Su Nan had slapped him hard.

Lu Qi paused for a while, "It's really her..."

Su Nan saw Fu Yechuan standing not far away, his eyes lightly retracted his gaze, and after a few words, he told Ning Zhi. gone.

Ning Zhi naturally also saw Fu Yechuan, and his voice was unpleasant.

"I clearly didn't give them the tickets, so I didn't invite them?"

Su Nan smiled, "With their identities and abilities, isn't it easy to get a few tickets?"

What's more, this is Fu Yechuan's territory.

Ning Zhi snorted angrily, someone came over to greet her, she immediately greeted her with a smile, Su Nan said hello and went upstairs to find Qin Yu.

She doesn't want to see people she doesn't want to see.

On the other side, Fu Yingying dragged Qiao Wanrou to look for someone everywhere. When she saw the staff, she went up to ask, "Where's the model at the end?"

Finally someone who knew gave her directions: "I just saw that I went upstairs... .."

Qiao Wanrou seemed to have seen Fu Yechuan just now, she wanted to find him, but she couldn't leave Fu Yingying behind, "Why don't you look for it later?"

"Take a picture and leave soon, the woman just now was so beautiful. Ah, it would be great if such a person married my brother..."

Fu Yingying thought about it, she is so generous and decent, a person who is highly regarded by everyone is worthy of her brother, even if she is a model, she is stronger than Su Nan 10,000 times!

Qiao Wanrou's face froze slightly, and she said quickly, "How can your brother like a model? They are very messy in their circles. They do anything to accompany wine and sleep..."

The people upstairs Hearing this, they looked at each other, Qin Yu sneered, and couldn't help raising her voice, "If you look down on us so much, then don't come here. Who invited you?"

Fu Yingying paused, but she didn't expect anyone to hear it, glanced at Qiao Wanrou reproachfully.

As soon as the two of them went upstairs, they saw Qin Yu sitting on the dresser, staring at them sneeringly.

Both Fu Yingying and Qiao Wanrou were stunned, "Why are you?"

Sitting on the chair next to her, Su Nan, with her back to them, lowered her head to play with her mobile phone, without raising her head, and didn't pay attention to them at all.

Qin Yu smiled and looked at them and sneered, "Why not me? Oh, you really put on the clothes that we Su Nan didn't want?"

Fu Yingying's face turned pale and wanted to teach her a lesson, but she didn't. Forget about your business.

"I don't care about you, hey, that model, I want to take a picture with you."

...

Chapter 94 It's You Who Should Get Out

Chapter 94 It's

time for Qiao Wanrou, who is beside you, to look a little delicate when she saw Qin Yu. Since Qin Yu can come, then Su Nan... what

she saw just now is true of?

For a moment, she clenched her fists and stared at the woman sitting there with her back turned.

“Didn’t you hear? Come and take a picture with me!” Fu Yingying was ignored and felt very unhappy!

Qin Yu smiled in a low voice, as if watching a joke.

“Who are you? Why do people listen to you?”

Fu Yingying gritted her teeth and said, “It has nothing to do with you, just mind your own business!”

After she finished speaking, she looked at the unmoved female model: “Hey, I’m the Fu family. Miss, how much do you want to take a photo with me?”

Isn’t it just a photo?

If she hadn’t wanted to show off, she wouldn’t have taken the initiative to speak. In the past, others surrounded her for a photo!

Su Nan raised her eyes irritably, can’t you just be quiet for a while?

“Miss Fu family? I don’t remember, the organizer invited you...” She couldn’t help but said, turning around coldly, her eyes swept over Fu Yingying, and the people behind her. Qiao Wanrou.

It would be good if she didn’t go to their troubles, but she even took the initiative to come to her?

I really don’t know how to live or die!

Fu Yingying looked at her in shock, she couldn’t believe it, “You... it’s actually you!”

She just thought that she had such a beautiful figure and model, but it was Su Nan?

She actually played the role of the finale in this big show that everyone can’t get in?

And so calm and amazing!

“It’s me, can’t you?” Su Nan spread out his hands, a look of indifference on his face.

Fu Yingying’s face was ugly. She had already been beaten by Su Nan three and four times today, so she was still angry when she stood here?

“Oh, wearing a dragon robe is not like a prince. No matter how good you look, you can’t get rid of your poverty. Forget it, it’s really bad luck. You can meet me wherever you go!”

She didn’t want to take a photo with Su Nan, so she lowered it. Her status!

Qin Yu laughed angrily, “Oh, you say we are poor?”

“What? Did I say something wrong? I didn’t expect that the sponsor you found was really capable and could get the admission ticket here, but it’s a pity now, as long as I reveal your identity, you should be kicked out and get out!”

Fu Yingying raised her eyebrows proudly, she firmly believed that Su Nan was able to come in, thanks to the financial master behind her!

How could such a place where high-class people come and go, how could they tolerate the appearance of a shady mistress of Su Nan?

Su Nan lightly hooked his lips and chuckled disdainfully. Before

she could refute, she heard Ning Zhijiao’s voice, “Who should get out of here?”

Fu Yingying recognized that she was the founder of share, and walked over excitedly to complain.

“She is the woman who was swept out of the

house by my brother Fu Yechuan. She is not a rich lady, and she doesn’t deserve to come here!” Ning Zhi stared at Fu Yingying with a terribly cold gaze, “It’s you who should get out.”

Fu Yingying was taken aback, Ning Zhi glanced at Qiao Wanrou and retracted her gaze with disdain.

“I don’t remember sending you an invitation letter, if you come uninvited, I can ask the security guard to kick you out!”

Qiao Wanrou was stunned and said quickly, “This is the eldest lady of the Fu Group, we got it through a friend. The one who got the admission ticket was not a fish in troubled waters.”

Ning Zhi smiled, “I didn’t even give the admission ticket to the president of the Fu Group, let alone what Miss?”

Fu Yingying’s face flushed, as if she had been slapped, and she lost all face.

“In addition, which friend gave you the admission ticket, tell me that he will be the first person on our share blacklist.”

Qiao Wanrou clearly felt Ning Zhiliao’s hostility, and she was a little flustered. Su Nan, “What about her? Why did she come in?”

Su Nan raised her eyebrows, and Ning Zhi smiled, “It seems that you didn’t listen to my interview seriously, Su Nan, the founder and partner of our share. , that is the boss here!”

Qiao Wanrou and Fu Yingying froze for a while, the expression on her face was colorful and very ridiculous.

Su Nan pursed her lips, her voice was cold, “Can you get out now? Otherwise, let the security send you out?”

Chapter 95 I want to buy a yacht

Chapter 95 I want to buy a yacht

Qiao Wanrou frowned slightly when I heard Su Nan’s words. Fu Yingying didn’t expect Su Nan to have something to do with share?

The share she yearns for the most, the brand she likes the most, the founder is Su Nan?

She didn’t want to be kicked out by the security guards, otherwise she would become a laughing stock on tomorrow’s headlines. She snorted coldly, “What are you proud of? I don’t want to come here anymore!”

Fu Yingying gritted her teeth and pulled Qiao Wanrou. left.

When they got downstairs and just walked to the door, Qiao Wanrou paused, “Wait.”

“What’s wrong?”

Although Fu Yingying didn’t want to leave in a daze, but if she didn’t leave now, wouldn’t it be more embarrassing for Su Nan to ask the security guard to chase them away? ?

“I seem to have seen your brother just now, why don’t we wait for him?”

If Fu Yechuan recognized Su Nan, would the two of them meet, and would their old love be revived?

Thinking about the change in Fu Yechuan's attitude towards her since she returned to China, and the fact that the two of them have never been alone, Fu Yechuan seems to be avoiding her?

No, Qiao Wanrou was heartbroken, she couldn't give them such an opportunity.

When Fu Yingying heard this, she nodded and said confidently, "Okay, I just happened to tell him how Su Nan bullied me!" The

two of them were sitting in the leisure area by the door, and basically no one paid attention here.

Su Nan drove the two people away, feeling better, Qin Yu was not satisfied, "Just let the security guards go away, what's the face?"

Ning Zhi glared at her, "It's a big mess, today The protagonist has changed, embarrassing others is second, our success is more important."

Qin Yu: "Oh..."

"The one behind Miss Fu is Fu Yechuan's sweetheart?" Ning Zhi asked.

Su Nan nodded casually, "Isn't it a coincidence?"

Ning Zhi snorted coldly, "I thought at least I had to look good, but I didn't expect..."

Fu Yechuan's eyes were blind, right?

Can he be compared to Su Nan when he grows up like that?

The party is about to end, and people have already left one after another.

Fu Yechuan originally planned to sit down and leave, but he was pulled by Lu Qi, but he didn't expect to see Su Nan walking on the runway, and the moment he heard that she didn't wear a wedding dress. , My heart is complicated and tangled, and I didn't leave immediately?

I drank a few glasses of wine and didn't get the slightest bit of drunkenness.

After staying until now, even Lu Qi is a little impatient, and has no reason to stay any longer.

"Old Fu, are you in a bad mood? Because you saw that woman?" Lu Qi noticed that something was wrong with Fu Yechuan.

Who knew that woman could be seen here?

He didn't want to either. Who knew she had something to do with share?

How could that little-known woman break into their lives repeatedly and let them see too many accidents if she has no background and no family background?

Fu Yechuan was silent, his black eyes darkened slightly, and he didn't respond, and Lu Qi didn't rush. After a while, he picked up his clothes, "Let's go." The

two walked to the door one after the other, watching Su Qi and Su Nan standing. Together, they said a goodbye to Ning Zhiliao with a smile.

Fu Yechuan paused, as if waiting on purpose.

Su Nan took out his mobile phone, found a picture, and handed it to Ning Zhi, "Do you like it?"

Ning Zhi looked up in surprise, Su Nan smiled, "Congratulations on your successful hosting of this remarkable show, I Decided to give you a present."

Looking at the photo, this...is this too expensive?

Su Qi smiled casually, "What can you give? You should keep your salary to buy a bag. I will pay for what you want."

Su Nan pulled Su Qi's arm excitedly, squinting and looking up. smiling at him.

"I want to buy a yacht!"

Su Qi: "..."
