## Chapter 931-935

Chapter 931 Low-level games

Chapter 931 The low-level gamer

Shang Qian smiled in a low voice, reached out and brushed the broken hair behind her ear for her.

“As long as you’re happy, I’ll do whatever I want.”

Su Nan’s face became hot, and there was a large audience. What love words did he say?

Strangely embarrassing!

But she was unwilling to be looked at by him looking at her embarrassed and embarrassed, she raised her head, a smile on her bright facial features:

“Is it okay to kill and set fire?”

When Shang Qian heard this, his smile deepened: “Okay. , you’re the mastermind, and I’m the accomplice!”

He followed her.

Su Nan rolled his eyes at him, the gloom in his heart was cleared up a little, and he suddenly felt much more relaxed.

She put down the wine glass in her hand, “I’ll go to the bathroom.”

Shang Qian: “Am I with you?”

Su Nan was speechless, “No, am I a three-year-old?”

Shang Qian twitched the corners of his mouth, “I am. “

It was he who didn’t want to leave her for a moment.

Fortunately, their previous relationship has always been good, and no one doubts their relationship.

Su Nan didn’t want to hang out with him here, so many people were watching, and it was not yet public.

She warned him not to follow, so she turned around and went to the bathroom.

When I came out, I bumped into someone.

In the eye, a light purple gauze skirt.

It was a girl who looked like a teenager.

She threw her skirt to the ground and scolded angrily.

Su Nan pursed her lips and walked over to help her up, "Are you all right?"

She bumped into it on her own initiative, so Su Nan doesn't need to apologize.

Of course, he wouldn't compare with her.

The girl glanced at Su Nan in a daze, looked at the skirt on her body, and her face suddenly became unsightly.

Both of them are of the same color, but the girl's skirt is a cute short skirt, but it is still tight and shows her legs, exposing their own shortcomings.

And Su Nan's is an elegant long dress. At first glance, Su Nan's figure is graceful, which is absolutely better than the fat girl's figure.

The girl pushed her away angrily and stood up, Su Nan smiled and left.

"Are you Su Nan from the Su Group?" the

girl suddenly said.

Su Nan paused and looked back at her, "Yes." The

girl didn't say anything, then turned around and left.

Isn't she going to the bathroom?

Why did you run back again?

Su Nan was puzzled and didn't ask any further questions. She just watched the girl run into a room on the same corridor.

Immediately afterwards, the girl scolded in a tearful voice:

"You bitch, did you do it on purpose, Su Nan was wearing the same color clothes, I'm going out in a while, you want me to be ashamed in front of so many people? "The

next second, I heard the sound of breaking things.

Su Nan paused in her footsteps and suddenly realized that this girl was probably the daughter of Xinhai Group, today's little birthday star.

What a coincidence?

"What? Did you see her? How could I deliberately embarrass you? I don't know the color of the dress Su Nan is wearing, I just think it suits you well..."

Su Nan's eyes sank Shen.

Oh, it's Yun Yun's voice.

"Are you still pretending? The costumer said that you chose the clothes for me, so I said how could you suddenly be so good-natured, you want me to deal with Su Nan after I am embarrassed, right?"

I tell you, your pitiful white Show my dad the appearance of a lotus flower, I don't want to eat this, bitch, get out of here!" The

girl shouted hysterically, really not afraid that others would hear it.

It's just that the amount of information in these few sentences is too large.

It turned out that Yunyun only got to the top after having an affair with the boss of Xinhai...

...

The ninth and thirtieth chapters become addicted to the third

Chapter 932 When a junior is addicted

to such a low-level game, it is a trap designed by Yunyun.

It's a pity that Su Nan met that girl. The girl was quick-witted and saw through her methods at once.

Before it even started, it died.

Yunyun, this idiot, really has no brains.

Su Nan has some doubts, how did a woman like her get such a high position in the Xinqu Group?

Just as he was thinking, the door in front of him was suddenly pushed open from the inside.

Yunyun sobbed aggrievedly:

"I'll let your father explain to you, I really have a good heart..."

Before she could finish speaking, she saw Su Nan, who was so cold and cold. Standing there, watching her laugh.

The sarcasm in his eyes was not too obvious.

She heard it all!

Before she could react, she threw a vase over and threw it on Yunyun's back, causing her to stumble in pain.

The little girl swooped up, tore her hair, and stepped back without any effort in her hands.

At first glance, it is accustomed to being overbearing.

"You still dare to sue? Let me tell you, I can't get used to your cheap appearance. If you dare to seduce my dad, I will beat you to death before you commit suicide, and let you stand against it. Vice pig head to hook up, bitch, eat my kick!"

As she said that, she kicked Yunyun's stomach with one kick.

Yunyun's hair was torn and she couldn't resist at all, and her movements were not as quick and agile as a little girl, only she was forced to be beaten.

From the fake cry just now to the real cry now, it has become a little faster.

It wasn't until she was happy that the little girl snorted coldly, clapped her hands and let her go.

She looked up and saw Su Nan.

Without the slightest panic and fear on her face, she walked out with great strides after crossing Yunyun.

A posture of refusing to recognize six relatives does not seem like a disaster at all, but rather like a successful revenge.

Su Nan calmly pursed her lips, looked at the weak and wailing Yun Yun, walked over, and sneered:

“I didn’t mean to watch this good show, but I have a question to ask you... .”

Yunyun opened her mouth, “What?”

“Being a mistress, is it addicting?”

Xinhai’s boss clearly has a wife, remember in Canada, isn’t Yunyun’s identity a mistress?

Yunyun looked at her with gritted teeth, and Su Nan restrained her smile.

“Forget it, I’ll take you to the hospital...” As

she spoke, she made a phone call, said a few words, and looked at Yunyun.

“Do you need to call someone for you? For example, the father of the child just now?”

Yunyun’s face panicked: “No...”

Sure enough, this pig-headed face did not have any sympathy.

It might still feel disgusting.

She was beaten by the man’s daughter, and she couldn’t call the police, otherwise she would lose the job she worked so hard to get.

This is the best way out after leaving Xinpu Group.

Su Nan raised her eyebrows, put away her phone, and did not intend to serve her so thoughtfully.

“Then wait for the ambulance!”

She smiled coldly, glanced at the person on the ground, raised her foot and left.

When Su Nan went down, he saw Shang Qian approaching, his eyes were gentle and smooth, and he was relieved to see her.

“Just kick me in your pocket!”

Su Nan smiled, “I can’t hold it!” The

two left in tandem, Su Nan looking at the door from time to time.

ten minutes later.

Two men in white coats hurried in.

It caught everyone's attention for a while.

Soon, they were on the second floor, and there was another woman on the stretcher.

"Hey, is this woman Miss Yunyun?"

"Yes, she seems to have been beaten..."

"Who was beaten?"

"No, that doctor is a doctor from a mental hospital!

" ...

...

Chapter 933 You did it

Chapter 933 is what you did.

Everyone can see clearly. The words "Welcome to City A Psychiatric Hospital" are written on the back of the white coat.

Su Nan hooked her lips, calmly drank the red wine in the glass, and felt at ease both physically and mentally.

How could she be so kind to repay her hatred with virtue?

The ambulance she called was of course the most suitable one for Yunyun.

And the little girl who bravely beat people is really beautiful and smart, and won her heart!

To deal with the white lotus, you have to be so straightforward and not talk nonsense!

Shang Qian glanced at her and lowered his voice:

"Did you do it?"

Su Nan raised his eyebrows, "If I start, it won't be so obvious, it will only be an internal injury.

" Pain, that's called hands-on.

Shang Qian was puzzled, and then smiled.

relieved.

“She already needs to be beaten. There must be a lot of people who want to beat her, even if it is to avenge you!”

Su Nan gave him a white look, “I’m not a careful person, I say it as if I’m brooding.”

Shang Qian He smiled, seemingly helpless.

“I’m being careful!” The

two people were talking back and forth. This scene fell in the eyes of people not far away, and the air pressure was so heavy that it could kill people.

“Did they come together?”

Fu Yechuan stared gloomily in the direction of the two people, and there was a pressing chill in his voice.

Xinhai’s boss looked at it, and he was very clear about Fu Yechuan’s anger. He could only tell the truth:

“No, Miss Su came first, and President Shang came after. The two of them should have met by chance and had a good talk.”

Fu Yechuan’s face softened a bit, but the sternness in his eyes did not fade.

His mood did not improve.

Because the news brought by Chen Mian will not be fake, their current actions are like showing off to him proudly.

He took a deep breath in his heart, and it was difficult to breathe.

Lu Qi, who was on the side, saw that his face was not right, he pursed his lips and smiled:

“The circle is not big, it’s just these people going back and forth, it’s normal to meet, right?”

Fu Yechuan’s eyes were dark and dark, and he didn’t say a word. He drank the red wine in the glass in one breath, and walked over with big strides.

Lu Qi’s face froze, he secretly screamed that it was not good, and even followed.

Fu Yechuan's face was gloomy, but there was a cold smile on the corner of his mouth. As soon as he walked over, the air pressure around him became extremely low.

He walked to Su Nan and stood still, looking at the stiff smile at the corner of her mouth, which was so dazzling.

His heart twitched violently.

But his face was still calm and indifferent, and his voice was very low:

"I heard that you came back from the mountains and your foot hurt, are you okay?"

Shang Qian reminded Su Nan when he came over.

She smiled, and the politeness on the surface still had to be maintained. After all, everyone's interests were inextricably linked, and it was hard to tear them apart.

"It's just a minor problem, it's no big deal, Mr. Fu is always thinking about it."

Fu Yechuan looked at her with deep and dark eyes, as if suppressed and dormant in the darkness.

He looked at the woman who originally belonged to him, with someone else by his side, and for the first time, he felt the pain in his heart.

But he can't have any emotions to leak out. Those jealousy and anger that spread in his heart can only be hidden deep in his heart.

It turned out that jealousy is such a taste.

He smiled, his eyebrows were slack, he stepped forward and looked at her:

"How can I not think about it, knowing that when you were injured, I didn't sleep well all night, and I didn't reply to your greetings. I'm dying."

...

Chapter 934 Why is he

Chapter 934 Why was

Fu Yechuan's voice low and hoarse, as if he was deliberately coaxing him, and unknowingly brought her closer.

Su Nan's eyelids jumped, clearly feeling that something was wrong with Fu Yechuan.

She subconsciously looked at Shang Qian on the side, his warm and modest face was also indifferent at this time.

Noticing Su Nan's reaction, Fu Yechuan's face became even more gloomy.

Sure enough...

Su Nan smiled, with a somewhat alienated attitude, "The doctor is not allowed to take the mobile phone, and he forgot it after he was discharged from the hospital. I'm really sorry."

Fu Yechuan's face froze slightly. He knew it was just an excuse, but he had to believe it.

"It's okay, I'm relieved to see you standing here well." The music just sounded.

Fu Yechuan's eyes moved, and suddenly he stretched out his hand, "

Let's dance together?" Su Nan remained silent, looking at his outstretched hand, and smiled.

The last time she danced with him was when they attended the same banquet after the divorce, and her identity was not exposed at that time.

In a blink of an eye, things are different.

There are others by her side.

When she hesitated, another fair and slender hand stretched out in front of her. Shang Qian smiled warmly, "I also want to ask Miss Su to dance."

How could he watch Fu Yechuan steal his chance?

In an instant, Fu Yechuan's face turned gloomy, and his eyes swept across Shang Qian gloomily.

"Mr. Shang, don't know what to come first?"

Shang Qian smiled and raised his eyebrows calmly: "I only know that I can't miss any opportunity."

Those who wish to take the bait will see what Su Nan means. Who cares what comes first?

Su Nan's balance did not sway, she decisively chose Shang Qian.

Just as her hand was about to be placed on Shang Qian's, her wrist was suddenly held.

Fu Yechuan stared at her with dark eyes, and the strength in his hands was not small.

Su Nan frowned, unable to break free, it hurt a little.

"Mr. Fu..."

Shang Qian's face froze, and he immediately grabbed Fu Yechuan's arm, "Mr. Fu, please respect yourself!"

Fu Yechuan's face was terribly cold, and he threw his hand away.

As if he had found an opportunity, Fu Yechuan's violence poured out, "Get out—"

He dragged Su Nan and walked out.

"Let's talk!"

Standing in front of them, he had already endured so much that it was impossible to look at Shang Qian again.

Because he can't help but smash Shang Qian's dog head!

But Su Nan didn't give him this chance, she threw it away with great force.

"Mr. Fu, I don't think I have anything to talk about with you."

Emotionally, she didn't waver. From the beginning of the divorce, she made everything clear.

He is entangled, what can she do?

Luckily there are musical voices to cover, otherwise they would soon be in the spotlight.

In a bloody emotional drama, Su Nan didn't want to be the heroine.

Fu Yechuan's body froze slightly, and he looked at her darkly, his breathing became heavier:

"Su Nan, why did he?"

Why did he choose him?

Su Nan said calmly, "Just because he is my boyfriend, Mr. Fu, I hope you will be more polite to him in the future."

Shang Qian looked at her with a twinkle in his eyes, but he didn't expect Su Nan to admit his identity in front of Fu Yechuan so straightforwardly.

Even if she explained vaguely, Shang Qian was already mentally prepared.

But she didn't.

Boy friend?

He seemed to think that their relationship was getting closer than he thought.

Fu Yechuan's expression was extremely low and gloomy, and he looked at Shang Qian coldly.

"Boy friend?"

...

#### Chapter 935 The Last Threat

The ninth and thirty-fifth chapter threatened

the air stagnation for the last time, and it seemed that a chill gradually penetrated the body.

Fu Yechuan almost gritted his teeth and said, every word seemed to stab him in the heart.

Shang Qian stepped forward and smiled gently.

"I'm honored to be her boyfriend, Mr. Fu, please stay away from my girlfriend in the future."

It's such a great feeling to be able to warn others as her boyfriend!

Fu Yechuan's eyes were full of red blood, and he was almost blinded by anger, but he tried his best to restrain his emotions.

Even though his heart was dripping with blood, he didn't want to embarrass Su Nan here.

He was afraid that she would be afraid when she saw how she was out of control.

He took a deep breath, causing his eyes to stare at her tightly:

"Come out, or do you know what will happen?"

After speaking, he turned and left.

The garden outside the door is quiet and cold, with a sharp chill.

He stood there, immersed in the shadows, his face was cold and dark.

Su Nan paused, feeling that his head was getting bigger.

If she didn't go out and make it clear, Fu Yechuan would probably overturn this place.

The scene will get even more out of control.

It's definitely something he can do.

After all, he never had to think about the consequences, and no one would let him bear the consequences.

But Su Nan and Shang Qian will be forced to be involved in his "consequences".

Shang Qian looked at her, "You don't have to go, I'll tell him clearly."

Su Nan twitched the corners of his mouth and looked at her helplessly:

"Forget it, let me talk, otherwise he won't give up."

Shang Qian frowned and nodded in agreement.

He looked at her gently and smiled, "I'll wait for you at the door. After you finish speaking, we'll go back."

Su Nan nodded in agreement, after all, there was no need to stay here any longer.

Su Nan deliberately put on his coat before going out, afraid of freezing.

Noisy inside, quiet outside.

She walked over with a light voice: "Fu Yechuan, I hope this is the last time you threaten me, because if there is a next time, I will let you know what the consequences will be!"

She compromised, not because she was afraid of him, but because it was troublesome!

Hope this dog man is a little self-aware.

Fu Yechuan's body froze slightly, turned around, and looked at her with deep eyes, his eyes suppressed his emotions, with a bit of nostalgia and unwillingness.

“How dare I threaten you? Even if you frowned, I was wondering if I did something that made you angry.”

He smiled wryly, the corners of his eyes flushed.

He has tried very hard to save it, but why did she not give him any thought?

The feeling of pulling the soul out of the body is really excruciatingly painful!

Su Nan was silent for a moment, then raised his eyes, his eyes were still cold.

“Don’t waste time, if you have something to say, let’s just say it clearly, Fu Yechuan, we are divorced, who I am with is my freedom.

Whether you accept it or not, it has nothing to do with me, I hope you Don’t make trouble for us with some ridiculous childish behavior.”

She warned in advance not to destroy their relationship, or she would fight back.

Fu Yechuan’s smile was stiff and restrained, and he looked at her deeply.

She couldn’t wait to protect that damn Shang Qian?

“Why? Because he saved you? Because he deceives you with rhetoric all day long? Do you really think the rumors on the Internet are splashing dirty water? It’s not a fiction that he has an illegitimate child by his side, right?”

Fu Yechuan’s eyes were cold and cold . , his voice was low but silent.

...

Chapter 936 You will regret it

Chapter 936 The Shang Qian You Will Regret

Save Su Nan twice by fluke, Fu Yechuan really can’t think of anything else about him that deserves her liking.

But the life-saving grace is not like it.

He wants Su Nan to recognize it clearly, and don’t be deceived by him just because he is grateful!

Su Nan was silent for a few seconds, and his voice sank slightly:

“I’m with him, and I know what kind of person he is, but I don’t need to explain to others.”

The existence of little Mike is a stain on Shang Qian. .

But Su Nan never mind, she will only feel more distressed.

Fu Yechuan’s fist tightened and loosened.

His voice was hoarse, “I can also sacrifice my life for you, Su Nan...”

This tone was almost a pleading.

Su Nan’s eyebrows moved slightly, and looked at him seriously and coldly:

“Mr. Fu, it turns out that we are not suitable, so don’t waste your time on me.

I hope our relationship is just a business partner... ..”

As soon as Su Nan finished speaking, Shang Qian couldn’t help but stepped forward and reached out to hug her shoulders, bringing a faint chill.

“The driver is here, shall we go?”

Su Nan nodded, feeling Fu Yechuan’s cold and stern gaze.

“Mr. Fu, take your leave.”

“Su Nan, you will regret it.”

Fu Yechuan gritted his teeth, his lonely and upright figure was a bit stern.

Su Nan frowned and didn’t want to say more, but Shang Qian, who was beside him, didn’t want to leave.

He turned around, smiled, and his voice was cold and firm:

“She won’t, she never will.”

Because he will sacrifice his life to be good to her, will always cherish and love her, and will not give her a chance to regret.

After speaking, without waiting for Su Nan’s reaction, he hugged her and walked forward.

Until the driver drove to the front, he opened the rear door in front, Su Nan got in the car and closed the door.

He opened the door from the other side and came in, bringing in a bit of coolness.

“Drive.”

Su Nan felt that Shang Qian’s emotions were not right. He seemed to be angry?

She turned her head to look at him, “

Have you said hello to Xinhai’s boss?” Shang Qian nodded, “I already said it.”

Su Nan pursed her lips, a strand of hair fell from her ear, she just wanted to say goodbye Behind his ears, he met Shang Qian’s warm and cool hand.

He gently fastened her hair, sighed softly, and held her hand tightly again.

Nervous and apprehensive.

“What’s wrong with you?” Su Nan asked.

He was so wrong.

Shang Qian’s hands clenched tightly, looking at her with a low voice, “Su Nan, when I saw you standing together, I suddenly regretted letting you out.”

He knew how much she liked Fu Yechuan at the beginning, and he also knew this Like how on thin ice.

When he watched her talking to Fu Yechuan, he suddenly thought, what if Su Nan regretted it?

The fear in his heart grew, and he rushed over rashly and took Su Nan away.

Fear is still there.

What a smart person Su Nan is, she immediately knew the reason for Shang Qian’s change.

Because a person has no sense of security in this relationship, he is so afraid of gain and loss.

She was too.

But now, she couldn’t give him a sufficient sense of security, and she felt ashamed.

She smiled, "Then you should stop me from going out, but Mr. Shang, you have to have some confidence in yourself!"

If she could start over, why would she wait until now?

Points are points, there is no turning back.

Shang Qian's brows eased, and holding her hand relaxed.

"Su Nan, no matter what President Fu does, we can't be separated, okay?"

Su Nan was stunned and looked at him, her beautiful eyes blinked, and she smiled.

"Don't pay too much attention to him, he's not important."

...

Chapter 937 He Actually Got Married

Chapter 937 He was actually married

. After Shang Qian heard her words, there was a warm smile on the corner of his mouth.

He was completely relieved.

From beginning to end, she never said "I like you", but she was ready to like him.

That's enough.

Fu Yechuan is not important, because no matter what he does, it is impossible to get Su Nan's heart again.

He kept holding her hand, not letting go.

Although Su Nan was a little uncomfortable, he was not uncomfortable.

Send her to the door, but Shang Qian didn't go in.

He looked at her with a gentle smile, "Good night, Su Nan."

He lived upstairs, so close to her.

Su Nan smiled and waved, "Good night." The

two stood face to face, no one left first.

“You go first?” Su Nan suggested.

Shang Qian: “It’s better for you to go in first.” The

two

of them struggled for a while, and Su Nan’s face turned red quietly.

The phone in the room suddenly rang, and Su Nan heaved a sigh of relief, “Okay, I’ll go in first!”

She ran in as if escaping.

Hearing the sound of the door closing, she was slightly taken aback. Did you forget to close the door just now?

Shang Qian closed the door for her, stood for a while, and then left slowly.

The call was from Qin Yu, and Su Nan hooked the corner of his mouth and picked it up:

“Hello?” A

suppressed cry came from the phone, and Qin Yu was out of breath from crying:

“Su Nan, I was kidnapped, and Mo Xian is already married!”

Su Nan was stunned, and before he could ask in detail, he suddenly heard Mo Xian’s irritable voice on the phone:

“Who are you calling? Didn’t I tell you everything, I will solve this matter?”

Qin Yu cried and scolded him hysterically:

“Fix it, what do you think you are, I want to break up with you!”

“Su Nan, hurry up! Come pick me up, I’m here—” Before

he could finish speaking, the phone fell to the ground and hung up.

She called back and reminded to shut down.

Su Nan’s face sank, looked at the phone that had been hacked, and quickly turned to go out.

Mo Xian was by her side and seemed to have controlled her freedom.

Su Nan called Ning Zhi directly, "Qin Yu is under the control of Mo Xian, do you know where Mo Xian lives?"

She blamed her for not paying attention to Mo Xian. If she had investigated in advance, she would not be so helpless. Measured.

Ning Zhi was surprised for a moment, and Su Nan simply told her the phone call just now.

She thought for a moment, "I remember that Qin Yu asked me to help her bring a gift abroad and mail it to Mo Xian. I still remember the address, I'll send it to you, we'll see you at the door."

Su Nan responded . , Before I could say more, I just took the elevator downstairs.

She went directly to the underground garage, drove out, and rushed over according to the address sent by Ning Zhi.

On the way, she contacted the bodyguard directly.

After hanging up, Su Jin called.

Su Nan picked it up.

Su Jin's tone was a little anxious: "What happened? Why did you suddenly use bodyguards?"

Su Nan was not at all surprised that Su Jin would know about this matter, and had no time to think about it:

"Qin Yu has an accident, she was controlled by Mo Xian, I will go to her now to check the situation, so I need manpower."

"Everything is careful."

After Su Jin finished speaking, he hung up the phone directly.

Su Nan sighed, feeling a little complicated.

The address is not far away, so the settings of high-end residential areas are naturally stricter, and she is worried that she will be stopped outside.

At the door, Su Nan took a look, a little familiar.

As soon as the security guard and bodyguard at the door saw her car, they politely went over to open the barricade for her.

“Miss Su, welcome home...”

Oh, she remembered, she also has a house here...

...

Chapter 938: Come back and die

Chapter 938 Come back to die

, Su Nan nodded calmly and looked at them:

“My bodyguard will come to help in a while, just go in.”

After speaking, he drove in.

Su Nan got out of the car and saw Ning Zhi hurried over.

The two looked at each other, and before they could speak, the lights behind the car suddenly turned on.

Su Nan turned around and saw three cars parked in front of him at the same time.

Immediately afterwards, more than a dozen people in black clothes and black trousers got off the car neatly and sternly.

They are the bodyguards of the Su family.

Finally, Su Jin got out of the car and walked over with an expressionless face.

“Let’s go...”

Ning Zhi seemed to be taken aback by this battle, but he quickly realized that it was indeed a bit risky to rely on the two of them.

Su Nan didn’t expect that Su Jin would come over in person, but he didn’t think too much about it, saving people was the most important thing.

to the door.

Ningzhi knocked on the door outside, and the one who came to open the door was an old woman in her late forties who seemed to be a servant.

The door opened a small crack.

“Who are you looking for...”

Su Nan: "Is Qin Yu there?" The

servant's expression changed slightly, she must have been instructed in advance, so she denied it with flickering eyes:

"No, she's not here, I ...I don't know any Qin Yu."

Hehe...

Ning Zhi didn't have that much patience, so he slammed the door hard, and the one who took a big stride was about to walk in.

"Qin Yu, are you there?"

Just after shouting this sentence, she froze all over, and the whole person was shocked, and suddenly two big men in black appeared in front of her.

With a ferocious appearance, he was extremely cold and solemn. He didn't expect that there were bodyguards at Mo Xian's house.

It seems that Mo Xian is well prepared.

But in the next second, Su Jin kicked the door with a sullen face, and led someone in.

The bodyguard in the room did not expect that there were so many people behind, and his expression changed slightly.

Su Nan followed, and glanced at the servant coldly, "Moxian isn't there?" The servant panicked and swallowed.

The atmosphere was momentarily condensed.

Su Nan glanced at Ning Zhi, "Go find Qin Yu, she must be here!"

Ning Zhi nodded, and just took a step, the bodyguard in front of her instantly blocked her way.

He looked at so many people behind him, his face turned pale, he wanted to use Ningzhi as a hostage, let so many people go out first.

But before his hand touched Ning Zhi's arm, he screamed in agony. Su Nan took the lead in raising his foot and kicked him away.

He didn't expect Su Nan to suddenly take action.

He got up from the top in shock.

The other person didn't see it well, so he came over to Su Nan, but Su Jin next to her didn't have the chance to get close to him at all, so he acted swiftly and knocked him back a few steps.

The surrounding furniture and ornaments were smashed to the ground.

Naturally, the bodyguards of the Su family would not sit idly by and go straight to the hands. The number and momentum of the two bodyguards were no surprise.

The remaining few people began to search the whole house.

The servant's face changed greatly, and he took out his mobile phone to report.

Su Nan didn't pay attention to a nanny at all, and everyone heard Ning Zhi and called out:

"Su Nan, Qin Yu is here!"

Su Nan raised her foot and ran over, watching anxiously, Ning Zhi was pushing the door, but she couldn't open it, she looked at Su Nan:

"I heard Qin Yu's voice, She's in there!"

Su Nan walked over two or three steps and pushed with her, it was useless.

She turned to look at the panicked maid standing there, still holding the phone in her hand, keeping the call, and came out Mo Xian's indifferent voice:

"Hello, Ma Zhang, has Miss Qin eaten?"

...

Chapter 939: Be a man again

Chapter 939 Let's be a human again

. Ma Zhang's face was a little pale. Under the cold eyes of Su Nan and Ning Zhi, her lips trembled:

"Sir, someone is here..."

She didn't say anything . After that, Su Nan went over and grabbed the phone, her eyes were full of chills, and her tone was clear and cold:

“Moxian, come back and die...”

The person who dared to touch her on her site , I really don't know how to live or die.

She doesn't have many friends, but her friends are the best, they have spent a long time with her, and she will protect them.

After she finished speaking, she threw the phone on the ground, torn apart.

Qin Yu's cry came from the room, but the voice was very low, as if she had no strength...

Su Nan's heart sank, and she bumped a few times in the past, but it didn't work.

Su Jin motioned for the bodyguard to knock on the door, but it was useless. The door is special and can only be unlocked with the key, otherwise it will be completely locked.

She looked at the maid Zhang Ma with clear eyes, and stretched out her hand:

“Give me the key...”

Zhang Ma subconsciously covered her pocket, and this little gesture could not escape Su Nan's eyes.

She shook her head and stepped back, “I...I don't have

a key!” Ning Zhi shouted angrily: “You are talking nonsense, take it out quickly, or I'll make you look good!”

“I'm getting old, What are you going to do?”

Zhang Mama's face was pale and she was terrified.

Su Nan sneered, she walked over, a trace of malice flashed across her beautiful eyes, and her face was ugly and cold.

“Illegal detention means going to jail. Do you want to taste the taste of prison rice when you are old?”

She pressed step by step, Zhang Ma's face changed a few times, and she was already afraid.

Su Jin gave the bodyguard next to her a wink, the bodyguard understood, and immediately stepped forward, suddenly stretched out his hand, grabbed her arm, and folded it back—

Mother Zhang suddenly screamed in pain!

The two bodyguards had already been subdued, and they were lying on the ground with bruised noses and swollen faces, unable to move.

Only staring at them with indignant eyes...

Another bodyguard reached out without emotion and took out the key from her pocket, and handed it to Su Nan respectfully.

Su Nan held the key, curled her lips indifferently, stared at the maid, and was indifferent to all this.

“But I don’t like to trouble the police uncle. I prefer to solve it by myself. Don’t think that you can be shameless when you are older. I hope you learn to be a human being before you leave this world.”

Zhang Ma looked at her dislocated arm and cried bitterly. , crying heartbreakingly.

She was really frightened by this beautiful and gentle little girl and the bodyguards in this room.

Su Nan glanced at her indifferently, opened the door and walked in to see Qin Yu.

Qin Yu was really inside, and when she saw them come in, her tears immediately fell.

At first glance, who believes that this is Miss Qin Yu who is loved by everyone in the circle?

Her face was pale and ugly, her eyes were red and swollen, and she didn’t look energetic.

Qin Yu’s eyes lit up when she saw Su Nan, and suddenly she saw Su Jin behind Su Nan, and she was stunned.

The atmosphere outside was tense and intense.

Su Jin walked in and frowned at her: “Can we still go? Let’s get out of here first.”

Qin Yu bit her lip and threw herself on Su Nan and cried.

She finally let go of Su Jin, but at the critical moment, it was Su Jin who came to rescue her.

How could she be so indifferent?

Su Nan's eyes were hot, Qin Yu lay on Su Nan's body softly, as if she couldn't stand up.

She turned to look at Su Jin suddenly:

"It seems that she can't walk anymore, she has no strength."

...

Chapter nine hundred and fortieth I gave you an injection

Chapter 940 I gave you an injection

Su Jin frowned, walked over, with a sense of abstinence on his stern face, his eyes suddenly saw a small needle eye on Qin Yu's arm, his face suddenly darkened.

His voice was extremely cold: "Moxian gave you an injection?"

Needless to say, dealing with those disobedient girls is a very obscene way in the circle, which can make them feel exhausted when they are conscious.

He didn't even have the strength to refuse...

No doubt, Qin Yu was given such an injection.

Qin Yu's tears fell silently and nodded.

People are her own choice, and she deserves it.

For a while, everyone took a deep breath.

Su Nan trembled in anger, and the momentum around Su Jin sank.

He walked over, stretched out his hand, and looked at Su Nan:

"I'll hug her, you go first."

Su Nan took a deep breath and touched Qin Yu's shoulder, "Qin Yu, don't be afraid, let's go here. Let's go."

Mo Xian came back soon, if he brought more people, it would be unfavorable for them.

After all, he can even control Qin Yu, who knows what crazy things he can do?

Su Nan felt a chill in his heart when he thought of that gloomy and cold face.

Only pure Qin Yu would believe that she could have a spark of love with such a person, right?

Qin Yu's crying red and swollen eyes looked really pitiful.

She nodded, "Come on..."

Su Jin directly hugged her, and just walked to the living room, when he heard heavy and hurried footsteps coming from the door.

Mo Xian appeared.

He came quite fast.

Seeing Mo Xian, Zhang's mother cried out in pain and excitement, "Sir, they are going to take Miss Qin away and beat me..."

Mo Xian looked at the mess in the house and was beaten up. The two bodyguards on the ground looked gloomy and cold.

But his eyes were fixed on Qin Yu who was in Su Jin's arms.

"She can't go." Mo Xian's tone was sharp and blocked in front of him.

His face was ugly, and the emotions in his black eyes rolled, cold and gloomy.

"Let go of my people, Mr. Su."

Su Jin's bodyguards had already surrounded them, his eyes were extremely cold:

"Your people? Mo Xian, are you still a man? Qin Yu is not something you can play with. You'd better recognize the woman who got up."

If Qin Yu was worthless and was played with by Mo Xian, she would not even have a chance to cry.

But she's not. The Qin family is also a powerful person in City A. Qin Yu's mother is a well-known strong woman, and she is all-powerful in the shopping mall. Who disrespects her?

This Mo Xian really doesn't know how to live or die?

Mo Xian's dark eyes looked at Su Jin, frowning slightly:

"We don't need you to take care of our affairs?"

He was warning Su Jin not to meddle in his own business.

Su Nan didn't want to waste his time, so he glanced at him:

“Okay, I'll talk about it later, let's go to the hospital first.”

The bodyguard in front opened the way, but Mo Xian was full of anger, and suddenly kicked the bodyguard aside with a ruthless action. again fast.

The bodyguards next to him swarmed up, Mo Xian's eyes flashed bloodthirsty light, and his actions were ruthless and decisive. It was obvious that he had extraordinary skills, and he ignored the mere bodyguards.

He knocked down three or four bodyguards in a row, and came towards Su Jin with stern movements.

Su Jin was indifferent, his face was cold.

Su Nan secretly made preparations on the side.

Just three or four steps away, Qin Yu in Su Jin's arms suddenly gritted her teeth and said with all her strength:

“Mo Xian, if you dare to touch me again, I swear I will find a way to kill your whole family!

Including you ! The mentally ill mother!”
