Chapter 941 I go back and get a divorce

Chapter 941 The

moment I went back to get a divorce, Mo Xian's eyes trembled, his movements slowed down, and the bodyguards next to him swarmed up!

Four or five bodyguards imprisoned him, motionless.

He stared at her with scarlet eyes:

"I already said that I will go back to get a divorce, can't you wait even a day?"

Qin Yu's crying voice was still hoarse, and she roared at him piercingly:

"Fuck your mother's divorce, I'm so stupid that I'm so fooled by you, go back and live with your wife, and you're worthy of being with me?"

Why didn't she find out before that this man's heart was black?

She can't wait to go up and shred this sanctimonious Mo Xian!

The temperature in the room dropped suddenly.

Mo Xian's eyes trembled fiercely, while Su Jin glanced at him indifferently, and strode out with Qin Yu in his arms.

When they left, the whole house was cold and cold, empty and panicked.

Mo Xian's face was extremely gloomy and ugly, his eyes were dark and cold, and his mood was extremely low.

Zhang Ma stood there, ignoring the pain of dislocating her arm, and looked at him with snot and tears:

"Sir..."

"Who asked you to do this? I didn't say that anyone came here. Can't you open the door?"

There was no emotion in his tone.

But the more so, the more unpredictable he becomes, like an unfathomable bottomless pit.

His eyes stared at her like water, suffocating.

Ma Zhang raised her head suddenly, Mo Xian's face was gloomy.

“Don't lie, otherwise, your other arm will not be preserved.”

Ma Zhang had a meal. She had seen the power of these rich people, and she would not give you a chance to hesitate to go back.

At an age, she still has to suffer such a crime?

She hesitated for a few seconds, then said tearfully:

“your wife asked me to do this. She said that sooner or later you would be separated from Miss Qin, and then I would be unemployed.

If I help her, let me go to her when I come back . Work, the wages will be doubled, and I will find a job for my son, as long as I find a chance to open the door for her people...”

“Her people?”

“The wife said she would send someone to Miss Qin will take away...” The

maid's voice gradually became smaller.

After listening to Zhang Ma's words, Mo Xian's eyes turned gloomy, he turned around, raised his legs and walked out.

Qin Yu left, his heart seemed to be pinched hard.

Should he be lucky now that Su Jin's people arrived first?

in the hospital.

Qin Yu went in for an inspection, while Su Nan and Ning Zhiliao waited outside.

Su Jin had already left with his bodyguards.

Just as Su Nan was about to take out his phone and let Yu Lou thoroughly investigate Mo Xian, the phone vibrated.

Shang Qian called.

She paused, and then picked up her voice as calmly as possible:

“Hello?”

Shang Qian: “I’m going to deliver supper for you. Why did you suddenly go out when you weren’t at home?”

There was worry in his warm voice.

Su Nan paused, “I’m in the hospital.”

“What happened?” He suddenly became anxious.

Su Nan pursed his lips and explained a few words. He wanted to make him feel at ease. After hanging up the phone, he should rest. After all, he still has to work.

But when she finished speaking, Shang Qian didn’t even hesitate, “I’ll find you and give me the address.”

Before Su Nan could refuse, Shang Qian hung up the phone.

Don’t give her a chance to refuse.

Su Nan: “...”

Why didn’t you realize that Shang Qian’s personality was actually a bit strong?

No way, she could only send him the location on WeChat.

Ning Zhili stood up and handed it to her with the phone:

“I got someone to find Mo Xian, he knew a business partner with me, and that person said that this person is insidious, cunning, black-bellied and indifferent, ruthless, and cruel. He is the illegitimate son of Xu Guanghui, chairman of Gemini Group...”

...

Chapter nine hundred and forty-two dedicated to money

Chapter

942 Dedicated to the money Su Nan looked at it, and his eyes sank suddenly.

She was very impressed that Xu Yin, the daughter of the Gemini Group, had provoked her without knowing her life or death.

Later, she used the power of her own family to suppress the Twin Group silently, but now she is just lingering.

“Mo Xian went incognito because he wanted to avenge his father?”

Ning Zhi shook his head, “I guess it wasn’t for revenge, he didn’t have much contact with Xu Guanghui, and this status didn’t bring him much benefit.

He leaned back on his mother. The family, the Mo family had no foundation in the past, especially in the past few years, there were obvious signs of decline, but in recent years, the situation has suddenly turned around, and it should be the credit of Mo Xian.”

She did not expect that Xu Guanghui of the Gemini Group would still have it. Such a capable bastard?

It is much stronger than that Xu Yin.

Ning Zhi paused for a while, then lowered his voice and sighed:

“This man is married, he was married to the daughter of a nouveau riche, and it is estimated that he devoted himself to money, but I heard that his relationship is not good, and he has a year-round marriage. I won’t even go to see his wife once.

We Qin Yu are really wronged!”

Su Nan nodded.

Although Qin Yu loves to play, she never touches those moral bottom lines.

Mo Xian put Qin Yu in such a despicable situation, it really makes people hate it.

after awhile.

Shang Qian came in a hurry.

There was also an aggressive chill on him, as if the temperature outside had dropped.

Carrying a large Hermès tote bag in his hand, it seems that he has used it before for grocery shopping.

He looked at Su Nan and handed it over:

“I was afraid you would be cold, so I brought you some clothes.”

Su Nan took it over and saw that the bag was for women, but the clothes inside were men’s.

Needless to say, this dress belongs to Shang Qian.

Shang Qian paused, "I'm in a hurry to go out, I don't have time to go to your place to get it, I can only take mine, you can make do with it first."

Su Nan smiled, she was in a hurry to go out, she was still wearing a dress inside, and the windbreaker outside No use at all, the dress came just right.

Shang Qian helped her take it out and put it on, the two of them looked at each other and smiled...

Ning Zhi gave a "tsk", "Looking at you like this, my tooth hurts."

Su Nan was surprised: "Why? "

Sour!"

She really didn't give face, Su Nan glared at her, Ning Zhi looked at Shang Qian with a scrutiny.

Shang Qian fastened the buttons on Su Nan, then smiled and looked at Ning Zhi.

"By the way, you don't have anything to eat, right? I'll go buy some. When Miss Qin wakes up, I can eat some."

If it was Su Nan and Ning Zhi, they would definitely refuse.

Which store is still open in the middle of the night?

Isn't it embarrassing to let him out like this?

But he mentioned Qin Yu. Just now at Mo Xian's place, when he heard that Qin Yu refused to eat, he probably came out hungry.

Su Nan nodded, "You don't have to run too far, just buy some, and come back if you can't find it. I'll have the housekeeper prepare it and bring it over."

Shang Qian nodded with a smile, then turned and ran out.

Ningzhi shook his head:

"Mr. Shang is really humble here, but you have to be careful, don't be blindfolded by the sweetness of the moment like Qin Yu."

Su Nan smiled, "I know, He's not that kind of person."

Ning Zhi frowned, wanting to say something but didn't say anything.

Su Nan is different from Qin Yu, and Shang Qian is different from Mo Xian.

Qin Yu was pushed back to the ward by the doctor, her face was hot and red like a boiled crab, she looked really pitiful.

“Doctor, how is she?”

...

Chapter 943 The dog-eye

doctor who blinded me smiled: “Miss Qin is in good health, but there are still residues of the injected medicine in her body, and it will take eight or nine hours to fully recover.

And she has a little I have a fever, but I have already taken a fever-reducing injection, and it will take a while for the fever to subside.”

Su Nan and Ningzhi breathed a sigh of relief.

It seemed that they had arrived just in time.

The doctor went out, and the two sat there looking at Qin Yu who was lying there in a daze.

It was as if he was still muttering and scolding people in his sleep, and it was Mo Xian who was scolding him.

You can vaguely hear words like “scumbag” and “go to hell”.

Su Nan and Ning Zhi looked at each other and smiled. For others, they might find life and death when they encounter such a thing.

And when Qin Yu encounters it, she will only seek revenge!

In less than half an hour, Shang Qian rushed back.

Su Nan looked at the lunch box logo he was holding, as if it was a famous private chef.

Basically, you can't even make an appointment. Can you get up at night to cook for him?

Su Nan didn't have time to ask clearly, but Ning Zhi found it sharply.

“Isn’t this store required to make an appointment in advance? President Shang actually went to their house?”

Shang Qian smiled, gentle and calm:

“Everyone has worked hard, and there is still a sick patient, so you should eat something good.

Just so, I Being friends with the owner of this shop, it is not difficult for him to get up and cook a dish.”

Shang Qian put it on the table, “I asked him to make two copies and save one for Miss Qin to eat when he wakes up, you guys Eat the other first.”

Such a careful man, how could Su Nan not be proud?

Ning Zhi was moved by his actions, and decided to take back the words that made Su Nan more vigilant.

He also kindly helped Su Nan to take out the chopsticks, just about to feed them into her mouth.

Su Nan sat there, looking forward to finding a crack to get in.

Usually he doesn’t care about it. In front of Ning Zhi, why doesn’t he know how to take a little?

She only felt that her face was hot, and she pretended to be calm and greeted Ning Zhi:

“Come on, it will be cold if you don’t eat it.”

Ning Zhi walked over and sat down calmly, looked at her with a smile, and said meaningfully:

“You Why is her face so red, do you also have a fever?”

Shang Qian paused slightly and looked at her intently.

Su Nan’s eyes dodged, and he glanced at Ning Zhi Jiao angrily, “It’s too hot, let’s eat yours!”

Ning Zhi lowered his head to eat calmly, but Su Nan felt a little embarrassed.

Shang Qian’s smile gradually deepened, and there was a soft light in his eyes.

If it weren’t for the presence of other people, he really wanted to ask, was she shy?

After everyone finished eating, Shang Qian silently packed up his things.

She asked him to go back, and Shang Qian shook his head, wanting to accompany her here.

He wanted her to go back to rest, but he also knew that with her relationship with Qin Yu, she wouldn't just leave.

So he thought about it and didn't speak.

Shang Qian squinted in another room for a while, and went back early in the morning to get Su Nan a change of clothes.

It was just dawn, and Su Nan was taking a nap on the rocking chair beside him.

Shang Qian walked in quietly, and couldn't bear to disturb her, so he sat on the side and stared at her, as serious as appreciating a famous painting!

Qin Yu's fever subsided, and she slept all night, full of energy.

Just opening my eyes and seeing this scene of Su Nan and Shang Qian was really unbearable.

Her fragile heart is even more fragile.

Qin Yu raised her hand tremblingly, her hoarse voice ruining the picture.

"You... are you showing your affection?"

She said these words, awakening the two people who were sleeping.

...

Chapter 944 I don't like it so much

Chapter 944 doesn't like

Su Nan and Ning Zhi on the other side so much.

Shang Qian's eyes sank slightly, but he recovered quickly.

Don't be angry, even if she disturbed Su Nan's sleep, she didn't mean it.

Su Nan got up, walked over and looked at Qin Yu's rosy and shiny face, her eyes were firm and shining, but her voice was weak.

I guess it was because I didn't eat.

"Are you awake? How are you feeling?"

Qin Yu seemed to remember what happened before, and her eyes dimmed.

Her voice was weak: "I'm hungry."

Su Nan and Ning Zhi couldn't help but sighed in relief, and Shang Qian handed over the prepared things.

The two set up a small table for her, and Qin Yu murmured:

"Is Big Brother Su not here?"

Su Nan paused, Qin Yu pursed her lips, and her eyes flashed:

"I remember he saved me, I want to personally follow him. He thanked him."

Mingming had already made himself forget the pain of those crushes.

But in the memory of Su Jin, it was the first time that he protected her like this, held him for the first time, and was so close to her for the first time.

Her dead heart wants to come alive again...

What if, what if he means something to himself?

For this just in case, she is willing to give it a try.

Seeing Qin Yu's expectant gaze, Su Nan paused.

"Big brother has something to do, but I think I will come to see you in a while."

She understood Qin Yu's thoughts very well and had no right to judge right and wrong.

Ning Zhi sighed aside: "You, you have to keep your eyes open, that Mo Xian doesn't look like a good person. I told you before, you still think I judge people by their appearance, and now I'm suffering?"

Qin Yu His expression was slightly lost for a moment, and his voice was low:

"I was blind, and everything I thought he did for me was just something he used to fool me.

When he was trapped in the mountains, it wasn't because he didn't have a helicopter, it was because of him. Using a helicopter will disturb his wife, so he would rather let me crawl out of the mud, I'm really blind!"

Ning Zhili walked over and patted her on the shoulder:

"Okay, this time it's clean, and I'll eat it later. Be wiser ."

Qin Yu's eyes flashed with anger, and Su Nan looked at her calmly:

"If you don't want to, forget it, we will help you out until you are satisfied." The proud Miss Qin Yu , there is no need to swallow.

Qin Yu looked up at her and pursed her lips, "I'll tell you if I need it."

They don't need to be polite.

Su Nan smiled, Qin Yu took a deep breath, "Okay, I'm going to eat, have you been here last night?"

She looked at Shang Qian behind Su Nan and blinked, "Mr. Shang Wouldn't it be here?"

Shang Qian smiled and said quickly, "I'm taking a nap in the lounge next door, it's the two of them who are working hard."

Su Nan smiled and looked at him: "It's getting late, you go to work. Well, I'll leave in a while."

Shang Qian hesitated for a moment, Su Nan clicked his tongue, and pushed him out.

"We want to whisper, what are you saying here?"

Shang Qian smiled helplessly, and he turned out to be a light bulb.

He was forced to walk to the door, then paused and turned to look at Su Nan:

"Then I'm leaving, do you have something to call me?"

Su Nan nodded impatiently.

Shang Qian smiled gently, motionless, and looked reluctant.

Su Nan really couldn't do anything about him. The fiery gazes of Ning Zhiluo and Qin Yu behind him made people's faces burn.

Shang Qian also saw that she was embarrassed, and he didn't feel too embarrassed. He just stretched out his hand and pulled her hand, rubbed it a little, and then let go.

Su Nan blushed, is this Shang Qian taking advantage of her?

...

Chapter 945 You have no chance

Chapter 945 You have no chance,

but before Su Nan could react, Shang Qian had already let go of his hand as if nothing had happened, bowed his head to the people inside modestly and politely, with a smile on his face, and then turned to leave.

The back is open and gentle, and the little movements just now can't be seen at all.

Su Nan made a secret cut before turning around.

turn back.

Just watched Qin Yu and Ning Zhi smiled meaningfully at her.

Ning Zhi laughed, "This business manager is really quick, you two seem to be mixing oil with each other now, isn't it time to discuss marriage in the next step?"

Su Nan glared at her angrily:

"What are you thinking about? You should be thinking about Miss Qin's business now, you are misreading the point!"

Qin Yu couldn't help but smile, "You are good at changing topics, Su Nan, don't you want to talk about your career? In love?"

Su Nan said solemnly:

"This is not exclusive, of course I focus on career, and love is the icing on the cake!"

"Scumbag!" The two of them said in unison.

Su Nan touched his nose.

Seeing that Qin Yu ate all the food, Ning Zhi received an emergency call from the company, as if something had happened.

“Qin Yu, I have to go to the company, I can’t accompany you anymore, you should be discharged when you’re full, I’ll take you back?”

Qin Yu’s eyes flashed, “I can’t leave the hospital, I have to ask my mother to see Look at how pitiful I am, or she will kill me when I look back.”

Ning Zhi glanced at her helplessly, and said to Su Nan,

“Then watch, I’m leaving?”

Su Nan nodded, expressing herself definitely no problem.

Ning Zhi left on the front foot, and Su Jin arrived on the back foot.

Su Nan had already sent him a text message to report that he was safe, and asked him to come and have a look when he had time.

It’s not that she doesn’t know the reason why Qin Yu hasn’t been discharged from the hospital is just waiting for him.

She seemed obsessed with wanting a result.

Su Jin knocked on the door and came in.

Qin Yu’s eyes lit up, but when she saw the person following behind Su Jin, her eyes dimmed instantly.

Su Nan also stood up and smiled naturally, “Big Brother, Senior Sister Wen Xiang, are you here?”

She didn’t expect Su Jin to bring Wen Xiang, but she couldn’t act strange.

Su Jin nodded, his expression as cold as ever.

His eyes looked at Qin Yu, “Miss Qin is feeling better?”

Qin Yu’s expression seemed a little unbearable, and she didn’t know whether to be happy or sad.

She pulled the corner of her mouth and nodded, lowered her head, her voice was a little weak:

“It’s much better.”

Su Nan could see the loss she was covering up.

Behind her, Wen Xiang stuck her head out, beautiful and gentle, and smiled generously and decently:

“Miss Qin needs to take care of her body...”

Qin Yu smiled palely, “Thank you, senior, I didn’t expect You will come to see me.”

Wen Xiang glanced at Su Jin softly, and said jokingly:

“My car broke down, he came to pick me up, I originally wanted to wait below, but he was probably afraid that I would drive If you’re gone, you have to pull me up.”

Su Jin glanced at her helplessly and dotingly:

“It’s not just once or twice that you left me and of course I have to guard against the third time.

” Besides, they are all cherished.

Wen Xiang smiled embarrassedly, although the two didn’t show much intimacy.

But with just one look, Wen Xiang can make Su Jin’s aura more approachable.

Qin Yu’s smile suddenly filled with bitterness, but it was quickly concealed.

She lowered her head sharply, covering the light in her eyes.

Su Nan sighed and smiled helplessly:

“Qin Yu just had a fever and ate something, and her body hasn’t fully recovered, so she’s not in good spirits.”

Su Jin nodded with no expression on his face:

“Then you should rest well. If you need help with Mo Xian’s matter, you can talk to Su Nan.”

Qin Yu's face paled slightly and she pursed her lips. He pursed his lips and suddenly raised his head to look at him:

"Brother, thank you for your help."

Su Jin frowned, but nodded:

"You're welcome, you are Su Nan's friend, and I still have business dealings with your family. It's right to help you." In an

instant, the light in Qin Yu's eyes completely disappeared.

At this moment, no matter how she concealed it, she felt futile.

Among the many reasons Su Jin helped her, none of them did it because she was Qin Yu.

Indeed, what qualifications does she have?

Su Nan pursed his lips, "Brother, you and Senior Sister Wenxiang have some work to do beforehand, and I'll take Qin Yu home when I look back."

Su Jin didn't really want to stay here, so he nodded and pulled Wen Xiang's hand turned and left.

Before leaving, Wen Xiang looked back at Qin Yu.

Just this one glance, there is not much exploratory sight, as if it is just gentle and polite.

Su Nan closed the door and breathed a sigh of relief.

Looking back at Qin Yu, her tears were already coming out.

When I walked over, I saw her shoulders trembling slightly, but she didn't make any sound.

The end of this crush is probably today.

"If you want to cry, just cry, and I'll take you home after crying."

Su Nan looked at her.

Qin Yu looked up at her, her eyes filled with tears:

"Su Nan, am I so rotten, so he doesn't even want to look at me?"

“How could it be?”

Qin Yu took a deep breath:

“I never dare to say what I like, and I don’t like it all day long. When the person I like makes a show, others must think I’m rotten.

I know your kindness is because I think too much. No matter how many years have passed, the only person in this world who can change him is Senior Sister Wenxiang.

Su Nan, I put it down.”

She admitted defeat.

Self-righteous affection, but moved himself, Su Jin helped only because of Su Nan.

Why deceive yourself?

She can’t do things that are open and secret, otherwise she won’t be angry and lose her mind because of Mo Xian’s marriage.

Thinking of Mo Xian, Qin Yu wiped away her tears and her face sank slightly:

“I’m leaving the hospital, Su Nan, I have a favor, you need to help me.”

Su Nan nodded decisively:

“Of course.”

Qin Yu was full and sure enough Powerful and quick to discharge from the hospital.

She took Su Nan to a private club.

Just wondering why he came here, Qin Yu said as he walked,

“Mo Xian will meet with people from Fu’s Group here today to sign a contract. Once the contract is signed, it means that Mo Xian’s business will officially enter City A.

Backed by Fu’s Group’s Dashu, he will soon gain a firm foothold, and I must come to sabotage their cooperation!”

Su Nan: “...”

When she heard the words of Fu’s Group, she regretted coming along .

But it’s too late to leave now, and Qin Yu will definitely kill her.

She could only bite the bullet and follow, regretting tens of thousands of times in her heart.

But don't be Fu Yechuan himself...

Qin Yu simply pushed open the door of the box. There were more than a dozen people sitting on both sides, including lawyers, and the scene looked very solemn.

Everyone was interrupted by Qin Yu and couldn't help but look outside the door.

Qin Yu swept her eyes and saw Mo Xian who was equally shocked.

She stepped forward with a sneer, and threw the bag in her hand on the table, making a lot of movement and being rude.

"Fu Yechuan, have you investigated the person you signed? The liquidated assets under his name are fraudulent, and the cost price to you has been secretly increased by 20% compared with other companies. He takes you as a big deal... ."

...

Chapter 947 Mrs. Mo was

shocked for a while in the room.

External cost quotations are confidential, and no one will know unless they are their own.

"How could Miss Qin know?"

"It can't be true, right?"

"What's the relationship between them?"

...

Mo Xian's face regained his composure, and his eyes were fixed on her.

The slightly fat woman sitting next to him looked a bit mean, recognized Qin Yu, and stood up immediately:

"Miss Qin, is it because Mo Xian didn't give you enough money? Or are you not satisfied with the amount? Why do you make trouble at this time?"

Qin Yu swept across the woman and sneered:

“Mrs. Mo, we meet again.”

“Being a righteous person, Miss Qin’s face is really not ordinary. Now that I was dumped, I want to break the jar and throw dirty water on us?”

Mrs. Mo wanted to tear her apart when she saw Qin Yu, and even dared to run up to her and show her claws?

Qin Yu was stimulated by the word “Little San”, and her face suddenly became extremely ugly.

At this moment, Su Nan walked out from behind the wall and stood beside Qin Yu with an indifferent expression.

Her eyes were coldly focused on the woman beside Mo Xian.

“Mrs. Mo, I hope you can understand that Qin Yu is a ‘little third’. With Mo Xian’s net worth and appearance, if he hadn’t taken the initiative to pester Qin Yu, Miss Qin would have looked down on such a person. Her

own dog It should be fastened, don’t come out and bite someone and blame others for walking on the road!”

Su Nan said these words without being polite at all.

It made Mrs. Mo angry enough, and her face was ugly.

The people around watched silently, as if they knew something, but they had to lower their heads and pretend they didn’t know.

After all, there is a melon with Su Nan, and no one dares to watch the excitement seriously.

Su Nan hooked her lips, she could feel the scorching gaze on the opposite side, and she knew exactly who it was from.

But she didn’t look up.

Just try to ignore it.

Qin Yu also slowed down, looking at the woman and Mo Xian lukewarmly, with provocative eyes:

“Yes, with so many boyfriends around me, do I still need to find a man in the garbage?”

Mo Xian is the worst and worst person I've ever dated, but I didn't expect that there is a garbage collection station next to him."

This kind of sarcasm was almost enough to say Mrs. Mo's name.

Su Nan paused, not wanting to continue to waste time in the battle of words, she glanced at Su Nan, and then looked at the people of the Fu Group.

"About what Miss Qin said, you can check it out. You won't make up quotations in order to destroy cooperation. I don't think the Fu Group will be indifferent to fictitious quotations, right?"

Su Nan's words suddenly drew their attention. to the critical point.

Mrs. Mo was obviously panicked...

"Don't listen to their nonsense, this Qin Yu is not a good person..."

"Enough—"

Mo Xian stood up with an ugly face. Everything appeared indifferent.

But when Qin Yu was about to leave, he suddenly stood up.

He walked over and took her hand involuntarily, "Go out with me, I'll explain anything to you..."

"Moxian—"

Mrs. Mo stood there with a pale face, staring at them with shame and anger.

Qin Yu, this little bitch, smashed their contract, but Mo Xian didn't even care?

He took Qin Yu away in front of everyone, what does this mean?

It means that Mrs. Mo's position will be given to Qin Yu!

How could she be willing to have her face rubbed on the ground?

...

But Mo Xian didn't take Mrs. Mo in his eyes at all. He only had Qin Yu in his eyes. He took her away regardless of Qin Yu's struggles.

Su Nan frowned, for fear that Mo Xian would take Qin Yu away, she was about to chase out when she suddenly heard Fu Yechuan's cold voice:

"Chen Mian, go catch up with President Mo, and tell him that the signing of the contract will be postponed indefinitely. ."

Chen Mian watched all this from the corner, was suddenly called, and immediately stood up:

"Yes, Mr. Fu."

He didn't want Su Nan to catch up, right?

Su Nan paused, hesitantly, Fu Yechuan had already called her name:

"Su Nan..."

She turned around, Fu Yechuan stood up, and his eyes were still fierce.

The voice is low and lazy:

"Thank you for telling us this, otherwise we will lose a lot of money to sign with President Mo."

Su Nan calmly pursed her lips, "If you want to thank Qin Yu, it's her news.

"Mrs. Mo listened to Fu Yechuan's words, and it seemed that the cooperation had become more ominous. Her face was ugly, "Mr. Fu, how can you not believe us because of that crazy woman?"

Fu Yechuan paused, his eyes indifferent. Glancing at Mrs. Mo, her eyes were sharp and cold, making Mrs. Mo not dare to look directly.

"Just in case, you must verify the authenticity. After all, your company is with me and has no credibility."

After speaking, he left his seat and walked directly to Su Nan.

"In order to express my gratitude, I invite you to dinner?"

Su Nan frowned, and just as he was about to refuse, he added: "And Miss Qin."

Why does this man feel wrong?

Is he too calm?

But looking at his eyes, it was pitch black, and he couldn't see what he was thinking at all.

Their conversation last night was not very pleasant. At that time, Fu Yechuan's emotions contained stormy waves.

She didn't believe that she could accept it silently the next day, and invited them to dinner.

How to think how weird?

She paused, her eyes curled her lips calmly, "No, we have other things to do, so don't bother."

After speaking, she turned around and walked away in high heels.

Fu Yechuan's eyes darkened slightly, his breath sank slightly, and he followed him out.

The others in the room finally breathed a sigh of relief.

Although the cooperation failed, they were under the same low pressure and breathless.

Su Nan went out and looked at what Mo Xian and Qin Yu were talking about not far away. Qin Yu's hysterical appearance probably scolded the worst words in the world.

Since she was not at a disadvantage, Su Nan was not in a hurry.

Chen Mian was also waiting not far away.

Before he could stand still, there was a familiar cold and deep smell next to him.

Fu Yechuan's voice was hoarse and indifferent:

"Moxian is not a simple person, let your friends be careful."

Su Nan turned his head to look at him differently, Fu Yechuan looked at her, hooked his lips, and moved his eyebrows slightly.

"Why, don't you believe me? When you're with others, you think I'm a heinous bad guy? What else did Shang Qian say?"

Su Nan frowned, her face was cold and cold, and she couldn't see any expression.

"We have never talked about you."

Su Nan's words made Fu Yechuan's face stiffen.

The hidden and repressed emotions in the depths of the black eyes swelled in an instant.

What hurts more than provocation is ignoring.

He totally felt it.

There seemed to be countless hands in his chest tearing at his heart, and it hurt like it was about to be torn apart.

But he could only endure...

Su Nan has watched Qin Yu scolded enough, waved to her, and Su Nan walked over.

Mo Xian's face is not good-looking.

Just as the two were about to leave, Mo Xian's voice was hoarse as if a knife had been slashed:

"Qin Yu, apart from this matter, I have never lied to you, I have already told her to get a divorce this afternoon, you... .."

You wait for me.

But before the words were finished, Qin Yu sneered:

"You two are a natural couple, you must not divorce because of me, I will step on your piece of shit, it's really bad luck, don't let me in City A If I meet you, or I will beat you once I see you!"

After playing for so long, she finally wanted to settle down, and she wanted to accept a man into her life for a long time.

The results of it?

Haha, this man is already married?

No matter how cheap and playful she Qin Yu is, she will never go beyond the bottom line of morality.

Can't do it!

Qin Yu said harshly, dragged Su Nan and left.

Chen Mian watched Fu Yechuan standing at the door, hesitating whether he wanted to talk, but Fu Yechuan had no intention of looking for Mo Xian at all, and it seemed that his decision would not change.

on the way back.

Su Nan looked at Qin Yu who was still angry, and rubbed his brows:

“Still angry?”

“How could you not be angry?”

“Fu Yechuan has decided to delay the cooperation indefinitely. If what you say is true, their

cooperation will really be in vain. According to Fu Yechuan's character, Mo Xian will not be given a second chance.”

Qin Yu Her face improved a little, but after a pause, she turned to look at her:

“I didn't know Fu Yechuan was there too. I didn't expect that he would go there in person for such a small cooperation?”

Su Nan smiled, knowing that Qin Yu reacted in hindsight and felt uncomfortable for her.

“It doesn't matter, we are not forced to meet each other. The interests in the shopping mall are inextricably linked, and it is no big deal.

But maybe Fu Yechuan is very optimistic about Mo Xian, otherwise, as you said, such a small cooperation, he There 's no need to go.”

Qin Yu sneered coldly, "That can only mean that things are clustered together!"

Su Nan thought it made sense after scolding two people in one sentence.

"Send you home?"

"Go to the company, the cooperation between our Qin family and Mo Xian must be terminated. Even if I get scolded to death by my mother, I will not continue to cooperate with such scumbags."

Su Nan raised an eyebrow and nodded. nodded.

In the end, the involvement is not deep, and it is easy to separate the relationship.

If she and Fu Yechuan were replaced, it would not be a matter of a word.

fifteen minutes later.

Arrived downstairs in Qin Yu's company.

She took a deep breath, her face was pale, and she didn't know how to explain to Qin's mother...

Taking Su Nan's hand tightly, "...I'm nervous, I Afraid, will you accompany me up?"

Su Nan: "..."

Qin Yu said sullenly: "My mother has always liked you the most, she said that you are the most like her character, will you go with me?"

Su Nan nodded helplessly, "Okay, but if you get beaten up, I won't Help you."

Qin Yu nodded, and knew that if she got to the point of being beaten, even the king of heaven couldn't help her.

The lady at the front desk has a good relationship with Qin Yu. She smiled and said hello when she saw her coming in:

"Mr. Qin, Mr. Qin has been waiting for you upstairs for a long time..."

Qin Yu's face turned even paler... ..

...

Chapter 950: Only Marriage

Chapter 950 Can only marry

Su Nan watching Qin Yu walk in front, getting on the elevator in a trance, her legs still trembling.

Immediately, she felt a little miserable.

According to Qin's mother's temper, she is afraid that Qin Yu will be killed.

She stood at the door and took a deep breath before she mustered up the courage and pushed the door in.

"Mom..."

Qin's mother controls the entire Qin family. She raised Qin Yu alone, but she is also a well-known strong woman in her career.

Her temper is resolute and resolute, and her personality is also unique.

Before Su Nan went in, a few photos were still in front of Qin Yu and fell to the ground.

"Look at what you've done!"

Qin Yu picked up the photo and looked at it, her face suddenly pale.

She hadn't had time to tell her mother Qin about this, but she didn't expect that someone had already sent the photos of her and Mo Xian together, and the photos of Mrs. Mo's troubles to her, and sent them to Qin's mother.

When Su Nan followed up, he also saw a few fragmentary photos.

"Hello, Aunt."

Seeing Su Nan also coming, Mother Qin's face, who had been furious, suddenly softened.

"Su Nan, it's been a long time."

Qin Yu gradually recovered from the shock. She did one wrong thing, and the follow-up will be trouble one after another, but she is ready to face it all.

"Mom, I wanted to make it clear to you, but it seems that someone has taken the lead. I have nothing to do with him. I didn't know in advance that he was married, otherwise I wouldn't do this kind of thing.

I have excellent people around me . There are many men, there is no need to fall into my morals for a Mo Xian.”

Qin Yu’s righteousness made Qin’s mother a meal. She didn’t seem to expect Qin Yu to be so righteous.

But when she turned around and thought about it, according to Qin Yu’s temper, she probably didn’t know it.

“It’s really broken?”

Her purpose was to make Qin Yu give up on this married man.

“Yes.”

Qin’s mother looked at Su Nan, who was beside him. “Is what she said true?”

Su Nan nodded: “Yes, Qin Yu came to the company to interrupt the cooperation between the Qin family and Mo Xian. You should understand, Qin Yu will never like someone without a bottom line.”

Qin’s mother was silent for a moment, then sighed:

“I have terminated the cooperation unilaterally, it is best to do as you said, don’t get involved in the future, get into trouble like this The trouble is simply self-deprecating!”

Qin Yu lowered her head embarrassingly, but she secretly breathed a sigh of relief.

It can be seen that her statement is still useful.

“However, you can’t delay your affairs. It’s too bad to hear about it.

Shen Liang from the Shen Group will come back to you for tea in two days. You can try it out. Unless there is something big wrong with him, you will Don’t break up with him!”

Qin’s mother gave Qin Yu a warning look.

Qin Yu was shocked for a moment, and suddenly raised her head: “Mom...”

“Don’t call me mom, you are fooling around all day, you should grow up too, if you don’t want to take over the company, then find someone who is capable. Help you pick it up.

Only by announcing the marriage right away will your reputation in the circle be preserved!”

Su Nan listened, Shen Liang was the president of the Shen Group, although he was older than Qin Yu, he was still the same single.

When she dealt with the Hong Group, Shen Liang still did a lot, but what he got was the annexation of the Hong Group.

A man of ability and ambition.

It seems that Qin's mother made up her mind to let Qin Yu marry Shen Liang.

Qin Yu had no chance to object.

After Su Nan left, he went directly to the Su Group.

She helped Qin Yu get rid of Wei Cheng last time, but this time Shen Liang, she can't help.

come back to the office.

After a while, Yu Lou came over and knocked on the door:

"Mr. Su, Miss Wenxiang wants to see you?"
