Chapter 96 Whose blood transfusion is she gone?

Chapter 96 Who did she go? Blood transfusion

Su Qi stiffened for a moment. Although she felt a pain in her flesh, she had spoken out and couldn't take it back.

However, Ning Zhi hurriedly waved his hand, "No, it's too extravagant, I can't use it."

Su Nan refused: "No, we can not use it, but we can't do it without it, you have to, our actor Su is not bad for money! Is it?" She He looked at Su Qi with a smile.

Anyway, Su Qi paid for it, but she was very happy.

Su Qi smiled, a little helpless, "Yes, isn't it a yacht? Buy it, buy it, who told us Su Nan, it's a small gift for you, brother can afford it... "

Her sister is bragging, it must be fulfilled!

Ning Zhi knew the strength of the Su family, not to mention that everyone was already so familiar with it, and it would be a shame to refuse to go on.

"Then thank you third brother."

Su Qi raised her eyebrows, reached out and touched her head, "It's so good."

Ning Zhi paused, and an indescribable red appeared on his face.

However, Su Qi quickly looked down at Su Nan and said dotingly, "Are you satisfied, can you go now?"

Su Nan nodded, took his arm, and waved at Ning Zhiliao, "Goodbye..."

In those three years, she had never been so straightforward and calm about what gifts her husband asked for, he only gave money.

Seeing that she was in charge of other men asking for things, Fu Yechuan felt extremely uncomfortable, and his face was a little ugly and cold.

As soon as Su Nan and Su Qi turned around, they saw Fu Yechuan and Lu Qi at the door. The smile on her face disappeared in an instant, and she changed to a cold face.

Seeing this, Fu Yechuan's heart felt as if it was stabbed by something sharp, and the pain was uncontrollable.

She looked past him and didn't even look at her. She really hated herself...

Lu Qi didn't sneer at her. After all, this woman had a nude photo of herself in her hands. It can become a wonder of the world, but it's not good to pretend that you didn't see it, so she smiled and looked at the man next to her.

"Emperor Su, what a coincidence..."

Su Qi raised his eyebrows, "Young Master Lu, it's a coincidence."

Su Qi didn't even glance at Fu Yechuan, it was this man who kidnapped his sister for three years and didn't come to the door. It's good to settle accounts, it's impossible to pretend that nothing happened!

The atmosphere was stagnant for a while, Fu Yechuan's eyes narrowed slightly, and his voice was cold.

"Su Nan, what a surprise, when did you become a partner of share?"

She has too many secrets that he doesn't know, her strangeness, her dazzling, and Su Nan three years ago are completely different. That feeling of being out of control is very bad.

Su Nan curled her lips and said indifferently, "I don't need to report my affairs to your 'ex-husband', right? Boss Fu should be less curious.

"

Fu Yechuan was just about to say something when he heard Fu Yingying screaming from outside the door, "Sister Wanrou, what's wrong with you? There's a lot of blood..."

The people inside stopped, and Fu Yechuan's face flashed a trace of panic. , ran out immediately.

A few people followed, and Lu Qi watched in surprise. Qiao Wanrou was lying in Fu Yingying's arms with blood on her forehead. She looked in a bad condition and was confused.

Fu Yingying kept crying, "Sister Wanrou, don't scare me..."

"What's wrong?" Fu Yechuan ran over, took Qiao Wanrou in his arms, and scolded Fu Yingying, "Why are you here? What happened? what happened?"

Fu Yingying sobbed, crying incoherently and said, "...I don't know, she fell to the ground as soon as she turned her head, bleeding a lot..."

Lu Qi frowned. "Don't move, it will bleed more, is there an emergency doctor here?" Lu Qi was rarely serious.

"Yes, not long after he left, I'll call him back immediately." Although Ning Zhi was reluctant to get into trouble, she couldn't tell if it really happened.

Turn around and call the emergency doctor.

Su Nan looked at him blankly, Fu Yechuan's panic was extremely ironic in her eyes.

He is not without feelings, he can be nice to Qiao Wanrou...

Hooked the corner of his lips, Su Nan tugged at Su Qi's sleeve, "I want to go back to rest..."

Suddenly feeling a little tired.

Su Qi touched her head and hugged her shoulders affectionately, "Let's go, my brother will buy you a yacht."

Su Nan smiled, and just two steps away, Lu Qi suddenly shouted: "No, She can't go, Wanrou has lost too much blood and may need a blood transfusion, who did she go for a blood transfusion?" For a

moment, the voices in the air quieted down.

...

Chapter 97: The Talent for Green Tea

Chapter 97 When the green tea's talent

was dark and dark, Su Nan heard the words, his footsteps stopped, and he lost his blood. Lu Qi's words stabbed into Su Nan's heart like a knife, disturbing her. Blood dripping.

The scars she had tried so hard to hide were uncovered, and she could no longer be treated as if nothing had happened.

She desperately wanted to forget those three years, but someone always reminded her that her existence, her value, was worthless!

Su Qi sneered, with a very dangerous tone in his voice.

“Lu Qi, are you talking about human words?”

He knew that Su Nan had not had a good time in the Fu family for the past three years, but he didn't know the details. Su Yifeng didn't allow anyone to inquire, and they didn't dare to touch it.

But now that a trace of the past is brought up, Lu Qi's words suddenly made Su Qi furious. Is the princess who they hold in the palm of their Su family's hands treated like this?

Lu Qi was silent for a moment, but Qiao Wanrou was Cheng Heng's only concern, and of course Qiao Wanrou was more important.

“Does she want to die? It's just a little blood, does she need to be so stingy? Besides, it's not the first time to donate blood, is it, Su Nan?”

Fu Yechuan frowned, his face getting colder. ” Lu Qi...”

Hearing Lu Qi's words, Su Nan smiled and turned to look at him, his eyes flashing with determination.

She stepped forward and looked at Qiao Wanrou, who was lying in Fu Yechuan's arms, and the corner of her lips curled slightly.

“Young Master Lu's words are so nice, everything will be alright with one move of his lips? Is it just a little blood?”

Lu Qi was stunned for a moment, his face paled, feeling that something was wrong with Su Nan, but he didn't know what the problem was.

“Human life is at stake, what's the point of blood?” He defended, did she have to be killed to make her happy?

Yes, compared with Qiao Wanrou, what is the blood of her Su Nan?

Shouldn't she still be honored?

Su Nan smiled. There was no warmth in the smile, and it was even a little cold. She suddenly raised her leg and kicked Qiao Wanrou's head wound without hesitation.

Hearing Qiao Wanrou

's sudden scream, “Ah—” Unpredictable, everyone didn't expect it, Lu Qi was taken aback, looked in shock, his arms trembling, “You...”

Fu Yechuan didn't expect it either . When Su Nan raised his foot, he kicked up, with no lack of strength, and it seemed that it was not enough. It was Ningzhi who stepped forward to block her, but it didn't seem to stop Su Nan from making a move, but to prevent him and Lu Qi from fighting back!

The scab on Qiao Wanrou's head cracked again, not only that, but a new wound was added, but there was no blood, just bruised, and it looked even worse...

"Ye Chuan... "She huddled tightly in Fu Yechuan's arms, terrified.

"Mr. Fu, Young Master Lu, I want to make something clear, I have no compassion, I don't care if Qiao Wanrou dies, but my blood will not be used by animals anymore, I didn't drain her. The blood is already very kind, and if you dare to hit me with the idea of blood, I will take back the blood that I gave her in the past, together with the profit."

Su Nan's words were clear and clear, and her voice smashed to the ground. , crisp and loud.

Moral kidnapping?

She would rather be immoral than let them do!

Fu Yechuan looked at Su Nan and fell silent. He was uncomfortable listening to Lu Qi's words, let alone Su Nan?

What is the obligation of Su Nan, who is divorced, to donate blood for Qiao Wanrou?

Lu Qi stood there with a pale face, the hatred in Su Nan's eyes was clear and undisguised, and he was a little scared when he saw it.

Su Nan's eyes swept to Qiao Wanrou's face, and the corner of his lips slightly raised a sneering arc.

"I don't have the talent to be green tea, but I hope Miss Qiao can survive..."

...

Chapter 98: Putting a Band-Aid

Chapter 98 Putting a Band-Aid

on Su Nan can't tell, is Qiao Wanrou pretending?

Perhaps it was intentional, the blood was just visible in the night, amplifying the fear and worry.

I told them to get out a long time ago, but they didn't leave, just want to stage such a play?

In order to prove that she is more important in Fu Yechuan's heart?

As soon as she was injured, everyone had to turn around her, so what was she Su Nan?

It's a pity that Su Nan didn't follow the script written by Qiao Wanrou. She was neither terribly sad nor pretending to be strong. She really hurt Qiao Wanrou!

What a joy!

Su Nan chuckled lightly, turned and walked out.

Su Qi hooked his lips in satisfaction, without blaming Su Nan at all, but gave a thumbs up in admiration, "Okay, well done, this is the Su Nan I know!

" Stupid woman like grandson.

Su Qi's handsome face flashed a stern look, swept over the woman in Fu Yechuan's arms, looked at Lu Qi again, sneered coldly, left a sentence and left.

"Anyone dares to think about our Su Nan's blood, and doesn't look at her worthy?"

Qiao Wan gnashed her teeth softly, and her teeth began to tremble. The moment Su Nan kicked up, her mind really felt blank and painful. She couldn't even move, she thought she was going to die, Su Nan was really cruel...

She thought that in front of Fu Yechuan, let her see who was the most important person in Fu Yechuan's heart, Let Su Nan retreat in spite of the difficulties, but Su Nan even dared to hit her without even a little bit of affection?

And still do it in front of so many people!

Lu Qi looked at the two people who left and looked at Fu Yechuan in shock, "This... Who are these people?"

Ning Zhi's tone was cold, and impatiently urged the doctor to come quickly, hung up the phone, looked at Fu Yechuan and Lu Qi, "It is the most basic quality not to think about things that don't belong to you."

He sensed Ning Zhi's disgust Lu Qi shrank his neck, he was also wronged, who would have thought that it was only a few words, and Su Nan's reaction was so big.

Fu Yechuan's dark eyes were silent there, his eyes were deep, flashing complex emotions, he didn't know what he was thinking.

Five minutes later, the doctor came and took Ning Zhi to the sofa to check the injury.

Fu Yingying took care of her by the side, and she didn't dare to say a word after watching the scene just now.

Ning Zhi was holding Fu Yechuan's arm tightly in his hand, sobbing unconsciously, looking miserable and pitiful.

"How's it going, doctor?" The

doctor paused and asked his assistant to clean up the wound on Qiao Wanrou's forehead, calmly speaking.

"The trauma is not a big problem, just stick a Band-Aid. As for the inside of the brain, I still need to go to the hospital to take a CT for a specific examination, but the preliminary judgment is that it is probably a mild concussion..."

"Band-Aid?" Lu Qi couldn't believe it, "She just bled a lot, why don't you check it again?" The

doctor neatly packed his things, ignored him, walked over and said goodbye to Ning Zhi, this small injury is worth letting him go halfway. How many red lights have you run back?

He thought it was a life-or-death moment... If it was later, the wound would heal!

Ning Zhi graciously sent the doctor away, the atmosphere fell silent for a while, Ning Zhi returned, chuckled lightly, looked at Qiao Wanrou, and spoke softly.

"Deserving it!"

It was nothing serious, but she had to do something, but she messed up. I didn't expect that Su Nan would be able to hit her backhand, which really hurt her!

Qiao Wanrou's face turned pale, tears streaming down her face, and she cried out in pain.

Fu Yechuan's eyes sank, he let go of Qiao Wanrou's hand and handed it to Fu Yingying, looked at Ning Zhi, "Thank you."

Ning Zhi didn't appreciate it, "No need, if you can't trust my doctor, you can find a doctor yourself. Well, I still have a lot of follow-up work to deal with, so I won't accompany her."

After she finished speaking, she raised her legs and walked away. When she passed by Lu Qi, she paused, glanced at him sideways, and pointed to the position of her temple with her finger. His tone was cold and mocking.

“Lu Shao, Sanguan is a good thing, but unfortunately you don’t have...”

Chapter 99 No Three Views

Chapter 99 Without

seeing what Lu Qi just said, it can really piss people off. Qiao Wanrou’s kick was mostly because of Lu Qi’s words, and it was not wrong at all!

Deserved!

Lu Qi twitched the corners of his mouth and looked at Fu Yechuan, “She is saying that my three views are not right? Where did I say wrong?”

Fu Yechuan raised his eyes, gave him a dark look, and said in a cold tone, “What do you think?”

” Well, he admitted that it was a bit too much just now, but he was too worried about Qiao Wanrou’s life, and that was Cheng Heng’s only concern.

Who knew that Qiao Wanrou looked so serious with just a slight scratch?

“But she can’t do it either, this woman...”

How angry she was!

I’m really irritable. If I offend that woman, she won’t send out the nude photos in a fit of anger?

Fu Yechuan frowned, “Take her to the hospital for a check-up, I have left beforehand.”

“What?” Lu Qi was surprised, “No, I have something to do.”

He had to apologize before Su Nan remembered the nude photo incident. The man can bend and stretch!

Fu Yechuan didn’t listen to him at all, he left with his phone, and Lu Qi followed closely.

Fu Yingying stayed where she was: “...?”

So, is she the only one left?

In Su Qi's car, Su Nan looked down at his mobile phone. The news in the group was about to explode. It was Cheng Yi's regret and emotion that he didn't participate in this big show.

He was escorted by his old father to go on a business trip abroad, and it would take half a month to return.

Qin Yu, who left the venue early and went home, posted a few photos of her and Su Nan on the runway. Cheng Yi's praises were endless, all directed at Su Nan, making Qin Yu angrily to him. scold.

Su Nan couldn't help but hook her lips, um, it's more comfortable, this is the meaningful thing.

Ning Zhiliao sent her a message: "Arrived home?"

"On the way. Dead?"

Ning Zhiliao: "Abandoned a Band-Aid and left. I have to deal with the violations of the rules for the doctor who came back from running a red light, Don't say anymore, leave!"

Su Nan: "..."

She couldn't help laughing softly, Su Qi glanced at her sideways, "What's the matter, it makes me happy too."

Su Qi Nan looked up at him and reminded him, "Remember to buy a yacht for Zhi!"

Su Qi reluctantly sighed, "You can make me alone!"

Su Qi took Su Nan back to her apartment, Su Nan hadn't seen Su Xiaohu for a long time. She hugged her and walked around in circles. Unexpectedly, Su Xiaohu kept the house clean and tidy, and hurriedly jumped off her and pushed her gucci slippers. She stepped forward, urging her to change her shoes.

Su Nan's face was bloody, flattered, changed his shoes, and walked in, "We Su Xiaohu are bored at home?"

"No, I watched a few movies and learned something." Su Xiaohu lay down Rubbed on her shoe.

Su Nan was surprised, "What movie did you watch?"

“Animal World!” Su Xiaohu blinked and circled around Su Nan, showing his “mighty” image.

“I’m a big tiger...” The

effect backfired, Su Nan held back a smile and nodded in agreement.

Su Qi was ignored in the back and was very dissatisfied. Why didn’t he get the treatment for changing slippers?

“Hey, big tiger, where are my shoes?”

Su Xiaohu, who has no conscience, didn’t see that he liked it more?

Why only get close to Su Nan alone?

Su Xiaohu raised his chin, turned his head away, and flicked his tail at him, ignoring his needs.

“Mama, I have the ability to sing, so I can put you to sleep.”

Su Nan’s eyes lit up, she picked it up with a smile and went back to the room.

Su Qi, who was still standing at the door: “...”

One or two ignored him?

Early in the morning, with Su Xiaohu’s wake-up function, Su Nan reluctantly opened his eyes, Su Xiaohu bit her phone and came to him.

“Mama, Qin Yu’s phone number...”

Su Nan was stunned and took the phone, it was really Qin Yu!

She patted Su Xiaohu’s head admiringly, and then picked it up, “Hello?”

“Damn, someone deliberately smeared you, and there’s a lot of noise on the Internet!”

the sponsor? “What’s going on?”

“Someone posted a small composition, with your real name connoting you, and making up your black material in a splendid manner. The key is that these revelations can’t be suppressed. !”

Qin Yu said eagerly, “Go and have a look.”

Su Nan hung up the phone and went straight to the Internet. Sure enough, her name became the number one trending search again.

He sighed and clicked in.

“Su Nan has no identity or background, how did he become the vice president of a listed company?”

“Su Nan didn’t ask for a penny for divorce, so how did he afford a Cayenne?”

“Who is the sponsor of Su Nan?”

” Wait for the secret to be revealed.”

...

Photos of Su Nan and Su Jin, Su Qi and even Cheng Yi’s dealings with some cooperating clients were all posted on the Internet as evidence, as if her private life had been chaotic to the extreme. Divorce is not so clean and magnanimous, and public opinion guides and describes everything in the worst place.

Su Nan’s face sank, and he immediately went online to watch the latest stock market.

Sure enough, the Su Group’s stock market was also affected, dropping by more than a dozen percentage points, and the market value of more than one billion was evaporated all at once.

The phone rang suddenly, and Su Nan picked it up immediately.

“Big brother?”

Su Jin’s voice was a little tired, “Aqi is with you, right?”

“Yes, it was too late to come back yesterday, here with me.”

“That’s good, you don’t go out today and don’t use the company. “

I saw the news on the Internet, I will contact Du Yan immediately.” Su Nan said, if it was just for her personally, she is not afraid, but if it involves the company, there are too many things involved.

Behind this, someone must be secretly manipulating!

“I’ve already looked for him, and Du Yan can’t control it. Those marketing accounts are all under orders, and it’s negotiated to hack you.” Su Nan frowned, “Have you found out who it

is?”

Who will take it out and chew it over and over again, who will benefit Su Nan’s reputation the most?

Su Jin sneered, “Who else can be so capable?”

Su Nan’s chest sank, “Fu Yechuan?”

Just because she kicked Qiao Wanrou yesterday, so he was taking revenge on her?

“It’s not that Fu Yechuan did it himself, but it has something to do with the Fu family. It was ordered by Mr. Fu himself.”

Su Jin’s tone became more and more cold, “The Fu family is so arrogant, he thinks that his Fu family is the only one now. Is it?”

When Mr. Fu was in power, he did control the lifeline of the entire city A, and it can be said that he is calling the wind and calling the rain.

But now the major companies have favorable advantages. Although the Fu Group is a deep-rooted large group, it cannot shake the status of the Su family.

Su Nan’s eyes were slightly cold, “What do you need me to do?”

“You don’t have to do anything, even clarify, Dad already knew about this, and he came back early, planning to announce your identity at the company’s anniversary. Now the harder they scold, they will have to kneel down and apologize to you in the future.”

Originally, her identity was planned to be announced naturally after her position was solid, but now it seems that some people can’t wait to make her never turn over.

It could be heard that Su Jin was really angry and hung up the phone. Su Nan looked at the comments on the Internet, which was unsightly.

Qin Yu and Cheng Yi also spent money to buy a marketing account for Su Nan to clarify, but like a splash of water falling into the sea, it is useless.

This is the power of the Fu family. Does Mr. Fu want her to taste the power?

Looking down from the window, there are all reporters humming below. Even if there is no one to take pictures, their flashlights are aimed at their own windows, and they flicker at the slightest movement.

Su Qi didn't wake up until the third day of the sun. After Yuzai Yuzai's washing, he was reminded by Su Jin's phone. He had planned to go out and obediently changed into pajamas and began to serve the little princess Su Nan for breakfast.

Su Nan bored for a while looking at the report sent by Yu Lou and the project progress report of the Juli Group. The project was less affected, so she stayed at ease.

Fu Group.

Fu Yechuan's face was terrifyingly heavy, and Chen Mian in front of him stood there tremblingly, not even daring to let out the atmosphere, and the atmosphere dropped to freezing point for a while.

"Who is

it?" In just one night, an earth-shaking change took place!

Chen Mian buried his head very low, wishing he could find a crack in the ground to get in, he replied cautiously.

"Mr. Fu, I have already contacted and asked. Everyone has the same caliber. It is the death order from Mr. Fu, and everyone has to obey."

So the guns were aimed at Su Nan, a woman, and all the dirty water was poured on it. on her!
