Chapter 971 I want to get engaged

Chapter 971 As soon as I got engaged to

Qin Yu's call, her flamboyant voice came out:

"Su Nan, don't you know Du Yan? Do me a favor."

Su Nan frowned. When Du Yan is used, it is all about network public opinion.

"What are you doing?"

Qin Yu said in a slap-and-drop manner:

"Mo Xian, the scumbag man, posted his divorce certificate on the Moments after he got divorced. For fear that others would not know that he was divorced, our mutual friends all showed me screenshots to persuade me. I think about it.

I'm thinking about it, since I saw his true face, I can't wait to dig out my eyeballs to pay homage to my ghostly love!"

Su Nan frowned slightly and asked him seriously:

"Then What do you want to do?"

"I'm getting engaged, I'm getting engaged to Shen Liang, and in order to make him selfish, I'll announce the engagement to the world!"

Su Nan could imagine Qin Yu's gnashing of teeth.

"Engagement? It's so sudden? Don't be impatient!"

Su Nan advised her, the engagement was so loud that it would be bad for Qin Yu if she regretted it.

Qin Yu was silent for a few seconds.

"Anyway, we have to get engaged sooner or later. It's better to take the opportunity to get rid of the entanglement. My mother is right. I can't do anything but play. If the company is handed over to me, it will collapse within five years.

I don't have that ability, I know in my heart, I have to find a man who can take me with me."

She suddenly became serious, and Su Nan paused, "Qin Yu, is something wrong?"

Su Nan's heart always felt up and down.

Qin Yu shouldn't be a submissive person!

The person on the phone was silent and took a deep breath.

"I've been watching my mother in the company for the past two days. She is really old, and the people under her command are different. She has to work hard to deal with it, and she has to take care of my food and clothing.

Now The funding gap in the company is getting bigger and bigger. My mother told me directly that the Shen family has strong capital, and only marriage can make them willing to take money.

But she also doesn't want to sell me and let me decide for myself.

I think, I should do something..." At the

end, Qin Yu's voice began to be lowered, with bitterness.

Su Nan's chest suffocated, "If I'm short of money, I still have..."

"No, I can't be your parasite all my life, of course I want someone else, and Shen Liang has a good character, he is the big me Seven or eight years old, a bit older, but this is much better than that scumbag Mo Xian, right?"

Qin Yu's tone pretended to be relaxed, "So, don't worry, and this is just an engagement, if you are not satisfied with the follow-up, I will also I won't get married.

But the news of the engagement has to be spread out with Du Yan's help. It's best for everyone to know that Qin Yu is going to marry!"

Su Nan listened to her words, thinking that there was still a chance, Engagement is just, not impulsive.

"Okay, since you've spoken, don't worry, tomorrow's headline will be your good news."

Qin Yu smiled, "I'll send you a few photos in a while, and the pictures will be more credible."

Su Nan hooked his lips , said a few words to her and hung up the phone.

She called Du Yan directly and told him the news.

Du Yan: "No problem, all the headlines tomorrow will be Miss Qin Yu!"

Marriages in wealthy families are rarely so high-profile.

Although neither side is famous, the forces behind it occupy half of the country.

The marriage of wealthy families that ordinary people most want to find out will definitely cause a violent sensation.

After Su Nan cleaned up, he went back to sleep in peace.

Chapter 972 Marry her when she grows up

Chapter 972 Marry her when she grows up

Early in the morning, the sun lazily spreads on the window.

Su Nan was woken up by a phone call.

Needless to say, apart from Qin Yu, no one else would disturb people's dreams at this time.

Just because it was Qin Yu, Su Nan had no temper at all.

After picking it up, it turned out to be her:

"Su Nan, Mr. Du is too powerful, the news is overwhelming, hahaha, people all over the country know me!"

Su Nan's voice was hoarse, "Don't be too happy. Early, the attention of everyone is not a good thing, and everyone will stare at you when you look back!"

If they didn't like it to the extreme, then what netizens like to watch the most is to watch the moment when her building collapsed.

As soon as their reputation is ruined, these people who threaten to bless are executioners, waiting to be brought down!

"I don't care about other people's opinions. As long as that scumbag Mo Xian sees this news, just get away!"

Su Nan took a deep breath and turned on the loudspeaker on her phone. She slowly got up, Packing up, tidy up.

“Your price is too high, but you ruined his cooperation with the Fu Group, so he is not angry at all?”

After all, Mo Xian should attach great importance to the cooperation with the Fu Group.

Qin Yu snorted coldly:

“How dare he? If I framed him a little, it would be mean, but everything I said at the time was true. He can only blame himself for being incompetent when he is angry!

” Don’t think about any good fruit to eat.

Su Nan sighed, said a few words to her, hung up the phone, and packed up to go to the company.

As soon as they went out, they saw Shang Qian and little Mike standing at the door.

The two smiled slightly and greeted her: “Hi...”

Su Nan was shocked, and then subconsciously laughed out loud.

“Why are you here?”

Little Mike ran over with his two short legs and held Su Nan tightly:

“They want to send you to work, beautiful sister, they don’t want to be separated from you for a moment, can I today? I’ll follow you...”

Su Nan stroked his fluffy curly hair, the white and tender smiling face in front of him, as soft as sweet cotton candy.

“I can’t do it today, my sister is very busy today and has no time to take care of you, so let Daddy take you?”

Little Mike lowered his eyes in disappointment. This is the first time a beautiful sister has rejected him!

It seems she is really busy!

He has to grow up quickly, and then give her a lot of money, so that she won’t have to be so busy again!

Thinking of this, he stretched out his clenched little fist.

“Okay, I decided to go to the library today, I want to study hard !” Su Nan and Shang Qian were surprised at his change.

What’s going on in this kid’s mind?

Shang Qian twitched the corners of his mouth, “Let’s go, take the pretty sister to work first, and then go to the library.”

He wouldn’t go with him. When he went downstairs, he sent a text message to the bodyguard, asking him to go with his daughter. The maid waited at the entrance of the library.

to the Su Group.

Su Nan got out of the car and simply waved goodbye to them.

Little Mike was lying on the glass, reluctantly watching Su Nan’s leaving figure.

He sighed involuntarily.

“If only beautiful sister could marry me!”

Shang Qian’s eyelids jumped, and he looked at him deeply:

“You should study hard!”

Little Mike pouted, “She doesn’t have a boyfriend, right? Daddy, you have to help me take a good look at her, and marry her when I grow up!”

Wow, it’s too late!

Shang Qian looked down at his phone and email with a blank expression, and hummed.

He will definitely take a good look and marry her himself.

Chapter nine hundred and seventy-third, there are difficulties, tell my brother

Chapter 973 Difficulty Telling my brother that

as soon as Su Nan entered the office, Yu Lou came in with her coffee as usual, and put the documents on the table in front of her.

“Mr. Su, everyone is here for the meeting this morning, we can start!”

Su Nan looked at the time, it was just right.

She nodded and stood up.

“But Sun Haoyang came early in the morning and waited here for almost an hour. Would you like to call me first?”

Yu Lou was very surprised by Sun Haoyang’s arrival. He thought it was the last time he saw him at the Su Group last night. .

This kind of black-covered artist, the Su Group’s reputation for a hundred years will be affected.

Su Nan: “No, let him wait.”

If an opportunity is so easy to get, wouldn’t everyone be thinking about the benefits of the Su Group?

Yu Lou nodded, and the two walked out one after the other and went directly to the conference room.

The twenty-minute meeting lasted an hour and a half.

The atmosphere in the conference room was not very good, but Su Nan was calm and calm. When it was over, everyone except Su Nan was sweating.

Back at the office, Yu Lou made her a cup of coffee again.

Su Nan paused, “Is he still there?”

“Yes.”

Yu Lou knew she was referring to Sun Haoyang.

“Go to make an appointment with Du Yan, and I’ll come over in a while.”

Unlike Qin Yu’s situation last night, it was a matter of one sentence.

But Sun Haoyang seems to be in trouble.

Yu Lou nodded, then turned to leave.

After a while, the time and place came.

Of course, Du Yan would not put on airs in front of Su Nan. After all, Su Qi was the boss behind him, and he was a part-time worker.

Su Nan took Sun Haoyang to Huaying Entertainment, but Sun Haoyang had been very calm, and followed Su Nan calmly and nonchalantly, without asking a word on the way.

When you get to the office, open the door.

In Du Yan's office, there is not only Du Yan, but also the elusive Su Qi.

Su Nan frowned, "Why are you here?"

Su Qi smiled, "I'm at work..."

What a big joke!

Su Nan looked at Du Yan as if he was white, with a polite smile on his face.

"Mr. Du, it's been a long time."

Du Yan smiled, "If you have any orders, just make a phone call, why do you need to go in person?"

Su Qi smiled casually on the side:

"Of course she has a solution. No matter what, Su Xiaowu's bad temper has to be figured out early."

If it wasn't for someone else's office, Su Nan would definitely throw her high heels on him.

Su Nan held back and waved to Sun Haoyang behind him with a smile.

"I don't need to introduce who this is, right?"

Du Yan is worthy of being a big guy in the entertainment industry, and his superficial skills are very good.

"Mr. Sun has been a little low-key recently, obviously his acting and singing skills are on the line, but unfortunately he has been delayed, but the gold will always shine, and the powerful will definitely come out!"

Su Nan was about to be laughed at by these words.

Sun Haoyang lowered his head, his eyebrows lowered slightly, and his attitude was casual and indifferent.

Su Qi glanced at Sun Haoyang, and then looked at his own sister.

He suddenly showed an expression of indescribable expression.

“Have the total score with the businessman? Have you seen this again? Why are you so fast...”

For a while.

The atmosphere in the office sank.

Du Yan didn't even dare to smile.

Su Qi dared to make fun of her, but others did not dare.

Su Nan glanced at him coldly, “Do you want to die?”

Su Qi's smile disappeared instantly, and she pursed her lips, “Don't complain to Dad, tell brother if you have any difficulties!”

Haha...

too lazy to answer he.

...

Chapter 974 is the type you like

Chapter 974 is the type you like

Su Nan sat on the sofa opposite and motioned for Sun Haoyang to sit down too.

“Sun Haoyang is the spokesperson for the new products of the Su Group.”

In a word, everyone stiffened.

Su Qi stood up abruptly with an ugly face, “What?”

This reaction was too much!

Sun Haoyang didn't act or feel any guilt because of his reaction.

After all, such an artist is always recruiting black wherever he goes.

Du Yan was still calm. After being shocked, he looked at Sun Haoyang, his eyes flashed complicatedly, not knowing what he was thinking.

Su Nan sighed.

“This is an accident, but I want to see if there is any other way besides canceling the contract?”

Su Qi and Du Yan both had an impossible attitude.

Su Nan: “For example...whitewashing?”

Su Qi snorted coldly and rolled his eyes.

Du Yan didn't want to say anything more.

No wonder Su Nan can come to the door in person.

What a tough puzzle!

“Anyway, I brought it here. You can find a way to clean up his past before the endorsement is announced!”

Su Nan spread his hands.

Su Qi glanced at her speechlessly, leaned up quietly, and persuaded her with a voice that two people could hear:

“Let's change it, there are a lot of small fresh meat in the circle recently, it's the type you like... “

Su Nan glared at him, “Why can I come back instead? Solving the problem is a big deal. You are a dignified actor, you don't even have the ability to do that, right?”

Su Qi sighed, he really didn't want to get into such trouble.

After a silent stalemate.

Du Yan coughed.

“Well, let's hear what Mr. Sun said first. In fact, most of the news on the Internet is based on falsehoods. We must know the truth before we can decide how to deal with it, right?”

Su Nan looked at him in admiration and nodded.

Du Yan is indeed a professional.

Su Qi is an embroidered pillow who only eats and does not work!

Everyone turned their attention to Sun Haoyang.

Sun Haoyang lowered his eyes slightly, his face was calm, his sharp facial features were born with a hint of indifference.

But soon, he calmed down.

“Since I was photographed by reporters and beat people, people have spread my black material one after another.”

He paused: “Because I beat my ex-wife.”

Su Qi leaned lazily on the sofa and waited. Listen to gossip.

Du Yan stared at him solemnly, while observing whether what he said was true or false.

“Actually, there is a reason. It’s just that I really didn’t want to mention it at the beginning, but now I mention it, as if I’m deliberately framing others for the sake of whitewashing.”

“Tell me about it.” Du Yan urged.

“At that time, I was busy filming, and she was hanging out with a director at our house, and was discovered by my mother.” There

was a hint of embarrassment in his expression.

“My mother called me, and when I rushed back in a hurry, I saw my ex-wife and the director pushing my mother and pushing her down the stairs.

I was so angry at the time that I had no reason at all. Downstairs in the community, I chased after and wanted to beat the director, but my ex-wife stopped me, and when I got angry, I slapped her—”

It was quiet and cold in the office.

Sun Haoyang’s face gradually turned cold.

No wonder he was reluctant to open his mouth to explain and clarify his career.

Who wouldn’t advertise that he was wearing a cuckold when this happened?

Sun Haoyang clasped his hands tightly together, the blue veins between his eyebrows jumped, and the lines were cold and hard.

It was obvious that he was still nervous.

Du Yan shook his head and looked at him with some sympathy.

“You were on the rise in your career at the time, so many reporters were waiting to shoot you, but I didn’t expect you to be filmed when you beat someone.

Naturally, I don’t need to say anything in the future, as long as you get involved with domestic violence, all the black material I can’t wait to settle on one person, no matter if he is real or not, as long as he is hot.”

Sun Haoyang lowered his head and smiled bitterly.

“Fortunately, my agent didn’t leave me, otherwise I would have a problem with eating.”

Although his agent was sophisticated and shrewd, when he begged his grandfather to tell his grandmother to arrange for him to go out and activities, he felt Should still hang out here.

Su Qi pursed her lips and said nothing.

Su Nan felt some sympathy for this Sun Haoyang.

The fact of domestic violence behind it is so tragic?

“Then your mother, are you alright?”

Sun Haoyang curled his lips, “It’s alright, I sent her to the countryside, she doesn’t even know my current situation.”

Su Nan took a deep breath and looked at Du Yan :

“How is it, is there a way?”

Du Yan was silent for a while.

too difficult.

It is difficult and expensive to clean up a hu ka who can no longer be black in everyone’s mind.

But who brought this problem to Su Nan?

There was no chance for him to refuse at all!

“There is a way, it will take time.”

“How long?”

“At least half a year.”

Su Nan was silent, hesitating.

It was originally announced that the spokesperson was set in three months.

Half a year is too long!

Su Qi chuckled lightly, “Half a year is too short, and it doesn’t seem too deliberate to save the audience a little bit, so that people won’t notice the purpose and utility.

This is called whitewashing.

Otherwise, you think you tell the truth . Will anyone believe it?

After so long, who knows if it was because he wanted to make up a story to frame his ex-wife?”

Su Qi said frankly, and Sun Haoyang tightened his lips and didn’t say anything.

There was nothing wrong with what he said.

Don’t think that netizens are fooled.

Su Nan hesitated, “Where should we start?”

Du Yan paused:

“Actually, there will be professional public relations to formulate several sets of plans, and choose the best one for implementation.

But generally it can’t escape the public opinion. The public opinion on the Internet is under control, and it is only a matter of time before I want to clean it up.”

Su Qi nodded and raised his eyebrows.

“Remember that you made your debut in filming. At that time, several co-directors had a good impression of you. Go back to them to see what dramas there are, and first use your acting skills to make a good impression in front of the audience...”

Su Qi looked at Du Yan, "You arranged?"

Du Yan nodded, of course.

Sun Haoyang suddenly raised his head and looked at Su Qi in shock.

What Su Qi meant was that he was willing to help him and let him film.

He really has to start over!

He stood up suddenly, feeling a little excited.

"Thank you..." Thank you

Su Group for not throwing away his trash.

Thank you for their willingness to give him a chance!

Su Qi smiled, "No thanks, who made the Su Group belong to my family..."

How could he let his family suffer?

Du Yan twitched the corners of his mouth, and said a lot!

Su Nan smiled with satisfaction and breathed a sigh of relief.

"Then I'll hand him over to you. I'll try my best to drag him from the company, and let him contact you directly in the future."

After that, she picked up her bag.

"Let's go, I'll invite you to dinner first."

She looked at Sun Haoyang.

Du Yan and Su Qi: "..."

What about them?

Don't you need to eat?

Chapter 976 Changed the taste,

Du Yan and Su Qi watched as Su Nan took Sun Haoyang away.

A relaxed smile appeared on Sun Haoyang's face.

Du Yan clicked his tongue and looked at Su Qi:

"Is she your sister?"

Su Qi's eyes were helpless, "It's more real than real gold!"

He hoped it was fake, but the facts didn't allow it.

Su Nan had been busy all morning and was really hungry.

Just found a quiet restaurant nearby.

There were very few people in the restaurant, and she sat directly by the window.

Sun Haoyang sat down opposite, and it could be seen that there was less gloom in his eyes.

He smiled a little embarrassedly: "President Su, I'll invite you to this meal!"

Su Nan glanced at him, "Okay..."

It's just a meal, it doesn't matter who invites it.

This is Sun Haoyang's way of expressing his gratitude.

She accepts.

After ordering, she went to the bathroom.

When she came back, she saw that there was one more person in her seat.

The background of that person is indifferent and familiar. He is sitting there, several meters away, and Su Nan can recognize him at a glance.

Fu Yechuan.

Sun Haoyang sat opposite, with a very restrained appearance.

Fu Yechuan didn't know what to say, and Sun Haoyang's face was a little ugly.

She wanted to turn around and leave, but thinking about Sun Haoyang, she still walked over.

Indifferent tone: "Isn't Fu always sitting in the wrong seat?" I haven't seen him for a few days.

Fu Yechuan's temperament was cold, hard and noble, with a strong chill, which was better than before.

He turned his head, looked at Su Nan standing in front of him, and smiled calmly:

"Looking at an acquaintance, came over to say hello, I didn't expect you to be there?"

Sun Haoyang opened his mouth and looked at Fu Yechuan's warning. Look, shut up again.

But his eyes turned to Su Nan, and he shook his head, indicating that it was not what Fu Yechuan said at all.

Su Nan also knew that Fu Yechuan was lying. If Sun Haoyang knew Fu Yechuan, would he still be here?

She said with clear eyes, "We haven't eaten yet, Mr. Fu."

In other words, please leave quickly.

Fu Yechuan's gloomy eyebrows suddenly opened: "What a coincidence, I didn't eat either,

let's go together..." He tried his best to be gentle and calm, hiding the anger and cold blood in his eyes.

He just finished eating with the client, and when he came out, he saw Su Nan talking and laughing with this Sun Haoyang.

That scene was really dazzling and annoying.

It turned out that she was not only gentle to Shang Qian, but also gentle to others.

Only for him, really merciless.

But why, he became the exception?

Su Nan stood there, looking at him lightly.

Obviously, she doesn't want to.

Fu Yechuan looked at her and didn't move, his face slightly darkened, he raised his head, his eyes were a little low and mad, and some emotions in his eyes seemed to spew out: "Why, ordinary friends can't eat a

meal?

Will Qian be angry?

Doesn't he know that the Su Group and the Fu Group can never be completely separated?"

In the voice, it seems to be a warning and a reminder.

Su Nan frowned, but before he could speak, Fu Yechuan's voice was low and hoarse, and the smile in his eyes was cold:

"How can you be with others, but not with me?

Su Nan, have you changed your taste?"

His hand on the table died. The dead were clenched together, and the blue veins were faintly raised.

The atmosphere was stagnant and cold for a while.

Sun Haoyang looked at Su Nan and knew that Fu Yechuan had misunderstood something.

Do you want to explain?

But Su Nan didn't let him speak.

Su Nan sneered, his eyes filled with chills:

"You don't suit your taste, of course I have to change it until I am satisfied."

Fu Yechuan's smile froze on his face.

are so far.

Su Nan was no longer in the mood to eat.

She tilted her head to look at Sun Haoyang, "Let's go, I've lost my appetite."

Sun Haoyang quickly stood up and went to checkout.

Su Nan and Fu Yechuan looked at each other, neither of them willing to admit defeat first, as if it was a battle.

But gradually, Fu Yechuan lowered his eyes silently, looking at Su Nan's gentle but cold eyebrows, an indescribable feeling flashed in his heart.

Some hurt, some sour.

If he is cruel enough, then he will have countless despicable ways to snatch her over and hide it, so that she can only see him in her life.

But he can't.

He suppressed this dark thought in countless dark nights.

He was guessing why Su Nan chose Shang Qian instead of him?

Maybe he also knew that because of Shang Qian's character, he would never make those dark and despicable tricks.

He fell in love in an upright manner and was not afraid of the dark.

Fu Yechuan's cold brows became fragile, the corners of his eyes gradually turned red, and the lines on his face were tight.

Unwilling and aggrieved.

"I'm sorry."

Adam's apple slipped slightly.

After all, he bowed his head first, and he apologized first.

He shouldn't have said that to her.

So gentle and beautiful Su Nan, how could he use this method to attract her attention?

It's childish and ridiculous.

Su Nan was really confused by this man.

A moment of provocation, a moment of apology.

Is he schizophrenic?

Fu Yechuan pursed his lips and said in a deep voice,

"I was carried away by jealousy. When I saw you with other men, I couldn't control myself. It was my fault."

Su Nan frowned.

He was really schizophrenic.

Fu Yechuan looked at Su Nan, and there was a rare trace of bitterness on the corner of his lips:

"But you promised to be an ordinary friend, but you didn't eat a meal with me, you broke your promise!"

She was obviously unfair first.

Su Nan was speechless, the Fu Yechuan in front of him was obviously a leopard who was fiercely hunted and killed, but now he is a big dog who has been wronged and docile!

"Mr. Fu, you were just scaring my guests, don't think I can't see it."

Is she blind?

Fu Yechuan lowered his tone: "No, I just asked him to introduce himself."

Su Nan: "..."

Let others introduce himself?

It is indeed the style of the president!

She is also a boss, she is not as good as others!

"If he's angry, I'll go and apologize to her?"

Fu Yechuan patiently lowered his voice, as if coaxing her.

“No, he will be scared to death by you.”

Su Nan said coldly.

Fu Yechuan smiled, his eyebrows drooped slightly, and he looked at her quietly:

“I know I made you unhappy, I have tried my best to control my emotions, don't worry, I will definitely not hurt you, let alone deal with it on purpose. Him.”

He would not deliberately deal with Shang Qian.

That would be silly.

Seeing his attitude change, Su Nan thought that Fu Yechuan had thought about it himself.

Thinking about her attitude just now was really inhumane.

Nor is she right.

“Well, remember what you said.”

Su Nan pursed her lips and turned to leave.

Fu Yechuan suddenly grabbed her wrist, cool and nervous.

“Su Nan, are we still good friends?”

This was his only concession.

He couldn't lose the chance to stand by her side.

Friends, boyfriends, word for word.

He is patient and confident.

Su Nan noticed that there was something wrong with his emotions.

This should not be Fu Yechuan's reaction.

But she didn't have time to study it carefully.

“Yes, friend,”

she said perfunctorily.

Fu Yechuan heard the answer and let go of his hand in satisfaction.

When Su Nan was free, he didn't even want to say goodbye, he just wanted to stay away from him.

This Fu Gou's mood changes, he can't figure it out, it's really suffocating.

Sun Haoyang waited at the door after paying the bill, carrying a few boxes of packed meals in his hand.

Su Nan was startled.

Sun Hao Yang pursed his lips and handed it over, "I'm afraid you'll be hungry when you go back to the company, just a few dishes are ready, so I'll pack it up..."

Su Nan raised his eyebrows, this attitude before and after solving the problem, It's really different...

She took it over, "Together?"

Sun Haoyang shook his head, pondered for a moment, and explained,

"The manager arranged an event for me, although it's not the protagonist, but it's very important. , I'll go."

Su Nan nodded, after all, his agent was not in Huaying Entertainment.

The activities arranged by his agent cannot be refused.

Su Nan: "Then I'm leaving. You can find Du Yan if you have anything to do. Goodbye."

Sun Haoyang nodded and left after seeing her car leaving.

It's been a few days since this happened.

Su Qi casually said a few words to her, Sun Hao Yang entered the crew to film, the male lead.

Su Nan frowned, and discussed on the phone with Su Qi:

“He is dressed in black material now, isn't the male lead too dazzling? Is it bad to play a supporting role?”

Su Qi chuckled:

“You are quite smart . Yes, but this script is hard to come by, with low cost, high quality, and an outstanding male lead.

If he doesn't hold back his acting skills, he will probably attract a wave of fans. Let's wait and see. I hope his luck is not too bad. “

Su Nan nodded, smiled, and praised every day:

“My third brother is really amazing!” “

Su Qi: “Stop doing this, if you really thank me, invite me to dinner with Zhiliu, I haven't seen her recently...”

Su Nan: “She's avoiding you, No time! “

Then she hung up.

Su Nan looked at the Swiss Sayuri in an exquisite box and smiled:

“Who gave it? “

Shang Qian gave it away soon, so this time it's probably still him.

Yu Lou: “Chen Mian. “

Sunan smile stagnate.

In the building:” Because Chen Fu Mian was always an assistant, he will not send things simple on the ground floor, the front desk informed me get in. “

Even if it is rejected, there is no chance.

Fu Yechuan openly asked Chen Mian to come over to send flowers, just to let everyone know that he has not given up.

So, don't be too proud!

Su Nan couldn't help but snorted. , thinking about that Fu Gou, he has no good intentions.

Yu Lou thought for a while, but still summoned up the courage to convey what Chen Mian said:

“Assistant Chen said, Mr. Fu means that if you don't like Chen Mian coming over, he will Come and deliver in person. “

That means, you have to force her to accept it!

I wanted to have someone send the flowers back, but after hearing what he said, this thought was immediately dispelled.

She didn't want to see Fu Gou every day!

After thinking about it , she couldn't help but say:

“You can keep it or give it to someone else, don't show it to me in the future.”

Yu Lou was stunned, nodded, turned around and went out.

A few days passed.

Uninvited guests come to the door.

As soon as Su Nan finished the meeting, Yu Lou came over and told her:

“Shang Yi has been here for a long time.”

Su Nan frowned, his face was not very good-looking.

Since Shang Yi went to Su's house last time and proposed cooperation, Su Nan has not given him any feedback.

Has he really been unable to sit still?

Yu Lou nodded, turned around and walked out.

Then, Shang Yi walked in neatly dressed.

He smiled, his whole body was filled with the sense of superiority of the rich in country M, and his eyebrows were somewhat conceited.

What an exquisite villain!

"Miss Su, long time no see..."

Su Nan smiled and stood up to shake hands with him, and the two sat on the sofa.

Coffee was served upstairs.

"Mr. Shang, it's been a long time indeed, are you still used to living in country Z?"

Shang Yi smiled helplessly, "Isn't business trip commonplace for us? Even if you're not used to it, you have to learn to get used to it. ."

Su Nan raised his eyebrows, sneering in his heart, but his face was not obvious.

"It's rare for you to come here. I should have invited you to dinner long ago, but I was worried about disturbing your business. I've been very busy recently. I really can't get out of my body. It's rude."

Shang Yi's eyes flashed, and there was a trace of worry .

What does she mean, doesn't she even refuse to accompany him to eat a meal?

Speaking out, it also means sending a guest.

Shang Yi smiled and said, "Why, I came uninvited. This visit is actually for the cooperation between the two of us. Some of the business of the merchant will soon

expand to country Z, and there will be more opportunities for cooperation at that time. More.”

He threw a huge bait to observe Su Nan’s reaction.

Su Nan just smiled calmly and took a sip of coffee.

“That’s worth looking forward to.”

After all, cooperating with merchants is an opportunity that many groups could not have imagined.

But how could this woman be so calm?

Shang Yi was impatient, and said bluntly:

“Have you considered what I mentioned to Miss Su last time?

Our business has always been looking forward to Shang Qian’s return. My elder brother is lingering on the bed, and he is about to die. If he If you don’t go back to see the last time, you will regret it for the rest of your life!”

Su Nan took a meal and put down the coffee slowly.

“If that’s the case, you should tell Shang Qian directly, I believe he will make the right choice.”

“He wouldn’t even take a step into the business, and now he needs someone to push him, Miss Su, in Country Z, your cooperation is very important to his career.

As long as you give up the cooperation and persuade him to return to the business and work for our business, he will definitely respect your opinion.”

Shang Yi refused to give up and looked at her.

Su Nan lowered his eyes and smiled.

“Shang Qian is also a crucial partner of the Su Group. If our cooperation is abandoned in the middle, the amount of compensation we have to pay is sky-high, which is not appropriate

if it is reasonable.” “If the Su Group can terminate the relationship with him. Don’t worry about the compensation, when I bring him back to Country M, the compensation will naturally not require you to come out.”

Shang Yi hooked his lips and smiled brightly.

Su Nan sneered inwardly, "It's not that I don't believe you, everyone is doing business, and it's not empty talk. The bright tongue and lotus won't give me any trust."

Shang Yi's face stiffened slightly.

"Miss Su means..."

"If Mr. Shang is willing, we will ask a lawyer to notarize and draw up a contract. If Shang Qian pursues the compensation, will the Shang Group pay for us or Mr. Shang will pay for us?"

Shang Yi's smile narrowed.

Chapter 980

The businessman who refuses to appreciate his face is also clear that of course he cannot draw up this contract. Once there is legal effect, then he is a commercial crime.

In country Z, he cannot be as free as he is in country M.

More importantly, once Shang Qian got the contract, it was equivalent to grabbing his handle.

It is said that Su Nan is a spoiled eldest lady, but she is more cautious than anyone else!

Seeing that Shang Yi was hesitating, Su Nan hooked her lips, her face slightly cold.

"When the Su Group cooperates with people, the most important thing is integrity. If we can't do it ourselves, and we want to frame our partners for a little bit of profit, then we really can't gain a foothold in the market.

Besides, the general manager, We have always been clear about public and private matters, we will never interfere in the family affairs you mentioned, how Shang Qian chooses, I have no position to criticize."

Shang Yi's face turned cold one by one.

The atmosphere also cooled.

He stared coldly at the woman in front of him, and there was a trace of cruelty on his face.

She looks beautiful and bright, and there is indeed some capital in her appearance.

But she was not obedient.

By his side, there has never been a disobedient woman.

He didn't know how many celebrities like Su Nan had played, and he knew exactly what they were thinking.

For suitors, they appear disdainful.

But psychologically, they want to occupy a high place in their hearts and dictate their lives and careers, so as to brush their sense of existence.

Quietly quit after turning their world upside down.

At this time, a woman's heart will be greatly satisfied.

But this time.

Shang Yi stared at Su Nan with black eyes, and there was a gentle chill all over his body, which was a gesture of refusing people thousands of miles away.

How could she be like this?

he do not understand.

Seeing his silence, Su Nan reminded him with a smile:

"Mr. Shang, I'm sorry, I have an important meeting next."

Can you understand the order to remove guests?

Shang Yi's expression became uncontrollable.

He breathed a little harder.

"Miss Su is unwilling to appreciate her face?" In her words, she was sloppy and unreasonable, with a hint of threat aloof.

Su Nan was slightly startled and smiled calmly.

"Yeah."

A simple word.

But it was like a slap in the face.

Really loud!

Shang Yi couldn't sit down any longer, he stood up abruptly, and buttoned his suit rudely.

"Then don't bother, and leave."

Su Nan didn't even stand up, sitting there leisurely and calmly, with a very relaxed attitude.

"Yu Lou, see off the guest."

Yu Lou at the door heard it clearly, and immediately opened the door, "Mr. Shang, please..."

Shang Yi gave her a stern look and raised his foot. go.

But it took twenty minutes before Yu Lou came back.

Yu Lou was a little helpless:

"Mr. Shang is leaving from you, and he has to go to see Mr. Su Jin and Mr. Su. Mr. Su is in a meeting, so he is willing to wait."

Su Nan raised his eyebrows, did he intend to break it from the side?

"What did my brother say?"

Yu Lou: "Mr. Su held a meeting for 20 minutes, and he didn't see him after the meeting. He went straight to dinner with the client he had made an appointment with. "

Su Nan snorted coldly, Shang Yi thought it would be useful to find someone else?

Every decision of the Su Group has always been of one mind.

After leaving the building.

She walked to the floor-to-ceiling window and looked at the blue sky outside.

After a while, someone knocked on the door and came in.

Su Nan thought it was Yu Lou, so she didn't look back, waiting for him to speak...
