### **Chapter 631**

The pain on her scalp and Leonard's desperate struggles made Sarah let go. But Theresa didn't and dragged her hair out of the door. "Go away and never come back!"

Finally free, Sarah took a few steps back and bumped into someone near the door. She looked back and saw a dark, cold face. It was none other than Dick White, Charlie's sworn enemy. Sarah had once been Charlie's fiancée, so she had met him before.

At that moment Sarah jumped.

Dick wasn't ugly, but he hadn't slept well for years. His quirkianness and the dark circles under his eyes usually brought creeps up to people's arms.

Sarah had not liked him for long. Looking at him now, she agreed with the people who said he was ugly and fierce.

Dick sat on the couch and said, "I asked you several times, but you kept refusing, so I had to come to see you."

Then, he added in displeasure, "I couldn't sleep well last night, so I had to come to you. What the hell is wrong with you?"

Theresa gave him a look and said, "Well, I have to deal with something these days."

Now he had come over, Theresa had to examine him.

After the examination, she went upstairs to get her acupuncture kit...

After thinking about it, Leticia went out with Sarah.

Theresa gave Dick the acupuncture. Then, Dick and Rawlins left.

Theresa had just come back inside after walking them out when she suddenly heard the sound of a car stopping outside.

The doorbell was loud. Theresa was afraid that it would wake up her father who was sleeping upstairs, so she quickly opened the door, only to find Leticia standing there with Sarah by her side.

Theresa paused for a moment. She was surprised to see them, but at the same time, she knew what was going on. She could tell that it was Sarah who had called Leticia over!

Sarah had really gone to tell Leticia!

Hearing what Leticia said, Theresa reasoned that Leticia still respected her.

She looked at Leticia and said, “Please come in.”

Seeing that Theresa was going to let her in, Leticia could tell that Theresa was quite sensible.

Theresa’s compromise made Sarah sneer. She believed that Theresa was a coward and didn’t dare to say anything in front of Leticia.

When Sarah was about to follow Leticia in, Theresa glanced at Sarah and locked the door to prevent her from entering the house.

Sarah was rendered speechless and cursed Theresa in her head.

Soon, Theresa led Leticia into the house and poured a glass of water for her.

At this moment, Leticia only cared about the two children. “Where are Leonard and Ben?”

Charlie and I divorced. I can't lose my sons."  
Theresa's voice was choked with sobs. She admitted that she was too cautious back then, but she just  
cared  
too much about Leonard and Ben and couldn't bear any risk of losing them.

Chapter 636 I Want to See Ben

After all, Theresa had lived with Charlie for a period of time.

She had already stopped rosy thinking and faced the facts.

Leticia had no idea what to say. Indeed, Theresa was not good enough for Charlie, who could walk on his own now.

However, for the sake of the two children, Leticia still hoped that the two young people could be together. "But can't live like this with the two kids."

Leticia had already known the truth. She stared at Cristina, who was still trying to keep the secret.

Cristina didn't care much about the two children when she went to Calsis's Residence before.

At that time, Leticia thought that Cristina was too unreliable and did not look like a mother at all.

Therefore, Leticia had a bad impression of Cristina, but the facts proved that it was a misunderstanding. After a moment of silence, Leticia said, "Theresa just told me the whole story. You don't have to lie to me anymore, Cristina."

Hearing this, Cristina was taken aback.

She turned around and looked at Theresa in confusion. "Did you tell her everything?"

She even suspected that Leticia was trying to fool her.

Theresa nodded and replied, "Yes."

Cristina had thought that if the Calsises insisted on taking her children away, she would sue them, although she had no wish to do that.

Cristina looked at Theresa and understood that Theresa had no choice. Then she turned to Leticia and said

toughly, "Are you here to take the children away? Hah! Dream on! Theresa and I won't agree. Back then, I took

#### Chapter 638 Are You Out of Your Mind?

With that, Theresa led the policemen into the house. Seeing this, Leticia asked, "What's going on?" Sarah walked in, pointed at Leonard and Ben, and said to the policemen, "These two are the children she abducted." "Are you out of your mind?" Cristina snapped. Seeing Cristina, Sarah asked in shock, "Why are you here?"

She thought Cristina was the children's mother, but it never occurred to her that Cristina would also be in the house.

Leticia looked at the policemen and said, "We didn't abduct or traffic children. Maybe that lady made a mistake."

Hearing this, Sarah was stunned. "Mom, you can't be softhearted, or Theresa won't let the children go."

Jonathan looked at Leticia and asked, "Mrs. Calsis, did you go to see Theresa and talk with her?"

"Yes." Leticia gave Charlie a glare. She had told him to be nice to Theresa before.

However, this brat just didn't take her advice.

After a pause, Leticia continued, "Hurry up and apologize to Theresa. She helped you fully recover. How can you be so ungrateful?"

"What? I'm ungrateful?" Charlie was more puzzled. "Did she tell you this?"

“Good for you, Theresa! You were so mean to me, but now you pretend to be kind and innocent in front of my family. What a liar! You liar!” Charlie cursed in his head.

“She told me nothing.” Leticia replied. “If she had been frank, I would not have agreed to your divorce.”

If Leticia had known that Theresa was the children’s mother, she would not have let Theresa and Charlie divorce.

So in her opinion, it was all Charlie’s fault.

Roderick didn't know what Jack and Charlie were talking about.

Seeing that Charlie was hostile to Theresa, Roderick said, "I want to tell you something about your sons."

Roderick knew that Charlie had been anxiously looking for Leonard and Ben recently, but they were taken away by Theresa.

Charlie even thought that the reason why Theresa had done that was to let Dick raise the two children.

Therefore, Roderick thought it was necessary to make it clear so that Charlie could be relieved.

Charlie said, "Go on."

"You've always wanted to know who the father of Theresa's two children is, right?" Roderick asked. "I can give you the answer."

Staring at Charlie, Roderick felt a headache. It never occurred to him that Charlie would really divorce Theresa.
