Chapter 761 May I Come in?

Theresa said, "Do I have to date one of them? Or do you think nothing can go on between a man and a woman except love?"

Chandler's questions made her feel a little uncomfortable.

Chandler said, "So you have nothing to do with Dick?"

Theresa responded, "As his acupuncture master, I can't deny that I have something to do with him. Mr. Chandler, you may not be able to understand. A woman like me also needs to earn money."

Dick offered her good pay and helped her a lot.

Although Theresa said she wanted no pay at the beginning as long as Dick helped her family, Dick still gave her what she deserved.

Hearing that, Chandler seemed to be a little relieved. "That's good. Charlie cares about you very much. I'm just reminding you. Dick is not someone you can date with. Even if you want to be with him, his father won't agree."

Theresa raised her eyebrows. "You make me think that you and Dick are father and son."

Chandler looked at Theresa and continued, "You're as eloquence as Charlie."

For a moment, Theresa didn't know whether Chandler was praising her or scolding her.

Then, she reached out and smoothed her messy long hair.

Charlie walked over and looked at her. "Didn't you say that you wouldn't go out? Why did you go to Dick again?"

Theresa didn't feel well these two days.

Hearing his words, she said, "I have to deal with something there."

Theresa had planned to sleep at home, but Rawlins called and asked her to give Dick a check-up.

In the past two days, Dick not only couldn't fall asleep but also caught a cold.

Besides, his condition worsened today.

Charlie looked at her and said, "If I fell sick, would you come to treat me like this?"

Theresa asked, "Do I have such an effect?"

Dick's eyes lit up. "Dr. Cameron, I'll be much calmer when I see you recently. Don't you think it's

Theresa looked at Dick, knowing that he wasn't having an easy time. She said, "All right."

Dick said, "Then I'll ask someone to pick you up. This is a dress for you."

After saying that, he raised his hand and Rawlins handed over a box.

Theresa didn't expect that Dick had prepared a dress for her.

She opened it and took a look. It was a customized luxury dress. This kind of dress was not only
expensive but also hard to get even if one had money.

Theresa said, "It's too expensive."

"So be careful. I'll return it to my friend after dinner. I asked someone to borrow it for you. After all, I

After dinner, Charlie and Chandler went back home together. Because Charlie was busy these two days, he didn't go back to Theresa's.

As soon as Charlie and Chandler entered the house, they saw Rose and Jimmy having dinner with Pat.

At the sight of two people, Charlie's face darkened.

Rose called out, "Hello, Uncle Chandler, Uncle Charlie."

She was bringing Jimmy back to see her father.

For the sake of Ella, Pat had the intention of asking Jimmy to come back to his company, so he asked Rose to bring Jimmy here.

Rose didn't know whether his father had agreed or not, but she still brought Jimmy back.

Chandler walked up and said to Rose, "It's been long. I thought you wouldn't come back anymore. After all, you didn't even come back during Christmas.

Rose felt a little embarrassed. "I'm sorry, Uncle Chandler."

Charlie was surprised to hear that and thought, "Dick cares so much about Theresa?"

Because Charlie didn't get involved in the domestic clothing market, Dick wasn't involved either.

Charlie didn't expect that Dick would want to get involved in this industry now, and it was related to Theresa.

Charlie, who had just thought that Theresa had nothing to do with Charlie as Chandler said, couldn't help but suspect it again.

While he was wondering, Jimmy said, "If Dick is really interested in this industry, he can choose many companies, but he chooses Cameron's Group. Theresa is really something. She could make you listen to her in the past, and now Dick."

"What do you mean?" Charlie glared at Jimmy.

Charlie could suspect the relationship between Dick and Theresa.

But Jimmy couldn't slander Theresa here.

Charlie said, "Jimmy owed Theresa."

Charlie's words took Jimmy aback.

Charlie actually said he owed Theresa

Jimmy wondered if Charlie had known something.

But then Jimmy thought it was impossible.

Looking at Charlie, Jimmy became a little angry and said, "It seems that even if Theresa is with Dick now, Uncle Charlie still trusts her so much. That's interesting."

Charlie raised his eyebrows in anger. "Do you mean that I'm stupid and blind?"

Charlie looked at him with a darkened face without a word.
Jimmy continued, "You know what? In fact, Theresa's two children are Dick's."
Charlie looked at Jimmy and asked in a low voice, "What did you say?"
He didn't expect that Jimmy would say something like that.
In fact, Charlie also had such suspicion before, but he didn't know the truth at that time.
But Jimmy must be aware of the truth. How could he still have the nerve to say words like that? This jerk
was obviously lying. In order to achieve his goal, he threw dirt at Theresa.
Jimmy looked at Charlie's cold eyes and felt a little scared. But now, since he and Charlie were at odds,
Jimmy didn't fear offending Charlie anymore. Jimmy plucked up his courage and said, "I just knew it
recently. A few days ago when I went to Dick's, I saw Theresa's two children call him dad. I thought her
children were Eugene's, and I didn't realize it until I saw it with my own eyes."
Of course, Jimmy knew that Theresa's children were neither Dick's nor Eugene's.
since everyone could believe that the two children were Eugene's, why couldn't he say that they
think it would be a good thing for him if Dick and Charlie continued protecting Theresa. Anyway, Charlie
and Dick were at odds. Jimmy thought he might get some benefit from it if he made them go into a

Charlie looked at Jimmy and knew that Jimmy was making things difficult for him. “All right. Get everything ready. I will go to the Cameron’s Group in two days.”

Jimmy was taken aback and asked, “Are you going to the Cameron’s Group?”

“Is there anything wrong?” Charlie looked at Jimmy.

Jimmy replied, “No.”

He just didn’t expect that Charlie could still help Theresa after Theresa took his children away.

Seeing that Charlie didn’t say anything more, Jimmy said, “Uncle Charlie, if there’s nothing else, I’ll go out.”

Charlie looked at him in his seat and wished to beat Jimmy black and blue to vent his anger.

He knew that Jimmy wanted to make a difference, but Jimmy had to stay in the Cameron’s Group for the rest of his life to atone for what he had done.

In the afternoon, the weather was good. Theresa put on the dress given by Dick in the room.

Theresa said, "Stop making fun of me!"

"I'm not kidding," Cristina said seriously.

Theresa glanced at the wound on Cristina's face. In the past two days, Eugene had accompanied Cristina
to the hospital and kept an eye on Cristina to prevent her from eating anything that would make her

Cristina always liked to eat whatever she wanted, but not she was really controlled by Eugene

Theresa looked at Dick and said, "Mr. White, it seems that you have a hard time."

Dick raised his eyebrows.

After they entered the room, someone led them to the private room.

Rawlins stayed outside without following them.

Theresa followed Dick into the private room and found that everyone had arrived. Most of the people sitting in the room were from the Calsis family.

They were Robert, Leticia, and the three sons of the Calsis family.

Of course, Charlie was also there.

At the sight of Charlie, Theresa was stunned. Charlie didn't expect to meet her there, either.

He was slightly shocked and wondered, "Why would Theresa come to such a dinner?"

Dick said, "Have a seat."

He pulled out a chair for Theresa and let her sit down.
