

Chapter 5

Yan Xiaohuan lowered her head and blushed to her ears.

Gu Beihan saw all the shyness in Yan Xiaohuan's eyes. His hand around Yan Xiaohuan's waist tightened slightly, but he did not move further.

He would not let a woman control his decision easily.

Yan Xiaohuan leaned back in Gu Beihan's arms. Her skin was close to his. Even though there was a thin layer of cloth between them, she could clearly feel the heat coming from the man's body.

—It's okay...it's okay...

"Fortunately, Mr. Gu can't be described as a man..."

Yan Xiaohuan kept comforting herself in her heart. Only in this way could she slowly calm down.

The breakfast time passed in Yan Xiaohuan's torment.

It was not easy for her to finish her breakfast. After Gu Beihan left, Yan Xiaohuan breathed a sigh of relief quietly.

A man like Gu Beihan was too dazzling. His every movement was elegant and noble, which made people

unable to move their eyes away from him.

Moreover, the most difficult thing to deal with was that Gu Beihan always looked cold and indifferent. No one could figure out what he was thinking.

Just like Yan Xiaohuan, she could not figure out why such an excellent man like Gu Beihan would choose to marry her.

Yan Xiaohuan touched her heart that was about to jump out of her chest. With a red face, she went back to the bedroom to take the bag and then went out.

Walking out of the villa, there were already drivers waiting outside. The luxurious luxury car quietly parked at the door. Yan Xiaohuan got in the car uneasily. When the car drove out of the villa and arrived at the street outside, she immediately asked the driver to stop the car.

"Thank you, Mr. driver. I'll get off here."

Yan Xiaohuan said goodbye to the driver, and then waited for the bus to go to the company.

She was just an ordinary employee now. If someone saw a luxury car driving her to work, she didn't know how to explain it.

When they arrived at the company, everything went as usual. No one knew that Yan Xiaohuan had gotten married in a short period of time, and she had married a man who was high above others and could only be

looked up to by others.

"Xiaohuan, someone is looking for you outside."

Just as Yan Xiaohuan was sitting in her own position and holding her head in a daze, the company's manager, Sister Yu, opened the door and walked in. She called Yan Xiaohuan.

"Ah? Someone is looking for me?"

Yan Xiaohuan looked at Sister Yu blankly. Sister Yu looked at Yan Xiaohuan and sighed in a low voice.

"It's your sister..."

In the lounge.

"Sister, have you paid this month's salary? If you give it to me, give it to me quickly. I don't have money to spend."

Yan Yixue spread his hand in front of Yan Xiaohuan as if he was asking for money.

Yan Xiaohuan bit her teeth and opened her mouth. She wanted to say something but stopped on second thought.

"Sister, are you still my sister? Don't tell me you don't want to spend any money on me!"

Yan Yixue looked at Yan Xiaohuan's hesitant look and immediately became angry. She took back her hand and pretended to walk outside.

"Sister, it's okay if you don't give me money. I'll ask

my mother for it. I'm sure she'll give it to me!"

"Yixue—"

Yan Xiaohuan quickly stopped Yan Yixue.

Her mother was seriously ill now, so she couldn't stand any stimulation. If Yan Yixue came to her mother to ask for money, what would she do if something happened...

"Yixue, it's not that I don't want to give it to you. It's because I haven't paid a salary this month. You can wait for two days. I'll give you the money in two days..."

"Hmph, that's more like it."

Yan Yixue got the answer he wanted and turned away arrogantly.

Standing in the same place, Yan Xiaohuan touched the check she carefully put in the bag and slowly breathed a sigh of relief.

Fortunately, Yan Yixue didn't know that she had exchanged her marriage for check, otherwise, her mother's life-saving money would be taken away by Yan Yixue.

When she returned to the office, Yan Xiaohuan waited patiently until she got off work. Then she packed up the bags and went to the hospital.

Today was the day of paying the operation fee. She had to go to the hospital to pay the money.

"Miss Yan, your mother's surgery fee has been paid. You don't have to pay."

When Yan Xiaohuan took the purchase check and went to the hospital's cashier, she was told to say something like this.

"It's done?"

"Yes, and your mother has been transferred to the intensive care VIP room. No one can visit her except you."

"May I ask who paid the operation fee for me?"

"Miss Yan, I'm sorry. I don't know either. I only know that the other side's surname is Gu..."

"Oh, I see. Thank you."

Yan Xiaohuan thanked her and then walked to her mother's ward. She was a little absent-minded all the way.

The man's surname was Gu. Could it be that Mr. Gu had arranged everything for her?

However, the content of the agreement between them was obviously that Mr. Gu gave her a check when she got married to Mr. Gu.

But now Mr. Gu not only gave her one more check, but also settled her mother down...

Mr. Gu is really a good person...

In this way, she did not have to worry about her

mother's illness, nor did she have to worry that Yan Yixue would come to stimulate her mother. And she did not have to be threatened by Yan Yixue anymore...

*

"Mr. Gu, Miss Yan's mother has been settled down, so her sister and father.."

"It's none of your business."

Gu Beihan raised his hand and threw a stack of documents in front of Cheng An. It was the medical record of Yan Xiaohuan's mother, Chu Lin!

"Yan Gaoyuan doesn't care about his daughter, and Yan Yixue only cares about the money. In the whole family, Yan Xiaohuan cares about the seriously ill Chu Lin most. As long as she controls Chu Lin, she can completely control Yan Xiaohuan."

"You're right, Mr. Gu."

Cheng shore put away the documents, thought for a moment, and continued to ask.

"Then, Mr. Gu, when will the news of your marriage with Miss Yan be announced?"

"There's no need to announce it. The people over there will naturally come to investigate."

Gu Beihan lowered his eyes and stared at the photo of Yan Xiaohuan's plain face on the table. Suddenly, a faint smile appeared on his lips, and his

voice was so faint that it could not be heard.

"What you found is more reliable than what you heard, isn't it?"

*

After Yan Xiaohuan accompanied Chu Lin for a long time in the hospital, she took a taxi and went back to her villa in the Cold North.

Because Gu Beihan's villa was located in the high-grade villa area of Liang City, ordinary cars couldn't drive at all, so Yan Xiaohuan got out of the car far away and had to walk in.

But she didn't know if it was a coincidence. On the way back, Yan Xiaohuan met the driver who sent her out this morning. So naturally, the driver took her back to the villa by the way.

"Oh, I'm a little thirsty..."

Yan Xiaohuan felt that her lips were a little dry and cracked. It seemed that she had not drunk water for a whole day, so she quickly took the cup to pour a glass of water to drink. However, she had drunk more than half of the water before she suddenly found that something was wrong.

The cup in her hand seemed to be Gu Beihan's...

Chapter N: Mr. Gu has a slight mysophobia.
Remember, don't touch all Mr. Gu's supplies, otherwise, the consequences will be very serious...

"It's over..."

She had violated Mr. Gu's taboo...

At this time, the sound of the engine of the car came from outside. Yan Xiaohuan rushed to the door and looked outside, only to see Butler Lin pushing Gu Beihan over.

"..."

Yan Xiaohuan patted her head with some annoyance, and then quickly ran back. She poured all the water in the cup and put it back to the place where she had put it before.

"Madam, what are you doing there?"

As soon as Yan Xiaohuan put down the cup, Butler Lin's voice came from behind. Yan Xiaohuan's body stiffened for a moment, and then she turned around with some guilty conscience. She smiled slightly in front of Gu Beihan.

"Nothing, I just casually..."

"Have you touched my cup?"
