Chapter 10 English: Treat her as a dog

Settings

An Xia is Ye Mengwei's everything, as long as her daughter can live, she can live without her own life.

But Mu Ningxue didn't want her to feel better, she sighed with a sneer flashing in her eyes: "Sister, the Song family wants your life and Xia'er's life."

As he said, tears flickered in his eyes, "Xia'er, alas, I also watched her grow up, and I didn't expect to end up like this."

Oh, still want to protect the little bitch? Dreaming.

"That's what she is responsible for!" An Ziqin said ruthlessly, "Useless waste, die early and clean up early, so you don't have to get into trouble all day long!"

Ye Meng knew that her husband didn't like herself or her daughter, but she never thought that one day her husband would send his daughter to death by himself.

If even An Ziqin didn't help her daughter, then no one from An's family would come forward.

She knows how much Mrs. An dislikes her and Xia'er!

No, she is going to save Xia'er!

Getting up, Ye Mengwei rushed outside regardless of everything.

The old lady slapped the armrest of the Grand Master's chair hard, and screamed, "Are they all dead? Don't hold her down!"

An Zi Qin Zao rushed over, grabbed Ye Mengwei's wrist, and dragged him back with a hideous expression.

"Fuck!"

Backhand slapped Ye Meng slightly, slapped in the face, angrily, "Bitch! Run! You kneel and crawl to me and ask the Song family!"

Ye Mengwei was confined in Anjia for many years. Both his body and spirit were severely damaged. After a few slaps, Ye Meng, who was bleeding from the corner of his mouth, almost fainted.

Mu Ningxue didn't think it was enough, she added fuel to the fire in a soft voice, "Since Qin, my sister is neurotic, I'm afraid I can't kneel down and climb over. Or, let the housekeeper find a dog leash and lead my sister to go. ."

After the second and third rooms of Anjia quickly looked at each other, they lowered their heads silently, and no one came forward.

Mu Ningxue was indeed insidious, and she came up with the idea of using a dog leash to lead Ye Mengwei to settle down. He was treating Ye Mengwei as a dog.

But it has nothing to do with them, the more chaotic the big house, the better.

The old lady didn't think much, staring at Ye Mengwei who was lying on the ground, her eyes were deeply resentful, "Looking for a dead end, but can't blame others! After you die, your home will be clean from now on!"

"Come on, bring the dog leash and put it on the lady!"

Outside, An Yangyang couldn't bear the joy, and swept away the frailty of the day, ran to the kennel and took two dog leashes for the watchdogs. She was timid, and asked poignantly, "Grandma, I took two dog leashes, do you think it is?"

Mom is so good, it doesn't count to solve An Xia, she also solves Ye Mengwei.

After that, my mother is the eldest lady, and she is the eldest lady!

The old lady An glanced, and signaled to Mu Ningxue to get things done quickly.

Mu Ningxue didn't immediately take the dog leash. She bit her lower lip, who was used to pretending, and looked at An Ziqin with pity, "From Qin, I..."

An Ziqin just wanted to kidnap people away quickly, and said quickly: "Ning Xue, now is not the time for you to be kind, do it now."

Mu Ningxue did a lot of play, then she took the dog leash with a look of embarrassment, bowed her head, covered her smiling eyes, and grabbed the dog leash and walked towards Ye Mengwei.

After tonight, she will be an upright eldest lady! !

Ye Mengwei looked at the approaching Mu Ningxue, clenched his hands, and stepped back.

No, no, no, she can go to death, but she must not be led as a dog.

She didn't want to be the laughing stock of her daughter after she died.

"Sister, what qualifications do you have to refuse? Your natal family does not want you, and your husband's family does not want you, you..." Mu Ningxue leaned over and leaned into Ye Mengwei's ear. The place where people see is poisonous like a snake and scorpion, "You are a dog now, give me a dog leash!"

Outside, there was a voice from the housekeeper, the Song family is here!
