Chapter: 1001

“How do you feel... Feel...” Wang Qian’s expression was very ugly, she was so uncomfortable with her coffee and stomach, of course she felt very bad.

If this coffee was poured by someone else, Wang Qian must find that person to settle the account, but this coffee was poured for the rest of her life, and she is counting on a profit of 300,000 yuan from this order! So now I can’t get angry at all, even if I am angry, I have to swallow it in my stomach.

Wang Qian stammered for a long time without telling how she felt.

At this time, Yu Sheng glared at Li Yuanyuan, staring at Wang Qian and

commanded: “Why pour water on someone else’s face if you know that you feel bad? Have your parents never taught you what a tutor is?”

Apologies to her. !”

Apologize to Li Yuanyuan, a wild girl from the mountain? Wang Qian’s

heart is naturally 11 million unwilling. How can she say that her family

is also local in Qiancheng, I don’t know that she is born much better

than Li Yuanyuan, a wild girl from the mountain!

But when she thinks of buying this villa for the rest of her life, as long

as she is pleased, she can get a profit of 300,000 yuan.

“I’m sorry Yuanyuan, I was on the spur of the moment, so please don’t

be better with me?” Wang Qian said unconvinced.

Li Yuanyuan pushed away Wang Qian’s hand and ignored her, and the

paper on the table wiped the water off her face.

Wang Qian gritted her teeth, thinking that this Li Yuanyuan was so

ignorant of good and bad, she apologized to her like this, and she was

still ignorant of answering, which was simply too much.

But for the rest of her life, she asked her to apologize, and she has

arrived. It's time to talk about the contract now.

Thinking of the three hundred thousand, Wang Qian's mood improved

a lot, turning her head to look at Yu Sheng, Jiao Didi said: "I have

apologized to Yuanyuan, sir, can you sign the contract now?"

"Signing the contract? Does the matter of whether I sign the contract

have anything to do with you? I'm talking to her, not to you." Yu Sheng

pointed to Li Yuanyuan and said to Wang Qian in a very cold voice.

Hearing Yu Sheng's words, Wang Qian's face was even more ugly than

eating shit. She didn't expect that Yu Sheng would not wait to see her,

so she even named Li Yuanyuan to come.

Although I have a long time for the rest of my life in my heart, Wang

Qian is still pressed down in my heart, with the courteous smile on her

face. Wang Qian said softly, "Sir, Li Yuanyuan has things to do. Just

now the manager asked me to call him something urgent.
So I will do it

for you to buy a villa!”

Yu Sheng raised his eyebrows, with a playful smile on his face: “Oh?

Really? I just want her to come today. If your manager is really in a

hurry, let him come to me! Don’t sit here, I It feels disgusting to see you.”

“You...” Wang Qian’s face turned black when she brushed it. Yu

Sheng’s strong attitude also exceeded her expectations.

There is no way

she can only leave now.

With a fierce look at Li Yuanyuan, Wang Qian said that nothing could

be done to make a wild girl from the mountain negotiate this list.

Xindao: You wait for me, I will call the manager over, then the list will still be mine.

Li Yuanyuan didn’t even think that Yu Sheng would help her like this,

and she was moved for a while! Don’t know what to say.

The words of great gratitude and thanks will eventually come together

into one sentence: “Thank you.”

There was a smile on Xiao Zixin’s face, who had been sitting by the side watching all this. She admired the chairman’s behavior.

After a while, Wang Qian went and returned, and brought a middleaged man with him. When Li Yuanyuan saw the middle-aged man, her expression changed.

Standing up from the sofa, Li Yuanyuan yelled a little fearfully to the middle-aged man: “Manager.”

The person here is not someone else, but Huang Huai, the manager of Yijingjiayuan Real Estate.

Huang Huai shot out Li Yuanyuan's temper and said angrily: "I asked Wang Qian to call you to the office just now, why didn't you come? Do you know if I am looking for you in a hurry?"

Huang Huai was forcibly pulled over by Wang Qian and asked himself to help her out. In fact, he had nothing to do with Li Yuanyuan, but there was no way to refuse Wang Qian's request! Although this Wang Qian is pretty good, but her kung fu on the bed is really good, and can kill the ecstasy he serves, so Huang Huai is also willing to indulge her.

"Manager, I still have a list here and I haven't finished talking, so it's delayed." Li Yuanyuan lowered her head and said.

"Since the talk is over, let Wang Qian handle it. She is your predecessor and will do better than you. Don't worry about this. As for you, come with me!" the manager said solemnly.

Li Yuanyuan's heart was ashamed when she heard this. If he does not listen to the manager now, the manager has the right to expel her

directly, and he won't get a penny at that time.

If you listen to the manager now and go to the office, the profit of

300,000 yuan will be handed over to Wang Qian. This kind of thing is

basically a dilemma, and Li Yuanyuan doesn't know what to do.

It seems that she will not get the 300,000 yuan after all, no matter what

she can do, she can't get it.

Standing beside Wang Qian, the expression on her face became more

and more complacent, thinking: What if you Li Yuanyuan have the

ability? This list is not the manager's decision. Give it to whoever he

says. For a wild girl like you, what can you grab with me?

Just when this matter was a foregone conclusion, Yu Sheng stood up

suddenly and said in a cold voice: "If this list were not for Li Yuanyuan

to talk about, I would not buy this villa."

When Huang Huai heard this, he didn't know what to do for a while.

He couldn't figure out why this rich man would speak for Li Yuanyuan.

“Also, dismiss this Wang Qian for life and no longer hire.” Yu Sheng added another sentence.

Hearing Yu Sheng’s request to dismiss Wang Qian for a moment was unhappy. It would be fine if I didn’t let myself make this list, and it was too much to dismiss her.

“Hey! If you have a bit of stinky money, you’re great? Don’t you just have to be able to afford a villa? What qualifications do you have to say to fire me, you are not the owner of this real estate, what you said is a shit!” Wang Qian was right Yu Sheng cursed aggressively. Huang Huai subconsciously looked at the rest of his life. A person who can buy a 25 million villa must not be an ordinary person, but he can’t control who his company uses?

“Dismiss, or not dismiss?” Yu Sheng directly ignored Wang Qian who was yelling, and asked Huang Huai coldly.

“This...” Huang Huai didn’t know what to say for a while, and he didn’t want to offend the rich, but he didn’t want to lose a little bit by

his side.

After hesitating, Huang Huai said, “My company will take care of

Wang Qian’s affairs. Now that you have named Li Yuanyuan to do it

for you, sir, let him handle the affairs of your villa!”

Huang Huai didn’t have a real face to answer Yu Sheng’s questions, and

he broke the topic, but the implication also told Yu Sheng.

You are just a buyer of a house, and no matter how rich we are, you

can’t let an outsider take care of everything about our company, and

someone else can do nothing after buying the house quickly.

Anyway, Yu Sheng had already paid for it, and Huang Huai was not

afraid that he would not buy it. He was well prepared for the rest of his

life.

“If that’s the case, don’t regret it.” Yu Sheng said with a calm face. How

could Huang Huai not understand what Huang Huai thought Yu

Sheng, didn’t he just want to shield Wang Qian? Then two people deal

with it together!
Huang Huai looked at Yu Sheng's angry look, but he didn't care about it, regretting it? What can I regret? Regret should also be regretted for the rest of your life, otherwise you still have the right to make terms with him, and now it is useless to say anything. Yu Sheng took out his mobile phone from his pocket and found Xia Jun's phone and dialed it.

“I remember that our company has recently cooperated with the boss of Yijing Real Estate? Give him a call and ask him to return to the company. I want to see him.” Yu Sheng told Xia Jun on the phone.

After explaining the matter, Yu Sheng hung up the phone, and now only needs to wait for the boss of Yijing Real Estate to come back.

Just after hanging up the phone, Wang Qian curled her lips in disdain

and looked at Yu Sheng with contempt: “You don’t think you can call

our company boss so easily if you have two stinky money?”

What kind of thing are you? My boss doesn’t care about twenty-five

million, how can he take care of a small role like you. ”

The boss of their company is Da E of Qiancheng Real Estate, and 80%

of Qiancheng’s real estate industry is controlled by their boss Song

Yuanzhun.

In Qiancheng, the name Song Yuanzhun seemed to be engraved in

people’s hearts, and few people didn’t know it.

Even if Yu Sheng could spend 20 million to buy a villa, in the eyes of

their boss, she would still be a character who didn’t have a fart. Wang

Qian absolutely didn’t know the heights of her life in front of her,

pretending to be overkill.

Glancing at Wang Qian coldly, Yu Sheng ignored what she said, and sat

on the sofa with Erlang's legs upright and waited quietly.

Li Yuanyuan was really anxious when she saw this, delicate sweat came

out on her forehead, she didn't know what she wanted to do for the

rest of her life.

But the task of their boss is indeed not something that the rest of his

life can offend. After working in this company for a year, he has not

met the big boss, but he has a deep understanding of the ability of the

big boss.

“Sir, I will help you with the house purchase contract. I must be very

busy with big people like you. It can be done in a few minutes, and

then you can leave.”

Li Yuanyuan just turned her eyes to the manager taking out her mobile

phone, as if sending a message to the big boss. She was afraid that the

big boss was really going to come over, so she wanted to find an excuse

for Yu Sheng to leave as soon as possible to save trouble. Unexpectedly, the rest of his life would not accept her invitation at all.

“No. When your boss comes, let him handle the contract for me in person.” Yu Sheng said lightly.

As soon as Wang Qian heard this, she covered her mouth and smiled:

“I’ve seen someone who can load coins, and you haven’t seen you that can load coins. What kind of thing are you? I have never heard of it before. You still want Our boss handles the contract for you, it’s really a cowboy!”

Even Li Yuanyuan felt that Yu Sheng was too ignorant of good and bad at this time. She obviously gave him a step down.

Not only did he not cherish it, but also wanted to let their boss handle the contract for him. When the boss really came, it would be Can’t eat it and walk around.

Rubbing her temples helplessly, Li Yuanyuan didn’t want to care about

it anymore, after all, she was just a low-level shopping guide.

Huang Zhun looked at Yu Sheng with a malicious smile on his face. He

didn't know if Yu Sheng had actually called them the boss or loaded

coins. Anyway, he had just sent a message to the big boss.

And the big boss returned a message saying that it would be there in a

while, and then you can see this guy who doesn't know good or bad

was blacklisted by the big boss or even went bankrupt.

About ten minutes later, a Rolls-Royce Phantom stopped at the door of

the company of Yijing Home.

When he saw this car, the manager Huang Zhun showed a smile on his

face. Song Chenghua, the boss of their company, is here!

Chapter: 1004

Seeing this car, Huang Zhun was overjoyed, and ran out to meet the big boss after a trot. Wang Qian took a look at Yu Sheng and trot with him.

Li Yuanyuan didn't think that the big boss was true, she was so anxious for a moment, she pushed Yu Sheng and said worriedly: "Sir. You should leave now! Our big boss is really here, and such a big man is not something you can do. Contend with it!"

A smile appeared on Yu Sheng's face, and he didn't stand up from the sofa but said fearlessly: "It's okay, I want to see if he dares to compete with me?"

"You...Oh!" Li Yuanyuan was really hard for the rest of her life. She

didn't have any solution, she sighed helplessly. He really had no control over this matter.

Xiao Zixin sat next to Yu Sheng, always talking, as if it had nothing to do with this matter. Everyone thought that the big boss of Yijing

Jiayuan would be unlucky when Yu Sheng came. Only she knew who

was the one who was really unlucky. people.

Outside the Rolls-Royce Phantom, a middle-aged man about 40 or 50

years old came down. He had a flat head and looked very energetic. He

was not handsome in his facial features, but he could give people a

sense of majesty. He just got out of the car. , The body exudes a breath

that can only be found in the upper ranks.

“Boss, you are finally here. A young man inside came to make a mess,

and said that he wanted you to apply for a contract. It was too

ignorant.” Huang Zhun picked up the plane and complained.

Wang Qian on the side also echoed at this moment:

“Yes, yeah, boss,

he has a very big tone, and that doesn't put you in the eyes at all!"

Song Chenghua didn't care about the two of them, but hurried to the company with his feet.

Huang Zhun and Wang Qian didn't understand why the big boss was so anxious. Could it be because they were too angry, so they were eager to teach the rest of their lives?

Both of them thought of this possibility, Huang Zhun and Wang Qian looked at each other, and then showed a look of watching a good show, and walked towards the company quickly, for fear of missing some good show.

Just when they first walked into the company, they saw a surprising picture.

At this moment, Song Chenghua looked humble and bent, standing in front of Yu Sheng, bending over, taking the initiative to pour him water, just like a waiter.

"This....."

Both Huang Zhun and Wang Qian looked silly, and felt hallucinations

in their eyes. How could this kind of thing happen.

Their big boss, but the real estate giant Song Chenghua, someone who

doesn't know anyone in Qiancheng, how could he bow down like a

waiter in front of a young man?

Both of them rubbed their eyes and even pinched their arms. The

intense pain told her that it was not a dream, but a real thing.

So who is this age in front of you? Only then can the big boss treat him

like this.

The walking corpse walked over, Huang Zhun and Wang Qian were

replaced by a strong shock at this time, staring blankly at the scene

before them, even breathing carefully.

Li Yuanyuan, who had been staying there, opened her mouth wide

when she saw this scene, looking at her in amazement, as if this young

man had never known him for the rest of her life.

“Yu Dong, if you want to buy a house, just tell me! Xiao Song, I have

to give you the house with the best location and the most suitable for

your identity.”

Song Chenghua put the freshly poured water in front of Yu Sheng, and

said: “By the way, I am in the new city area, which is under

development recently. The scenery in that place is pleasant, and even

the air is particularly fresh. Wait until the construction is completed

there. I’ll give you the mountainside villa when it’s time!”

As soon as this remark came out, everyone at the scene was shocked.

The mountainside villa over the new city! But it was worth 70 million,

and the big boss wanted to give it to the young man in front of him.

Who is he?

Facing Song Chenghua's hard work, Yu Sheng didn't feel any discomfort at all, but was accustomed to it. Picking up the table, Song Chenghua poured water for him, and took a sip for the rest of his life. Then he said in a hurry, "The mountainside villa is no longer necessary. I have just bought a villa, and by the way I have a kind experience. I'm just a little bit about the service attitude of your Yijing Jiayuan."

Upon hearing this, Song Chenghua looked at Wang Qian, Huang Zhun and Li Yuanyuan with sword-like eyes, and asked in a cold voice: "What the hell is going on? Are you disrespectful to Dong Yu?"

When asked about this question, Wang Qian and Huang Zhun lowered their heads, their legs trembling constantly, and they didn't know how to answer this question from the big boss. Although the big boss had a respectful attitude towards Yu Sheng, they were trembling with their full-strength appearance. Yu Sheng put down the quilt in his hand and said lightly: "Boss Huang, how can a company of your size have no surveillance? I don't know if I look at the surveillance video by myself." Hearing Yu Sheng's words, Song Chenghua's face immediately lost a smile, not daring to neglect the surveillance video that happened after Yu Sheng came in today. Watching what happened in the video, as well as Wang Qian's condescending words and repeated insults to Yu Sheng, even Huang Zhun didn't put Yu Sheng in his eyes. Listening to your own arrogant and domineering voice, Wang Qian kept trembling. He couldn't wait to rush in and slap himself at that

time, slap him sober.

But the matter has come to this point, and there is no room for regret, and I can only hope that the big boss can handle her leniently.

After watching the video, Song Chenghua's face was gloomy. He didn't even think that there were worms like Wang Qian and Huang Zhun in his company.

If he didn't account for so much in the past, but now these two idiots have offended him, and the people who can't afford to offend, naturally can't let them off so easily.

Song Chenghua slapped the table and said angrily: "Is this your attitude toward guests? When did I Yijing Real Estate collect you moths?"

Wang Qian and Huang Zhun softened their legs in fright, and knelt

directly on the ground. Now they don't have the arrogance that they used to deal with Yu Sheng.

"Chairman, we know our mistake, please give us another chance? I

swear I will never make this kind of mistake again.”

Wang Qian knelt

and climbed two steps before Song Huacheng and pulled his trousers.

Begging for mercy.

“Chairman, these things were done by this woman and it has nothing

to do with me! It was because she deliberately fanned the flames, and I

was blinded by this woman’s nonsense to treat this gentleman like this.”

Huang Quasi pointed to Wang Qian and said.

In this situation, the chairman of the board must not be able to spare

them, so he can only push everything to Wang Qian, maybe he can

escape and continue to be the manager of this company.

A company with a monthly salary of 100,000 does not have to do

anything every day. Such a good job is really hard to find elsewhere.

“Next time?” Song Chenghua said with a cold snort,

“You already have

no next time, and you have angered Dong Dong. Even if someone

comes, you won’t be able to keep you.

You two have been fired from the company from now on, and I will completely block you from the entire industry. From now on, I see which company dare to hire you! ”

Hearing this, Wang Qian and Huang Zhun’s faces collapsed to the ground like gray ashes. They couldn’t understand who the big boss was.

The whole industry is blocked! I will never find a job in a regular company anymore.

“No...no...no...” Wang Qianzhuangruo shook her head frantically, as if she had been stimulated by the sky, and generally said three no words in a row.

He immediately climbed from the ground to Yu Sheng’s feet, grabbed

his trouser legs, crying and begging: “Yu Dong, I’m sorry, I did

something wrong, please have a lot of yours, let me go!

I will never dare to be so presumptuous when I see you in the future,

please give me a chance! If it is really blocked by the entire industry,

how can I survive! ”

At this time, Huang Zhun also crawled over, kneeling in front of Yu Sheng like a dog, begging non-stop. Now they can only pin all their hopes on the rest of their lives. The young man who looks ordinary in front of them is bigger than them and the boss is even more powerful. If you offend such a person, if you don't get his forgiveness, it will be more painful and painful to live in the future than to die.

Chapter: 1006

“Forgive you? Have you forgotten what you did to me before? I just want to buy a house in this place. Not only did I receive the hospitality I deserve, I was also insulted by you?”

I think Boss Song is wrong. People like you don't deserve a job at all!

“Yu Sheng said lightly.

Now that begging for mercy has no effect, Huang Zhun's regretful

intestines are about to turn blue. It is the bitch woman in front of him

that has harmed her to the present level.

If it hadn't been for her to come to her, she would probably not have

anything to do with her at all. She could still sit in the office to enjoy

herself, and she would be able to receive her salary while drinking.

“Bitch girl, I have fallen to this point now, it's all caused by you!”

Huang Zhun's mood was completely crazy at this time, grabbing Wang

Qian's shoulder and slapped her face with a slap.

This slap was not enough to relieve his qi, and Huang Zhun slapped

Wang Qian several times again, until his hand was sore that he stopped.

“Huang Zhun, you a conscientious thing, why do you treat me like a

man if you have the ability to hit him!” Wang Qian clutched the red

and swollen face that was beaten by Huang Zhun, and pointed at Yu

Sheng to Huang. Quasi angrily said.

She is still angry now, there is no place to send it! Just now, Huang

Zhun gave him another beating. Since she couldn't find Yu Sheng to

vent her anger, Wang Qian simply put her anger on Huang Zhun's

body.

Wang Qian raised her hand and scratched Huang Zhun's face. In an

instant, three blood holes appeared on her red and swollen face.

It's not over yet. Wang Qian grabbed Huang Zhun's hair like a shrew,

and said nonsense, "You're a conscientious dog. When I was in bed

with my old lady, he said that he would protect me from now on.

When the disaster was approaching, I was thinking about turning

things on me.

What strength do you have on me? Are you still a man? I killed you, a

conscientious thing today. "

Seeing this picture of a dog biting a dog, everyone was speechless for a while.

Song Chenghua's helpless support, how could he not think of how his

company recruited these two stupid coins?

Now that the shame is thrown to grandma's house, Song Chenghua

really can't stand it, and shouted at the door: "Security guard! Drag

these two people out for me."

Hearing that they were about to be driven out, the two stopped

fighting, and they knelt down in front of Yu Sheng again and kept

begging.

Yu Sheng sat there unmoved, and didn't mean to let them go until the

security came to drag them away and threw them out of the company.

"I'm sorry! Dong Dong, it is indeed my inability to discipline my

subordinates that caused this situation. Dong Dong, should I give you

another villa?" Song Chenghua said in a deliberate tone.

If you really offend the chairman of Sihai Group this time, even if he is

a real estate crocodile, he is still a fart in front of Yu Sheng, saying that letting him go bankrupt can make him bankrupt. Yu Sheng waved his hand and said, “There is no need for the villa. As for this Li Yuanyuan...”

Speaking of this for the rest of my life, I paused, and fell into thinking for a while.

“Li Yuanyuan? If Yu Dong doesn’t like her, then block her together?”

Song Chenghua thought Li Yuanyuan Yuanyuan also offended Yu Dong, so she quickly and diligently suggested.

Li Yuanyuan, who had been watching all this in silence, was shocked and stunned. When she heard talking about herself, she also said that she was going to block her together.

She didn’t offend her for the rest of her life. Why did this matter also implicate her?

There is no way what the big boss said is the imperial decree. Li

Yuanyuan didn’t even think about it, so she knelt on the ground and

cried and begged: “Chairman, I will change what I did wrong, please don’t block me!”

Listening to Li Yuanyuan’s request, Yu Sheng only felt a roar in his

head. What is this and what? I was just thinking about how to reward

Li Yuanyuan!

“Ms. Song, are you just dealing with your good employees like this? No

wonder the company is so smoky!” Yu Sheng said in a displeased tone.

“This...” Song Chenghua was taken aback, and took a moment to

realize that he had misconducted Yu Sheng’s intention. It seems that

Yu Sheng wanted to reward this employee named Li Yuanyuan.

“I’m sorry Dong Dong, Li Yuanyuan performed well, and if there is a vacancy in the manager’s position, you can take over!” Upon hearing this, Li Yuanyuan wiped her face clean, with tears on her face, she looked at the big boss in shock and couldn’t believe it was true.

Not only did he not block himself in the industry, but he also promoted himself, and now he has become a manager. All of this is just like a dream. The reason why she has this opportunity now is all given to her by the young man in front of her. Otherwise, how could she be a manager of a child from a mountain with no identity and no background? This location?

“But... Chairman, I don’t have experience, so I’m afraid I can’t do it well...” Happy and happy, but Li Yuanyuan still feels that she doesn’t have that strength.

“Don’t worry about this! Song always find someone to teach you how

to do it, I believe you can do it well.” Yu Sheng said to Li Yuanyuan with a smile.

When I first came into contact with this person named Li Yuanyuan, although her appearance looked weak and gentle, her eyes were full of ambition, so Yu Sheng wanted to help this little girl from the mountain.

I have already helped her to do this, and all successes and failures in the future will depend on her to work hard.

Song Chenghua on the side quickly echoed: “Yes, yes, yes! What Dong Yu said is right, don’t worry about Li Yuanyuan, I will find someone to train you.”

Patting Li Yuanyuan on the shoulder, Song Chenghua laughed with him, looked at Yu Sheng and asked, “Dong Yu, are you satisfied with it? Is there anything else I need to do?”

Yu Sheng got up from the sofa, took the house purchase contract and handed it to Xiao Zixin. Then he said, “There is nothing else to do. I

have bought the house. I have other things to do. Song always has time to invite you to dinner. .”

“How dare you let Yu Dong invite me to dinner! When Yu Dong has time, Xiao Song will invite you to dinner!” Song Chenghua said in horror.

Yu Sheng had no reply to leave the company with Xiao Zixin, and

Song Chenghua sent Yu Sheng to the door of the company in fear.

Looking around, I didn't find Yu Sheng's car, and quickly said, “Yu

Dong, or let my driver take you back?”

Yu Sheng nodded. It is indeed inconvenient to take a taxi at this time.

Since Song Chenghua is so deliberate, he also has no need to refuse.

Seeing the car slowly disappearing from his sight, Song Chenghua let out a long sigh of relief, and finally gave away the big Buddha.

Li Yuanyuan on the side saw the big boss like this, and her heart

became more and more confused. She wondered why the big boss with

such a high status was so afraid of the rest of her life.
In the end, Li Yuanyuan was defeated by her curiosity.

She

courageously asked the big boss: “Chairman, who was
that person just
now?”

Song Chenghua sighed and slowly said, “This is someone
you will

never reach. Unless you reach a certain height one day,
you will

understand how terrifying he is.”

Li Yuanyuan seems to understand but understands, but
she

understands a little, this Yu Sheng is a very powerful
person!

.....

Back at the company, Xiao Zixin said that she would not
ask for the 25
million villa, which was too expensive.

In the end, the rest of her life was smashed before she let
Xiao Zixin

accept the villa, thinking that she just wanted to reward
the employees,
it’s really hard!

Sitting on the sofa, Yu Sheng leaned his hands on the
back of his head

and closed his eyes boredly. There have been too many things happening recently, and he hasn't had time to take a good rest.

After closing my eyes for a few minutes, Yu Sheng's cell phone suddenly rang.

“Hey! For the rest of my life, I found out the specific location of that group!”

As soon as Yu Sheng left the company, he found a police car waiting at the door for a long time. He didn't hesitate. Yu Sheng opened the door and sat in.

“Have you really found the place? Aren't you alone?” Yu Sheng asked.

“No, I just called to inform the above, they said that they will send elite troops to assist me soon.

The personnel in the patrol room have already rushed away, and I want to call you. As long as I have you, the heart in my heart will not be so scared. “Xia Feixue said that in the end, her voice became smaller and smaller, and her tone revealed the shyness of a little woman.

Seeing Xia Feixue like this, Yu Sheng didn’t know what to say. Did she mean to use herself as a kind of support? Even if she believed in herself, Yu Sheng felt that it was necessary to help her deal with this matter, which could be regarded as a harm to Qiancheng.

“Nothing, take me there! Don’t let the person in the patrol room do it if you don’t understand the strength of the other party.” Yu Sheng exhorted.

Xia Feixue nodded: “I know this. I already explained it when I came.

I’ll do it when I get to the place.”

After arriving at the place, Xia Feixue and Yu Sheng didn't know what to say after seeing the corpse there.

Xia Feixue stopped the car, stretched out her trembling hand, and when she opened the door, she could really see everything in front of her.

Tears flowed down the party, and Xia Feixue covered her mouth with her hand, and cried out without any suppressing emotions in her heart.

In the past, Xia Feixue was a heroic policewoman in front of people. It seemed that no difficulty would be difficult, and she would solve everything as soon as she got out of the horse.

The impression she left on people is always strong, brave, better than a man, and a woman does not let her behave.

But now she cried and turned into tears, her body was trembling constantly, and she no longer had the strength of the past.

After seeing this scene, Yu Sheng also flashed a hint of hatred in his

eyes, and then came to Xia Feixue's side and patted her on the shoulder

to comfort him: "This is not the time to be sad, you should cheer up."

Xia Feixue didn't hear Yu Sheng's words in her heart, but kept shaking

her head, pushed Yu Sheng away, and stepped back helplessly.

"If I didn't leave them, if I'm here, will the ending be like this? If I..."

Xia Feixue cried and said, the regret in her tone almost swallowed her. .

All the corpses that had been excavated on the ground were all her

former colleagues. An hour ago, there were still a group of full of vigor

and enthusiasm who vowed to take those people to justice.

But now they are all dead and all killed. The reason why the bodies are

still here is that the group is provoking the police.

Yu Sheng stepped forward and grabbed Xia Feixue's shoulders and said

loudly, "Xia Feixue, please calm down, how can you help those people

take revenge like this? Get arrested instead of being sad here."

If Xia Feixue hadn't looked for him, Yu Sheng felt that Xia Feixue had no ability to survive on those people's hands. Xia Feixue's tears were still falling, but the mental aspect had slowly stabilized, and her hand subconsciously squeezed the gun on her waist. "Yu Sheng, I beg you, you must help me arrest that group, okay?" Xia Feixue pleaded with choked up. Yu Sheng nodded heavily, even if Xia Feixue didn't say anything about it, he would help.

Chapter: 1009

None of the police officers who came to the patrol room before were spared all the killings, and they also had their internal organs removed.

Dozens of corpses were lying there, both men and women!

The blood stained the place where they were all red, and it looked

shocking. Not to mention the fact that Xia Feixue couldn't accept this.

Even the rest of his life saw this situation and felt hatred.

I carefully checked the wounds of the corpse and the specific

conditions of the scene. Yu Sheng was surprised to find that the dead

police officers did not have any traces of fighting, and except for a

deep blood hole in the stomach, I thought there was nothing else.

Wound up.

Seeing this situation, Yu Sheng frowned. These police officers were

each armed with a gun. How could they be killed without any

resistance?

The more I think about it, Yu Sheng feels that this matter is not that

simple.

Taking a look at Xia Feixue with a sad expression on the side, Yu

Sheng said, “Why don’t you go back first? I’ll just check this out by myself.”

“Go back?” Xia Feixue was puzzled for a moment, and then said very firmly: “No, no matter what the situation is, I will personally bring those people to justice!”

My colleagues are dead, how can you just go back like this if you want to avenge them? If she is really greedy for life and fear of death, she

also has no need to be a people’s policeman!

Yu Sheng sighed helplessly. In this case, he really didn’t want to take

Xia Feixue with him on the adventure, but seeing her so persistent, Yu

Sheng didn’t know how to refuse.

“Okay, when you follow me, what’s the problem, you have to leave for the first time and leave me alone, understand?” Yu Sheng said.

Xia Feixue nodded and agreed, but still thought in her heart that if

something happened for the rest of her life, she would never abandon

the rest of her life and run away by herself.

I closed my eyes and released my consciousness, and all the scenery in my mind for the rest of my life was magnified ten times for the rest of my life.

In a moment of effort, Yu Sheng opened his eyes, looked in one

direction, and said to this Xia Feixue: “Follow me.”

Xia Feixue nodded and followed Yu Sheng’s footsteps.

As for the corpse of the police officer on the ground, there is naturally

no time to deal with it now. The most important thing is to capture the

gang and bring them to justice, and then bury the police officers who

died in the line of duty.

For the rest of his life, the strength of some masters was the same as

that of ordinary people, both in action and perception.

Xia Feixue is an

ordinary person, naturally not fast in the rest of his life.

In order to take care of her, Yu Sheng deliberately slowed down, and

the two of them ran for half an hour, and the road they walked became

more and more remote.

After walking through a jungle, my vision became clear for the rest of my life, and I could see a manor not far away.

This is it!

When Xia Feixue saw the huge manor, a monstrous hatred flashed in his eyes, and his left hand directly held the gun at his waist in his hand.

Seeing such impulsive Xia Feixue, Yu Sheng quickly grabbed her. For fear that she might not have noticed, she ran out and single-handedly avenged the comrades.

“Wait first.” As he said, Yu Sheng bent down, picked up a few small stones from the ground and put them in his pocket, until his pocket gradually bulged, and Yu Sheng stopped picking up the stones. .

“Okay, let’s go! Follow me, you can’t take action without my order.” Yu Sheng said solemnly.

Xia Feixue couldn’t understand why Yu Sheng would pick up stones, but she didn’t bother to ask so many questions at this juncture, nodded heavily, and followed Yu Sheng.

Chapter: 1010

The two cautiously came to the tree about ten meters away from the solemn door, and then there was a clearing where there was no place to hide.

At this time, there were two heavily armed men standing at the entrance of the manor, both of them holding ak in their hands. This kind of gun was much more lethal than the small pistol in Xia Feixue's hand.

“Yu Sheng, what should I do now?” Xia Feixue looked at Yu Sheng with a sad face. This situation directly drove him to death. Do you want to go back? She is not reconciled!

Yu Sheng didn't speak, took out two stones from his pocket and held them in his hand. His inner strength lingered on his right hand. Then

Yu Sheng looked at the two people standing at the entrance of the manor ten meters away.

Whizzing.....

Xia Feixue saw that Yu Sheng moved quickly and threw the stone in his hand at the two people.

Hit people with stones? Xia Feixue was completely stunned this time.

The two guarding men at the entrance of the manor were fully armed,

even wearing helmets on their heads and wearing bulletproof suits, and

there was nowhere to start.

If it weren't for their protective measures, Xia Feixue would have fired.

For the rest of his life, he used two small stones to hit people. Wouldn't it be a child's play?

There was still no eagerness to speak, Xia Feixue saw two people not far away fell to the ground behind the stones in his hands for the rest

of his life.

With just two pebbles, the rest of his life will be easily solved by a fully armed person?

There was no time for Xia Feixue to inquire. Yu Sheng had already

stepped forward. He untied the bulletproof suit of one of the dead

people at his waist and threw the AK rifle to Xia Feixue.

“Put your clothes on and take this gun, will you use it?”

Yu Sheng asked.

After taking over the clothes, Xia Feixue put on the bulletproof suit

without the slightest hesitation. There are still many unknown dangers

waiting for her, so she must not relax her vigilance.

Holding the AK rifle in his hand for the rest of his life, Xia Feixue

inspected the bullet in the magazine, and then nodded: “I can use it,

why don't you wear it?”

For the rest of his life, he just took off a man's bulletproof suit, but he

didn't wear it himself.

“The bullet-proof suit will not do much for me. Now that you are

ready, follow me in!” Yu Sheng turned around and pushed open the door of the manor and walked in first. Xia Feixue didn’t know what Yu Sheng was doing, but she trusted him very much in her heart. When Yu Sheng used two pebbles to easily solve two heavily armed people, she knew in her heart that Yu Sheng was definitely not an ordinary person. . Subconsciously looked at the two corpses on the ground, Xia Feixue, only to find that there was a blood hole on the center of their eyebrows. Before it was too late to watch, Xia Feixue quickly followed Yu Sheng’s pace. As soon as they entered, they were discovered by the people inside, and the guns of more than a dozen black holes were aimed at their heads. Seeing this scene, Xia Feixue’s pupils shrank violently, grabbing Yu Sheng’s hand and planning to escape to the door. These people are holding ak rifles in their hands! For the rest of my

life, there are no protective measures to just plant a small life.

Xia Feixue had just taken Yu Sheng to walk two steps, and the people saw that they were going to escape, and they didn't even think about it, they pulled the trigger and shot directly.

Bang bang bang...

After more than a dozen gunshots, bullets flew out of the muzzle, shooting in the direction of both of them with the sound of breaking wind.

Xia Feixue was chilling at this time, how could their speed be faster than bullets? Wearing a bulletproof suit on his body can save his life.

But for the rest of my life? He has nothing to wear, is he really going to die here?
