

Dont mess 1051

Chapter: 1051

“Huh? What kind of mess are you talking about, who is grandpa? Where is the liar who invited us to come to our gu’s family to swindle and deceive us. If we are a three-year-old child, we can still be deceived by you? Roll rolling, get out quickly!”

Although Gu Yang was very weak. But it didn’t affect his mouth in the slightest, and it was an insult for the rest of his life.

When Gu Tiancheng on the side heard this, he directly knocked on Gu Yang’s head and said angrily:

“Nizi, do you know what you are talking about? If it weren’t for this Master Yu to save you, you would have died long ago. !”

Before, Gu Tiancheng didn’t believe in Yu Sheng, and regarded Yu Sheng as a liar, but Yu Sheng took out a talisman and stuck it on Gu Yang’s body, and Gu Yang was in trouble.

Only then was it certain that the young man in front of him was a really capable master. It was too late for such a powerful character to indulge. His own son even ridiculed Master Yu. How could Gu Tiancheng be angry.

At this time, Old Gu had the same thoughts as Gu Tiancheng, and he was convinced by Yu Sheng. Before that, he had always thought that he helped Yu Sheng. Now in retrospect, being able to meet Yu Sheng for a good relationship is the most correct thing he has ever done.

“Yes, I’m sorry, Master Yu, it’s because I’m not good. I ran into you, so don’t care about it with me.” Gu Yang curled his lips and apologized to Yu Sheng unwillingly.

Yu Sheng immediately waved his hand. Now it’s not the time to care about this, he asks Gu Yang again with a prudent face: “Recall that there has been no harm to a girl named Liu Aijuan.”

In the short time just now, Yu Sheng deliberately asked the female ghost in blue about her life, and only then did he learn that it was Liu Yuning.

Hearing the name Liu Aijuan, Gu Yang’s original appearance changed for a while, and the expression on his face was a little weird.

“I don’t know, Liu Aijuan sounds like the name of a wild girl in the countryside, how could I know that kind of person? Cut!” Gu Yang said disdainfully.

As soon as his words fell, Liu Aijuan, who was watching all this, stared at Gu Yang with scarlet eyes, and rushed towards Gu Yang with her hand out.

For the rest of her life, she wanted to stop, but it was too late. Liu Aijuan was shocked by the thunder talisman on Gu Yang’s body and flew out.

“If I don’t tell the truth about this matter again, I really don’t intend to take care of this matter. The matter of your Gu family will have nothing to do with me.” Yu Sheng still wants to conceal the facts about Gu Yang’s situation. Unhappy.

When Yu Sheng said that he wanted to ignore this matter, Gu Tian became anxious. He gave Gu Yang a severe lesson, and then ordered: “Nizi, what else do you want to hide in this situation, just say it quickly.” what!”

Gu Yang also understood that this matter couldn’t be kept secret, and Yu Shengbian told the matter one to one.

Gu Tiancheng’s business is very large, with many companies under his control, and Gu Yang is idle all day long. In order to make him more motivated, Gu Tiancheng handed a small company to Gu Yang to take care of.

Liu Aijuan is a small clerk in this company, plus her sweet looks, she is also a little beauty.

Gu Yang met Liu Aijuan at the company's party again, and soon developed a strong interest in this girl, and started an offensive against her, wanting to take down this pure and sweet girl.

Of course, a playboy like Gu Yang can change two or three girlfriends in one week, so how can he be serious about a wild girl from the countryside, just wanting to have fun.

Gu Yang relied on her identity and status to confess to Liu Aijuan confidently, but she was directly rejected, and she was also told that she was already a fiancee again, and she was going to get married in two months.

Gu Yang had no way of accepting this fact. He never thought that he would be rejected by a wild girl. His self-esteem was severely hit, so he launched a strong revenge against Liu Aijuan!

Chapter: 1052

Gu Yang and his grandfather, father and brother are completely different personalities. Not only is he stubborn and loves female sex, but he also has psychological problems. He uses all means to achieve his goals and has a strong desire for revenge.

If you run into a woman on the road that he sees right, he will directly order his subordinates to take the person away forcibly, bring them back to his secret base, and then insult the girl after torturing, and finally throw out the girl with bruises and bruises.

Some girls hanged themselves afterwards because they could not accept this fact, and some people were directly tortured to death by Gu Yang. As for people like Liu Aijuan who hit Gu Yang, the end was even worse...

After learning that Liu Aijuan had a fiancee, Gu Yang directly arrested her fiancee and threatened Liu Aijuan with her fiancé's life.

In order to save the life of her beloved, Liu Aijuan had to agree to a series of requirements from Gu Yang, and even Gu Yang gave her to...

All of these can be tolerated. Liu Aijuan can't escape. She can only silently endure the atrocities committed by Gu Yang against her. If she dares to resist, not only her fiancee will die, but her parents will also suffer.

Every day she spent here was spent in extreme distress, if she could choose to die, she would rather commit suicide, but for her parents and lover, she must live.

I hope that Gu Yang's freshness to her will pass soon, so that she can leave this hell-like place.

But in the end, when Liu Aijuan waited, it was true that his fiancé couldn't stand such humiliation. He went to Gu Yang's theory and was killed by him.

After learning about this incident, Liu Aijuan was on the verge of collapse. She and her fiancé had known each other since high school. They went to college and worked together. The relationship between the two has always been very good. Both parents have already met. The dates have been set, and two months later it will be when they hold their wedding.

But her fiancé died, and she was dirty. Liu Aijuan had lost her belief in living. She thought about bringing Gu Yang, a scumbag, to death before she died.

But Liu Aijuan was just a weak woman, and when she was about to do something with Gu Yang, she was spotted by his bodyguard.

In order to punish Liu Aijuan, Gu Yang carried out almost all the atrocities against her, and finally threw it to his bodyguard. In another humiliation, Liu Aijuan was tortured to death.

Liu Aijuan's parents were her only child. After learning that her daughter had died so miserably, the two

elderly people took out their pension money and asked a lawyer to file a lawsuit, but there was no evidence that there was no way to help Gu Yang.

The two old men were unwilling to let their daughters be brutally murdered at such a young age and spent all their pension funds. The two old men also sold their only house, just to get Gu Yang to be punished.

Gu Yang struggled with it. As you can imagine, the two old men spent all their money and ended up sleeping on the street when they were old.

In this way, there was still no way to calm Gu Yang's anger. He did nothing and did nothing, so he simply spent money to ask someone to make a car accident and knocked two old people to death.

Liu Aijuan, who was tortured and died, became a ghost. Her only obsession in this world was her parents.

Seeing my parents crying day and night because of her death, the eyes of my mother crying were gone, and my father was ten years old in a flash.

Seeing his father's hard-earned money saved his whole life to ask lawyers to help him get justice, but when the lawyers heard that they were going to file a lawsuit with the young master of the Gu family, Gu Yang, they all dared not take it. The two old men were unwilling to give it. My daughter begged for justice and ran from house to house. In the end, the weak mother became tired and sick.

Even with this appearance, Liu Aijuan's father still did not give up. After losing the lawsuit again and again, their pension money was spent, and the second elder sold the house.

Seeing her parents living on the street, hungry and full, and finally killed by Gu Yang, how could Liu Aijuan not hate it in her heart.

If Gu Yang hadn't appeared, her life would have been very happy, marrying the one she loved to live a happy and warm life.

Liu Aijuan had a bit of hatred towards Gu Yang in her heart.

Chapter: 1053

In Gu Yang's narration, Liu Aijuan is a woman who admires vanity, and he accidentally killed her by accident.

Yu Sheng obviously would not believe what he said, because Liu Aijuan also recounted a series of behaviors that Gu Yang had done to her after narrating the facts in Guyang.

The things that Gu Yang did were inferior to beasts, and he was not worthy of being a human being. Now Yu Sheng no longer intends to take care of this matter. Even if Liu Aijuan tortured Gu Yang and burned his soul with fireworks a little bit for the rest of his life I also feel that he is not sorry for his death.

Looking at Gu Yang sitting on the bed with a hypocritical face and telling lies, Yu Sheng sneered and said coldly: "People are doing it, and the sky is watching. Your little lie can deceive others, but it can't deceive God. There will be retribution in my eyes sooner or later."

Hearing what Yu Sheng said, Gu Yang's face became a little embarrassed, and then he looked at Yu Sheng with a bitter expression on his face and said angrily: "What are you talking about? Do you think you fooled my father and grandpa and I would really be afraid you.

Now that I have woken up, there is nothing wrong with you here. Get away with the money, and it will be annoying to see you."

When Old Gu heard his grandson say such ungrateful words, he took the crutches in his hand and hit Gu Yang's body. When the crutches were in the air, he was caught by Gu Yang when he raised his hand.

“Grandpa, why are you hitting me for an outsider? Even without him, I will be able to recover, just a pretending liar.” Gu Yang said disdainfully.

He had invited the celestial master of Dragon Tiger Mountain and gave him a magic weapon to suppress evil. Gu Yang winked at his bodyguard when he thought of this.

Upon seeing this, the bodyguard immediately took the meeting and quickly took out something from his pocket, handed it to Gu Yang, and respectfully said, “Master, yours.”

What the bodyguard handed to Gu Yang was a triangle made of talisman paper. Gu Yang took the talisman paper and hung it directly on his neck, looking at Yu Sheng with a smug look on his face.

“A liar like you must not know what this is, right? I am the rune paper invited from the Dragon Tiger Mountain celestial master, and those demons and evil things don’t dare to enter my body at all!”

When in the world of heaven and earth, if a girl who doesn’t know what is good or bad was not touched by him, he would not be targeted by ghosts.

Yu Shengzai carefully looked at the triangular talisman paper worn on Gu Yang’s neck. It seemed to be true that there was a deep Taoism on it, and the power contained in it was not easy after a glance at Liu Aijuan.

When Gu Yang took the triangular talisman paper, Liu Aijuan’s blue ghost face was full of terror, scared her back a few steps, hiding behind Yu Sheng no longer dared to rely on Gu Yang.

“It’s indeed a good thing. Some things can protect you for a while, but they can’t protect you. The sins you have done will be paid back sooner or later.” Yu Sheng said coldly.

Gu Yang immediately became angry when he heard this. The kid said he wanted to curse him to death! Grandpa invited the person, this person didn’t want to save him at all, just wanted him to die.

So, Gu Yang looked at Old Gu with a grievance on his face, and said aggrieved: “Grandpa, do you think this man speaks human words? He just wants me to die, let him go! I feel upset when I see him. I can’t breathe in my chest now.”

The words that Yu Sheng said just now were also wrong. He listened to what his grandson said, and he was a little bit biased towards his grandson, so he felt that even if his grandson was wrong, it would not be wrong to death. What Yu Sheng said was indeed true. A bit too much.

Old Gu looked at Yu Sheng with embarrassment, and said apologetically, “I’m sorry! Master Yu, my grandson is not sensible. Don’t take it to your heart. Thank you for saving my grandson. Now there is nothing wrong with me, or else. Shall I invite you to dinner?”

Although Lao Gu said these words very implicitly, he still wanted the rest of his life to leave.

Since the Gu family were not welcome and he wanted to drive him away, there was no need to stay here cheeky for the rest of his life. He turned around and planned to leave. The life and death of Gu family is not his business anymore.

Just when she was determined to leave for the rest of her life, Liu Aijuan suddenly knelt in front of her, and said with a pleading expression: “Master, I know you are a capable person, please help me please, please, please. !”

Chapter: 1054

Gu Yang carried the talisman paper made by the Heavenly Master Longhushan himself. Even though Liu Aijuan had already turned the evil spirits, he still couldn’t help Gu Yang.

You can’t take revenge, and you have to watch her enemy live a happy life every day. Liu Aijuan feels unwilling! He couldn’t figure out why God was so unfair.

Although I have never done anything shockingly good in my life, I have never done anything bad. Why

did my parents end up being honest people for a lifetime?

After finally waiting for Gu Yang's amulet to drop, Liu Aijuan thought that she had caught the opportunity for revenge, but now this opportunity was also in vain.

With this incident, Gu Yang will definitely not give her any chance to start, is there really no chance for revenge? Liu Aijuan was not reconciled, so she wanted to go for the rest of her life.

The young man in front of her looked ordinary, but Liu Aijuan knew that he was definitely not that simple. Even if she had become the evil now, she still felt as weak as an ant in front of the rest of her life.

Seeing that Yu Sheng was not talking, Liu Aijuan kept kowtow. If it wasn't that she couldn't shed tears, she would already have tears on her face now: "Master, I'm really not reconciled! Why is such a wicked person? I can live safely and happily like this, I am not reconciled, I am not reconciled!"

Liu Aijuan screamed heartbreakingly, and slowly the aura in her body changed a little, and the original blue blood evil spirit turned into black.

Not only did the aura on her body change, but the bottom of the blue skirt she was wearing turned black, and this situation was still spreading.

Seeing that Yusheng's pupils shrank violently, he was shocked. He had seen this situation in the "Nine Heavens Profound Scripture".

I said before that ghosts are divided into three, six or nine classes. The most common is wandering spirits, while ghosts are relatively rare, and things like sha are hard to produce. As for demons, they are simply unheard of.

If there is something like a demon in a city, the whole city may be destroyed by the demon, and even the surrounding cities will bear the blame.

The existence of the devil is not only for revenge, it will bring endless killings at that time, and even the existence of the slightest humanity and compassion.

Don't dare to neglect, and for the rest of his life, he has absolute certainty that he can subdue a demon. After all, this kind of thing is still a soul body, and its mind can appear anywhere.

The strength can be beaten, but the rest of his life is always an individual. If he can't do this kind of movement, he can appear anywhere. In order to prevent this from happening, the rest of his life can only prevent Liu Aijuan from transforming into a demon.

Yu Sheng raised his hand on Liu Aijuan's head and patted it gently: "Calm down first, first suppress the hatred in your heart, otherwise it will lead you to a situation where you will never be superborn. You are a good girl and cannot do it for it's worthless to be a scumbag that will never live forever.

I will help you, please calm down first!"

After Yu Sheng gently stroked her head, Liu Aijuan was originally in a situation of extreme anger, but she slowly calmed down, and the black energy around her also gradually faded.

Liu Aijuan raised her head and looked at Yu Sheng with an incredulous expression on her face and asked, "Do you really agree to help me?"

Yu Sheng nodded heavily and watched Liu Aijuan's breath return to normal. He then let out a long sigh of relief, and finally restrained Liu Aijuan's transformation into a demon.

Chapter: 1055

"Why are you talking to yourself and pretending to be a ghost there? Don't think that you will be able to make us believe you. Get out of here. I feel upset when I see you." Gu Yang said unceremoniously.

As if feeling at a loss for words, he picked up the pillow on his body and smashed it towards Yu Sheng.

Old Gu grabbed the pillow, threw it on the ground, and then looked at Gu Yang solemnly: "Does the Gu family usually discipline you like this? I don't understand any politeness. Gu Tiancheng asked your son to stay at home honestly recently. You can't go out if you can't learn etiquette and numbers."

"Yes, Dad, I have educated Gu Yang well and I won't let this happen again." Gu Tiancheng has always respected his old father, and naturally he will not refuse to listen to his words.

Cruelly murdered a girl's family, just thought of such a simple punishment behind closed doors? Yu Sheng promised to help Liu Aijuan naturally to take this opportunity to seek justice with him.

Yu Sheng directly communicated with Liu Aijuan by mind and asked her where Gu Yang's secret base was located.

"Old Gu, if you believe it or not, I will tell you that if you believe it or not, I will tell you that this grandson of yours killed an unmarried and family member who cruelly killed someone. Signs of the devil."

As he said, Yu Sheng pointed his finger at the triangular talisman paper worn on Gu Yang's neck and said, "This murderer has skipped a catastrophe because he is protected by a magic weapon to avoid evil. But your family members will not have any. Not only will your family members be killed by that time, but even the entire trip to Beijing will be affected."

Old Gu's face was thinking, and he helped Gu Yang recover for the rest of his life, so he could see that he was a capable person, but what he said just now was really amazing and unbelievable.

"What the hell? You liar, can you be more professional? Hurry up, our family really doesn't believe you. Believe it or not, I asked someone to beat you out?" Gu Yang was already impatient Yes, he made a color for his bodyguard.

Upon seeing this, the bodyguard raised his hand and slapped towards Yu Sheng's face. Just as his fist was about to touch Yu Sheng's cheek, Yu Sheng didn't have any shots. She is now a half-step Grand Master Realm, only spreading over her body. The coercion of this can make an ordinary person incapacitated.

The bodyguard didn't even know what was going on, he felt that a thousand catties of weight were on his head, pressing him directly to the ground, and he couldn't get up.

"Master save me, master save me! This person is a monster!" The bodyguard could feel that the strange power came from Yu Sheng, and he asked Gu Yang for help in horror.

Gu Yang didn't know what was going on. In his eyes, he saw that his bodyguard was hitting Yu Sheng, suddenly lying on the ground inexplicably.

In the past, he killed many young girls, and had turned into ghosts and other things to come to him, so he asked the heavenly master of Longhushan for a talisman to bring on him.

Now that I see this situation, I feel that the rest of my life is not an ordinary person. How can an ordinary person know what he has done?

"You...Who are you?" Gu Yang suppressed the arrogance before, looking at Yu Sheng with a look of fear and asked.

Yu Sheng said coldly: "A man who walks for the sky."

Hearing this sentence, I didn't feel anything in other people's ears, but Gu Yang was different. He did a lot of things that hurt the world and reason!

In addition to the look in Yu Sheng's eyes, it seemed that he could see through his soul. Under his eyes, he had no secrets at all.

"Grandpa is a lunatic, you quickly drive him away!" Gu Yang said in a panicked tone.

Seeing Gu Yang's guilty conscience at the moment, Yu Sheng showed a playful smile on the corner of his mouth, and said coldly: "Gu old, I know what I said, you may not believe it, but I want to take you to a

place, you see You can tell at a glance whether what I said is true or false.”

After saying this, Yu Sheng walked directly in front and led the way. He didn't care about the father and son of the Hou family, and the two of them did not follow.

Chapter: 1056

Looking at the back of Yu Sheng leaving, Gu Yang was very anxious, but he was tortured before, and now he is physically weak, and there is no way to get out of bed but to watch his grandfather and father follow.

I can't do anything, I can only pray silently for the rest of my life not to find that place.

Yu Sheng had just left the door of the room, and ran into a man facing him. The two almost didn't collide with each other. Fortunately, the rest of his life was responsive.

When Yu Sheng saw the man in front of him clearly, he was startled, and subconsciously looked back at Gu Yang on the bed.

The man in front of him is exactly the same as Gu Yang's, like carved out of a mold, Yu Sheng almost thought that he had read it wrong.

“Sorry, I was too impatient just now.” The man smiled apologetically and apologized to Yu Sheng. He put his posture very low. The smile just now gave people a very sincere feeling.

Yu Sheng shook his head and said that he didn't have anything to do, but his eyes didn't leave the man in front of him.

This man and Gu Yang look too much alike, but the two have completely different personalities. The young man in front of him is very polite and looks gentle.

As for Gu Yang, the overall temperament gives people a feeling of being careless and indifferent.

Coupled with the things she has done that are not human, it is insulting to say that he is a beast.

“Aming, didn't you mean that Tian is back? Why are you back now!” Gu Tiancheng saw an ecstatic expression on Gu Ming's face.

This is the eldest son of the Gu family. After Yu Sheng understood the identity of the visitor, he didn't understand him, so he turned and left.

Gu Tiancheng and Gu Ming, who followed Yu Sheng on the road, talked about what happened at home, and Gu Ming followed with curiosity.

A group of people came to the parking lot. Liu Aijuan led the way and opened a very secret passage.

When Yu Sheng opened up, both Gu Lao and Gu Tiancheng behind them showed surprised eyes. There was a passage in Gu's house, even they didn't know how this Yu Sheng knew.

Before he had time to ask carefully, Yu Sheng had already walked into the tunnel at this time, and only three people in the Gu family followed, and then they also entered.

The underground passage is not as dim and humid as imagined, but it is like an entertainment place, and the decoration below is very bright and luxurious.

“Master, the beast kept me in that room and tortured me for a whole week. There is a camera in the room. The beast was deliberately photographed as a collection.” Liu Aijuan gritted her teeth and said with hatred for Gu Yang in her eyes. It's almost overflowing.

Yu Sheng nodded slightly, and walked in the direction that Liu Aijuan pointed out. The decoration in the room was completely different from the fire outside.

This room is very leaky, there are some weird tools in it, there is also a special seat with two iron chains hanging on the top, and there are some torturing work on the really good table.

Just looking at everything in front of him for the rest of his life, he could imagine that Gu Yang had done

something in this place.

It turns out that some people are really not humans, but just beasts dressed in human skin. Obviously Gu Yang is that kind of person.

The descendants of the Gu family at the door fell into contemplation after seeing the scene in the room. Various signs indicate that some things that Gu Yang has done are definitely not as simple as what he said.

There are not many rooms in the basement. The other room is very simple. There is only a table with a sharp knife on it and a large meat grinder next to it.

At first glance it looked like a place for cooking, but this place didn't have tools for making fire, pots and pans, and even seasonings.

Thinking of a possibility, Yu Sheng's expression sank and asked Liu Aijuan: "Do you know where your body is after you die?"

Chapter: 1057

"The corpse?" Liu Aijuan murmured, and then shook her head. She really didn't know this question for the rest of her life.

After her death, she fell into a period of confusion. She didn't even know that she was dead. After that, her soul was trapped in this room and there was no way to get out. Liu Aijuan could not get out until the word on the door slowly lost its effect.

Yu Sheng walked up, picked up the knife on the table and put it in front of his nose and sniffed it lightly, then his eyebrows wrinkled.

There was a strong smell of blood on the top of the knife, and that smell did not come from animal blood, but human blood.

It seems that after the victimized girl was brutally killed by Gu Yang, their bodies were divided again.

I remember there is another room. Yu Sheng walked directly towards the last room. The door of the room was not locked like those two. This door was a security door, and the surface was extremely hard, like what it was used for. Made of special materials, there is no way to open this door even with a saw. Although this door can block the entry of ordinary people, Yu Sheng is a half-step master of the strength, and there is no way to put this door in his eyes.

Lifting his leg for the rest of his life, he kicked on the door, only to hear a loud bang, a footprint on the iron door was sunken in, and then the door fell backwards, and the scene in the room caught everyone's eyes.

This time the room looks very normal, normal, with a big bed in it, a table next to it, and a computer on the table. All this looks like an ordinary bedroom.

Yu Sheng's eyes fell on the screen, the computer that was still on, and when he walked over, he found that the screen of the computer was the scene in the basement.

From the entertainment area in the lobby, as well as the scenes of the two rooms, you can see all from the computer.

Yu Sheng glanced at the screen, but was idle, and began to turn over the computer desk, looking for something else.

After searching for a while, I found an album, and the album was full of pictures of some girls, all of them were taken in this basement, and the last one was a picture of Liu Aijuan.

Liu Aijuan's hands were imprisoned by chains, and there were blood stains on her hands, like traces of being beaten by a whip, and her white tender face was engraved with the word "watch" with a knife.

The descendants of the Gu family from the back also took a sigh of relief when they saw the photos in the album. They still couldn't believe that the girl was tortured in this way because it was all Gu Yang. In addition to the first volume, Yu Sheng also flipped to a USB flash drive. He didn't hesitate to directly insert the USB flash drive into the computer, and manipulated the mouse to open the files inside.

The above is a video one by one. Yu Sheng controlled the mouse and clicked on a video. On the computer, Gu Yang and his subordinates dragged a five-flowered beauty into the basement. Gu Yang took her to the first one. Inside the room.

The girl kept struggling, and Gu Yang was like a devil, with no pity for the girl in his eyes, and began to commit a series of atrocities against her.

Halfway through the video, the three of Gu's family had no face to watch, and they turned their heads and sighed deeply.

After watching the entire video for the rest of his life, his eyes were scarlet, and the blue veins on his forehead burst out. After listening to Liu Aijuan's narration, he already knew what Gu Yang was like, even if he was prepared to believe in someone. You can do this kind of cold-blooded and ruthless, hobby of torturing others.

The girls who were tortured to death by Gu Yang were dragged into the second room, chopped their meat into big chunks, and then put them in a meat grinder to make minced meat.

There is not only one video on the computer, but also more than a dozen, which means that more than a dozen girls were brutally murdered by Gu Yang in this way, even broken into pieces.

Yu Sheng closed his eyes, even his breathing heavier, his fists clenched tightly, clucking hard.

"Liu Aijuan, I will help you pull the talisman from Gu Yang, and let you tell the lives of Gu's family!" Yu Sheng said word by word.

Chapter: 1058

The reason why Liu Aijuan didn't act on Gu Yang was because she was afraid of the talisman on his body. If Yu Sheng could help him take the talisman away, then she could take revenge.

She knelt on the ground gratefully, kept kowtow towards Yu Sheng, and said excitedly to Yu Sheng:

"Thank you, Master, thank you for your mercy."

Although Lao Gu didn't understand why Yu Sheng was speaking into the air, his age was not in vain, and he could guess it with his brain.

The rest of his life started talking to himself when he was in Gu Yang's room. The first time he came to Gu's house, he was able to find secret paths that he didn't know. There is only one possibility for all of this, that is, the rest of his life can see them. Things you can't see.

And now that he really has the ability to take care of their family's affairs for the rest of his life, he will help that ghost to deal with Gu's family.

"Master, you can show me the victimized girl. I want to apologize to her personally." Gu Lao said, kneeling directly in front of Yu Sheng.

Yu Sheng now has no mercy for Gu's family. If Gu Lao thought that he would be able to make a move by kneeling, it would be impossible.

"Gu Lao, these things your grandson did are not things that can be solved by kneeling me. He was killed, and it is not a pity to die!" Yu Sheng said without a trace of emotion.

"Master, you have misunderstood. I believed all the things you said before when you came to this basement. Gu Yang did kill him. Even if he died ten thousand times, he would not be able to make up for the poor girl's suffering. s damage.

And I'm so old that I don't care even if I die. I just want to see those girls apologize to them in person.
"Gu Lao said very sincerely, and a line of tears slipped over a pair of muddy old eyes.
Seeing that Old Gu was so sincere, Yu Sheng raised his hand and nodded on Old Gu's forehead. Looking after Gu Tiancheng and Gu Ming also looked eager, and Yu Sheng opened his eyes to them respectively. As soon as the eyes of the sky opened, the three of them saw the girl in blue standing not far away. The appearance of this girl was exactly the same as the last tortured girl they saw in the album.
With any hesitation, Old Gu directly knelt in front of Liu Aijuan and knocked his head a few times. When Old Gu raised his head, a big bag appeared on his forehead and blood was flowing downward.
"Girl, it was me who taught me no way to let my grandson kill you like this. I killed it, and all my family members couldn't save it. You want to kill or kill. We have a bit of complaint.
It's just that these people in Beijing are innocent. Don't hurt them after you get revenge. "While speaking, Old Gu squatted his head a few times.
Gu Ming and Gu Tiancheng on the side also knelt down and kept kowtow to Liu Aijuan to admit their mistakes.
At this time, Liu Aijuan quietly looked at the three people in front of her and her heart was complicated. Gu Yang not only killed her, but also killed her favorite person, as well as the parents who loved her. She originally wanted to kill Gu Yang, and then kill all of the Gu family's young and old, but she was caught in entanglement when she saw this scene.
Although Gu Yang is their relatives, he is completely different from the three people in front of them. These three people have a temperament that a gentleman can only have.
After hesitating for a long time, Liu Aijuan turned her head and didn't look at the three people who knelt in front of her and apologized to her. Instead, she said to Yu Sheng, "Master, can you take me out to find Gu Yang now!"

Chapter: 1059

"What are you doing in a daze? Get up quickly!" Yu Sheng said to the three of the Gu family, who knelt on the ground and kept kowtow apologizing.
Old Gu shook his head, feeling that even if he kowtows here today, he still can't pay off the harm to this girl, so he doesn't stand up.
stubborn! Yu Sheng couldn't help but cursed at the three Gu family in his heart.
"Hurry up! Miss Liu has forgiven you, but Gu Yang has to die!" When it came to Gu Yang, Yu Sheng's voice became colder again.
.....
"Grandpa, Dad, you must not believe this liar, he just tried his best to cheat our family's money, hurry up and get him out!"
Gu Yang saw his grandfather, father and elder brother come back, and said quickly, he didn't know where they went, so he could only say that.
Hearing this, Gu Yang walked quickly to Gu Yang's bed with a cane. He slapped him in the face with a slap up his hand. It seemed that it was not enough. Old Gu slapped him again. Several slaps.
He has been upright throughout his life, whether he is getting along with people, relatives or friends, he respects him very much.
Now that he is old, he never imagined that his family would give birth to such a grandson who has done all his deeds and deeds. It is simply a misfortune for his family!
"Gu Yang, you are not worthy to be my Gu family's person. My Gu family has nothing to do with you

from now on. Your life and life have nothing to do with us.” Old Gu angrily said, personally holding the triangle talisman paper on Gu Yang’s neck. Pulled down.

Gu Yang didn’t have time to think about why his grandfather said this, but instinctively wanted to take the talisman paper from Old Gu’s hand.

But its body is too weak, and there is no way to get out of bed. It can only beg: “Grandpa, you should return that thing to me. If you have it, those dirty things will come back to me, she will Killed me!”

Listening to Gu Yang’s pleading, the expression on Old Gu’s face did not change, but his eyes flashed with unwillingness, and then he quickly converged, clenching the talisman paper in his hand and torn it to pieces.

When Gu Yang saw this scene, his head exploded. He couldn’t believe his eyes. Why did Grandpa do this?

Then he yelled at Old Gu: “Grandpa, are you confused? That’s the rune paper for your grandson’s life. How can I tear it up?”

Just as Gu Yang looked up, he saw a woman in a blue dress appeared in front of him. At this time, Gu Yang was sweating delicately on his forehead because of tension.

Slowly raising her head and seeing a familiar face, Liu Aijuan, who was really killed and shredded by his own hands, and fed the minced meat to the wild dogs, she...she actually appeared in front of her!

“Ah!” Gu Yang exclaimed and never stopped moving back until he fell to the ground, but he was still scared.

When Gu Yang was in a panic, he took the pieces of talisman paper on the ground in his hand, and said tremblingly to Liu Aijuan: “What do you want to do, you hurry up, I have the evil spirits made by the Heavenly Master Longhushan in my hand. The weapon can directly disperse the soul of you, if you know it, go quickly.

At this time, the copy in Gu Yang’s hand no longer had any effect, and the above Dao Fa had disappeared when Old Gu tore it to pieces.

Liu Aijuan floated directly to Gu Yang’s side, slowly opened his hand, and snatched the fragments of the talisman paper from his hand.

boom!

A blue flame emerged from Liu Aijuan’s hand, burning the fragments of the talisman paper into powder.

“Gu Yang, I want to see what you still rely on today. You must die today. Go underground and confess my parents’ fiance!” Liu Aijuan said, raising her hand and pinching Gu Yang’s neck.

Chapter: 1060

“No, no, you can’t kill me, I don’t want to die, I can’t die!” Gu Yang shook his head helplessly, scanning everyone in the room, randomly locked onto Yu Sheng.

Dragging his weak body, Gu Yang tried his best to crawl in the direction of Yu Sheng, grabbing Yu Sheng’s trouser legs and begging: “Master, I know I was wrong, I really know I was wrong, please help me. I really do I don’t want to die!”

Yu Sheng lowered his head, looked at Gu Yang with full of disgust, and said without a trace of emotion: “When you do those things, you should think of the consequences now, and the karma wheel should be unhappy in return!”

At this time, Liu Aijuan had floated to Gu Yang’s side, a pair of blue hands grabbed her neck, Liu Aijuan stared with blood-red eyes and asked: “Gu Yang, you destroyed my home with your own hands. You died. A thousand times, ten thousand times can’t solve the hatred in my heart.”

As Liu Aijuan's thoughts moved, Gu Yang was surrounded by blue yin fire, and Gu Yang's screams were heard shortly afterwards.

"Help! It hurts, it hurts! Grandpa save me, I don't want to die yet, Dad, I'm your son! Save me, save me! Brother, save me!"

While suffering, Gu Yang was still begging everyone for mercy. His body kept rolling on the ground, but it didn't have any effect. Yin Huo was different from ordinary fire. Yin Huo had the master's will and would never go out. , And there is no way to make up for the harm to people.

At this moment, Gu Yang, who was constantly rolling on the ground, his body turned black at a speed visible to the naked eye, as if he had been fished out of black ink.

He struggled more and more intensely, twisting and convulsing painlessly, knowing that the blood vessels in his skin were protruding, and then even the red blood vessels were bursting open, and blood was splashed everywhere.

The three of the Gu family who watched this scene closed their eyes one after another. Old Gu turned his head and couldn't bear to continue watching. Although Gu Yang ended up like this, he deserved it, but he was always the grandson she grew up with. , How can we not feel bad?

If he didn't take off the triangle symbol he was wearing on his neck, maybe Gu Yang could still live his life freely, but is that fair? Is it fair to victims like Liu Aijuan and those girls brutally murdered by Gu Yang?

It was he who killed his grandson himself, but he was also damned!

Gu Tiancheng watched his son die in this painful way, and a line of tears flowed from his eyes. Then he sighed heavily and said, "Ah! Be a good man in your next life. Don't do this kind of harm. It's not only hurting others, but also hurting myself."

After Gu Yang squirmed on the ground for a few times, he was completely silent. His eyes were rolled, and the facial features on his face were twisted and ferocious. He seemed to know that he must have endured great pain during his lifetime.

Immediately a soul floated out of Gu Yang's body. Looking at the black corpse on the ground, Gu Yang's wandering soul scratched his head incomprehensibly. When his hand passed through his head, Gu Yang discovered the matter. Is wrong?

Looking at everyone with a confused look, they asked, "What's the matter? Why is there a black body that looks exactly like me on the ground? Why are my hands transparent? What's the matter?"

Gu Yang, who was in the blurring period, didn't know what had happened.

Liu Aijuan sneered and floated over, and said coldly: "Gu Yang, you are dead! And you have no chance of reincarnation. A beast like you is not worthy of being a human being!"

When Gu Yang was still wondering, Liu Aijuan grabbed Gu Yang's neck and stuffed it directly into her mouth. In the blink of an eye, Liu Aijuan ate Gu Yang's wandering spirit.
