

## Dont mess 1101

### Chapter: 1101

This incident completely reorganized the worldviews of Hei Sha and Bai Kui. The three brothers knew each other's abilities, so they naturally understood how powerful the mental attack Hong Ling had just launched against Sheng.

Even if a powerful man in the late period of the Great Master was hit by Hong Ling's mental attack, even if he was lucky enough to survive and had nothing to do, he would be in a coma for about seven days. For the rest of his life, he was obviously just an early person, how could he stand there intact and even attacked Hong Ling.

It was already an accident that he was lucky enough to survive under the silver needle of Heisha before, but his ultimate move in Hongling was intact again. This can only explain one point. This kid is far from as simple as they thought. , Even their three brothers will be planted in his hands today.

Hong Ling was completely smashed by Yu Sheng's full palm of his body bones. He had completely lost the battle in the past, and Hei Sha was exhausted because of excessive use of silver needles, just like a waste.

The only person who still has the ability to fight now is Bai Kui alone, but the fluctuations in his heart now are too great, and the heart of martial arts is almost not firm, let alone fighting Yu Sheng.

Bai Kui looked at Yu Sheng, as if he was looking at an unkillable monster, facing such a powerful unknown opponent, his heart was filled with fear.

"Monster, you...you...how could you be dead?" Bai Kui asked Yu Sheng in horror, his voice trembling.

Seeing Bai Kui's appearance, the corners of Yu Sheng's mouth rose slightly, the person in front of him was no longer worthy of him, and Yu Sheng could easily kill him if he wanted to.

"How can you kill me like this? If someone is really going to die, then only the three of you can die!" Yu Sheng said lightly.

Bai Kui didn't have any rebuttal. Even though he was so proud, he still had to admit this fact. Today their three brothers really fell into the hands of a young man in his twenties.

Yu Zhongtian really has a good son!

Both Bai Kui and Heisha closed their eyes and looked like they were waiting for death. They now had nothing but to wait for death.

"We are convinced that we are defeated in your hands. If you want to kill you, please do it!"

Yu Sheng didn't pay attention to the two of them. Instead, he carried Yu Zhongtian on the ground and waited until he was about to get on the elevator.

"My purpose this time is just to rescue my father. The Doomsday Prison needs you to take care of it. If I kill you all today, then the evildoers in the Doomsday Prison will run out to harm the other party, wouldn't I be guilty."

Speaking of the elevator door closing, Bai Kui and Heisha slowly opened their eyes after hearing Yu Sheng's words.

Seeing the mess in the 18th floor underground, Bai Kui and Heisha sighed. They didn't know if it was the joy of the rest of their lives, or some other strange emotion.

After the doomsday jail, there is no face to call it a prison where no one in the world can escape from here. Today, a young man was successfully robbed by a young man. If this happened, the old faces of the three adults would have no place to put them. NS.

Recalling the words Yu Sheng said when he was leaving, Hei Sha and Bai Kui had an idea that the reason

why Yu Zhongtian was able to escape the doomsday prison, perhaps he did not belong to this place! It is understood that Yu Zhongtian is not a heinous person. The reason why he was regarded as a dangerous object of care in the Doomsday Prison is also because of his terrifying strength. Being imprisoned here was also the planting and framing arranged by Li Hongsu in the past. The message of Yu Zhongtian's departure soon came in the Doomsday Prison. The big demon who had been imprisoned here for a long time was restless and wanted to try to escape. Only when he was electrocuted and almost lost his surname. Give up.

### **Chapter: 1102**

"Dad, I brought you out!" Yu Sheng's voice choked together, more of the excitement and excitement that could not be suppressed, and patted Yu Zhongtian on the back to try to wake him from a coma. It's also a coincidence that Yu Zhongtian's internal strength that had been overdrawn in the violent form of Johnson's Pill before has slowly recovered. He subconsciously heard his son calling him, so he slowly opened his eyes.

As soon as I opened my eyes, I felt a light of closed eyes, and subconsciously turned his head to the side, seeing a piece of green grass was a blank in Yu Zhongtian's mind.

"Dad, we are out!" Yu Sheng knew what Yu Zhongtian was thinking, so he shouted with all his strength, the voice seemed to tell Yu Zhongtian, and if he wanted to, he told himself.

"It... really came out?" Yu Zhongtian touched the grass on the ground with his bone-like hands, the expression on his face was full of greed.

The dazzling sunlight is so dazzling that he can't open his eyes. He has been living underground for so many years. This is the first time he has seen sunlight in so many years. Even Yu Zhongtian feels very happy every time he breathes. .

Since entering the Doomsday Prison, Yu Zhongtian has never imagined that he will be able to get out of this place one day, but today he has really come out!

His son rescued him from that dark place, and never had to struggle to live in that hell-like place in the future.

Standing up from the ground, he hugged Yu Sheng and his son tightly together, but a generation of heroes cried at this time.

"You deserve to be my Yu Zhongtian's son, you deserve to be my Yu Zhongtian's son!" Yu Zhongtian patted Yu Sheng's back with joy and pride.

Perhaps the most beautiful words in the world are my father's approval! Yu Sheng smiled, his smile was so brilliant, it was the first time that he showed such a relaxed smile in the rest of his life in so many years.

"Dad, don't you know how much your little grandson misses you? He must be very happy to see you by then!" Yu Sheng said with a smile.

"I'm serious." He let go of his hand holding Yu Sheng, and asked with bright eyes.

"Of course it is true. His name is Yu Xiaoshui. He is six years old this year. He is very obedient and sensible. You will love him if you meet him."

Hearing what Yu Sheng said, Yu Zhongtian couldn't wait to hear it, and wanted to appear in front of his grandson immediately and take a good look.

"Walk around and take me to see him. I really want to see what my grandson is like when you were a kid," Yu Zhongtian urged.

Yu Sheng looked at Yu Zhongtian now, with a melancholy expression on his face, and said in a

negotiating tone: "Dad, should I take you to clean up first?"

At this time, Yu Zhongtian looked down at himself. His trousers were in tatters and only a few rags were still hung on them. The clothes on the top had a shoulder, and his body was not gray. Yes, and the hair was burned into explosive heads because of an electric shock.

Having been imprisoned in the Doomsday Prison for so many years, Yu Zhongtian, as a dangerous caregiver, had no conditions to take a bath at all, and his whole body exuded a faint smell.

Yu Zhongtian now looks even more embarrassed than the beggars on the street.

"You are right to remind me, I went to see my grandson like this, and don't scare him away, take me to clean up." Yu Zhongtian said.

At this time, the helicopter that received the information had arrived, and Yu Sheng and Yu Zhongtian boarded the helicopter at the same time.

When the staff saw Yu Zhongtian, they were also very surprised, but due to Yu Sheng's identity, none of them dared to speak.

After getting off the plane, the father and son talked and laughed, and Yu Zhongtian told Yu Zhongtian about what happened in the past few years.

What they hadn't noticed was that in a hidden corner, a graceful shadow stared straight at them.

### **Chapter: 1103**

It is impossible for Yu Sheng to take Yu Zhongtian directly to the mall to buy clothes or something like this, after all, his current outfit is really weird.

So first took Yu Zhongtian to take a shower and put on clothes for the rest of his life before going out.

The figures of the father and son were similar, and the clothes were quite good.

"Dad, should I take you to do your hair first or buy clothes first?" Yu Sheng asked.

"Buy clothes! The style of your clothes is not what I like, and you are awkward to wear." As Yu Zhongtian was active, he was still uncomfortable even though he was wearing casual clothes.

Yu Zhongtian manages the Yu family into a top-notch family. He is more serious, so if you want to dress more formally to give others a sense of majesty, this casual wear is naturally inappropriate.

Since he was buying clothes for his father, Yu Sheng would of course not be stingy, and took Yu Zhongtian directly to the best Armani clothing store.

"Two gentlemen, welcome." A young beauty walked over and bowed to Yu Sheng and Yu Zhongtian with a respectful, easy-going smile on her face.

But when she looked up at the two people in front of her, her respectful smile immediately solidified, and she couldn't help but look up and down at the two of them.

How weird these two people look, the young man is like an ordinary poor woman, and the middle-aged man with such long hair and that strange dress look awkward.

This is an Armani suit shop, and the people who come are either rich or expensive. They don't look like rich people in their dresses.

The waitress smiled awkwardly, and asked a little embarrassingly: "Did you come to the wrong place for those two gentlemen? This is an Armani store."

"I didn't come to the wrong place." Yu Sheng dropped a faint sentence and took Yu Zhongtian into it, saying, "Dad, see if there are any clothes you like."

"Well, these are the clothes that the head of the family should wear!" Yu Zhongtian nodded in satisfaction and began to carefully choose the clothes he likes.

The beauty waiter didn't even think that these two people actually pretended to stir up clothes. The

most important thing is that the middle-aged man still touched this and that.

The beautiful waiter was named Bao Fang. She finally applied for a job and came to work in a brand-name shop. She didn't want to lose her job because of these two paupers.

There was no other way but to look at the assistant store manager while looking for a job, and trot to the assistant store manager Jia Chengcai.

"The store manager, two men came over there. I feel that they are not here to buy clothes. They seem to be making trouble. What should the store manager do?"

Jia Chengcai glanced at Bao Fang and muttered disgustingly: "It's useless, this little problem can't be solved, and I don't know what you are here for, take me to see!"

Bao Fang did not dare to speak, said yes in a low voice, and walked over with Jia Chengcai.

When Jia Chengcai saw the costumes of Yu Sheng and Yu Zhongtian, his face showed disdain. He has worked in this place for more than ten years, and this is the first time he has seen such a person who dares to enter the store. .

Jia Chengcai doesn't think these two people are rich and low-key, and the real top-class people don't care about the brand at all.

They have their own designers to design clothes with the most comfortable and suitable fabrics. They even wear a simple dress but wear a famous watch on their hands. This is the sign of those people.

But the two people in front of them were absolutely poor, and they came to make trouble. Jia Chengcai walked over and patted Yu Zhongtian on the shoulder.

"Hey, neither of you two will look at what this place is? Can you come? Go out quickly and don't affect our business. You stand in my store and you lower the grade of the store." Jia Chengcai Said disdainfully.

#### **Chapter: 1104**

The expression on Yu Zhongtian's face instantly solidified, turning around and staring at Jia Chengcai with a pair of eyes, the king's breath spreading out of him.

Jia Chengcai only felt like he had fallen into an ice hole, with goose bumps all over his body. There was no contempt and disdain in his eyes when he looked at Yu Zhongtian, only full of fear.

That kind of feeling is like the person in front of him, as long as he moves his fingers, he can easily squeeze him to death. How can a person who can give people this feeling be an ordinary person? It is definitely an existence that he can't afford to offend.

"Yes... I'm sorry... you keep watching." Jia Chengcai couldn't help shaking, stammering because of nervousness.

Yu Zhongtian didn't look away from him, still looking at him as if he was not satisfied with his previous apology.

Without hesitation, Jia Cheng directly knelt down, as if he felt that it was not enough, and knocked his head a few more times, and then stopped until the color hung on his forehead.

Upon seeing this, Yu Zhongtian slowly condensed the aura of a great master and powerhouse before, and then turned his head and chose clothes as if nothing had happened.

Even if Yu Zhongtian didn't practice martial arts, he was still a high-ranking person all year round, the head of the Yu family in Shangjing, and one look was enough to deal with an ordinary person who underestimated him.

Yu Sheng, who originally wanted to take action to solve this matter, saw that his father had solved it in this way, and couldn't help but give his father a thumbs up. This was indeed something Yu Sheng admired.

When he was looked down upon in Qiancheng, he was simply too much, but Yu Sheng's personality was introverted and forbearing. If he was too guilty for Yu Sheng, he would not care about them in general. When Jia Chengcai saw that the middle-aged man stopped worrying about him, he ran away in a shit, and didn't dare to look back in the process.

He has been working in this shop for so many years and he has seen anyone in a high position. This is the first time he has seen such a ruthless character. In the minute he just stayed there, he almost frightened his courage. broken.

Not to mention that they are here to make trouble not to buy clothes, even if the store is hollowed out and occupied, he, the deputy store manager, dare not say a word.

"The manager, why did you come back so soon?" said Bao Fang, who looked not far away, and the two ordinary people were still looking at the clothes, so he asked curiously: "Could the manager be the two Can people really buy it?"

Jia Chengcai gave Bao Fang a white look. If it hadn't been for her to be a beautiful woman, she would have slapped her face with a slap.

Angrily said: "You, you almost killed me. If you meet someone like this in the future, don't fucking call me or I don't know how I died!"

Speaking of Jia Chengcai picked up a cup of grunting white water and drank it directly, his panic mood calmed a lot.

On the other side, Yu Zhongtian naturally didn't care what those little characters were thinking. He chose a few clothes that he liked and fitted, and then he went to checkout with satisfaction.

"Don't worry, I'll bring some gifts to my grandson when I go home. This is the first time I meet as a grandfather, I can't do it empty-handed, right?" Yu Zhongtian rushed into the mall and started choosing gifts for Xiao Shui.

Yu Sheng shook his head helplessly, his father now looked like he was beaten with blood. It's like endless energy.

After shopping with Yu Zhongtian for so long, the rest of my life was a little tired, and did not follow Yu Zhongtian into the mall, but found a quiet place to sit down, and decided to smoke a cigarette to relax. Just as he breathed out a puff of smoke for the rest of his life, a cold dagger hit his neck, and a woman's voice came from his ear. The voice was charming and sultry, but what he said was extremely cold.

"Hand over the things, or I will kill you!"

## **Chapter: 1105**

Yu Sheng used his mind to perceive it, and the dagger on his neck was just an ordinary dagger and could not take his life.

It just made him wonder how this woman could quietly appear behind him.

"What?" asked the rest of his life puzzled.

"Where is the jade pendant you wore on your neck, give him to me!"

The woman's voice rang from her ear again, but this time her tone was a little urgent, as if she was desperate for a piece of jade pendant.

After hearing this, Yu Sheng came to understand. It turned out that this person wanted Ningyu, but now she had no way to snatch Ningyu from herself.

Because after absorbing his blood and recognizing the master, Ningyu completely integrated into his body, and it should be said that he became the little doll in his mind.

Perhaps this woman had appeared behind him a long time ago, but she hadn't found Ningyu before she

suddenly appeared.

"The thing is missing, I don't know where I lost it." Yu Sheng shrugged helplessly, and lied casually.

"It's gone? How could it be gone?" A flash of surprise flashed in the woman's eyes. Could it be possible that someone had taken the jade pendant away first?

How could it be possible that few people could recognize something like Ningyu, how could it be snatched away like this?

The woman squeezed the dagger in her hand and pressed Yu Sheng's neck hard, and said in a cold voice, "Are you playing tricks on me, hurry up and hand over the jade pendant, or I will kill you."

Facing the threat of the mysterious woman, Yu Sheng laughed without fear, and asked in a relaxed tone: "You are so confident, can you kill me?"

Speaking, Yu Sheng slapped a palm behind him, but when his hand touched the woman's body, he wiped a very soft thing.

Yu Sheng turned his head and realized that the palm of his hand just happened to hit the soft place on the mysterious woman's chest.

A touch of embarrassment appeared on the face of this world, and he was used to fighting men, so he was unscrupulous in his moves. Suddenly, he met a woman as an opponent, and he didn't expect this to happen.

The mysterious woman hit the sudden palm several meters away, and when she got up she spit out a mouthful of blood.

"You despicable and shameless guy, you used this method to deal with me, I'm going to kill you!" The mysterious woman gritted her teeth, and then didn't rush towards Yu Sheng.

This woman was wearing a black robe, so she couldn't see exactly what she looked like? Yu Sheng didn't know if he had seen her anywhere.

But since he knew that he had condensed jade on his body, it meant that the two of them had indeed seen him. After thinking of this, the rest of his life began to wonder what kind of face was under the black robe?

Facing the mysterious woman's offensive for the rest of his life, he easily dealt with it. The two played against each other for the rest of his life. It was basically certain that this woman was only one step away from the great master.

Yu Sheng lifted his leg and kicked the woman's stomach directly and kicked the woman out again, knocking the wall down and then stopping.

The pedestrians on the side of the road when the two met were stunned, and they had only watched this magical picture on TV.

Some people even thought it was acting, but after watching it for a long time, they still couldn't find the camera and the director.

"My God, is this true? Or am I hallucinating? How can a person have such great power?"

"This is not which variety show makes the roadside tricky, is it?"

"It doesn't matter if he is true or not, please take out your phone and record it on the Internet. Maybe I will be on fire!"

Hearing this sentence, many people who watched hot on the road took out their mobile phones and started filming.

After all, this kind of situation is rare, and for people living in the 21st century, it has simply reorganized their worldview.

The mysterious woman who was kicked into the air coughed violently and didn't fall into a coma, but

she was inevitably seriously injured, and she no longer had the ability to fight the rest of her life. Holding her tall chest, the mysterious woman looked at Yu Sheng in surprise and asked: "How can you become so strong in a short time? Is it possible that you have reached the mid-term level of the Great Master?"

After hearing this sentence for the rest of my life, I was even more sure where this woman must have met him. Otherwise, how could he know that his strength has improved?

I walked quickly and planned to tear off the black robe of the mysterious woman for the rest of my life to see what she looked like.

## **Chapter: 1106**

Seeing that Yu Sheng was about to pierce the black cloth on her face, the life woman subconsciously seemed to resist, but now she had lost the ability to fight Yu Sheng, and there was no way to stop him. The black cloth on the face was torn off, and the face that was so glamorous that it could almost fascinate people was exposed, only after a glance at Yu Sheng, he was deeply shocked.

As the black robe was torn blind, a pair of small furry ears appeared on the woman's head. Wasn't this mysterious woman the catwoman who was auctioned off by Zhao Juncai at the auction in Shanghai for 3 billion?

Unexpectedly, Qiancheng could meet again. This time, there were no chains that bound her on her hands and feet, and the aura of the whole person was very different from that seen at the auction. The last time he was locked in the iron cage, he looked so pitiful and gave people a kind of sex who wanted to protect, but now the catwoman standing in front of Yu Sheng exudes a fierce murderous aura.

At that time, Yu Sheng thought at the auction that this catwoman was a not-so-simple woman. Now it seems that his guess at the time was really wrong, and it is not worth buying her. What kind of fate Zhao Juncai is now? NS?

"Who did I think it was? It turned out to be you little cat! Your little cat doesn't want to catch fish and mice, why do you care about the jade pendant on my neck?" Yu Sheng didn't hold it back and raised his hand to touch it. Touching Catwoman's little head, as if touching her own pet cat.

Although Catwoman is seriously injured now, she is also a face-saving person, and she turned her head to a point, as if she was repelling the rest of her life to touch her.

"When I saw you a few days ago, you were obviously just a half-step Grand Master. How could you improve so quickly in a short time? Impossible!" Catwoman shook her head in disbelief, this kind of thing was in her eyes. It looks like a fantasy.

If Yu Sheng's current strength is only a half-step Grand Master, then she is completely capable of a battle. Since Yu Sheng left from Shangjing, he has been following him, knowing that she has not followed in the doomsday jail, she finally finds the right opportunity to start, but she can't think of it. The defeat was a mess.

"Why is it impossible? Didn't you experience it just now? You are not my opponent at all, so obediently tell you why you want to grab Ningyu?" Yu Sheng put away the smile on his face, raised his hand and clamped Catwoman's neck.

Catwoman wanted to resist, but she couldn't move at all in Yu Sheng's hands, and her neck was almost cut off by him. If she didn't say anything, she might really die here.

"I...said..." Catwoman exhausted all her strength, and then she said two words with difficulty.

Released the hand holding Catwoman's neck and threw it on the ground casually, Yu Sheng said coldly,

“I’ve always had no patience. Life!”

The people around didn’t think that the rest of her life would be so ruthless. When the cloth on Catwoman’s face was torn off, that stunning face really bewildered all the men present.

How could such a beautiful woman put such a heavy hand on her for the rest of her life?

However, no one in the crowd dared to stop Yu Sheng.

The catwoman who was thrown on the ground raised her head timidly and gave Yu Sheng a careful look, her life was full of fear.

“I was originally a human being, but I learned the secrets and got into trouble.

The reason why I want to grab the Condensed Jade from you is because it can purify the restless power in my body, and I will be able to return to the original appearance.

I really don’t want to be treated like a monster. I don’t want to practice any more evil skills. Now I just want to be normal. “Catwoman has a layer of mist in her eyes, and her tears seem to fall anytime and anywhere, looking at the rest of her life with a pitiful look.

“Please, you can lend me a piece of Ningyu, I just want to become an ordinary person, even if I will be a slave and obey you in the future!”

### **Chapter: 1107**

Catwoman said this condition, but any man would agree to it without hesitation when he heard it. After all, this condition was too tempting.

Catwoman’s appearance can be called all the characters in the world. Her beauty is not the same as that of Magnolia. The beauty of Magnolia is fresh and free, like an angel who has strayed into the world.

But Catwoman is the beauty image that most men yearn for, enchanting and sexy, like an addictive drug, if you touch it, you will be deeply plunged.

“Sorry, Ningyu is really gone, I can’t help this!” Yu Sheng shrugged helplessly. Although Catwoman is very pitiful, he doesn’t bother to lend such precious things to others easily, let alone being absorbed by him. Into the mental mind.

Hearing Yu Sheng’s words like this, catwoman’s grievances flashed through her small face, and she quickly converged back.

Seeing Yu Sheng’s disagreement, Catwoman threw herself into his arms and said, “Master, I will be yours from now on. Please lend me Ningyu, okay? Otherwise, I can only do it again. I will die if I live for nine years!”

Facing Catwoman’s seduction for the rest of her life, she pushed her aside and said with a sneer: “Do you think I really believe your nonsense? Don’t use beauty tricks on me, it’s good for me. There is no use at all.

Give you a chance to get out, or I will kill you for the people now, don’t blame my subordinates for being ruthless.”

If this catwoman is really as simple as he is on the surface, how could she escape the iron chain? Maybe it was some cunning means to deceive Zhao Juncai.

At this moment, Yu Sheng thought of a milky voice: “Master, I can save this strange-looking woman, as long as I move my mind and let my own strength separate a little bit. .

I’m very good at Ningyu. Her little problem is taken seriously in my heart. Master, are you sure you won’t let this beauty serve you? ”

Xiao Ningyu blinked these big watery eyes and looked at Yu Sheng longingly. He seemed to be more eager to accept Catwoman than Yu Sheng.

Yu Sheng was a little curious about Ningyu's reaction. Is there anything special about this catwoman? "Is there anything good in her?" Yu Sheng directly blurted out what he was thinking.

Xiao Ningyu shook her head and said shyly, "No, Master, I've never seen men and women ashamed when I grow up, so I want to see it~"

As soon as Yu Sheng heard this, he rolled his eyes, feeling that this little kid was thinking of this kind of ghost idea. At such a young age, thinking about this kind of dirty idea is simply unhelpful.

Xiao Ningyu looked at Yu Sheng's expression and knew what Yu Sheng thought, so he quickly explained: "I'm not a kid, I'm more than 3,000 years old!"

"Three thousand years old still grows like this? In my eyes, it's a little kid, take your thoughts away, don't think about this mess in the future." Yu Sheng waved his hand, and then took his thoughts out of his mind. Take it back.

"Master, please help me!" Catwoman still looked at Yu Sheng with a pleading expression.

With a sigh, Yu Sheng used mental energy to give Xiao Ningyu a sentence: Since you are so good, then save her!

After receiving the order, Xiao Ningyu thought it was the same for the rest of her life, and quickly shot a golden light on the catwoman's forehead, and immediately wrapped her whole body.

"Oh my god? Is the golden light that popped up suddenly a special effect for filming? But where is the machine?"

The onlookers were shocked. They glanced around and found no machine, so they were even more shocked.

## **Chapter: 1108**

Suddenly, Catwoman was stunned in place, her eyes were round, and then her body began to change. The small hairy ears on her head disappeared at a speed visible to the naked eye, and the iconic cat tail behind her was gone.

Feeling the change in her body is the expression of ecstasy on her face, and she even feels like she is dreaming.

After she discovered that all of this was true, her face was replaced by a full smile: "God! I...I recovered?"

She obviously hadn't seen Ningyu, and maybe it was just such an inexplicable recovery. All this came so suddenly and she didn't know what to say except for surprise.

"Thank you, thank you. From now on, I will show your people, and I will obey whatever you say."

Catwoman knelt directly in front of Yu Sheng, with a very firm expression on her delicate little face. Before, she was thinking about snatching Ningyu from Yu Sheng's hands, but when she felt the gap between Yu Sheng and him, she gave up the thoughts in her heart.

The man in front of him was only in his twenties, and he had already reached the realm of a great master. No need to think about it, he must have a bright future in the future, even if he was a maid by his side, it would be an honor.

Coupled with her unparalleled ease, maybe she can still serve him...

Who had thought that the rest of her life would not have that kind of thought at all, glanced at Catwoman who was kneeling on the ground, and turned around and left.

At this point, maybe my father has already bought a gift, and he wasted so much time in this place, but don't make his old man angry, Yu Sheng thought in his heart.

Go straight away?

On the way to watching the good show, some people even thought that he would be gay for the rest of his life. Such a beautiful woman offered to serve him, but he didn't even react at all.

As for the sudden disappearance of Catwoman's ears, these people don't think it is true at all. After all, it is common for little girls to wear cat ears and fox ears.

After sighing, they thought about sending out the previously recorded video. When they reopened it, they realized that there was nothing but a blank space for taking pictures, and there was no sound.

It's not just one person's mobile phone that happened to this situation, everyone in the scene couldn't see all the photos, and they didn't know what was going on.

Perhaps only Yu Sheng understood what was going on. When these people were watching, Yu Sheng had already noticed that they took pictures with their mobile phones.

Martial arts is something that only exists in legends. For people in the 21st century, it is simply amazing. In order not to affect the commotion, the rest of his life let Xiao Ningyu interfere with the mobile phone signals of those people, so there is such a picture. .

There was no heat to see the crowd dispersed, only Catwoman knelt there with a surprised look, couldn't believe the rest of her life left like this, and even found a place to look at her face in self-doubt. It is breathtakingly beautiful.

There has never been a man who can reject her so simply and neatly. That Zhao Juncai spent 3 billion in anger and photographed a woman. Her appearance is almost impeccable.

I was willing to post it upside down, but the rest of her life just left. Catwoman's proud pride was severely hit, and she wanted to take this man down for whatever she said.

She doesn't believe that there are really bad men in this world, and that young man is always a man no matter how talented he is. Sooner or later he will need a woman by his side.

This time she doesn't want to be this man's maid, she wants to be the queen of this man, and she wants to make her desperate to herself and obey her!

Without hesitation, Catwoman hurried to catch up.

## **Chapter: 1109**

"Dad, you bought so many things, you almost emptied the toy store, right?" Yu Sheng looked at the pile of toys and said with surprise.

Yu Zhongtian waved his hand indifferently: "The first time I saw my grandson as a grandfather, of course, I have to buy more things. Besides, I don't know what Xiao Shui likes! He can buy more. You can play with it."

Yu Sheng laughed dryly, he was a little hesitant to tell Yu Zhongtian that he still has a granddaughter who is a few months old, maybe he would buy a bunch of things.

I thought about Yu Sheng and didn't tell the matter, but planned to surprise Yu Zhongtian.

When the two bought something and planned to take the car home, Yu Sheng felt that someone was following them behind him. He turned his head and saw that Catwoman was poking her head and looking at them in this direction.

When she found that Yu Sheng turned her head, it was too late to hide. The reason why she had not been discovered after following Yu Sheng for so many days was because she was still half-human and half-animal at that time.

The cat's hearing and reaction abilities are seven times that of a normal person. Adding to the strength of her Grandmaster Stage pinnacle can it be quiet, but it's not working anymore.

"Why follow me, do you really want to die?" Yu Sheng glared at Catwoman and said in a cold voice.

Yu Sheng unexpectedly spoke to her in this tone. Catwoman felt a little disappointed. She looked at Yu Sheng with an aggrieved expression and begged: "Master, don't leave others behind, okay? I'm also the peak strength of the late Grandmaster Realm anyway. , There are many uses, it won't cause you trouble."

At this moment, Xiao Ningyu suddenly spoke in her mental mind: "Yes! Master, you can keep her! In the future, if you go out to work, she can also protect your family. Wouldn't it kill two birds with one stone?"

The rest of his life thought about it and felt that what Xiao Ningyu said was reasonable. Although Du Fei was able to take care of Xiao Shui now, he was still an ordinary person. In case of encountering someone in the martial arts, there was no chance of winning at all.

"Since you insist on following me, stay! Just call me for the rest of my life, the master sounds uncomfortable." Yu Sheng said.

This sentence made Xiao Ningyu confused. He also called Yu Sheng to call his master. Why didn't Yu Sheng say that?

Although Xiao Ningyu has been around for more than three thousand years, it has always been a piece of jade pendant. He could only live in jade when he was discovered. For the rest of his life, he was his second master.

So he didn't understand the hidden meaning of a beautiful woman calling a man master, passers-by would imagine that kind of relationship.

"Okay, rest of my life." Catwoman replied very obediently.

Yu Zhongtian on the side looked at all this and didn't say anything. He was a person who didn't want to mix too much with the love of young people.

After all, he married two wives when he was young. It is not a problem for a capable man with three wives and four concubines in his mind. What's more, it is strange that his son is such a genius who does not attract women.

While in the car, Catwoman told Yu Sheng his story. Her name is Song Wanwan, who is also a cultivator of internal strength, and she also has high talents, but because it is a girl, she has not been valued by the family. .

That's why he sneaked into the secret realm of the family secretly, stole a copy of the inner strength cultivation technique and planned to practice it on his own.

After that, I ran out of the family, and I didn't expect to be caught by the hostile forces of the family. The big man was doing a big thing. She didn't know what it was, but she knew that she was short of money and put her at auction. .

At the auction, Catwoman noticed the jade pendant on Yu Sheng's neck at a glance, so she got rid of Zhao Juncai and followed Yu Sheng.

When he finished telling what she had experienced, the car also arrived at Yu's villa, and behind his car for the rest of his life was a small truck, which was full of toys for Xiao Shui. gift.

## **Chapter: 1110**

The three of them entered the villa together. Yu Zhongtian didn't care about the decoration in the villa but glanced around looking for the figure of Xiao Shui.

At this moment, there was a voice coming from the stairs. Xu Qianqian was stretched and bored and planned to go downstairs to watch TV, and found that there were three more people in the house.

"You come back for Yu Sheng, do you want me to cook something for you? Are these your friends?" Xu

Qianqian walked down the stairs and came to Yu Sheng's face, looking at Yu Zhongtian and Song Wan Wan asked curiously.

She was stunned when she saw Yu Zhongtian, because Yu Zhongtian's appearance was too similar to Yu Sheng's, and she didn't need to think about it to know that his relationship with Yu Sheng must be unusual.

"Is this our dad?" Xu Qianqian asked in a tender and obedient manner, slightly shy.

Hearing this name, Yu Zhongtian looked at Xu Qianqian formally, always serious, he pulled out a kind smile, and said: "You are Xiao Shui's mother, right? Where is Xiao Shui? Tell him that grandpa is back. NS!"

The smile on Xu Qianqian's face suddenly froze. She was a little embarrassed and didn't know how to explain it. He looked at Yu Sheng for help.

"Sorry, Dad, I forgot to tell you before. Xiaoshui's mother and I have divorced. This is Xu Qianqian, the eldest lady of the Xu family in Beijing." Yu Sheng explained.

Hearing that it was not Xiao Shui's mother, the smile on Yu Zhongtian's face immediately faded back, ignoring Xu Qianqian and went straight upstairs to find Xiao Shui.

It happened that Xiao Shui also came out at this time, excitedly called to Yu Sheng to call his father, and then rushed to Yu Sheng's arms.

"Little Shui, this is Grandpa, call Grandpa!" Yu Sheng pointed to Yu Zhongtian and introduced Xiao Shui. Xiao Shui looked at Yu Zhongtian carefully with his big eyes open, and then took Yu Zhongtian's hand and called grandpa well.

Yu Zhongtian took Xiaoshui out to play, deliberately not letting Yu Sheng live with his grandfather and grandson who disturbed them in the past.

As for Yu Zhongtian's right-looking Xu Qianqian, he only has his grandson in his heart. If he knew that Xu Qianqian still had a daughter, he might have treated her better.

"Master, do you want to rest? Wanwan cooks something for you herself, right?" Song Wanwan said very considerately.

Yu Sheng nodded, and then asked Xu Qianqian: "Is Yu Yue resting?"

Xu Qianqian's eyes were all placed on Song Wanwan's body. She had no good feelings for this big beauty who suddenly appeared, and she also had a mouthful of the master's call, which was utterly shameless. I felt resentment towards Xu Qianqian, Xu Qianqian didn't even hear Yu Sheng talking to him.

Seeing that Xu Qianqian took care of himself, he didn't continue for the rest of his life, so he asked and went straight upstairs to see for himself.

Song Wanwan glanced at Xu Qianqian, and then went to the kitchen to start cooking, completely treating Xu Qianqian as air.

"Hey, are you the woman Yu Sheng brought back from outside? What kind of humeizi trick did you use to confuse Yu Sheng? Do you know he has a family!" Xu Qianqian saw Song Wanwan going to leave and stopped directly. In front of her, said angrily.

Song Wanwan looked at Xu Qianqian with a smile, her eyes full of disdain: "These things have nothing to do with you? A good dog doesn't get in the way, get out!"

Song Wanwan lives in the big sect. He is the tallest eldest in the eyes of everyone. In addition, he is inherently talented, so the personality is the kind of arrogant and arrogant.

The reason why she was willing to be a maid for Yu Sheng was also completely because Yu Sheng's strength completely conquered her, and coupled with saving her life, this was such a good treatment.

And the woman in front of her is just an ordinary person with no strength at all, and she is inferior to her

in terms of appearance, appearance, and strength. Such a person is also worthy of shouting in front of her.

“You let me go away, do you know who I am? I am the hostess of this house, so I quickly knelt down and apologized to me for not hearing it!” Xu Qianqian pointed at Song Wanwan’s nose angrily.

Song Wanwan smiled and looked at Xu Qianqian’s eyes with mockery, she didn’t mean to apologize.

When Xu Qianqian saw that this woman was so ignorant, she raised her hand and slapped Song Wanwan’s face.
