

Dont mess 1191

Chapter: 1191

The overall style of Blue Mountain Café is still very unique. The crystal elements, whether it is the walls or tables and chairs, are all made of crystal, giving people a feeling of being in a fairy tale.

“This place is so beautiful! I feel like a princess.” Xiao Tingting looked intoxicated, then looked at Shi Yan and said coquettishly: “My dear, in the future, we will get married and buy a house in this place, OK? This place is really beautiful. If I’m really not reconciled if I can only come once.”

Shi Yan petted Xiao Tingting’s head and said, “For my baby, I will work hard to make money, and I will sell you a house in this place in the future.”

“Husband, you are so kind, I love you so much.” Xiao Tingting was so touched that she even felt that the man in front of him was his prince charming.

Xiao Zixin couldn’t stand it anymore, and sighed and said to Yu Sheng: “They are so sweet! To be honest, I am a bit envious.”

Before the rest of my life, I smiled and talked, watching the theater quietly. Some things are beautiful on the surface, but I don’t know how dirty they are.

“Miss sir, your coffee.” The waiter put four cups of coffee on the table, but his eyes wandered about Xiao Tingting’s body dishonestly, and he subconsciously licked his lower lip.

Shi Yan quickly kicked him when he noticed his friend’s gaffe, and winked him, and then the man took his wretched eyes back.

Xiao Tingting was curious about the coffee here, but she didn’t even notice the situation just now, and she didn’t have the eyes to escape the rest of her life.

“The coffee here tastes great, and it’s expensive, but I still don’t care about the small amount of money.” Shi Yan said intentionally, completely like a rich second generation.

When Xiao Tingting heard this, she admired him even more. She put her arm around Shi Yan’s arm as a small woman, and said diligently, “Husband, you are awesome. By the way, Zixin, isn’t your boyfriend starting a company? Shi Yan Has a wide network of contacts and can help you close a few big customers.”

The reason why Xiao Tingting said this was of course not to help Xiao Zixin, but to show off how good her boyfriend is.

“There is no need to bother him. Our company is developing well now and does not need any major customers.” Yu Sheng said lightly.

Sihai Group is now the leading enterprise of Qiancheng. Many companies feel that they want to cooperate with him. It is an honor for them to cooperate with Sihai Group, and it is also an opportunity for those companies.

Xiao Tingting thought that Yu Sheng was lying, maybe the company was fake! Is it possible that a company does not need customers?

With a cold snort of disdain, Xiao Tingting said earnestly to Xiao Zixin: “Zixin! You must know what you are talking about. Some people like to put on a swollen face to fill a fat man and pretend to be big money, just to cheat you and sleep. Maybe I will dump you afterwards.

The boss of some company is actually a vagrant who might cheat you of money! This kind of person is the most hateful, you must be careful. ”

Saying that Xiao Tingting’s eyes fell on Yu Sheng’s body with disdain, and anyone with a discerning eye could see that she was talking about Yu Sheng.

“Yeah! This kind of person should really be careful, so you should pay attention to cousin! It’s best not to be fooled.” Yu Sheng said lightly, looking at Shi Yan.

When Yu Sheng saw Shi Yan’s heart, he looked at something else subconsciously, and said in his heart: Is it possible for this person to see that he is pretending, it’s impossible! How could someone discover your acting skills so well?

“The coffee is almost drunk, then I’ll pay the bill.” Shi Yansheng said quickly, afraid that he might reveal any flaws.

Shi Yan just left for a while and returned the same way. He looked at Xiao Tingting apologetically and said, “Baby, my phone and bag are forgotten in the car, can you help me pay for it later! I’ll pay the money later! To you.”

Xiao Tingting was a little tangled, hesitated for a while and still agreed: “Okay, then! How much did you spend this time? I’ll pay it!”

“Not much, only twenty-three.” Shi Yan said with a smile.

Hearing this number, Xiao Tingting’s face became ugly when she swiped her face, and all her movements to take the phone came to a halt.

Chapter: 1192

Xiao Tingting suspects that her ears are misheard? They just ordered four cups of coffee and some small snacks in this Blue Mountain Café. How could they spend more than 20,000 yuan?

There are only a few thousand dollars on her mobile phone now, and even a few thousand dollars is enough to make her feel distressed. Before, I thought it would only cost a few hundred dollars to pay the bill!

“What’s wrong, baby! I’m not going to let you pay the bill, but my wallet and mobile phone are in the car now. When we get back in the car, I will return the money to you. Don’t you even believe me? ?” Shi Yan said.

Xiao Tingting’s teeth were clenching her lower lip, she didn’t know what to say, but she had a lot of boasting about getting along with Shi Yan before, saying that her family is a business man with an annual income of several hundred thousand, and she is also the eldest lady of a wealthy family. .

As for the famous brands she wears all over her sister group, it doesn’t cost much. The purpose is to shape the identity of a lady. I will find a rich boyfriend and fly to the branch to become a phoenix in the future.

“Baby, don’t you even have 20,000 yuan on your body? Or do you lie to me?” Shi Yan asked with a change of expression.

Xiao Tingting’s face turned ugly when she heard this, and she was embarrassed. She didn’t know what to say, and then she turned her mind and said, “Twenty thousand yuan, I can definitely get it! It’s just me. I forgot to bring that card when I went out, so now I don’t have so much money, what can I do?

Honey, or let’s go to where you parked and get your phone! ”

Shi Yan coughed lightly and said, “If it’s somewhere else, it’s definitely okay, but this is the Blue Mountain Cafe! If you want to come in again, I have to trouble that friend of mine, in case he does It’s embarrassing if you are too busy to get out of your body.”

At this moment, a waiter came over and looked at the four people with a smile on his face and said, “Didn’t the gentleman say to pay the bill before? Is it credit card or cash?”

At this time, Shi Yan turned his head and looked out the window pretending that he didn’t see it, 20,000 yuan! He didn’t have so much money, who would have thought that Xiao Tingting, a stinky woman,

would also pretend to be a big money, this is the end!

“Sir, how do you plan to pay!” the waitress said with a smile still.

Seeing the appearance of these two people, Xiao Zixin knew that they couldn’t afford it, and sighed helplessly, got up from the chair and said, “I’ll pay it!”

The waitress turned her head when she heard Xiao Zixin’s voice. When she saw Xiao Zixin’s face clearly, the smile on her face became more respectful.

“It turned out to be Miss Xiao, but our most respected customer of Yijing Homeland, and also the most expensive VIP of our Blue Mountain Cafe, can enjoy all our services for free. You can enjoy all the coffee and snacks here for free.” Female The waiter said with a smile.

When Xiao Zixin heard this, she thanked her and sat down.

Xiao Tingting was confused, but I don’t know what’s going on. Why is it different for Xiao Zixin to pay for coffee when others drink coffee?

She is just a little secretary. How could she become the most distinguished VIP customer of Blue Mountain Cafe?

Unable to bear curiosity, Xiao Tingting stood up and asked the waitress: “Did you make a mistake? How could Zixin be your VIP customer here?”

She borrowed my boyfriend’s brilliance and was able to come to the Blue Mountain Café for coffee.”

The waitress looked at Xiao Tingting’s eyes as if she was looking at a mentally handicapped child, and said with a smile: “Miss, you are laughing, but Miss Xiao bought the most expensive villa in Yijing Homes worth 25 million, and we are the most expensive here. The distinguished head of household is also a VIP user of our Blue Mountain Cafe.

She doesn’t need to rely on someone else’s identity to come to Blue Mountain Cafe. As long as Miss Xiao comes to us, we will serve her 24 hours a day.”

Xiao Tingting and Shi Yan were completely shocked when they heard this. Xiao Zixin bought a villa worth 25 million yuan. Isn’t this decision a joke?

Chapter: 1193

“Just her? She’s just a little secretary, how could she afford a 25 million house?” Xiao Tingting’s mood was a little gloomy, and she asked with a shocked look like a waiter.

“Miss Xiao Zixin, we can’t make a mistake. Miss Xiao has been busy decorating things the past two days. Presumably, Miss Xiao’s house should have been renovated now?” the waitress asked.

“Well! It has been decorated.” Xiao Zixin said with a smile.

Just admit it?

Xiao Tingting didn’t think that Xiao Zixin really admitted that she was just a small secretary of the Four Seas Group. How could there be so much money to buy such an expensive villa?

Before, she thought that the five million villas here was already an astronomical figure, and she did not expect Xiao Zixin to directly buy the best villa, worth 25 million, which is simply inhumane.

Xiao Tingting has been living in the shadow of Xiao Zixin since she was a child. Xiao Zixin is more prettier than her and has better academic performance than her. Even a boy she likes at school also likes Xiao Zixin.

Therefore, Xiao Tingting was very jealous of Xiao Zixin since she was a child. In order to suppress Xiao Zixin, Xiao Tingting went to South Korea for plastic surgery, and even put together a list for the sisters in order to get to know the rich second-generation husband.

Now I think how ridiculous her approach is! Xiao Zixin can afford a 25 million villa, so the gap may never

be able to catch up.

In frustration, Xiao Tingting suddenly thought of something, and hurriedly asked: "Zixin, I remember wrong, you are just the secretary to the chairman of the Four Seas Group! Where did so much money come from? Can you afford such an expensive villa?"

Xiao Zixin also didn't intend to conceal it, and said directly: "This was given to me by the chairman. I must have no money to buy it myself."

"Send?" Xiao Tingting laughed directly. Sihai Group is the largest leading enterprise in Qiancheng. No matter how rich your chairman is, it is impossible to give you a little secretary to a building worth 2,500 for nothing. Wan's house!

If it is said that there is nothing tricky in it, Xiao Tingting, a large enterprise, would not believe it.

After thinking about everything, even though Xiao Tingting was a little jealous of Xiao Zixin, she was able to approach someone as big as the chairman of Sihai Group.

But many of them sympathized with Yu Sheng. This green hat is about to be known to everyone. The man sent a woman to the house unintentionally because he wanted Jinwu Zangjiao to do things easily. He didn't expect Yu Sheng to hear Xiao Zixin say this and still be able to keep his face unchanged.

"I didn't expect the chairman of the Sihai Group to treat you so well, but it is normal for you to look so beautiful. The chairman must have ideas for you!" Xiao Tingting deliberately provoked the feelings of the two.

"I think he has ideas for me!" Xiao Zixin said bitterly.

It would be great if I could really tell Xiao Tingting, but unfortunately for the rest of my life, I'm just acting with her.

What can you do if you are beautiful?

Xiao Tingting didn't even think that Xiao Zixin would say this, and she laughed out loud and teased for the rest of her life: "Your girlfriend has that kind of thought to their chairman, aren't you jealous? This is the dignity of a man.!"

"I don't think it matters, she can do whatever she likes." Yu Sheng said nonchalantly.

Xiao Tingting, who heard these words, felt that for the rest of her life, she was a big Saby. Her girlfriend liked other men and didn't even dare to express his attitude. Isn't this too daunting?

"Are you still a man? You don't care at all after this woman said that. I suspect you just want soft food. How can a little white face like you be the material for starting a company? Just pretend to want to eat my cousin's soft rice!" Xiao Tingting was a little dissatisfied with Yu Sheng's indifferent reaction, so she didn't pretend, because she said very ugly.

As a man, Shi Yan looked down on Yu Sheng at this time, and didn't expect this man to be so kind.

However, she became more interested in Xiao Zixin. This woman not only has a beautiful figure, but also has a villa worth 25 million yuan. If this woman can be dealt with, she won't be fragrant and spicy in the future. How cool is how cool.

"Miss Xiao, you don't care about you at all to your boyfriend. It is simply too wrong to live with such a person for a lifetime. I advise you to break up sooner!" Shi Yan said.

Xiao Zixin glared at the two of them, and said in a cold voice, "I don't need to bother with my boyfriend's affairs, just take care of yourself!"

"Zixin Shiyang's words are for your sake! Then this man doesn't have your share in his heart, he just wants to eat soft food, you might as well be with the chairman of the Sihai Group! Anyway, people have ideas about you!" Xiao Tingting was also instigating in the middle.

Xiao Zixin grabbed all the limelight from him today. If the two people's feelings can be coaxed, it would

be really cool for Xiao Tingting.

“Yu Sheng is the chairman of the Four Seas Group, and my immediate boss, he gave me the villa too!”
Xiao Zixin was so angry that he didn’t bother to keep a low profile in front of Xiao Tingting.

Chapter: 1194

Xiao Tingting pointed to Yu Sheng’s face of disbelief, as long as a little white face, how could it be the chairman of the Four Seas Group.

Before Yu Sheng said that he opened a small company Xiao Tingting didn’t believe it, let alone the leader of enterprises like Sihai Group.

“Zixin, your head is burnt! How could he be the chairman of the Sihai Group? Even if it is bragging, you should be more reasonable. You said he is the security of the Sihai Group, I believe it.” Xiao Tingting sneered and said.

Shi Yan also echoed: “Yes, Miss Xiao, I know you are protecting your boyfriend, but he is so capable. Is anyone who doesn’t care about you worth your effort? Let’s break up sooner!”

As the person involved, Yu Sheng always smiled, watching all this quietly, as if this matter had nothing to do with him.

Some people like to show off and show off in front of others the more they lack something. On the contrary, those who really own everything don’t care about other people’s opinions.

The reason why Yu Sheng didn’t say that he was the chairman of Sihai Group before was because he wanted to keep a low profile and didn’t want to show too much in front of Xiao Zixin’s relatives.

If they said it all at the beginning, Xiao Tingting and Shi Yan would definitely treat him with respect and flattery, and even begged him to do something. This is something the rest of their lives don’t want to see.

However, the situation has reached such a situation. Yu Sheng did not intend to hide anything. He took out a business card from his chest pocket and handed it to Xiao Tingting and Shi Yan, saying, “Xiao Zixin does not lie. I am indeed a director of the Sihai Group. This is my business card.

If you still don’t believe it, go online and search for it. There is my personal information on it.”

Xiao Tingting dubiously took the golden glow in her hand and understood that the texture of the business card is very high-end, and the rich are really luxurious, even the business cards are gilded.

Shi Yan looked at the business card and didn’t want to believe that it was true, so he took out his mobile phone from his pocket and searched it online.

When he entered the key words of the chairman of the Four Seas Group, Yu Sheng’s detailed information appeared in front of him, as well as a photo of Yu Sheng, which undoubtedly proved Yu Sheng’s identity.

Xiao Tingting also leaned over to look at it. When he saw the information, he was full of shock. Xiao Zixin’s boyfriend is really the chairman of the Sihai Group. No wonder Yu Sheng didn’t care when Xiao Zixin said that he liked the chairman before!

wrong!

When Xiao Tingting’s eyes lit up, she suddenly realized something was wrong. She snatched the mobile phone in Shi Yan’s hand and looked at it carefully, and her face disappeared instantly.

Looking sharply at Shi Yan, he questioned: “Shi Yan, didn’t you tell me that you don’t have a mobile phone? What do I have now? Should you explain it to me? what’s going on?”

Shi Yan realized that he was revealing his stuff. Just thinking that Yu Sheng could not be the chairman of Sihai Group, he was waiting to search the Internet out of curiosity! I forgot that he hid the phone on

purpose.

"This...this..." Shi Yan didn't know how to explain it for a while, stammering unable to tell why.

"I looked for it before and didn't find it. I thought he was in the pocket of my pants. My dear is not what you imagined. I really didn't find it before." Shi Yan also wanted to use this excuse to get through.

Of course, Xiao Tingting is not a fool, she can't even fail to see such obvious things, right?

Xiao Tingting sneered and said, "Do you really think I'm a three-year-old kid so good to lie? You said you forgot to bring your mobile phone, you just want me to pay the bill?

Wouldn't you even want to spend this money if you invite me to drink coffee, do you still spend my money? Shi Yan, you have to explain to me, why are you lying to me? "

Shi Yan wanted to snatch her mobile phone, but Xiao Tingting quickly hid her hand. There was no way Shi Yan could only continue to make up lies: "My dear, I really didn't find my mobile phone before. So if you have money to give you a bag of 20,000 to 30,000, and also open Land Rover, do you think I will not even buy more than 20,000 orders?

Besides, I just wanted you to pay for it first and didn't say not to give it to you. You doubt me like this, it really makes me very heartbroken! "

Xiao Tingting felt that it made sense when she heard that, thinking that Shi Yan is so rich, you can't lie to yourself for 20,000 yuan!

Just when she was a little shaken, Shi Yan's cell phone suddenly thought about it, and the caller ID showed that it was a call from Brother Zhao.

Chapter: 1195

After seeing the name on the caller ID, Shi Yan's heart all mentioned that his throat went away, and he did not think that Zhao Ge would call him at this time.

"Baby, someone called me, can you return the phone to me?" Shi Yan said in a negotiating tone, with delicate sweat coming out of his forehead from tension.

Xiao Tingting felt more and more that Shi Yan must have something to hide from herself, so she didn't have the time to return the phone to him. Instead, she pressed the answer button without permission.

"Hey! Shi Yan, the car you borrowed is approaching the time. If you don't drive back in two hours, you will be fined for breach of contract and the front of the car must not be worn. If you find it, you will be fined. Yes, and your watch is up." A man urged on the phone.

When Shi Yan wanted to talk on the phone, it was too late. Brother Zhao told everything about it. Seeing that it was revealed, he reluctantly covered his face.

Xiao Tingting was about to get angry and switched off the phone, pointing to a Land Rover not far away and questioning Shi Yan: "Who is it that called you just now? Why do you say that your car and watch are rented? What? Shi Yan is this true?

Or do you lie to me from start to finish? You are not the so-called rich second generation at all? You just pretended to be a rich second generation by relying on these rented things to lie to me, right? "

Shi Yan didn't think that things would be revealed so quickly. He spent so much money on renting a Land Rover watch to chase this woman and wanted to sleep. How could he be so reconciled if he didn't get it now!

Wasn't the money for renting a car and a watch wasted? That would be a shame.

"Baby, although all of this is fake, the heart that loves you is true. From the first time I saw you to you, I fell in love with you. I know you are a high princess. It's just an ordinary person.

In order to be able to be with you and make myself look like I can match you, I spend money to rent a

car and watch, just to conceal my inferiority complex in front of you. “Shi Yan pretended to say affectionately.

Although Xiao Tingting was still a little angry after hearing this, Shi Yan was lying to him, but she was not as angry as before.

Seeing that Xiao Tingting’s anger had subsided, Shi Yan quickly said, “I’m just an ordinary worker, earning four to five thousand wages a month, just to be able to buy you a good bag. I have eaten instant noodles for several months before I bought you this bag just to express my love for you. Tingting gave me a chance, OK? I really love you.”

“I...” Xiao Tingting was very moved in her heart, but her purpose was to find a rich and rich second generation. She was not looking for a poor woman to marry, so she still wanted to get Shi Yan.

What kind of love do you have money to talk about?

Just as Xiao Tingting was hesitating whether to dump Shi Yan directly, the sound of a message from WeChat rang.

Seeing this, Shi Yan said badly, and subconsciously wanted to snatch the phone from Xiao Tingting’s hand. It would be bad if she saw something that she shouldn’t look at.

Seeing that the phone was about to be snatched by him, Shi Yan felt that someone had grabbed his clothes from behind, and there was no way to move one step forward.

Looking back, the person who grabbed his clothes was no one else but Yu Sheng, the chairman of Sihai Group.

At this moment of stunned effort, Xiao Tingting had already opened WeChat and saw the content on the WeChat message. She was a little guilty before. She went into a rage and smashed the mobile phone in her hand on Shi Yan’s face.

The smash was not light, it hit Shi Yan’s head directly, and a big bag was smashed in an instant, which made him grin in pain.

Chapter: 1196

“Shi Yan, you are such an out-and-out bastard. Since I can do this kind of thing, I really misunderstood you. If you keep saying that you love me, you are lying to me, right?

You scumbag, just pretend to be a rich second-generation, you still want to get me drunk and send your friend to bed, even this bag is a fake you bought for hundreds of dollars, you...” Xiao Tingting gritted her teeth Said.

At this time, Xiao Tingting was so angry that her chest was constantly rising and falling, and she stepped forward and slapped Shi Yan’s face directly.

Shi Yan was first slapped with a bag on the head by Xiao Tingting’s mobile phone and slapped again. He was also very angry, thinking that this girl would definitely not be able to sleep, and it would be a big deal to tear her face!

He wasn’t a stubborn stubborn thing either. The breakup was just a slap on Xiao Tingting’s face. The slap was loud, and the huge force knocked Xiao Tingting back a few steps.

Shi Yan reached out his hand and touched his hot and sore face, and then quenched his saliva at Xiao Tingting and cursed: “You stinky bitch, I really give you a face! You dare to hit me, don’t you weigh what you are like. Of goods.

Blue Mountain Café can’t even get 20,000 yuan. You’re not a damn celebrity. You can’t buy more money even if you sell your plastic face. I spend so much effort on you. You still don’t know what to do. ! Bah, you bitch. ”

Xiao Tingting, who fell to the ground, had her left face swollen by Shi Yan, she cried bitterly, she didn't think that the man in front of her could be so bad that he was blinded before.

"Shi Yan! Bastard, get out of here, I won't believe seeing you in my life." Xiao Tingting yelled at Shi Yan. Shi Yan curled his mouth in disdain, and said disdainfully: "You bitch, if you let me go, I will go, you are a..."

He didn't finish his words, he was kicked in the back, and he fell into a shit.

"I'm sorry for you to be a man to do you like this! Did you hear me letting you go? Do you want me to teach you a lesson?" Yu Sheng looked at Shi Yan on the ground and said coldly.

"I..." Shi Yan sighed, but he didn't dare to get angry with Yu Sheng. The man in front of him was the chairman of the Four Seas Group and his status was bigger than the sky, unlike Xiao Tingting, who wanted to bully. Bully.

Yu Sheng raised his head and kicked Shi Yan in the stomach, and said angrily: "What are you doing? Let you get out, do you understand people?"

Shi Yan was kicked by Yu Sheng. He got up from the ground and looked at Yu Sheng timidly. He didn't dare to talk nonsense anymore. He patted the dust on his body and slipped away.

At this time, Xiao Tingting also stopped crying, wiped the tears on her face, and looked at Yu Sheng with gratitude. She humiliated him so much before thinking that he would help herself.

"Thank you for teaching that scumbag man for me." Xiao Tingting said gratefully for the rest of her life.

"Thank me, I don't have to. Xiao Zixin asked me to help you. If you want to thank you, thank her." Yu Sheng said lightly.

Xiao Tingting looked at Xiao Zixin, and finally thanked her.

All these things that happened today are a shame. The things she has always been proud of are false. On the contrary, Xiao Zixin has such a rich boyfriend and gave her a building worth two thousand five hundred. Wan's villa also loved her so much.

The more I thought about it, the more envy Xiao Tingting couldn't figure out why Xiao Zixin was so lucky! For what reason he can be favored by the Four Seas Group.

Jealousy slowly filled her heart, Xiao Tingting looked at Yu Sheng, and had an idea in her heart.

Xiao Zixin Why can you meet such a good man, I am not convinced! Say what I want to snatch from your hand.

Chapter: 1197

"Cousin, if there is anything else, I will go with Yu Sheng first, and then I will see you again, bye." Xiao Zixin said to Xiao Tingting.

This matter has been settled, and there is nothing wrong with staying here, so Xiao Zixin intends to take the rest of her life to her renovated villa to cook him a delicious meal.

Xiao Tingting unceremoniously opened the door of Xiao Zixin's car and sat in, and said with a smile:

"Zixin, at the Blue Mountain Cafe, the waiter said you bought a house here! It's the most luxurious one here. Where's the villa, I want to go in and have a look, can I?"

Sitting in the driver's seat, Xiao Zixin hesitated a little. Naturally, there were ten thousand and ten thousand in his heart and he was unwilling to let Xiao Tingting follow. After all, she wanted to take advantage of this incident to go further with Yu Sheng.

Just when she was about to refuse, Xiao Tingting spoke again at this moment: "Zixin, how can I say we grew up together? I just want to go to your house and have a look. You won't even connect with me. Didn't you agree to a small request?"

It's all for this, Xiao Zixin couldn't speak up anymore if she wanted to refuse, she sighed helplessly and had to agree.

Xiao Tingting was looking for this topic along the way, and Xiao Zixin and Yu Sheng only dealt with it with one sentence.

Until the three of them came to the villa together, Xiao Tingting looked at the villa in front of him in surprise, not to mention how envious it was full of stars.

"Wow, this house is too beautiful. It would be great if I could have a house like this. I can also go to the Blue Mountain Café for coffee every day. The most important thing is that I don't need the money." Xiao Tingting sat intoxicated. On the sofa, I still thought about the way I lived in this villa.

This kind of thinking is undoubtedly aggravating Xiao Tingting's jealousy towards Xiao Zixin. If she can fool the rest of her life, maybe she can give herself a bigger and better villa!

"Yu Sheng is really good to you! It would be great if I could have such a boyfriend, it is simply too enviable." Xiao Tingting said pitifully, looking at Yu Sheng.

Xiao Zixin just glanced at Xiao Tingting coldly, and the woman's instinct told her that her cousin had put her mind on Yu Sheng again.

"Sit down first, I'll go to the kitchen to prepare some food." Xiao Zixin didn't even look at Xiao Tingting, smiled at Yu Sheng and went to the kitchen.

Seeing Xiao Zixin went to the kitchen, Xiao Tingting showed a smile on her mouth, got up from the sofa, walked to Yu Sheng's side and sat down.

"Before I didn't know how offensive your identity is, you must not care about me! If you are angry, you can be beaten or punished." Xiao Tingting opened a pair of big eyes, her expression provocative.

Watching the rest of my life.

For the rest of his life, he just smiled, and he didn't move his position deliberately. From a closer look, Xiao Tingting's figure is still very predictable. Her straight and slender legs are dressed in sexy and charming black silk. Wire.

With such a good figure, for the rest of my life, I have some doubts that this woman has been using knives in her face for beauty, will she also be trimmed?

"I generally don't care about women, unless it's too much I can't stand it, but my tolerance does not mean that others can do whatever they want." Yu Sheng said lightly.

Xiao Tingting didn't know what Yu Sheng's words meant, whether to refuse her or touch herself and lean against him?

Unable to make up his mind for a while, for fear that the rest of his life would be angry, Xiao Tingting still sat back to her original position somewhat unwillingly.

"Yu Dong, how long have you talked with Xiao Zixin? She must have never told you about her childhood, right? I'll tell you." Xiao Tingting whispered, and looked at the direction of the kitchen sideways.

Chapter: 1198

Xiao Zixin's childhood, she has never heard her mention it for the rest of her life, but she knows that her father and grandfather passed away early, and Xiao Zixin was brought up by her mother.

Thinking of Xiao Zixin's character, Xiaojiabiyu was obedient and sensible. For the rest of her life, she became interested and wanted to hear what interesting things she had experienced when she was a child.

"Tell me."

Seeing Yu Sheng's interest, Xiao Tingting was overjoyed for a moment, and told Yu Sheng: "My uncle

died early, and my aunt pulled Xiao Zixin up by herself. My family has helped them a lot inside and out, otherwise they The mother and daughter starved to death long ago.

Because of her father, Xiao Zixin has rarely been bullied since she was a child. In addition, Xiao Zixin is beautiful and long. When she was in high school, many boys in the class liked her, and she was also a school flower in our studies.

But the tree caught the wind. One day after school, a few men took Xiao Zixin who was riding a bicycle off the road. The person who took her was rejected several times by Xiao Zixin, and became angry that the male student paid for it. Several social gangsters tied up Xiao Zixin. If she hadn't been seen and rescued, maybe she would have been raped. ”

Xiao Tingting talked endlessly, when she finally felt a bit dry in her throat, she took a sip of the water on the table.

The words she just said were half true. After Xiao Zixin's father died, Xiao Tingting's family never said that they wanted to help them out of family affection. Instead, they ridiculed their orphans and widows. The cleanest family belonged to her. The family makes the most trouble.

But these things are all things before. Although Xiao Zixin was angry with Xiao Tingting's family in her heart, she never showed it to the bright side.

The reason why I told Yu Sheng about the rape of Xiao Zixin was to make Yu Sheng look down on Xiao Zixin, but she also had a chance.

This was the first time in her life that she had heard about Xiao Zixin from someone else's mouth. She didn't even think that a woman who looked so strong would actually endure so much in silence.

Even if it was an attempted rape, Xiao Zixin probably didn't receive much guidance from others in her school, and might even be scolded and shameless by women who were jealous of her beauty.

Thinking of this, Yu Sheng glanced at the direction of the kitchen. At this time, Xiao Zixin was at the door of the kitchen, looking at them with a gloomy expression.

“Is it enough? Xiao Tingting, you're finished, are you happy when you turn this matter out so that everyone looks down on me?” Xiao Zixin asked Xiao Tingting in a condensed voice.

Xiao Tingting had already talked about Xiao Zixin's personal affairs, and she felt very guilty. She was shocked when she thought of Xiao Zixin's voice at this moment.

Turning to look at Xiao Zixin, she said in an embarrassing tone: “That Zixin, don't be angry, I don't mean anything else. After all, the rest of your life is your boyfriend. After all, you still have to explain some things to him clearly! It's not good for you to conceal it like this. of.”

At this time, Xiao Zixin was so angry that she picked up the iron spoon in her hand and smashed it towards Xiao Tingting's body.

“Get out! Get out of here!” Xiao Zixin roared angrily.

Xiao Tingting dodged the iron spoon that Xiao Zixin came over, pretending to be weak and hiding behind Yu Sheng, and said aggrieved: “Yu Dong, I really didn't mean it. I didn't think that Zixin would care about this thing so much.

Didn't it mean that it was discovered early at the time and that those people did not succeed? It's just to talk about why she is so angry? Is it possible that there is still something unknown in it? ”

Xiao Zixin didn't think that Xiao Tingting was still turning black and white in front of her, so she would have misunderstood Yu Sheng. The longer it gets, the more things Xiao Zixin walks to in front of Xiao Tingting, raising her hand and slapped her severely with a slap. Face.

Chapter: 1199

“Zixin, even if I said something wrong, but I am also your cousin, how can you hit me in front of an outsider?” Xiao Tingting asked sharply.

During the day today, she was first slapped by the scumbag Shi Yan, and now she was slapped by Xiao Zixin, and her heart was full of anger.

Yu Sheng stepped forward to save Xiao Zixin, patted her on the back lightly, and soothed: “Okay, you don’t get angry anymore. Some things have passed, so don’t worry about it anymore. NS.”

Yu Sheng’s words seemed to have magical powers, extinguishing the fire in Xiao Zixin’s heart, and slowly calmed her down.

After being beaten on the side, Xiao Tingting said unconvincedly: “Yeah! Zixin has passed, why are you always stubborn? Is it necessary to do it to me?”

Speaking of Xiao Tingting’s gaze towards Yu Sheng, she said aggrieved: “Zixin has just made a heavy hand! And she is so angry that she is really fierce. Is it okay for you to find such a secretary? What I learned in a foreign country is Financial management Dong Yu, can I also work for your company in the future!”

Xiao Zixin, who was slowly calming down, was very angry when she heard Xiao Tingting’s words. Doesn’t this mean that she wants to replace herself?

“Get out! Get out of here!” Xiao Zixin was not polite, and directly pushed Xiao Tingting Hui to the outside of the villa and closed the door.

Outside the door, Xiao Tingting kept patting the door, shouting, “Zixin, what do you mean! I’m your cousin, how can you say that you are driving people?”

“Chairman Yu, you think about it again. My ability to do things is definitely more than Xiao Zixin’s, and I will absolutely obey your orders and won’t lose my temper at you.”

Both Xiao Zixin and Yu Sheng didn’t take care of her, and they were even less likely to open the door to her. They sat on the sofa, and Xiao Zixin looked sideways and didn’t know how to face Yu Sheng.

When the villa was about to fall into deathly silence, Xiao Zixin suddenly spoke.

“For the rest of my life, do you think I am dirty? They really didn’t touch me. My body is innocent. I can give you anytime and anywhere if you want.” Xiao Zixin’s voice was choked with sobs on her face. The pear blossoms have been raining a long time ago.

“Don’t be stupid, you are a good girl and you are not dirty at all. You are cleaner than an angel in my heart, good! Don’t cry.” Yu Sheng comforted softly.

When he said these words, Yu Sheng couldn’t believe that he had such a gentle side, but to be honest, Xiao Zixin really felt distressed and wanted to protect her from the bottom of my heart.

Yu Sheng sighed helplessly. I am afraid that I will not be able to get rid of the weakness of my heart in this life. He will not be able to see those women who treat her well crying, as long as they cry, they can’t help but want to comfort him. .

Xiao Tingting leaned on Yu Sheng’s chest, crying in a low voice. This was the first time that Yu Sheng had spoken to her in such a gentle manner. The feeling of being understood and protected was really good.

For the rest of my life, what can I do to fall in love with me? Even if I have a little position in my heart.

Xiao Zixin gritted his teeth and said: “Yu Sheng, if you want me, I won’t let you take any responsibility, even if only a moment makes me feel that I am your woman, it is enough. Please, please satisfy my little wish. ”

Xiao Zixin said that she had already begun to take off her clothes, and her white, tender and smooth skin was exposed, but any man would be unable to hold her back when she saw such a beautiful beauty throwing her arms around her.

For the rest of his life, he was also a man, and he hadn't seen a female sex for so long, and he had a need. Even looking at Xiao Zixin, who was disheveled in front of him, had the most primitive reaction of mankind.

Just as the atmosphere slowly became distracted and the rest of his life was about to fall into this gentle village, his cell phone suddenly rang.

"Yusheng, where are you? Xiaoshui is gone!"

Chapter: 1200

Originally, the rest of my life was about to be unable to hold it, and something might even happen to Xiao Zixin, but this phone chilled Yu Sheng from head to toe like a basin of cold water, and there was nothing left to extinguish the lust in my heart.

The person who called Yu Sheng was Yu Zhongtian. Xiao Shui was learning martial arts with him at the corner of his mouth, and would not come back at night when he was busy.

All this happened too suddenly, if it weren't for Yu Zhongtian to say this, Yu Sheng could not believe it was true at all.

Xiaoshui's side does not have Yu Zhongtian, a strong man in the middle stage of the Great Master Realm, and even Song Wanwan also guards there. There is a strong man in the middle stage of the Great Master Realm, and there is a half-step strong guy in the Great Master Realm, even if he is a person of the hidden door. It is also not allowed for such a person to take Xiao Shui away without knowing it.

"Dad, did you make a mistake, Xiao Shui loves to play and maybe peek-a-boo with you! How could it be gone?" Yu Sheng still didn't believe this was true, and said with self-comfort.

Yu Zhongtian on the phone said in a hurry, "Whether it's the Sakura Club, the family martial arts hall, or even the Zhu's medical hall, there is no one to find Xiao Shui, he is really gone."

After getting a definite answer, Yu Sheng's heart was about to be cold, his father said so, it seems that Xiao Shui is really missing.

After switching off the phone, Yu Sheng glanced at Xiao Zixin's previous feelings and disappeared, and some of them were only full of worries about Xiaoshui.

He took off his coat and put it on Xiao Zixin's body, Yu Sheng said apologetically: "Xiao Shui is lost. Take care of yourself. Don't think about you as well."

After talking about Yu Sheng's decision to go, only Xiao Zixin was left in a daze watching Yu Sheng's back, tears streaming out of her eyes.

She saw all the subtle reactions in the rest of her life, only a little bit, only a little bit before she could become his woman.

.....

After returning to the Yu's house, Yu Zhongtian looked at Yu Zhongtian who was anxious and asked: "Dad, what is going on? Did you really find it everywhere? Is there any place Xiao Shui likes to go to miss?"

Yu Zhongtian sighed reproachfully: "Today, as usual, I taught him martial arts with Xiao Shui in the martial arts hall. During the period, I encountered some strange people, and that is, Mrs. Gong who went to drink some water and disappeared.

At that time, I didn't feel the aura of other powerful people. Song Wanwan was busy cooking and was not here, so people disappeared silently. "

Yu Sheng listened carefully to the lack of words in Yu Zhongtian's words, and didn't feel the breath of other strong men. Could it be that Xiao Shui had gone out by himself? If Xiao Shui had gone out by

himself, he would have told his grandpa that he was so sensible.

What is going on in this huge city, there is no clue, finding a child is like finding a needle in a haystack. Even if it is difficult for the rest of his life, he can't say not to find Xiaoshui, after all, he is his son.

When Yu Sheng was at a loss, Xu Qianqian walked over holding Yu Yue, patted Yu Sheng's arm lightly and said, "Yu Sheng, don't worry, there will be nothing wrong with Xiaoshui's natural state. of."

"I hope so!" Yu Sheng said in a deep voice. Now he can't sit still for a minute. The absence of water indicates that he is still in danger.

Xu Qianqian said nicely, but in fact, her heart had already blossomed. She wished that Xiao Shui was kidnapped by a robber, preferably that little bunny, who would tear the ticket in the middle if she was ignorant!

By that time, Yu Yue will be the only child in the rest of his life, and all of the property is not entirely owned by her Xu family.

For the rest of his life, there was really no way. He took out his mobile phone and called Du Fei. He is the king of the underground forces in Qiancheng, and he has a very wide network of contacts. It is very simple for him to help find a child.

The phone rang a few times and the call was connected.

"Du Fei, where are you now? I have something I want you to help. Could you please gather all your subordinates to help find Xiaoshui and he is gone!" Yu Sheng said anxiously.

"This...this...Lao Yu, don't worry, I have found Xiaoshui, so I will take him back." Du Fei said embarrassingly.
