

Dont mess 1241

Chapter: 1241

Everything had been exposed, Xu Qianqian knew that she had no way to hide it anymore, so she didn't pretend it at all.

Although there is no way to compare her strength to Yu Sheng now, it is not something ordinary people like Yang Zihuan can bully casually.

Raising his hand was a slap, and slapped Yang Zihuan directly to the ground. Xu Qianqian looked at Yang Zihuan condescendingly, like a queen looking at a lunatic.

"Yang Zihuan, you are something, a woman you don't want for the rest of your life. If I want to kill you, I can pinch you to death with my fingers. You dare to beat me. Do you have the qualifications?"

Yang Zihuan was slapped and slapped by Xu Qianqian on the ground for a long time and felt relieved, and the skin on her face seemed to be pierced by something and got in. She could not describe the strange feeling. come out.

"Xu Qianqian, don't you plan to continue to pretend? Isn't your acting very good? Pretending to be a motherly appearance at home, in fact, the heart is extremely ugly." Yu Sheng grabbed Xu Qianqian, eyes full of hatred.

If this woman was not Yu Yue's biological mother, he would definitely kill her. Yu Sheng would not allow others to bully Xiao Shui like this. When he thought that Xiao Shui almost died in Xu Qianqian's hands, Yu Yue hated Xu Qianqian. It's a little deeper.

"Since Xu Qianqian, your mother and son, have I ever treated you a little bit? Why do you want to do such an inferior thing to a six-year-old child?" Yu Sheng looked at Xu Qianqian, coldly Asked.

Xu Qianqian sneered, and then looked at Yu Sheng with a bitter expression on his face and said: "I just can't understand other people's sons turning around in front of me.

For the rest of your life, ask yourself, do you spend more than half of the time with Yu Yue as with Xiaoshui? As long as there is little water, will you definitely look at us mother and daughter, I want your property to be owned by Yu Yue alone, so the little bunny born by Yang Zihuan must die, understand?"

The original form was revealed. The woman in front of her for the rest of her life was the real Xu Qianqian. The previous images of gentleness, sensibility and obedient were all disguised by him to please himself.

For the rest of my life, I thought Xu Qianqian was Yu Yue's mother, and there was no need to kill her. Now it seems that this woman is crazy, and she even dared to practice Gu. Some crooked ways, things that hurt heaven and reason.

"Xu Qianqian, you have been completely saved, return the book you stole from my study." Yu Sheng said.

"Return it to you? Why should I return such a good thing to you? That's a baby! I can climb higher than you. One day I will be able to step on you with that book. Under your feet, let everyone surrender to me." Xu Qianqian said and laughed, with a trace of madness in his expression.

Yu Sheng sighed helplessly, Xu Qianqian really hadn't seen this before. Since he practiced that kind of evil technique for the sake of strength, even if he didn't kill Xu Qianqian today, Xu Qianqian would be known to practice evil by those decent martial artists in the future. Gong will hunt down her too.

"Xu Qianqian, do you really want me to kill you?" Yu Sheng looked at Xu Qianqian's gaze flashed with killing intent. If Xu Qianqian still doesn't plan to hand over the book, he really wants to kill him. Xu Qianqian killed harm for the people.

Xu Qianqian stepped back a few steps, but she knew Yu Sheng's terrifying strength, if he really wanted to kill himself, the blink of an eye would be enough.

"If you dare to do something to me, I will let you Yang Zihuan go down with me, but not only Yu Yuezhen has a mother, even your most beloved Xiaoshui will lose her mother, and all of this is caused by your own hands.!"

Chapter: 1242

For the rest of my life, I felt that Xu Qianqian just slapped Yang Zihuan, and Yang Zihuan went to lie on the ground for a long time and didn't stand up. Now I saw that her skin was starting to turn green. This is obviously not the harm that a slap can bring, Xu Qianqian definitely moved something on her body.

Du Fei in the audience felt that the situation was too chaotic. If he went on like this, he would be completely out of control, and maybe innocent people would be injured. So he asked his brothers to dismiss all the people attending the wedding.

He helped Yang Zihuan on the ground, Yu Sheng discovered that Yang Zihuan was already confused at this time, and even his consciousness was blurred.

"What did you do to him? It's the matter of the two of us, why should you do it to her?" Yu Sheng asked with an icy voice, looking at Xu Qianqian angrily.

Yu Sheng never hated a Yu Sheng to such a degree, Xu Qianqian was the first person to make Yu Sheng hate in his heart.

"Our matter has nothing to do with her? Is Yu Sheng joking with me? Is my current level your opponent? If I don't do anything to her, maybe I will die now!" Xu Qianqian said with a sneer.

If it hadn't been for Yang Zihuan to rush up suddenly, dragging and hitting herself, Xu Qianqian would not have thought of dropping Gu worms on her body. In her eyes, Yang Zihuan had asked for all this.

"Let me go, or I will let Yang Zihuan die now, I will definitely let her die in front of me." Xu Qianqian threatened.

Yu Sheng glanced at Xu Qianqian, who always hated this woman, but now she has nothing to do with her.

No matter how innocent Yang Zihuan is, she should have lost her life because of the contradiction between herself and Xu Qianqian. She rushed up entirely because of Xiao Shui.

At least there is one thing that Yang Zihuan is too good to Xu Qianqian, that is, Yang Zihuan is sincere to Xiaoshui, and will not tolerate other people's actions on his own children.

"Give me the antidote, and I will let you go." Yu Sheng said.

"What do you think I am? If you just give you the antidote, can you still escape? If you care about this woman, then as I leave now, otherwise I will let Yang Zihuan die now Do you believe it or not?"

Yang Zihuan is Xu Qianqian's hostage. After knowing the girl for so many years, Xu Qianqian knows what he is like, so she is sure that for the rest of her life, she will not just watch Yang Zihuan die like this.

Sure enough, Yu Sheng finally compromised, and said helplessly: "I promised to let you go, but how do you plan to give me the antidote? Can't I let you go, Yang Zihuan is still going to die?"

"I will call you to tell you how the antidote is done. You will find a car for me now and I want to leave?"

Xu Qianqian ordered to Yu Sheng.

Yu Sheng beckoned, Du Fei immediately knew how to find someone to get a car, Xu Qianqian got in without hesitation, and started the car and drove away.

"Do you think she left like this? She used to treat Xiaoshui like that! If that woman doesn't leave, I have

to cramp her and let her dare to bully my son.” Du Fei said to Yu Sheng. This decision is not satisfactory at all.

Yu Sheng didn’t want to let Xu Qianqian go like this. After all, the Gu Tome was still in her hands, and he had read the content on it. How many innocent lives would be killed by cultivating this sorcery.

With a helpless sigh, Yu Sheng said, “I don’t want to let her go, but Yang Zihuan is innocent. If he dies, Xiao Shui and Yueyue will both have a mother. It would be too cruel. .

After I find the antidote for Yang Zihuan, I will search and find Xu Qianqian all the way, and I will never let her do anything wrong.”

Du Fei patted Yu Sheng on the shoulder. He also knew that this incident was out of helplessness for the rest of his life, so he comforted: “Don’t think about it so much. Fortunately, I saw the true side of Xu Qianqian through the marriage. If you want to marry that kind of femme-hearted woman home, I will feel your back chills for you.”

Speaking of this, the rest of my life is also somewhat fortunate. I found out what Xu Qianqian had done early. If I didn’t hear Aunt Huang talking to herself today, maybe he would marry Xu Qianqian home, and Xiao Shui would still Continue to be bullied by her and even lose his life.

Two weddings were held within a year. Both weddings ended in failure. For the rest of his life, he was a little helpless. Is it possible that he is really unworthy of getting married?

As if he could see what Yu Sheng was thinking, Du Fei comforted: “Lao Yu, actually! Among you so many women, I think the most suitable one is Magnolia.”

At this moment, someone broke in. It was Wang Zhuangshi. Don’t think he was eating very fat, but he didn’t run slowly. He was already out of breath when he ran over.

After a while, he said to Yu Sheng with an anxious look: “Brother Yu, go and take a look. Uncle Yu was injured and Xiao Shui was also snatched away.”

Chapter: 1243

“What happened?” Yu Sheng grabbed Wang Zhuangshi’s shoulder and said emotionally.

Wang Zhuangshi was so hurt by Yu Sheng that he quickly told Yu Sheng what he knew.

When the wedding was held, Xiao Shui was unwilling to attend, so he asked Yu Zhongtian to take him to play. Wang Zhuang Industrial didn’t have anything to go for a walk with them when he was free.

Everything was going well before, but suddenly there was a group of people in black clothes, and one of them was an older woman with good strength, and she didn’t let Yu Zhongtian fight against her.

The old woman dragged Yu Zhongtian, and several other people hugged Xiao Shui and were about to leave. Seeing this situation, Yu Zhongtian was anxious to stop it. When he was distracted, the old woman beat Yu Zhong. The sky is a palm.

Unsuspecting Yu Zhongtian fainted directly after receiving this palm. Wang Zhuangshi was just an ordinary person, and he was a little courageous, so he didn’t dare to catch up, so he came to inform Yu Sheng as soon as possible.

“What little water was snatched away, and Uncle Yu was hurt by others, who is it? So courageous?” Du Fei asked a little fiercely.

Anymore, Xiao Shui is also his godson, can you not worry if your godson is lost?

“I really don’t know this! They are all covered, I can’t see who it is at all!” Wang Zhuangshi said helplessly.

“Lao Yu, did your enemy come here to seek revenge? Will the little hand encounter any danger?” Du Fei said emotionally to Yu Sheng.

Yu Sheng was also very anxious, but at this time he didn't have any way to do it. He really couldn't figure out who appeared and robbed Xiao Shui away.

Yu Zhongtian was seriously injured and was still in a coma. Yu Sheng gave him a pill that could repair his injuries. When Yu Zhongtian woke up again, it was already noon the next day.

"Dad, you finally woke up, do you know who the gang robbed Xiaoshui from?" Yu Sheng asked anxiously.

At the time of this day, Yu Sheng had no clue, and could only guard Yu Zhongtian and hope that he would wake up soon.

"Have you found Xiaoshui?" Yu Zhongtian asked Yu Sheng, holding his aching chest.

Find?

I want to find it for the rest of my life! In Wang Zhuangshi's words, there are too few descriptions of the people in black, and even their appearance is not clear. In this way, Yu Sheng has nowhere to start.

"Until now, there is still no small water falling, Dad, do you know who they are? Can someone be stronger than you?" Yu Sheng said.

The rest of the people at the hidden gate have almost resolved it for the rest of their lives. Among them, Yu Zhongtian's opponent is only the great elder of Mo Tianzong, but his old man has always wanted Yu Sheng to be the lord of Mo Tianzong. How could you do anything with his son?

Things were getting chaotic. Yu Sheng really wanted to offend someone, so that those people abducted his son.

"That old woman is also at the mid-term level of the Great Master. If I only fight with him, I will definitely be able to defeat the upper hand, but they have an advantage. I was dragged by the old woman, and those people took Xiao Shui away. It's my fault, I'm not optimistic about Xiaoshui." Yu Zhongtian said reproachfully.

Because he was too excited, he swallowed a mouthful of blood, and the quilt was stained red.

Yu Sheng hurriedly stepped forward to comfort him: "Dad, don't worry, this matter can't be rushed.

Since he didn't do anything directly, but chose to rob Xiao Shui, it shows that they have a purpose.

Now that there is no message is the best message, Xiao Shui will definitely do nothing, you must take care of your body. "

Yu Zhongtian sighed helplessly. Yu Sheng was right. Those people didn't kill them directly, maybe it was purposeful.

At this moment, Yu Sheng's cell phone rang suddenly, the voice of a text message.

If you want to save your son, come to Longhushan!

The sender is an unfamiliar mobile phone number I have never seen for the rest of my life.

Chapter: 1244

Dragon Tiger Mountain?

Looking at the message on the phone, Yu Sheng fell into contemplation. Does Yu Sheng remember anyone who has ever been in contact with Longhu Mountain? Why did the people of Longhushan take Xiaoshui abducted? What does it really matter?

Suddenly, a flash of lightning flashed in Yu Sheng's eyes. When she helped Xiao Zixin's mother solve the ghost in red, she discovered that someone deliberately targeted Xiao Zixin. He also placed a puppet in the tomb of Xiao Zixin's grandfather, Xiao Tiandi. It was he who helped Xiao Zixin break the situation. , And this allowed their family to escape.

Xiao Zixin's family used to invite Master Ma from Longhu Mountain, but Yu Sheng and Longhu Mountain

did not have any holidays. Why would those people kidnap Xiaoshui? What is the relationship between them?

“Dad, I already know who did this thing, don’t worry! I will definitely not let Xiao Shui be in any danger. They dare to hurt you, and they dare to take Xiaoshui away. I must let them be punished as they deserve!” Yu Sheng said word by word with determination in his eyes.

“I just suffered a little injury. I’ll go with you. Two people can take care of me. And I’m afraid you can’t deal with the old woman alone.” Yu Zhongtian said that he would lift the quilt and go with Yu Sheng. . Yu Sheng hurriedly held Yu Zhongtian: “Dad, you have just attacked your heart with energy and blood, so you should stay at home and heal your wounds! Don’t worry, I will be fine, don’t worry!”

“Then you must bring Xiao Shui back.” Yu Zhongtian was still a little worried, but his injuries were indeed severe, and even if he really went with Yu Sheng, he wouldn’t be of much help.

Yu Sheng nodded solemnly, and after he settled down, Yu Zhongtian planned to set off to Longhu Mountain to find the group of people to settle accounts.

As soon as he walked out of the room and closed the door, Wang Zhuangshi ran over out of breath, and looking at the expression on his face, he could guess for the rest of his life that what he wanted to say was a good thing.

“Yang Zihuan is just fine, you take care of her, I will go to Longhu, and I will be back in a week at the latest.” Yu Sheng said that he turned around and left.

Only Wang Zhuangshi stood on the spot with a dazed expression, scratched his head scratching his head, and said to himself: “I’m not talking about it! How does Brother Yu know that I’m talking about Yang Zihuan is already done Ah! Is it possible that Brother Yu is really a god? He can see through people’s thoughts.”

Thinking of this, Wang Zhuangshi felt terrified for a while. He would steal a little bit every time after making a meal. Is it possible that Brother Yu knew all these things?

Thinking of this, Wang Zhuangshi felt a guilty conscience, and he wouldn’t dare to eat it again in the future.

.....

Longhushan is not far from Qiancheng. Yu Sheng spent a few hours in the car and arrived at the place, but the gate of Longhushan Tianshi’s Mansion was closed tightly. Yu Sheng used his mind to perceive it, and he didn’t feel that there was a living person inside. Breath.

In this case, it means that there is no one in the Heavenly Master’s Mansion.

Yu Sheng took out his cell phone and took a look again, and he was sure that the person asked him to come to Longhushan. Could it be that the person who sent himself a message was a spoof of himself, but it was not the group of people who robbed Xiaoshui?

There was really no way to do it. Yu Sheng made the call, but there was no way to get through, and no one responded when sending a text message. The phone number seemed to be suddenly unavailable. Yu Sheng thought that he had found a clue to rescue Xiao Shui, but he did not think that when he got there, everything had changed.

How can this huge Heavenly Master’s Mansion be said to have no one if there is no one? It’s really weird to say that.

Yu Sheng found the people around him and asked them. Those people didn’t know that the Heavenly Master’s Mansion was actually closed. Some people said they went to the Heavenly Master’s Mansion to offer incense yesterday!

All the reasons show one thing, that is, the Heavenly Master’s Mansion was closed today, which

happened to be the day when the rest of his life arrived.

For the rest of my life, I knew that those people had a purpose for letting themselves come to this place, but what the purpose was is not known.

Chapter: 1245

For the rest of his life, he didn't know where he was going, so he could only sit and wait at the door of the Heavenly Master's Mansion.

Just as Yu Sheng was about to leave and find a place to rest and come back the next day, suddenly he saw a figure that caught his attention.

Seeing someone coming, Yu Sheng thought it was a person from the Heavenly Master's Mansion who came back. He immediately felt energetic. A vigorous step came to the person and strangled the person's neck without saying a word.

Yu Sheng's eyes were torch, and his voice said coldly: "Say, where did you take my son, why did you deliberately avoid me when I came? What is the purpose?"

The man who was caught by Yu Sheng's neck struggled desperately, trying to break Yu Sheng's hand but couldn't break it.

Yu Sheng realized that he was pinching an ordinary person. If he were a member of the Heavenly Master's Mansion, he would not have any internal strength. Just now he almost choked this person to death because he was too heavy.

As soon as he let go, the man coughed violently, and then stepped back several steps, looking at Yu Sheng with a horrified expression on his face.

"You...who are you? I have no grievances with you, why are you pinching me?" The man said timidly, his eyes full of horror when he looked at Yu Sheng.

The man's reaction does not want to be able to pretend, this is a reaction that a normal person would have, and it is basically certain for the rest of his life. The person in front of him is an ordinary person. Since they are not from Longhushan, what is the purpose of coming here at night? Yu Sheng couldn't understand it, so he asked, "If you are not at home at night, take a good rest. What are you doing here?"

"I...I want to take a good rest at home! But there is no way to stay at my home now, there is really no way to stay, so I came to Longhushan and wanted to ask the heavenly master to help me get that dirty. The things are collected!" The man said helplessly.

Yu Sheng originally didn't want to care about this matter, but he always felt that there seemed to be some connection between the two during the period, otherwise this person would not come early or late, but it would be the case that everyone was not there in Longhushan, and he was there.

Looking at the man, Yu Shengzai looked at it carefully. Although it was late now, it did not affect Yu Sheng's vision.

The man looks ordinary in his twenties, he should have been full of energy, but the man looked a little embarrassed, with heavy bruises under his eyes, as if he hadn't had a good night's sleep for a long time. People also look a little thin.

"What happened to your family, is it convenient to tell me?" Yu Sheng asked the man.

The man looked at Yu Sheng with a vigilant look, not knowing what he imagined to do. In the man's heart, he felt that Yu Sheng was not a good person, but he almost choked her to death just now.

"Who... who are you? Why are you staying in this place? Are you from Longhushan?" The man asked tentatively.

Yu Sheng's eyes rolled, the people in this place still trust and respect the people of Longhushan. If you

want to find out what happened in his house, you still have to borrow the name of Longhushan.

“Yes, I am from Longhushan. If you have anything to tell me, I will help you solve it.” Yu Sheng said.

The man still didn’t trust Yu Sheng, his eyes were still very wary: “If you were from Longhushan, why would you stay outside!”

And you pinched me to say that my son is not a son, I don’t believe you, I’ll wait until tomorrow! ”

The man glanced at Yu Sheng, then randomly turned around and left. The previous behavior of Yu Sheng suddenly pinching his neck still made him worry.

“Don’t leave now! How can I do you to believe that I am from Longhushan?” Yu Sheng said helplessly.

In fact, Yu Sheng just didn’t want to care about this matter, but he sent another text message on his mobile phone, which was the mysterious number.

The content of the newsletter is: If you want to know the whereabouts of your son, then help him solve the problem at home.

Is there anyone else besides the timid man in front of him? For the rest of my life, I can’t help him if I don’t want to.

It’s the first time in the rest of my life to rush to help others like this.

“Then you can show what you can do! In case I invite home is a liar, not only can’t solve the problem, it will get worse and worse.” The man said.

Yu Sheng thought for a while and finally set his sights on the gate of Longhu Mountain, and then said with a smirk: “Don’t you want to see if I am a real talent, or a liar, deliberately pretending to be a person from Longhu Mountain? Show it to you!”

Speaking of Yu Sheng, he slapped the closed door of the Heavenly Master Mansion here, and only heard a violent sound, and then the door broke through a big hole. Adults can directly enter the Heavenly Master Mansion from that hole. .

Chapter: 1246

The man standing by the side was dumbfounded! The boss opened his mouth so that he could not drink it for a long time. After a while, he turned his head to look at Yu Sheng.

Then he swallowed and said, “You...you are really a member of the Heavenly Master’s Mansion! It’s...very powerful.”

A faint smile appeared on the corner of Yu Sheng’s mouth and said: “Now you believe that I am a capable person, isn’t it a liar?”

The man nodded dumbly. His people were still in shock. After all, the palm of the rest of his life was beyond his imagination. It was not something ordinary people could do.

The only thing I don’t understand is that since Yu Sheng is a member of Longhu Mountain, why is it that the gate of the Heavenly Master’s Mansion is broken with a palm, so are you not afraid of the primal master’s blame?

“This door...” the man said hesitantly looking at Yu Sheng.

Yu Sheng indifferently waved his hand and said: “The problem is not big. My celestial master has money. If a door is broken, it will be replaced with a new one.”

Although he said that, Yu Sheng sneered in his heart. The dogs in Longhushan injured my father and dared to take my son away and let me come to this place. Still avoiding people, you shit the door of the Heavenly Master’s Mansion broke to give you a little lesson.

If he was asked to rescue Xiao Shui, he would have to disturb the shit Heavenly Master’s Mansion into the darkness!

The man stopped asking what Yu Sheng said. He just wanted to know if Yu Sheng had real talents. Now that he was confirmed that he was a real talented person, he was relieved.

In case, please go back to a liar. It's not a big deal to cheat a little money. The important thing is that the problem can't be solved, and it's not good if everyone knows it. In this case, his house will not only be able to live by himself, he will think about it later. If you want to sell, no one dares to buy it.

On the way back, I learned the story for the rest of my life.

The man's name is Liu Qun, an authentic local. After graduating from university, he found a job in the city. After working for a few years, he married his girlfriend.

The husband and wife are honest people and they have not done anything harmful to the world. The life after marriage is pretty good, and the husband and wife are also very affectionate.

Only in the evening a week ago, Liu Qun's wife got up to go to the bathroom at night. When she turned on the light, she saw a little girl in a red dress wandering in the living room. She turned around and disappeared through the wall, and then she went from the other side. Popped up.

This situation scared Liu Qun's wife so frightened that she fainted, and she was sent to the hospital for a few days.

Liu Qun's wife is sick. He has been taking care of his wife in the hospital those days. He thought that this was just a hallucination of her wife. What kind of monsters and ghosts are there in the world!

One day when Liu Qun came home to pick up some changes, he also ran into the little girl in a red dress spinning around in his room.

Liu Qun was originally courageous. This was the first time he saw a ghost in more than 20 years. He was scared enough, but he didn't even think his wife would frighten himself in.

After running out of the room, I was still undecided, but I can't stop taking the clothes while I'm still at home!

Because it was broad daylight, this made Liu Qun more courageous, so he ran in with courage.

Later, Liu Qun discovered that the female ghost in the red dress floated past him many times as if she couldn't see him, but she didn't even do anything to him.

Liu Qun realized that this female ghost seemed to be trapped in it. She only appeared at three o'clock in the afternoon and nine o'clock in the evening, and she just wandered around the house after she came out.

Even so, Liu Qun's wife didn't dare to live in this home anymore, and returned to her natal home in a rage. The daughter-in-law was able to live in her natal home, but Liu Qun had only this home.

He dare not live with a ghost at home! I could only find a small hotel near the company to live in. The small hotel didn't have those dirty things, but he couldn't sleep because of the people coming and going at night, and the noise was not soundproofed.

If you want to go to a better hotel, you have to spend a few hundred yuan a day. As a small employee, his daily salary is only more than one hundred, so it is not worthwhile at all.

After living for two days, Liu Qun realized that these problems must be solved fundamentally, so he came to Longhushan after work and wanted to ask the celestial master of Longhushan to help solve this problem. Whoever imagined that would have encountered the rest of his life.

Chapter: 1247

Liu Qun opened the door, poked his head in cautiously, took a look and found that there was no girl looking at the red dress, and then opened the door with confidence.

"This is my house. Come and sit in first! It's not time at this time. I'll go to boil some water first." Liu Qun

said and took a thermos to boil water.

For the rest of his life, I didn't have any idle time, and I looked around in Liu Qun's room, wanting to see where there was something unusual.

The layout of the house is very simple, and there are no feng shui taboos in any place. A one-hundred-square-meter house is not very big, but a couple living in two can be considered improvised.

A big wedding photo was hung on the wall of the living room. Next to Liu Qun stood an ordinary-looking and somewhat delicate woman who was probably Liu Qun's wife. Let alone the two of them standing together, they were still very married.

At this moment Liu Qun came over with water: "Master, first, sit down and rest and drink a glass of water!"

Yu Sheng nodded, sat on the sofa and lifted the cup in front of him, took a sip of water, and then asked Liu Qun, "Have you two been to any place before? Did you take this dirty thing from? Brought it back?"

"My wife and I are ordinary people on holidays and have no spare money to travel. Most of the time I go home from work. During this period, I didn't offend anyone. The girl in red also appeared suddenly." Liu Qun said. Sighed.

He didn't even think that this kind of thing would happen to him. Although the ghost didn't hurt them, it was enough to give him a headache.

I didn't ask for any useful information, and I didn't plan to wait here for the rest of my life. It was only half past seven, and there was still an hour and a half before nine.

Taking advantage of this time slot, Yu Sheng asked Liu Qun to help buy some talisman paper cinnabar, Yu Sheng drew a few ghost talisman by himself, and waited for the female ghost to appear and solved her directly.

An hour and a half passed very quickly. Yu Sheng watched the time on the phone when it was nine o'clock exactly. Sure enough, a little girl in a red dress walked into the house through the wall. Her appearance didn't look scary, it's just that Her skin was paler than ordinary people, and she fluttered in her house, as if she was trapped here, and wanted to go out but couldn't get out.

Liu Qun left because he was afraid of buying talisman paper for Yu Sheng, and now there is only Yu Sheng in this house.

Yu Sheng found an opportunity to paste the previously drawn ghost talisman on the female ghost in red. The expected screams did not appear, and the talisman stayed on the female ghost for a second. Just fell to the ground.

The ghost-slashing talisman he painted by himself is flowing with the fortune, how can it be able to disperse a ghost to the soul that can be easily beaten, how can it be of no use at all?

Yu Sheng couldn't understand why this was so, so he took out another piece of talisman paper and stuck it on her body when the female ghost passed by him.

Like last time, the female ghost didn't have any reaction, and the talisman still fell on the ground.

The talisman had no effect on the female ghost. For the rest of his life, he gave a palm to the female ghost. The power of thunder and lightning on the palm of Lei Lei is the nemesis of those evil things.

But it still didn't have any effect. The female ghost was like an illusion, and any attack had no effect on him.

For the rest of his life, after trying something more, it was still to no avail and I could only give up and see if there were any other countermeasures.

At this moment, Yu Sheng discovered that the little girl ghost in red clothes had gone out, and Yu Sheng followed the little girl ghost in red clothes without any ambiguity.

Yu Sheng had been following the little girl ghost in red, following her from the ninth floor where Liu Qun was to the first floor, then from the first floor to the sixteenth floor, and finally back to the room where Liu Qun was on the ninth floor.

When Yu Sheng pushed open the door of Liu Qun's house again, the scene of the house was no longer a simple decorated home with warmth, but also a piece of nothingness, with no bounds in sight.

When the rest of his life looked back, the previous door disappeared, and some were nothing but an inexhaustible sight.

Suddenly a scream came through Yu Sheng's ear.

Chapter: 1248

"Ah! Who are you and why are you here?"

The little ghost girl in red turned her head to see Yu Sheng actually appeared in this place, and Hua Rong turned pale and screamed.

The rest of my life was a little speechless, shouldn't this sentence be asked by herself? I didn't go to reincarnation and went here to affect other people's lives. Now I pretend to be innocent and wicked people to sue first.

"I should ask you this sentence! Let me tell you, who are you? Why do you single Liu Qun's family?" Yu Sheng asked the little girl in red.

"I...I don't know! I don't know why I am in this place. You can come in to show that you are not an ordinary person. You can let me out! I'm really going crazy!" Pausing to rub his face, he said with a nervous breakdown.

The female ghost in front of him was a little strange, and he didn't act rashly in Yu Sheng. It was the first time he encountered this situation, and he always felt that something was wrong.

This female ghost is not afraid of talisman paper. She is not afraid of running Lei Zhang and just wants to escape from this place. Could it be that the people of the Heavenly Master's Mansion deliberately trapped her in this place, what is the purpose?

"Tell me everything you know." Yu Sheng asked the little girl in red.

The female ghost in red in front of her for the rest of her life was originally a sophomore named Xia Miaomiao. She was on the line at two o'clock in the school every day, and the good girl at home had good grades.

One day, I was killed on the way home from school. When I woke up again, I showed up in this place, so I went out.

Hearing about Xia Miaomiao, Yu Sheng felt a little regretful that he was brutally killed when he was only seventeen years old.

Poor Gui Poor Yu Sheng still has to find a way to solve this problem, and let Xia Miaomiao go out and send her to the underworld to reincarnate, so that she can continue to save Xiaoshui by those people in Longhushan.

"Please, save me! I really don't want to stay in this place for a minute, I'm going crazy, I want to go out, even the lower eighteenth hell is better than staying in this place!" Xia Miaomiao said hysterically, her emotions were a little broken.

Yu Sheng didn't understand why Xia Miaomiao wanted to be like this. She was just walking around in Liu Qun's house. Is it really that scary?

"You calm down first, don't worry! I will definitely take you out to reincarnate you." Yu Sheng said comfortingly.

I came here just because of the people who followed Longhushan, and helped Liu Qun solve the family's affairs by the way, but now it's good to be here to comfort the female ghost, and for the rest of my life I despise myself a little.

At this moment, Xia Miaomiao grabbed Yu Sheng's hand and said with a choked voice, "Will you really take me out? I want to go out, I want to go home, I want to see my parents again, please take me. When I go out, you don't even know how terrible this place is." horrible?

Yu Sheng couldn't hear the meaning of Xia Miaomiao's words. He didn't think there was anything terrible here, but they were now deep in nothingness, and there were no scourges!

At this time Xia Miaomiao said again: "I have been trapped in this place for a week, and you don't know what I experience every day.

Every corridor here has a corpse hanging, and every corridor has. The most terrifying thing is that they are exactly like me. It feels like where I hanged myself. "

Listening to Xia Miaomiao's words, Yu Sheng remembered that he had followed Xia Miaomiao from the ninth floor to the first floor, and then from the first floor to the top floor. Xia Miaomiao would be extremely frightened every time she walked to a corridor. Now hearing her say this, Yu Sheng But I understand why this is in the end.

Chapter: 1249

In this situation, I didn't hear anything for the rest of my life. The only thing I knew was that Xia Miaomiao didn't lie to herself. It seems that this place is really wicked!

Maybe the people in the Heavenly Master's Mansion were afraid of their own strength and didn't dare to confront them. They wanted to put themselves in this place forever like Xia Miaomiao.

"Don't cry, crying is useful, I will take you out." Yu Sheng comforted.

Xia Miaomiao seemed to be tired from crying too, and felt very comforted when he heard what Yu Sheng said, so he said very well, "Big brother, you said take me out, don't lie to me!"

Yu Sheng touched Xia Miaomiao's head, and said with a light smile: "Don't worry! Big brother won't lie to you, but I need to find a way to get out of this place first."

At this moment, Xiao Ningyu's voice came from Yu Sheng's mind.

"Master, can't you stay in this place for a long time? Once twelve o'clock, you have no way to go out. If you want to go out, you have to wait until a week before you can go out."

Yu Shengzhen thought that this place was still time-limited, and it had something to do with what sun and evil in the almanac. Trapped in this place would only be able to come out until the next evil day.

He was not a real Taoist person who caught ghosts, but only recorded the techniques of Yin and Yang in the Nine Profound Heaven Scriptures.

Xia Miaomiao appeared at nine o'clock. Yu Sheng was trying to deal with her, and it took about an hour to go around with her. There are still two hours left, and I have to get out of this place.

Ordinary people may starve to death if they don't eat or drink for a week. For the rest of their lives, a strong master will not eat or drink for a week without much impact.

Just thinking that Xiaoshui is still missing, the rest of his life will never allow himself to be left in this place for a week.

For the rest of his life, the speed is very fast, much faster than Xia Miaomiao, he intends to keep going forward to see if this piece of nothingness has an end.

After running for about ten minutes, at the speed of the rest of his life, if he was on the road, he would

have a distance of nearly three kilometers.

Suddenly Yu Sheng saw a red figure not far away. He thought he had walked in, but Yu Sheng speeded up his steps and ran over. When he saw the red figure clearly, a touch of loss flashed in his eyes.

This person is no one else, but Xia Miaomiao who has been waiting for the rest of his life.

Yu Sheng stopped and asked Xia Miaomiao, "Have you been in this place?"

Xia Miaomiao nodded, and watched Yu Sheng set off from in front of her and emerged from behind her. She was smart enough to understand that Yu Sheng turned around and turned back.

Yu Sheng had promised her before to take her out of this place, but now even Yu Sheng couldn't get out by himself, so how could he take her out.

Thinking of staying in this place all the time, Xia Miaomiao could no longer hold back and burst into tears, feeling even more agitated than before.

Listening to the crying in my ears for the rest of my life I was a little speechless, and he was arguing that there was no way at all, thinking normally, let alone thinking about going out.

For the rest of my life, I was a little helpless and even wondered if all the women met, and the only way to solve the problem was crying.

"Don't cry, you can't help crying like this anymore." Yu Sheng patted Xia Miaomiao on the shoulder and comforted.

If he had a choice, Yu Sheng would rather be trapped in this place than to be with Xia Miaomiao. This is too noisy, and there is no way to quiet the ears.

I really don't want to coax it for the rest of my life, so I just let Xia Miaomiao cry in this place and stay in another place.

After walking for a while, there was Xia Miaomiao's heart-piercing cry in his ears, and it slowly disappeared for the rest of his life.

This time he was really trapped inside, and no matter how far he went, he would return to the starting point.

"Master, how do I feel that we are in a gossip array? If we can find a life in this piece of nothingness, will we be able to go out?" Xiao Ningyu said gruffly.

Xiao Ningyu's words were like a divine enlightenment, and Yu Sheng's face showed a touch of joy. If he could find the student in the eyes of this array, maybe he would be able to go out.

Chapter: 1250

"Xiao Ningyu, if I remember wrong, you are just a piece of ancient divine jade, how can you still know these things? Or do you know everything? If this is the case, can you help me to calculate which way? Is it a life? Which side is the dead door?"

Yu Sheng didn't even think that Xiao Ningyu knew this, but he didn't know anything about the Five Elements and Gossip. It would be great if Xiao Ningyu could help him count the birth gate and where it was.

At the beginning, the rest of my life was just thinking about trying it out, and I didn't expect Xiao Ningyu to agree directly.

"Since the master asked me to do it, then I will figure out where the students can go out." Said Xiao Ningyu really transformed three Wen Yuan out of thin air.

Immediately, Xiao Ningyu held the three Wen Yuan in his hand and shook it, and then threw it into the sky. After seeing where the three Wen Yuan landed, a young and tender face showed thoughtfulness expression.

“Master, I know where the students are!” Xiao Ningyu said with bright eyes.

Upon seeing this, Yu Sheng was also overjoyed, not thinking that this little guy could be so reliable at a critical time, and he should usually be treated well.

“Xiao Ningyu, why are you so amazing! You can even figure this out. Hurry up and tell me how you know it.”

Xiao Ningyu didn't worry about the location of Shengmen anymore, and felt that she had asked her questions.

When Xiao Ningyu heard Yu Sheng boasting about herself, she felt a little embarrassed and touched her head and her face blushed, and she said shyly: “People are not particularly good! As for these skills, my previous master knows all of them, I see After that, it will happen naturally.”

The last owner? Yu Sheng never thought that Xiao Ningyu had other masters besides him. In this way, Yu Sheng developed a strong curiosity about Xiao Ningyu's previous master.

Knowing these five elements and gossip, is it possible that Xiao Ningyu's last master was a Taoist priest? The rest of my life thought.

“Then you say, am I better than your previous master, or is he better?” Yu Sheng asked deliberately. I am still very confident about my own strength for the rest of my life, and he can be said to be the first person in this secular world and hidden door.

Xiao Ningyu thought about it and said, “Of course my last master was amazing. He is really super amazing! You two are not good at all, it's like a heaven and an underground!”

Yu Sheng heard the meaning of disgust from Xiao Ningyu's words, is it possible that he was so troubled in Xiao Ningyu's heart?

Yu Sheng was still a little unhappy when said by a kid like this. Yu Sheng reached out and knocked on Xiao Ningyu's head, and said angrily: “Since I'm so bad, why are you following me? Hurry up, hurry up. Go, I will never keep you!”

Xiao Ningyu realized that what he said was a bit too much, but Yu Sheng was indeed a bit worse than his previous master.

But his last owner was more than 300 years old, and his strength had reached its peak, and the rest of his life was only in his twenties and he had achieved his current achievements.

According to the current trend, Yu Sheng can surpass Xiao Ningyu's previous master without waiting for it to be 300 years old. After all, there is no one who can compare with Yu Sheng in terms of talent.

“Master, in terms of talent, you are the most powerful I have ever seen. Even my previous master is almost a lot compared to you.” Xiao Ningyu said with admission.

Yu Sheng felt a lot more comfortable when he heard this, and touched Xiao Ningyu's head and said:

“The master just hurt you! When I go out, I will buy you candied haws to compensate you, OK?”

Although Xiao Ningyu didn't know what candied haws were, he knew that it must be delicious when he heard the name, so she agreed without thinking about it.

Yu Sheng snickered, and as expected, the children were so coaxing, a candied haws could be bought, thinking that Yu Sheng thought of Xiao Shui here, the smile on his face disappeared.

No longer wasting time, Yu Sheng asked Xiao Ningyu, “Where is the student?”
