

Dont mess 1271

Chapter: 1271

Yu Sheng was shocked when she heard Aunt Huang say this. He had promised to raise his salary to 155,000 a month. This company is already a very good treatment for an ordinary nanny.

"If this number is not too small for you, then let's 20,000 yuan a month! I won't treat you badly with the money. The most important thing is to take good care of Yueyue." Yu Sheng said with a slight smile.

In terms of salary, the rest of my life does not plan to care about so much with my Aunt Huang. Besides, Aunt Huang has been taking care of Yueyue for a long time. Now Yueyue and Aunt Huang are very close. If Aunt Huang leaves at this time, Yueyue will definitely be sad for a while. If money can solve the problem, it will not be a matter for the rest of his life.

When Aunt Huang heard this, she knew that Yu Sheng had misunderstood what she meant, so she waved her hand and said, "Mr. Yu, I didn't mean that. It's really something happened at home and I can't take care of Yueyue anymore. Yes, you are very nice, and it is my honor to be a nanny in this family."

As she talked, tears flowed out of Aunt Huang's eyes, and realized that she was a little gaffe, she quickly turned her head and wiped away the tears on her face.

"Since you think I'm pretty good here, why do you want to resign? If you are busy with other things, I can give you a holiday." Yu Sheng said with a word.

"I'm sorry, Mr. Yu, my daughter has something happened in school. I am afraid that there will be no way to take it down in Qiancheng in the future. I plan to take her to study abroad." When it comes to her daughter, Aunt Huang doesn't cry. Consciously flowed down.

Seeing this situation, Yu Sheng also knew that Aunt Huang must have encountered something. There was no way to solve the problem. She worked hard at her home for so long, and she took care of Yueyue very carefully.

If he can help with this matter, Yu Sheng plans to help Aunt Huang, which can be regarded as Yueyue.

"What can you tell me! Maybe I can help you?" Yu Sheng drew a piece of paper and handed it to Aunt Huang.

Aunt Huang hesitated, and finally took the paper that Yu Sheng handed over. Seeing Yu Sheng's eyes hesitated and said: "I...I... my daughter is about to be expelled from school, saying that her private life is chaotic and still Accompanying guests at the bar has greatly affected the reputation of the school, so she must be expelled."

Speaking of this, Aunt Huang's expression became a bit agitated, as if she was afraid of misunderstanding for the rest of her life, she quickly explained: "Mr. Yu, my daughter is not such a person. Would you do such a thing?"

But there is no way. We are just farmers. I don't have the ability to clear this grievance for my daughter. In order to prevent him from being ridiculed here, I can only take her to another place to continue studying."

Aunt Huang's conditions for the rest of her life are also understood. She is a very good person and is dedicated to taking care of Yueyue.

Aunt Huang divorced her husband. Her husband married a third party. Both children were thrown to Aunt Huang. At that time, his daughter was five years old and his son was two years old.

In the beginning, her ex-husband still gave some support to the two children, and slowly stopped giving Aunt Huang the money. Aunt Huang wanted to ask for it, but he had no identity and background, so he

couldn't beat her at all. The ex-husband can only give up.

It was hard for one person to drag the two children to college, and now it's okay to be a nanny in the Yu's family. Taking care of a pair of children can also lead a good life.

Who would have imagined that there are unexpected events, and now that such a thing has happened, her daughter has no way to stay any longer after all the rumors in school.

"Did I help you solve this matter? Aunt Huang, you can continue to look after Yueyue in this home." Yu Sheng asked.

Aunt Huang wiped away the tears on her face and took a look at Yu Sheng. At this moment, she seemed to see hope. If a big figure like Mr. Yu helped solve this matter, then her daughter would be able to clear away the grievances.

"Mr. Yu, are you really willing to help my daughter?" Aunt Huang looked at Yu Sheng in disbelief and asked tentatively.

Yu Sheng smiled and promised: "If your daughter really did not do those things, I will definitely return her innocence. Of course, the most important thing is that I still want you to stay in this home and help me see. Yueyue, I am not at ease with others."

Chapter: 1272

"That's really a thank you to Mr. Yu. If you are willing to help my daughter clean up her grievances, then my daughter does not need to be pointed out like this.

My daughter is only twenty years old now! I don't want her reputation to be ruined like this. "Speaking, Aunt Huang knelt down gratefully and squashed her head several times.

Yu Sheng hurriedly helped Aunt Huang from the ground, and said unhappily: "Aunt Huang, if you continue to do this, I won't help you. Get up and get up!"

Aunt Huang, she quickly stood up after hearing this and wiped away the tears on her face, as if she was afraid that she would not help herself for the rest of her life.

"I won't kneel anymore, Mr. Yu, I listen to you everything, you must help my daughter!"

Yu Sheng smiled slightly, patted Aunt Huang on the shoulder, and said with a smile: "Okay, you don't have to worry about this matter, just leave it to me to solve it."

Qiancheng.

University of Finance and Economics.

Female dormitory.

"Yo yo yo, isn't this the social flower in our dormitory? Why do you have a bad reputation? This school can't stay in this school without you anymore? This has no effect on you, after all, you just hang out with your clients. The mistress of the little mistress has nothing to worry about!"

A girl with big yellow hair and big waves wearing designer clothes said, clutching her chest, and laughed. The other two girls laughed when she heard the Huangfa girl say this, but the girl who was packing her baggage and dressed plainly kept her head down, as if trying to endure something.

"Why don't our Miyoshi students stop talking? Can't they be pretended? Is the original form exposed? It's normal for a pauper like you to go out to buy." Huang Fa continued to mock.

The girl couldn't help it anymore, she picked up the clothes that were still folded and hit the yellow-haired girl's face, and said angrily: "Shen Huan, I said I don't want to go, why do you all slander me like this? I have never done anything before, why should I rest on my head? I just want to study hard in this school. When did I offend you? Why are you targeting me like this?"

Talking about it, the girl squatted on the ground and choked and cried, as if she had been wronged by

the heavens, and all her strength fell apart at this moment.

Shen Huanzhen thought that she had been smashed in the face by a hillbilly holding her clothes. No matter what, she was also the eldest lady of a second-rate family in Qiancheng, and she had never suffered such grievances.

Shen Huan directly smashed the clothes on the girl again, and shouted at the girl: "Xu Jingjing, you dare to smash me with your clothes, what are you? It's just a chicken that went out to sell. Is it wrong that I said before? You fail?"

Now who in our school doesn't know, you just went out to sell, I don't mind making your reputation worse!"

Shen Huan and Xu Jingjing are roommates, but Shen Huan has never been able to understand Xu Jingjing, a wild girl from the countryside who knows to read all the time except for reading, and the clothes on her head to toe add up to less than one hundred yuan.

Originally, this girl Shen Huan couldn't look down on her eyes, but there are not a few boys who pursue Xu Jingjing. Even the Hu Fei school grass she has always admired is different to Xu Jingjing and other girls.

Now that she saw Xu Jingjing like this, of course Shen Huan had to step on her feet fiercely and taunt her again, so as to relieve her hatred!

Since Xu Jingjing dared to take the clothes and smash her in the face, Shen Huanyan didn't intend to leave any affection anymore, she took out her mobile phone, opened the campus forum and posted an anonymous video.

In a short while, the amount of likes and comments on this post exploded, and those people on campus became even more verbal towards Xu Jingjing.

Shen Huan looked at the comments with satisfaction, and then a sneer appeared on his face.

Chapter: 1273

Under Shen Huan's cynicism, Xu Jingjing finally chose to be patient, except for the girls' dormitory after packing up.

Seeing the scenery outside the campus, Xu Jingjing felt 10,000 reluctant, but she couldn't leave without leaving the situation so coaxed.

There are some things that she has no way to explain clearly. The only result is to leave here. Qiancheng University of Finance and Economics is one, and even if she goes to another school in the future, plus her expelled status, even if she goes to school. Three books are also difficult, and the gap between the two is self-evident.

In this school, Xu Jingjing's grades are excellent, and she has scholarships every semester, and her mother Huang Sulan does not need any living expenses. It will be hard to tell if she goes to other places in the future.

As she was walking, Xu Jingjing suddenly heard the people next to her pointing to her, and she also mentioned her name. She didn't need to think she knew what those people were talking about.

"Look, isn't this the one who ran to the bar to accompany the drink? And I heard that I recognized the big boss as a godfather, and be a lover to someone else!" A woman pointed to Xu Jingjing's whispered discussion.

"Looking at a person who has a very honest duty to do such a thing, tusk tusk! Sure enough, people are not good-looking, with an honest face, this is convenient for doing bad things! I feel ashamed to be in a school with such a girl, The school expelled her, she deserves it!" Another woman said contemptuously.

Sometimes the malice between girls is something that others have no way to imagine. Xu Jingjing has never seen these two people, and even more has no grievances against them, so she swears against her like this.

When she heard her classmates, Xu Jingjing bit her lip with her teeth tightly. There were a lot of inexhaustible grievances in her heart and she didn't know how to tell.

There was a salty fishy in her mouth. Xu Jingjing felt her nose was also sour and wanted to cry, but she resisted her tears and didn't want to be jokes by others.

Just when Xu Jingjing was about to pass by these three people, she suddenly heard one of the men looking at the mobile phone saying excitedly: "Oh, I'm going, this is really hot news, you guys look at the campus forum."

When the other two girls saw the man's reaction, they became interested in an instant. They took out their mobile phones and opened the campus forum.

"Let me just say it! This Xu Jingjing is a vixen. I was not sure before that this video will be straightforward! Look at her sorrow in the video, it seems that this is how she seduce men." This time the girl didn't have the slightest bit Concealed, and deliberately told Xu Jingjing in a louder voice.

The man among the three turned his eyes, walked towards Xu Jingjing, and stopped directly in front of her, without a trace of concealment in his eyes, wandering around Xu Jingjing's body unscrupulously, focusing on his chest and buttocks.

"School girl, you are in good shape! Anyway, you are also selling out, who is not selling it! How much money to accompany me all night!" As the man touched his chin, his eyes were full of greed. , I can't wait to take Xu Jingjing off and appreciate it directly.

Xu Jingjing was totally uncomfortable when he saw it, and the man had just said what he had just said, and it undoubtedly trampled Xu Jingjing's last bit of shame on the ground.

The grievances in her heart could no longer be held back, Xu Jingjing's tears kept falling like a broken pearl, her eyes staring straight at the man.

It was a little strange that the man was cried and watched by Xu Jingjing, but after watching the video, he subconsciously regarded Xu Jingjing as a butcher.

"Why are you crying? As long as you sleep with me, I will give you a little more! What do you think?"
Snapped!

Xu Jingjing couldn't help it anymore, she slapped the man directly, and snarled at the man: "I am not the woman in your eyes. Why do you say that to me? Why!"

The man clutched his sore face, unceremoniously slapped Xu Jingjing's face, and cursed: "You, a bitch, dare to hit me. Open your eyes and look at the campus forum. , I sent out that kind of video, but I still installed it here! Bah!"

Xu Jingjing couldn't care about the pain on her face anymore. She was eager to know what kind of posts were posted on campus forums.

Opening the forum, a video appeared in the most conspicuous position. The person in the above video was herself. Xu Jingjing opened the video without any hesitation.

The content of the video is that when Xu Jingjing was taking a bath, the bathroom door was suddenly opened. Xu Jingjing screamed, and if she hurriedly wanted something, she would block it.

Chapter: 1274

When she saw this video, Xu Jingjing remembered that she was taking a bath one day when Shen Huan suddenly opened the door. At that time, seeing her holding a mobile phone in her hand, Xu Jingjing was

so frightened that she wanted to dodge.

However, Shen Huan didn't care at all, and was mocking Xu Jingjing for a while, saying that she was just playing with a mobile phone, so she was not uncommon to take pictures of her figure, and was afraid that her eyes would be dirty.

Due to Xu Jingjing's family status, and she doesn't know if Shen Huan really photographed herself, so this matter ceased. I didn't think that Shen Huan really photographed her that day, and she even took her. That kind of video was sent to the campus forum.

She has been expelled from this school, and it is already so miserable. Why did she do this? Does she really want to ruin herself and force herself to death?

To be honest, even if Xu Jingjing is strong, she will have the courage to live when she thinks that she will live in the shadow of this video for the rest of her life.

At this time, there was a man's contemptuous voice in his ear: "Smelly bitch, the video is coming out, you still can't pretend it? What kind of thing pretends to be pure."

"I don't have it! It's not what you think. I didn't send this video." Xu Jingjing cried and explained. She also knew that no one would believe her.

"Let's go now! You spend money to sleep with this kind of woman, aren't you afraid of getting some unclean disease?" A girl said, pulling a man's clothes.

"It's okay to take measures. I just want to know what a good student looks like when he is in bed." The man looked at Xu Jingjing with a joke, as if he was imagining that kind of scene.

"You still have this kind of hobby. If you like it, then try it. Anyway, this kind of woman doesn't need any face for money." The woman sneered.

Xu Jingjing listened to what the two people said, that the kind of wronged grievance really made her feel very aggrieved, and she wanted to jump off the stairs and walk away immediately to prove her innocence with death.

As soon as she turned her head, Xu Jingjing saw an old acquaintance, without a trace of hesitation, Xu Jingjing ran towards that person immediately.

"Shen Huan, did you post the video on the campus forum? Why did you do this? Why! Delete that video for me!" Xu Jingjing grabbed Shen Huan's clothes and said hysterically. At this time, she was not even afraid of death. Now, I am not afraid to offend Shen Huan.

Shen Huan frowned with a pair of nice eyebrows, opened Xu Jingjing's hands disgustedly, and said impatiently: "Don't touch my clothes with your dirty hands. I wear thousands of clothes. It's a few of you. Can you pay for the monthly living expenses?"

"Shen Huan, how can you do this? I didn't offend you again, why did you harm me like this?" Xu Jingjing cried and looked at Shen Huan and asked.

Shen Huan sneered and looked at Xu Jingjing now, not to mention how happy she was, and said lightly: "I'm happy. You can also post my video if you have the ability?"

"You..." Xu Jingjing pointed at Shen Huan's, and she couldn't say a word. She was originally a very honest person. She had never had a dispute with others, so she faced Shen Huan's rogue. , Xu Jing couldn't say a word quietly.

"What am I? I helped you become a celebrity in this school. Now you are a big star in this school. Later this video will be released. You will be a big celebrity in Qiancheng. There will not be countless people who are looking for you to sleep. , Shouldn't you thank me in this way?" Shen Huan said deliberately jokingly.

Xu Jingjing bit her lower lip tightly. The pain in her mouth was not as good as half of her heart. She really

wanted to beat Shen Huan, but Shen Huan knew where her mother and younger brother were. Huan would not let her family go so easily.

At this moment, a bright Lamborghini drove over. It was the first time that such a top-level Lamborghini appeared on campus. The eyes of the students passing by were all straightened.

Even if Shen Huan is a member of a second-rate family, he only has a BMW a6, which is nothing compared to the top luxury car in front of him.

At this moment, the top Lamborghini stopped beside Xu Jingjing and Shen Huan...

Chapter: 1275

At this moment, the Lamborghini door opened. A man in his twenties with a fair-skinned face and a handsome face got out of the car.

The man's appearance is not so handsome, and the clothes on his body look ordinary, but with this Lamborghini, the grade of the whole person has been wirelessly raised.

Shen Huan thought that the driving Lamborghini was still a handsome boy, and instantly felt that the man in front of him was his prince charming, and if he could be with him, then the Shen family would rise.

Thinking of Shen Huan tidying up her hair, she took the initiative to walk towards the man. She instinctively thought that the reason why a man stopped by her was attracted by her own beauty. Could it be that Xu Jingjing's reputation would be admired. A woman like shit?

"Handsome man, I can accompany you to eat and dinner when I have time!" Shen Huan glared at the man very much, and said actively.

Who would think that the man ignored her at all, ignored Shen Huan's active invitation, walked over from her side, and came to Xu Jingjing's face.

"You are Aunt Huang's daughter Xu Jingjing? I saw you in the photo, why are you crying? Did someone bully you?"

The man was for the rest of his life. He thought he would have to go to the girls' dormitory, but he did not expect to see Xu Jingjing in this place.

"Are you? Mr. Yu?" Xu Jingjing looked at Yu Sheng with a shocked look and said incredulously. In the morning, Huang Sulan called herself and said that her boss would help her solve this problem and restore her innocence.

Naturally, Xu Jingjing would not believe these words. After all, rich people are relatively busy. How could they help a nanny in the family to solve private affairs? As Xu Jingjing, she thought her mother just wanted to comfort herself, she didn't think of anyone. It really came.

"It's fine if you call me Big Brother Yu, why are you encountering something? Why did you cry like this? My eyes are swollen." Yu Sheng asked concerned.

Now that Aunt Huang has agreed, Yu Sheng plans to solve this matter cleanly, and no longer let Xu Jingjing suffer such grievances.

Xu Jingjing glanced at Shen Huan, and didn't know if he wanted to tell Yu Sheng about this. After all, Shen Huan's family was also powerful.

Just when Xu Jingjing didn't know what to say, Shen Huan came over and said to Yu Sheng weirdly: "This gentleman, you came to see Xu Jingjing! You won't be fooled by her innocent appearance, too?

I'm Xu Jingjing's roommate. You don't know how messy her private life is. At night, I go to the hotel to accompany people and drink. The price is clearly marked at school."

Xu Jingjing immediately became angry when she heard this: "Shen Huan, what nonsense are you talking

about, you have already harmed me so badly about the video, and you still slander me like this now!” Shen Huan hugged her shoulders and sneered. Now she saw Xu Jingjing even more uncomfortable, and the man she valued ignored her and ran over to talk to Xu Jingjing. How could she not be angry.

“Don’t let others talk about what you have done! Sir, you can’t find a woman who is so rich. Are you afraid of getting dirty to a woman like her who is overwhelmed by thousands of people?” Shen Huan said.

Snapped!

She received a slap on her face as soon as she fell. The slap was so loud that even people who watched the heat could hear her clearly.

“Xu Jingjing is dirty or not, but you can’t help but comment on it, but your stinky mouth is really dirty. I feel extremely sick when I slap you, and it really dirty my hands!” Yu Sheng said word by word. .

Xu Jingjing was also dumbfounded. When Brother Yu talked to herself, he was a very enthusiastic elder brother image, which was a little different from the rich man she imagined, but he was too strong when facing Shen Huan’s momentum just now. Got it! Even that tone is full of penetrating power.

Chapter: 1276

“You hit me for a woman who sells meat. I’m from the Shen family in Qiancheng!” Shen Huan said angrily, clutching his red and swollen face.

That slap really hurts. Shen Huan didn’t have this kind of grievance since she was a child. She couldn’t accept it at all, and she didn’t care whether he was the owner of Lamborghini.

“Your mouth is dirty, and you are spraying dung to slander others’ reputation. Otherwise, because you are a girl, I wouldn’t be as simple as slapping you.” Yu Sheng said unceremoniously.

Xu Jingjing hurriedly pulled Yu Sheng’s sleeve, and reminded in a low voice, “Forget about it, Brother Yu? Shen Huan’s family business is quite big and it’s not easy to mess with.”

Shen Huan heard Xu Jingjing call Yu Sheng Yu’s eldest brother, plus those words she said, Shen Huan looked up and down Yu Sheng.

If it weren’t for Yu Sheng to get off a top Lamborghini, the clothes on his body would look ordinary and not worth a lot of money at all, and they would not have anything to do with the rich.

Sometimes the driver of a Lamborghini is not necessarily a rich person, it may also be a driver of a rich person. Like Xu Jingjing from the countryside, it is impossible to know this kind of Lamborghini driver even if he goes out for sale. It is very likely that the man in front of him is just one. driver.

The more I watched Yu Sheng, the more Shen Huan felt that a stinky driver dared to beat himself. It was really lawless. I couldn’t just let him go like this.

“A stinky driver, you not only hit me, but you even said me like this. I will never let you go. I belong to the Shen family, and I can pinch you to death with my fingers.” Shen Huan pointed to Yu Sheng’s The nose said unceremoniously.

Yu Sheng smiled contemptuously, did anyone from a second-rate family in Qiancheng dare to be so arrogant? Even the top families in Beijing have to be polite when they see themselves. They can pinch themselves to death with their fingers. There are not a few of them in China, anyway, for the rest of their lives, they still haven’t encountered them.

The stupid girl in front of her, relied on the little power of her family to dare to speak to herself like this, she simply didn’t know the sky and the earth.

“Xu Jingjing, the reason why I came here is to help you solve this matter for you. I promised Aunt Huang. If you have anything to do, just tell me. This girl has done too much to you. You are the same. Speak

clearly.” Yu Sheng said to Xu Jingjing.

I said this for the rest of my life. People came here deliberately to return her innocence. If I conceal it again, I would be too ignorant.

Anyway, I’m not even afraid of death. Brother Yu has just beaten Shen Huan, even if he has offended him, he has already offended him. There is no worries about him.

“Brother Yu, I have never been to a hotel to accompany a drink. The reason for this is because I wanted to find something to do during the holiday to relieve the burden of my family.

One of my classmates is Jia Hua. He said that he had a job with a high salary and few requirements. It was enough to clean up in the bar. He also said that it was given to me because of the face of the classmate.

At that time, I looked at the contract and signed it without any problems. Who knew that when they really went there to work, they even asked me to accompany the drink. The contract was also swayed by them. I didn’t agree and ran out, Jia Hua I was spreading rumors about the contract, and now the school expelled me.”

As she said, Xu Jingjing looked at Shen Huan, gritted her teeth and said, “She didn’t have my permission to break in and take pictures of me while I was in the shower. She also posted the matter to the school forum. Now the whole school People think I am that kind of woman.”

She said that Xu Jingjing hid on the ground and started crying. If she hadn’t come for the rest of her life now, she might have committed suicide because she could not accept the reality.

For the rest of my life, I thought that Shen Huan not only had a stinky mouth, but also was so excessive. Didn’t this push this girl to death?

Slap is too light!

Chapter: 1277

“Have you really sent Xu Jingjing’s video to the school forum?” Yu Sheng looked at Shen Huan and asked word by word.

Shen Huanzhen thought that a driver’s gaze was so sharp, as if he could directly see through the thoughts in her heart.

It’s just a driver, even if he tells him the truth, how can he treat himself, is it possible that Xu Jingjing can still call the shots for Xu Jingjing?

“Yes, I posted her video in the school forum. I was doing this for her own good and to get her business. She should thank me. The appearance of this complaint really makes me sick!”

Shen Huan said disdainfully, she never looked at these two people in front of her eyes. They were just two paupers. Could it be that she would turn the sky upside down?

Yu Sheng kicked Shen Huan’s stomach and kicked the person a few meters away. Those who watched Rehan were shocked.

Oh my god!

This young man was too domineering. He kicked the famous Shen Huan in the school directly. Xu Jingjing, the backer, was too fierce!

Even Xu Jingjing was surprised to cover her mouth when she saw it. She didn’t expect that the rest of her life would be so laborious, and she kicked people away, and Shen Huan’s bones were about to be broken.

Although she didn’t want Yu Sheng to offend the Shen family because of herself, she felt very refreshed and relieved when she saw this scene. This was to say all the things she didn’t dare to say, and to do all

the things she didn't dare to do. Made it out.

At this moment, Xu Jingjing felt so handsome for the rest of her life, even more handsome than the school grass in their school.

"I'll settle the account for you later." After Yu Sheng made a ruthless remark to Shen Huan, he turned to Xu Jingjing and asked, "Who else has bullied you, tell me, I'll settle the account for you!" "

Xu Jingjing looked at the man who humiliated her before. In the end, she didn't say anything, but shook her head: "Thank you Brother Yu. You helped me so much. I don't know how to thank you anymore."

Yu Sheng waved his hand indifferently and said, "You are Aunt Huang's daughter. Aunt Huang did a good job where I did it. There is no problem with helping her solve some things. Don't worry! This school is not allowed without my permission. Will fire you, go! Let's go to the principal now."

When the rest of his life passed by the three people, the man's nervous body trembled a little, and he felt relieved when he thought that Xu Jingjing said nothing.

At this moment, there was a huge pain in his feet, and it felt like a bone was about to be broken.

When the rest of his life passed by the boy, he deliberately stepped on it with one foot and ran a few vigorously, so he would have to spend a few months in bed like this.

Shen Huan felt the screams of the man in her ears, and she felt very happy. She didn't even think that the small change in her feelings would be caught by Brother Yu, and even helped herself to avenge her. Being protected like this, it feels good to have someone as a backer. Xu Jingjing looked at Yu Sheng's back and felt extremely tall, and he felt that he was about to fall.

After Yu Sheng and Xu Jingjing left, Shen Huan, who was kicked out by Yu Sheng a long time before, slowly recovered his will.

This kick was so cruel, Xu Jingjing felt that she was almost kicked to death by the rest of her life, and it was impossible to say anything about it, just let it go!

With some difficulty, Shen Huan escaped from the phone and called his father Shen Tengfei.

"My dear daughter, my father has finally invited Mr. Xia from the Sihai Group to dinner. If we can indulge in such a big figure, our Shen family will hope to become a first-line family in the future. If you don't say anything, dad will have something to do first. Hang up!" Shen Tengfei said anxiously. He is now afraid that he can't wait to curry favor with the Xia Army, and he simply doesn't have time to talk to Shen Huan.

"Dad! If you don't come to school again, your daughter will be beaten to death. Your daughter and I have been kicked and scrapped now!" Shen Huan yelled.

Shen Tengfei was a little embarrassed, but Shen Huan was his only daughter, and she had been spoiled since childhood. Hearing Shen Huan's tone sounded serious, he felt a little distressed for his daughter.

"That's all right, my daughter's father told Mr. Xia, I'm going to see, who on earth would dare to treat my daughter like this, it is simply impatient!" Shen Tengfei said fiercely.

Chapter: 1278

Principal's office.

"Principal, why don't you think about it again? Xu Jingjing is a relatively good student I have taken. She is so honest that she can't do that kind of thing." A female teacher with golden silk-rimmed eyes responded. Said the principal.

The principal sitting in his office was in his fifties, and he looked righteous and awe-inspiring, with the temperament of being the head of a school.

"This matter has not been discussed. Besides, I have already given a notice at the school to expel Xu

Jingjing, and now the video about her has been spread on the school forum. It is absolutely impossible for me to send her to a girl like her. To stay in the school.” The principal said without a doubt.

The female teacher didn’t expect the principal’s attitude to be so resolute, and there was no point in begging Xu Jingjing for mercy, so she could only let this matter go.

The female teacher left, and the principal’s office was quiet. This time, the door of the office was opened without a knock.

What came in was a boy in his twenties, wearing a brand-name suit, and seeing the principal did not show any respect.

“Dad, did you fire Xu Jingjing? This kind of girl can’t stay. I asked her to sleep with me and she didn’t agree. Then I will ruin her reputation, and she is still emotionally confused. ?” The man said disdainfully.

The person who came in was Jia Hua, and the mastermind who caused Xu Jingjing to be like this was because he asked Xu Jingjing to sign the contract and also ruined her reputation.

The principal took a look at his son and finally he didn’t say anything. He was just such a son, and everything would allow him to be temperamental. Xu Jingjing was not the first and won’t be the last, and he didn’t care about it.

“You should restrain yourself in the future!” The principal reminded him earnestly. He always felt that it was not good to bully a little girl, but if he can control his own son, he can only tolerate his temperament.

When Jia Hua heard this, he knew that his dad was a little unhappy, and quickly stepped forward to help him beat his back and rub his legs.

“Dad, the reason why my son did this is because those women don’t know good or bad. Besides, if you love me so much, you won’t care about me.” Jia Hua said smoothly.

The principal still prefers this set, and the anger in his heart is more than half gone when he hears this. At this moment, the door of the principal’s office was opened. This time there was still no knock on the door. If Jia Hua didn’t knock on the door, principal Jia Hua wouldn’t care about him because he was his son, but it would be too disrespectful for others. Him.

“Don’t know the rules of the University of Finance and Economics? You need to knock on the door to enter the president’s office.” Jia Huahu said pretendingly.

When he saw that the person here was actually Xu Jingjing, he suddenly laughed. At this time, he still didn’t leave, and he even ran into the office. It was very likely that he had figured it out.

“What? I figured it out? I don’t care about this matter after I figured it out, and follow me honestly. I won’t let you be wronged in this school.” Jia Hua said with a smile.

Xu Jingjing glanced at Jia Hua disgustingly. He and Brother Yu are both men, so the gap between the two is so big.

The Jia Hua in front of him is not worthy to compare with Big Brother Yu, he can’t even compare with a finger of Big Brother Yu.

“Be your blue sky daydream! It’s impossible for me to be with someone like you.” With the rest of her life backing, Xu Jingjing is now not afraid at all, and her words are not polite.

“This school has already expelled you, you hurry up, you don’t deserve to be taken here, go!” Jia Hua said angrily.

I really thought that Xu Jingjing came to find her after she figured it out, but she didn’t know what to do.

“I am here today, let me see who would dare to expel Xu Jingjing!” Yu Sheng coldly faced the principal and Jia Hua with an indescribable tone.

“Where did you kid come in? I remember that the school didn’t have your character? You dare to say such blatant words in the principal’s room. The principal has already said, what is it that you are expelling Xu Jingjing?” Jia Hua looked at Yu Sheng with a disdainful face, and said unceremoniously. “What are you talking about about me? Xu Jingjing is my sister, and if I say that I can’t be fired, who dares to see me!” Yu Sheng said coldly.

At this moment, Xu Jingjing pulled Yu Sheng’s clothes and whispered in his ear: “He lied to me to sign the contract, let me go to the bar to accompany him, and let me sleep with him. I disagree. He told the principal about the matter, and the principal was about to expel me.”

As soon as Yu Sheng heard this, he immediately understood. Seeing that Jia Hua and the principal’s old man had similar faces, he could guess that the two were in a father-son relationship.

As the head of a school, it is extremely confusing to indulge his son in doing such things to his classmates. How can such a person be worthy of the position of principal?

Yu Sheng raised his hand and patted the desk in front of the principal. The loud noise shook the people present, a clever one.

Yu Sheng coldly snorted and asked: “In the absence of any investigation into the specific circumstances, you can easily expel a student of good character and learning. Is this what a principal of yours did?”

As the president of the University of Finance and Economics, he has always been respected. He has never dared to treat him like this. This is simply provoking his majesty.

“Even if you are Xu Jingjing’s elder brother, how can she have a contract to testify about her drinking with him, and her videos on campus forums have been circulated everywhere with such girls, which is to recruit gangsters for the University of Finance and Economics, today? Nothing is useful, I have already decided to expel her!”

The principal’s tone was very tough, and there was no room for discussion. He was angry that the rest of his life used this attitude to talk to him, Xu Jingjing, you are just a wild girl from the country, what can her brother do?

Listening to the principal’s answer, the rest of his life was not only angry, but a meaningful smile appeared on the corner of his mouth. Then he said to the principal: “I hope you can stick to this decision. Don’t kneel down and beg me in the future. Any effect.”

Kneel down and beg him?

As the president of a university such as the University of Finance and Economics, even someone with a face and a face in Qiancheng has said that he should kneel down. The young man in front of him is just a hillbilly, and his outfit is not good enough. How dare you say such arrogant things for only about two hundred yuan?

Sure enough, people from the countryside don’t know that the sky is high and the earth is thick. His sister is fake and high and offended her son. Now this brother is bragging and offended himself. Such people must not stay in the Faculty of Finance and Economics.

“If that’s the case, then I’m looking forward to it! I want to see what you can do.” The principal stopped pretending, and said to Yu Sheng with a sneer.

“That’s OK, you must not regret the decision you made now.” Yu Sheng said lightly.

He took out his cell phone from his pocket and Yu Sheng planned to call Xia Jun. Xia Jun should be able to solve this kind of thing easily.

When Yu Sheng’s call was still not broadcast, the principal’s door was pushed open again. This time, the person who came in was no stranger to Yu Sheng, but he slapped him and kicked Shen. Huan, a middle-aged man stood beside Shen Huan.

When Shen Huan saw Yu Sheng's anger, he pointed to the middle-aged man beside her and said to the middle-aged man next to her: "Dad, you have to call the shots for me! It is this smelly driver who not only slapped me, but also kicked me. He almost kicked me to death!"

Chapter: 1280

"It's you that brat who hit my daughter?" Shen Tengfei stared at Yu Sheng angrily, his heart was furious. If something like this does not happen, Shen Huan will not call him. He must be eating with Xia Jun at this time. Maybe the two of them have already negotiated with each other, and it was this guy who harmed him. of.

Yu Sheng looked back and gave Shen Tengfei a cold look, and randomly said, "Your daughter has a dirty mouth, that's what she should do. If you dare to be here, believe it or not, I will even fight you?"

Shen Tengfei was frustrated when he heard what Yu Sheng said. How could this little driver be so courageous? Are the current drivers so arrogant?

"Do you know who I am? You dare to speak to me like this. I'm so impatient. Believe it or not, I won't make you a driver in the future!" Shen Tengfei said angrily.

At this time, Jia Hua trot over and came to Shen Tengfei, patted his back lightly and said: "Uncle Shen, this man is a lunatic, you must not care about him.

My kid told my dad, let my dad not regret it, and said that my dad would kneel down for him, all saying something crazy, but in fact he couldn't accept that his sister was expelled from a prestigious school. "

Jia Hua is relatively polite to Shen Tengfei, and the relationship between the two of them is very good.

After all, the power of the family is similar, and the two can help each other to take care of each other.

"It's just a smelly driver, it's lawless. I have to ask someone to teach him a lesson when I look back. And his sister, I must fire her!" Shen Tengfei said angrily.

"Brother Shen, don't worry about this matter! I have already given a notice. The expulsion of Xu Jingjing has changed. Our school will not leave her with such a misbehaving student.

As for this kid who doesn't know the heights of the world, you should get out of this school now. Our University of Finance and Economics does not welcome you! "Jia Liang said as to Yu Sheng's nose.

"Brother Jia, if you fire Xu Jingjing and let her have no way to go to university in the future, then I will invest 2 million in the University of Finance and Economics to facilitate future construction." Shen Tengfei said lightly.

Shen Tengfei, who was right with her daughter, naturally had to teach her a lesson. The result of buying only two million is very worthwhile.

As soon as Jia Liang heard this, a smile appeared on his face: "Thank you, Brother Shen, for your contribution to the University of Finance and Economics. Don't worry, I will definitely arrange this matter for you very properly."

For the rest of his life, he looked at the two people in front of him, embarrassed and ugly faces, one who pampered his own daughter, bullied other classmates, and posted other people's ** videos on the forum.

The other, as the head of a school, used the convenience of his identity to indulge his son and do such things to other girls, threatening expulsion when they disagree.

Happiness!

Yu Sheng patted his palms with a sarcasm smile on his face. The scene before him was really ridiculous. He must remember this scene deeply.

"Are you still getting out of this office, or should I call the security guard at the school to beat you up and

throw you out?” Jia Liang saw Yu Sheng clapping there, and laughed, a little angry.

Yu Sheng didn't care about him, but took out his mobile phone to call Xia Jun, and then made several calls in a row. There was nothing on the phone, but it was just for them to come.

Shen Tengfei, Jia Liang and others don't know what Yu Sheng is doing. It's just a stinky driver. I'm afraid it was stimulated?

“It's useless for you to call the Heavenly King Lao Tzu over today. Uncle Jia has already sent a message to expel Xu Jingjing. If you hit my dad before, you won't let you go. Wait for me!” Shen Huan looked at Yu Sheng said proudly.

“Twenty minutes, you guys can enjoy everything you have now, then there will be no chance.” Yu Sheng said lightly, and then sat down on the sofa.
