

Dont mess 1291

Chapter: 1291

The old woman has never seen anything in the world. He only knows that this ginseng tree is handed down from his ancestors. In addition, Zhao Anping said that the head is reasonable, and he can't make up his mind, for fear that the person in front of him will leave again. Then his son's illness is really not saved.

"Old lady, you are sure, sell this ginseng to me for fifty thousand yuan." Zhao Anping took out a small amount of cash from the car and placed it in front of the old woman, saying: "Count it, don't be fooling around then. Say I will give you less."

Looking at the thick red one-hundred-dollar bill in front of her, the old woman's hands trembled a little. It was the first time she saw so much money.

But the money is not enough to treat his son's illness. There is still two hundred and fifty thousand. Where can she go to collect this money? The family heirlooms have been sold, and it is really desperate. "No need to count, I believe you." The old woman put the hundred-yuan bill in the basket and handed the ginseng inside to Zhao Anping.

If the money is not enough, I can only sell the house she lives in. After a big deal, I will live on the street. I can say that I can't save my son in the future. If it is impossible, he will sell all the blood and body he can sell.

The old woman sighed while looking at the banknotes in the basket. At this moment, Zhao Anping's voice came from behind her.

"You old lady is really a lie! Hahahahaha! It's so funny!" Zhao Anping put the ginseng in his car, taking a big advantage, he watched the old woman want to leave, horribly funny Said.

The old woman turned her head to look at Zhao Anping with a surprised look, and asked, "Sir, what do you mean?"

"You stupid old woman, I said you were a lie! The ginseng you sold to me is not a man-made ginseng? It is authentic wild ginseng, and don't say 300,000 when you see it. It's okay to sell it for three million, but it was sold to me for fifty thousand yuan. You are not a fool, who is a fool?" Zhao Anping said and laughed again.

When the old lady heard this, she almost fell to the ground. She sold the ginseng worth three million yuan for fifty thousand yuan.

Now that the heirloom is gone, and the son's illness is unsuccessful, the old woman regrets that her intestines are almost green. Thinking that the son in the hospital is still in urgent need of money for surgery, the old woman is really desperate, and she kneels directly in front of Zhao Anping. .

"Mr., you said that this man's ginseng is worth three million. I don't want you three million. I only need three hundred thousand. Three hundred thousand is enough. My son is still lying in the hospital. He really needs this. Money for surgery, my son is only twenty-five years old and still so young, please be kind and give me this money! It is really life-saving money." The old woman pleaded bitterly.

Zhao Anping looked at the old woman on the ground with a tearful nose and didn't feel any sadness. Instead, he felt dirty and kicked the old woman disgustingly.

"You bad old lady stay away from me. Besides, you have already sold me ginseng, and I have already given you the money. We paid the money one hand and delivered the goods one hand. Now it is too late to regret.

These three million are earned by my ability, so why should I give you three hundred thousand? "Zhao

Anping said with disdain.

The old woman got up from the ground, knelt to Zhao Anping's side, grabbed his trouser legs, and pleaded bitterly: "Sir, you can do it! I really only need 300,000 yuan, that is my son's life-saving money. Ah!"

"What does your son's life-saving money have to do with me? It's not just my life. The fifty thousand yuan has already been given to you. We pay the money and deliver the goods. The reason why we tell you is to let you know what you have. How stupid!" Zhao Anping said with a sneer, and then kicked the old woman aside.

He didn't act lightly, no matter if the old woman was so old or not she would be kicked by herself, and after kicking people aside, Zhao Anping planned to leave in his Mercedes.

This time he made three million yuan, which was enough for him to be comfortable for a while, and he felt happy when he imagined it. The people in the mountains are really cheating!

Chapter: 1292

Zhao Anping kicked the old woman with his feet down, sitting on the ground and clutching her chest for a long time without breathing. Seeing Zhao Anping's leaving back, he couldn't even stand up to stop her. She was really regretful in her heart, and her intestines were about to be regretful. The old man is really too useless. She sold three million things for fifty thousand yuan, and there was no money for her son's life-saving. It's all because of her.

The old woman regrets that she wants to die. Even if she sells her old house for 50,000 yuan, she can only sell it for a few thousand yuan, and it won't be enough to drain her blood. Two hundred and fifty thousand surgical fees!

Just as the old woman was so desperate, watching Zhao Anping's Mercedes-Benz car is about to go away, suddenly a young man appeared in front of Zhao Anping's Mercedes-Benz car.

Zhao Anping pressed the horn several times, but did not see the young man leaving, so he opened the window and pointed out his head to the young man and cursed: "A good dog, don't stall, get out of the way. Believe it or not, I just hit the accelerator. Damn you!"

The person standing in front of Zhao Anping's Mercedes-Benz is not someone else who has been watching for the rest of his life.

"If you want to bump into it, you can bump into it." Yu Sheng said indifferently.

"Okay! Don't blame me if you're looking for death by yourself, see if I don't kill you!" Zhao Anping was very angry. Looking at Yu Sheng's dress, it is not difficult to see that he is a man in the mountains, so he dare to look for himself like this. It's just looking for death.

As soon as Zhao Anping bit his teeth, he planned to hit the accelerator directly, but when he thought that he had just made three million and he didn't have time to spend, he might be hurt after hitting this poor boy. It feels special when he thinks about it. Other things are not worthwhile, and in the end there is still no stepping on this accelerator.

There is no collision for the rest of his life, but it does not mean that Zhao Anping is angry with the rest of his life. After opening the door of the Mercedes-Benz car, Zhao Anping angrily walked out of the car.

"Don't you know how to stay away? You dare to stop my car. Believe it or not, I will find someone to kill you?" Zhao Anping pointed to Yu Sheng's nose and said angrily.

"If you want to kill me, just step on the accelerator and hit me, wouldn't it be fine? As for finding someone so hard? Or are you scared?" Yu Sheng looked at Zhao An and said flatly.

Zhao Anping didn't think Yu Sheng would say this. Doesn't that mean he is counseling? When said by a

poor man in the mountain, he couldn't swallow this breath.

"You're so cheap! I don't care if I hit you to death, but if my car hits a flower, it's really not worth it. Get out of here! I understand it!" Zhao Anping ordered Yu Sheng with his throat.

Yu Sheng glanced at the Mercedes-Benz that Zhao Anping was driving. A Mercedes-Benz with hundreds of thousands of dollars was ashamed to be compared with him. It was ridiculous.

With a sneer, Yu Sheng said: "It's not impossible to let me go, and return the money that lied to this old man! Can you understand that even three million and one cent?"

The old woman on the side was very grateful when she saw that there was still someone helping her. She didn't hear anything about three million dollars, and she knew that Zhao Anping would not spend so much money. She said quickly, "Thank you. You, boy, I don't want three million, three million is enough. I just want to save my son."

Zhao Anping was almost exasperated when he heard what Yu Sheng said. Why should the ginseng who made his own ability to give money to this silly old woman? It's simply a matter of no door. There are no windows, let alone the door.

"Are you dreaming? Let me return the money to him. Don't even think about it. Don't say 300,000. I won't give more than a dime. Don't think I really dare not step on it. The accelerator hits you, get out!"

Zhao Anping said impatiently.

In his eyes, he completely regarded the rest of his life as an idiot, and what he said was simply whimsical.

Just as he was about to sit back in the car again, and while driving, someone grabbed his shoulder, and the force was almost breaking his bones.

Chapter: 1293

"If you don't take out the money, then return the ginseng to the old woman, otherwise you can't go anywhere." Yu Sheng's face sank and said coldly.

Zhao Anping's shoulder was so painful that Yu Sheng had caught him. He grinned and his expression was a bit sullen: "Quick, quickly, quickly, loosen your hand, my bones are about to be broken by you!" "

Yu Sheng also knew the strength of his hand, so Yu Sheng let go of the hand holding Zhao Anping, and asked again: "Give it or not!"

Three million people ginseng will even sell even higher at auction houses. It's hard to come across this good thing. It would be a shame if the things were exchanged in this way.

Zhao Anping rubbed his sore shoulder, and said to Yu Sheng: "Your kid and this old woman are not relatives, can you just stop worrying about this nosy? Depending on your strength, or be my bodyguard! What do you think of it for a month's package of food and housing and a salary of 2,000 yuan? This condition has been opened so well, you should consider it carefully!"

In Zhao Anping's eyes, this salary for Yu Sheng is already very good. The wild boy in the mountains has not seen the world before, and two thousand dollars can be spent.

Yu Sheng sneered. This was because he was overwhelmed by his intention to buy him with money. If he wanted it, the Yu Family in Shangjing would be at his fingertips. The Guangsihai Group could earn more than two thousand yuan per minute. Will Yu Sheng see it?

"I asked you to return the things to the old woman. Did you hear anything? I won't say good things anymore. Don't challenge my endurance." Yu Sheng said.

Zhao Anping didn't have this young man and he was so heartbroken! If he has to fight him here, even if he has some strength, he doesn't believe that the rest of his life can beat himself to death here.

After pressing the key of the Mercedes-Benz, Zhao Anping directly locked the door. It's a big deal, more than three million! You can't just take it out like this.

"I won't give it today, I don't believe it, you can still kill me here!" Zhao Anping said, not afraid of boiling water.

Yu Sheng gave a cold snort, and then looked at Zhao Anping's Mercedes-Benz, he was least afraid of encountering a rogue, because it was convenient and neat to solve it.

There was no hesitation and a punch on the window of the Mercedes-Benz car.
boom!

There was a loud noise, and the windows of the Mercedes-Benz car broke into scum. For the rest of his life, Zhao Anping took the ginseng out of the car and returned it to the old woman.

Zhao Anping stared at everything in front of him. This young man from the mountain is too arrogant, right? He broke his car window directly, and then took out the ginseng. This... isn't this just a clear grab? "How could you kid be so excessive that you broke my car. There are 200,000 you can't leave today."

Zhao Anping threatened Yu Sheng when he spoke, but his eyes turned to the old woman's hand.

Personal ginseng, subconsciously wants to go over and grab it.

The rest of his life told Zhao Anping's thoughts and kicked him directly. This kick was incredible, and he kicked Zhao Anping a few meters away.

"I gave you a chance before and asked you to take out the ginseng yourself, but if you don't listen, then you can't blame me for being hard with you!" Yu Sheng said coldly.

Zhao Anping was kicked so hard by the rest of her life that she kept rolling on the ground in pain, and only a moment of effort eased.

"You stinky boy, you have completely angered me, and this dead old woman, don't want to save your son, I will call someone to kill you now." Zhao Anping still has not suffered this kind of grievance. ,
Directly angry.

In his eyes, the people in these mountains are simply inferior, and it is simply unbearable for these inferior people to dare to treat him like this.

The old woman panicked as soon as she heard this, and now she is bringing back the ginseng. When the big boss said this, her life could not be saved, let alone saving her son.

"Young man, you go quickly! It's too late to leave while the group is still here." The old woman urged Yu Sheng.

Chapter: 1294

This Zhao Anping is simply looking for death. It seems that this punishment is too light to punish him. He used three abuse methods to deceive the old woman and give his son a life-saving thing.

Now there are people who are going to kill the two of them, so that the people who have eaten their hearts to the dogs will be a waste of air alive.

Looking at the worried old woman next to her, Yu Sheng patted her on the shoulder lightly, and comforted: "Don't worry! We won't have anything to do."

Looking at this person who sells herbal medicines, Yu Sheng originally wanted to kill Zhao Anping directly. In his eyes, killing Zhao Anping was easier than squeezing an ant.

It's just that there are so many people now, killing him will cause a lot of turmoil, and the old woman is still here, and seeing the dead will scare the old man.

"You should be thankful that it's not the two of us right now. Give you two choices, one apologize to the old woman, then get out and die two!" Yu Sheng said coldly, with a murderous tone in his tone.

When Zhao Anping listened to what Yu Sheng said, he didn't think he was joking with himself. When Yu Sheng looked at him, his eyes looked like a corpse, and the feeling was like a walk through the door of a ghost.

Suddenly, Zhao Anping was scared to pee without restraint, his pants were soaked, and there was a bad smell all over his body.

One of his little bosses has never lost such a big person, and his face is completely ashamed.

Even so, he didn't dare to go straight away like this, because he still remembered what Yu Sheng said, if he wanted to survive, he had to apologize to the old woman, otherwise it would be the first dead end.

I want to ask my brother to clean up the rest of his life with this old woman, I am afraid that when the time comes, he will die here first.

Zhao Anping staggered and knelt down in front of the old woman, glanced at Yu Sheng in fear, and quickly apologized: "I'm sorry, the old man, I did too much directly. I apologize to you, I hope you don't care about me. I beg you!"

Asking a big boss to kneel down for herself, the old woman panicked for a while, and quickly helped Zhao Anping up, and said incoherently: "Get up, get up, I forgive you."

"Thank you. I kicked you for what I did too much before. In order to express my apology, I am willing to apologize and apologize for the 50,000 yuan. As for the ginseng, I don't want it either." Zhao Anping said sincerely. .

How dare the old woman ask for this fifty thousand dollars! Wanting to return the money to Zhao Anping, Yu Sheng stopped him directly.

"Old lady, since he said that he apologized to you, then you can accept it!"

"Yes! Yes! I was too wrong before, so just accept it, otherwise I will feel uneasy!" Zhao Anping echoed. The old woman heard what they said, and could only collect the money. After all, her son is still in the hospital and needs surgery fees!

"Well, little brother, I apologize now, can I go now?" Zhao Anping looked at Yu Sheng timidly and asked. He was really afraid of being beaten by Yu Sheng, and he was also stunned by his aura. He could only be honest and soft, and do what Yu Sheng told him.

"Yeah!" Yu Sheng nodded, and then asked: "Do you still have to find someone to deal with the old woman! If you want to find someone, I'll be waiting here too." Yu Sheng asked in a deep voice.

Zhao Anping quickly said: "I dare not dare, how dare I!"

"You can go!"

After Yu Sheng said that it was time to roll, Zhao Anping was overjoyed in his heart, not daring to speak any more, and hurriedly got into his Mercedes-Benz, started the car and planned to drive away.

"This dead old woman, and that stinky boy, I'm going to ask someone to beat you two to death. If I can't breathe, I won't be surnamed Zhao!"

Zhao Anping thought fiercely that he didn't sincerely apologize to the old woman, he just wanted to leave first.

The car didn't drive far, it exploded without any signs!

With a loud bang, a huge mushroom cloud rose up, and then the Mercedes-Benz car burned, and the raging fire swallowed everything.

It happened that the place where the car exploded happened to be where there were vendors selling medicinal materials in the mountains. Except for Zhao Anping, the explosion did not affect anyone.

Chapter: 1295

“This is a good car, how can it explode when it explodes? It’s really unpredictable. A person who was alive just now said it didn’t happen.” The old woman sighed and exclaimed.

There was a sneer at the corner of Yu Sheng’s mouth and said: “It’s probably because you have done too many bad things! God can’t stand it anymore. This kind of person is also a scourge in the world.”

There are not so many accidents in this world. The explosion of the car just now was under the control of the rest of my life.

The place he was in was quite hot, and there was an endless stream of people selling medicinal materials. If he directly killed people, it would cause a lot of turmoil, so the rest of his life thought of this method.

Although it is relatively simple to kill Zhao Anping directly, this method is still very worry-free, at least it will not affect too much.

Yu Sheng glanced at the burning car. In this case, Zhao Anping could not survive even if he had nine lives. He turned to look at the old woman and said, “Old lady, you’d better go to the auction house to collect this ginseng. The people in you won’t lie to you, and they can sell it at a good price.”

“I don’t even know where the auction house is? Little brother, if it weren’t for you, I would have been cheated today, and my son’s medical expenses were also hopeless. Just now the big boss said that this man’s ginseng is worth more than 300 Wan, I don’t want more than three million, little brother, or if you give me two hundred and fifty thousand, I will sell this ginseng to you, okay?” The old woman looked at Yu Sheng and said.

After speaking, the old lady felt that what he said was a bit abrupt, and looked at Yu Sheng’s dress very plain, not like a rich person how could he get two hundred and fifty thousand?

“Little brother, I don’t have to ask you two hundred and fifty thousand. If my son is sick and urgently needs money for surgery, even if this ginseng is given to you for nothing, I would be willing,” the old woman explained quickly.

Yu Sheng naturally understood what the old woman meant, and it was a bit embarrassing for her to go to the auction house alone.

I was a little far away before, and the basket was covered with a piece of white cloth. The rest of my life did not observe particularly carefully. I could vaguely judge that it was a thousand-year-old ginseng, but now it is really the finest of ginseng.

Recalling that Zhu Qingshan said on the mountain that the materials needed for the refining of the soul-injecting pill were missing a thousand years of ginseng, I thought that this kind of thing was not available, but he did not expect that he would encounter it here. , It is really no coincidence that a book is not made.

If this is the case, then he bought this ginseng strain, which is considered to be a favor to the old woman.

No longer hesitate to take out a card for the rest of my life, hand it to the old woman and say: “If this is the case, then I will buy this ginseng.”

The old lady took the bank card that Yu Sheng handed over. She didn’t know how much balance was in it just by looking at the card, so she asked tentatively: “Young man, the money in this card..”

“Don’t worry, the money is enough to treat your son!” Yu Sheng said with a calm smile, and then the people ginseng left.

Unlike other hawkers, the old woman had poss machines and the like on the stalls. When she came, she brought only a basket, a piece of white cloth and ginseng.

Looking at the 50,000 yuan in the basket, the old lady felt that it was more reliable than this bank card. If

there was no money in the card, then her hopes were really shattered.

The more the old woman thought about it, the more frightened, she ran to a hawker stall in the same village and said anxiously: "Old Huang, can you help me see how much money is in this card? There are two hundred and fifty thousand. Ah?

Just now, a young man said that there are two hundred and fifty thousand in the card, and he bought my ginseng. Although the young man is very good and helped me, but my son is in urgent need of money to save his life, you still Help me see it! "

Lao Huang took the card handed over by the old woman, and said, "Ms. Zhang, don't sell anything when you are old. People nowadays are bad! How can we be as honest as the people in the mountains!"

How can a single ginseng sell for 250,000 yuan? Maybe those two people are in the same group, you were deceived by them! "

Aunt Zhang became more panicked when she heard this, recalling the plain clothes that Yu Sheng wore, how she didn't look like a rich person, did she really cheated as she told Lao Huang?

Thinking of this, Zhang Auntie looked at Old Huang. At this time, Old Huang had already inserted the card into the poss machine.

Chapter: 1296

Lao Huang still wants to say something, let Auntie Zhang come out to sell things in the future, and be careful not to be deceived by others. He didn't have time to say what he said. He saw that the balance on the poss machine was the whole People are stunned.

Aunt Zhang doesn't understand what happened to Lao Huang? Could it be true that I was said to have been hit, and there was no money in this card. Have I been deceived by the guy who looked good?

Thinking of this, Aunt Zhang feels a little bit painful, if I go to chase now, I still have time, but...

"Forget it! You cheated, Lao Huang, give me that card, I... I will figure out how to make up for my son's surgery." Aunt Zhang seemed to be ten years old all of a sudden. The whole person is full of energy.

Lao Huang froze for a moment, and then he was ecstatic. He smiled and said to Aunt Zhang, "Aunt Zhang, do you still need to pay for the surgery, my goodness! You have 10 million in this card!"

I have never seen so much money. When I first saw this amount, I thought I was dazzled. You really met a great man! "

One... ten million?

When Aunt Zhang heard this, she hurriedly checked the number on the poss machine, the string of zeros, she was dazzled and almost fainted directly.

One zero, two zeros, three zeros, four zeros, five zeros, six zeros, seven zeros, this card is really ten million!

Recalling that the young man had helped him and spent 10 million to buy her ginseng plant, Aunt Zhang was so excited that she didn't know what to say, she knelt directly on the ground, and kowtowed in the direction of Yu Sheng.

.....

On the other side, the rest of his life came to the market in the small town below the mountain. After living on the mountain for half a month, I didn't take any clothes to change and wear Zhu Qingshan's clothes. Although I didn't dislike Zhu Qingshan for the rest of my life, I wore other people. My clothes always feel a little unfit.

"Little handsome guy, come and have a look! The clothes in my shop are very cheap. If you spend 300 minus one hundred and fifty, they are definitely value for money. They are all the latest models of this

season!" A female salesperson said to Yu Sheng with a smile.

For the rest of his life, he subconsciously glanced at what he was wearing. Did he look so poor? I have to say that the clothes he wears are not very good, and the discerning person knows that they are picking up others when they see that they don't fit.

It's time to change yourself, or else you will always be looked down upon by others, it is really an indispensable trouble!

"No, thank you!" Yu Sheng said politely, and walked towards the taller brand store not far away.

The female shopping guide who talked to Yu Sheng before, saw that Yu Sheng actually walked in towards the brand store. She was a little confused and slandered to herself: This man's brain is confused! He might not even be able to afford the clothes in my shop, so he even dared to go to the brand shop.

As soon as Yu Sheng entered the store, he became the most watched person in the store, not to say how handsome Yu grew up, but that his clothes were really far from the people present.

Yu Sheng was choosing his own suitable clothes. He accidentally ran into someone and quickly apologized: "Sorry, I accidentally touched you by picking clothes just now, sorry!"

Yu Sheng was choosing clothes just now, and his arm accidentally ran into the person next to him. Out of self-cultivation, Yu Sheng took the initiative to apologize to that person.

A girl with a hot body in a sexy skirt frowned when she saw that it was a poor and dirty boy who was touching her.

Pulling out a tissue from the brand-name bag, wiped the place Yu Sheng had just touched with his hand, and threw the wiped paper on Yu Sheng's body with a look of disgust.

"It's really dirty, don't you have eyes? It's really annoying to be touched by someone like you, which is really annoying." The coquettish woman complained to Yu Sheng with disgust.

dirty?

Although the clothes Yu Sheng wears are not suitable for those who live in Qingshan, the clothes are also clean. There is no smell, how can it be described in dirty words?

I did meet this coquettish woman just now, but it was just a light touch. Besides, Yu Sheng had already apologized, and I didn't plan to care about anything with this woman, holding a selected dress for the rest of my life. Just going to try it on.

The coquettish woman was a little angry to see Yu Sheng just gone like this, but a poor boy bumped herself into it, thinking that she could solve it by apologizing?

"Shopping guide! Shopping guide! Why can anyone enter this store? Get this person out of me, or I won't buy clothes in your store again!" the coquettish woman shouted loudly.

Chapter: 1297

"My dear, who is not long-eyed provoke you! Husband helps you teach him!" A man of about 35 or 6 years old came over with a beer belly and hugged him. The waist of a coquettish woman.

Seeing the middle-aged man coming, the coquettish woman immediately made a look like a little bird, nestled in his arms and said aggrievedly: "My husband is the dirty boy. I just touched me and didn't apologize to me!"

The rest of my life, who had only walked two steps, felt a little speechless when I heard this. If I remembered it wrong, I would have said sorry to her when I first met her.

And I just touched it lightly. The woman just said that it was so unpleasant that I didn't even care about her. Now it's really interesting that the wicked file a complaint first.

"It's just that your kid just hit my baby, and you don't apologize. Why did your dirty clothes get mixed into this brand store? You even got the clothes to try on?" Lin Youcai dismissed Yu Sheng. To say. For the rest of his life, he didn't want to deal with these two people, but seeing them reluctant to give up, it would be impossible to get rid of their ideals.

With a helpless sigh, Yu Sheng turned his head and looked at the two of them and said: "I did bump into this lady just now, but I have already apologized. Besides, the dirty clothes I wear won't affect my buying here. Clothes, right? Are you going to pay me this money if you take care of so many things?"

"You..." Lin Youcai was a little confused. This poor boy was dressed very poorly, and his mouth was quite talkable.

Yu Sheng's voice was not small just now, and Lin Youcai was not very far away. He did hear Yu Sheng apologize, but the attitude of this kid just now didn't respect him at all, and he couldn't just leave it alone.

"Shopping guide, come here."

A little beauty in her early twenties walked over in work clothes in the shop, and respectfully asked Lin Youcai: "Why this gentleman? Is there anything I can do for you?"

Lin Youcai brought a big gold watch to Yu Sheng and questioned the little beauty: "I think your store is a brand that came in to choose clothes. You see what kind of people are in this store, it's dirty. People from ran over to try on the clothes too, and the clothes were dirty, how can I buy them?"

The beauty shopping guide looked at Yu Sheng, and looked at his clothes that he didn't look like a wealthy man. In addition, Lin Youcai said that she was a little embarrassed and didn't know what to do.

"Mr. customers want to try on clothes, we can't help but try! How about I show you better clothes?"

The beauty shopping guide said euphemistically.

Lin Youcai snorted coldly, very dissatisfied with the attitude of this beauty and the shopping guide. In his eyes, it is the best choice to drive out the rest of his life directly.

"I can't look down on the best clothes. I want the clothes in his hands today." Lin Youcai said in a strong tone.

Upon hearing this, the beauty salesperson was even more embarrassed: "Why don't you take a look at this dress? This gentleman has already chosen this dress..."

Lin Youcai snorted coldly, he didn't care about it! The beauty she brought with her was wronged, and she had to find this place for whatever she said, so that the kid from the mountain in front of him would know how big the gap between the two of them was!

"I said nothing else, no matter how good it is, I don't like it. I just fancy him holding this one in his hand.

The smell of your mountain people is heavy. I don't want the one he tried to pass. Can he afford the clothes in this brand store even if he tried it?" Lin Youcai gave Yu Sheng a provocative look.

The beautiful salesperson heard this and took a look. Yu Sheng was holding the clothes tag in his hand. This is a piece of clothing worth 150,000 yuan!

The price of this dress is only up to 1,000 yuan. If you don't buy it for the rest of your life, you're really losing money.

"Sir, why don't you take a look at other clothes, this one is worth 150,000." The beauty salesperson directly told Yu Sheng the price of this dress, thinking that he would be able to retire, so that he would not be that way. It's hard to be a man.

Who ever thought that for the rest of his life he would not accept her affection at all, instead he took off the tag from the clothes, and said indifferently: "It's only 150,000. The clothes are very comfortable to touch, and the price is not expensive. I want this dress!"

Chapter: 1298

“Hahahahaha! A redneck who actually wants to buy 150,000 clothes is really laughing at me. Have you heard me wrong? It’s 150,000, not 15 yuan!” Lin Youcai laughed heartily. When I got up, the gaze looking at Yu Sheng was even more contemptuous.

Buying a piece of clothing for 150,000 yuan is already very painful for his little boss, but Lin Youcai feels that it is worthwhile to let the young man in front of him feel the gap between the two.

This hillbilly actually said that 150,000 yuan is very cheap.

Not to mention Lin Youcai and the coquettish girl next to him, even the beautiful salesperson was a little skeptical for the rest of his life.

“Have a good look, this silly boy pulled the tag off. Now even if he wants to go back, it is impossible. He must take out the 150,000 yuan.” Lin Youcai said deliberately. .

Although the meaning of Lin Youcai’s words was enthusiastic, the beauty shopping guide had to ask Yu Sheng to pay the 150,000 yuan.

“That... sir, you got rid of this tag, you have to pay us 150,000 yuan, and now you want to refund it.” The beauty shopping guide said with some embarrassment.

Yu Sheng smiled frankly, glanced at the gloating Lin Youcai lightly, and then said to the beauty shopping guide: “Wait a minute, I will try on clothes, I will need to choose some more later.”

Yu Sheng went straight into the fitting room and ignored what the three people outside said.

“When I saw that, this kid was scared and went into hiding when he heard that he was going to pay the bill. He even said that he would buy something else for a while, and he laughed at me to death!” The coquettish woman said disdainfully.

“Little beauty! My brother gives you a piece of advice. For a poor boy like this, he was so scared to hear about 150,000 yuan. Maybe he will find a chance to slip away in a while. You must watch it!”

When the beauty shopping guide heard these two words, he was also prepared for the rest of his life. If the rest of his life really slipped away like Lin Youcai said, she would pay for this dress.

Thinking of the beauty of the shopping guide here is extremely nervous, with her teeth biting her lower lip, looking at the door of the fitting room, expecting the rest of her life to come out quickly, but don’t be like the two said.

The wait is always long. Although it only takes a few minutes to enter the fitting room for the rest of your life, the beauty shopping guide feels like a century has passed.

Suddenly, the door of the fitting room opened, and Yu Sheng walked out slowly. At this time, he was wearing a suit, and his temperament was completely different from before.

Before, he might give people the feeling of a wild kid in the mountains, but now he is completely different. The clothes worn on Yu Sheng’s body are particularly fit, as if they were tailor-made for him.

The appearance of the rest of his life is also relatively handsome, with a tall nose, deep eyes, sword-like eyebrows, and sharp facial features, giving people a bright feeling.

Even the coquettish woman who had been looking at Yu Sheng very unpleasantly saw this look. Yu Sheng was a little silly for a while, staring at him with stars for a long time, but she didn’t recover.

The figure of Yu Sheng in front of him is not inferior to that of the models on TV shows. It is not too much to say that he is a clothes rack.

On the other hand, Lin Youcai, who is holding her waist by her side, is a 37-year-old greasy man. The most important thing is that he has a beer belly. Compared with the rest of his life, he is in the sky and the underground. There is nothing at all. Comparability.

Lin Youcai was a little angry when she saw that the beauty she was carrying was a nympho for this

stupid boy for the rest of his life.

To be honest, even if I bought the clothes on Yu Sheng, he couldn't wear this feeling.

"What's the use of looking good? I can't afford it again! Then I don't know what to pay for 150,000." Lin Youcai said unhappily.

Yu Sheng looked at himself in the mirror and nodded with satisfaction: "Not bad."

Looking at the beautiful shopping guide in the mirror, she looked at herself nervously. It was obvious that she was afraid that she would escape, and her eyes did not dare to leave him.

"This one...this one...this one...don't do this, just wrap the others." Yu Sheng said and handed a card directly to the beauty shopping guide.

Chapter: 1299

"These clothes total five million, and they are all the best clothes in the store. Are you sure you want them?" The beauty shopping guide looked at Yu Sheng with some uncertainty and asked.

Lin Youcai always felt that Yu Sheng was just pretending to be coercive. What he did not expect was that this kid could be so capable, and buying so many clothes was about to empty the shop. This poor boy even changed his clothes. It's strange to be able to afford so much after changing the temperament.

"Little beauty! I advise you to call the police as soon as possible. This stupid boy is just playing you, he just doesn't want to pay the bill, and he can deliberately keep you busy when he is ready." Lin Youcai pretended to be a good one. Said to the beauty shopping guide.

When the beauty shopping guide heard this, she felt very reasonable, but there was still a trace of luck in her heart. If the rest of her life really bought so many clothes, then she would not dare to think about the commission!

"Didn't I give you the card? If you don't believe me, then swipe the card first! It's only five million, and I don't even think about it." Yu Sheng said lightly.

The beauty shopping guide breathed a sigh of relief when she heard this, yes, Yu Sheng's card is still in her hand, and if there is money and no money, she will know it.

Without hesitation, the beauty shopping guide directly entered the number of five million, and then took the card given by Yu Sheng and inserted it in.

At this moment, she was very worried. If there is no money in the Yusheng card and he has taken off the tag, even if he is sent to the patrol room, the manager will blame her for this incident, but if there are so many in the card With money, she is really lucky.

Lin Youcai and the coquettish woman on the side looked at Yu Sheng in a hot posture, and they began to fantasize about the scene of patrolling the room to take Yu Sheng away.

drop! payment successful.

Hearing this voice, the expression on the face of the beauty shopping guide was brighter than that of the flower, and trot to Yu Sheng. This time looking at Yu Sheng, his eyes were full of respect, not all defensive as before.

"Sir, keep your card, and I will wrap these clothes for you right away."

Yu Sheng nodded, and then reminded: "Send these clothes directly to the small medical clinic on the mountain, do you know that I wish Qingshan?"

"Naturally we know this, and everyone here knows the name of the genius doctor. All these clothes are given to him, right?" the beauty shopping guide asked.

"Yes, I'll send it all to him." The rest of my life lived on the mountain for half a month, wearing Zhu Qingshan's clothes, and the weather was changing seasons, so I helped him prepare some clothes by the

way.

Lin Youcai and the coquettish woman next to him were dumbfounded when they saw this scene. The poor boy in front of him bought five million clothes. He bought a 150,000 clothes. It hurts, this person is so rich.

Thinking of here, Lin Youcai realized how ridiculous it was to mock Yu Sheng before, but men are all face-saving, and it is naturally uncomfortable to be pressured by Yu Sheng right now.

“How about getting rich? There is not even a woman around me. It’s not like I have such a beautiful woman with me. This is not a blessing that anyone can have.” Lin Youcai said, hugging a coquettish woman. His hands tightened again.

Apart from anything else, the coquettish woman next to Lin Youcai is indeed a bit charming, and she is not inferior to those big stars. It is indeed a long face to have such a big beauty by her side.

“Yeah, I don’t think such a big beauty is very common.” The coquettish woman said contentedly, a pair of winking eyes blinked at Yu Sheng’s teasing.

Yu Sheng didn’t intend to pay attention to these two people. He had learned to tolerate for so many years in the Yang family. He had become accustomed to this kind of things that others deliberately show off in front of him. I don’t have that kind of eagerness to compete.

At this moment, a sweet female voice came from behind Yu Sheng.

“It was a coincidence that I thought I would meet you here!”

Chapter: 1300

He turned his head when he heard this familiar voice for the rest of his life, and a beautiful shadow appeared in front of his eyes. His slender legs and slender waist, as well as a tall figure, gave people a bright feeling even in ordinary shirts and jeans.

The heroic temperament that she exudes is not comparable to that of ordinary women. It is Xia Feixue who is not someone else. The appearance of Xia Feixue directly attracted the attention of everyone in the store.

“Xia Feixue! I didn’t expect to meet you here, what a coincidence!” Yu Sheng smiled when he saw that it was Xia Feixue.

Xia Feixue did not come alone. There was a girl next to her, wearing a yellow dress and long hair cape, which gave people a feminine temperament, but her appearance was indeed worse than Xia Feixue. The man is Xia Feixue’s best friend Su Hui.

Lin Youcai saw that the eyes of the two big beauties who came out suddenly looked straight, and the coquettish woman who was looking at her suddenly felt bad.

Although the coquettish women are pretty long, they are inferior to Xia Feixue and Su Hui. Compared with them, their temperament is like a girl who accompanies them in a bar.

Yu Sheng felt a little surprised. If she remembers correctly, this shop is a men’s clothing store, Xia Feixue. Why would a girl go to the men’s clothing store to buy clothes? This is a little strange.

“Feixue, when did you meet a handsome guy? As your best friend, I didn’t even know it. By the way, didn’t you come to this store to buy clothes for the rest of your life? So you How many handsome guys did you know?” Su Hui looked at Xia Feixue and asked.

Xia Feixue didn’t think that her best friend would have said this as her face for the rest of her life, and she had to cover her mouth subconsciously, but it was too late.

“He...he is the rest of his life!” Xia Feixue whispered to Su Hui.

When Su Hui heard this, she looked at Yu Sheng’s body carefully, and then whispered to Xia Feixue with

a smile on her face: "Feixue, you have a good vision! You actually like a handsome guy! Not bad! good." Although the two people spoke in a very small voice, they were all heard by Yu Shengyi. He never thought that Xia Feixue, who was a serious person on weekdays, had thoughts about himself, and the most important thing was to buy him clothes. Thing!

At the beginning, Lin Youcai still wanted to use the coquettish woman to crush the rest of his life. He didn't think that two of the beautiful women around him would come out at once, and they both looked so beautiful, which was crushed again.

He can't compare to this young man with money, and the women around him are being compared again. Now he really has no face, and he has no face to stay in this place anymore, pulling the coquettish woman next to him directly. Flashed.

This incident taught him a reason to be a low-key person. Don't underestimate a person who wears ordinary clothes. Maybe he is a billionaire who is richer than him!

Su Hui, as Xia Feixue's best friend, naturally knows how strong her best friend is. I once heard Xia Feixue say that if I don't plan to find a boyfriend in my life, I will find someone better than her. A brave and responsible man, what else would you use to conquer her?

And the guy named Yu Sheng in front of him looks very handsome. The clothes on his body are also worth a lot of money. The family environment looks good, no wonder Xia Feixue likes it.

"You are Yu Sheng? Hello! I am Xia Feixue's best friend Su Hui." Su Hui said politely, reaching out a hand to shake hands with Yu Sheng.

"Fortunately meeting!"

Yu Sheng also politely stretched out his hand to shake hands with Su Hui. Suddenly Yu Sheng discovered that this woman named Su Hui was actually groping for her hand with his fingers.
