

Dont mess 1471

Chapter: 1471

“You let me go, I’m a member of the American royal family, the American royal family!” Lisa struggled and squeezed out a few words from her throat, not begging for mercy but threatening.

“Let go of me, or you will be enemies of the American royal family and our entire country. Do you know what this is?” Allen gritted his teeth and said.

The identity of the U.S. royal family gave them enough of themselves. Even if Yu Sheng is now pinching their necks, they still confidently believe that Yu Sheng will never kill them in this way.

Facts also proved that Yu Sheng’s hands pinched their necks and were not strong.

Yu Sheng released the grip of the two of them. Lisa was suddenly released and took a few steps back.

She didn’t run away for the first time, and she utterly spoken out about Yu Sheng.

“Your lifeless kid from China, do you know that you just offended a member of the American royal family? I know you dare not kill me. Even if you let go now, I will never let you go!”

Allen also looked at Yu Sheng viciously. Although he didn’t speak, he had the same idea as Lisa, thinking about how to play and die.

“You don’t naively think that I will let you go? I just don’t want you to die like this.” Yu Sheng took out two green pills, just one bullet and two pills. It flew into Lisa and Allen’s mouth as if it had eyes.

“Cough cough cough!”

The two were caught off guard and let the pill into their mouths. They coughed desperately, trying to spit out what they had eaten, but no matter how they did it, there was no way to spit it out.

“Sorry, I only have three days, plus the things I brought with me are very limited. I only made these two simple poisons. I originally wanted to let you experience the end of life is better than death, and the things that have been done for you. repent.

Although the pill with that kind of effect has not been made, these two pills are enough. I have spent three days trying to tailor it specifically for you. Enjoy it! “The corner of Yu Sheng’s mouth was pulled up slightly, and he looked at the two people in front of him with cold eyes. Only he knows best, and soon the person in front of him will no longer be a person!

As soon as Yu Sheng’s words fell, Lisa’s eyebrows were furrowed together, and there was a faint pain in her stomach. Don’t even think about it, but it must be the poison.

Lisa was really scared this time, thinking of the direction Yu Sheng was in, she rushed over, trying to find the antidote from him in a tough way: “You hateful Chinese, what did you eat for us? Poison? Give me the antidote, give me the antidote!”

When Allen saw this, he also ran over, his stomach was also suffering from colic. Instead of waiting for death from the poison, it was better to search out the antidote from Yu Sheng’s hand with Lisa.

The other aristocrats at the ball had unknowingly stepped back a lot. Although they didn’t know who this young Chinese man was, he even dared to do something with the American royal family, but they also knew that he must be a very powerful person.

So none of them dared to stand up to help Allen and Lisa deal with the rest of their lives, and watch the fire from the sidelines.

Facing the two people rushing over like wolves and tigers, the rest of their lives had guessed that they would jump over the wall in a hurry. Raising their hands was two slaps on their faces, and they directly slapped them to the ground.

When the two people were about to get up, the pain in their bodies became more intense, and the pain

was so painful that they could not get up.

Seeing them like this, Yu Sheng could guess that the effect of the medicine was about to arrive, so he raised his hand to cover Magnolia's eyes to prevent her from seeing such a bloody scene.

The two people kept rolling on the ground, wailing and screaming from their mouths. Seeing the hideous expressions on their faces, one could guess what kind of pain they were experiencing. .

Lisa kept pulling her own blonde hair uncomfortably, and then everyone saw her pulling her hair and her scalp abruptly.

There were many girls attending the dance party, and when they saw this scene in front of them, they screamed in fright, and then turned around and dared not look anymore.

The situation on Ellen's side is also no better than Lisa's. His legs are unconsciously separated from the body. The scene looks strange and bloody, accompanied by his encouraging and helpless screams, and soon His arms melted into a pool of blood.

Two people took the pill at the same time, Allen took the lead in turning into a pool of blood, and Lisa was still suffering from the inhuman torture of the guide. About two or three minutes later, it was as full as Allen and as slow as a snowman. It melted slowly.

After avenging Magnolia's revenge, Yu Sheng planned to take her hand and leave this place. For the rest of his life, he loves and hates. The damn person is dead, and he will not harm other innocent people. Suddenly a strong force approached, Yu Sheng's heart was also lifted, and sure enough, the U.S. royal family would not tolerate him killing Lisa and Allen in such a reckless manner.

Chapter: 1472

"Xiao Ningyu!"

Xiao Ningyu, who was still in the spiritual world and slept very sweetly, immediately woke up from his sleep when he heard Yu Sheng's shout.

"Master, I'm here, do you have anything to explain?" Xiao Ningyu rubbed his sleepy eyes, and then stretched out still.

If it's not an emergency now, maybe the rest of my life will appreciate Xiao Ningyu's cute gesture of stretching.

"Help me find a way to hold someone!" Yu Sheng said anxiously.

He has no interest in this unknown master for the rest of his life. If he does not bring Magnolia to seek revenge this time, he might still fight with the others.

However, it is obvious that the strength of the incoming person is also extremely powerful. If you fight against him, you can't get out of your body to protect the Magnolia.

"Master, this..."

Xiao Ningyu still wanted to decline, but Yu Sheng didn't even give him that chance, so he ignored him and showed up in the castle holding the white magnolia.

After such a long time, Xiao Ningyu has also improved slightly, but this time the commanding host for the rest of his life has embarrassed him a bit, but it is not impossible to be embarrassed.

Xiao Ningyu yelled up to the sky, releasing all his mental abilities, and there were two more golden phantoms in the place where Yu Sheng was just now, and they stayed there motionless.

Ordinary people's eyes naturally did not perceive the rest of his life that Xiao Ningyu created for his spiritual ability. This was an illusion for the unknown strong man, making him feel that the rest of his life would not leave, so that the real rest of his life could take the opportunity to escape.

When Yu Sheng no longer felt the breath of that strong man, he breathed a long sigh of relief. The

strength of the man was never lower than him, or stronger than him. If you really want to fight, you will win or lose by four or six points. Of course The rest of my life is those four.

“Let’s go back to China for the rest of my life! I want to go back to see Xiaoshui now, I miss him.”

Magnolia nestled in Yu Sheng’s arms and said softly.

She still wears a mask on her face. No matter how powerful she is for the rest of her life, it can heal the scars on her face, but it takes time to settle and let those scars scar naturally.

“Okay, we’ll go back tomorrow.” Yu Sheng looked at Bai Magnolia’s mouth and stretched out his hand to caress the broken hair on her face behind her ears.

Bai Yulan also gently raised her hand and grabbed Yu Sheng’s hand. The two of them, one yellow and the other white, one slightly rough and the other delicate and smooth, looked in sharp contrast.

Suddenly, Magnolia touched her ear, and immediately pulled off the mask on her face. The face covered with bright red centipedes appeared in front of Yu Sheng.

“Am I scary now? Are you afraid?” Bai Magnolia’s crystal-clear eyes looked at Yu Sheng idiotically, and a layer of mist slowly appeared in her eye sockets.

If there were no scars that were full of centipede-like scars, she must be extremely beautiful now, and the tears of a beauty are naturally pleasing to the eyes, but now this situation makes people have no way to appreciate it.

Although when Magnolia pulled off the mask, he was slightly surprised by the scar on Magnolia’s face, this was unavoidable, and even the rest of his life had no way to avoid it.

It must have been done with a lot of determination to be able to pull the mask off in front of oneself.

How can Yu Sheng show fear and disgust in his eyes? That would hurt his heart!

“Don’t cry, tears will make the wound more painful. I said that no matter what you become, I love you.”

Yu Sheng gently wiped the tears on her face for fear of touching the scar.

“Mr. Yu, return to Qiancheng tomorrow to book first class...” Qu Yi just opened the door of the hotel and was about to put the card in his pocket, and saw the picture of two people bowing their heads to kiss Magnolia for the rest of his life. The lips are almost covered...

Quyi couldn’t help swallowing, and admired Yu Sheng in his heart. At the beginning, she had seen how beautiful Magnolia was, and she has seen how “savage” she is now.

To such a disfigured woman, if she could kiss her for the rest of her life, it would definitely be true love, true love of iron!

Suddenly being disturbed Yu Sheng’s face showed a trace of dissatisfaction. This piece of folk art was too excessive. It opened the door without permission and broke in. If it was normal, it would be very uncomfortable to be disturbed for Yu Sheng at such a moment.

What’s more, in this situation of Magnolia, what a perfect woman she is, how could someone see her like this?

When Bai Yulan broke into Quyi, she hid in Yu Sheng’s arms in fear for the first time, and covered her face with her hands.

“Get out!” Yu Xing yelled angrily at Quyi.

Qu Yi was shocked. She felt that her soul was almost frightened by Yu Sheng’s sound. She knew that the big boss was angry, without any hesitation, and she went out of the room without any hesitation.

Chapter: 1473

The little water on the children’s bed in the bedroom lay there quietly, and the sun was shining on his slightly sickly white face through the window, and he was still lying so quietly.

Bai Yulan stretched out her hand and gently touched his cheek, feeling distressed in her heart, and her eyes were moistened unconsciously.

"I like being with Aunt Bai the most. I am really happy that you can marry my father."

At that time, when Magnolia and Yu Sheng were preparing for the wedding, Xiao Shui took her hand and called her Aunt Bai with milk and milk. After listening to Xiao Shui's words, she knew that this was Xiao Shui's successful acceptance of her stepmother. .

"Aunt Bai, don't leave, OK, dad has nothing to do with that aunt, you have to trust dad, he is really not that kind of person."

I still remember that when the two people had just misunderstood, I wanted to leave Xiaoshui clutching her clothes and saying that she would not let her go. Magnolia can still imagine Xiaoshui's pleading. Look in the eyes.

With memories pouring into her heart bit by bit, Magnolia couldn't restrain her heart anymore, and took the rest of her life with her arms around her, her voice choked and said, "Xiao Shui will be fine, right? Xiao Shui will definitely wake up. Are you here?"

Magnolia is sad, and Xiao Shui is Yu Sheng's biological son. Why is he not sad? If possible, he would rather bear the disaster in person than let Xiao Shui experience so much as a child.

"How could Xu Qianqian be so cruel, what a sensible child Xiao Shui! How could she get rid of it, it's simply too much!" Magnolia gritted her teeth and said angrily.

Although Xiao Shui lying on the bed was the son of Yu Sheng and Yang Zihuan, but after spending so much time together, Bai Yulan had long regarded him as her own son.

Yu Sheng comforted Bai Yulan's emotions and took her to the final treatment of the scars on her face.

There was enough time. When I was in the United States, there were not enough herbs and the like.

When I returned to Qiancheng, Yu Sheng would naturally not do it anymore. Enmity between things.

After a while, Yu Sheng made a small bowl of green ointment to treat the scars on Magnolia's face. It looked very sticky and even a little nauseous. The appearance was not the most important thing, the most important thing was that it could heal the wounds.

Magnolia glanced at what Yu Sheng had brought over, and there was a strange smell coming out of her snorting, and she didn't have to think about it or know that it was on the unidentified green solid.

Raising her hand to cover her nose, Bai Magnolia looked at Yu Sheng and asked, "What are you holding for Yu Sheng? Why does it taste so strange?"

"Oh, this, this is the medicine for treating your face scars. Just apply the medicine and wait for an hour, and then wash off the medicine." Yu Sheng said, give back those things and take very sticky ones. The green ointment stirred.

"Do you want to put this sticky thing on your face? Is there any oral solution? No matter how bitter it is, I can accept it!" It was still a little unacceptable for her to put it on her face.

"This is a He Ning ointment. It has a miraculous effect in treating the scars on your face. Only this thing can completely remove the scars on your face. There are also oral medicines, but the effect is not obvious, it is not necessarily? Anyway, this is the best Useful!" Yu Sheng explained.

Looking at Magnolia's scared look, she wanted to laugh for the rest of her life, just as a sick child was afraid of his parents giving him medicine.

"Really? But I think that thing seems to be rotten face!" Magnolia's face was bitter and bitter, and in the end there was no way she could only say something ruthless to Yu Sheng: "If my face is rotten. If you fall, then I still have to marry you so that you can see me every day and scare you to death!"

The rest of her life laughed helplessly, even with the scars on her face, Magnolia's appearance at this

time was extremely cute.

“Yeah, close your eyes obediently, and I will apply the medicine for you!” Yu Sheng touched Magnolia’s head and said softly.

Chapter: 1474

The green ointment feels cool when applied on the face, just like Magnolia’s usual facial mask, without the slightest tingling sensation.

On the contrary, the rest of her life made Magnolia’s gentle movements to enjoy it, and she originally rejected the green ointment. She was a little disgusting, and she accepted it completely, and even slowly sank in her sense of comfort.

I don’t know how long it took Magnolia to open her eyes in a daze, looking at the rest of her life in front of her, her voice was slightly lazy and said, “Why did I fall asleep for the rest of my life? Can it be washed off?”

With a faint smile on Yu Sheng’s face and no words, as if he could guess what Magnolia would say, he handed the prepared mirror to Magnolia.

“Let’s see for yourself! What you disliked has cured your face with scars!”

Magnolia took the mirror half-believingly, and when she really saw that the dense scars on her face disappeared completely like centipedes, she showed an expression of ecstasy on her face.

She was really excited at this time, she had already endured such an unsuspecting disaster. If the scar on her face really had no way to improve, even if she could accept herself for the rest of her life, she herself would have no way of seeing and accepting, or even finding a short-sightedness. .

In the mirror, not only did the scars on her face disappear, but it was not even more delicate and shiny than her previous skin. Magnolia couldn’t help but reach out and touch her face as she saw it. Smooth and delicate.

“Yu Sheng, the green ointment that looks disgusting is really that powerful? Can you give me more! I think the skin care products I bought before have no effect!” Magnolia’s face blushed, some Said embarrassedly.

Yu Sheng raised his hand and lightly flicked Magnolia’s head, and said, “You were too disgusted before, but now you can accept it. Besides, He Ning ointment is a medicine but not a skin care product.

Excessive use is true. It’s going to be bad!”

Magnolia reluctantly let out an “Oh”, her eyes full of disappointment.

Every woman has a heart to love beauty, even men are no exception. In addition, Magnolia’s face is just right now, and she hopes she can become more beautiful. This feeling is understandable for the rest of her life.

“He Ning ointment can’t skin care, but it can also help you make some special skin care products to keep you young.”

Yu Sheng couldn’t bear to look at Magnolia so disappointed, and immediately promised. As expected, Magnolia immediately smiled upon hearing Yu Sheng’s words.

“A word is settled?”

“A word is settled!”

For the rest of his life, he was helpless, but his face was full of happiness. Perhaps the kind of love that had been reunited for a long time would make people fall into it.

He is not as almighty as ordinary people have seen, but because he is willing to learn about Magnolia, he will be content to see her happy.

“Just back to Qiancheng, I’ll take you out for a walk!” Yu Sheng suggested.

Magnolia tilted her head and looked at Yu Sheng with blinking eyes, then raised her eyebrows and said, “Yu Sheng, do you really take me out? Aren’t you afraid that there will be more rivals in a circle, come out?”

This is so narcissistic that even the rest of her life has been laughed at by Magnolia, but to be honest, Magnolia is really beautiful now, and it must be unavoidable that others like her.

Yu Sheng squeezed Magnolia’s small face: “Then should I be Jinwu Cangjiao and keep you in this room as a canary forever!”

Magnolia suddenly hugged Yu Sheng, her face pressed against his chest and closed her eyes: “Yu Sheng now feels like a dream. I really can’t imagine that this is a real occurrence. Let’s not separate for the rest of our lives. Don’t coax contradictions for the rest of your life, okay?”

Women are always emotional. In their passionate love, they will treat each other as everything, but they are at risk of gains and losses.

Just as the rest of my life wanted to guarantee, the doorbell of the villa rang suddenly.

“I didn’t even take you out yet, so my love rival came here!” Yu Sheng teased deliberately.

Chapter: 1475

“Mom, is Brother Yu at home? I heard he has returned to China?”

“Aren’t you at work at this time? Why did you come to Mr. Yu’s house at this time? Isn’t this nonsense?”

“Mom, I took time off today, and I came here to find Brother Yu. He helped me a lot before, and I want to come over and thank him.”

“Mr. Yu and Miss Bai are upstairs, let me talk.”

“Miss Bai?”

For the rest of his life, he planned to go downstairs with Magnolia, just to hear the voice of Aunt Huang downstairs talking with her daughter Xu Jingjing.

Magnolia looked at Yu Sheng with a smirk, twisted Yu Sheng’s ears mischievously, and whispered: “I said just now that it was my love rival. Now it seems to be yours, right?”

“Don’t think too much, just a little sister!”

For the rest of his life, he was about to go downstairs holding Magnolia, and just happened to run into Aunt Huang who was upstairs.

“Mr. Yu, Miss Bai, my ignorant daughter is here. She insists on seeing you and thanking you. Now I’m waiting downstairs!” Aunt Huang said apologetically.

Xu Jingjing, who was still admiring the villa, quickly turned back when she heard the voice over there, thinking that she would be able to see Big Brother Yu quickly trotting and passed by.

“Yu Da...” Xu Jingjing’s face completely solidified when she saw Magnolia. She was shocked by Magnolia’s beauty without even finishing her words.

Suddenly felt that the smashing celebrities on the Internet and the Internet celebrities with millions of fans are like ordinary people compared to the woman in front of them. Xu Jingjing felt that if she wanted to, she could do both in this poor era. Do it to the extreme.

Standing with Magnolia for the rest of her life, who has been constantly beautifying and admiring in her heart, she will also be concealed by the amazing beauty of Magnolia.

“Miss Bai?” Xu Jingjing’s face was a little ugly, and she looked at the Magnolia in front of her and said with some embarrassment, even her tone of voice was somewhat lacklustre.

“This is Aunt Huang’s daughter Xu Jingjing, and this is my fiancée Magnolia.” Yu Sheng started as a

middleman and introduced each other.

fiancée?

Hearing these three words, Xu Jingjing staggered and almost couldn't stand still and fell to the ground. Fortunately, Aunt Huang on the side helped her in time and nothing happened.

Since Yu Sheng helped her solve the school affairs and returned her innocence, Xu Jingjing secretly gave birth to a different sentiment to Yu Sheng. That's why he worked so hard and insisted so much. He wanted to join the Four Seas Group and wanted every day. See the rest of my life.

Coupled with the fact that Yu Sheng once again gave her a head, Xu Jingjing's heart will be fully occupied by the man in front of him. He even plans how to invite the rest of his life to dinner and promote the relationship between the two during the rest of his life. .

But now suddenly appeared a fiancée who was ten times more beautiful than her, which shocked Xu Jingjing's heart, feeling that her passionate heart was broken into scum.

"Quiet, you have nothing wrong? Why is your face so ugly? How about I take you to the hospital for the rest of my life? I still have to see if I get sick." Magnolia asked with concern.

Xu Jingjing unconsciously took a step back, as if she was repelling Magnolia to touch her. After taking a look at Yu Sheng, she realized that her behavior was a little inappropriate, and she quickly explained: "I have nothing to do, these Miss Bai cares."

"Is there anything wrong with you coming to see me this time?" Yu Sheng asked.

"No, nothing, I have other things, so I'll leave first!" Xu Jingjing pushed Aunt Huang away from her arm, and then ran out desperately regardless of her image.

If possible, she would rather never know her for the rest of her life, even if she suffered so many blows by herself, it didn't matter, and she would feel better than now.

Tears flowed down like a flood that opened the gate. Xu Jingjing had crazy jealousy towards Magnolia in her heart. Why did she appear to be Brother Yu's fiancée? Is it because she is beautiful?

Xu Jingjing was not convinced! Obviously she is the one who loves Yu Sheng the most, why can she be favored by Yu Sheng as soon as she appears?

boom!

Suddenly Xu Jingjing felt that she had hit a wall, and then fell to the ground, her head and butt hurt.

"Hey! Don't you walk with eyes long? Just hit me directly, don't think you are a woman, this thing can't be forgotten, and quickly apologize to the little master!"

Chapter: 1476

Xu Jingjing rubbed her reddish forehead, and then looked at the man who was talking. The man wears a well-known suit and is a luxury item from head to toe. He is quite handsome, but with a dull look. Go deep into the bone marrow.

"I'm sorry, but I can't see the way when I walk. I bumped into you now. You have nothing to do!" Xu Jingjing wiped the tears from her face, suppressed her emotions, and apologized to the man in front of her.

"You hit me, this can't be solved with a sorry sentence." The man raised his eyebrows and looked at Xu Jingjing in front of him, scratching his head and then showing a smirk on his face.

Xu Jingjing was a little frightened when she saw him like this, and she unconsciously pushed back a few steps. The defense in her heart also reached the apex, and she said with trepidation, "What do you want to do?"

"It's easy to say. Seeing that you came out of this villa, do you know someone named Yu Sheng?" The

man asked when he looked at the villa in front of him.

When the name Yu Sheng was mentioned, Xu Jingjing, who had just suffered a blow, immediately turned gloomy and said coldly, "I don't know."

After leaving these words, Xu Jingjing ignored the man and turned to leave. She wanted to be alone so that she could completely absorb the stimulation she was receiving today.

The man scratched his head questioningly and didn't understand why the girl reacted so strongly? I just asked the individual.

If you don't live in this villa for the rest of your life, then the address he asked for is wrong!

Thinking of this possibility, the anger in his heart came out, and he picked up the phone and made a call: "Hey! The young master spends money to ask you to check the address of someone for me. You can still make a mistake for me, I What use is it for you?"

If you let this young master run for nothing, believe it or not? I gave you a discount on your legs! Quickly give you one day to check if you don't understand, you just wait to lie down in bed for a lifetime! "

The man is not someone else, but the guy with blood jade Jia Ming that I met in Yuncheng before Yu Sheng, who had even worshipped him as a teacher in a lifeless manner.

Just when Jia Ming was so annoyed to teach people to call someone, he didn't notice that a man and a woman walked out of the villa and got in the car and left.

After hanging up the phone, Jia Ming looked at the villa in front of him and exclaimed: "Don't even say that this villa looks very luxurious. money?"

Out of the villa area, Jia Ming wandered aimlessly in Qiancheng. Looking at the strange city in front of him, there was no one he knew, and it was a little boring to think about it.

Suddenly someone patted Jia Ming on the shoulder from behind, and Jia Ming looked back suspiciously and saw a woman in a pretty sexy dress.

"Hello, are you the most handsome guy who is invincible on the Internet? I am Tender Xiaoyueyue." The woman took out her hand and showed Jia Ming's personal information on a dating platform.

Jia Ming was stunned for a moment and then reacted. The pretty beautiful woman in front of him was rushing to the internet with others, apparently identifying herself as the male netizen she knew online.

Originally, Jia Ming wanted to make it clear to the little beauty that she had recognized the wrong person, but looking at the woman in front of her, although the posture was not perfect, but the stimulation was not much, Jia Ming had a bad thought in her heart, simply Just make mistakes and make mistakes again.

"Hello, tenderness Xiaoyueyue, I am wrong, I am the most invincible...the most handsome." Jia Ming recalled the name that the woman had said before and repeated it.

Not to mention that this invincible is the most handsome sounded narcissistic but very suitable for such handsome him.

The woman covered her mouth and smiled, and then she began to look up and down Jia Ming. As a child of the rich family, Jia Ming had a lot of confidence in his appearance and did not shy away from a woman's gaze.

"You are more handsome than I thought, and...and you look so rich. I thought you were very narcissistic online, but I didn't think you were humble." The woman pretended to be shy and said.

For Jia Ming, who has always been very narcissistic, this sentence is still very useful. He talks with women very satisfied and has a posture of anti-personality. She looks confident as if the woman in front of him is really a netizen he knows online. generally.

How long had they been away, a taxi stopped at the place where they had stayed before, and the car

panicked. A man who looked a little sloppy and had some messy hair. The man scanned the surroundings and finally fixed his gaze on Jia Ming and the woman, and then walked over.

Chapter: 1477

“Sir, have you ever seen the girl in the photo? I ran to my girlfriend I met on the Internet, and something came late on the road.” The man looked through a photo and handed it to Jia. Obviously.

Jia Ming felt a little guilty when he heard this. Seeing female netizens? Didn't I just pretend to be someone else's identity, thinking about something to happen to the girl next to me? Is it possible that the two of them are ~

Then he glanced at the photo of the man holding the phone. He had long legs, thin waist and hot body, not to mention melon face, big eyes, high nose and small lips. The beauty was outrageous, similar to the female Internet celebrities on the Internet.

Jia Ming subconsciously looked at the woman next to him. Although she was similar to the person in the photo, people who didn't know could not recognize the two as the same.

The function of calling the phone's beauty in his heart is too powerful, even if the new mother is on the scene, he may not be able to recognize these two as the same person, right?

Originally, Jia Ming was a little afraid that the man in front of him would recognize that the woman next to him was the female netizen she wanted to meet, but now he has no such worries.

You think that you want to take away the female netizens that others want to meet in front of others, and Jia Ming even finds it a little exciting! The little heart is a little surging.

After clearing his throat, Jia Ming pretended to be a troublesome person and said: “I don't see it, you can wait at her place, maybe the girl is slow to clean up, but it's not there!”

The same is true for men thinking about it. Girls like being late the most, maybe even later than their own. He also let go of his holding heart.

“Thank you, handsome guy! Your girlfriend is a good match for you!” The man thanked Jia Ming without forgetting his sweet compliment.

Jia Ming rubbed his nose noncommittantly, and then took the little beauty next to him and turned and left. He didn't forget to tease: “It's a coincidence that someone has agreed to meet us at the same place. What a coincidence!”

Tender Xiaoyueyue smiled charmingly and charmingly on her face: “Yes! It seems that today is really suitable for running! My husband, I am a little tired after doing the car for a day, and I don't want to go to dinner. Can you take me? Go to the hotel to rest?”

As soon as Jia Ming heard this, his whole spirit was raised. Oh, did I go here to save the link of eating and watching movies? Are you going to get to the topic directly? Thinking of this, he was still a little excited.

“My wife listens to you, so I will book a hotel for you to take a good rest.” Jia Ming pretended to be a gentleman and said.

Suddenly, Xiaoyueyue's cell phone rang, and he took it out to see that the person sending the message was the most handsome invincible: Why didn't I see Xiaoyueyue when I arrived? Let me tell you something very interesting. I saw a couple just now. That woman looks a bit like you! But she is not as beautiful as you, so she is a thousand miles away from you!

Tender Xiaoyueyue took a look and immediately deleted the message, as well as the contact person.

She is not a fool. The man just now looks sloppy and his clothes are not more than 500 yuan. The man in front of him is different. The famous brand all over his body is the son of the rich. It is better to make the

mistake and go wrong!

Jia Ming saw that the expression on Tender Xiaoyueyue's face was a little unnatural, and quickly asked concerned: "Wife, what's wrong with you, is it something uncomfortable?"

"No! I'm just a little tired, and I want to go to the hotel to take a rest, it's nothing to rest and rest!" Said tenderly, Xiaoyueyue blinked at Jia Ming.

How could Jia Ming not understand what she meant, and drove to the booked hotel after a taxi!

Chapter: 1478

"Wife, I'm going to take a shower. You are here to wait for me!" Jia Ming blew a kiss to the woman on the bed, then turned and went into the bathroom.

Lying on the bed, Xiaoyueyue said tenderly, she looked like a little woman waiting for her husband to pamper her at any time.

Until there was a splash of water in the bathroom, the expression on Tender Xiaoyue Yue's face suddenly changed. It was completely different from the delicate look before. Instead, she stepped down from the bed to the balcony and picked up her phone and dialed a number. .

"What's wrong, are things going well?" A rough man's voice came out on the phone.

The woman raised her eyebrows and sneered: "This time we are gone. Shit Luck encountered a rich master. The famous brand on his body is at least several hundred thousand! And what he carries on his hand. The watch is at least one million. I just looked at it. He also brought a bank card.

As long as this fat pig is taken down, we won't have to do this business in the future, just eat it and drink it spicy! "

When the man on the phone heard the woman say this, the whole person became excited, even his breathing was a little short, and he asked uncertainly: "Really? I didn't go to school, you can't lie to me Ah!"

"Of course it is true. Can I lie to you about this kind of thing? Just break in after 15 minutes, remember the room number and don't mess it up!" The woman finally hung up the phone with a warning.

I looked back and found that Jia Ming still didn't come out of the bathroom, so he breathed a sigh of relief. This time, things must be done beautifully!

It took a few minutes before the bathroom door opened, and a layer of white mist emerged first, and then Jia Ming walked out of the bathroom wrapped in a bath towel. During the period, he did not forget to do a few thoughts about Tenderness Satsuki. Handsome, but a slightly greasy action in the eyes of others.

For example, stretch his drenched hair to the back of his head and show off his slightly contoured abdominal muscles by the way. The reason why he can practice abdominal muscles is of course stimulated by the rest of his life.

It was the rest of his life that he was so good when he took off his clothes that he was fascinated by a big man. Later, Jia Ming went to the gym to practice for a few days, and he couldn't bear this hardship when he was in a rudimentary form.

"Husband, you are so slow? It's so hard to wait for you, I'm so empty now, can you fill me up soon?"

Tender Xiaoyue pulled down the clothes on her shoulders pretending to be a provocative gesture.

Showing white and tender fragrant shoulders.

Jia Ming suddenly surged in blood and blood, like a hungry wolf, and pounced on tenderness

Xiaoyueyue: "You are really a grinning little fairy, the master is here to be satisfied!"

The scene was chaotic. Just as Jia Ming was about to step into the subject, the door of the room was

knocked suddenly.

Bang bang bang!

“Open the door, open the door to me quickly! If you don’t open the door to Lao Tzu, Lao Tzu is going to smash the door!”

A rough male voice came in, the voice was like a robber in a TV series, and the momentum was like a rainbow that scared Jia Ming in the room.

“Damn, who is this? Don’t you know that others are doing business? It’s really disappointing to bother you at this time!” Jia Ming scolded displeasably.

Bang bang bang!

“The people inside quickly open the door for me, otherwise, I will slam the door open!”

There was a strong knock on the door, mixed with the screaming voice of a rough man, Jia Ming was upset for a while, but he resisted the anger in his heart and did not go to open the door.

Just by listening to the voice, Jia Ming can tell that the man outside is definitely not something he can deal with. If he asks five or six brothers in Yuncheng to teach him a lesson, but now in Qiancheng, he can only Swallow the anger.

With a bang, the door of the room was kicked open by the man outside, which shocked Jia Ming.

A man who looked like a big five and three thick, with a beard walked in. His height was about 1.5 meters high. He walked with wind every step of the way, and his appearance was in direct proportion to his voice.

Just listening to the voice, Jia Ming knew that the person was not something he could deal with. Now seeing the person here has deepened his thoughts.

“Then, did you go to the wrong room? This is my wife who booked the hotel, why did you kick in?” Jia Ming was angry, but faced with such a behemoth, he still didn’t dare to be big.

Whoever wants to be a rugged man grabbed Jia Ming by the collar and cursed: “You fucking open your dog’s eyes and take a good look. The fucking woman lying on the bed is my woman. When will it become? Your wife, can you tell me something?”

Chapter: 1479

Jia Ming was stunned. He felt that his head was short-circuited for a while. Who can tell him what is going on now?

“Brother, did you admit it wrong? How could it be your wife who was lying on the bed?” Jia Ming urged Xiao Yueyue, who looked at the tenderness of the bed, “My wife, what are you doing in a daze? Explain that he admitted the wrong person!”

Tender Xiaoyueyue is like a child who has done something wrong. She covered her body with a quilt and looked at the rough man with trepidation: “Husband, I’m sorry I was wrong. You can give me a chance. Don’t dare this time, really don’t dare!”

Jia Ming’s heart was almost sinking to the bottom when he heard this. This is not an indirect proof that the two of them are real husbands and wives, and he almost gave them his wife!

Just thinking about it, Jia Ming received two heavy slaps on his face, almost almost slapped his face off, and the attack was even more cruel than he thought.

“Boy, do you now understand who the wife is? Do you need me to take out the marriage certificate and shake your face?” the man said in a rough voice.

Jia Ming shook his head quickly, and said softly, “I’m sorry, brother, I really don’t know! If I knew that her husband gave me ten guts, I wouldn’t dare to touch it! I was also deceived! Big brother this I can’t be

blamed for this thing!”

“Wait, wait for me, wait till we get home and I’ll settle this account for you!” the man cursed, pointing to the scared woman curled up on the bed.

“Big brother, please calm down. I didn’t know about this, otherwise, let’s just let it go? You tell your sister-in-law that I have other things. Let’s go first, so I won’t bother you two.” Jia Ming looked only connaught, the previous dude’s appearance disappeared.

To make it clearer, people like him are bullying and fearing hard work. When they meet someone he can bully, they can find it hard, and when they meet someone he can’t beat, they have to be soft.

“Go? Did your kid think things too simple? I put my wife to sleep and wanted to go, but I was cocked, and I can’t forget about it.

Do you want my Wang Mang’s face after it’s been spread out? Let me embarrass me and let you die!

Today I must kill you! As Wang Mang said, he punched Jia Ming in the face again.

With this punch, Jia Ming was staring at Venus, and the blankness in his mind for a long time was relieved.

“Don’t... don’t hit me, please don’t hit me, I really didn’t mean it, besides, your wife and I really didn’t have anything to do in a hurry, so you came in!” Jia Ming has been caught by Wang Mang. I was so scared that I covered my face when I spoke, for fear that the big slap would slap my face.

“Are you playing like a three-year-old kid? You two told me nothing happened. I can’t stand this grievance. I have to kill you today!” Wang Mang raised his hand again and planned to give it to me. Jia Ming took a punch.

“Don’t beat me, don’t take me, I have money, can’t I give you how much you want? Don’t beat me, I’ll be beaten to death by you if you send me again!” Jia Ming really has no idea, directly Kneeled down and begged for mercy.

What he wanted was his words. Wang Mang glanced at the woman on the bed, and then smiled with satisfaction.

“How much? I’ll kill you if I don’t give it to you!” Wang Mang still spoke as savagely as before, but his tone was much better.

“I’ll give you my watch. This watch is worth more than two million yuan. Is this price big brother always satisfied?” Jia Ming said, taking off the watch he was wearing.

When Wang Mang heard that his eyes were about to show up with a value of more than two million, he grabbed the watch and said, “Don’t think that a watch can send me. Who knows if it’s true or not? Leave me all the things you wear. Down.”

Chapter: 1480

“Big brother, my good big brother, you keep one for me anyway! With just a pair of underwear, how can I go out?”

Jia Ming watched that his belongings were looted, but he did not dare to step forward to stop him. It was because Wang Mang was too burly and he was also afraid of being beaten.

“You dare to force me, I will kill you!” Wang Mang grabbed the woman’s hair in one hand, and the clothes in the other, and he yelled at Jia Ming.

Jia Ming was so scared that he didn’t dare to talk nonsense and directly covered his mouth, for fear that Wang Mang would be angry and beat him again.

It was a bad start to encounter such a thing on the first day of coming to Qiancheng, but Jia Ming, who was used to the good days of clothes to stretch out his hands and eat to open his mouth, realized what

was embarrassing, and was saddened by others.

“Look at someone over there who only wears a pair of underwear. I bet 100 yuan that he was definitely caught and raped in bed.”

“Don’t even say that this man is handsome. If I were him, I would be seen by so many people, and I would lose my old face.”

“I’m so ridiculous. Hurry up and take pictures with your mobile phone. This kind of thing is not common. If you take a picture and post it on the Internet, it might be popular!”

The voices around him ridiculed and pointed at him endlessly, and Jia Ming’s face was blushing and he couldn’t wait to find a seam and go straight in.

Running out of the hotel in embarrassment, Jia Ming was on the side of the road again, and found an alley in the crowd.

Curled up behind the trash can, smelling the unpleasant rot and rotten odor, Jia Ming covered his nose uncomfortably. If he could, he would not hide behind the trash can, but if he went out. I’m going to be laughed at, I can only hide here quietly.

“The one who killed a thousand knives even snatched all my belongings, and didn’t even leave my mobile phone. Isn’t this driving me to death?”

Oh, I don’t want to go to my teacher to learn art, I just want to go back to Yuncheng, father and sister, send someone to find me quickly! “Desperate Jia Ming, a big man actually choked up and cried.

Jia Ming didn’t know how long he stayed in this place. He only knew that he stood up when his squatting legs were a little numb, and continued to squat here when something went wrong. For the unpleasant smell of the trash can, the smell has been smelling for a long time. Just got used to it.

Watching the sky getting dark and the wind blowing by, Jia Ming, who was trembling with the cold, felt aggrieved in his heart, but there was no place to vent.

Suddenly, Jia Ming heard a sound of footsteps from far to near, and he could tell from the sound that he was a man.

“It’s so speechless. When I went out and ran, I was actually let go of the pigeons, and I was blacked out. What’s the matter?”

Sure enough, online dating is not reliable at all. If I go online again, I will not be handsome and handsome! “The man said cursingly, and then threw a bag of garbage into the trash can.

It’s just that the garbage in the trash bin was already full, and the garbage that the man threw from a distance fell out without accident, and hit Jia Ming’s head by coincidence.

The juice in the bag spilled out, and Jia Ming was dripping all over his body, and the smell of instant noodles came from the tip of his nose. The instant noodle bucket was just so accidentally covered on his head!

Having been wronged for a day, and now being treated like this, the small volcano in Jia Ming’s heart erupted directly, took the instant noodles off his head, and fell to the ground fiercely.

“Which thing that did not have eyes to lose did not see Xiaoye resting here?”

The man did not make a sudden action, and was shocked. The phone in his hand almost fell to the ground. With the help of the dim light, he saw a naked man wearing only a pair of underwear and covered in yellow liquid. His face was also blue and swollen. , At first glance, it was beaten.

“I’m sorry! I didn’t mean it, I’m sorry!” The man knew that he was at fault and apologized to the other side embarrassingly.

Hearing some familiar voices, coupled with seeing the face in the dim light, Jia Ming opened his eyes wide, and the man directly said in surprise: “Damn, it’s you!”
