Yu Sheng snorted coldly, and before Yang Jian and the three of them approached, he raised his hands and slapped three slaps on the face.

He has tolerated the Yang family for a long time. At this time, the attack was quite heavy, and Yang Jian and all three of them were knocked to the floor by him.

The others looked at Yu Sheng tremblingly, a little dumbfounded.

For the rest of his life, who had always been cowardly and incompetent, even knocked down the three of Yang Jian, and everyone couldn't believe it.

The rest of his life took a step forward and stepped on Yang Jian's chest.

"It's against the sky! It's against the sky!"

The old lady was furious, stood up in a rush, raised the crutches in her hand and smashed Yu Sheng's forehead with a crutches: "Look at the old man if you don't kill you!"

Yu Sheng grabbed the old lady's crutches, his eyes were like electricity, and a horrible breath radiated from him, and everyone in the whole room shuddered.

"You Yang family had better give me peace, otherwise, don't blame me for letting you Yang family be wiped out!" Yu Sheng's eyes were cold and icy.

At this moment, even Mrs. Yang, who has always been strong, felt inexplicably heart-shaking.

"Okay, don't make any noise!" m.9biquge. com

Yang Zihuan shouted frantically: "I have borrowed thirty million!"

She yelled and took out the check, and threw it on the coffee table angrily.

"Three, thirty million cheques!"

"Zi Huan, what's going on?"

"Could it be that Shao Wang is so bad, and he will be finished so soon?"

Everyone in the Yang family was shocked. The old lady didn't even want the crutches, so she bent down and picked up the check to check.

Yang Xianbing didn't care about his son Yang Jian, who was trampled on the floor by the rest of his life, so he hurriedly craned his neck to look.

It's really a cash check of 30 million!

"Huh? A check from the Four Seas Group!"

The old lady looked up at Yang Zihuan, and looked at Yang Zihuan excitedly: "Zihuan, tell grandma, why is this check made by Sihai Group?"

Sihai Group is the largest company in Qiancheng, and it is also a Fortune 500 company in the world.

Yang Zihuan can get a check from the Sihai Group. Could it be that she has something to do with a big figure in the Sihai Group?

Everyone in the Yang family was also staring at Yang Zihuan. If she really had a relationship with a big figure in the Four Seas Group, then their Yang family would be exposed.

Even if Sihai Group gives them a little business, it will be enough for them to eat for a long time!

Yu Sheng glanced at everyone in the Yang family, with contempt in his eyes, threw the old lady's crutches on the floor, and lifted his feet from Yang Jian's chest.

The three of Yang Jian gave Yu Sheng a bitter look, and couldn't care about Yu Sheng. They hurriedly got up to check the authenticity of the check.

Yang Zihuan looked at the crowd and was still angry, and said unhappy: "The 30 million yuan was borrowed by the new chairman of the Sihai Group. He said that he must be paid back in a year, otherwise he will be charged interest!"

"Zi Huan, didn't you go to accompany Shao Wang? How come you are the new chairman of the Sihai Group?" Gao Qing asked puzzled.

She also imagined that if her daughter and Yu Sheng were separated and married Wang Wenxue, she would be exposed.

Now that she has changed people, she is a little short on the back of her brain.

Yang Zihuan took a look at Yu Sheng and sighed: "Wang family is here. I don't know why the new chairman of Sihai Group borrowed money from me. I have never seen him.

This cheque was given to me by the richest man Xia himself, saying that it was given to me by their new director. "

They also heard about the acquisition of Sihai Group today, and everyone is speculating who is the big man who acquired Sihai Group.

Unexpectedly, they would directly borrow 30 million from their family.

Could it be that the new directors of the Four Seas Group also fell in love with Yang Zihuan?

The more people think about it, the more they feel that this is possible.

Otherwise, who would lend you thirty million for nothing.

“What about the IOU, how did you write it?” Yang Xianbing asked suddenly.

“No, people don’t even let me write.” Yang Zihuan shook his head.

“I didn’t write an IOU, could this check be fake?” Yang Jian asked in doubt.

Everyone also had doubts in their hearts, why don’t you borrow money without paying IOUs?

Are they not afraid of our Yang family’s debts?

“Don’t look at what kind of existence the Sihai Group is, give you ten courage to the Yang family, do you dare to fall back on the bill?” Yu Sheng said sarcastically.

His words made everyone in the Yang family very uncomfortable, but no one refuted it.

Sihai Group is a Fortune 500 company in the world, and their Yang family is not even worthy of giving shoes to others.

If they dare to fall back on the bill, they can be wiped out in minutes.

“I went through the bank when I came and checked it by the way. It’s true and can be taken at any time.” Yang Zihuan said.

“Zi Huan, good job, worthy of my good granddaughter.”

The old lady patted Yang Zihuan on the shoulder with satisfaction, took the crutches Yang Shengbing picked up for her, glanced at Yu Sheng next to her with a stern look, snorted heavily, and took everyone out.

“Trash, you dare to hit me, let’s see how I will deal with you in the future!” The three Yang Jian looked at Yu Sheng coldly, and followed the old lady out.

“Zi Huan, does the new chairman of Sihai Group like you?” Gao Qing asked impatiently after everyone had gone.

“Where do I know, I haven’t even seen it before.” Yang Zihuan frowned, thinking about this issue in his heart.

Yang Zihuan shook her head, but she knew in her heart that if the chairman of Sihai Group had no other idea about her, she would not even believe it.

“It must be. Otherwise, how could he directly lend you 30 million without paying the IOU. I said Zihuan. You can find a time to meet the chairman of the Sihai Group. If someone is really interested in you, You have to seize the opportunity, you know?” Gao Qing said again.

“Yes, sister, if you can remarry to the chairman of the Sihai Group, our family will take off. It is ten thousand times stronger than you guarding the rest of your life.” Yang Ling next to him also hurriedly persuaded.

“Okay, I don’t want to discuss this issue.” Yang Zihuan said, taking a look at Yu Sheng, and then went back to the bedroom.

In fact, she was a little confused in her heart.

If the chairman of the Four Seas Group is really interested in her, what should she do?

Continue to divorce Yu Sheng?

“Forget it, I don’t want to, take some time to visit someone in a few days, and let’s see the situation at that time.”

Yang Zihuan thought in her heart, she was also curious about what the chairman of Sihai Group would look like and what a man he would be.

Yu Sheng looked at Yang Zihuan’s back and wondered whether Yang Zihuan would visit him.
