

Don't Mess with the War Goddess Chapter 18

English: Second-hand men, look down on

The people in the second bedroom, the third bedroom are scared again!

I really want to wake up the dead Miss Song, did she let An Xia practice the Shaolin Washing Marrow Sutra, turning her into a cruel character that the whole family can't afford!

The old lady An did not expect that An Xia would even dare to hit Bo Zhiqing. She was about to faint again. She grasped the wrist of her adopted son An Yuanding, and tremblingly ordered, "Quickly, call Mrs Bo, please come to make him home!" "

What kind of evil did they make when they settled down?

Killing the Song family's eldest has already made An family difficult, if you hurt Bo Shao again tonight...

Rao is the cruel and cruel old lady An, and she couldn't help but shudder at this time!

No matter how small the injury is, the whole family of Anjia will accompany the little beasts-there is no place to bury them!

The scheming An Yuanding was also scared, and he quickly contacted Mr. Bo.

Mrs. An's move made An Xia very satisfied.

He smiled at Ye Meng and said, "Wait for Mr. Bo to come over, you hand over the token to him, the two families are cleared, and they are irrelevant."

"Xia'er, the Bo family retires, and the Song family is even more unlikely to let you go." Ye Mengwei is not an unsure mother. She insists on not retiring, but she wants the Song family to be jealous.

"You really want to divorce, and you will wait until the storm has passed. You've already beaten Bo Zhiqing, and if you want to hurt him, Mr. Bo will have a bad face."

An Xia had a smile in her eyes, and she was also worried that Ye Mu was unclear, and she was worrying too much.

Also, she really solved Miss Song.

Is there any reason why the Bo family used this as a reason for retiring?

She was not afraid of hurting Bo Zhiqing. Old man Bo might have to thank her for playing well.

The bodyguard who settled in the chamber still fell to the ground. Is he blind?

Are you worthy of being the heir of the Bo family?

He must take a lesson, so that he can be sober, and don't be fooled by love!

All the bodyguards of the Bo family came up, and Bo Shao was beaten under their noses. How did they go back to explain to the Bo family.

But this Miss Ann is also Shao Shao's fiancée, so they rushed to make a move, are they successful?

Bo Zhiqing, supported by the bodyguard, endured the severe pain in his lower abdomen, his eyes dark and terrible.

Waved, coldly ordered all bodyguards, "Go!"

"stop!"

An old and majestic old man's voice came, and the bodyguard who was rushing from the Bo family instantly stopped, retreated to both sides of the chamber gate at the fastest speed, and stood in line again.

It was Mr. Bo who came, just in time.

Five minutes later, the chamber was quiet again.

In the bright light, the old man Bo sat in the big chair, took a deep look at An Xia, who had an awe-inspiring trend, and said to the old lady An: "I think the second lady in your house is seriously injured, don't Missed the time for medical treatment."

"Grandpa Bo, I'm okay." An Yangyang replied pityingly, "If something like this happened, Yang Yang's injury is nothing."

The one raised by Xiaosan is really lacking in education!

Grandpa Bo didn't look at her, but waited for Mrs. An to speak.

"Hey, Yang Yang is a child who loves her family. Let her go now, and she is not at ease." The old lady An sighed gently, and looked at An Yang Yang kindly, "Yang Yang, what's uncomfortable." , Be sure to tell grandma right away."

Old man Bo smiled, and he asked An Xia no longer, "Xia Xia, grandpa came here today to ask you whether Miss Song was killed by you?"

"You have to answer truthfully, this matter is related to whether you can marry into the Bo family. Zhi Qing proposed to divorce after learning about it, but Grandpa still wants to hear your answer in person."

An Xia raised her eyes and said indifferently: "People, I'll kill. Marry, let's quit, I'm not interested in second-hand goods."
