

Dont mess 191

## Chapter: 191

Yu Sheng looked down at the ten million characters on the plaque, smiled, and said, "For me, money is just a string of numbers."

As soon as his voice fell, not only the owners of the TV opportunity, but now everyone including the host and Xia Feixue next to him were in a daze.

This eldest brother is too good at pretending, who doesn't know that you are the son-in-law of the Yang family, you need such a high profile.

Yang Zihuan, Gao Qing and others' faces flushed even more subconsciously.

Ashamed.

This waste...this bastard, why is it so inconsistent?

a string of numbers?

A large string of zeros after the decimal point is almost the same.

"I am going to donate this ten million directly to the Anti-epidemic Foundation today. If there are leaders of the Anti-epidemic Foundation watching the live broadcast, please send someone over to hand it over. I will let the police beat you this ten million. On your account."

For the rest of his life, he didn't know the voice of the people, and continued.

What?

He wants to donate this million?

Everyone was startled first, then the host, Xia Feixue, and countless people on the scene clapped.

The louder the applause, the more enthusiastic the drum.

A door-to-door son-in-law who eats soft food, usually suffers from the eyes and contempt of the world.

After receiving the 10 million bonus, instead of directly taking it for himself, he chose to donate it to the Anti-epidemic Foundation.

At this moment.

Everyone finally understood why he had the courage to fight the robbers as a scumbag who had been scolded for four or five years.

In fact, this has nothing to do with courage.

This is the cultivation and quality of a person!

However, under the warm applause...

"This rubbish, did he get kicked in the head by a donkey? That's ten million. He said he donated it?" Gao Qing stomped straight, and for the rest of his life he wanted to make her alive!

“Sister, please call your brother-in-law quickly and tell him not to do stupid things, ten million, he can’t make a lifetime, how can he let him donate it!”

Yang Ling also panicked. He also fantasized to please Yu Sheng and let Yu Sheng help him buy a good car.

In the blink of an eye, the rest of my life will donate this ten million directly, how can this work!

Yang Zihuan struggled a little, it was the rest of her life’s money, and she didn’t know how to speak.

“Zi Huan, even if you look down on Yu Sheng’s little money, you still have to consider Xiao Shui.

If you do not divorce Yu Sheng, it means that the matter between you and the chairman is basically ridiculous.

One day the chairman became unhappy and took back your 10% shares and even fired you. What do you use to raise Xiaoshui?”

Gao Qing said again, her face anxious.

If she donated this ten million, she wouldn’t be able to get a point, so she would be blamed if she was not angry.

Yang Zihuan was shocked.

Yes, there is no love for no reason in this world, and there is no hate for no reason.

The chairman has helped him so much, he really doesn’t want to get anything in return from him?

It must be impossible.

The fool figured it out.

The chairman doesn’t want to care about her now, but he still hasn’t thought of anything to do.

It doesn’t mean that he really doesn’t ask for anything in return.

If you can’t repay him at that time, do you want to be expelled from him?

This possibility exists, and it is still great.

After thinking about this, Yang Zihuan nodded and took out the phone to call Yu Sheng.

She must stop the rest of her life from stupid things!

She wants to give it all to her for the rest of her life, and she wants to save it to raise her son!

But she played a few times in a row, all of which were shutting down.

“Sister, they are broadcasting live, and the mobile phone must be turned off, or let’s go find brother-in-law on the spot now.” Yang Ling suggested.

“Yes, Zihuan, go to the Public Security Bureau to find him now!” Gao Qing also said.

**Chapter: 192**

Yang Zihuan frowned, but after thinking about it, he nodded, ready to go to the Public Security Bureau to find the rest of his life.

“Oh, Zi Huan, where are you going?”

At this moment, Yang Jian came to the company and looked at Yang Zihuan’s family with a smile on his face.

“What are you doing?” Seeing Yang Jian, Yang Ling felt very upset.

If Yang Jian brothers and sisters suggested to the old lady that their family should be gradually moved to the Yang family, would the old lady do this?

It was Yang Jian and Yang Yinzhu that made the old lady finally make up her mind.

“Aunt Gao, this is the case. Grandma asked me to call you back. Grandma said, since Yu Sheng is not a criminal and he has committed a crime, he cannot expel your family from the Yang family.” Yang Jian was justified in Yang Ling and looked towards Gao. Qing said.

“real?”

Gao Qing was overjoyed. Although the Yang family can no longer give them anything, it is also a matter of reputation.

Especially the fact that the old lady even removed her husband from her name can affect the reputation of their family even more.

“Grandma really changed her mind?” Yang Zihuan was also a little happy.

“Well, grandma asked me to ask you to eat over, let’s go, today is also Yinzhu’s happy day...” Yang Jian said here, the phone rang suddenly.

He took it out and saw that it was Yang Yinzhu.

“Brother, grandma said, you must call Yang Zihuan and the others, immediately!” Yang Yinzhu’s urgent voice came as soon as they were connected.

“Oh, something?” Yang Jian asked, looking up at Yang Zihuan.

“Oh, Yu Sheng’s uselessness is really irritating. He actually wants to donate the ten million. Isn’t this a fool? Grandma said that she would tell Yang Zihuan personally to stop Yu Sheng from doing stupid things.” Yang Yinzhu said.

“Lying on the grass, did he get kicked in the head by the donkey?” Yang Jian couldn’t help cursing.

Seeing that all three of Yang Zihuan’s family looked at him curiously, Yang Jian smiled and hung up Yang Yinzhu’s phone.

“Aunt Gao, Zi Huan, let’s go, grandma is waiting for you.” Yang Jian smiled.

The reason why he came to the Yang Zihuan family to go back was mainly because they also saw the live TV broadcast.

Yu Sheng was awarded the title of hero of the common people, and even with them the Yang family, he was also awarded the title of heroic family. He is the supreme honor of the Yang family.

In the future, based on the glory of this heroic family, their Yang family will receive countless respect.

Moreover, they have to figure out a way to cheat them for the 10 million rewards for the rest of their lives.

For the current Yang family, ten million is also a big number.

“If you have food, you can eat first, we have important things to do now,” Gao Qing said.

“Ah, what’s the important thing?” Yang Jian asked.

“You don’t know, Yu Sheng, that bastard, who wants to donate ten million, is really annoying my aunt, I must stop him!” Gao Qing said angrily.

“Yes, we have to go to the Public Security Bureau first to stop him from doing stupid things. Go back and tell grandma that we will go there later.” Yang Ling also said.

“Oh, that must stop him from doing stupid things, then you go quickly, you can eat anytime you want to eat.” Yang Jian nodded and urged.

Even in the end, Yang Jian personally accompanied Yang Zihuan and others to the Public Security Bureau.

### **Chapter: 193**

“Mr. Yu, why did you avoid it and then retreated to block the bullet for others?”

On the stage, the host asked questions for the rest of his life with a smile on his face.

Yu Sheng also smiled and said, “I didn’t think so much at the time, but I thought I couldn’t be killed by the bullet, but she was shot, and she would probably die, so I didn’t hesitate to block the bullet for her.”

“Mr. Yu is worthy of being a hero of our people. This noble quality of sacrificing life is a spirit worthy of learning for all of us.” The host praised.

Everyone in the audience clapped their hands and admired the noble character and courage of the rest of his life.

At this time, Xu Qianqian, who was also watching the live broadcast, was greatly relieved.

She was really afraid that Yu Sheng would say something like ‘because I like her’.

But thinking that Yu Sheng had obviously avoided at that time, and then returned to block the bullets for herself, her heart trembled inexplicably.

In the future, will there be a man who will be as desperate as Yu Sheng to block bullets for himself?

Xu Qianqian felt that such a person would not appear anymore.

At this time, Li Kai, who was also watching the live broadcast, was disdainful of Yu Sheng in his heart.

It's not time for dinner. There is no business in the store. Li Kai and her girlfriend Du Yue are bored watching TV.

"It's all a fucking liar, what's polite, it's just a fucking Hypocrite!" Li Kai said angrily.

Thinking of tainting his girlfriend for the rest of his life, he couldn't calm down.

"Oh my god is so awkward, why this kind of rubbish can still live so beautifully, giving him 10 million back, it is simply ironic." Li Kai's girlfriend Du Yue snorted disdainfully.

At this moment, Du Yue's WeChat phone on the table suddenly flashed, showing a message: My dear, we have not done it for a few days, but I want to kill me, come over tonight.

Seeing this WeChat and seeing the net name of the WeChat message to Du Yue called 'A Jian', Li Kai's whole body trembled and his brain buzzed.

A Jian, is it Gu Jian?

Li Kai trembled, picked up Du Yue's phone and unlocked it.

He saw Du Yue unlocked the lock and knew the password of Du Yue's mobile phone, so he unlocked it immediately.

When Li Kai opened the chat history between Du Yue and 'A Jian', he immediately knew that it was Gu Jian.

He was trembling with anger, and almost squirted out a mouthful of old blood.

Du Yue, who was originally staring at the TV, turned her head and found that Li Kai was looking at her mobile phone, and she was immediately angry.

"What are you doing?" She yelled and grabbed the phone from Li Kai.

"Damn, bitch!"

Li Kai was so angry that he raised his hand and slapped Du Yue up.

Du Yue screamed, covering her face, looking at Li Kai in shock.

"Bitch, it turns out that Gu Jian was with you at the bar that night, but you two deliberately guided me to slander my good brother, and I swear your blood mother!"

Li Kai was so angry that he kicked Du Yue to the ground with one kick.

In fact, he has immunity to cheating.

He is angry that Du Yue and Gu Jian cheated and betrayed.

He was angry that these two people caused him to lose his good brother for many years!

Li Kai couldn't help trembling at the thought of cutting off his righteousness with Yu Sheng and thinking of Yu Sheng's anger when he left.

He found that he was not only a idiot, but he was not a fucking human being.

Even one's best brother must be suspicious, what a brute!

Du Yue knew that the matter had been exposed, she was very scared when she looked at Li Kai who was crazy.

#### **Chapter: 194**

"Gu Jian, I think you are a brother because of Lao Tzu, but you treat me as a idiot. Today, Lao Tzu will abolish you!"

Li Kai thought angrily, and used Du Yue's cell phone to send a message to Gu Jian, saying that he was not here and that Gu Jian should come to the hotel now.

"You stinky bitch, it's best to give Lao Tzu a bit of peace, and wait until I get comfortable with Gu Jian, and then settle accounts with you slowly!" Li Kai glared at Du Yue threateningly.

Du Yue sat on the floor, a little scared in her heart, but she dared not speak out.

Soon, Gu Jian came to the hotel with a commotion. He wanted to have a good fight with Du Yue today, but he didn't think that the first thing that impressed him was Li Kai with an angry face.

Gu Jian's heart trembled, and he immediately guessed that his affair with Du Yue must have been discovered by Li Kai.

"Grass, damn bad luck." Gu Jian was a little depressed.

"Gu Jian, I'm pretty ugly, I abolished you today!" Li Kai shouted angrily, lifted the stool, and pulled it up for Gu Jian.

Gu Jian was caught off guard, he was smashed hard, and he seemed to fall apart with a pain in his shoulder.

"Li Kai, are you fucking crazy, why are you hitting me?" Gu Jian shouted angrily.

"Lao Tzu beats you as a dog day, Lao Tzu treats you as a good brother, but you fucking treats Lao Tzu as a idiot. I won't abolish you today, Lao Tzu and your surname!" Li Kai shouted angrily, holding his stool. Smashed past again.

Gu Jian got ready and hurriedly avoided, Li Kai carried a stool to chase after him.

Upon seeing this, Du Yue hugged Li Kai and let Gu Jian run quickly.

Upon seeing this, Gu Jian not only stopped running, but turned around and knocked Li Kai down with a few punches.

...

The activity lasted for two hours before it ended. When the rest of his life came out of the game, I saw Yang Zihuan and others at the door.

At this time, Yang Zihuan and the others were all anxious to death, watching Yu Sheng, they all greeted them.

“Then ten million did you really donate?” Gao Qing asked anxiously.

For the rest of his life, he glanced at everyone in the Yang family, and there was a hint of irony in his eyes.

These people must have seen him get 10 million rewards, and they all rushed for fear that they would donate it.

Obviously, they only care about money and don't care about him at all.

“Donated, just finished the formalities.” Yu Sheng said lightly, and handed a formalities receipt to Gao Qing.

Gao Qing took a look, and his brain roared.

This waste, he actually donated all ten million!

“You, don't think about it for the kid, even if you leave five million for Xiaoshui!” Yang Zihuan is also very angry. How can this man be so selfish.

For the sake of that reputation, he even ignored his son!

“Xiaoshui's matter, I have already thought about it for him, and you don't need to worry about it.” Yu Sheng said indifferently.

“You...” Yang Zihuan vomited blood angrily.

Yang Ling and Yang Jian were also cursing, treating Yu Sheng as stupid.

“You rubbish, you donated 10 million yuan directly, who gave you your courage?”

“You are so stupid, you have lost the face of my Yang family!”

Yang Ling and the Yang family can't wait to beat them for the rest of their lives.

Ten million, he actually donated it like that.

Is this idiot kicked in the head by a donkey?

“Shut up!”

Yu Sheng turned around and looked at the two of them, with a cold light in his eyes, “It's my turn to let the two of you come to talk about it? What are you guys?”

## **Chapter: 195**

A little angry for the rest of his life.

His own money, he just likes to do it, these two idiots are showy, and dare to accuse him?

“You, you have a kind!” Yang Jian pointed at Yu Sheng without daring to do anything, his whole body was trembling with anger.

The old lady also counted on this ten million to give the Yang family a comeback.

It's really irritating to think that Yu Sheng, this fool, actually donated it.

Yang Ling was a little unconvinced, and coldly snorted: "Trash, are you energized? These years, you have eaten our family and used our family's products. You are rich. Not only will you not repay the favors our family has given you, you It's reasonable, right?"

Yu Sheng looked at Yang Ling with a hint of contempt in his eyes: "You pay for the food every day? You pay for every meal you eat in these years?"

"Although I did not come out, but my sister came out too." Yang Ling retorted.

"Huh, ask your sister, which time did she pay for the food? Who has paid a penny for the oil, salt, sauce and vinegar rice food these years?"

Yu Sheng looked at the Yangling family of three jokingly, and said sarcastically: "You keep saying that I eat soft rice, and I will ask you today whether you are eating soft rice or I am eating soft rice?"

After marrying Yang Zihuan, he went to work for the rest of his life. With a salary of several thousand yuan a month, he basically used it to make a living. Whether it was Yang Zihuan or Gao Qing, there has been nothing in life in the past few years. A penny, let alone Yang Ling this trash.

Gao Qing's expression changed, and when Yu Sheng questioned her, her expression became a little uncontrollable.

"Zi Huan, is this trash telling the truth? All the money for food these years has been paid by him?" Gao Qing turned to Yang Zihuan and asked.

Yang Zihuan nodded and watched Yu Sheng said nothing.

Gao Qing and Yang Ling's faces were a little ugly, and they didn't think that the living expenses of these years were really wasteful for the rest of their lives.

"Then you have been living in our house, and renting a house requires rent." Gao Qing quibbled.

"Yes, you have lived in our house for four years, and your son, the rent for the past four years is also a lot, you will not give it?" Yang Ling said shamelessly.

Yu Sheng laughed, laughing very ironically.

The shamelessness of Gao Qing and Yang Ling was beyond his imagination.

"Ask Yang Zihuan yourself, who got the money for the house. When it comes to rent, I should ask you for it!" Yu Sheng said with disdain.

He was chased and killed that year and fled to Qiancheng. Although he was downright, he didn't dare to use that black card easily.

But as the son of the Yu family in Shangjing, he still has a few million in pocket money?

The house they live in now costs 1.27 million, which they will buy for the rest of their lives.

Although Yang Zihuan's name is also on the real estate certificate, Yang Zihuan dare not say that the house belongs to her.

“Zi Huan...” Gao Qing also asked for a certificate.

“enough!”

Yang Zihuan was also very disappointed with her mother and younger brother, and said coldly: “Although he is our son-in-law for the rest of his life, he does not eat soft food!”

Gao Qing and Yang Ling were dumbfounded.

After doing it for a long time, it turned out that they were eating the rest of their lives.

“Hmph, he is my son-in-law, aren’t these all what he should do?” Gao Qing said shamelessly.

Yang Zihuan is speechless, is it your son-in-law who can point to his nose every day and scold others?

Are you embarrassed to say that people live with you and eat yours?

But this is her mother, and she doesn’t bother to talk to her too much.

Yu Sheng took a high-eye look, a flash of jokes flashed in his eyes, and didn’t bother to pay attention to her, and walked towards the intersection outside.

At this moment, Yu Sheng’s cell phone rang, and he took it out to see that it was Li Kai calling.

#### **Chapter: 196**

Yu Sheng frowned, wondering why Li Kai suddenly called him?

Could it be that he watched the live TV and wanted to mock himself?

For the rest of my life, I wanted to hang up, but after hesitating, I got connected.

“Brother Sheng, I’m sorry!”

As soon as it was connected, Li Kai’s guilty voice came.

Yu Sheng was taken aback, and asked: “What are you doing?”

“Brother Sheng, I was blinded by lard and misunderstood you. Alas, I just learned today that the bitch Du Yue has always had a leg with Gu Jian. At the bar that day, it was also Gu Jian. I was also deceived by them. , Brother Sheng, I will apologize to you in the group for a while and return you to be fair and innocent. I’m really sorry!” Li Kai explained.

Yu Sheng thought for a while, and said, “Forget it, you don’t need to apologize.”

But after Li Kai hung up the phone, within a few minutes, everyone in the classmate group Aite apologized to Yu Sheng, and he was innocent for the rest of his life.

Many people are rushing to see if Li Kai is real. Li Kai took pictures of himself lying in the hospital and put them in the group, saying that it was Gu Jian and Du Yue who hit him. Everyone believed.

But no one came out to apologize for insulting the rest of his life that day.

Li Kai was a little disappointed, so he withdrew from the group chat.

Yu Sheng sighed and called Li Kai over.

“Which hospital are you in now, are the injuries serious?” Judging from the photos of Li Kaifa in the group, although they look like skin injuries, looking at Li Kai’s complexion, he feels that Li Kai thinks the injuries are serious. .

“Stone Hospital, shit, if it weren’t for Du Yue’s bitch to hug me from behind, I’ll kill Gu Jian, Gu Jian!” Li Kai said angrily.

“Okay, I’ll go over and take a look.” Yu Sheng said and hung up the phone.

“Where are you going?” Gao Qing asked when Yu Sheng was about to leave.

“Hospital.” Yu Sheng replied and went to the intersection to take a taxi.

His car was still in the Yang Family Courtyard.

Watching Yu Sheng’s taxi ride away, Gao Qing and the others felt as if they swallowed a fly, very uncomfortable.

They originally came to prevent Yu Sheng from donating the money.

Unexpectedly, not only did she stop Yu Sheng, but she was despised by Yu Sheng, and she stomped and went crazy.

“Zi Huan, look at this rubbish, it’s really getting less and less of our family’s attention, such a person, when are you going to keep him?” Gao Qing put pressure on Yang Zihuan again.

She firmly believes that even if her daughter is married, she can find another son-in-law who is a hundred times stronger than the rest of her life on her own terms.

Seeing Yu Sheng becoming more and more presumptuous in front of them, she really didn’t want to stay for the rest of her life for a moment.

“Yes, sister, don’t hesitate. How can this waste be compared with the chairman? The most important thing is that this waste doesn’t put our family in the eyes.

For this time, he received a reward of 10 million yuan. The first thing he thought of was not our family, nor his son Xiaoshui.

It’s his own notoriety, what use is this kind of man?

Leaving him earlier is the right way. ”

Yang Ling also persuaded.

“Okay, stop talking.”

Yang Zihuan was also terribly annoyed, and when she thought about the ten million donation for the rest of her life, she felt depressed and wanted to vomit blood.

## **Chapter: 197**

Stone Hospital…

Li Kai is lying on the bed in the emergency department.

He was hurt everywhere, and his right leg was also put in a cast, looking very pitiful.

Yu Sheng couldn't help feeling a bit of sympathy. A big man who misunderstood the woman, not only was heartbroken, but also his body was beaten like this.

The most important thing is that Li Kai is unlucky enough to force him.

His wife put on a hat for him. After a long time, he talked again and put on a hat for him again.

It's hard to change who it is without falling apart.

When Li Kai saw Yu Sheng coming in, his eyes swollen like eggs burst into tears.

"Brother Sheng..." Li Kai couldn't help crying as soon as he opened his mouth.

The thought that he had slandered Yu Sheng, cut off his righteousness with Yu Sheng, and that Yu Sheng could still visit him, he couldn't control his emotions.

This is the real brother!

However, he was blinded and obeyed the villain's words, causing him to turn against his true brother.

At this moment, Li Kai felt guilty to the extreme.

Yu Sheng walked to the front and said lightly: "Okay, it's just a bitch, it's not worth your sadness."

Li Kai cried and said: "Brother Sheng, that kind of slut, I certainly won't cry for her, brother, I really can't help you..."

Yu Sheng waved his hand and said, "Okay, it's okay, I don't care about that much, let's talk, how did those two slut hurt you, do you want me to help you out?"

Li Kai cried out of breath, and was even more grateful, saying: "Brother Sheng, thank you for your generosity..."

"Talk about the subject." Yu Sheng waved his hand.

"Brother Sheng, that bitch, she has been with Gu Jian's badan for a long time, and I have been kept in the dark.

Today I discovered their adultery. Not only did she want to break up with me, she also wanted me to go out of the house! Last time you helped me and asked the other party to pay me one million. Most of it was spent on her, and the only one hundred thousand deposit was also invested in the hotel.

In the end, she didn't even want to return the money to me. I was so blind, how could I like such a feminine woman."

Yu Sheng counseled: "Li Kai, if a man can afford to put it down, he should fall down and get up again! What about the blue and white porcelain I gave you? You won't really mess up, right?"

The blue and white porcelain is a few million dollars, for Li Kai, it is already considered a lot of money.

Li Kai nodded, and said nonchalantly: "I didn't smash blue and white porcelain. I hid it. Fortunately, the bitch didn't let me smash it, or I would really smash it."

Yu Sheng nodded and said: "It's fine to hide it. Sell it after you are discharged from the hospital, so that you can get up again. You lie down and calm down. I will buy you some fruit and pay the hospitalization fee by the way."

Li Kai was moved to tears: "Brother Sheng, good brother, thank you so much... Don't worry, I will return the money to you in the future!"

Yu Sheng said lightly: "Okay, it's all brothers, don't talk nonsense."

After speaking, he left the ward first.

I was in a hurry just now. I didn't care to buy things. Seeing that Li Kai was so pitiful, the rest of my life was a little bit unbearable, so I went to buy him some fruit, and swiped his card to deposit one hundred thousand yuan for hospitalization.

When returning to the ward, Yu Sheng found that the door of the ward had been pushed open.

When she came to the front, she realized that Du Yuezheng was standing in front of Li Kai's hospital bed with her hands in her arms.

When Li Kai saw the two of them coming in, he asked loudly, "What are you doing here? See my jokes?"

## **Chapter: 198**

Du Yue sneered: "Who is rare to see you as a bear, idiot!"

After speaking, I didn't forget to spit on the ground, and then said: "I'm here to ask you for the blue and white porcelain! Where did you hide it? Give it to me quickly!"

Li Kai said angrily: "Du Yue, my brother gave me that blue and white porcelain. Why are you taking it away?"

"It's for you?"

Du Yue snorted coldly: "Your mother figured out to the old lady, why did Yu Sheng give that blue and white porcelain? It was a gift for the opening of the restaurant! Whose restaurant belongs to? It belongs to the old lady!"

When Li Kai thought that Du Yue was so shameless, his angry voice trembled: "Du Yue, don't be too much!"

The restaurant still has the one hundred thousand dollars I invested. You must return the one hundred thousand dollars to me. As for the blue and white porcelain, it was given to me by my good brother. Did you hear that? Give it to me! "

Du Yue said contemptuously: "Stop the fucking nonsense with me. The restaurant has nothing to do with you. I won't give you a penny. The blue and white porcelain belongs to the restaurant. If you don't take it out, I will call the police immediately. , Just say you stole that blue and white porcelain from my restaurant!"

Gu Jian on the side also sneered: "Boy, I advise you to get to know each other better. You can't afford my Gu Jian's network in Qiancheng at all. Among the people I know, there are many people in the underground circle. I have a phone call. , You can call them over and interrupt your dog legs at that time!"

Li Kai's tears kept streaming, and she asked Du Yue: "I will do my best to you and give you everything I can give you. Even if you don't appreciate it, you don't have to be like this, right?"

Du Yue said disdainfully: "Appreciate? What are you? I tell you, I have never liked you before. You are not worthy of me like you! Only a man like Gu Jian is worthy of my liking! "

Gu Jian also smiled and said, "Do you know why Du Yue wears a hat for you? Because you can't.

Haha, forgot to tell you, Du Yue and I are in harmony in bed! "

Du Yue said shyly: "Oh, brother Jian, why are you talking about this, people will be shy..."

"shy?"

Gu Jian laughed and said, "Why don't we close the door and show him how you serve me in front of this trash?"

"Oh, no, it's too shameful!"

Li Kai couldn't stand it anymore. He picked up the pillow and slammed it over, cursing, "Dog man and woman, get out of me!"

Gu Jian grabbed the pillow and snorted coldly: "I warn you, if you don't hand over the blue and white porcelain, I will interrupt your other leg and throw it away to feed the dog!"

After Yu Sheng listened to this outside, he suddenly walked into the ward and shouted angrily: "It's up to you!"

Gu Jian turned his head and looked at Yu Sheng, his face a little flustered.

For the rest of his life, Li Kai can afford millions of blue and white porcelain, it is certainly not ordinary people.

But seeing that Yu Sheng was the son-in-law of the Yang family, he suddenly stopped paying attention to Yu Sheng.

Gu Jian laughed loudly: "Oh, who I thought it was? It turned out to be the rubbish who ate soft rice! His name is unknown to everyone in Qiancheng!"

Seeing Yu Sheng coming in, Du Yue disdainfully said: "Yes, this waste doesn't know which tendons are swollen, and dare to take care of our nosy?"

Gu Jian looked at Yu Sheng coldly, and threatened: "I will give you three seconds to get out. I can treat you as if you haven't been here and don't pursue you!"

## **Chapter: 199**

Yu Sheng looked at Gu Jian and Du Yue, disdainfully said: "Let me get out? What are you?"

Gu Jian gritted his teeth and said: "Boy, dare to pretend to be forceful in front of me Gu Jian? Do you know that there is someone behind me Gu Jian?"

Yu Sheng said coldly: "I care if there are people in you. You make me very upset today. I will give you a chance to kneel on the ground and knock my brother three heads, and let my brother break your leg. Otherwise, you will It's ugly to die!"

Hearing this, Gu Jian laughed a few times. Then, his expression gradually solidified, and he said coldly: "Boy, what are you talking about? Let me kneel down? Are you tired of living?"

Du Yue couldn't help but ridicule on the side: "Yu Sheng, where are you stupid? Pretending to be forceful with Brother Jian, do you think you have a long life?"

Yu Sheng said coldly: "Bitch, don't talk to me!"

"you....."

Du Yue suddenly became angry and said to Gu Jian: "Brother Jian! He dare to scold me! Find someone to kill him! I want to tear his mouth!"

Gu Jian gritted his teeth and said: "I don't know good or bad things! I'll call someone to kill you, you wait!"

When Yu Sheng heard this, he suddenly smiled, and said, "Well, if you don't kill me, you and this stinky frame will both die miserably!"

Gu Jian snorted coldly, made a call immediately, and said loudly: "Brother Seven, I'm in Sitong Hospital now. You bring a few brothers here, I'm going to give up a kid!" m.9biquge . com

Yu Sheng didn't call, but directly sent a text message to Du Fei: "Come to Sitong Hospital, someone wants to kill me."

Du Fei immediately called back and blurted out and asked, "I'm grass, which dog bastard is not long-eyed?"

Yu Sheng said indifferently: "Stop talking nonsense, just come over directly."

He asked Du Fei to come over, but just wanted Du Fei to accommodate him in the endgame.

Who can Gu Jian call?

At most, it's just a few gangsters in the underground circle.

Dealing with a few gangsters, for the rest of their lives, one finger can make them regret coming to this world.

Of course, letting Du Fei come over will also let Gu Jian really know what to call someone.

Du Fei immediately said: "I'm here!"

Seeing that Yu Sheng was also on the phone, Gu Jian sneered: "What? Can you call someone too?"

Yu Sheng sneered and said, "I said it will make you die miserably!"

Gu Jian seemed to hear Tianda's joke, and sneered: "Are you old? In Qiancheng, someone who can make me die a horrible person will not give birth to his mother!"

Li Kai on the hospital bed was very grateful to see that Yu Sheng really wanted to help him.

Only he knows the identity of Yu Sheng, the chairman of the Four Seas Group, even the underground king He Wu has to kneel for Yu Sheng, Gu Jian is a fart.

Can the person he called lick He Wu's shoes?

So he didn't worry about the rest of his life at all.

It's just that I really feel sorry for it.

"Really, you'll know in a while."

Yu Sheng smiled jokingly, turned to Li Kai, and asked, "How much did this bitch cheat you?"

Li Kai hurriedly said: "At least 800,000!"

Yu Sheng nodded and said, "Okay, if she doesn't pay for it in a while, I will break her legs."

"You are a waste of soft food, and dare to break my legs. Go ahead and dream of your mother's spring and autumn." Du Yue scolded disdainfully.

After speaking, she shook Gu Jian's arm hurriedly, begging: "Brother Jian, he dare to scold me, you hit him!"

Gu Jian didn't look at the fierce call, but seeing the disdain in Yu Sheng's eyes, he didn't dare to do anything.

## **Chapter: 200**

If you do it now, you can't take advantage of it. It is very likely that you will be beaten. So he touched Du Yue's hand and comforted: "Baby, don't worry, Brother Seven has already brought someone here, and it will be here soon! Waiting for Brother Seven to arrive. , I want his life!"

"Well, I will fight when I see his parents in the future!" Du Yue said fiercely.

Yu Sheng's eyes narrowed, this bitch's heart is so dark?

Very good, then don't blame me for being spicy today.

Yu Sheng snorted inwardly, and took out the phone to call Xia Jun: "Take advantage of your relationship and find me a person named Gu Jian and Du Yue. I will send you the photos of the two later. After arriving, bring me their father to Stone Hospital."

Xia Jun said: "Okay, do you want to give them to that?"

"You can hit half-dead first and then tie it over." Yu Sheng said harshly.

"it is good."

After hanging up the phone, Yu Sheng took another photo of the two of them and sent it over, and then said coldly: "They say that the son is not a godfather. Later, I will ask your Laozi to come over and talk about how they educate them in person. You two are scumbags!"

Gu Jian said with a black face, "Boy, I advise you to stop at enough, otherwise, when the person I call arrives, you might really die!"

Yu Sheng sneered: "Let the person you call come hurry up, I can't wait." Remember for a second <http://>

Gu Jian was about to insult Yu Sheng. At this time, the door of the ward was kicked open, and a guy with a face full of flesh rushed in with seven or eight people aggressively.

When Gu Jian saw him, he immediately pointed to Yu Sheng and said, "Brother Seven, this kid, help me kill him!"

The seventh brother frowned and said coldly: "You provoke my brother?"

Yu Sheng smiled indifferently, nodded and said: "What? Are you going to stand up for him?"

Seventh brother looked at him suspiciously. This kid was face-to-face, he hadn't seen him before, and he didn't know the details, but why was he not afraid of himself at all?

So he tentatively asked: "Boy, which way do you do?"

Yu Sheng said: "The sidewalk."

Gu Jian hurriedly added: "Seven brother, this is a door-to-door son-in-law who eats soft food."

After finishing speaking, he whispered in his ear again: "Seven brother, this kid has no background, you can fight to the death without worry, I will carry it if something happens."

"A soft meal?"

Seventh brother grinned, "Okay, I interrupt his bird, I see what he can rely on for soft food!"

After finishing speaking, before Yu Sheng could answer, he immediately waved to the brothers behind him: "Damn, kill him for me!"

Gu Jian looked at Yu Sheng and sneered: "What is the last word of the surname Yu?"

Yu Sheng ignored him, looked at the seventh brother, and said lightly: "Kneel down and apologize, maybe you still have a life."

Brother Seven was stunned, and pulled out his ears, frowned and asked, "What did you just say? Say it again, I promise you won't survive tonight!"

Gu Jian smiled and said, "Haha, Brother Seven, this forced you to kneel down and apologize. It's probably because your head was kicked by a donkey."

Brother Seven sneered: "I don't care about him being kicked in the head, I will kill him today!"

He said he would do it himself.

At this moment, a roar suddenly came from outside the door: “Little Qi, who the hell are you going to kill?”

Seven brother’s expression was stunned, and when he looked out the door, he was dumbfounded.
